## "FESTIVAL OF LIGHTS"

To Be Held Friday Evening  
December 8th

Santa Claus is coming to town again this year. He is scheduled to arrive December 8, at 7 P. M. according to the latest reports from the North Pole. He will arrive on a beautifully decorated motor drawn sleigh. To greet him at that time a big parade is planned. It is promised to be the largest Christmas parade on record. For the occasion the Myer's Band from Westminster has been secured by the Chamber of Commerce. Also it is hoped to have again this year the Legion Drum Corps and Color Guard.

It is understood that some of the Service Clubs and merchants, are planning to prepare floats for the parade. In the procession also it is planned to have the Boy and Girl Scouts, a car for the Chamber of Commerce officials, and another for the town officials.

When Santa Claus arrives in town on the above date he will officially turn on the Christmas lights which ornament the streets with so many beautiful colors. The line of march will be on Baltimore Street from west to east. The ceremonies for the festival, after the parade, will take place on a platform in front of Mid-Town Electric Store. It is here that Santa Claus will greet the children in person.

Loud speaking equipment is expected to be installed on the street for this purpose. This is the time when the merchants will begin to distribute the tickets for the prizes to be given away. This celebration will officially launch the Christmas season in Taneytown.

## ALUMNI NEWS

The regular monthly meeting of the Taneytown H. S. Alumni Association was held Monday night, Nov. 20 in the High school. After the Secretary's and Treasurer's reports were approved and several bills ordered paid, the final results of the card party were given. Even though not quite as much profit was realized this year, in comparison to last, the card party was a real success. A letter of appreciation from the Elementary School was then read, thanking the Alumni for the lounge furniture and three sets of workbooks which have now been received.

Committee reports were given concerning the dance, with all committees completing plans and working hard. The ticket committee reported that some High school students were selling tickets for which the Association expresses its deepest appreciation. Many of the Alumni also volunteered to help with different jobs pertaining to the dance.

Basketball then became the topic of discussion and much time was spent in looking at samples, and discussing the basketball uniforms which the Association will buy for the Alumni teams. The group decided to get maroon and gold, a slight deviation from the school colors, so that there would not be as much confusion when playing with the High School. The committees were instructed to proceed to buy uniforms as soon as possible. Girls' coach, Mrs. Abrecht, was appointed to buy a whistle and ball for the girls team. Mrs. Abrecht reported the Alumni could use the electric scoreboard clock in the High School if some one was appointed responsible for same. The Association expressed their appreciation for this privilege and decided to take the responsibility for the clock if something is broken due to misuse or carelessness on the part of the Alumni. Time keepers Leo Sanders, Phyllis Smith, or Elwood Stonesifer will be the only ones allowed to operate the clock. The Association also ordered an official time clock bought to use at games or practices. Practices will begin as soon as a schedule can be arranged. Any Alumni interested are requested to contact John Harner or Louise Abrecht, the respective team coaches.

The film strips which were requested by the High School last month were ordered bought. The three series of films costing approximately \$47.85 will be presented to the High School in the near future.

The nominating committee consisting of Shirley King, Chm.; Elizabeth Baumgardner, Audrey Fair, Murray Baumgardner and David Wilhide will make their report in December, at which time there will be election of officers.

Miss Helen Bankard and Miss Anna Sanders were appointed to get membership cards and have them until the December meeting.

Because of conflicting dates and the nearness of Christmas the December meeting will be held the second Monday, Dec. 11, instead of Dec. 18. There was a very good attendance at the November meeting and it is sincerely hoped that everyone will make an effort to come to the very important meeting on Dec. 11.

After the meeting delicious refreshments were served by Mr. and Mrs. John Harner. David Wilhide and Francis Myers will be responsible for refreshments at the December meeting.

If you feed hay to your beef cattle from manger-type racks, you'll waste less of it. These racks can be constructed from either poles or planks.

One cannot overemphasize the importance of a constant, convenient and easily accessible water supply for beef cattle and other livestock.

Fall is a good time to check up on rat control on your farm.

## TANEYTOWN CHAMBER OF COMMERCE MEETS

Pre-Christmas Programs are Outlined

The Taneytown Chamber of Commerce met in the Town Hall last Monday night. David Smith, Vice-President, presided. It was reported by Sam Breth that the Christmas lights had been installed and were ready to be turned on at the appointed time which is Dec. 8. Charles Arnold, treasurer, reported 170 paid memberships, and indicated that a substantial balance was in the treasury after all expenses for the year had been paid.

Reports were given on the Area meeting held in Frederick last month, and on the District meeting held in Taneytown with William Bird, Southeastern Adviser to the U. S. Chamber of Commerce. From these conferences and the information derived from, it was felt that Taneytown would gain many benefits by affiliating with the U. S. Chamber of Commerce. Accordingly a motion to this end was carried by unanimous vote.

Edward Reid reported for the merchant's committee on the store hours of closing beginning Dec. 8. The grocery stores are to keep open till 9 p. m. from Monday to Thursday nights, and 11 p. m. on Friday and Saturdays. The clothing stores will close at 10 p. m. He said that calendars will be printed showing these hours for the information of the public.

Rev. Charles S. Owen, Chairman of the Christmas Committee, reported on plans set up for the community observances this year. The Festival of Lights will be observed on Dec. 8 at 7 p. m. with a parade and program featuring the coming of Santa Claus to town and the turning on of the Christmas lights. The Festival of Music will be held from Dec. 18-22. This is when the church choirs will be singing over the loud speaker each night from 7-7:30. The Festival of Gifts (for the Adult Party) will be held on Middle Street at 6:30 p. m. on Dec. 21. And the Children's Festival of gifts and entertainment will be held in the High School auditorium on Dec. 22 at 2 p. m. This will feature an animal circus brought to town by the Chamber of Commerce. Also, treats will be given to the children at this time.

The annual election of officers was held at this meeting. Those elected for the new year are as follows: President, Merwyn C. Fuss; First Vice President, David Smith; Second Vice President, Rev. Charles S. Owen; Secretary, Bernard Arnold; Treasurer, Charles Arnold. These officers will be installed at the next meeting. There will be no December meeting since the date falls on Christmas Day.

The guest speaker for the evening, Prof. Stanley Stahl, Principal of the Taneytown Elementary School, was presented. The speaker pointed out his hopes, plans and program for the school together with some of the needs yet to be realized. One particular thing was the way the cafeteria is operated whereby each table has a boy and girl host and hostess, and where grace is said before the meal. He sketched other plans also by which the children learn the arts of living by assuming responsibilities in the library, school store, cafeteria, and through clubs and hobbies, and other things they do.

The speaker paid high tribute to his teaching staff associated with him. He showed indications of being wide awake and up to date on the latest methods of school techniques. One new feature, he said, is that the old recess period of 15 minutes each, has now become obsolete. In its place, beginning last Monday, is a 30 minute period of physical education for all grades. This is a period of planned play for instruction in such physical activities as rhythm, stunts, tumbling, organized games of every kind. This type of physical program, in place of the old-fashioned recess, has been approved by the State Department of Education.

Following adjournment, refreshments were served by the Central Hotel.

## SURPRISE SHOWER

A miscellaneous bridal shower was held on Friday evening, November 24, at the home of Mrs. Glenn Bollinger in honor of Miss Arlene Unger.

The dining room was attractively decorated in a blue and white color scheme and under an umbrella were placed the gifts. The main event of the evening was Miss Unger opening her many lovely and useful gifts followed by the playing of games. After an evening of fun, refreshments were served consisting of chicken salad sandwiches, potato chips, ice cream, cake, mints and soft drinks.

Those present were: Arlene Unger, Betty Morelock, Margaret Rodkey, Norma Lee Shorb, Mrs. Donald Hess, Mrs. Raymond Claybaugh, Dolores Frounfelter, Charlotte Lookingbill, Marian Martin, Betty Motter, Lois Ohler, Mrs. Percy Bollinger and daughters, Doris, Evelyn and Pearl Mrs. Charles Eckard, Mrs. Charles Unger, Mrs. Maurice Becker and daughters, Julia and Patsy; Mr. and Mrs. Richard Bollinger, Donald Bollinger and Mr. and Mrs. Glenn Bollinger and son, Donald. Everyone departed wishing Arlene a very happy married life.

The following refreshment committee was appointed for December and January meetings: Ethel Garber, Gladys McNair, Blanche Mackley, Mary Louise Tracey, Catherine Shank, Blanche Brooks, Clara Devillbiss. ## SCHOOL NEWS

Student Council Organized for Elementary Pupils

The new Elementary Student Council has been organized under the direction of Miss Marjorie Case. Its purpose is to allow student participation in the administration of the school and offers the best opportunity of developing good citizenship, representing a device through which democracy becomes meaningful.

The entire school is represented, with representatives as follows: First Grade—Kenneth Gilds, Dwight Copenhaver, Martha Garrett, Cherie Phillips.

Second Grade—Shirley Miller, John Lieb, Ian MacLachlan, Jackie Myers.

Third Grade—Sandra Remsburg, Sandra Shorb, Douglas Gunther and Johnny Ommert.

Fourth Grade—Patricia Lambert, Joan Newcomer, Stephen Gordon, Allen Baumgardner, Elaine Welty, Rebecca Wilhide, John Myers, Ronnie Hopkins.

Fifth Grade—David Gunther, Lamar Ausherman, John Reever, Leonard Wantz, Shirley Koontz, Audrey Hahn, Peter Westine, Kenneth Reifsnider.

Sixth Grade—Shirley Martin, Jean Luckenbaugh, Ralph Gordon, Earl Angell, Edith Baumgardner, Mary Grace Ambrose, Norma Bloom and Jimmy Wolfe.

Since adopting the new elementary physical education pattern, much improvement is in evidence. The substitution of a half-hour period daily for the traditional recess allows a full teaching period since relief and relaxation periods are worked out on an individual room basis. More opportunity will be given for rhythmic activities, particularly folk and square dancing. It is now recognized that physical education is not a special subject but a vital part of the school curriculum.

## HIGH SCHOOL NEWS

The high school activity program began last week. This program provides for assemblies, club meetings and class meetings each week without class interference by scheduling shortened periods on each Wednesday thereby allowing one hour in the day for activity period.

The Key Club met Tuesday for lunch with two visitors being present; they were Mr. Charles Stonesifer and Mr. George Crabb.

The high school Christmas program will be held in the auditorium on Monday evening, December 18, at 8:00 P. M.

After surveying the bus routes of Mr. Charles Eckard and Mr. Augustus Crabbs Mr. Shower made recommendations to Supt. Jenness for changes in the routes to provide better service. The changes were approved.

## KEYSVILLE MISSIONARY MEETING

Mrs. Lloyd Wilhide took charge of the public thanksgiving meeting held on Nov. 26 at the Keysville Lutheran church. A very interesting program was given, but due to the weather there was a very small attendance. Rev. Poffenberger had secured the picture "For Good or Evil" which was shown at this time. Our Thanksgiving meeting was given added inspiration by the exceptional musical talents of three of the Leonard Reifsnider family. David Reifsnider was accompanied by his mother when he played an instrumental solo "The Holy City". She also played the piano for an instrumental duet by Kenneth and David as well as for their two vocal duets. Some of the children of the school sang "Onward Christian Soldiers", "Jesus is the Sweetest Name I Know" and "Sing the Clouds Away". Mrs. John Harner, Mrs. Laverne Keilholtz, Mrs. Carroll Wilhide and Rev. Poffenberger also had part in the program. Mrs. Arthur Clabaugh was the pianist. The newly elected president, Mrs. Gregg Kiser extended greetings and made the following announcements.

1. Dec. 12th will be our Christmas meeting at which time each member is to bring a gift of something knitted to be sent to Japan.

2. Also on Dec. 12 bring any good usable clothes which will be taken to Easton, Pa. for Lutheran Relief.

3. Also on Dec. 12 each member bring a guest to the Christmas meeting.

4. Also on Dec. 12 those who have not brought in their Thankoffering, please bring it in order to get it in on this quarterly report.

## PYTHIAN SISTERS MEET

The regular meeting of the Pythian Sisters Temple was held Monday evening, Nov. 27. 26 members were present. Most Excellent Chief Jeanette Wilson had charge of the meeting. Nomination of officers was made to be elected at the next meeting.

The following refreshment committee was appointed for December and January meetings: Ethel Garber, Gladys McNair, Blanche Mackley, Mary Louise Tracey, Catherine Shank, Blanche Brooks, Clara Devillbiss. For the meeting of Dec. 11 we are holding a turkey supper promptly at 6 o'clock. All members are asked to come out and bring a covered dish of food. Our annual Christmas party will also be held at this time. All members having a secret pal bring your gifts. All those not having a secret pal may also bring a gift for \$1.00. Our meeting closed singing our closing ode, to meet on Dec. 11th.

## LIONS CLUB GUESTS OF KIWANIANS

Dr. Harvey Hoover Addresses Joint Meeting

Dr. Harvey Hoover, Professor of Practical Theology at the Gettysburg Lutheran Seminary, spoke before a joint gathering of the local Lions and Kiwanis Clubs on Wednesday last at Taney Inn.

The meeting was sponsored by the Attendance and Membership Committee and conducted by Jere C. Schaefer. The writer wishes to extend on behalf of the Carroll Record apologies to Mr. Schaefer for considering his stories as tall stories. It is felt with the deepest sincerity that Kiwanian Schaefer is the tallest of local tall story tellers and that he should be the most likely recipient of the nomination by the service clubs as their most logical representative to the National Lions Club. This was made manifest by the story told by Kiwanian Schaefer at the meeting held on Wednesday which was told with such effectiveness that the persons involved were taken into the extent that they verified without hesitation the authenticity of his remarks. After entertaining the club with his story Jere Schaefer introduced the speaker for the evening, Dr. Harvey Hoover.

In the course of his address Dr. Hoover cited the ability of our remembering the finer things of the past, stating that in our singing and in our many reminiscences we seldom make mention of the difficult periods through which each of us must pass. He encouraged those present not to let the boy in them die but to keep their visions of tomorrow bright—always looking forward. It was his admonition that the inner life of each member of his listening audience be kept clean and free under the guidance of the driving force of the universe, for it is through God, stated Dr. Hoover, that we can face our tomorrows no matter how discouraging they may seem. It is the very little things that upset us even more than those of a larger realm. The strength given us through our Maker enables us to meet our difficulties no matter what they might be.

The business portion of the session was conducted under the leadership of David Smith, Vice-President of the Kiwanis Club, with Lion Merwyn Fuss giving the invocation. Group singing as usual was under the capable direction of Wallace Reindollar with Mrs. Estella Yingling at the piano. Mr. Carl Drepper was presented to those present as the guest of Robert Smith. Andrew Alexander, president of the newly organized Key Club of Taneytown, represented the club at the meeting and expressed on behalf of the membership of the Key Club their thanks to the Kiwanis Club for the interest shown in assisting in the organization of such a group. He invited all Kiwanians to attend the meetings of the Key Club as well as the Lions present.

Next week's meeting will be in charge of the Public Relations Committee with Albert Baldwin handling the program.

## 4-H CLUB HAD PARENTS NIGHT

The Taneytown Agriculture 4-H Club met at the Opera House at 7:30 P. M., on November 27, 1950. Parents and friends were invited. 31 members answered the roll-call by naming a material used to build a home. One new member was enrolled in the club. 32 visitors were present.

Our meeting began by our president, Robert Flickinger, leading the 4-H Pledge. Mrs. Wallace Yingling and six boys furnished us with songs as follows: Ain' Gonna Grieve My Lord (Spiritual). The Whiffenpoof Song by Meade Minnigerode, and Street Urchins' Medley. The boys who sang were: David Reifsnider, Norval Roper, Robert Peterson, Andrew Alexander, Philip Lawyer and Robert Flickinger. They were accompanied by Mrs. Yingling at the piano.

In our old business Robert Bollinger, Douglas Waddell and Evelyn Bollinger told of their experiences and their success at the Eastern National Livestock Show, also about their banquet and trip at the Esskay plant. Our Square dance was proved to be successful.

In our new business, there will be a Dairy Club meeting on December 5, 1950 at the Sunnybrook farm, just outside of Westminster. There will be a Christmas party and election of officers.

Mr. J. R. Schabinger, our Assistant County Agent, showed us a film on "4-H Headlines", which was a very interesting movie about 4-Hers.

Our meeting for next month will be held on December 26, at 7:30 P. M., at the Opera House. We will also have a Christmas party and exchange gifts.

The meeting was then adjourned and refreshments were served. MARIAN MILLER, Club Reporter

## THIS 'N' THAT (Your Chatty Column)

With all my heart, I wish you every morning  
A smile that shall last until the next day's dawning.  
I wish you health—life's greatest wealth!

I wish you always near so that I may help to cheer  
Each future day and in some way—help to bring you happiness!

As Your Observer types away this column that smart and thrifty farmer is harvesting corn for the winter!

It is a cold bleak and typical November day. Holidays are in the air! The song, "La Vie En Rose" is much more beautiful when it is sung in French. Eh?

Well, Folks Your Observer really learned from Arthur Godfrey's friend on the Chesterfield T.V. Wednesday night how to carve a turkey! And to think I was carving turkey all these years and did not know the proper method that is how to make the turkey go further in slicing the turkey meat! My-o-my what T. V. will do for the entire family! Here's hoping you get one in your home for Christmas for you will agree that it is money well spent in a wise manner!

What a beautiful letter arrived from one of my favorite and famous personalities of radio! None other but Walter O'Keefe! Be listening, folks this winter as Your Observer is anticipating a "rush visit" to that big city of New York. More about that in a later column!

Never will forget that grand meal at "Butchering Time" and those nice substantial Carroll County people who sat around that big table. Those kind of people folks, just grow and grow and grow in one's thoughts!

Now, here's a nice one from Jacksonville, Fla., and I pass it on to the Principal, Manager and Cook of the Elementary school. A few weeks ago, I sent the Menu of the school down to Jacksonville and one of the leading citizens wrote back that they were going to use it for their schools! Nice?

When you are in the "American Store" don't fail to make inquiries about the old-fashioned peanut brittle. It is delicious especially when you sit before your T.V. set of an evening.

What a delightful surprise (and Your Observer loves surprises) in meeting that grand lady around our town who is just "Shower"—ed with all the fine attributes of the female gender.

Thinking of T.V. saw "Nick Kenny" one night on "Leave it to the Girls". He is the one you know who writes those lovely poems of three and four short verses on the back page of the Baltimore News-Post.

Did you hear and see on T.V. our President's only daughter, Margaret who is most charming when she made her professional bow singing two songs for an audience estimated by the C.B.S. at 10,000,000? First she sang, "O'er The Hill" a hunting song from the American Revolutionary period by Francis Hopkinson. Her second number was "My Johann" a lyric written to the music of Edward Grieg's Norwegian Dance. Miss Truman was rather nervous as she appeared for the TV audience but became calm in the middle of the first song. She surely is a sweet girl and after all she is on the same par as a daughter of the Queen's and King's in foreign countries. And in these grand United States, she is just one of us—that is the grand part! Eh?

So long, Folks. Will be seeing you next week. D.V. Have a grand weekend. I am,

Faithfully,  
YOUR OBSERVER.

## THANKSGIVING DANCE SUCCESS

A large crowd attended the second annual Thanksgiving dance last Thursday night in the High school to enjoy the music of "The Tones" and spend a lovely evening. The dance which was sponsored by the Taneytown High School Alumni Association for the benefit of the Taneytown schools was a success, with many out of town people coming for miles to attend this outstanding event.

It was the third time the Association obtained the three "Tones" to play in town, and each time they grow in popularity in this and surrounding communities. They are an outstanding group and are in great demand, being booked up for months in advance. Besides the Hammond organ, accordion and electric guitar, they have added another fine instrument, a celeste. They are the only similar combination besides the "Three Suns" to have this added attraction. The Alumni should be congratulated for bringing these fine musicians to Taneytown for the enjoyment of the people of this area.

Committees for the dance were: Advertising, James Fair, Pearl Bollinger, Emma Garrett, David Wilhide and Francis Myers. Tickets and money, Phyllis Smith, Helen Bankard, Anna Sanders, Decorating, Mr. and Mrs. Elwood Harner, Mr. and Mrs. William Rittase, Mr. and Mrs. Edward Sell. Refreshments: Mr. and Mrs. George Sauble, Jr., Mr. and Mrs. John Harner and Mrs. Robert Abrecht.

The Association is greatly indebted to these committees and to the many members who gave so willingly of their time and effort even though they were not appointed on committees. They also wish to express their deepest appreciation to all the fine people who helped make it a success, who came to enjoy the dance and make it one of the nicest in Alumni history.

NOW FOR 52

The election is over and we can all take a rest for a while from politics. Time flies. We scarcely pass youth before manhood overtakes us. From childhood to maturity how time does creep, but thru manhood time moves along faster, and as age comes on it flies with lightning speed.

An old former school mate who didn't know much latin or much of anything else once said to me. How time do fugit. He left our school (Pennington School for boys) and took a charge up in Northern New Jersey where I visited him. Later he moved to North Dakota and I again visited him. He was a well meaning fellow and deserved praise rather than censure. But he was on the to-baggan and went down fast.

Several years ago he called at my office in Baltimore and asked for the price of a pair of shoes which I gave him, along with friendly advice which I hope he took. W. J. H.

**THE COUNTRY PRESS SAYS**

INTERNATIONAL FALLS, MINN., DAILY JOURNAL: "Some top men in government seem committed to increased spending. Their idea to continue a policy of reckless expenditures, and simply pile the emergency military spending on top of the heap".

TELLURIDE, COLO., TRIBUNE: "Government is curtailing building of almost every kind. Suppose it will be a prelude to a huge government housing project within the next year or so. Doctors are also being drafted in large numbers. No one wants the armed forces to be without the very best medical care, but a false shortage of civilian doctors would probably soften the public up and make them more receptive to socialized medicine."

ELWOOD, INDIANA, CALL-LEADER: "The man who thinks that he pays no taxes because he owns no property and his income is under the taxable earnings of the income tax does buy shoes. And he does buy clothing on which there is a six-cent tax for every dollar he spends for a suit. FEESERSBURG

The unusual east wind gale and electrical storm which roared over the entire Eastern seaboard Friday night and left untold damage everywhere was the chief topic of conversation over the week-end. While Carroll county, compared to other sections of the state was let off lightly, still the residents knew they had lived through an unusual weather disturbance. The electric power was off for some time in our section due to lightning striking the transformer in front of Millard Roelke's house and setting it afire. Many barn roofs were ripped off including Earl Whitehides and Samuel Keytons. Most telephones were out of order and other minor damages inflicted. Probably the most severely struck place was Merry Knoll, home of Mr. and Mrs. Millard Roelke. Besides striking the transformer, lightning struck the house and barn, killing one of the prize ewes. The wind demolished the chimney on the house, tore off the roof of a small barn and crushed the heavy doors on a large barn. Many residents complained of their homes rocking under the terrific winds and many television aerials were ripped from their moorings. It was the worst storm in 37 years and everybody hopes that it will be at least 37 more before we experience another like it.

Sascha Garodnitzki, internationally known pianist, will present the fifty concert in the current community concert series when he plays from the stage of the Westminster High school auditorium, Monday, Dec. 4, at 8:15 P. M. Many students and parents plan to attend the concert from Union Bridge area. The Pennsylvania Farm show always the biggest indoor agricultural exposition in the world, is on the way to another record shattering run in 1951. The five day show, opening Jan. 8, already is assured of a record high in premium awards and in livestock competition entries. The 1951 features also include return of the full line farm machinery displays after an absence of one year. All commercial exhibit space has been allocated with some 287 exhibitors purchasing space. This show always attracts many from Carroll county.

Lt. Col. Thomas W. Otto and Mrs. Otto with their son Thomas, Jr., of Arlington, Va., spent Thanksgiving Day with the Colohel's parents, Mr. and Mrs. W. H. Otto, of Keymar. Miss Elizabeth Troxell, of Reisters-town, is spending some time with the Otto's this week.

Due to the bad weather and treacherous road conditions, the thanksgiving service at the Mt. Union church Sunday evening was poorly attended. The offering amounted to \$46.75. Mrs. Grenville Erb returned to her home at Mt. Union after spending a week in Baltimore. Mrs. Stewart Brenizer returned with her for a short visit.

Mrs. Daniel Repp, age 92 died on Monday at the home of Mr. and Mrs. George Stansburg, with whom she made her home for the past several years.

David Buffington spent Thanksgiving holidays with Mr. and Mrs. Millard Roelke. He returned to Western Maryland College, Sunday evening where he is a senior.

Mrs. Cleon Wolfe is the victim of a bad cold. On Sunday Cleon Wolfe and Mrs. Russell Wetzel, visited Russell Wetzel at Perry Point Hospital, where he has been a patient for several weeks.

One of the strangest things about modern times is man's urge to escape himself. Of course this desire is subconscious and he does not realize what he is trying to do. He spends all the time he can going to the movies, listening to the radio and watching television in the attempt to get away from himself. But the time always comes when we must face ourselves for we take ourselves with us wherever we go. Three things that will help us to maturity and take from us the urge to flee from ourselves are to learn the inherent value of moderation and the middle course and the forgotten usefulness of such values as unselfishness, mental honesty and work for the pleasure of working. Maturity is the realization that there are many shades between black and white and that most of us often act in the gray twilight somewhere between the poles of that which is best and that which is worst. When we are really mature we are able to suspend final judgment of ourselves and others, for we realize no man can judge because no man really knows himself. So many of our actions, both good and bad are done because of some hidden urge within us. These hidden motives are the things we do not understand and drives us to escape from in some form of amusement or in some cases resort to crime. The tempo of daily living, the facing of a crisis each day and the uncertainties of the future call for a mature philosophy to see us through.

If you have some small fry in your home you will by this time know that Christmas is fast approaching and there are practically no shopping days left until Christmas. It seems to me that either the years are getting shorter or the period between Christmases is shrinking. Anyway, if it weren't for the prodding by my ten year old, Christmas eve would find me without one single gift ready. Not that I don't like Christmas, for I do. But it seems my brain cannot stand the effort to think what Uncle Joe or Aunt Minnie would like, and I no longer have the energy to push myself through the crowds of shop-

pers, to buy something that will eventually wind up on someone's attic or as a prize for a card party. But with a future teen-ager in the house, I must do or die for dear old Santa Claus. Long may he live! It gives me great pleasure to congratulate Mrs. Nicholas Clemson upon adding another year to the already impressive number she has so far accumulated. For anyone to have lived 102 years is a rare experience, but to have lived those years with tranquility and the ability to change with the times is rarer still. We hope Mrs. Clemson will enjoy the year ahead with the same pleasure she has enjoyed the other 102.

Mr. and Mrs. George Roelke of Union Bridge entertained 26 guests at a family dinner on Sunday. We who live here at Merry Knoll wish to express our deep gratitude to the maintenance crew of the Potomac Edison Company for their quick response to our call for help during the Friday night storm and to the man at the sub-station who by his quick thinking saved us from a disastrous fire. All of us are deeply grateful.

While we may not be armed to the teeth, all the small-fry cowboys prove we're armed to the hips.

**THE BIBLE SPEAKS**

International Uniform Sunday School Lessons

By **DR. KENNETH J. FOREMAN**

SCRIPTURE: Romans 12:1-8; II Corinthians 8:1-9; Philippians 2:19-30; 4:18-20.  
DEVOTIONAL READING: Romans 13:1-10.

**Stewardship of Life**

Lesson for December 3, 1950

"WHAT'S the death rate here?" asked the stranger. "Same as everywhere," retorted the native son,—"one to a person." Only one to a person, because there is only one life to a person. If you had nine lives or even two, you might afford to waste one (though it's doubtful). But with only one life you simply cannot afford to waste it. Of course you do waste it, in thousands of little ways; and some of these cannot be helped. But if a faucet leaks, that's no excuse for turning the water on full blast.

Dr. Foreman

**God Wants You**

WITH all due respect to the arrangers of these lessons, the lesson for last week and this one seem to be in the reverse order from what is logical. It is very doubtful whether any one ever understood stewardship of money who did not understand stewardship of life first. Now in almost any church you may hear people singing, "Were the whole realm of nature mine, That were a present far too small; Love so amazing, so divine, Demands my soul, my life, my all."

Very good; wonderful. Surely these are a devoted brotherhood! But wait, what is this coming down the aisle? A man with a collection plate! Now we shall see... There's a man putting in a quarter, and there's a prosperous-looking lady laying out a five dollar bill. (She bought a \$50 cat last week.) But who is putting in his soul, his life, his all? Oh well, they didn't mean what they sang. But isn't it more than half hypocritical to sing one way and "give" another?

The whole realm of nature is not yours to give; but you do have a life; and God wants it. More than he wants what we have, he wants what we are. God created you; God redeemed you; as Paul says, "You are not your own, you were bought with a price."

**Not for Preachers Only**

A COMMON mistake is to think that a Christian has a choice between being a preacher and not being one. If he decides to give his life to God then he will be a preacher; otherwise he keeps his life for himself.

This is absurd, when you think about it. God has the first claim on every man's life. To be a Christian is to recognize this claim. He has not a bit more claim on the preacher or the missionary than he has on the grocer or the farmer's wife. Stewardship of life means recognizing God's right, it means living your life in partnership with God.

"Who sweeps a room as to Thy laws Makes that and the action fine," sang a poet long ago. God certainly does not want all his children to be preachers. But he does want his children to live AS his children; and that means stewardship of life.

**Stewardship of Time**

PICKING up again a thought from last week: Time is the raw material of life. Stewardship of life means stewardship of time. It means spending each day as if God had personally said to you: "Here are 24 fresh, new, unused hours. I shall want them back. You cannot keep them. I shall look at them to see what you have done with them."

What do you do with your time? Does it count for God or against him? And yet — how many Christians there are who if asked to do some kind thing, some simple act of mercy or friendliness, something to help some one else, something that may cost them a little trouble, —how many will say, "Sorry, I'm busy, haven't the time!"

**Gift Without the Giver is Bare**

JUST put together four sentences from the four sections of the Scripture for this week, and you have the whole business of stewardship of life in a nutshell: "Having gifts, let us use them." "First they gave themselves to the Lord." "Honor such men." "My God will supply every need of yours." No one ever used for God in the service of man any gift which God did not more than repay. The gift without the giver is bare — and so is the giver. But giver and gift, devoted in love to God and man, are rich indeed.

**You'd Give Them the World If You Could**

*...this Christmas You Can!*

FOR YOUR FAMILY, Christmas 1950 can be the most wonderful Christmas ever... or ever to come.

For never, before television, could you give your loved ones all the whole wide world...

- the world of sports where champions teach sportsmanship as well as skill
- the world of laughter, which sweeps away the day's cares like a broom
- the world of great music and culture — a world of inspiration and re-awakened faith

Yes, these golden hours are yours to share when you're a television family... but lost forever if you delay.

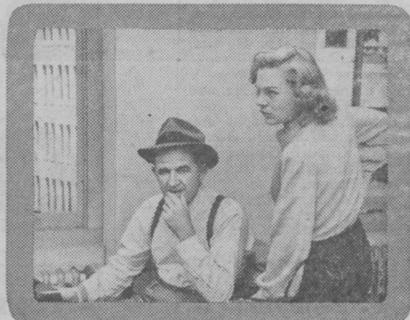

Never before in all history has there been such entertainment for all the family at so modest a price. Place your order for a TV set now — for this is the Christmas you can give the world to your family.

- the exciting world where history happens before your eyes — and the news has meaning as never before
- the world of adventure, where a little girl can be a princess, and a six-year-old boy can tame the West on horseback
- the world of knowledge, where learning is fun, and no one wants to "play hooky"

**With TV this magic world is theirs to enjoy every day!**

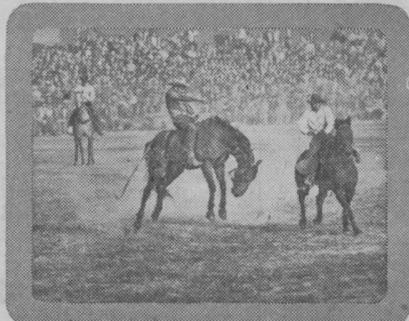

**CHILD PERFORMERS.** Talented singers, dancers, musicians inspire your own children to learn faster, practice longer, willingly cultivate their own talents.

**DRAMA** for young and old — The brightest stars of the theatre now perform to millions — bring the great plays of all time to audiences who never before could see them.

**THE WONDERFUL** world of make believe — Experts say every child needs it as part of his normal development. And it makes mother's life a lot easier — especially on rainy days.

**ADVENTURE** — American kids have "gone western" and taken their parents along. Rootin', tootin' westerns are fun for all — stimulate a healthy love of outdoor life.

**LAUGHTER** under your roof — the shared pleasure that binds your family closer. The greatest comedians of the entertainment world are in your living room every night on TV.

**Mrs. Franklin D. Roosevelt**

United States Delegate to The General Assembly of the United Nations says:

"To me television offers a magnificent opportunity to increase the education which we make available to the children of today. If parents will supervise carefully the type of show and the time spent by children watching television, they can see the best that television has to offer, which can bring much enjoyment and much that will be valuable in their education. Of course, I am a firm believer in the supervision of children's reading habits, and now that we have television, I think that the same thing should be true for television. It is a parent's duty to see to it that the children get the best in books and the best in television entertainment and education."
