KIWANIS NEWS

Officers Elected for the Year 1951

Mr. David Smith, popular resident of Taneytown, was elected to serve as president of the local Kiwanis Club for the calendar year of 1951 at the regularly scheduled meeting held at Taney Inn on Wednesday, Nov. 1, at 8:30 P. M.

The meeting was convened by the president Lewis Crumpacker with Kiwanian Clyde Hesson offering the invocation. As is the usual custom, group singing was under the direction of Kiwanian Wallace Reindollar with Mrs. Estella Yingling at the piano.

The following guests of Dr. Thomas H. Legg, were present: Mrs. Hilda C. Hoke, a gold star mother; Mr. Walton E. Warner and Mr. Edward O. Weant, Jr.

The meeting was turned over to the election committee composed of Kiwanians George Shower, Robert Polley and Charles Hopkins who distributed ballots for the purpose of electing officers and members of the board of directors for the calendar year 1951. After the ballots had been collected the meeting was placed in charge of Kiwanian Louis Van Petten of the Music Committee who presented Mr. Charles O. Fisher, prominent young lawyer of Westminster and a member of the Westminster Kiwanis Club, as the speaker for the evening. Mr. Fisher chose as his topic the Subversives Activities Act of 1949 in the state of Maryland commonly known as the "Ober Law", and gave a very interesting and informative explanation of this law which is to be voted upon at the coming general election. Much has been said about the Ober Law in both the press and on the radio, but it is felt by those present that perhaps the most interesting explanation of this law was given by Mr. Fisher. He strongly urged that those present vote for the retention of this law, that is the Subversives Activities of 1949, at the coming election.

At the conclusion of the talk a report of the election was given by chairman Shower as follows: David Smith, president; Howell B. Royer, vice-president; Jere C. Schaefer, treasurer with the following members being elected to serve two year terms beginning January 1, 1951 on the board of directors: John H. Skiles E. Elwood Baumgardner, George L. Harner and Charles L. Stonesifer. Charles H. Hopkins who still had one year to serve on the board offered his resignation from the board which was accepted with regret. Later at the meeting of the board of directors G. Albert Baldwin was elected to complete the unexpired term of Kiwanian Hopkins.

The Kiwanis Club of Taneytown urges all residents of this area to exercise their right by voting in the coming general election on Tuesday, November 7th.

HALLOWE'EN PARADE

The second annual Halloween Parade was held in Taneytown, Monday evening. The sponsor, Hesson-Snyder Post, American Legion, is to be congratulated in presenting this nice parade that was followed by a block-party and dance on Frederick street. Prize winners in the parade were: Best dressed individual, Junior Dougherty; Best dressed couple, Mrs. Esther Koutz, Mrs. George Motter; Most comical individual, Roland Black, of Union Bridge; Most comical group, Mary Arnold, Mamie Stonesifer, Irene Foltz, of Littlestown; Most original costume was the Monkey Grinder and his Monkey, James Fair and daughter, Diana; several other prizes were awarded to people of Hampstead; Harvey Weidner and group for best float.

Mr. Harold Mehring of Taneytown thought every one in costume was deserving of a prize, so he and the Earle Theatre gave each person in costume over 12 years of age a ticket good for any show. If we had more citizens like Mr. Mehring every event in Taneytown could be more successful.

WOMEN'S GUILD MEETS

The Women's Guild of Grace E. & R. Church held its monthly meeting on Thursday evening at the church with 20 members present. The meeting was in charge of the Stewardship committee, Mrs. Harry Mohney, chairman; and the topic was "The Loom of Life".

The meeting opened with a piano prelude by Mrs. Albert Baldwin. Miss Helen Bankard read the Call to Worship and the hymn "O Zion Haste" was sung. Mrs. Ellsworth Lambert led a responsive reading which was followed by a meditation by Miss Bankard. Four ways by which our Women's Guild can help to render good stewardship in our church and community were discussed: Spiritual Life by Mrs. Charles Stonesifer; Education and Study by Mrs. Morgan Andreas; Giving and Sharing by Mrs. Mary Mohney, and Service by Mrs. Wantz.

Two piano solos were played: Beethoven's "Country Dance" by Miss Nadine Sentz and "The Maiden's Prayer" by Miss Hilda Reaver.

The hymn "Beneath the Cross of Jesus" was sung followed by a prayer led by Mrs. Roland Reaver.

A short business meeting was led by the acting president, Mrs. Clyde Hesson, after which light refreshments were served and a brief social period was enjoyed by all.

Merwyn C. Fuss will be guest speaker at Elias Lutheran Church, Emmitsburg, Sunday morning, 10:30.

NATIONAL AFFAIRS CONFERENCE

Held in Francis Scott Key Hotel, Frederick, Last Week

Ten members of the Taneytown Chamber of Commerce attended the conference on National Affairs at Frederick last week. The conference was held in the form of a dinner meeting at the Francis Scott Key Hotel. Good delegations from many communities of the state and neighboring states, were in attendance.

Those who attended from Taneytown were sent by the local Chamber of Commerce. They were Bernard J. Arnold, David Smith, Carroll Wantz, Charles Cashman, Doty Robb, Rev. Charles S. Owen, Wallace Reindollar, Clarence Stonesifer, Oliver Weybright and Merwyn C. Fuss.

Three speakers from the U. S. Chamber of Commerce, presented the urgent matter of good citizenship on the community level. E. H. Cherry, of Atlanta, Georgia, Manager of the Southeastern Division, presided at the banquet. He warned against the trends toward socialization and the increasing fabulous spending on the part of the Federal Government, and pointed out the dangers involved therein. As an example he cited the State of Maryland which in 1932 paid \$23 1/2 million dollars in Federal Taxes. By 1948 that had been increased to \$710 million, or 31 times.

Lawrence F. Lee, Vice-president of the U. S. Chamber of Commerce, pointed out the purpose of the U. S. Chamber as a connecting link between the Government and business. It has a well staffed department in Washington on Governmental affairs to secure the up-to-date facts for the information of business men as a means of a public opinion. He warned that the Government of socialization, and that present trends could not be continued without a radical change in the form of government as we have known it in America in the past. He warned further that this was probably our last chance to save the situation.

Mr. William Bird, a brilliant and fluent orator, and National Affairs Adviser to the Southeastern Division of the U. S. Chamber, presented an eloquent appeal that each local Chamber of Commerce have a committee on National Affairs. That this committee team up with similar committees in each of the other 2300 Chambers of Commerce in America. To this end of preserving our form of government he set forth four objectives to aim at in each community—

- (1) To encourage each citizen to vote. Only 50% did so in the last election.
- (2) To become an informed citizen and get the facts which are available to all.
- (3) To disseminate information as widely as possible.
- (4) To elect with care our congressmen and know what they stand for. And then let them know your desires.

It is the plan of Mr. Bird to visit many Chambers of Commerce in this area during the next few weeks to talk over the matter of setting up local committees on National Affairs.

HALLOWE'EN FELLOWSHIP BANQUET

The annual Oyster Fellowship supper, held each year on the last Saturday of October, was enjoyed in the Social Hall at Piney Creek Presbyterian Church last Saturday night. Almost every family in the church were present to enjoy this outstanding social event of the year in the church. Some of the members brought out-of-town guests.

This annual supper is sponsored by the Brotherhood of the church. The ladies served the meal which included an abundance of fried oysters, chicken, and numerous other delicacies. Many of the men of the Brotherhood assisted the ladies in preparation for the banquet. Mr. Gladfelder, of York, Penn., provided an organ recital for the occasion by means of a Hammond Organ which he brought along. In connection with the event the men presented a song-fest for the enjoyment of all. At the conclusion an auction was held to sell all the left-overs. Each year the Brotherhood provides and pays for a big banquet of this sort so that the women and children of the church families, can enjoy a bounteous treat without cost to them.

FILM TO BE SHOWN

All Scenes Photographed at Arendtsville, Pa.

"For Good or Evil," a dramatic and true-to-life motion picture on the Christian use of money, will be shown at Trinity Lutheran Church, Taneytown, on November 5, at 7:30 P. M., it was announced today by Pastor Stahl.

This is the first religious film made with dialogue sound completely on location. Rather than in a Hollywood studio, it was produced in an eastern rural town to give the story every possible bit of authentic flavor. The cast and technical crew came from Hollywood and New York to Arendtsville, Pa., to make "For Good or Evil," the fifth in the series of stewardship films made by Cathedral Films of Hollywood for the United Lutheran Church in America. All scenes were photographed in the streets, homes, farms, church, bank, and hospital of the town. Excepting for the leads, all roles were played by the townspeople themselves.

According to Pastor Stahl, the showing at Trinity Lutheran Church marks the premiere of the new film in this area.

The story is a composite of actual incidents gathered from all sections of the church and presents the true character and the Christian conception of money through events that take place in the life of a banker, a doctor, and a farmer and his son in the fictional town of Rock Bridge.

The main roles are played by Michael Whalen, Hollywood feature player, as Pastor Davis; Guy Wallace of the "Ma Perkins" radio show as the banker, Norman Harper; Gene O'Donnell of "Another Part of the Forest" as Doc Spencer; and Humphrey Davis of "Cavalcade of the Air" as the farmer, Sam Williams.

Unusually effective performances are turned in by Shirley Eggleston, of radio's "Henry Aldrich" family, and Jack Manning of "Finian's Rainbow," as the young people, and Jean Hayworth, aunt of Ginger Rogers and Rita Hayworth, as the mother. Top honors for outstanding performances of the Arendtsville townspeople go to David Houck and Elaine Taylor of the Arendtsville National Bank staff.

The film was directed by John T. Coyle, Cathedral Films Vice-President, who directed all previous ULCA stewardship films. Executive producer was Henry Endress, secretary for stewardship of the United Lutheran Church. Many of the townspeople served as technical advisors in their particular fields; Pastor Robert C. Schiebel of Trinity Lutheran Church, Arendtsville; Arnold C. Orner, cashier of the Arendtsville National Bank; Dr. Raymond M. Hale, physician of Arendtsville and the Annie M. Warner Hospital, Gettysburg.

Highlight of the film is a dramatic scene in the bank vault between the bank president and the pastor. Camera work in the bank necessitated, of course, a full schedule of shooting on Sunday when the bank was closed. As a result, Sunday devotions for the cast and crew were conducted by Pastor Schiebel in the bank before the tellers' windows between "takes". Following the custom of both the ULCA stewardship office and Cathedral Films, a devotion service was conducted also in the first "set" at the opening of the 11-day shooting schedule in Arendtsville.

This film is being shown in conjunction with Trinity Church's stewardship program that will be climaxed this fall by an Every Member Visit to all members of the congregation on Sunday, November 12. Subject of the visits: stewardship, "the practice of the Christian faith in every phase of life" and higher levels of giving for an intensified program locally and through world-wide missions to combat the growing threat of atheism.

ASSASSINATION ATTEMPT ON PRESIDENT

One Guard Dies and One Assassin Killed

Two Puerto Rican revolutionists shot their way to President Truman's doorstep Wednesday but were mowed down in a gun battle with White House guards before they could carry out their plot to murder the sleeping President.

One of the gunmen was killed, the other seriously wounded.

A Secret Service man died of bullet wounds suffered in the roaring gun fight in front of Blair House, the President's temporary home across the street from the White House. Two other guards were hurt, one seriously. The surviving gunman was formally booked on a murder charge.

Mr. Truman was taking a nap at the time the assassins stormed his home. The shots awakened him but he was unhurt.

Those killed were: Griselio Torresola, from New York, one of the gunmen; Pvt. Leslie Coffelt, 40, of the Secret Service. He was shot in the chest, stomach and legs in his valiant and successful defense of the President. The other two guards were critically injured, as was the remaining gunman.

The gun battle took place on the very doorstep of the Blair House. One gunman went down stretched out across the bottom of the mansion's steps. The other fell amid shrubbery nearby.

THIS 'N' THAT

(Your Chatty Column)
With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

This time of the year is truly the time for vacationing; motoring with all the vivid colors of the trees with their dresses of red and gold plus the fallen leaves of gold as a brilliant carpet. Brings back the first grade school song of "Come, little leaves," said the wind one day "Come, put on your dresses of gold and play."

Upon entering my neighbor's yard a few days ago, there was the most attractive picture of her three young sons repairing a tractor in their farmer clothes. That popular magazine "The Saturday Evening Post" would have been glad of the opportunity to place such a real American 'down to earth' picture upon their front page. Was wishing that I had my camera with me.

Many have asked Your Observer her opinion of the T. V. "Louis-Chares Fight" of a few weeks ago. It appeared silly to me as Louis acted as though he had something else on his mind and did not give all the punch that was behind that fist of his. I do not think Charles was superior in any way and if I had been one of the judges or the referee, it would have been a draw. Louis should put up those fists again. What say you? I prefer wrestling anytime and Argentine Rocco is still my favorite.

Now, folks when you go to the polls this 7th day of Nov. go with a prayerful heart and a conscientious spirit and ask God to direct you in your big decision not to direct you in the new auditorium for the annual Halloween masquerade contest. Excitement, confusion and disappointments were in evidence.

So long, folks. Have a grand week end. Be good and be careful. Will be seeing you. Until next week D. V. I am,

Faithfully,
YOUR OBSERVER.

SMASH THE REDS AT HOME

The Kiwanis Club of Taneytown urges all eligible voters to go to the polls on Tuesday, Nov. 7, vote for the candidates of your choice, and vote for "The Ober Law." This is a referendum found next to the bottom of the ballot listed as: "Subversive Activities Act of 1949 (Ober Law)." In short, this is an issue put into the ballot by the communist party to eliminate from our present legislature a law which has been passed upon by our legislature to protect our government and give the people their security. It affects practically all public employed personnel to the extent of their being loyal citizens of the United States to hold an important office in the leadership of school system, government, etc. Communists and their followers are putting forth every effort against the Ober Law, as they realize it is one that will allow persecution to any of these public officials who have subversive action against the security of U. S.

Our boys are giving their lives in Korea fighting Communists—let's do our part by smashing the Reds on our own shores—vote for the Ober Law by putting your check mark in the block following the line. For the Referred Law—X.

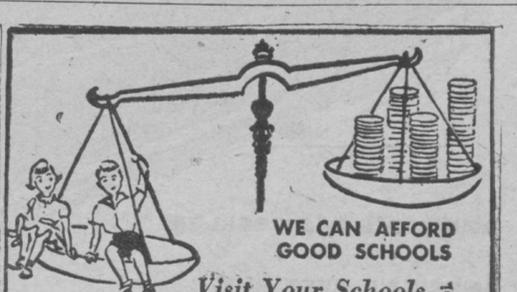

COMEDY A BIG SUCCESS

If you missed the performance of the 3-act comedy entitled "The Whiz Kids" make your plans now to see it this evening (Friday) when it will be presented for the last time. A large appreciative audience practically took the roof off the High School with laughter. All the parts were well picked. It was worth the price of admission to see Robert Abrecht come out in a night shirt. George Motter takes the lead as a handsome bachelor. Catherine Martin as his sister-in-law has three children—the twins played by George Hughes and Betty Byrd and a seventeen year old beauty played by Jean Harman. Francis Myers takes the part of the handsome lover of Jean, but has to make up to her mother to bring his loved one to his heart. Wilbur Thomas has a good part as a rich lover of Jean, and takes the part of the "lithping" son of LaReina Fream. Don't miss seeing Marion Rue get a good dose of alum and pucker up like a sour lemon. The servants are played by Ruth Stambaugh, Ruthanna Airing and David Reifsnider.

VOTE! NEXT TUESDAY!

Vote! What a familiar word heard every election time, but in reality a word too little understood, appreciated, and not taken advantage of by so many. People are admonished, and rightly so, to be sure to vote for the candidates of their choice. Yes, vote for the candidates of your choice, and make it a conscientious and not a mere political choice. Too often one of two wrong decisions is made; either the opinion is accepted that: "What is the use for me to vote? My vote won't make any difference anyway; or without bothering to investigate the caliber of the individual candidates, they thought is: These names are of my particular political party, so I'll vote for them. Either of these opinions robs one of the very purpose, privilege, and duty of voting.

What is a vote? A vote is a voice given at an election. That means that as Americans we are all given an equal opportunity on this occasion (and at this time only) to say who shall manage our Government's business, and how. Every voter should realize that the men who are elected to public office should be elected on exactly the same basis he would select someone to operate a personal business for him, because that is exactly what public officials are elected to do. The taxes we pay, in addition to take care of the functions of government, also are used to pay the salaries of these very same individuals.

We hear dissatisfactions about conditions in the country today, the high cost of living, high taxes, huge and growing national debt, reckless Government spending, lack of preparedness despite huge sums spent for defense. Yet many of those who are loudest in their complaints will be absent from the polls on Election Day. Anyone who will not take the trouble to exercise his right to vote has little right to grumble over the kind of government he gets. So every voter should most carefully consider the character, ability, and available record of all candidates. Probably none are as virtuous as their proponents imply, nor as evil as their opponents infer. Where men are up for re-election, if a careful survey of their record is good, vote for their re-election, if their record reveals them to be incompetent, extravagant, otherwise unfitted for the particular position they seek, vote for their defeat. That's what elections are for: to select the best available candidates.

Too many fail to share this vital responsibility. It has been said that bad candidates are elected by good people who do not vote. In 1896 there were 83% of the eligible voters voting; in 1916 this was down to 72%; in 1936 the number was down to 57%. In 1948 only 51%, or slightly more than one-half, of its eligible voters voted. This downward trend presents a grave threat to our Nation. Our heritage of government of the people, and by the people was won by sacrifice and suffering, but we can lose that heritage by neglect of our duty to vote.

Capt. Eddie Rickenbacker has been quoted as saying: "Citizens who fail to exercise their prerogative to select able leaders for their city, county, state and national governments are not only breaking faith with those American men and women pioneers who built this great nation, but they are failing their children—and the generations to come."
So don't be content with grumbling about bad conditions; your vote is your weapon with which to correct them. Its your country, and you

have a right to say how it should be run, but you cannot exercise that right unless you vote on Election Day.

Next Tuesday's election may well have a vitally important bearing on the future of America! Do your part by giving your voice at election, and urge your neighbor to do the same. Vote!

For the House of Delegates

C. RAY BARNES

VOTE FOR THIS WELL EXPERIENCED LEGISLATOR

Through his past record and experience he is sure to be assigned to one of the most important committees of the Legislature.

During the last session he supported a bill to reduce taxes of lower income brackets.

He gave full support to the reduction of taxes on real estate. He favored a bill along with other members to reduce taxes by utilizing surpluses.

He was assigned by the speaker of the House to that important joint committee to make a study and make some recommendation for the creation of an adequate program for the treatment of the mentally ill.

He supported Legislation to reduce the rate on unearned income up to \$3,000.00 from 5 percent to 2 percent.

He was co-sponsor of a resolution requesting the Governor to appoint a commission to review the entire assessment program of the state tax commission and to formulate recommendations for the establishment of a sound and equitable program of assessments in our state.

He was co-sponsor of a resolution requesting the state fish and game commission to apportion new stock in streams, and game on state game reserves equitably among the counties.

The House of Delegates Journal gives a perfect record of attendance during his present term.

He does not cater to cheap politics. In the session of 1949 his colleagues introduced a resolution and was passed by the House commending him for his services and informal friendliness toward everyone.

It is obvious that he possesses a high record for character and integrity, else he would not have been so honored.

His past record warrants the full support of the voters of Carroll County on November 7th.

Go to the poles next Tuesday, Nov. 7th and vote. Go early and don't be misled by any last minute false propaganda.

Want a ride that's "out of this world"?

Better Buy Buick!

WANT to be free from that nervous tensing up for a jolt every time a rough spot looms in the road ahead?
 Want to enjoy the relaxing feel of a sure-footed car beneath you, that stays level even when the road doesn't?
 Well, sir, ease into a Buick and see how such matters are cared for.

See what a wonderful difference in level buoyancy coil springs can make when you have them on all four wheels, not just the front ones.
 Note what firm and solid steadiness is yours when a full-length torque-tube drive is your keel—how smoothly you stay on course when the rear wheels can't help but run true.
 See what big, low-pressure tires and Buick's wide rims can do to pillow your course without jounce or sway.
 In other words, sample this two-

ton beauty for over-all balance and the cradling comfort of its roomy interiors.
 And while you're at it, get the very special thrill of its mighty Fireball power plant, plus the free-as-a-bird-in-flight bliss of its Dynaflo Drive.*
 It's an experience that you owe yourself—and it's yours for the asking. The thing to do is get in touch with your Buick dealer—and discover the ride that only Buick owners know.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—(4) makes parking and garaging easier.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Freedom is everybody's business. The right to vote is yours so go to the polls on Nov. 7th and vote for the man of your choice. You ought to love your country enough to learn about the candidates. Joe Stalin licks his chops when you stay away from the polls—more of his men win offices. Remember your vote is your voice—let it be heard. Franklin once said "Ye men who will not vote at their country's election, deserve not their country's blessings." If Franklin lived today he would have included the women. Americans are shirking their duty—staying away from the polls by the millions. The FBI has estimated that there are now 540,000 Communist fifth columnists in the United States, actually engaged in their treacherous tactics of undermining our nation internally. Only traitors to our Government need fear the Ober law. All good citizens of Maryland who cherish our Government and who desire to combat the Communist danger to our Government should go to the polls on Nov. 7 and vote for the Ober Law.

FEESERSBURG

This is Girl Scout Week. This annual event which continues through Saturday will be observed by Girl Scouts everywhere. It is a nationwide occasion for the whole Girl Scout family, one and a half million strong, to honor the memory of the founder—Juliette Gordon Low, and to tell the world what Girl Scouting is all about. Union Bridge has an active, growing Girl Scout troop and under their leader, the girls are learning many useful things. The most important is learning to be a good citizen and to get along with each other.

Margaret Truman made her professional television debut Sunday night, singing two songs for a very appreciative audience. First she sang "O'er the Hill" a hunting song from the American Revolutionary period. Her second song was "My Johann," a lyric written to the music of Edward Greig's Norwegian Dance. Miss Truman captured the hearts of all the listeners by being a nice, modest and friendly young girl.

Union Lutheran Church was represented at the Sunday School Convention in Middletown on Saturday by Mrs. Russell Bohn, Mrs. Cleon Wolfe and Mrs. Edward Dayhoff.

What's the best collateral for a bank? In Washington last week Bank of America's president Laurence Mario Giannini described one kind of collateral which had helped the bank founded by his father to grow into the Nation's biggest. "In the early days of the establishment the best financial statement that you could present was calluses on your hands," so said Giannini. "A fellow would come in and make application for a loan and we would ask to see his hands—if he had calluses on them he would probably get the loan."

Have you received a chain letter asking you to boycott coffee? Thousands of these letters have been sent out to housewives, asking them to stop buying coffee, beginning Nov. 1 to force the price down. There isn't any doubt but that speculators are taking advantage of the price up to where the average family can no longer afford coffee for every meal. There are many people whose meal is spoiled without that steaming cup of rich, nerve shattering, caffeine laden drink—and I am one of them. It seems too bad that this one remaining luxury is being priced right off our breakfast table. Maybe a switch to tea for a couple weeks would induce the speculators to listen to reason.

This week, our community has been so quiet that this column lacks all interesting personal news. Its really not our fault. People do not seem disposed to visit, get sick or shoot each other just to provide copy for this column. Just shows how egotistical people can be.

In case you haven't noticed it we have been enjoying an October "heat wave", that has the mercury hovering in the 80s. Not only was it summertime but there was an honest to goodness thunder storm Sunday morning. Nature seems always inclined to keep her books balanced. This summer there was no pasture or hay due to dry weather, now the fields are green and the cows have plenty of pasture. And these warm, balmy days are giving the farmers their chance to get the last farm chores done.

About the only thing a woman wouldn't wear on a hat is a price tag. The public will have a variety of suppers to attend over the week-end. On Saturday, the annual chicken and oyster supper by the Mt. Union church will take place; Monday evening the Elmer Wolfe P. T. A. will serve a turkey and oyster supper and on Tuesday the ladies of the Middleburg Methodist church will hold their regular election eve supper. If the budget and diet will permit, one should take in all three.

Which reminds you that Tuesday is election day here in Maryland. This year the voters of Carroll county are fortunate in having so many outstanding men and one lone woman to vote for or against. Do go out and vote and vote wisely. Vote not for a Democrat or Republican but vote for the person you think will best serve your community and the majority of the people. Democracy is supposed to be a government for the majority. Too often though, it is the minority groups that hold the power. While it is not our policy to pick out certain candidates, we are sort of partial to women in politics and public office. We think they are the most conscientious and more devoted to their work. Naturally we are sort of biased, being a member of the female sex ourselves.

Lena Fink celebrated her third birthday on Friday. One of her gifts was a Collie puppy. The Goblins were out last night but due to the many activities sponsored

by different groups, mischief and vandalism was held to a minimum. But who are we to talk about mischief for we did our share when we were at that age.

The school children will enjoy a five day holiday this week due to the teacher's meeting being held Thursday and Friday.

It's amazing how much good you can do if you don't care who gets the credit.

Out of Korea by Christmas is the soldier's only absolute guarantee against one of those petrified fruit cakes in the gift parcel from home. As an honest soldier will tell you, what they do not want is fruit cake.

Do You Want Gambling In Carroll County?
The Ballot in the coming election will carry a referendum permitting you to vote for or against legalized gambling in the form of Bingo, Bingo, Raffles, and Other Games of Chance.
GAMBLING is seeking something for little or nothing, by chance, at the expense of others. Minor Forms lead to more serious forms.
WE OPPOSE GAMBLING BECAUSE:
*1. Gambling tends to demoralize communities, weakening the moral fiber of people.
*2. A recent national conference of mayors and police chiefs reports that organized gambling is the greatest single source of crime and police corruption.
*3. Our Federal Government has recognized gambling as a menace.
*4. America's economic system has achieved strength and greatness through honest toil and thrift, and gambling undermines these principles.
*5. Much money that is spent in gambling comes from those who can least afford it.
*6. Gambling takes vast sums of money away from the community.
We uphold our Volunteer Fire Companies and worthy Charitable and Community organizations.
We believe adequate funds can be secured for these organizations through voluntary contributions. The American people have proved they will support worth causes with very generous gifts.
In the case of our Fire Companies, tax money should be made available for their support. There are Counties that use tax money to support Volunteer Fire Companies.
We, the Ministers, urge the Citizens to go to the Polls on November 7 and

Your Worst and Best
Lesson for November 5, 1950

"Within my earthly temple there's a crowd:
There's one of us that's humble, one that's proud;
There's one that's broken-hearted for his sins
And one that, unrepentant, sits and grins.
From much perplexing doubt I could be free,
If I could once be certain which is me."

FROM some anonymous rhymester comes this complaint, which any of us might have truthfully written if we had thought about it. Which is me, anyway? I seem to have three selves. One is a good deal better than my everyday or ordinary self. On rare occasions he will do something or other so good it surprises even my best friends — it "isn't like me." On the other side is another self, much worse than my everyday personality. He too surprises me by acts or thoughts so dreadful I am afraid of him and ashamed too. Yet both these "other selves" are "me" too.

Dr. Foreman

Life is a Fight
THE TRUTH of the business is that life, when a man takes it seriously, is a fight. It is a war between your best and your worst self. Your two other-selves are there every moment, like ghosts, or rather like a bright angel and a dark one.

It is always possible to become a better man than you are; also, alas, it is possible to become far worse than you are. No man stays the same through life. He is continually pressing upward, or plunging downward, or varying between the two. There has been only one person, Christians believe, who actually fulfilled all the good that was possible for him. The possibilities for evil in his life remained only possibilities—he never let them come to pass. The possibilities for good, on the other hand, became real. His dark angel remained only a ghost; his good angel was simply his real self. At no point in his life was he forced to say to himself, "I wish I had . . . I wish I had not." And yet, even for him life was a struggle. We do not believe he sinned. We do believe he was tempted; and if the temptation was real, then he could have sinned. No man can be really tempted to do what he cannot do. Yes, the Master had his fight. But the point is: he won.

The Way to Win
CHRISTIANS are not exempt in this war of good against evil. We are not "carried to the skies on flowery beds of ease" any more than Jesus was. We do not drift into the Promised Land. We have to fight our way uphill. Yet Christians are expected to win. That is, God stands beside each Christian in his fight, and God's power is for the Christian's use. As Saint Paul says, with each temptation God provides a "way of escape." Our prayer "Lead us not into temptation" can always be answered. Sometimes it can be answered by ourselves. That is, we cannot leave the fight to God. But we can win as Jesus won: sometimes by standing and doing battle where we are, sometimes simply by leaving temptation behind. For often the best thing to be done is to retreat. Get as far as you can from whatever tempts your worse self. Don't stand debating between right and wrong when you know which is which. Turn your back on the wrong . . . run, don't walk, to the nearest exit!

Is Alcoholism a Disease?
ONE OF the common temptations of millions at all times is alcoholism. It is popular to speak of this as a "disease;" and yet it is the only disease of which victims have actually cured themselves. Dr. Brady, whose medical column is well known, reminds us that nobody ever got over migraine headaches, or heart disease, simply by deciding to be well. But men and women have got over alcoholism, essentially by deciding to be well, and sticking to that decision. Alcoholics Anonymous, that well-known group of former victims, who have been very successful in helping slaves of this habit to become their best selves; use much the same methods we find in the New Testament: (1) staying out of temptation's way, (2) overcoming evil with good; and (3) laying hold of the "Power, not ourselves, that makes for righteousness."

...and 50¢ worth of electricity, please!
IF ELECTRICITY were sold over the counter—like meat or shirts—chances are you'd sometimes be caught without a kilowatt in the house! But if you bought kilowatts at the store, you'd be reminded often about electricity's low cost!
Just one penny's worth, for instance, will brew you 20 cups of coffee . . . bring you a whole evening's radio entertainment . . . vacuum-clean six large-sized rugs . . . or swish the dirt from half a week's wash. Quite a penny's worth of service, don't you agree?

During his time as a County Commissioner, and BEFORE the Bond Issue, HESS fought for and secured the building of:

1. Mt. Airy High School.
2. Westminster High School and Gymnasium.
3. New Windsor High School
4. Sandy Mount Elementary
5. Addition to Taneytown High School.
6. Addition to Hampstead High School.
7. Addition to Sykesville High School.
8. New Elementary at Gamber.
9. Robert Moton School at Westminster.

His Board paid for all these buildings, and also paid off the debt that had been incurred for the Elementary School at Winfield and the High School at Manchester, built earlier with borrowed funds.

HESS was responsible for the first increase in salary given teachers after the mid-depression cut made by the State.

Were these GOOD INVESTMENTS for Carroll County? The answer is obvious.

CHAPTER NO. 407 AN ACT to propose an amendment to Section 5 of Article 15 of the State Constitution, title "Miscellaneous," providing that the Jury shall be the Judges of Law as well as of the fact in the trial of all criminal cases, except that the Court may pass upon the sufficiency of the evidence to sustain a conviction.

17. To guard against hasty or partial legislation and encroachments of the Legislative Department upon the coordinate Executive and Judicial Departments, every Bill which shall have passed the House of Delegates, and the Senate shall, before it becomes a law, be presented to the Governor of the State; if he approves he shall sign it, but if not he shall return it with his objections to the House in which it originated, which House shall enter the objections at large on its Journal and proceed to reconsider the Bill; if, after such reconsideration, three-fifths of the members elected to that House shall pass the Bill, it shall be sent with the objections to the other House, by which it shall likewise be reconsidered, and if it pass by three-fifths of the members elected to that House it shall become a law; but in all such cases the votes of both Houses shall be determined by yeas and nays, and the names of the persons voting for and against the Bill shall be entered on the Journal of each House respectively. Any bill which is vetoed by the Governor following the adjournment of the General Assembly, or any bill which fails to become a law by reason of not having been signed by the Governor following the adjournment of the General Assembly, shall be returned to the House in which it originated, immediately after said House shall have organized at the next regular or special session of the General Assembly. Said bill may then be reconsidered according to the procedure specified hereinabove. If the bill is passed over the veto of the Governor, it shall take effect on June 1 following, unless the bill is an emergency measure to take effect when passed.

The Treasurer or such of his deputies as may be authorized to do so by the Legislature shall take receipts for all moneys paid from the Treasury Department; and receipts for moneys received by him shall be endorsed upon warrants signed by the Comptroller, or such deputy as may be authorized to do so by law, without which warrants, so signed, no acknowledgment of money received into the Treasury shall be valid; and upon warrants issued by the Comptroller, or his duly authorized deputy, the Treasurer shall make arrangements for the payment of the interest of the public debt, and for the purchase thereof, on account of the sinking fund. RE-ELECT GOV. LANE

Here's what his re-election means to you.

BETTER SCHOOLS Right here in your county, Governor Lane has given you better schools and more teachers for your children. The teachers are getting higher salaries... so you're also getting the finest teachers in the country... right here, where you live. Here's proof of this improvement:

Construction of fifteen public schools in Carroll County, including new buildings and additions, to the end of 1950 was made possible through the School Building Incentive Fund, the \$20,000,000 State Grant, and the \$50,000,000 Loan Fund. Among these schools are: Westminster Elementary School, Taneytown Elementary School, Mt. Airy Elementary School (addition).

More proof of this improvement: In 1947 Carroll County had 232 public school teachers; in 1950—295. State Aid for the same period increased from \$407,444. to \$848,794. annually.

The Lane—Democratic public school record means a bright future for your children. In 1947... the General Assembly and the Governor, with the support of the people of the State, took action that marked the greatest single progress in Maryland Public Education, with one exception, since the public schools were established in 1867." Dr. Thomas G. Pullen, Jr., from

"A Decade of Progress in Maryland Public Schools."

TAX RELIEF Part of Governor Lane's program is to keep your real estate tax down. You can see from the figures below how you are getting a worthwhile tax reduction now. Governor Lane will continue to give you this local tax relief. Don't forget your state real estate tax rate will be 6c next year, the lowest in the history of the state.

SALES TAX REDUCTION:

To stop sales tax on meals by December 1st, vote for Gov. Lane on November 7th. Governor Lane also will stop sales tax on all purchases up to 50c. This tax reduction is now possible due to increased business activity which has resulted from the new defense program.

BETTER ROADS BEFORE GOV. LANE 6 out of every 10 miles of Maryland roads were too narrow, too steep, too rough or otherwise unsafe for you and your family. Governor Lane changed that... he is giving you improved roads. Throughout the State there are already 1,144 miles of new or improved roads, with 93 miles of new dual highways... Right here near your own front door you will find these new road improvements.

A total of 31.9 miles of roads at a cost of \$4,574,456.

In addition \$377,437.51 was provided for County Roads during the past fiscal year.

It was the sales tax penny that came to the rescue to give you better schools, better teachers, better roads, and better mental and tuberculosis hospitals. 64 of the 75 new hospital buildings are now under construction. Governor Lane is providing hospitals, doctors and nurses needed to care for our mentally ill... and for victims of tuberculosis. If any member of your family needs the services of these hospitals in the future, you will have some of the finest hospitals and facilities in the country... right here for you in your own state.

It's not what the political bosses want. It's what YOU want. It's what is best for YOU. That's Governor Lane's policy. He has the courage to be your Governor. Not a "fall guy" for would-be party bosses!

HESS on PROPERTY ASSESSMENT As a result of his long and successful experience as a County Commissioner, Hess knows that the present method of property assessment, which has been forced upon the COUNTY by the STATE, has worked hardship on property owners and inequality in assessments. His study of this problem has qualified him to suggest changes in the laws governing assessments that are in the interest of all tax payers. Give him an opportunity to urge the enactment of these changes in the law at the next Session of the Legislature. VOTE for Norman R. Hess on Nov. 7th
