THIS 'N' THAT

(Your Chatty Column)

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

General MacArthur just said, "Goodbye" and Your Observer rushed to these keys of the typewriter! Never have I heard such a stirring speech nor expect to hear of any in comparison with the man who was just on T.V. Your Observer planned to be in Washington but due to the rain and more rain, remained glued in a chair before the T.V. as thousands of others did all over the Nation. With thrills, chills, admiration gazing upon the tall erect figure of a man who has held the longest record of any soldier that of 52 years in the service of our Uncle Sam! His wonderful strong and determined expression in every feature of his face, stamped right there, his sound judgment, his wisdom plus his dynamic personality and his "Kingly" posture! He is truly "Our HERO!" The high light to this correspondent was when he said, "I AM NOT A WAR MONSTER!" God Bless General MacArthur and these United States!

Up to this writing, I have not missed any programme in which the General partook. The time of the landing of his plane in New York, to the "Goodbye's" from the landing places where he was given a royal welcome. His calm manner at all times which is more assuring as the days go on and his wonderful arm raising acknowledging greetings to all America. Mrs. MacArthur gave vent to all the stored up emotions in gratitude after all the years of living the life of the wife of a man who had devoted his life to his country. Not once did she waver to show any outburst of enthusiasm from the very time she landed on American soil. That old famous song (Continued on Seventh Page)

It makes your dollars talk great good sense!

When you look at the times we live in . . . and then take a look at this new Chrysler Windsor . . . you might almost think we'd had advance information and special-built this car just to fit these times!

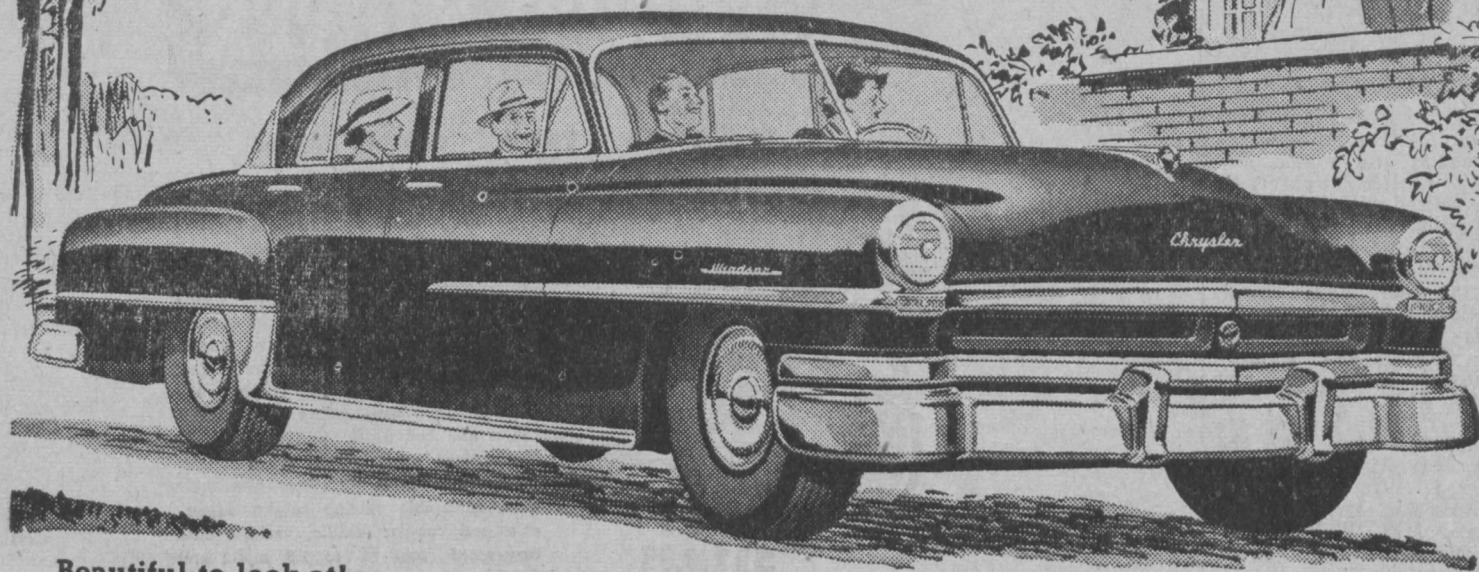

Certainly it treats your hard-earned and tight-stretched dollars with a respect that's hard to find in a good many things you buy.

To begin with, the Windsor line is the *least-priced* of the three lines of cars we build at Chrysler. To buy one gets you all the basic goodness Chrysler engineering means, at the very *lowest* cost. That's good sense in itself.

In powerplant, your Windsor brings you Chrysler Spitfire . . . one of the truly great engines in the whole bright history of America's motor cars. Time-proved and owner-beloved, it would be hard to put your money on a sounder friend than this to live and travel with you through the months ahead!

As to comfort, Windsor brings you the amazing travel bonus all Chrysler owners get this year . . . the revolutionary new Oriflow shock absorber. With more than twice the shock-absorbing power of any other in the world, this amazing new device keeps wheels steady on the road, and riders steady in their seats.

As you can see, it is no idle claim that this car makes very special sense in these unusual times. But why not get the whole good story at first hand? Why not go see your Chrysler Dealer, very soon?

Beautiful to look at! . . .
Beautiful to drive!

FRIZELLBURG

Mr. and Mrs. Jack Hesson and baby, Linda Lou, returned to their home on Monday evening after having spent several weeks at the home of her mother, Mrs. William Warner and family.

The Frizellburg Community Home-makers' Club held a social and white elephant sale in Baust Parish House, Wednesday evening, April 18, with Mrs. Howard Reichard in charge. Mrs. Delmar Warehime led in group singing. Mrs. William Bowers acted as auctioneer and good prices were realized from the many articles on sale. A wrapped gift package was sold to the highest bidder which brought a fancy price of \$20.00. This was given to Mr. and Mrs. Paul Warehime as a farewell gift. They will be leaving for Florida in the near future. Refreshments were on sale. The committee in charge was Mrs. Frank Suttell, Mrs. Royer Coleman and Mrs. Glenn Haines.

Mr. and Mrs. Scott Sullivan and daughter, Lamore, visited Sunday evening with Mr. and Mrs. Howard Sullivan and family, Johnsville.

Mr. and Mrs. R. Paul Buhrman, of Utica, were among the Sunday dinner guests of Mr. and Mrs. Walter W. Myers, Sr.

On Saturday evening we will tinker with the clocks again. Some people like Daylight Saving Time, but most farmers don't like it, but must put up with it. Nothing is ever all wrong. Even a clock that has stopped running is right twice a day. And the darkest hour is only sixty minutes long.

"So here is a perfect alibi for missing your daily dozen and just taking it quiet and easy-like. The dog dies in from ten to fifteen years; the squirrel is from ten to twelve, and the hare is from seven to eight. Strenuous exercise every one! Now, what about the lazy animals? The tortoise who is a world's champion for laziness enjoys the greatest longevity—200 to 300 years. The Pike swims along for 200 years, the galloping horse lives only 30 years. The swan who glides slowly through life often lives 100 years."

Red and white carnations in the altar vases Sunday, April 15 were in memory of Mr. Howard M. Rodkey and were given by his family.

The 'Consistory and Ladies' Aid Society will meet Tuesday evening, at 8 o'clock, Sunday School at 9:30. The 4-H Clubs will have charge of the morning worship at 10:30 A. M. DST. Rev. Miles Reifsnnyder, pastor.

Mr. and Mrs. Eddie Wharton visited with Mrs. Wharton's grandmother, Mrs. Irene Wale and daughter, Emily, Sunday.

Mrs. Mazie Sullivan had the misfortune to fall in her home Tuesday breaking her arm. She was taken to the Annie Warner Hospital, Gettysburg.

Mr. and Mrs. Harry K. Myers returned to their home, this place, after spending the past seven weeks visiting friends and sight-seeing in sunny Florida and Virginia.

I received a letter the past week from Carl Cole who is stationed at Ft. L. J. McNair, Washington, D. C. He has been promoted from Pfc. to Cpl. He also told of the big parade for General MacArthur at the White House, when he spoke to the Senate on Thursday. Twenty-two men were picked from his company to stand for the General and he was one of them. He said, "It was an honor to stand for him, for there isn't many men like him." The men in the service are not allowed to comment on our president, but they can't shoot them for thinking. There's one thing you can say for the men in charge of our government—they're running it like nobody's business.

A group of friends tendered Miss Jean Wantz a surprise party on Monday evening, the occasion being her 17th birthday anniversary. Games were played, group singing was enjoyed to the accompaniment of the ukelele and piano. She received many lovely gifts. Those attending were Dottie Morelock, Robert Waddell, Wanda Mehrling, Diane Thomas, Robert Fleckinger, Jo Ann Koons, Robert Peterson, Doris Ingram, Arthur Martin, Arlene Fair, Andrew Alexander, Phillip Lawyer, Donald Lawyer, Patricia Wantz, Dean Brown, Bonnie Brown, Joan Brown, James Wantz, Marsha Reifsnnyder, Mrs. T. Allen Morelock, Mrs. Emma Rodkey, Mr. and Mrs. George Brown, Mr. and Mrs. Norman Willet, Jeanie Willet, and Mr. and Mrs. Denton Wantz.

Mrs. Charles H. Mark, Baltimore, spent several days last week with her sister, Mrs. J. A. Mason. Other recent visitors at the Mason home were Mr. Charles Mark, Mr. and Mrs. Steele Batchelor, of Baltimore; Mrs. Ella Kretchmar, Washington, D. C.; Mr. and Mrs. Lawrence Bridges, sons Bobby and Larry, Dundalk; Mr. and Mrs. Stoner Fleagle, children Phillip and Peggy, Mayberry; Mr. and Mrs. Kenneth Stonesifer, son Darold, and Mr. and Mrs. Kenneth Nusbaum, children Karl and Valerie, of Taneytown; Miss Dorothy Lee Hyle, Westminster and Rev. and Mrs. C. B. Rebert, Littlestown, Pa.

Monday evening supper guests at the same place were Mr. Luther O. Brown, Rev. Lawrence L. Brown, and Miss Evelyn Merritt, from Baltimore.

The Youth Fellowship of Baust Reformed church met on Sunday evening in the Parish house. The group sang "Take Time To Be Holy." The business meeting followed which was in charge of Miss Jean Wantz, president. The minutes were read by Miss Marsha Reifsnnyder and the treasurer's report was given by Miss

Stonesifer. The group decided to send pocket-sized devotional booklets to the boys in the service. The discussion "How Can I Like Everybody" was led by Mrs. Allen Morelock, Councilor. Readings were given by James Wantz, Jean Wantz, Marsha Reifsnnyder, Dottie Morelock, Margaret Caples, Helen Humbert and Shirley Warehime. The summary of the discussion was: 1. Do something for those you dislike, 2. Try to put yourself in their place, 3. Study the reasons for your dislikes, 4. Learn to look for the good points in everyone. The worship service followed with silent prayer. Hymn, "What A Friend We Have In Jesus" and the benediction.

The Never Weary Class of Baust Lutheran Sunday school will meet at the home of Mr. and Mrs. Elwood Strickhouser, Harney, on Tuesday evening, May 1.

"A man failed to remove his hat when he entered a church, and was presently sighted by a horrified deacon, who quietly called the man's attention to his apparent forgetfulness. The man explained that he had been worshipping in that church for three years without anyone speaking to him, and he thought the hat might do the trick."

FEESERSBURG

MacArthur came home and had his day
MacArthur came home and had his day

Now the wish that comes from us is that he'll keep his promise
To be a good soldier and fade away.

Well, we have had another week of reactions to the MacArthur affair and our nation seems to be getting nowhere. Unfortunately we Americans never form our opinions on facts but tend to allow our emotions to be the guiding factors. We seem to lose sight of the significant fact that whether President Truman is right or wrong or whether General MacArthur is wrong or right, we the American people will pay for that decision for it is our own survival that is at stake.

I dare to predict that within a month the MacArthur affair will have been put aside for more pressing business and far more realistic problems than to find out 'who said what' and 'why didn't somebody do something else.' What most of us Americans want is peace, not another victory for we had that once and it only made matters worse. How to get peace is the real problem. Maybe Frank C. Lauback, world-famous missionary has something in his new book titled "Wake Up or Blow Up," when he tells us the only way to meet the present world crisis is by "applied christianity." I wish I had the space to give you the high points of this book, but read it yourself. It is a truly, wonderful book. It will open your eyes to the real needs and methods to fight Communism.

From my kitchen window I can see spring slowly coming to life. The leaves on the Chinese elms have put out one ear to listen whether it is safe to unfurl in full glory. The birds are winging a series of sky ways through our pine trees in desperate attempt to beat each other to the choice nesting places. Already a pair of doves have taken over the Norway pine tree, while a jaunty pair of black birds have settled for the concolor pine. The robins seem to ignore the pine trees and build somewhere else, but our English mocking bird early in the morning starts his tirade against all birds who dare venture near his domain, which happens to be a big Austrian pine. The lawn is an emerald carpet figure with smiling golden dandelion and the air is filled with the promise of lilacs and apple blossoms. It's nice to live on a country lane, where peace and quiet reign, with only enough traffic to let you know that somewhere off in the distance are ones neighbors, living the same sort of life as you, and just as contented. My kitchen window frames the world as a beautiful place. It would be wonderful if all peoples everywhere knew it that way too.

Spring was in the voices too of the pupils of the Elmer Wolfe school when they presented an all musical program for the P.T.A. meeting held Monday evening. Mrs. Donald McIntosh assisted by Mrs. Charles Shook, a student teacher from W. M. College directed the program. Miss Gretchen Reese was the accompanist and Miss Ann Crumpacker was the announcer. Mrs. Charles Shook and Sherril Cheeks sang a solo. Group singing was given by Junior and Senior High school choruses. Pupils from the second grade gave a musical skit titled "The Little Red Hen" and the third grade sang a group of folklore songs. Preceding the musical program Mrs. L. Dilly presented the names for the coming election of P.T.A. officers for the next year. Mrs. Arintha Marsh presented a sliding board to the pupils for use on the playground and little Jimmy Wetzell, third grader made a cute acceptance speech. The auditorium was filled to capacity with parents and friends, who showed their appreciation for the fine program by enthusiastic applause.

Mrs. Carroll Valentine, of Keyville, had the misfortune of falling down some steps at her home and breaking an arm and rupturing a blood vessel. The home is always pictured as the safest place to be, but according to all reports, more accidents happen in the home than anywhere else. Falling over objects or down steps seem to take the heaviest toll.

The jurors to serve for the May term of the Circuit Court for Carroll county have been drawn. Those who will serve from the Middleburg district are Henry Putman and Clarence Albaugh, from Union Bridge district, Grover C. Devilbiss and Gordon Fogle.

Mrs. John S. Fine, wife of the Governor of Pennsylvania, died on Sunday night after a second brain operation. Citizens everywhere will sympathize deeply with the Governor in his deep sorrow and with his two small sons 10 and 8.

Millard Roelke spent Wednesday in Baltimore, on business.

One of the most inspirational of all radio programs is the one called

"Welcome Traveler" which comes on at 10 A. M. each week-day morning over NBC. No matter how despondent one might be, after listening to the travelers interviewed by Tommy Bartlett, ones troubles seem insignificant, and one learns that for every mean and selfish person there are ten who live lives of goodness and unselfishness.

At least one person was killed every 24 hours in Maryland during the month of March through traffic accidents. Carroll county had one fatal accident during March.

Mrs. Raymond Wilson spent last week in Allentown, Pa.

Listed below is the new address of Pvt. Byron Crouse, son of Mr. and Mrs. Paul Crouse who just recently enlisted in the Marines, Pvt. Byron Crouse 1192324 PLT. 240-0 Co. 4th Rec. Prg B. N. Parris Island, S. C.

Fishing worms turn into lighting bugs during the summer, a black snake draped across a rail fence will invariably make it rain, and a snapping turtle will hold you until it thunders. If you didn't believe these things when you were young, and if you still haven't a sneaking suspicion that they might be true, you have never been a country boy. For these were universally accepted facts though evidence to their truth was somewhat lacking.

Eggs, when you're cooking them, do best at a low to moderate, even heat. That's true whether you're cooking them in water, in the frying pan, or oven.

No wonder a boy has a way of viewing a bath as a slaughter—consider how much of his day, has already been spent in hot water!

NOW IS THE TIME WHEN GRATITUDE Means SOMETHING

Our hearts were filled with gratitude for our boys in uniform during the fighting.

Their sacrifices for us have left a lasting mark on the lives of four million disabled veterans.

Our gratitude for their sacrifices must be just as lasting.

We can show our gratitude today most effectively by supporting the rehabilitation program of the Disabled American Veterans.

Land of Promise

Lesson for April 29, 1951

A NATION must have a home. Gypsies are not properly called a nation because their only home is where their wagons make a camp. Professors of political science tell us that among other necessities, a nation has to have a definite and defensible territory.

But the ancient Israelites did not need a professor to tell them that much. They knew it very well. When they came out of Egypt they could call their clothes and their tents and their stock their own; but nothing else. Even when Moses had given them laws and religion and an army and an organization, they were still not a nation, for they had no land of their own under their feet.

No Welcoming Committee

SO IT was that those people looked forward to, for forty years, was the "Land of Promise," where Abraham had pitched his tent, where these Israelites' forefathers had worshipped God.

But their ancestors had owned very little of the land. Abraham owned just enough for a burial plot; Jacob owned a tract which, so far as we know, he never occupied. Yet it was a good land, so good that others, long before Abraham, had settled there.

It has no unsettled wilderness; it was dotted with high-walled, thickly populated, strongly defended towns. There were no "welcome" signs on the highways. All the cities of Palestine were united by one common hate for the invading Israelites.

Two Centuries of War

SOME of our hymns give a wrong impression of Canaan, the Land of Promise. In some of our hymns this life is compared to the wilderness in which the Israelites lived for forty years, the river Jordan is a symbol of death, and Canaan means heaven ("Canaan's happy shore!").

Well, Canaan was not a happy shore. It was a bloody battlefield for centuries. For the Israelites did not occupy the land all at once. Their fight was not won right away, it was not won in a generation. We do not know for certain the date of Joshua, but a date favored by many scholars is in the 13th century before Christ. The "Land of Promise" was not fully and securely in the Israelites' hands until the tenth century.

The whole story, or such parts of it as we find in the books of Joshua and Judges, shows that it was a long struggle, a weary succession of more or less continual wars, climaxed in the final conquests of the fighting king David.

Some Victories Are Deserved

DURING those wars, many cruelties were practiced by both sides. If there had been a United Nations at that time, they would certainly have condemned the Israelites for aggression and for war crimes besides.

We may as well admit that the Israelites did not act in line with the Sermon on the Mount. How could they? They had never heard of it. The fact remains that if you, an impartial, invisible observer, had looked down from the sky at all the long struggle the Israelites had to put up to win a homeland, and if you had been asked: Which will win, the Israelites or the Canaanites? there were times when you would hardly have dared to make a prediction.

But if you had been asked: Which side deserves to win? You would surely have said, The Israelites.

God Saw the Future

ANY one who could have foreseen the future both of Israel and the tribes with whom they fought for centuries, would certainly have hoped for Israel's victory.

Comparing all that Israel would mean to mankind, directly and indirectly, with all that would come from their enemies, you would have voted for the Israelites without hesitation. If for no other reason, the Israelites deserved to win because of their religion.

If you can imagine what might have been the sinister results if Israel had been destroyed, and with them all knowledge of the one and holy God, you can see how God could not afford to let His people lose.

THIS 'N' THAT

(Continued from first page)
of "An Old Soldier Never Dies" of which MacArthur related to in the end of his speech which he never forgot when he graduated from West Point is all wrong. Think of the ending, "He just fades away!" No big personality in any war or the making of the history of America has ever "faded away" as they live on forever setting examples for the coming generations.

Here's a funny one and a true one. A poorly clad man went up to a man on the street asking for the price of a cup of coffee and when he was being handed the price, the beggar said, "I want \$25.00. To this the man remarked, "\$25.00 dollars? Why a cup of coffee is ten cents." The beggar quickly answered, "You would not want me to go in any place dressed like this for a cup of coffee so I want to buy a suit first."

That reminds me. Calling all ministers. A beggar came to the parsonage and asked the minister if he had a suit that he could give him so as he could go out and get himself a job. The minister gave the man one of his suits and he then remarked that it appeared as though it was made for him. To the astonishment of the minister, the newly dressed beggar then said, "Have you an overcoat to go with the suit?"

Did you know that an Englishman invented the famous vacuum cleaner? It was in the year of 1901 and this is the 50th anniversary. The name of the man was H. Cecil Booth.

This is for any farmer. Is it a fact that a lone plum tree will never bear fruit until another plum tree is planted by its side?

Dear reader, thank you for that nice big newspaper, "The St. Petersburg Times." Made me think of the "New York Times." I read it for one entire week and that no foolin'!

From a hill billy comes, "I know now why 'gals' eat so much ice cream for I picked up one of them that rithmetic books which said, 'One gal equals one quart of ice cream!'"

What ever you do, folks, don't put off that grass cutting until tomorrow for it may rain tomorrow!

That nice blond fellow with the glasses out at the "Esso" surely pleases all the customers regardless of the age and make of any car and he is as nice to the men as he is to the ladies!

Here's one to really think about. Did you know that Russia is three times the size of the United States? Ugh!

Ladies, if you want to have your old draperies appear new and glamorous, just send them to the "King" around our town and when you open the door you will have another surprise for the driver is that neat Little man formally from over Union Bridge Cleaners who recently went out of business!

Ladies, here's one I found for you! On Frederick Street in Hanover 105 a very sweet Shoe Shoppe has opened just before Easter! by a young married couple. It is something so different and you will love the atmosphere. The place is furnished with antiques of the Penna. Dutch style and the color scheme is done entirely in blues of different hues—from a twilight blue to the Alice Blue. It is most charming and the glamorous shoes and the type which the "Stars" wear. It is called, "The Colonial Shoe House" and carries the exclusive "Mademoiselle and Capezio" shoes. Whatever you do, don't miss that one!

If you need to have the living room suite dressed up either for the Summer or Fall season give a call upon the little lady out the Littles-town road just before arriving at that little town. The sign is on the grass. She has a wonderful assortment of materials from which to choose and she is an expert in making them "Custom" fitted. And you will love that little lady!

Don't forget your hair, Ladies as Spring is in the air plus the approaching summer months when few hats will be worn!

A year ago there were 158,089 Video sets which Your Observer stated in a column and within a year it has doubled itself just in the city of Baltimore! Since April the first there were 300,000 sets in operation and I know there have been hundreds installed in these past two weeks!

You have noticed the papers stating how many accidents and the number of killed in Maryland but have you also noticed that most of the people involved are from other states?

Just eighteen persons were present for the first lesson of "First Aid!" Hope the number increases as everyone should have the knowledge of First Aid. The Westminster instructor asked the class in which room did they think that most accidents occur? Believe it or not it was the bedroom! Then, to the amazement of every one, he went on to tell that just a few days before he had heard of a very strange accident. Here it is—a man screamed out in sudden pain and his wife ran to his aid and there was a Spring from the mattress in his back! There's one for Ripley if you ask me! Eh? Sounds like a clever ad for those new "Rubber Mattresses" which are sweeping the country these days!

If you are contemplating building a new home, Folks you do not have to wait to do so just write to "THE ALADDIN COMPANY" out in Bay City, Michigan. You will love the picturesque homes in their catalogue which are "Ready-Cut" and of "The Golden Rule" type. They are really "DREAM" houses. This concern is the oldest in the world being in business for 45 years and there is top notch quality in every bit of the materials. Just buy the lot, Folks and like the story of The Aladdin Lamp—your dreams will all come true! Remember?

Will be seeing you next week D.V. So long—until then. Have a grand week-end and hope you enjoy the beautiful "Peach" blossoms along 71 highway! I remain, Faithfully,
YOUR OBSERVER.

THE CAST OF "WHILE WIFEY'S AWAY"

Seated, left to right—Pearl Bollinger, George Motter, Mildred Ritase and Pamela Stine. Standing, left to right—Minnie Ingram, George Sauble, Jr., Ruthanna Airing, Catherine Martin, John Harner, Jr., Charlotte Bollinger, Anna Sanders, Francis Myers and LeReina Fream.

Above is pictured the cast which will portray the three-act comedy "While Wifey's Away" in the High school next Thursday and Friday nights, May 3 and 4. It is presented by the Taneytown High School Alumni Association and will begin at 8 P. M., Daylight Savings Time.

The play is a comedy-farce which is chuck full of good wholesome comedy. Milo Dillon, the absent-minded man of the house, is very anxious to have a quiet, peaceful vacation with his good friend and neighbor, Chester Bevin. Milo's wife, Chester Bevin, Milo could live without her and so objects to their going on a fishing trip. Hen-pecked Chester would have to sneak away from his wife Nina if he wanted to go anywhere. Just when things look the darkest, Clarice's old maid aunt arrives and wants to take her away

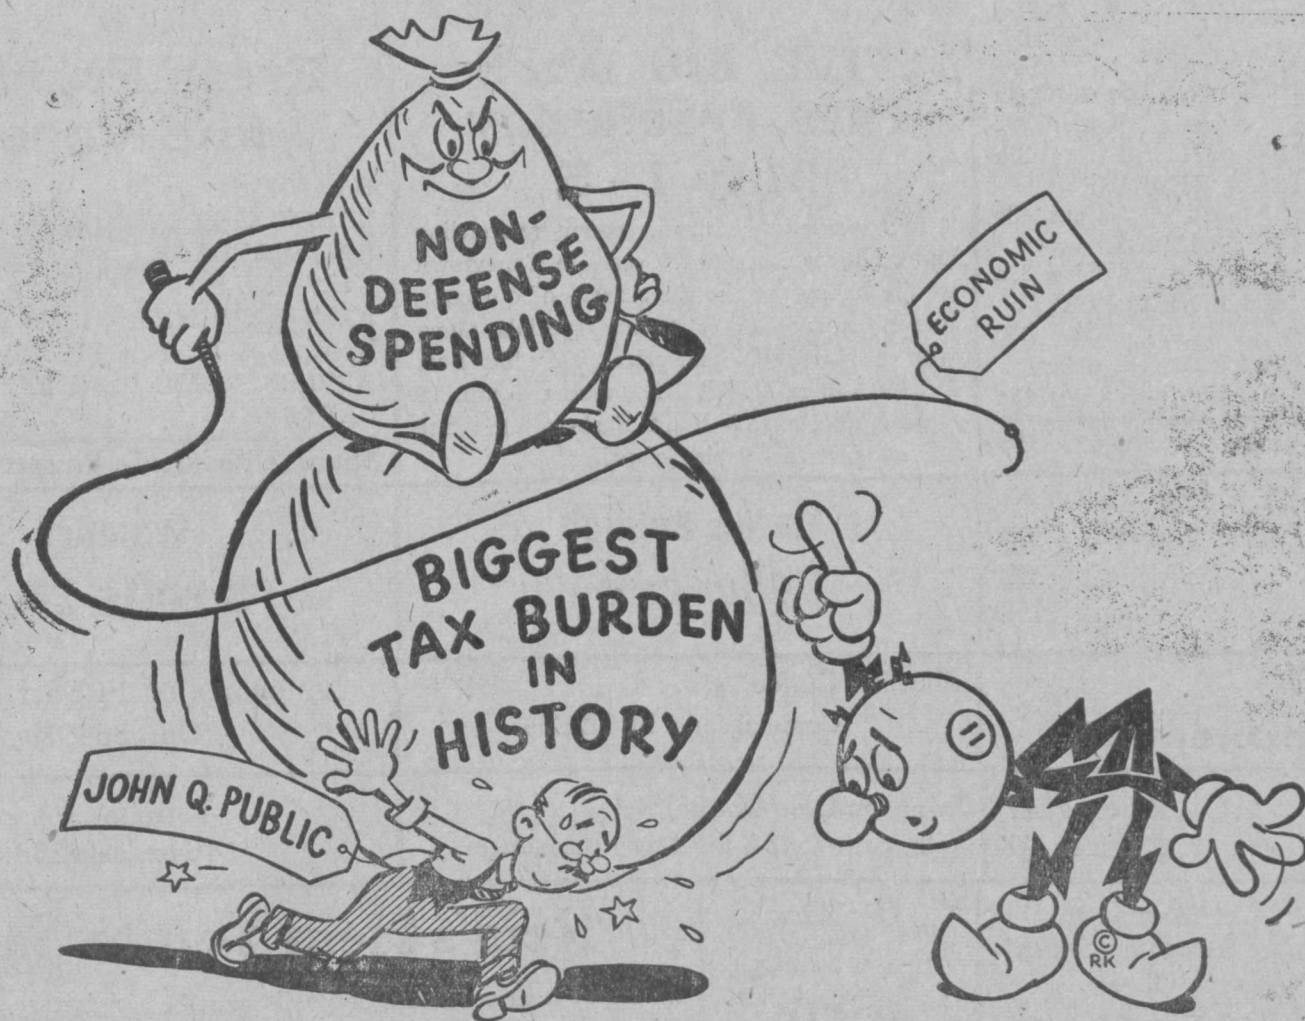

to a convention with a little help from Milo she finally agrees and goes away with her aunt.

While Clarice is away and before Milo has any chance to rest or go fishing, a lawyer calls on Milo and informs him that he must prove that he is happily married by a certain date. Milo can not reach his wife in any way and therefore employs every means to try and find a substitute wife. As if this wouldn't be enough trouble he is constantly harassed by the neighbors; the servants—especially the colored cook, Petunia, who has been charged by Clarice to keep an eye on him; and also by the arrival of Clarice's sister Laura. Also entangled in the web of circumstances is Elliot Blair, the conceited and dashing bachelor who falls in love with Laura; Queenie, an attractive visitor; Milo's uncle

who collects pets and a lion. Things become more and more complicated until when Clarice returns home unexpectedly she finds a strange and attractive girl claiming to be her husband's wife and a lion in the cellar. This and the hilarious scenes which follow are enough to make this play a must in everybody's plans.

Pictures of numerous scenes are displayed in the Potomac Edison Co. window and the window of the Taneytown Mutual Fire Insurance Co. office.

Tickets are on sale now and may be bought from any Alumni members, several children, at either Bank or at Dougherty's Grocery. You may also buy your tickets at the door both nights. Many homemade goodies will also be on sale before and after the play.

Get Rid of the Rider!!

Let's get rid of the Rider! Let's get rid of the non-defense schemes for Socialized Medicine, Government Electric Plants and other political deals, so that the tax burden won't break all of us!

Let's cut non-defense spending to the bone! We don't need Government Electric Plants! The business-managed electric companies have already lined up 24 MILLION EXTRA KILOWATTS of Reddy Kilowatt Electric Power and even the Government planners only asked for 20 million!

Yes . . . let's get rid of the Rider and buckle down to the REAL business of defense.

Reddy Kilowatt

● The business-managed electric industry is the one industry that has doubled its capacity, and reduced the cost.

● So, your government need not spend your tax money for Public Power (Political Electricity).
