FIREMEN'S CARNIVAL

Large Parade to be Held Thursday Evening, June 16

The Taneytown Volunteer firemen will hold their annual carnival on the Carroll County Fair Grounds on June 13th to 18th inclusive. The general committee has worked out a program of events which consist of variety and talent to meet the approval of the public. The entire week of the carnival will be highlighted on Thursday evening, June 16th, at 7:00 p. m., D. S. T., by a mammoth parade. Invitations have been extended to over 75 companies to participate with marching units, bands, equipment, ambulances, ladies auxiliary, etc. Time has not allowed the outcome of the invitations but the law of averages promises one of the largest firemen's parade ever staged in Taneytown.

With Charles Baker as chairman and his capable proven assistant, Edwin Baumgardner, we have the assurance of a successful event. Each and every fireman have a definite part to perform and can benefit if they contact one of the below committee chairmen and offer their assistance. Each committee chairman is responsible for the functioning of their project.

Wendall Garber, Harry Clingan; Entertainment, Donald Tracey, Chm., James Burke, David Smith; Ball Games, Raymond Feaser, Chm., Russell Rodgers; Parade, James Burke, Chm., Roy Smith; Games, Paul Shoemaker, Chm., Wilson Riffe, George Crebbs; other games Sterling Fritz, Chm., Augustus Shank, Glenn Dayhoff, Clifford Ott, Lawrence Myers; Advertising, Kenneth Clem, Chm.; Bernard Elliott; Wiring and Lighting, Jake Hartsock, Chm., Robert Ingram; Ice Cream, Roy Smith, Chm., Delmont Koons.

All firemen give support to these able chairmen and assistants.

This month, as has been previously announced, we are making the annual drive for funds. Letters have been mailed and it is utterly impossible to contact each and every individual in the district. The smallest donation is cheerfully accepted and we urge you to mail your contribution now, while it is fresh on your mind. All donations are urgently needed at this time as we are in debt due to the fact that we have purchased needed equipment for your protection. You now have at your service, day or night, as complete a service as any community in the country. If you need to combat a fire, or ambulance service or oxygen, call your fire company.

HAY FEVER SUFFERER

Having suffered hay fever and asthma for about thirty years the past four years I have had almost a total relief by taking treatment from my good friend and Doctor Dr. C. M. Benner, Taneytown, Md. I usually start a treatment in May and continue to some time after heavy frost. I feel I should pass the good word on to a friend or a foe, if some one can get relief of the terrible suffering. Yours truly,

JOHN T. MILLER, Taneytown.

Some of the new fabrics and trimmings are damaged by dry cleaning processes and it's heart-breaking to have a pretty dress or coat spoiled the first time it's cleaned. So, be careful.

TANEYTOWN AND ITS CHURCHES

Historical Paper Presented by Dr. Benner at Kiwanis Meeting

Wednesday, April 27, 1949.

My address tonight is to be a brief history of Taneytown, Md., since it was laid out in 1754 by Raphael Taney in the form of a cross—my information was secured from Judge Parke's address on July 4, 1932 at the Bi-centennial Celebration of George Washington who with his wife Martha, visited John Key, at Keyville, Md., on his way to Philadelphia and on July 1st and 2nd, 1791 stayed at Daniel Good Tavern, which is now Mrs. John Leister's home and a bronze plate is on said building to commemorate this event. John Key's daughter married Chief Justice Taney later in the Catholic Church, Taneytown, Md.

Part of my information was obtained from The Carroll Record of July 1904 and from other sources, King Louis XIV of France drove over 2 million people from the Rineiland in a few months during his reign in order to make a no man's land—these poor displaced people went to Switzerland, Holland, England and elsewhere. William Penn had received a grant of land from the King of England which he called Pennsylvania—or Penn's Woods.

Penn got these displaced people to come to Pennsylvania, they came from Amsterdam by way of Southampton, then the Scotch people from Scotland who were mistreated by the English joined them—they came to Germantown—now Philadelphia and in a short time were scattered over Pennsylvania, Maryland, Virginia and Tennessee—my ancestors came from Holland after being refugees in Switzerland, Strasburg and Holland. They came on ship Elbe in 1710 with 19 others families they brought a little trunk along with them—the name—brought to America by Benner family in 1710 Rev. Austin Kelly, Gettysburg, Pa., has a napkin made of flax, which was in said trunk and his son in Arizona has the trunk. These people came from Germantown, Pa., down the Cumberland Valley, by way of Carlisle, Pa., Hagerstown, Sharpsburg, Md., into Virginia and Tennessee, others came by way of Lancaster, Pa., Monocacy Valley into Virginia.

Some of my ancestors settled at Gettysburg, Pa., and further south in early part of 18th century. It was this same group of German Swiss, French Hungarians and Scotch people that founded—what was to be later called Taneytown after Raphael Taney.

In 1870 Taneytown was a small town built around the square close to big well which is still in center of square, at present capped with concrete, the early citizens watered their horses there and got their drinking water from this well. After the standpipe was erected, and water system completed the old well was capped as mentioned above.

In 1870 the town extended 1st alley on Baltimore Street, east of square and Samuel Reindollar owned most of the land on east side of East Baltimore St., and Tobias Eckenrode most of land on south side of East Baltimore Street.

In 1871 the R. R. was under construction and the town started to build toward the R. R. and at present is over 2 miles long and 1 mile wide. Has a large public school, and is preparing to build a large grammar school for younger pupils, also St. Joseph's Parochial School.

Rubber Factory, two sewing factories, two Canning Factories. The town was incorporated in 1884, Municipal Building was built in 1902. It has three up-to-date fire engines, one new. Ambulance, and a first-class fire company, three churches, which churches I will now describe and how the land was laid out by Raphael Taney.

History of Founding of Taneytown

The original parcel of land did not include the site of Taneytown, but it was the nucleus of a subsequent grant upon which the town was first projected. With the patent of John Digges, of Charles County and later differently described as being of Baltimore County or at little Cone-wago, as a basis to gather and combine in one huge tract the outlying vacant and unoccupied land, Edward Digges, the son of John Digges and Raphael Taney, who had married Eleanor Digges, made application for the consolidation of this greater area in a new grant (3) Isaac Brooke, who was commissioned deputy surveyor of Prince Georges County in 1747, and of the newly formed Frederick County in 1748, ran the courses and distances and, on May 22, 1754, a patent was issued to Edward Digges and Raphael Taney for 7900 acres of land under the designation of "The Resurvey on Brothers' Agreement" (4) An examination of the land records of Frederick County and a comparison of the separate grants by the patentees make it clear that this wide domain was partitioned by their agreement and that a large section between Piney Run and Big or Great Pipe Creek was allotted in severalty to Raphael Taney. A few years later "Taneytown" was laid out by Raphael Taney and the plot recorded on May 12th, 1762 by Timothy Bowes, among the land records of Saint Mary's County where Raphael Taney lived (5) The record book in which this plot was recorded was destroyed by the burning of the court house at Leonardtown in 1831.

IN THE INTEREST OF THE TANEYTOWN PARK

Citizens of the Town Met Wednesday Evening

Wednesday night, May 4, in the Municipal Building the top officers of all Civic organizations, representatives of Banking and Industry met at an open meeting with the Board of Directors of the Taneytown Recreation Association. The purpose of the meeting was to bring before these citizens of Taneytown the importance of a Recreation Park and to let these people have a better understanding of how the Association is organized, and to let them know of the Associations aims.

The President of the Recreation Association, Mr. Robert W. Smith explained to the group the history of the Association and its aims. He then asked Mr. Ernest W. Dunbar to take charge of the meeting. Mr. Dunbar pointed out that Taneytown needs a Recreation Park and told this group that it is now time for the community as a whole to say whether they are in favor of this Park, and are willing to back the project financially.

The question came up as to whether the Taneytown Recreation Association was strong enough, that it could see this project through to its completion, and it was felt that the Board of Directors should be augmented by an Advisory Board composed of the Presidents of all Civic Organizations. This proposed advisory board perpetuate itself and be composed always of the active Presidents of these Civic Organizations.

It was pointed out that the persons who visualized this community park, which will include complete recreational facilities for the whole community, are those people who are interested in baseball primarily, but chose to look far enough ahead to include in this park all other activities. It was also pointed out that these people only interested in baseball, it would have only been necessary to purchase four acres of ground and develop it instead of the fifteen acres that has been purchased and paid for.

SAFETY PICTURES SHOWN AT LEGION MEETING

Robert Lease, representative of the AAA, was present at the meeting of Hesson-Snyder Post No. 120 the American Legion, Thursday, May 5. He showed motion pictures of high school patrols and on safety driving.

Reports were made on the Junior baseball team and on Legion Lights. The baseball team sponsored by the Legion beat the team sponsored by the Kiwanis club of Hanover by a 9 to 5 score.

The Drum and Bugle Corps has been going out for rehearsals and the comments on this organization have been favorable. However, if there is any boy in the community who has a question to ask about this outfit he may contact Commander James Ficus or Harry Baker. You can still join and we will be glad to have you with us.

National Commander Perry Brown at the banquet in his honor at the Lord Baltimore Hotel laid particular emphasis upon the need of a citizen army. In effect, he said we do not need large military outfits as long as we have a well organized citizen reserve. He dwelled at length on the veterans' needs with reference to the V. A. and what the American Legion is doing to have these needs recognized.

At the banquet Past Department Commander Harry S. Allen presented a check up \$10,000 to Dr. Francis Scheuenter which was raised by the Rheumatic Fever Drive.

This check was in addition to approximately \$5,000 already given by the American Legion for this program. In thanking Commander Allen, Dr. Schdenther commended the Legion upon its unselfish interest in community activities outside its own immediate veteran interest.

An appeal is being made to have more members attend meetings, this is your post its up to you to be present and help with its business demands.

Watch for the coming play "Laff it Off" which will be produced by the Post in June. All actors will be from the community and it promises to be as good as the one held last year.

LEGION AUXILIARY

The Auxiliary of The Legion Post 120 (Hesson-Snyder) had their regular meeting on Tuesday night.

The money that all contributed to the "Colors" came in beautifully. Those who have helped with this wonderful cause contributing lately were Mr. George Baker, Tobias Brown, Taneytown Pharmacy, Spinning Wheel and Reindollar Warehouse.

Legion caps will be ordered in the near future.

The kitchen is to be painted this week.

One of the members is ill in the Gettysburg Hospital, Mrs. Rhea Shealer.

The dinner to be given in Williamsport, on May 15 will be attended by a number of the members here to which they eagerly look forward having had a delightful time at the last affair.

The meeting adjourned after all business matters were settled and refreshments were served.

AROUND THE TOWN

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!

I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Now this is to our good Mayor and the Chamber of Commerce. Is it true that our nice police officer who is 'Johnny-on-the-spot' works night and day? How awful! He will be leaving us in the month of May and I don't wonder at that. Is it not possible to have two men for the eight hour a day period as in a city? Then alternate each few weeks for day and night shift. What say you, Mr. Mayor?

A reader of this column sent word that she is now wearing her new "Trifocal Glasses" which enables her to see through third sight. Wonderful age in which we are living.

Do you know that children need love when they do not deserve it? Now, ponder over that awhile.

A lady 'around the town' had the correct answer to the radio quiz question which was, "Which President was the youngest that was head of these United States?" She answered Teddy Roosevelt.

The son of that P. P. (Perfect Plumber) who is a fine and refined young man and as deep as the ocean was asked recently when working with his father, "Have you been long with the plumber?" (The lady not realizing he was the son) The answer came "Well, all of my life".

Here is a funny one and out of a clear blue sky. Recently, Your Observer was among a perfectly strange crowd and after giving my name and then being introduced around, a gentleman came closer and said, "Are you any relation to 'Loves' Retreat'?"

Having quite a few old ornaments with the stamp of Germany such as "Made in Germany" around the house must have impressed the little daughter in her sort of way. Excitedly, she returned home from school with, "Oh, Mother we have two new little children in our class!" "That is nice!" the Mother replied to which quickly came, "And they were made in Germany, too!"

Those nice Legion Men are doing their real duty to The Legion Home and one can go by there any Saturday and see those men hard at all the 'fixings' getting ready for that big "Dedication Day" of which our town can be proud! What a grand Spirit to be one of the ones really doing something that is 100% American!

Well, Folks Your Observer had the very first Easter Bonnet that I ever owned in my life time and it was all through my youngest Stepson! There is a real story! Nice? The kind? Truly a real bonnet of fine Milan pastel pink straw with roses around the crown (large ones) that appear so real that many touched them to be convinced that they were not!

It is nice to have the Manager of the telephone back again on the job as he was missed more than he will ever realize "Around The Town" and thru-out the country.

About a month ago, I met a lovely woman working in the office of a prominent concern as private secretary which position, I learned she held for many years. Although, she was and is a most competent secretary she lacks so much in appearance telling me that she only "fixes up" for Sunday.

I then explained it was vitally important for her to appear properly groomed during the week for the public and for her own self-respect as well as waiting for the Sundays.

I called back at that office a few weeks ago and I was amazed at the transformation! The first thing she did was have an entirely new hair-do, done very high and waved beautifully. Then her appearance with the nice office suit was just as it should be and she admitted that many complimented her on the change.

Well, there is an old saying, "That clothes do not make the person" but in my opinion it helps lots and every one should appear at their best at all times.

This Sunday being Mother's Day, do take that First Little Lady out to dine. She is so deserving and remember always that of all the people in the world your Mother knows all about you and loves you just the same.

There was a book out once called "Every Man a King". There should be one entitled "Every Mother a Queen."

The past year, Your Observer has met so many more Mothers whom I did not know previously and with all my heart, I wish that I could walk into your home just to clasp your hand this Mother's Day morning!

So long, Folks. See you next week. Have the grandest week-end with the Little Lady right by your side.

Your

OBSERVER.

AT HOME WITH THE BOTTLE

We have recently found occasion to commend several "magazine of distinction," which makes it a policy not to accept any liquor advertising. But there is a further discrimination to be made among those that do.

So long as drinking is socially condoned and the sale and advertising of liquor legally permitted in the United States there will be magazines which will argue that in a free economy they have no right to close their pages to distillers and brewers advertising their various competing brands. The advertisements in some magazines are of this more or less straightforward type, making their appeal to drinkers in the effort to persuade them to try a different brand.

But more and more advertisements are aimed clearly at the nondrinker in an effort to persuade him that drinking is both respectable and smart. This is no less than a brazen attempt to glamorize, dignify, and domesticate liquor in the American home. A recent example shows a home scene, with a card table being set up and a mother bringing in drinks for her two teenage children, while the father looks benignly on.

This advertisement, appearing in a "family magazine" with a circulation in the millions, does little credit either to the liquor industry or the publication in question. It is stupid as well as offensive, for such affronts to good taste and good sense may bring the very restraints the industry fears. But who expects self-restraint from the providers and paid promoters of Americanism with a whiskey breath? — Christian Science Monitor.

TANEYTOWN & ITS CHURCHES

(Continued from First Page)

but the original plot was preserved because a certain William B. Gwynn caused it to be recorded in Carroll County on January 15, 1840 (5) The plan shows a group of lots containing eighty-eight of about one-half of an acre and two other larger lots, which were all called "Town Lots," and twenty-four much larger parcels which were designated "Out Lots." Eighty-eight of the town lots were grouped about the intersection at right angles of the highway leading from Frederick to York and a way that later became the road leading from Emmitsburg to Baltimore. These intersecting thoroughfares are the present Frederick and Baltimore streets of Taneytown. The eighty-eight lots formed a rough cross, and on either side of the foot of this cross but at some distance from the road to Baltimore and large town lots, each of one acre, and these the proprietor of a prominent Catholic family, Taney devoted Lot 87 to the erection of a Lutheran church while he consecrated Lot 88 for the building of a church of his own faith. (5) This provision would indicate that at Taneytown there already existed a body of German Protestants who had entered the province from Pennsylvania to unite with those of other races, language and creed to conquer the forest and the wilderness of nature and convert the countryside to a pleasing prospect of fertility, abundance and wealth.

The founder of Taneytown did not long entertain his pious purposes, because on April 27, 1764 he conveyed the acre which he had set apart for the Catholics to John Weaver and Emerick Botts, and the lot is now the site of the cemetery of the German Reformed Church (6). The acre dedicated to the Lutheran congregation was enlarged by the grant of an additional half acre on which a church of that denomination had been early built, as is shown by the recitals of a grant by Raphael Taney to Conrad Boner and Henry Smith dated November 1, 1768 (7) The present cemetery of the Lutheran congregation is

on the original lot, and thus Lots No. 87 and 88 have become, in fact, what the Germans devoutly called God's Acres.

GRACE REFORMED CHURCH

There are no records of this church, prior to 1820. At this time the congregation worshipped in the "Old Yellow Church" along with the Presbyterians, and on the building becoming unfit for future use, the two denominations entered into an agreement for the erection of a new building—a union church. A building committee was appointed, and in 1821 a lot was purchased and the new church erected and in the fall of 1822 it was dedicated.

For many years the two churches had a joint Board of Trustees, three from each church, who were elected annually by such members "who shall have subscribed \$1.00 to the support of the ministry." It was also one of the duties of the Trustees, if practicable to have one clergyman for the English and one for the German language. The first pastors were Rev. Jacob Helfenstein, Rev. Ourand, Rev. Deatrick Graves, Rev. Hubbard, Rev. Elias Hiner, Rev. Feet and Rev. Wolf, the latter from some time in the 40's to 1851. He was followed by Rev. Jamison who was succeeded in 1853 by Rev. John G. Fritchey. Up to this time the records of the congregation are extremely meagre, which prevents giving anything like an accurate early history. Rev. Fritchey also served congregations at Bausts, Haugh's and Mt. Union, the latter being organized in 1858 with 50 members. Rocky Hill charge had also been organized in 1854, and Emanuel Church in 1859 or '60. Rev. Fritchey resigned in 1865, Rev. N. E. Gilds was the next pastor and served until April 15, 1867 when he detached from the charge.

Rev. Jesse Steiner was elected pastor on the same date, and in June of the following year tendered his resignation, which was then accepted. The next pastor was Rev. Lantz who served the congregation but a short time, when he died, his body resting in the cemetery of the church. On September 27, 1873, a call was extended to Rev. Peter A. Long, who was pastor for 11 years, resigning November 3, 1884, after which he went to Chambersburg, Pa., and died there April 8, 1891, his burial taking place in the Taneytown cemetery. In May, 1885 the Maryland Classis divided the charge, placing Taneytown alone, with Keyville as a preaching station, and Mt. Union, Haugh's and Bausts in another charge, to which Union Bridge has since been added.

Rev. Henry Ditzler became pastor August 16, 1885. He came here direct from the Seminary and remained eight years, preaching his farewell sermon August 20, 1893. He is now pastor of Mt. Jackson, Va., the charge which he accepted on leaving Taneytown. During Rev. Ditzler's pastorate, the old church which was used by both Reformed and Presbyterian congregations from 1821 to 1883, was remodeled and handsomely refurnished at a cost of \$8250. The Presbyterians having previously sold their interest in the church for \$300 in 1883, when their own Taneytown church was built.

Rev. Alexander D. Bateman entered upon his pastorate November 26, 1893, and continued until November 1903 when he resigned to accept the pastorate of a Presbyterian Church at Lansford, Pa. In recent years the larger and greatly improved, being enclosed with an ornamental iron fence and beautified with evergreen trees; the entire church property in fact, is thoroughly modern, among the more recent improvements being an elegant pipe organ and a steam heating plant. The total membership was over 100 in year 1904. After Rev. Wolfe left, Rev. Guy P. Bready served until Nov. 1948 when he resigned to go to Lancaster, Pa.

TRINITY LUTHERAN CHURCH

Trinity Evangelical Lutheran Church (General Synod) was organized about the year 1780, in a yellow frame building which stood on the present site of the Reformed cemetery, a building which was occupied in common with the Reformed congregation. There are no records extant being a record of baptisms beginning with 1788 in church book A, in the German, kept by Rev. John Guenther Wingandt in the year 1792.

The pastors of the congregation have been as follows: Rev. John G. Wingandt 1792; Rev. John D. Young —; Rev. Joh Grob 1801-1828; Rev. John Hoffman 1828-1834; Rev. Samuel Finckel 1834-1837; Rev. Ezra Keller 1837-1841; Rev. Solomon Sentman 1841-1858; Rev. Levi T. Williams 1860-1867; Rev. Peter Bergstresser 1867-1874; Rev. W. H. Luckenbach 1874-1877; Rev. Samuel G. Finckel 1877-1883; Rev. Oliver R. Roth 1883-1890; Rev. Geo. W. McSherry 1890-1896; Rev. D. Frank Garland 1896-1899; Rev. Chas. A. Britt succeeded Rev. Garland. Rev. John Grob the first pastor of which our oldest residents have any recollection, and the only one whose body lies in the cemetery of the church, Rev. Grob preached in German and it is said that when the corner stone of the first Lutheran church was laid he said "This corner stone is laid on German foundations and there is to be no English preaching here only when there must be." Before he died, however, the English language became so common that he was compelled to abandon German, which he did with considerable difficulty, sometimes being compelled to insert a German word in order to express himself.

The congregation was first incorporated in 1805, and a formula of government adopted. In 1811 the corner stone of the first church was laid and on Sept. 12, 1813, the church was dedicated, when it received the present name, "Trinity." It was built on the site of the present building, on a portion of its main walls, as well as the original 1811 corner-stone are preserved in the handsome brick and stone structure now standing.

In 1828, when Rev. Hoffman took charge, the council requested that one-half the preaching be in English

and it was not many years before German preaching ceased entirely, but the German records remained until about 1841, when they were translated into English. The first remodeling of the church occurred in 1839-1841, the second, in 1870-1871, and the third and last time in 1896-1897.

When Rev. Sentman took charge of the pastorate in 1841, the charge consisted of Taneytown, Emmitsburg and Baust Church, with preaching stations at Mt. Joy and Fountain Dale a condition which will illustrate to the present ministers how the older ones had to work.

In 1852, the charge consisted of Taneytown, Emmitsburg, Mt. Joy, Fountain Dale and Key's school-house. They are not in possession of the information which led to the division of the charge, but for a long time thereafter, Taneytown, Mt. Joy and Key's school-house (Keysville) constituted the charge. During Rev. S. G. Finkel's pastorate Mt. Joy called a pastor of its own, to which has since been added a church at Harney, and still later Keysville was added to Union Bridge, Charge, leaving Taneytown alone.

The Taneytown Church has sent several into the ministry, the most eminent of whom is Rev. M. Valentine, D. D., of Gettysburg, who was prepared for the ministry by Rev. M. Sentman. Until recently Dr. Valentine was President of Gettysburg Theological Seminary, and is today the most eminent writer and theologian in the General Synod. Others who either entered the ministry from this church, or charge or who prepared for the ministry were: Prof. Harry Reck, Nathan Cornell, John W. Kreglio, Daniel E. L. Mehring and Charles W. Hess. It is probable there were others whose names have been overlooked.

The cemetery belonging to the congregation, which occupies a beautiful location a short distance in the rear of the church, is one of the oldest in the county, some of the interments dating back 100 years. Recently, it was rescued from years of practical neglect and has been thoroughly graded and improved and in a few years will be a beautiful city of the dead, surrounded by a hedge and ornamented with maple and evergreen trees.

The church contains a large and modern pipe organ, presented by the late Dr. Samuel Swope, and is handsomely equipped throughout and heated with steam.

Rest of pastors to date were Rev. W. E. Wheeler, Rev. L. B. Hafer, Rev. W. V. Garrett, Rev. Alfred Sutcliffe, and Rev. Glenn L. Stahl.

ST. JOSEPH'S CATHOLIC CHURCH

It is believed that the first Catholic settlers in the vicinity of Taneytown came from the Jesuit community at Conewago, Pa., before the Revolutionary war, and that the first services were also supplied from the same place. Before the survey of Masons and Dixon's line, Maryland proprietaries claimed the country to some distance beyond Hanover, Pa. The survey settled the dispute, placing Taneytown in Maryland and Conewago in Pennsylvania but the Catholics in Taneytown were for the most part still in charge of the Conewago community. Prominent among the early Catholics were the Taney, Coskres, Brookes, Hughes, Spaldings, Boyles, Elders, Adelspergers, Diffendals, Gougers, Rifles and others. As far back as 1790 there are records of Mass having been celebrated in private houses by Fathers Frambaugh, Pellentz, Broisus and Cerefont, S. J., from Conewago.

The Prince Giltitzin, although a Sulpician, was for the time resident with the Catholic community at Conewago, and attending this mission, as well as Hagerstown and Cumberland in Maryland, and Chambersburg and other places in Pennsylvania. He was the first pastor of this church. Demetrius Augustine Gallitzin was born at The Hague, in 1770. His father was a Prince of the Russian Empire, and he, as the eldest son inherited the estates and titles but forfeited them by becoming an American citizen and Missionary priest, the functions of which he exercised in this section from 1795 to 1799.

About the year 1796, Mr. Brookes built the first church here at his own expense. It was built of brick made in the neighborhood and stood until 1876, when the present church was erected. Rev. Nicholas Zocchi, born in Rome, was the next pastor. He was appointed priest here in 1804 and in addition to his local labors visited Westminster, Martinsburg, W. Va. and other places equally far distant, the same territory now being served by twelve priests. He died at Taneytown, December 17, 1845 after a pastorate of 41 years, and was buried here, December 20th. A famous record of this church is the following:

"Jan. 7, 1806 Roger Taney married Ann Key. Witness, Michael Taney." This is the record of the marriage of Chief Justice Roger Brook Taney to the sister of Francis Scott Key, author of the "Star-Spangled Banner." Rev. John D. Parsons was pastor of the church for 3 months in 1847, but the balance of the time from the death of Father Zocchi to 1851, the congregation was served by priests from Mt. St. Mary's College, at Emmitsburg. In 1851, Rev. Thomas O'Neill became pastor, and during his charge the present rectory was built. He also served Westminster and New Windsor, leaving here in 1862 to become pastor of St. Paul's Church, Ellicott City.

In 1862 Rev. John Gloyd succeeded to the pastorate, and in 1869 removed to Westminster. In 1871, Rev. R. W. Hazeland was appointed as his assistant, and in 1873 the latter was replaced by Rev. Casper Schmitt, and he in 1873 by Rev. John T. Delaney, the Taneytown Charge during this time being served by them as well as served others in the county until 1879 when the charge was divided, Father Delaney taking charge at Taneytown and also serving New Windsor. The present church was built in 1876 by Father Gloyd and Delaney, the money for it being raised before the work was done. Subsequently, it has been several times renovated and improved, both interior and exterior, and is now quite a

handsome and pleasing structure. The pipe organ in the church is quite an old one, having been made in England in 1801 and lately rebuilt, is yet a very sweet toned, servicable instrument. During the pastorate of Father Delaney, the congregation feeling the need of a school of their own, went energetically to work to secure the necessary funds, and the result is a handsome two-story brick school building adjoining the parsonage which was built in 1890. The school has been operated regularly and successfully up to this time Rev. Theodore W. Mead succeeded Father Delaney in 1890, the latter having been transferred to Washington, D. C., where he since died. Father Mead served the congregation until January 1899, and now lives in Baltimore, relieved of active duty. He was immediately succeeded by Rev. Bernard J. Lennon, under whose administration most of the recent improvements were inaugurated, both to church and cemetery. The cemetery, which bounds a side and end of the church, has been very much improved in recent years; hitching sheds have been added at the extreme end of the property, for the convenience of the members and the remodeling of the Rectory is now in contemplation year 1904.

The pastors since 1904 were: John S. Cudley, Rev. Ft. Harry A. Quinn, Rev. Fr. Joseph A. Lane, Rev. Fr. Joseph F. Little, Rev. Arthur W. Murphy, and Rev. Fr. Charles J. Walker, present pastor.

MESSIAH UNITED BRETHREN CHURCH

This is the last church structure erected in Taneytown. The records of the denomination in this section date back to 1850, when services were held at the residence of Abraham Lichenwaller, at which time a board of trustees was appointed to procure a lot on which to erect a church, and the result was the building of the Mt. Pleasant U. B. Church on the Westminster road, near Taneytown, in 1853. Rev. T. F. Hallowell was the first pastor, who was followed by Revs. Thomas S. McNeill, Samuel Minnick, J. Gideon Shoaff, Alexander Tripper, Daniel Eberley, Isaac C. Weidler, Thomas F. Bushong, J. Gideon Shoaff, H. A. Schlichter, J. H. Young, Jacob T. Shaffer, W. Owen, Alexander Tripper, R. A. Whitlock, J. R. Hutchison, G. W. Kirafoff, W. O. Grimm, D. W. Sollenberger, W. H. Weaver and M. M. Burtner, all of which served from one to three years. The building of a new church had been occupying the attention of the congregation for a number of years, sentiment being divided between building on the old location, and in Taneytown, the first steps toward securing subscriptions being taken under the pastorate of Rev. Burtner. In April 1904 the present location on Middle St., Taneytown, was secured and on November 18, 1894 the new church was formally opened. The issue of the Record, following the event, has the following to say of it:

"The efforts of the United Brethren congregation, which have extended over some years to secure a church here, have finally resulted in the erection and dedication of a neat and comfortable frame church edifice on Middle Street. The seats are semi-circular in arrangement and will accommodate about 300; the windows are of cathedral glass and neat in design, and the floor is handsomely carpeted.

The cost of the property, exclusive of donations and free work was \$2200. Rev. T. Wagner was pastor covering the period of building and dedication of the new church, having residence in Littlestown, Pa., the Taneytown church then being a parsonage were occasionally held in the Littlestown church, but the congregation has practically gone out of existence. The Taneytown and Harney churches now form the charge, services alternating between the two. In 1879, during the pastorate of Rev. J. O. Clipping, the present parsonage property, opposite the church was bought. In 1902 Rev. A. B. Mower became pastor, and is now in charge. About a year ago the church was remodeled and renovated, a tower and bell being added, and is now quite an attractive place of worship. The congregation, also is steadily gaining in membership, and although the youngest in the town, bids fair to have a long and successful history. The cemetery of the congregation remains at its original location along the Westminster road, and is neatly kept. The Harney church is a very creditable brick structure, along the Taneytown road, and also has a well-kept cemetery in connection with it.

The proposed union of the denomination with the Methodist Protestant and Congregationalist denominations, if accomplished, would no doubt result in the more rapid growth of the Taneytown congregation by the probable accession of a scattered Methodist population throughout the district.

The pastors of the United Brethren Church from 1904 to 1949 were: Rev. E. C. B. Castle 1904-06; Rev. J. E. B. Rise 1906-07; Rev. A. C. Crone 1907-08; Rev. C. W. Christman 1908-10; Rev. J. D. S. Young 1910-12; Rev. L. A. Stangle, 1912-14; Rev. W. J. Marks 1914-17; Rev. D. J. March, 1917-21; Rev. W. C. Wachter, 1921-23; Rev. T. D. Ritter, 1923-25; Rev. G. A. Brown 1925-29; Rev. E. E. Redding 1929-32; Rev. P. M. Fridinger 1932-36; Rev. Paul D. Emmerheiser 1936-38; Rev. Arthur W. Garvin 1938-49.

PRESBYTERIAN CHURCH

The history of the Presbyterian congregation, in Taneytown, is necessarily closely connected with that of the Piney Creek congregation, which is the oldest organization of any sect in Taneytown district; at least, the records go back further, there being a pretty complete history extant since 1761. The exact date of the building of the first Piney-Creek Church is not known, but it was before 1771. The deed for the land on which the present church is built is dated February 15, 1771. The first church was a log building which stood until 1818, when the present substantial brick building was erected, and which was remodeled and modernized

ed during Rev. Patterson's pastorate in 1869. During the history of this church, among the famous pastors were Rev. Patrick Davidson, Rev. Robert Smith Grier, and Rev. Isaac M. Patterson, the more recent ones also being pastor of the Taneytown Church. In 1820, the Presbyterian of Taneytown united with the Reformed congregation in building a union church on the present site of the Reformed church, in order to introduce English preaching in the town, the result being the formation of a Taneytown Presbyterian congregation. The first pastor was Rev. Austin O. Hubbard, who served until 1829. From this time until 1838 the records are very meagre, and it is probable that during the most of the period the church was without a regular pastor, and depended on supplies.

On May 13, 1838, Rev. John P. Carter took charge of the churches of Taneytown and New Windsor. After his resignation in 1843, the charge was vacant until 1844 when Rev. Jacob Bellville was elected pastor. On the resignation of Mr. Bellville, Rev. James Williamson was installed as pastor in 1849, serving until 1854.

Another vacancy occurred until 1857 when Rev. Wm. B. Scarborough was elected, and served nearly 12 years, until 1868. Mr. Scarborough married Miss Margaret Birnie and removed to Plainfield, Ohio, where both died quite recently. At this period (1869) the congregation asked to be attached to the Emmitsburg charge of which Rev. Isaac M. Patterson was pastor, and, as both congregations assented, the connection was made. Rev. Patterson resigned in 1873, having served the Taneytown congregation 4 years and 7 months. Taneytown remained in connection with Emmitsburg and Piney Creek until October 1890, during which time (17 years) following the resignation of Rev. Patterson, Rev. William Simonton served the three congregations. In the beginning of 1883 the Taneytown church decided to build a house of worship, and sold their interest in the Reformed church for \$300. They bought the lot on which their present church stands, and during the summer of 1883 erected the building at a cost, including everything of over \$3600. It was dedicated in November 1883 the Rev. George E. Jones, then of Broadway Church, Baltimore, preaching the sermon.

In the Spring of 1891, when Rev. Pedro Rioseco became pastor, the trustees bought the lot adjoining the church, and erected thereon a handsome parsonage. There is no separate cemetery owned by the church, the splendidly kept cemetery at the Piney Creek Church being used jointly by the two congregations. Rev. Rioseco resigned Sept. 9, 1896 and shortly after removed to Stoneburg, W. Va., and from thence to Cuba where he has since been engaged in Sabbath School missionary work.

A call was then extended to Rev. James Cattanch who became pastor May 2, 1897, and resigned in December 1902 to accept a charge in Mauch Chunk, Pa. Rev. Henry P. Sanders became pastor in June 1903, and was serving the Taneytown and Piney Creek congregations, in year 1904. Rev. Herman A. Goff, D. D., Nov. 3, 1907-Oct 10, 1909; Rev. Seth R. Downey, May 17, 1910-Dec. 14, 1919; Rev. G. Wilbur Shipley, Dec. 27, 1920-Sept. 6, 1925; Rev. Thomas T. Brown, Sept. 13, 1925-April 19, 1936; Rev. Irvin N. Morris, Mar. 21, 1937-May 15, 1941. Rev. Charles S. Owen is the present pastor, April 1949.

Taneytown has been three times incorporated, first two acts being allowed to lapse because of the indifference of the people. The present act passed in 1884, went into effect in 1885 and Mr. Josiah Adelsberger was the first Burgess. The laws and ordinances were very severe. Every male citizen between the age of 18 and 50 were required to drill as firemen and a fine of \$2 for placing boxes, barrels or any other obstruction on the side walk.

Among the most prominent of the Wigs in Taneytown District was Mayor A. G. Ege who built the handsome house now the home of the late Judge H. M. Clabaugh. He was a member of the Legislative and was a strong opponent to the building of the famous plank road from Westminster to Emmitsburg, one end of which was worn out before the other was finished.

PEBBLES ON LIFE'S SHORES

Out of consideration for the public, many radio announcers and barns attempt to cover ignorance with wit.

"Father Time" moves the trifle along even though he resists the shove.

The spirit of the age is "a good time." And frequently this spirit is strengthened by the use of "spirits."

"Son, are you using the car tonight?" Was a father's grave elicitation; I don't know, but I might. Met the father's expectation.

"Freedom" is a dangerous instrument in the hands of one who doesn't know how to use it.

Once upon a time people were urged to relax. But the urge of Congress is to re-tax.

More women are being granted licenses to preach. The audience may increase beyond that of husband.

There was a time when everything centered about the adult. Now youth won't let the "Old Man" have even a back seat.

The average cigarette smoker puffs 4,000 of these "little cigars" per year. How many has he begged off of you?

Won't it be a revelation when they get television sets for automobiles?

No one seems to know at what education is aiming, but the "educators" are shooting anyway.

Sylvester Says:

"Excuse me! But someone just took a quarter out of your pocket." In fact, Uncle Sam (national income and tax tables show) takes more than a quarter out of your pocket every time you earn a dollar. If the government spends new billions for public housing; more billions for public medical care; additional billions for the unemployed; more billions for maintaining farm product prices; and other millions to subsidize education in public schools—then, will the hand in your pocket take 75¢ in taxes and leave only a quarter out of each dollar you earn?

Jesus And Critics

Lesson for May 8, 1949

DURING JESUS' last week, his enemies were firing at point-blank range. They were dead set to kill him; but they did not want to do that if they could ruin him some other way. What they tried to do was to make him out either a rascal or a fool, or both. Mark's story shows how Jesus took it.

The first question they asked Dr. Foreman sounded perfectly fair. "Where did you get your authority?" As we saw last week, Jesus had assumed simply tremendous authority. Wasn't it fair to ask him where he got it?

The trouble was that the men who asked the questions didn't want to know. They only wanted to heckle Jesus.

The world is full of just such license-hunting snoopers as these. They do not like it when a man succeeds. They particularly do not like it when a man succeeds without their help.

"Who is this fellow anyway? Where did he get his start? What family does he have, where is his diploma?" Jesus never answered this question, because he knew why they asked it. (Mark 11:27-33.)

Taxes

IN JESUS TIME you could not vote either for more taxes, or less. You paid what the Roman soldier at your door said to pay, and you were thankful not to be poked in the ribs with his sword while you were fishing up the money. But no one dared to complain. The Romans had some deep dank dungeons for people who complained about high taxes. So the next question Jesus' enemies asked him was about taxes, or tribute, which means the same thing. They thought they had Jesus on a spot where whatever he said would put him in the wrong. Suppose he said: "Yes, pay taxes by all means." Then they would snarl: "Boot-licker of the Romans! Traitor to your country!" But if Jesus said, "No, don't pay taxes," then they would howl: "Treason! Police! Arrest this man who defies the Emperor!" Jesus' answer was a masterpiece, because he not only did not dodge the hot question, he did not leave the questioners a leg to stand on. (Mark 12:17.)

Hairplitters by Trade

THE CRITICS of Jesus were hairplitters by trade. Yet none of them had ever been able to answer another tricky question with which they now expected to floor Jesus.

"Which is the greatest commandment of all?" The question had been going the rounds for generations. The greatest minds in Jewery had wrestled with it. But it was a foolish question after all.

Which is the most important brick in a wall? What position on a volleyball team is the most important? What is the most important link in a chain? An answer to these questions would seem about as easy as answering that one about the greatest commandment. Jesus knew they were trying to show him up as a bungler, as a very poor and amateurish hairplitter indeed. But instead, he did what no one expected him to do: he answered their question, and answered it so well that it is one of the cornerstones of our religion today.

How to Take Criticism

THE READER should consult Mark for the whole story. It bristles with practical thoughts, one of the most practical being how to take criticism. All of us can take it from our friends and families: we know they mean it for our own good. But criticism that is unfair from people who want only to show us up for fools or to get us into hot water—that is hard to take. Jesus should be our example.

He did not let other people's criticisms interfere with his work. He never avoided criticism. He did not "twist the lion's tail," he did not deliberately provoke criticism. But he would not claim exemption from what every one has to stand, being looked over and rated by the people who knew him.

He never broke his heart over what people said of him. He did not go around crying to himself.
