DRIVE FOR FUNDS

Annual Solicitation of Money for Our Park

It was announced today that the annual membership drive of the Taneytown Recreation Association will be launched during the coming week. A letter, to each family of the community, describing the progress that has been made on the project to date and also tells of the plans for the coming year, will be mailed during the coming week. It is hoped that the people of the community will be in a generous mood when their letter arrives.

When the electricity is installed at the park, then the picnic area will be ready for use by the public. The picnic shelter will accommodate approximately 120 people. There will be no charge for the use of the park. Plans include additional playground equipment. Our playground, when completed, will be the best equipped playground of any in this section.

It was also announced that a turkey supper, another one of those all you can eat affairs, will be held in the Municipal building on Saturday, March 3, 1951 for the benefit of the Park Association. It is sincerely hoped that the community will patronize this dinner and make this money raising activity a success.

CUB PACK HOLDS DINNER

Cub Pack No. 714, their parents and guests gathered at Toney Inn, Thursday evening, Feb. 22, for their first annual Blue and Gold dinner. Decorations, name cards and favors, all made by the Cubs, were in blue and gold, the Cub colors and in keeping with Washington's birthday.

After partaking of the delicious dinner the group led in group singing by Cub Sonny Eyer. Following the welcome by Johnny Ommert, the guests were introduced by the Cub Master Felix Westine. Among the guests were the Cub's parents and families, Rev. and Mrs. Glenn Stahl, daughter, Cheryl Lane; Mr. and Mrs. Duncan McIntosh, daughter Betty; President of the sponsoring Brotherhood, Mr. Franklin Fair and his wife, Mrs. Ernest Dunbar, Mr. and Mrs. Fred Dunbar, the pack committee members and their wives and the Scoutmaster of the local Scout troop Wilbur Thomas, Leon Fritz introduced the Cubs Ronald Hopkins, Richard Clingan, Eugene Eyer, Leon Fritz, Peter Westine, Johnny Ommert, himself, and recent Past-Cub, Robert Clingan. Robert Lambert was absent.

Ronald Putman led the group in the salute to the flag, Mr. Duncan McIntosh, district scout field executive then gave a few remarks. Richard and Robert Clingan sang a negro spiritual and Peter Westine and Ronald Hopkins rendered a trumpet duet.

Mr. Ernest Dunbar, who was to be the guest speaker was unable to be present since he was confined to bed with a bad cold. He sent with his regrets the general text of his proposed speech, which was read by Mr. Westine. Mr. Westine then asked Mr. Fred Dunbar, Ernest's brother if he would care to make a few remarks. In Ernest's speech he told that in his younger days Fred was an ice-hockey player, an accomplished baseball catcher, a baseball coach, and that he set a bicycling record which has never been equaled.

Mr. Fred Dunbar told of his love of boys and his work with them. He also told of his recent trip to Florida and of his watching several ball games between the Kids and Cubs. The youngest member on either team was 83 and the oldest was 96. He said it was remarkable how these men could hit, run and field with speed and accuracy. Many of these men go down every winter just to play in these games. The program was concluded with the scouts benediction, led by Stanley King.

Cub Pack No. 714, in their first year, is sponsored by Trinity Lutheran Brotherhood.

AUXILIARY MEETING OF AMERICAN LEGION

The regular meeting of the Auxiliary of Hesson-Snyder Post met at the Legion Home on Tuesday evening with the president, Mrs. Ruth Fowler presiding. Two new members were taken in: Mrs. Emma Baker and Mrs. Margaret Simpson.

A number of the members will attend the Western Maryland District dinner and meeting March 4, at one o'clock, at Thurmont.

The dinner at the Firemen's building will be served by the Auxiliary on March 17 for the benefit of the Drum and Bugle Corps of the American Legion beginning serving at 3 o'clock. On March 8, at 8 o'clock, "Bud Messner and his Skyline Boys" will be at the Opera House. Further plans are on the way for the Minstrel show which will be given in the month of May. After all business was taken care of the meeting adjourned and there was a social between the Legion members and the Auxiliary members and friends in the drawing rooms.

SELLS REGISTERED ANIMAL

John Roy Speak, Taneytown, Md., recently sold a registered Holstein-Friesian bull to A. W. Altman, Le Gore, Md.

Change of ownership for this animal, "Albertville Snowball Burke-Roy" has been officially recorded by The Holstein-Friesian Association of America.

The Association issued 6107 registry and transfer certificates to Maryland breeders during 1950.

ANNAPOLIS LETTER FROM SENATOR HOFF

Compulsory Automobile Insurance Bill Now Before Legislature

To the Editor, Dear Sir:

MOUSE9 BILL 118 was introduced for the purpose of requiring all automobile owners to carry insurance to the extent of \$1,000 for property damage and \$500 for personal injuries. This Bill closely follows the Massachusetts law that was passed some years ago.

This is not the first time that this proposal has been considered by the Maryland Legislature. At the time of the adoption of our present law, which permits the operation of an uninsured motor vehicle until there has been one accident, there was some demand for the passage of a compulsory insurance law.

I doubt very much that House Bill 118 will be passed. The experience in Massachusetts has been such that all other states have refrained from passing a similar law. The effect of the law has been to skyrocket automobile insurance rates and to greatly increase the accident rate. Evidently drivers are more prone to take risks when they know that all other vehicles are insured.

Though our present law does not in all instances afford protection to those suffering damage or injury in an automobile accident it does provide for a reasonable degree of protection and is generally regarded as a satisfactory and adequate law.

Insurance agents, the group who would profit most from a compulsory insurance law, are the most outspoken group opposing its adoption.

CARROLL COUNTY TRIAL MAGISTRATE

A Bill has been introduced in the Senate to eliminate the Roving Magistrate in Carroll County and have his present duties performed by a single Trial Magistrate.

The Bill reads as follows: There shall be one trial magistrate who shall sit at Westminster and receive an annual salary of Thirty-six Hundred Dollars (\$3600.00). He shall be present in his courtroom for the trial of cases and the performance of his duties between the hours of 9 a. m. and 12 o'clock noon, and between 1 p. m. and 4 p. m., each day, except Sundays and legal holidays, and except on Saturdays when he shall be present between the hours of 9 a. m. and 12 o'clock noon; provided further that said trial magistrate shall sit at Manchester, Mt. Airy, Taneytown, Union Bridge, and Sykesville at such times as may reasonably be necessary or expedient as the public business may require.

When the Trial Magistrate system was studied by the Urner Commission in 1931 it was recommended that there should be only one Trial Magistrate for Carroll County. For political reasons a second Trial Magistrate was provided for in the law and the several attempts since 1939 to amend this law have been vetoed.

NEW WINDSOR CORPORATE LIMITS

The present corporate limits of the Town of New Windsor were established by a survey prior to 1900 and since that there have been several disputes over the location of these boundaries. In order to obtain a more definite description of the Town limits a new survey has been made, following as nearly as possible the existing lines.

A Senate Bill has been introduced to substitute the newly surveyed boundaries for the older indefinite lines. No attempt is being made to enlarge the size of the town.

WESTMINSTER TAX LIMIT RAISED

A Senate Bill has been introduced to permit the Mayor and Common Council of Westminster to levy a "general tax" up to one dollar on each one hundred dollars. The present general tax limit is set at fifty-five cents.

In the past the general tax of 55 cents was supplemented by special taxes to pay the interest on and to reduce the bonded indebtedness of the town. As these bonds are being retired and the amount of required interest reduced the town is in a position to levy less "special taxes" and higher "general taxes" without increasing the overall tax rate.

The use of higher "general tax" rates will permit the town to operate on a "pay as you go" plan in carrying out its program of city improvements.

TANEYTOWN MOVIE BILL AMENDED

The "Sunday Movie" Bill for Taneytown as originally introduced, provided for a referendum to be voted upon at the regular town election in 1952. At the request of the town officials this question will be voted upon at the town election to be held on the first Monday in June, 1951.

Until next week, I am, Sincerely,
STANFORD HOFF.

Taneytown has been without a postmaster since the death of the late John O. N. Crapster whose sudden death occurred June 7, 1938. The affairs since that date were in the capable hands of James F. Burke who served in the capacity of acting Postmaster. Last week President Truman presented Mr. Burke's name to the U. S. Senate for confirmation as postmaster for Taneytown.

SCHOOL NEWS

Meeting of the P-T-A. of Elementary Grades Held

The regular February meeting of the Elementary school PTA was held on Tuesday, Feb. 20, at 7:30. Invocation was given by Rev. Charles Owen after which the meeting was called to order by Mr. Singleton Remsburg, president. The treasurer's report showed a paid membership of 205 members and a balance in the treasury of \$203.75. It was brought to the attention of the group that the Magazine "The National Parent-Teacher" could be received for \$1.25 a year. A committee composed of Rev. Morgan Andreas, Mrs. Robert Clingan and Mrs. Ralph Stoner was appointed to promote the use of this publication. School announcements were made concerning the use of the monthly menus sent home and patrons were encouraged to support the school publication by sponsoring a book. It was announced that the sixth grade has been invited to demonstrate folk dancing at the Elementary Principals Conference in Baltimore on March 29. The program was provided by the sixth grade featuring a radio play entitled "A Day at Valley Forge", and several musical numbers by the sixth grade mixed chorus. A film "The power behind the Nation" was shown, which emphasized the many things of which Americans can be proud.

The Elementary School Student Council is starting a campaign on courtesy for the week of March 5 to 9, with Ralph Gordon in charge of the committee. A courtesy suggestion box will be placed on each floor, and posters will be placed on all bulletin boards. A clean-up ground committee has also been appointed to help keep the school tidy. The council recently sponsored the film "power behind the Nation" which was shown to the entire student body.

As part of the school lunch program, a short period of recreation and relaxation has been provided after lunch, during which various musical and rhythmic programs are presented by all grades. This week Grades 1-3 have presented a talent show, with different groups performing each day. Teachers and student council members have acted as judges. Outstanding were piano solos by Mike Wildasin and Peggy Kiser and a dramatization of "The Thing" by Miss Case's third grade.

Recent visitors to the school included Mrs. Mildred Harris, school lunch manager of the Charles Carroll school, and eight members of her home economics class. They observed the school lunch program, being particularly interested in the host and hostess system and the numerous methods of teaching social grace and etiquette.

TANEYTOWN H. S. NEWS

The 11th grade of Taneytown High school held a patriotic assembly on Wednesday, Feb. 21, in honor of Washington and Lincoln. As is customary the program was opened by Jean Wantz, who read the scripture and led the Lord's Prayer and the flag salute. A short play was presented by the girls of 11-A entitled "The Nations Gratitude". This was followed by a military tap dance by Doris Jean Martin and a quartet of Wanda Mehring, Jean Wantz, Dotty Morelock, and Diane Thomas, who sang, "This is My Country."

A short play was then given by the boys of 11-A based on the life of Lincoln. The program was concluded by a short play "Truth for a Day" which was given by the girls of 11-C.

The Parent Group meeting that was scheduled to meet Feb. 21, 1951 in the auditorium for the purpose of discussing "Should Agriculture Be Taught in the Taneytown High School" has been postponed until a later date. Notice of another meeting date will be given later.

The Key Club held their weekly meeting on Tuesday, Feb. 20. They had as their guests this week Mr. Albert Baldwin and Mr. Harry Mohney.

A bake sale is being held in the Firemen's building on Feb. 23. The sale is being sponsored by the Junior class of Taneytown High School. The sale will be held from 3:30 to 6:30.

The project the Student Council has been working on that of opening the portable as a recreation room, has been completed. The equipment thus far is two ping-pong tables, a phonograph, records, and a few card tables.

For the first time in many years ball team. This team has showed a great deal of ability, they have played successfully against the teams of Union Bridge, Littlestown and Hampstead. The Hampstead Junior High team will play the Taneytown Junior team on Friday, Feb. 23 at 6:30 p. m. This team is coached by Mr. Bart Norman.

FIRE COMPANY NEWS

The Taneytown Fire Company wishes to express their thanks to all who helped to make their annual supper a success.

In the last few years a number of large roasters have been loaned out and not returned. The loss of these roasters puts a great hardship on the company when they hold suppers. We would appreciate it very much if any person having one of these roasters would return same to the Firemen's building.

If any person in the community has a large roaster and has no further use for it and wishes to donate it to the Fire Company it would be greatly appreciated.

PROCEEDINGS OF THE BOARD OF EDUCATION

Many Needs of the County Schools Outlined

The Board of Education of Carroll County met in regular session on February 15, 1951 in the offices of the Board of Education. The Board considered the minutes and the bills and gave approval to these routine items. The Board considered the report made by the superintendent on a recent meeting of the superintendents of the state held in Frederick Maryland as well as other conferences at which the problems confronting the school officials of the state had been discussed and decisions reached as the proper course of action at this time. In this connection the Board considered a report of the State Superintendent, Dr. Thomas G. Pullen, and directed that a statement be given to the newspapers of the county as having been approved by the Board of Education under date of February 15, 1951, dealing with the problem of school facilities; teachers' salaries. The superintendent was directed to issue this statement to the county press.

The Board entertained a delegation from the Manchester school at this time consisting of the president of the Parent-Teacher Association, Mr. Earl Yingling, the principal of the school, Mr. Fred Engle; Mr. Clifton Warner, Mr. Austin Perego, Mr. Edgar Sellers, Mr. Eugene Weaver and Mr. Glenn McGrew. This delegation presented the serious problems confronting the Manchester community with respect of the housing of the elementary and high school pupils for next year. This committee was advised that the Board of Education was aware of the serious problems at Manchester and that all possible steps were being taken at this time to secure funds necessary to improve conditions. In this connection it was stated that the continuing increase in enrollment in the Manchester school and in Sykesville school had made the members of the Board of Education and the administrative officers aware of the problems which would be encountered in 1951-52. The Board expressed its appreciation to the group for its interest and requested the help of the committee in bringing about any legislation or other appropriate action which would make possible completion of the building program.

The Board directed that a letter be written to the county representatives in the legislature and to the county commissioners calling their attention to the problems now existing in connection with the buildings and personnel for the school year 1951-52 requesting the support of the state aid for school buildings and teachers' salaries.

The Board considered the requests for library and instructional aid from several county schools and appropriate action was taken on these requests.

The Board considered correspondence related to the school budget for 1951-52 and directed that replies be made to the settlement of some items in the budget.

The Board accepted the resignations of Mrs. Margaret Strine, Winfield Elementary School; Mr. Richard Houck, Mount Airy School; Mr. Arthur Neal, Robert Moton School; Mrs. Mary L. Marshall, Hampstead Elementary school and Edward Seemer. The Board approved the appointment for the remainder of the school year of Crawford Ervin to the Taneytown High school; Gustavus Sieverts to the Mount Airy High school; Mrs. Christine Bobo to the Charles Carroll Elementary school; Mrs. Eva Will to the Winfield Elementary School; Mr. Philip Warner to the Mount Airy High school; Paul Hutchinson to the Robert Moton High school.

The attention of the Board was called to considerable correspondence from civic organizations and parent-teacher associations related to the need for improvement in school facilities at various sections of the county. The superintendent was directed to make reply to those communications along the lines indicated in the approval statement.

The Board heard a brief report from the superintendent regarding the professional meeting of teachers which had been held on Friday, Feb. 9, 1951 at which time all of the teachers in the county had been assembled for professional study on school problems.

The attention of the Board was directed to the requests from many individuals and groups regarding the introduction of vocational agriculture into the high schools. The Board directed that a statement be made in this connection as early as possible stating that the Board of Education is favorable to the introduction of agricultural courses as soon as qualified teachers can be secured, proper building facilities be provided, and a sufficient number of boys recruited in any one school to justify the establishment of the course.

The Board briefly considered a report from the School Lunch Supervisor from the State Department of Health regarding the cafeteria operations in the schools of the county. Notice was taken of the fact that the Supervisor of school lunches had reported that tremendous improvement had taken place in the school lunch program during the past three years. She further reported that facilities in the existing schools have been ex-

THIS 'N' THAT

(Your Chatty Column)
With all my heart, I wish you every morning

A smile that shall last until the next day's dawning

I wish you health—life's greatest wealth!

I wish you always near so that I may help to cheer

Each future day and in some way—help to bring you happiness!

A very nice gesture about our Governor was the day he took his oath of office when he remembered the Bible on which the oath was taken and quickly stepped back and picked it up, placing it under his arm before leaving the platform. Two Bibles were presented to him for that very special occasion. It was a most personal touch which Your Observer admired. That is the reason I was always an admirer of Franklin D. Roosevelt because he was so intensely personal. His genuine affection for people was his most conspicuous characteristic. He was a real friend! When he smiled nothing was artificial, it was most sincere always which reflected his inner warmth! This correspondent will always regret never having clasped his hand!

Years ago upon entering any Dr's office one of the very first things after hearing about an ailment was to gaze upon the finger nails of the patient!

Did you know the producer of the recent Pageant at the Lutheran church is the daughter of a Professor and a Methodist Minister? (Now passed on.)

ALUMNI CONDUCTING MEMBERSHIP DRIVE

The Taneytown High School Alumni Association met in the High school on Monday evening, Feb. 19, at 8 P. M. The Association decided to launch a membership drive and try to reach the goal which was set at 75 paid members by the next meeting which is March 19. Those present were furnished with extra membership cards to make it still more convenient for Alumni to join. These are reminded that when they accept dues from anyone they get their name, address and year of graduation in a report to the secretary. All Alumni are urged to get their dues in as soon as possible to Anna Sanders who is in charge of the drive, so that the goal may be attained. The Secretary sent 250 annual reports so far, which represents the number on their mailing list.

A report was then heard from the business manager and coach of the basketball teams. The Girls have won 3 and lost 3 games while the Boys won 3 and lost 5. Since the High School auditorium will not be available for any more games the Alumni will have only 2 more home games. The first will be Wednesday evening when they play Gettysburg and the other will match the High School and Alumni teams. Watch your paper for the date of this, your last chance to see both your home teams in action. It was also reported that both teams now have their new uniforms.

After much discussion upon the awards which are given to graduates by the association the group decided to give awards for sportsmanship in the Athletic activities. These awards will be given to the girl and boy who showed the greatest amount of sportsmanship in games since this is a highly desired virtue and deserves some recognition. Those to receive the awards will be selected by the faculty. Mary Clingan and George Sauble were appointed to select trophies.

Reports were given concerning the play which the Alumni will present. Mrs. John Harner, chairman to the general committee reported that one sample had been received long overdue and that due to the railroad strike it was doubtful if the other books would arrive in time to compare. She told the plot of the story and all agreed that it should be very interesting and humorous, but final decision was left to the committee. Tentative dates of March 29 and 30 were set for presentation. The general committee is: Mrs. John Harner, Mrs. Elwood Harner, Miss Helen Bankard and Mrs. Virginia Sanders. The director will be Mrs. Gilbert Stine.

The annual banquet which will be held June 9, was then discussed. A committee of Elizabeth Baumgardner, Murray Baumgardner and Shirley King was appointed to decide upon the menu and give the banquet out to bids. It was decided to invite the teachers in the Taneytown High and Elementary schools to the banquet this year. Mrs. Charlotte Shorb, Edmund Morrison and Francis Myers were appointed to get the prices of the good orchestras which might be available for the banquet. Interested members of classes which will be celebrating their fifth, tenth, fifteenth etc. anniversary are urged to try and have their class celebration in connection with the banquet and reserve a table for themselves.

The terrible condition of the parking and bus-loading lot adjoining the school was pointed out. The lot needed stoning or something to keep the children from tracking mud all thru the school and also into the buses. Elwood Baumgardner and Edward Sell were appointed to see if it had been reported and steps were being taken to improve the situation. (It has already been partially remedied.)

After the meeting plenty of delicious refreshments in keeping with Valentine's day were served by Mr. and Mrs. Edward Sell.

CONTRADICTING THE CRITICS

Folks sometimes tell us that "nobody reads newspapers, books, or advertising" any more.

Because we live today in such a fast-moving age, recently made more complex by introduction of television to the American home, such people seem to think the average citizen has little time to read—and even less time to remember what he does read.

It is interesting to note, therefore, that a recent National survey conducted by a group of American match manufacturers shows that more than one-third of the people who carry book matches are able to recall the printed message or advertising on their match book covers.

A match book is admittedly a little thing, and matches have become such an integral part of our daily existence (500 billion lighted each year in the United States) that we naturally are inclined to take them for granted. Yet 36.6 per cent of the 3,655 men and women interviewed correctly identified—without prompting or peeking—advertising on the match books in their pockets. An amazingly high "recall", authorities say.

This study by the match industry throws "new light" on the impact of advertising, and refutes the pessimist's saying that "nobody ever reads the ads."

Another recent study, on readership of newspaper advertising, is equally convincing. It shows that advertisements in weeklies and small city dailies have seven times as many readers as similar advertisements in the metropolitan press. There are reasons, of course. Papers such as ours are not so bulky, they are read leisurely rather than "on the run," they are kept in the home for several days, and each copy is read by several members of the family.

All of which proves that a good advertisement, of a good product or service, will attract readers—no matter how busy they are—and that all advertising media have their place in our present day economy.—J. E. Jones.

BOARD OF EDUCATION

(Continued from first page)
 panded and special equipment had been provided in many new schools. The standards of food service show marked improvement resulting from continuous permanent training under the school lunch supervisor. The school lunch in Carroll county is providing valuable learning experiences for children contributing significantly to their general education and health. The attention of the Board was also called to the completion of the 1950 school census in Carroll county at which time 14,124 children under 21 years of age had been enumerated 13,338 of these being white and 786 colored. Of this number 7,248 were boys and 6,876 were girls. The school census shows a growth of 217 children over the number enumerated in 1948. It is significant that the age groups from one to ten are much larger than the age groups from ten to twenty indicating an increase in the birth rate.

The Board urged that all possible publicity be given to the problems confronting the Carroll County school board as well as the other school boards throughout the state at this time and that sincere appeal be made to citizens of civic organizations to lend their support to the school program and any legislation which may be introduced for its betterment. Mr. Clyde L. Hesson, the President of the Board of Education of Taneytown presided at the meeting. The meeting adjourned at 10 P. M.

At this meeting on Feb. 15, 1951 the Board of Education considered the problems confronting the Board in the operation of schools during the remainder of the current school year and during the school year 1951-52 and the years to follow. After consideration the Board directed that the following statement be submitted to the county press and that copies be sent to the officers of the parent-teachers associations, to the County Commissioners; the representatives of the county in the State Legislature.

1. The Board of Education of Carroll county has carried forward the building program for the schools of the county during the school years 1947 to 1950 and this program is not at the present time complete and will not be complete unless additional State Aid for buildings is provided or the county tax rate is increased to provide funds for additional buildings.

2. In connection with the problem of buildings it may be stated that at all of the high school centers in the county facilities for adequate program in physical education, and auditorium activities do not exist by reason of the fact that increases in enrollment have them too small and not adequate for the purposes mentioned.

3. One of the county centers is not provided with auditorium facilities of any type.

4. Two of the elementary school centers in the county are already overcrowded to the extent that the enrollment for next year cannot be accommodated.

5. Due to the rising cost of living teachers are underpaid and many will leave the service in order to earn better pay in other occupations.

6. Public library facilities in Carroll county are at the present time non-existent.

7. Due to the age of the buildings and to the maximum use to which they have been put they are at the present time greatly in need of improvement in equipment, improvement to playgrounds and general improvement to facilities.

It is felt by the Board of Education that citizens should be made aware of the fact that unless building operations are continued the children of Carroll county will not be adequately housed or educated. They should be made conscious of the fact that the building program can be continued and can be promoted only if state support is provided or local support increased. It should also be impressed upon them unless action is taken to increase teachers' salaries good teachers will leave the service and the quality of education will suffer. The Board of Education considers at this time that these statements need to be emphasized for public information. Every effort made by all groups concerned to see that continued support is provided for the public schools and the activities associated therewith.

"GIVE ME THIS '51 DODGE for long life...dependability"

Here's why Dodge delivers more miles per dollar

EVERYTHING about this great new '51 Dodge—the way it looks, feels, rides and handles—tells you that here's a car that's built to last. It's a car that's stunning to look at, with plenty of head, leg and shoulder room—a car engineered from bumper to bumper to last longer, go farther at lower cost.

Spend 5 Minutes With Us
 Five short minutes behind the wheel will tell you why this is the car for you—for the years ahead. You'll find that the new Oriflow

Shock Absorbers not only give you a truly new kind of ride—but the resulting smoothness and freedom from wheel "hop" and "bounce" mean less car wear, prolong car life. Famous Dodge Fluid Drive, with its smoother starts and stops, "cushions" all moving parts from engine to rear wheels—adds to car life, saves tires, lowers costs.

Come In Today
 See how you could pay \$1,000 more for a car and still not get all the extra room and rugged dependability of this new '51 Dodge.

NEW KIND OF RIDE! New Oriflow shock absorbers let you float down roads so bad they stop other cars. Never before anything like it!

Jack Benny saves many a penny

... with his modern Electric Range!

Jack Benny, star of "THE JACK BENNY SHOW" heard every Sunday over CBS, coast to coast

"The mythical Jack Benny of the radio isn't really stingy—he merely hates to spend money," says Mrs. Benny (Mary Livingstone to all her radio fans), "but although the real Jack Benny is most generous, he still considers our Electric Range real economy."

Sure—you have economical operation with the modern Electric Range—but that's only one feature. It's almost human—different from any range you've ever tried. You don't guess at the cooking heat. Flip a switch, and you get just the heat you need. You don't peek or watch while things are in the oven. You know the automatic controls are doing that for you. Nothing new to learn—except how much better, how much easier cooking can be when you have a modern Electric Range. You can learn all about it at your dealer's!

8 Good Reasons Why You Need an Electric Range

Better cooking results
 It's clean • It's easy to use
 It's thrifty • It's cool • It's fast
 It's automatic • It's modern

The only way to enjoy all these benefits is to have an Electric Range. No matter what make you choose, be sure it's ELECTRIC, and you're sure of having a really modern automatic range!

APPLE CRUMB PIE Jack Benny's delight

7 cups peeled, sliced apples 1 teaspoon cinnamon
 1/2 cup orange juice 1/2 teaspoon nutmeg
 1/2 cup brown sugar, firmly packed 1/4 teaspoon salt
 1/2 cup granulated sugar 3/4 cup sifted, enriched flour
 1 tablespoon grated orange rind 1/2 cup butter or margarine
 Whipped cream

Place apples in greased deep pie pan; add orange juice. Combine sugars, orange rind, spices, salt and flour. Cut in butter or margarine with 2 knives or pastry blender. Spread over apples. Bake in moderate oven, 350°F. 1 hour. Top each serving with flavored and sweetened whipped cream. Yield: 6 to 8 servings.

FRIZELLBURG

We were shocked and sorry to hear of the death of Rev. Clarence O. Sullivan, Feb. 18, pastor of the Parkway Church of God, Frederick. Clarence was the eldest son of Mrs. Mazie Sullivan and the late William Sullivan, this place. He is survived by his mother, his wife Mrs. Mary Hailey Sullivan; two sons Donald and Ray, one brother Wilbur Sullivan, Westminster and two sisters, Mrs. John Berwager, this place and Mrs. Ernest Jones, Baltimore. The church was filled to overflowing for the funeral services, Wednesday afternoon at the Church of God this place, conducted by Rev. J. H. Hoch and burial in Baust church cemetery. Funeral directors, C. O. Fuss and son, Rev. Hoch took for his sermon topic: "For Me to Live is Christ and to die is Gain," found in Philippians 1:21. Pastors of the Eldership sang the following hymns, "Lead Kindly Light," "Some Golden Daybreak" and "Beyond the Sunset." Rev. Hoch in his message told of the sermon that Clarence had prepared to preach to his Parkway congregation the morning that he was called to be with the Lord. Topic was "How Can we know Christ Better." The floral tributes were many and beautiful. We extend to the bereaved family our heartfelt sympathy.

"There is no death in heaven, For they who gain that shore Have won their immortality, And they can die no more."

The Baust Girls 4-H Club met recently at the home of Miss LaDonna Myers. The program consisted of group singing, "Old Folks at Home"; 4-H Pledge; a piano solo by Virginia Baust and the group sang "Tell Me Why." A demonstration on "Breakfast Muffins" was given by LaDonna Myers and judged by the club. The project demonstration was given by the local leader, Mrs. Russell Frock, on various kinds of "Needle Arts." The members then learned to make different kinds of embroidery stitches. Refreshments were served by the hostess. The table was beautifully decorated for Valentine's day.

Mr. and Mrs. Norman Myers, daughter LaDonna and son Eddie, and Mrs. Mattie Myers were recently entertained to dinner at the home of Mr. and Mrs. Norman Myers, Jr., of Baltimore.

What does Russia have that America doesn't have? The health ministry organ "Medical Worker" claimed that Russia has 10,000 citizens more than 100 years old. The oldest man 154, Masmir Kint, the oldest woman Turkmenian Khanum, 127.

"Many a man who wants to change the world can't change a \$5.00 bill." "A miser is a man who, when told he is drawing his last breath, holds it. A spendthrift in the same predicament tries to breathe out twice."

Points on Living. "Try to live for one week without grumbling. Be severe with yourself, but gentle with other folks. The men who master situations master themselves first. Where there is darkness be a light; where there is a desert be a fountain; where there is need be a giver; where there is trouble be a peacemaker; such are the children of God."

HARNEY

FEESERSBURG

This is Brotherhood week. The motto for this week could well be the one used by Father Flanagan when he built the world-famous Boys Home in Boys Town, Nebraska. The seven words have become as well known as the Boys Home itself. "He ain't heavy, Father. He's my brother!"

These seven words carry a deep and inspiring message for all of us. One can barely imagine the miraculous results if each one of us could live these words out. Think what it would mean to this tired and disillusioned world if we would share each other's burdens, reach out a hand to help in time of trouble, share our abundance with those who have nothing and really believe in our hearts that we are our brother's keeper. Yes, I know this is idealism and there are many who tell us that this is no age for idealists. But every era has had men and women who kept their visions and faith in spite of ridicule, and this century will be no different. Some time in the future every man, woman and child of every race, creed, color or conviction will come to accept and live under the principle of Brotherhood.

When we celebrate Easter on March 25 this year it will be the earliest observance of the holiday in the second half of the 20th century. The world will have to wait until the year 2008 to celebrate it earlier. That year it will be on March 23rd, according to computations at the Adler Planetarium, Chicago. The last time it was on March 23 was in 1913.

Although Easter has come to be associated with bunnies, colored eggs and spring fashions, it primarily is a religious feast day. It commemorates the resurrection of Christ on the third day after Calvary. As a religious feast it is governed by the ecclesiastical calendar and is movable, unlike Christmas which always falls on December 25. Easter can be as early as March 22 and as late as April 25, a variation of 35 days. The method of fixing the time of Easter is complicated, and dates back to 325 A. D. In that year the council of Christian churches met at Nicea, in Asia Minor. Besides setting forth the Nicene Creed (a summary of the belief in the divinity of Christ) the councilors decided that Easter should be the first Sunday after the paschal full moon, which occurs upon, or next after, March 21, the vernal equinox. Travel underlay this decision. In early times Easter was a day of great celebration in big cities, and pilgrims journeyed on foot or in crude transports to take part. They needed moonlight to help them find their way at night, so the reckoning of the East-

ter date was worked out for their convenience.

The recent storm that swept the northeastern United States caused the third highest insurance damage in our history. It ranks third to the Chicago fire of 1871 and the San Francisco fire of 1906.

In 1940 it took 24 steers to equal the price of a high-grade automobile; in 1950 the same make model of car could be purchased for the price of 9 steers. This proves something or other—what I don't exactly know unless one should go into the business of raising steers.

Mrs. John S. Fine, wife of the Governor of our neighboring state Pennsylvania is "recovering satisfactorily" from two brain operations. She underwent the operations last Thursday at the University of Pennsylvania Hospital, in Philadelphia.

I doubt if anyone can remember when Carroll county's dirt roads were in a worse condition. They are so bad that the mailman cannot deliver the mail and if any one living on them needs a doctor or vet, they must furnish the transportation, preferably by ox cart. These new cars are mighty fine on super highways, but give me an old model A Ford to plow through the red mud of Carroll county.

The absent minded Professor drove along side his house. He glanced into his empty garage, and gasped, leaped back into his car, raced to his insurance agent's office and reported excitedly: "My car's been stolen again!"

Mr. Charles Godman, of Baltimore, spent Sunday with Mr. and Mrs. William Holbrook.

New Windsor leads all the other districts in Carroll county for the money collected in the recent March of Dimes campaign. It practically tripled its collection over last year with the sum of \$922.82. This is the most outstanding report of the county and the chairman and committee of New Windsor deserves a word of praise from all of Carroll county.

The complete report on the 1951 March of Dimes campaign for all of Carroll county will be made by the director, Mrs. Gladys Wimer at a special meeting tonight (Tuesday) in Westminster. The goal this year was \$10,000 but will not be reached. However, an increase of a \$1000 over last year has been made. The splendid cooperation shown in the schools over the county has been materially helpful in increasing the funds. The total collection in the schools reached \$1,310.22, more than \$300 over last year's drive.

Mr. and Mrs. Paul Crouse and daughter, Deanne are ill with the grippe.

Dinner guests of Mr. and Mrs. Harry Buffington, on Sunday were: Mr. and Mrs. William Leitz, Baltimore.

Mr. and Mrs. Emmert Miller, of Keymar and Mr. and Mrs. Cleon Wolfe were Sunday visitors of Mr. and Mrs. Russell Wetzel, New Windsor.

The story of the week was that of Joseph Holmes who burrowed his way to freedom from the Maryland Penitentiary through a 70 foot tunnel which took him two years to dig. He moved and some how disposed of five tons of clay. It's too bad that his talent and perseverance weren't used toward some worthwhile trade instead of robbery but maybe he wasn't entirely to blame. Maybe racial prejudice kept him from pursuing some useful work until frustration drove him to robbery. Maybe if we understood human nature a little better we wouldn't be so quick to judge others.

This leads me right to the book called "Understanding Human Nature" by Alfred Adler. I want to quote just one paragraph: "A real appreciation for human nature, in the face of our inadequate education today, will be gained only by one class of human beings. These are the contrite sinners, either those who have been in the whirlpool of psychic life, entangled in all its mistakes and errors, and saved themselves out of it or those who have been close to it and felt its current touching them. The best known of the human soul will be the one who has lived through passions himself. The contrite sinner seems as valuable a type in our day and age as he was in the days when the great religions developed. He stands much higher than a thousand righteous ones."

And to end this column on a lighter vein grandmother use to say, "Live far enough away from your daughter-in-law that you have to dress up when you go to visit her."

SURPRISE PARTY

A surprise party was held at the home of Mr. and Mrs. Raymo Fogle, Baltimore St., Taneytown, Feb. 8, in honor of their son, Fred's 18th birthday. Those present were: Mr. and Mrs. Mehrie Feeser, Lois Clingan, Robert Royer, Barbara Turner, Nancy Jainer, Mildred Reinaman, Treva Reinaman, Sue Ellen Fogle, Arlene Fair, Paul Feeser, Harry Buffington, H. Mort, Fred Fogle, Mr. and Mrs. Raymo Fogle and Mrs. Harry Welty. The evening was spent in dancing. Refreshments were served including a three-tier birthday cake.

WINTER FISHING FESTIVAL PLANNED

Houghton Lake—Tipuptown, the recently founded ice-fishing village on Houghton Lake, Michigan, is planned to stage its first annual winter fishing festival.

The program will feature a tug-of-war on the ice between Michigan and Indiana anglers, a fishing contest, a dance at the new gymnasium at the high school, and selection of a Tipuptown queen.

A Michigan game fish exhibition will be set up in the school gymnasium, according to Robert Sweet, general festival chairman.

The ice fishing village has its own set of officers that were elected at the village naming party held here recently. They are: Mayor Ralph Wenig and Marshal, Tom Botsford.

IS ANOTHER HOSPITAL NECESSARY?

In last week's issue of the Union Bridge Pilot, an article concerning the proposed hospital for Westminster, stated:

"Senate Bill No. 93 now in the Maryland Legislature, to authorize the Carroll County Commissioners to assess the people of the county \$50,000 a year until \$150,000 is raised to match a gift of \$100,000 from Scott S. Bair of Westminster and \$50,000 expected from other citizens, to build a hospital at Westminster, has caused some reaction in parts of the county, in spite of the humanitarian project intended.

The cost of constructing a hospital is only the first cost, it must be manned by well-paid doctors and nurses, and as most everyone knows, in spite of the high, often seemingly exorbitant, costs of being a patient in one, very few if any are self-supporting.

A few years ago, Frederick Memorial hospital conducted a drive for over \$600,000 to enlarge its facilities by only 25 beds and add new equipment. By the time the money was in hand and bids were asked they found they had to revise their plans as the amount was not enough to build them as they had first contemplated. Union Bridge and Mt. Airy districts each subscribed and paid about \$24,000 to the project, because they are only about a half hours' riding time from that place. Also, we are only about one and one-half hours' traveling time from Baltimore to the best hospitals in the state where can be had the best trained doctors and nurses anywhere in the nation.

Some are wondering how much the maintenance cost of such a hospital would be and how would it be raised annually—would it come from the taxpayers of the county or would it be necessary to have a public financial drive every year or so? Would it not be better to have a first-class county health department that the county could perhaps finance rather than a half-supported hospital that people who have the means would shun? What do you think? Let your representatives know, or we would be glad to publish your opinions."

TANEYTOWN SUNDAY MOVIES REFERENDUM BILL PASSES

A bill to provide a referendum on Sunday movies in Taneytown passed the State Senate Monday and moved to the House of Delegates. Other Carroll county legislation introduced by Senator Hoff which the Senate approved Monday: Remove statutory salaries of the tax collector and assistant tax collector of Carroll county and authorize the County Commissioners to set the salaries.

DIED

HOWARD P. HULL
Mr. Howard Penn Hull of Avondale was born Nov. 29, 1870 in Carroll County, Md., died at Maryland University Hospital, Baltimore, Feb. 12, 1951; aged 80 years, 2 months and 12 days. He was a son of the late William Henry and Elizabeth Penn Hull, and was never married.

Surviving is a sister, Miss Florence Hull, at home. He was a very loyal and most consistent member of the Church of the Brethren; and was always willing to help any good cause. He contributed liberally toward the building of a number of church buildings. He was held in much esteem by his neighbors, and was counted as one of the most successful farmers in the state. He served longer than any other member of the Meadow Branch Church Cemetery Board, and was still an active member of that Board, at the time of his death.

All services were held in his large brick residence at Avondale, Rev. William E. Roop, officiated, assisted by Rev. G. A. Early and H. Gardner, of Westminster. H. Bankard and Son, Funeral directors. The pallbearers were Arthur Nail, Walter Lee, Ralph Robertson, Wilbur Shreeve, Charles Stair and Robert Gonder, Jr. Burial was made in the Meadow Branch Church cemetery.

REV. C. O. SULLIVAN
The Rev. Clarence O. Sullivan, 216 Carroll Parkway, Frederick, pastor of the Parkway Church of God and a native of Carroll county, died at 10:45 a. m. Sunday, Feb. 18 in the Frederick Memorial hospital.

Rev. Sullivan, who was 48, was in his usual health when he was awakened on Sunday morning and was preparing to go to his church for the services when he collapsed. A physician who was called directed that he be removed to the hospital.

The minister was a son of Mrs. Mazie Handley Sullivan, Frizellburg, and the late William G. Sullivan. He had been pastor of the Parkway church for the past ten years. He entered the ministry 39 years ago and had served also at the Germantown and Carrollton churches. He was chaplain of the Frederick Civitan Club and was affiliated with the Improved Order of Red Men, Patapsco, and the Knights of Pythias, Frizellburg. He had served as a guidance counselor in high schools for 19 years and at the time of his death was serving in that capacity at Lisbon High school. He was a member of the board of trustees of Findlay College, Findlay, Ohio and of the board of missions of the Maryland-Virginia eldership of the Church of God.

He is survived by his mother, his wife, Mrs. Mary Hailey Sullivan; two sons, Donald M. Sullivan, Frederick, and Ray Sullivan, at home; a brother, Wilbur Sullivan, Westminster, and 2 sisters, Mrs. John Berwager, Frizellburg, and Mrs. John Berwager, Frizellmore.

Funeral services were conducted Wednesday at 2 p. m. at the Frizellburg Church of God by the pastor, the Rev. J. H. Hoch. Burial was in Baust's cemetery. The body laid in state in the Parkway church, Frederick, from 10 a. m. to 1 p. m., Wednesday, C. O. Fuss & Son were the funeral directors in charge.

E. AND R. GRACEFUL WORKERS CLASS MEET

The Graceful Workers Class of Grace E. and R. church met at the home of Mrs. Edwina Welty, Feb. 15. There were 17 members and 1 visitor present. The meeting opened with the group singing "The Little Brown Church"; Mary Alice Rue read the Scripture as recorded in Psalm 7, followed by the Lord's Prayer in unison. The group sang "America" and "Onward Christian Soldiers" accompanied by Mrs. Jean Harman; Mary Alice Rue sang "Bless This House" accompanied by the piano by her mother, Mrs. Marian Rue. The President, Mrs. Ruth Holter took charge of the business meeting. The secretary read the minutes of the previous meeting and they were approved. The treasurer's report was given and accepted.

The Sunshine committee reported sending flowers to one member's family and Mrs. Nadine Feeser reported having placed flowers in the other vases of the church in honor of Mrs. Carrie Beall, for the effort she has made in the past to supply flowers for the church and arranging them. One bill was presented and ordered paid. Notes of appreciation were read from the Study and Sell families and from Mrs. Carrie Beall.

Plans for a food sale in the Fire hall on March 16, were discussed and the following committee was appointed. Mrs. Nadine Feeser, chairman, assisted by Freda Lambert, Catherine Clingan, Anna Motter. Motion was made and accepted to order more aluminum foil, it can be had from Marian Rue or any class member. Rainy day bags were distributed to each member, a penny to be deposited each rainy day. A vote was taken and it was decided to take the hostess to entertain each month in alphabetical order, the next meeting to be held March 15 at the home of Mildred Anders. Each member is requested to bring a decorated hat, with articles costing no more than 25 cents. These prizes will be awarded. Two games were conducted by Lydia Baldwin, Helen Nelson, Catherine Clingan and Maye Perry. The meeting adjourned and a social hour followed while Anna Motter entertained with popular piano selections. Refreshments were served.

NEWS OF OUR SERVICE MEN

Thomas L. Van Petten, seaman recruit, USN, son of Mr. and Mrs. L. B. Van Petten of Box 352, Taneytown is undergoing recruit training at the world's largest Naval Training Center, Great Lakes, Illinois.

Recruit training is the sharp break between the civilian and Naval life in which the new Navy man learns the fundamental principles of the Naval service.

In the course of his training the recruit is taught seamanship, Navy customs, terms, basic ordnance, gunnery, signaling and navigation.

Upon completion of his training the recruit is assigned either to units of the Fleet or to a service school for specialized training.

Reading, writing and arithmetic, Navy style, is pretty much the curriculum for Lt. (jg) John Leonard, USN, Taneytown, now enrolled as a member of the 1951 class at the Naval General Line School, Monterey, Calif.

All of the students are former Naval reserve officers who have transferred into the regular Navy as a career. The 10-month course, under the Holloway Plan, is designed to give them an education in Naval subjects along the lines of the U. S. Naval Academy curriculum.

AN UNUSUAL BUSINESS OPPORTUNITY IS AVAILABLE TO MEN NOW IN BUSINESS FOR THEMSELVES AND TO THOSE DESIRING TO CHANGE THEIR PRESENT EMPLOYMENT FOR A LARGER INCOME OPPORTUNITY

Would you appreciate a substantial business opportunity to earn \$10,000 a year? Did you earn \$10,000 last year (1950)? If you are interested read this detailed advertisement and arrange to be present for your personal interview promptly.

Men from all types of trades and work have come into our business and found permanent success—because they can build for themselves their own business with unlimited financial backing. If you want to see our successful men handling their own business you can—if you would like a similar opportunity to earn \$10,000 a year, every year, you have that opportunity now!

Here is a cross-section of men in our business. Here are their 1950 incomes—Did you do as well? H. A., a former shipping clerk, \$11,633.06; F. M., a former chain store manager, \$12,511.36; F. C., a former office clerk, \$11,404.41; J. A., a former leasing station attendant, \$9,810.39; R. N., an ex-farmer, \$12,035.20; K. G., a former sewing machine salesman, \$15,802.71; R. L., a former electrician, \$9,543.99; W. B., a retired farmer, \$10,951.54; J. D., a former machinist, \$9,915.29; O. M., a former mechanic, \$11,522.51; J. P., a former insurance agent, \$15,001.57; W. C., a 1930 university graduate, \$10,349.93; C. L., another June, 1950, university graduate, \$6,137.67; J. C., a third June graduate, earned over \$1,000 a month since he joined the business July 1; M. T., a former student, \$8,159.45; A. H., \$13,389.21.

Do not misunderstand this advertisement. This is not a get-rich-quick overnight business. You build your own business and your income will grow as you increase your volume of sales. Understand, clearly, this is not a definite offer to give you a business franchise, but merely an invitation to discuss our business, which I will gladly do with sincere men, without obligation on the part of either of us, at 11:00 A. M. Sharp, Tuesday morning, February 27, at my office, 1301 Cathedral Street, Baltimore, Md.

Families should keep an inventory of all durable goods. In case of a fire, tornado, explosion or theft, many families do not know exactly what to claim as a loss when the insurance adjuster calls on them. Better keep two copies—one at home, the other in a safety deposit box.

Fire losses in farm homes reach their peak during the winter heating season, according to specialist at the University of Maryland.

Why Pick on the Trucks?

Trucks DO pay their way

In the State of Maryland, motor trucks pay an equitable share of highway costs.

Trucks represent 15.7% of motor vehicle registration, while they pay 34.7% of the special highway taxes.

Other Transportation is Helped

Our State, counties and cities have long encouraged the progress of air, water and rail transport. Now, after 10 years of modern laws regulating trucks, they are attempting to restrict legally loaded trucks on the weight they can carry.

Restrictions will Cost YOU More

Everything you eat, wear, use or sell is carried all or part of the way by truck. If the State increases the cost of truck operation, you will pay more for everything you buy and sell.

Today's Needs are Greater

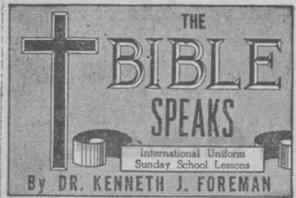

Our State and our Country never had a greater need of modern, prompt and economical transportation. For example, the U. S. Army now needs three times as much common carrier truck service as it did during World War II. And it is still growing!

Roads Can Be Built to Serve

Modern roads can be built to properly serve the needs of everyone. For example, Baltimore's new Friendship Airport runways support planes ten times as heavy as a big truck (and the cost per square yard is less than an average road). Older roads can be modernized for today's needs. Progress demands better roads for all purposes.

Why Should Maryland Go Backward?

Public demand has resulted in the progress of trucking. Common sense tells us that trucks are essential. Can Maryland afford to push the clock back ten years in these difficult days?

SCRIPTURE: Mark 9:2-50.
DEVOTIONAL READING: Isaiah 6: 1-8.

Glory and Service

Lesson for February 25, 1951

THERE ARE two sides of the Christian life that don't seem to mix. One of these we can call Glory. The very word suggests something not of this world; it calls up mystic visions, inner raptures, the light of heaven. We think of Saints and angels in glory, for that is where they belong. But we ourselves can have a bit of it here and now.

Dr. Foreman

When Glory Comes

NOT every Christian has an experience of glory in this life. But those who do, usually find that it comes only at rare intervals, when one is alone, after long and perhaps painful prayer.

Sometimes it is an actual experience of something like great and blinding light; sometimes a hearing of voices as from another shore; sometimes a feeling of unutterable peace and joy such as nothing in this world can give. Whatever form it takes, the experience we are calling "glory" is always connected in the mind and heart with the felt presence of God. It may come in church or it may not; it may come on a river at sunset or some golden night beneath the stars.

However it comes, one longs above all things for it to remain. And while it does remain, one wishes to hear no human voice.

When Service Calls

BUT the Christian life is not all glory, by any means. If the glory-side is spiritual, the service-side is material. If the glory cannot be shared, the whole idea of service is sharing. For moments of glory there can be no date nor schedule, no predicted time and place, but acts of service must often be done by calendar and clock.

Glory may not come to every one but service is the duty of all. Yet service, like glory, may come to us from without. At a time when one least expects it, one will be called on for a service one is scarce prepared to give.

Service calls us every day; weariness and pain may at times bar us from glory, but only the last weariness and the most disabling pain will disbar us from service. Glory may be for those far advanced in the spiritual life; service is for these too, but also for the beginners.

The Weaving of Gold and Grey

NOW the trouble is that glory and service seem to get in each other's way. We actually feel like different persons, in glory and in service.

Let us say on a morning in church, when the winter sun is streaming through the windows on the communion bread and wine, and in the silence the solemn words are heard once more: "This is my body, broken for you," one may feel, in Miss Millay's words,

"This moment is the best the world can give,
The tranquil blossom on the tortured stem."

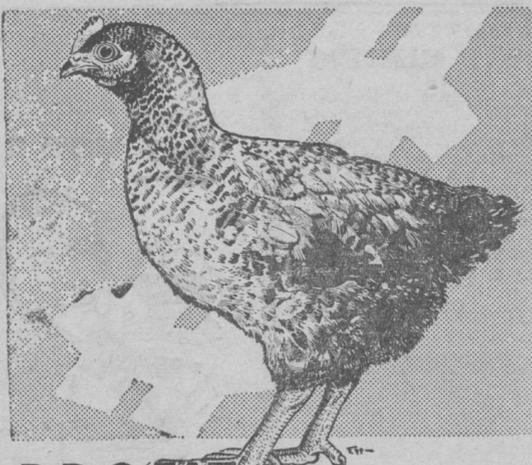

But the next day, when one is teaching a class of mischievous boys, or helping a neighbor fix a flat tire, or baby-sitting, or spading up a garden,—one does not feel like the same person. Can religion, the Christian religion, take in both glory and service?

Some Christians have thought not. Some have gone in for one, some for the other. Some live only for the high hours of worship and rapture, counting all the time between their radiant hours as "dark nights of the soul." Others leave worship to others; they are seldom to be found at communion, but they can always be counted on to help with church suppers or community chest drives.

Jesus showed us the better way. It is not a choice between glory and service; his life included both. He had his high moments, as on the Mount of Transfiguration; but they did not long remain. Presently he found himself down in the valley with disciples who did not understand him, and with demons hard to cast out.

Jesus took both sides of religion and made them one. There was glory in his service and there was service in his glory. (In the very hour of his transfiguration, did he not speak of his death?) The true Christian life, like that of Jesus, weaves the gold and the grey together, the shining gold of life's high moments, and the long-wearing grey of the years of service.

THIS 'N' THAT

(Continued from first page)

ried again to the man who takes the leading parts in all her movies.

I miss "Somebody's Mother" down on the highway approaching Westminster. In fact I have not seen her since last Summer.

Down in that quaint town, Your Observer saw a handsome bed spread called "Cottillion" which was made by one of the residents and it is for sale. The price is \$150.00.

There is a realtor down that way whose slogan is, "No Better Investment on the Earth than in the Earth!" Substantial! Eh?

That big ice cream company down there is some smart, too in his eye for business as his men are going around right now and gathering up the future customers for the summer months in this bitter weather even when the snow was on the ground! Umph!

There is a girl in Carroll county who will never marry the man of her heart because her father does not want her to do so! That's sumpin' these days to think about!

Word comes from the Stork Club that Sherman Billingsley is expecting Your Observer as his guest! Wow—why even Pepsi-Cola is just one dollar a bottle there in that swanky place!

Just imagine—Snow in Florida and in St. Augustine at that! I hear the oldsters remained up all night to gaze upon white cold stuff! That was the very first time in the history of the State!

Yet this poem arrived on a lovely Calendar the next day from one of my readers there.

God's Garden!

With the kiss of the Sun for pardon, And the song of the birds for mirth One is nearer God's Heart in a garden Than anywhere else on earth!

What a grand reception on T.V. was given to that nice red head, Arthur Godfrey upon his return from Florida! Now he is a full Commander in the Navy and was learning to fly those Jets! Whataman! Everyone loves him!

Now, here's to the ladies! There were actually wooden hats shown on T.V. in the fashion show in New York recently! Umph what next?

Thinking of hair-dos. Somehow Your Observer has never approved of the male hair stylist. He seems so out of place. Not a manly art yet it is mostly the men in gay Paree who design all of Milady's gowns.

Remember those French high heels of our Grandmother's day? Believe it or not they will be all the rage again even for afternoon wear. In New York and Philadelphia, they are being shown right now. For evening wear the heel is higher. And at last comes the "CHIGNONS" for Spring which I do think is responsible due to the fact that Fay Emerson started the style but instead of the hair being combed slick back and then the "Chignon" pinned on your hair—there will be waves and pompadours and then the "Chignon" pinned on which will be much more graceful.

If your hips, ladies are too plump start rolling on the floor immediately every day at a certain hour and then you will be able to wear the slim skippy skirts that are coming in favor once again. Your Observer guarantees that exercise will slim you!

Ingrid Bergman will be at "The Earle" in "Joan of Arc" and "For Heaven's Sake". Don't miss either one.

Were you there at the grand turkey and oyster supper which the ladies of the Grace Reformed church prepared and served? Ummm some good! In fact the turkey was so delicious that we did not request the oysters! Folks, never, never miss any dinner served by the women of Taneytown and surrounding as no one can compete with them!

Thinking of eats, places n' everything! That new diner which opened a month or two ago just at the edge of town near the famous one time chicken dinner house is going over in a big way. The first chicken dinners were served last Sunday and Your Observer was one of the first patrons and it was some good! The owner is the former partner of the man next door who will still carry on his own business that is the gas station. The diner is 'up to the minute' in every detail plus a delicious meal and most reasonably priced. To add to the nice treat and atmosphere there are two teen agers from our High school to serve you and they are not bad to look at either! A sweet face was at the window, too who is helping—the mother of the proprietor and I know she is a good cook! The proof was in the eating! Take the little wife and mother next Sunday and it would pay you even to take the entire family! There is only one objection which Your Observer has and that is too nice for that name of just "Diner". "THE CARROLL" is much more becoming for these parts and that is the first name of the owner, too!

Just learned the other day that an elderly gentleman around the town stated his father as a boy carried the water to the men who were building the part of the Lutheran church where the Pageant was held! He is eighty years of age now and his father as a young boy—think how many years ago that was!

The snow and rain is coming down again and the snow laying. It is a white blanket over everything as far as I can see across the fields. It is a beautiful sight with the snow upon the heavily weighed branches of all the trees!

A sudden horn has blown from a car and a peculiar kind of noise. I rise quickly from the typewriter to see a young girl getting out of her car which is in the ditch in front of "Loves Retreat" facing Keymar. I opened the door quickly and see the young girl very pale coming to the house for aid. She tells me that she is from Thurmont and makes a call to Taneytown for help to her family to whom she was driving when her car slid and turned completely around landing in the ditch in the opposite direction! She is a much more attractive girl in fast a beautiful face as I look more closely and the strange part which she told me that she had been shown this property and would not

buy it at the time realizing the frightful amount of repairs and improvements it needed. As she waited for aid from around the town, Your Observer showed her through the house and this is what she said, "How glad I am that we did not buy it for now I see the amount of money it must have taken to put it all in this condition!" What a strange coincidence.

Folks, will give a short outline of the Feb. born and so on once a month of each particular sign—beginning in next week's column. Watch for it!

So long, Folks. Have a grand weekend. Until next week. D.V. I am, Faithfully, YOUR OBSERVER.

The meeting of the Kiwanis Club of Taneytown this week was cancelled permitting a number of members to join the Westminster club in their oyster roast Tuesday evening. On Thursday evening Elwood Baumgardner, Harmon Albaugh, Lewis Crumpacker, George Crouse, Edmund Nusbaum and David Smith attended a meeting of Kiwanians at the Hotel Stattler, Washington, D. C. Congressman Mindt was one of the evening's speakers.
