## FIREMEN FORMALLY ACCEPTS INHALATOR

### Taneytown Lions Club Makes Presentation

The first and most impressive feature of this week's Lions meeting on Tuesday last was the ceremony of formal acceptance by the Taneytown Volunteer Fire Company of the Scott inhalator presented for the community's use by the Taneytown Lions Club. Flash pictures taken by visiting Kiwanian Robert W. Smith, and Robert W. Feesser, Secretary of the Fire Company, and both Lions, receiving the life saving device from President Merle S. Ohler and Secretary Murray M. Baumgardner representing Lions. In brief but well chosen words President Tracey pointed out that in the past year there were twenty-one instances where oxygen, had it been available, would have been an unqualified aid in rescue, fire or ambulance cases.

Besides able amateur photographer Smith, a second guest, Gregg Kiser, of Keyville, was introduced and welcomed by his host, Lion John M. Hoagland, both recently neighbors in Florida. President Ohler then called on Clarence O. Fishpaw, Lions District Governor, who listed some outstanding coming events for spring and summer as his own term of office draws to its close, expressing his deep appreciation of the loyal cooperation given him by all clubs. Besides a fine social night, April 27, in Mechanicsville School, Governor Fishpaw spoke on the district meeting May 5, in Hagerstown, also an affair to which the ladies are invited, and a novelty for the district's program effort. He was the most happy, however, to report the formation of two new clubs, at Clear Spring and at Kitzmiller, Md. The forthcoming district and international convention at the Traymore and Brighton hotels in Atlantic City, June 15 to 18 was dwelt on at length, a new feature being the holding of individual district "little conventions" in the form of luncheon get-togethers. The climax of the season, the international convention July 17 to 21 in New York, was brought home much more personally and appealingly by his description of the preparations and practice by the Fort Hill High School Band. These youngsters are saving brand new uniforms provided by the Allegheny School Board until that day arrives and meanwhile hold daily drills in marching and playing. The District hopes that they can be permitted an additional day in the metropolis at least, in view of their marvelous enthusiasm.

On the motion of Lion Merwyn C. Fuss, the local cancer fund drive was commended and its administration undertaken by Taneytown Lions. This project was assigned to the Health and Welfare committee headed by Robert L. Zentz. Committee responsibilities for the following new members were then announced: Chester B. Cartzenadner, health and welfare; Lions John O. Garner, civic improvement; Kermit B. Reid, citizenship, and J. Carroll Wantz, convention. It was further agreed that a joint meeting with Taneytown Kiwanians would be scheduled for June 28th.

The final items of business of this purposeful meeting had to do with the establishment of a local blood bank. President Tracey reported that the Fire Company had proposed shouldering any expense involved, and the motion to share this undertaking with the Kiwanis Club received unanimous endorsement. The need brought graphically home to all present by Lion Reid, who told of the time consuming search for properly typed donors which was even now having to be made on behalf of a fine lad in a nearby hospital.

The meeting closed with the showing of several films by President Ohler, one a beautifully colored picture of the last international convention parade, one dealing with the newest tire development, and one of the Cleveland Air Show.

## DRIVE FOR FUNDS FOR TANEYTOWN RECREATIONAL FACILITIES

Early this week 1200 letters were sent out to the people of Taneytown and vicinity asking for financial assistance. It will take a lot of money, over a long period of time, to complete the project of a Community Recreation Park. A plot of 15 acres has been purchased and money is needed NOW—to improve this property. It is impossible for the small group, sponsoring this community project, to contact each individual personally, but the few persons and business places that have been contacted have seen the need for providing these recreational facilities and have responded generously with financial help. The officers and directors of The Taneytown Recreation Association request that you seriously consider their request for your financial assistance NOW in developing these recreational facilities for Taneytown.

The regular meeting of the Jr. 4-H Club was held April 5, at the home of Rhoda and Dorothy Rohrbach. 18 members were present. Miss Haines gave a demonstration on "What Colors-Suit You Best." Plans were made for a Easter hike to be held April 14. Games were played and refreshments served.

## DAYLIGHTSAVING TIME Will Be Observed on Pilgrimage

Daylight-saving time has been adopted for the 1949 ten-day Maryland House and Garden Pilgrimage, April 29 through May 9, during which thousands of Marylanders and out-of-state visitors will visit more than 200 of the state's choicest houses and gardens.

The announcement is made here with by Mrs. Blanchard Randall, Chairman of the Pilgrimage's Executive Committee.

During each of the 17 different Pilgrimage tours, opening on April 29 with two simultaneous tours of Howard County and the Baltimore City environs, the various estates and historic shrines to be on view will be opened promptly at 10 A. M. Eastern Daylight Saving Time.

In the event that some counties continue on Standard Time, it is further announced, the Pilgrimage homes and gardens in those localities will be opened an hour earlier, but also to prevent possible inconvenience to visitors from other states and foreign countries.

All houses and gardens opened in each Pilgrimage tour will remain open through the day of that tour until 6:00 P. M. Daylight Saving Time, or its equivalent.

During many of the tours, tea or lunch will be served amid picturesque surroundings, and Hospitality Chairmen have been appointed to take charge of such arrangements.

Clouds or snow-white blossoms will soften the outlines of Maryland's green hills and valleys when the 12th Annual Maryland House and Garden Pilgrimage is held this year, Friday, April 29 through Monday, May 9.

It is at just this time of year, normally, that the dogwood in Maryland is at its best.

There will be other dividends, however, for those who take one or more of the seventeen Pilgrimage tours to see Maryland's historic colonial houses, their century-old boxwood, and their thousand-hued gardens, because at that time the wisteria, azaleas, tulips and Judas trees will be at the height of their bloom.

As usual, many of those who have visited the gardens of the South—those of Charleston, S. C., Mobile, New Orleans, Natchez, Florida, and the historic homes of Virginia—are also planning to see Maryland's 18th century and 17th century estates as they return northward from summer into the springtime of the Mason-Dixon region.

## MALE CHORUS TO PRESENT CONCERT

The Brotherhood Male Chorus of Trinity Lutheran Church is preparing to present a concert to the public on Thursday night, May 12, in the Taneytown High School auditorium.

The chorus of more than twenty men, under the direction of Mr. R. Henry Ackley, of Hanover, has been traveling quite a bit the past few years singing for churches, brotherhoods and other organizations. Last year alone, they traveled over 850 miles to express their joy of singing to the people of Maryland, Pennsylvania and Virginia. Everywhere they went they were greeted with enthusiasm and encouragement which was greatly appreciated.

The chorus is not a professional group and does not pretend to be. They are only local men of the Brotherhood who love singing and the wonderful fellowship and good times they have together. But because the people of this, and surrounding communities expressed their wishes to hear more of the chorus, they decided to prepare a program of both sacred and secular music and present this in the High School auditorium. The program will be announced later, but it will have a variety of numbers, so as to suit every taste.

Tickets are now available and can be had from any member of the chorus, the Brotherhood, or by mail from James H. Fair, Taneytown, Md. It is advisable to buy your tickets early.

## MONTHLY MEETING OF WELFARE BOARD

### Funds Inadequate for Assistance in Carroll County

The regular monthly meeting of the Carroll County Welfare Board was held on April 4th. As a part of the agenda, serious consideration was given to the administration of public services for the remainder of the local fiscal year ending December 31, 1949.

Notice was received from the State Department of Public Welfare that there will not be sufficient State funds eligible for public assistance during the remainder of the state fiscal year ending June 30. The problem of limited funds will continue into the next fiscal year so that a method of allocating funds to local departments will have to continue after July 1. In order to keep within the present allocation, it will be necessary for the local Board to establish a waiting list of all persons eligible initiating grants only as available funds permit. Applications will continue to be received, eligibility determined, and grants calculated, in the usual way.

In order to meet the situation of insufficient State funds, the Carroll County Welfare Board finds that it will be necessary to suspend some assistance grants to individuals who remain eligible but who have some possible resource, such as help from relative, earning capacity, and increased support from parents out of the home. Any cases which have to be suspended, even though eligible, will also be held on a waiting list in order that the grant might be reinstated if and when funds become available. When it is possible to begin or reinstate a grant to a person on the waiting list, eligibility will be reconsidered, with a complete review of circumstances, before the grant will begin or be resumed.

According to the monthly financial report of the local department for March, the expenditure of State funds for all categories of public assistance totaled \$3,565.84. The monthly allocation of State funds to this department for the total program beginning April 1st has been reduced to \$3,268.00.

The Board deeply regrets that this situation has arisen, which necessitates the denial of immediate public assistance to needy individuals in Carroll County. The support and cooperation of the community in helping the agency to meet the situation of insufficient State funds will be appreciated.

## EASTER IN THE PRESBYTERIAN CHURCH

The festival of the Resurrection will begin at 6:00 A. M., Sunday, April 17th, 1949, with a union Easter dawn service in the Presbyterian Church. Following the annual custom there will be no sermon. 1. The Crucified Christ, in charge of the Lutheran Church.
2. The Risen Christ, in charge of the Presbyterian Church.
3. The Living Christ, in charge of the Reformed Church.
4. The Victorious Christ, in charge of the E. U. B. Church.

Everyone is invited to this community service in celebration of the Resurrection.

At 11 A. M. the annual Easter Service will be held in the Presbyterian Church followed by the Holy Communion.

At Piney Creek the annual Easter Service will be held at 9:30 A. M. followed by the Holy Communion.

## AROUND THE TOWN

With all my heart, I wish you every morning  
A smile that shall last until the next day's dawning.  
I wish you health—life's greatest wealth!  
I wish you always near so that I may help to cheer  
Each future day and in some way—help to bring you happiness!

Wonders will never cease. Believe it or not out in San Francisco they have women "Traffic Policemen". So be careful, gentlemen, on your way west to that big state on your vacation this summer. They are "Motor Cycle Cops."

Here's something for the school-teachers and their classes of the lower grades. Visit the new "Willow Farms Dairy" and watch the method of all the processing of bottling milk which then is delivered right to your door. After full completion, they are to have a nice "Curb Service" with a tasty lunch prepared for the motorist. Betcha that will go over big.

Thinking about those meters "Around The Town". People complained previously about not having parking places and now that the parking places are available they still complain for just a mere nickel. Life is funny.

Those two nice stores "Around The Town" Rob-Ellen and The Economy surely do handle just about everything. Can't figure why any individual would want to deal elsewhere when it takes time, gas and plus another meter nickel or more.

Many complain about the tax which is so little in the state of Maryland not realizing all the good your few pennies mean to your "Free State". The little lady out York Street who is an artist of "Still Life" surely did surprise Your Observer the other day. I learned just then that she sews beautifully and can alter or make any kind of a garment you desire.

The nice proprietor near the square, you know the one I mean with a big cigar in his mouth most of the time is surely a reader of human nature and he has interested Your Observer from the very first day I met him three years ago. His helper is just as kind as he and ready to offer a helping hand with your car. They are two of the most substantial people that are "Around The Town".

Did you know that raising canary birds is quite a problem? Now I know why they are so expensive. Heard a father remark the other day that his son is such a crab in the morning until he gets his cup of coffee. Well, father, if that is the thing that will make your son pleased as he arises and put him in a good humor, why object to the cup of coffee? I learned later that the father never indulges. See what I mean, folks? There's always a reason for everything.

Not long ago, I saw an only son look down into the casket of his mother as the last look before she was placed in her final resting place. I knew this son for many years and he is a noble character but he was always a very distant somebody to his mother all through his entire years just as though he were a stranger. As I sat there in that funeral parlor and gazed upon this lad who was so stricken with this death, I thought, "Why didn't you do that while she lived?" How wonderful it would have been if she could have realized that boy, her boy whom she worshipped looking down at her with such love and tenderness in his face and yet so broken in spirit that she was gone forever from him, the little mother who toiled for his happiness night and day. Why is it, folks, that many realize when it is all too late? One of the best things about a little life is that he never thanks you for doing things for him, he is so sure you want to.

Always remember "He or she that marries for money earns it".

Be careful driving this week-end as there will be plenty of traffic on the road. Remember that slogan before your eyes so much these days, "That the life you save may be your own!"

A garden is a lonesome thing, God wot!  
Rose plot, fringed pool,  
Ferned grove—  
The veriest school of Peace;  
And yet the fool contends  
That God is not—  
Not God! in Gardens!  
When the eve is cool?  
Nay, but I have a sign:  
"Tis very sure  
God walks in mine!"  
(Thomas E. Brown).

Have a nice week-end, Folks. So long. Will be seeing you next week.  
Your  
OBSERVER.

"Free speech is a great blessing—until the other fellow begins talking too much."

"If two mice are mice—  
And two louses are lice—  
Can it be said that man  
With two spouses has a spice?"

### THE AMERICAN WAY

I missed the bus last week, a trick I hope to avoid in the future. There are so many things happening in the world today as recorded in the press that it is quite difficult to pick out that which might most interest Carroll Record readers. One however remains and that is the stubborn indifference to world peace as produced by those pesky Russian leaders.

I know a few Russians, one a relative by marriage, and these folks are just as human, and just as nice as the rest of us—Stalin is living and acting true to his early training—train robber and murdered allegedly. He has a purpose, and not a very good one, and that is to dominate and rule the world. But he reckons without considering the potentiality and power of the United States.

The United States will, in time, doubtless fall as have other great states in the past but it will not fall at the hands of Russia, else my reasoning is false. We have a few whiners who fear that our population will outgrow our capacity to produce food sufficient to sustain the life of the people. These, too, we believe to be wrong.

As I traveled over the great state of Pennsylvania, to our north last year the thought occurred to me that that state alone, under intensive cultivation could sustain our entire population though it were as large as now.

No, friends, I am one of those who believe it not wise to sell America short.

### SEE WHAT HAPPENS IN ENGLAND UNDER SOCIALIZED MEDICINE

When illness strikes in your family, how would you like to be one of 4000 patients to whom your doctor could devote just seven minutes each minute visit, as Representative William P. Bolton. He states a recent survey of Socialized Medicine in England discloses that is how it operates.

In announcing his intention to vote against the pending Murray-Wagner-Dingell Bill providing for a National Health Insurance and Public Health Program, Representative Bolton states, "If I felt this bill would help the lower income brackets who cannot afford adequate medical care, I would inclined to be for it, but I am firmly convinced this program would not work out to the best interests of the people". He suggests that the present shortage of doctors in the United States indicates that any attempt to care for the sick on an organized nation-wide basis would necessarily result in haphazard treatment. The Congressman adds he is opposed to Socialized Medicine in the United States for these reasons and also because he is opposed to placing the American people under any further government regimentation or controls.

## Let's Think

### HE IS RISEN

An Easter message must always be a hopeful message. In all history no other victory has been so triumphant, nor inspired so great hope, lightened so many hearts as that of the Risen Christ, who flung wide open the door of the tomb, and who went forth in the face of those who crucified Him. Life, not death, is in the Cross. The call of Him who came to give abundant life is "deny thyself, take up the cross and follow Me."

Life pulsates wherever it is found, whether in the grave, on the cross, or in the sky. We bring life into the world with us, it goes with us out of the world. Only the house in which life dwells is interred in the earth.

So live that when thy summons come to join  
The innumerable caravan which  
moves  
To that mysterious realm where each  
shall take  
His chamber in the silent halls of  
death,  
Thou go not, like the quarry slave at  
night,  
Scourged to his dungeon, but, sustained  
and soothed  
By an unfaltering trust, approach  
thy grave  
Like one who wraps the drapery of  
his couch  
About him and lies down to pleasant  
dreams.

Easter signifies a shout of triumph. The first Easter was a disappointment to Christ's enemies, it was a signal for rejoicing for His friends. Christ's Resurrection meant defeat for His foes, victory for His followers. Christian hope cannot be imprisoned in the tomb. Paul knew the full meaning of Easter when he exclaimed: O death, where is thy sting? O grave, where is thy victory? Yes, each Lord's Day is a memorial of the first Easter. Without Easter there would be no Sunday.

Does Easter not have a new meaning for the noble heroes who fought in the two World Wars for the per-

petuation of freedom and democracy! "What comfort this gives you, the tens of thousands of God's children who have stumps instead of limbs, hooks instead of hands, whose eyes are shrouded in darkness, whose lips are sealed in silence, whose ears are deaf and dead to every sound. What an inexpressible consolation to you who have spent most of your years on sickbeds." Thus exclaims the preacher of the Lutheran Hour in a former message—Easter Triumph.

Why, asked the angels, are you looking for the living among the dead? He is not here. He is risen.

Easter is a pledge of everlasting life to all believers and of a happy reunion of loved ones. "Because I live, ye shall live also," is our assurance from the Conqueror of death and the grave.

### FEESERSBURG

As a result of the balloting by members of the Elmer Wolfe P. T. A. Mrs. Roger Roop was chosen adult May Queen for the May Day celebration, Monday evening May 9th. The following will make up the Queen's Court: Mrs. Roger Luttrell, Mrs. Wilmer Baker, Mrs. Donald Flickinger, Mrs. Paul Leister, Mrs. Lewis Crum-packer, Mrs. Charles Messler, Mrs. Carroll Dougherty, Mrs. Catherine Fleming, Mrs. Joseph Bostian, Mrs. Mary C. Grahill, Mrs. Truman Myers, Mrs. Edward Welliar, Mrs. Maurice Gray and Mrs. Wayne Repp.

The Union Bridge Lions Club sponsored a free Easter program for the children of Union Bridge and community Tuesday evening in the auditorium of the Elmer Wolfe School. The entertainment was in the form of a magic show, which pleased the children very much. Prior to the show each Lion had as his guest some child for supper at the regular meeting of the club. Carolyn Myers and Nancy Roelke were guests of Mr. Clinton Kelly.

The world was a little sadder yesterday when it was learned that little Kathy Fiscus was brought to the surface dead from the well in which she had fallen 52 hours before. Mothers and fathers everywhere shared in some measure the grief that David and Alice Fiscus must bear in losing their three year old daughter in such tragic circumstances. Fifty or more volunteers had worked constantly to free the trapped child. Few stories in years have so stirred the nation and world. Prayers were offered in many churches Sunday for Kathy's safe return to her parents and parents everywhere silently prayed too. From this tragedy may come some good as there are still many uncovered abandoned wells, which now may be so fixed that children cannot stumble into them.

Mr. and Mrs. Russell Bohn attended the McPherson-Moxley wedding which took place Saturday evening at 6 P. M. in the Clagettville Methodist Church. Following the wedding a reception was held in the Parish House. The McPherson's formerly lived in this community.

Inexperience is what makes a young man do what an older man says is impossible. Favored by ideal weather conditions many residents of this area observed Palm Sunday by attending services in the churches and paying tribute to the anniversary of Christ's triumphal entry into Jerusalem nearly 2,000 years ago. The ageless story of the acclamation of Christ by the multitudes in the palm-strewn streets of the Holy City rang out in stirring hymns and the story of the day was relived again in sermon and ritual.

A new outbreak of measles and pink eye is reported in this area.

According to the accidents in the papers, farmers refuse to learn by experience of others and continue to take chances with machinery which can end in only one way—a accident, either fatal or causing broken bones and a long stay in the hospital. Farming these days is dangerous because most of it is done with machinery which requires skill and caution in handling. When a man works in a factory he is taught safety and made to practice it. The same thing should be done on a farm. Every week we hear of some friend or neighbor being injured or killed by the mishandling of his tractor or other pieces of equipment. The sad part of it is that a farmer is like a dog—you can't teach him new tricks as he thinks he gets by doing the things the old way. The only hope is educating the farmers of tomorrow into the proper use of machinery so that some time in the near future farming will no longer be classified as one of the most dangerous of all occupations.

The Union Bridge Girls 4-H Club will hold its regular monthly meeting at the home of Sylvia Roelke near Union Bridge.

Mr. and Mrs. Earl Wilhide and young son were guests of Mr. and Mrs. George Skinner, Sunday evening.

Charles Goodman, of Baltimore, was Sunday guest of Mr. and Mrs. William Holbrook.

Sunday, being two pretty to spend indoors we took a drive to Uniontown and on into Frizellburg. This section of Carroll County is one of the most beautiful in the state of Maryland. Sunday it was past describing. The browns and greens of the fields looked like one of grandmothers quilts and Frizellburg tucked away on the hill looked like a picture on a penny post card. The farm land rolls as far as the eye can see and the winding roads characteristic of Carroll County adds interest if not complacency to the driver of a car.

The meandering streams running here and there were being patrolled by boys and girls looking for early spring flowers or maybe trying to see a fish. Everything looked new and fresh and it gave one the feeling of driving through the Valley of Peace and Plenty.

On April 18, the Keysville Grange will hold its second meeting in the store building in Keysville. New members will be cordially welcomed.

Sunday visitors of Mr. and Mrs. David Miller, were: Mr. and Mrs. Ralph Syder and mother of Hanover.

Mr. and Mrs. Leon Tanner and Mr. and Mrs. Woodrow Miller and daughter, Ginny, of Baltimore, and Mr. and Mrs. Charles Lease and son, of Westminster.

Mrs. Ebba Currey, of Hagerstown, is spending some time with Mr. and Mrs. Frank Martin.

Lenten services were held Tuesday

evening at Mt. Union Church with all four churches of the Parish taking part. There will be Communion services at Mt. Union Sunday morning at 9:30.

What does the God  
Of all the universe  
Require of thee?  
He well might ask  
A multitude of things  
He asks but thee:  
Deal justly with mankind;  
Love mercy (or, be kind);  
Walk humbly, these we find  
Are all that God requires  
Of you and me—Lessie Drown.

### FRIZELLBURG

The Frizellburg Homemakers Club will meet April 20, at the home of Mrs. Miles Reifsnider. Time saving kitchen cupboards, will be demonstrated by Mrs. Howard Reichard and Mrs. Walter Myers, Sr. Time 7:30 P. M.

Confirmation and Holy Communion will be held in Baust Reformed church on Easter Sunday morning, April 17, at 10:30. The children of the Sunday School will have charge of the worship service and will render a short Easter program beginning at 9:30. Rev. Miles Reifsnider, Pastor.

Holy Communion was held in Baust Lutheran Church on Palm Sunday. During the worship service the infant son of Mr. and Mrs. Charles Auman was baptized, names in the altar vases were in loving memory of the late Mrs. John Harmon and were given by her husband, Mr. Harmon and daughter, Mrs. Delmar Warehime. The flowers in the chancel were given to Mrs. Irene Welk who has been sick for the past few weeks. We are glad to say she is up and around at this time.

The Never Weary Class of Baust Lutheran Sunday School met on Wednesday night, April 6, at the home of Mr. and Mrs. Delmar Warehime with Mrs. Edwin Hull as leader. The topic for the lesson was "My Missionaries to Foreign Lands." Approximately 500 Lutheran Missionaries have been sent out from America to the foreign mission fields. At this meeting we learned of our own missionaries who had gone to foreign fields more than one hundred years ago. In the absence of the President Kenneth Lambert the business meeting was conducted by the vice-president, Vernon Zimmerman. The secretary, Mrs. Glenn Haines called the roll and read the minutes of the last meeting. During the month, sick members were remembered with baskets of fruit, Mr. and Mrs. Walter Marker gave a liberal donation to the memorial fund in memory of their son, Kenneth. The host and hostess served refreshments to 21 members and guests. The May meeting will be held at the home of Mr. and Mrs. David Starner with Mrs. Edward Hailey in charge.

Mr. and Mrs. Charles King, Mr. and Mrs. Charles Myers, called to see Mr. Carroll Hively, at the Annie Warner Hospital, Gettysburg, on Saturday evening. Mr. Hively returned home on Monday and is getting along nicely.

We are proud of our street lights, they were turned on, on Thursday.

We know that Spring is here to stay for the small boys are playing marbles and the large ones are playing ball.

Mr. Guy F. Fowler was supper guest of Mr. and Mrs. Glenn Haines, on Friday evening.

Little Del and Ronnie Warehime are on the sick list.

Christ, the Lord, is ris'n today,  
Sons of men, and angels, say;  
Raise your joys, triumphs high!  
Sing, ye heav'ns! and earth, reply!

Vain the stone, the watch, the seal;  
Christ hath burst the gates of hell;  
Death in vain forbids his rise;  
Christ hath opened Paradise.

Lives again one glorious King;  
Where, O Death, is now they sting?  
Once he died our souls to save;  
Where's thy victory, boasting Grave?

### HARNEY

"A's Easter Dawns", a play in 2-acts will be given in St. James Reformed Church, Harney-Littlestown road on Easter Sunday night. The play is built around a decision of the church board to close the church, due to lack of spirit and financial support but under the guidance of Grandmother Walkins, the faith of Ollie the janitor, and the sweetness of Martha, the minister's wife, the church and community has a spiritual awakening to the great truth that Christ is Risen.

Mr. and Mrs. Wm. Oren and son, Larry, Gettysburg, Pa., were Sunday evening dinner guests of Mr. and Mrs. Dewey Orner.

### In Memory of my Loving Wife,

LAURA B. CLINGAN,  
who departed this life April 14, 1946.

My lips cannot tell how I miss her  
My heart cannot tell what to say:  
God alone knows how I miss her  
In a home that is lonesome today.  
Loving Husband,  
THOMAS M. CLINGAN.

ANGELI—In Loving Memory of our Husband and Father, John L. Angell, who passed away April 16, 1946.

You have taken your last journey  
In that beautiful ship called rest  
Away from this world of sorrow  
To the home of eternal rest.

Gone from us leaving memories  
Death can never take away  
Memories that will always linger  
While upon this earth we stay.

There is comfort in knowing  
We will meet again some day  
When all griefs and burdens are over  
And the clouds have rolled away.  
By his WIFE and DAUGHTER.

**PERFECT RESULTS**

**YOU** too will enjoy the assurance that everything you bake will turn out perfectly everytime. Even the best of cooks will be happier in the knowledge that uncertain heat can never spoil her masterpieces. And think what a blessing for a new cook to know that she can be sure of perfect results. Yes—you'll like the certainty provided by the completely automatic controls of the electric range.

Set a control for a certain heat and that's the heat you get—never more, never less. Add to that the electric range time control and you have fully automatic, almost foolproof cooking. But nice as these things are, they tell only part of the electrical cooking story. You'll also like the greater cleanliness, higher speed, complete safety, increased convenience, the modern beauty, and of course the low operating cost of today's electric ranges.

DO YOU know that the number of electric ranges in use in this very area has practically doubled in just the past two years—that nearly 30,000 nearby women are now cooking electrically? Because in time something better always replaces something less desirable, you too will eventually become an electric range user. But why eventually? Why not NOW?

## LOCAL BOYS IN ORGANIZED BASEBALL

Taneytown is proud to have three of its former ball players trying out for berths in organized baseball.

Fern Hitchcock, Jr., son of the local team's scintillating manager, was first to leave. He departed March 26, for Pine Bluff, Arkansas, a farm team of the St. Louis Browns of the American League. He is now in probation camp in Maysfield, Kentucky. There he hopes to earn the first base position with the Pine Bluff team.

Charles Unger, Jr., Taneytown pitcher who compiled a record of ten victories against two defeats in last year's Penn-Maryland competition; the best record collected by any pitcher in the League. He left April 9th for Cambridge, Maryland of the Eastern Shore League, a farm team of the Brooklyn Dodgers of the National League. Unger is a left-handed pitcher, but a right-handed batter, who also did his share of hitting in last year's games.

At this writing Elwood Harner, Taneytown catcher, has yet to embark for Cambridge, Md., where he is scheduled to get the same chance as is being offered "Junnie" Unger. Unger and Harner were battery mates several times last year, and both are to report to the same team in Cambridge.

Two members of Littlestown's last year's team have been picked up by the Pine Bluff team. "Nit" Kress, center fielder and "Bob" Weaver, pitcher are the two Littlestown representatives.

The Jr. team of Hanover is being sponsored by the Hanover Kiwanis club, and is under the management of John Drenning, former Taneytown star. The Hanover boys' team is open for the scheduling of games. All team's interested please contact Mr. Drenning.

## Heaven Is Real

Easter Lesson for April 17, 1949

HEAVEN IS just as real as Chicago. More so, because Chicago will in time cease to be, while heaven lasts forever. A few atomic bombs, a whiff of some new plague, can make Chicago vanish; but no atomic bomb can touch heaven. The pity is, so few Christians really believe this. We can get mail from Chicago, but who ever heard of mail from heaven?

Dr. Foreman

Wait, though . . . there is mail from heaven, and you have it there in your Bible. If you accept it for what it is, the Word of God, then it is the Word from heaven. To be sure, it does not tell us much about heaven. If you were actually traveling to Chicago, you would not begin by studying a street-map of that city. What you would need is a map of the roads between.

So the Bible is not a guide-book to the "City Four-Square;" it is more of a road-map to help us find the way between here and there. Nevertheless, the Bible does assure us that heaven is real.

Christians have many reasons for believing in the reality of the future life, and some of these may not be in the Bible; but the best reasons are there.

### Jesus Believed It

WINIFRED KIRKLAND has truly said that Jesus did not simply believe in immortality; he lived it. Jesus would never have called this world or this life trifling or unimportant. But all around, under and over and through this visible world, Jesus was aware of another. He lived and acted as a citizen of both worlds. He talked of life after death—or for that matter, of his own life before his birth—as calmly and naturally as you would speak of next week or next summer.

### Christ is Risen

MANY PEOPLE feel it would be easier to believe in the future life if someone who had been across the line of death would return across that line to bring a message from the beyond. So they attend seances and they listen to table-tappings and go through all manner of weird performances in order to get a word or two from someone who has passed on.

But all the time we do have a record of a Return. Indeed it is The Return. We call it the Resurrection. The message of Easter is not summed up in songs about some "Beautiful Isle of Somewhere;" it is in these three words: "Christ is risen!"

He did not return in darkness, he was not under the control of any "medium," he did not make himself known by ghostly hauntings. He was seen at supper-tables, he spoke to his friends on a mountainside, he came to fishermen on a spring morning by a lake shore. The earliest Christians doubted some things; but few doubted that the Lord was risen indeed.

### Heaven Begins With God

THE CURE for the troubled heart, Jesus said, is faith in God. One of the strongest reasons for believing that the future life is real, is the nature and character of God himself. Jesus said as much once, in an argument with men who did not believe in immortality: "God is not the God of the dead, but of the living." If we were God's paper dolls or toy soldiers, he might weary of us as a child wearies of its toys, and sweep us all into destruction without a moment's thought. But if we are truly his children, then when life's evening comes, he will call his tired children home.

Eternal Life has two sides, the heaven-side and the earth-side. The church has never believed that simple immortality is the same thing as the heavenly life.

A Judas, when he dies, goes (as Peter said) "to his own place." A Judas carries out his own hell with him. But a man like Paul, or any Christian who has been at home with God here on this earth, when at last death comes, will, as Whittier said:

"Find himself by hands familiar beckoned  
Unto his fitting place."

## EASTER SEAL POSTER GIRL

"Little Miss Hopeful" is Bette Jean Bligh of Custer, South Dakota, poster girl for the 1949 Easter Seal Drive of the National Society for Crippled Children and Adults. Bette Jean, who is receiving medical and therapeutic care in one of the country's first hospital-school units to be financed by Easter Seal funds, is a victim of cerebral palsy, but now able to walk. She is a symbol of the hope extended to the nation's crippled through the services financed by Easter Seals.

## Good neighbors—on and off the job

Most telephone men and women live in the communities they serve. Some of them may be friends of yours. If so, we're sure you've found them willingly taking an active part in community life.

They may attend your church, belong to your service club or work on your favorite charity drive. They're interested in your hometown because it's theirs, too.

## Where proper spacing is important!

If you've ever planted corn, you know the value of proper spacing. Another place where "spacing" pays is on your telephone party line.

On a party line, "spacing" means allowing a little time between calls. When you do this, you give others a chance to use the line.

It's little things like this that make your party-line service good service. When everybody on the line is considerate and courteous, each party gets full value from his telephone.

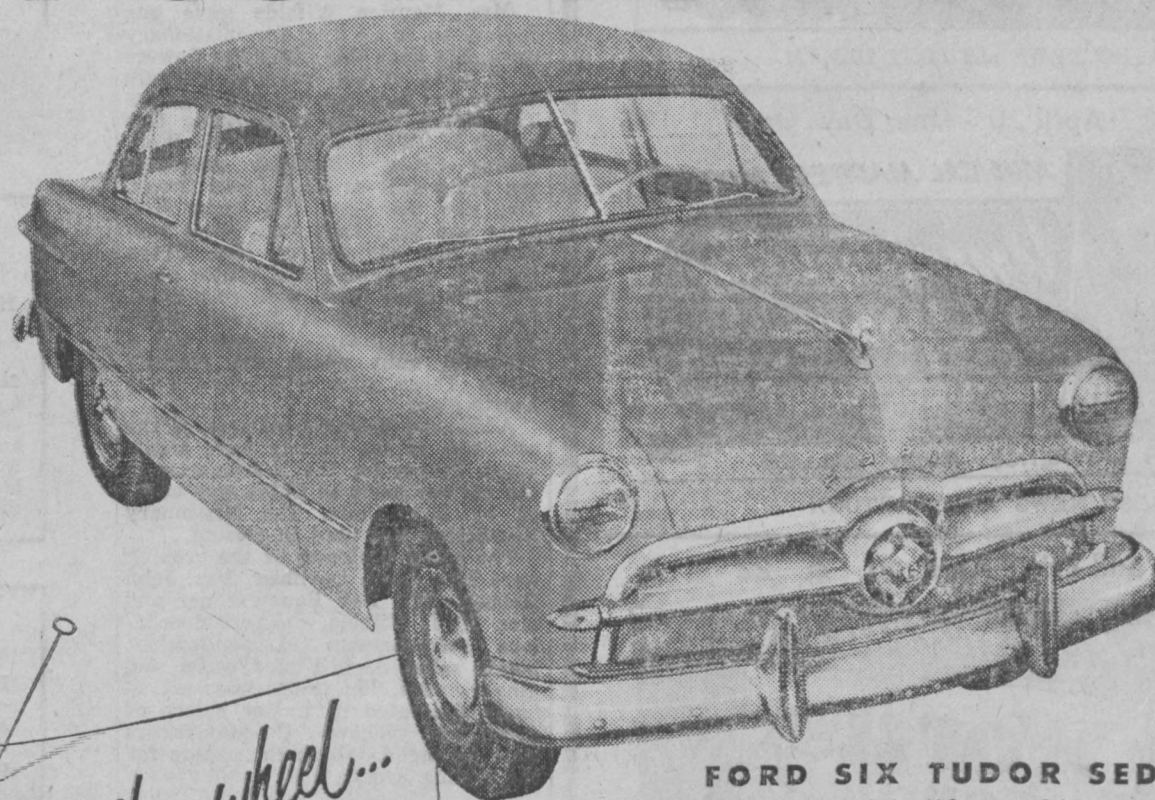

## A Long Distance call can make someone's day so much brighter

There's nothing quite so cheerful as the sound of a warm, familiar voice across the miles.

Wherever your friends and family may be, you can reach them quickly and personally by calling Long Distance. Most calls go through while you hold the line. And the cost is small. The inside front cover of your telephone directory quotes some typical low Long Distance rates. The Chesapeake & Potomac Telephone Company of Baltimore City.

**W. M. S. OF KEYSVILLE LUTHERAN CHURCH MEETS**

The Missionary Society of Keysville Evangelical Lutheran Church met on Tuesday evening, considering the lesson topic, "The Church Goes on in China." The leaders were Mrs. James Cushon and Mrs. C. H. Valentine. The Scripture lesson was read by Mrs. Valentine and prayer offered by Mrs. Cushon. The different mission fields were discussed by Mrs. Cushon, also Easter in British Guiana—in Liberia. Songs of our Redemption, study VII of "A year with the Palms" was discussed by Mrs. Carroll Wilhide Psalm 69, 22 and 118 are appropriate reading at this Easter season. Bible Lotto was conducted by Mrs. Gregg Kiser and Mrs. Vernon Schaeffer.

Following the lesson period the president conducted the business session in regular form with reports from the secretary and treasurer.

The 21st Maryland Congress of the Women's Missionary Society of the Maryland Synod will be held April 30th at Trinity Church, Baltimore, and the 58th annual meeting of the W. M. S. of Middle Conference at Middletown, Md., in Zion Church on April 28th.

May 5th, Miss Helen Lawson, a missionary on furlough will show pictures of her work in Liberia. Watch papers for further notice.

May 8th will be our India Lace program and on May 10th we will celebrate the first anniversary of our Society by having a covered dish supper and several prominent figures in the Missionary movement will be with us. More later concerning this. Mrs. Maurice Wilhide gave our Society \$5 to be used for missionary work. She gave this instead of flowers in memory of her husband. Flowers wither and fade but her gift lives on. The Hymn we are memorizing this month is "When I Survey The Wonderful Cross." Birthday greetings are being sent to Miss Jessie Cronk. Two new members, Mrs. Grier Keiholtz and Mrs. Earl Roop were welcomed into our Society. Mrs. Upton Dayhoff, a neighbor and visitor came with her arms laden with good cheer for needy families in Europe, including several dresses, aprons and a beautiful quilt which she recently made. These gifts will make some hearts glad.

Additional business matters of the activities of the Society were transacted. Prayer for the Missionaries in the various fields of China was offered by Mrs. Cluts. The Missionary Benediction was used in closing.

The social hostesses of the evening were Mrs. Chas. Devilbiss, Mrs. John Harner, Mrs. Roy Baumgardner and Mrs. M. J. Wilhide who served delicious refreshments of sandwiches, potato salad, deviled eggs, coffee and ginger snaps. The tables were artistically decorated in Easter colors of green and yellow. Unique favors were arranged. Watch the papers for the coming events.
