COMMUNITY LOCALS

This column is not for use in advertising any money-making program, fair, supper, party or sale. It is intended for news, personals, and such matters as may be of community interest.

All communications for this department must be signed by the author; not for publication, but as an evidence that the items contributed are legitimate and correct. Items based on mere rumor, or such as are likely to give offense, are not wanted.

Mrs. Allen Sklar and children, are spending several months at their cottage at Ocean City.

Miss Dorothy Alexander has resumed her duties as librarian at the Catonsville High School.

Miss Beulah Englar went Wednesday to spend until Monday with Miss Emma Ecker in New Windsor.

Mr. Wilbert Hess has the ground dug for the foundation for a house he is going to build for himself and Mrs. Hess.

Mr. Frank E. Frick, of Flushing, Long Island, N. Y., spent the week with his niece, Mrs. Harry Forney and Mr. Forney.

Andrew Alexander will leave Sunday night for Oklahoma, where he will enroll as a freshman at Oklahoma A. & M. College.

Miss Mary Louise Alexander has accepted the position as music director at the Stratford Jr. High school, at Arlington, Va.

Mrs. J. Harrison Atkins, of Atlanta, Georgia, was a guest over the week-end of Mr. and Mrs. A. H. Carpenter and Mrs. Mary Coyne.

The Mission Circle of Trinity Lutheran church will meet Wednesday, 12th, at 8 o'clock. It is hoped that there will be a good attendance of its members.

Mrs. David Little, "Mrs. Harry Sprinkle and Mr. Atwood Hess, attended the funeral of Mr. Luther Copenhaver, in Gettysburg, on Saturday afternoon.

Darold Stonesifer, son of Mr. and Mrs. Kenneth Stonesifer was admitted to the Johns Hopkins Hospital, on Thursday, and will have a major operation performed today (Friday).

Mrs. D. J. Hesson, who has been visiting her son, Capt. Charles Hesson and family, in College Park, will be brought by Mrs. Hesson to her home here with Mr. and Mrs. Doty Robb.

Mr. and Mrs. Harry Sprinkle and Atwood Hess had as their supper guests on Sunday evening: Mr. Wilbur Reifsnider, Miss Pauline Hofe and Mr. and Mrs. David Little, Taneytown.

Miss Pearl Bollinger attended the Luther League convention of the Maryland Synod, on the Gettysburg College campus, over the Labor Day week-end. She acted as registrar for this convention.

Mr. and Mrs. Maynard Ausherman of Union Bridge, are receiving congratulations on the birth of a son at the Annie Warner Hospital, Gettysburg, Pa. on Sept. 1st. Both mother and son are doing fine.

On Saturday Rev. and Mrs. Andreas attended the 16 year reunion of the Lehigh High School class of 1935 of which Rev. Andreas was a member. This was the first such reunion since graduation.

On Monday evening of last week the members and families of the Senior Choir of Grace E. & R. Church enjoyed a picnic together at the Taneytown Recreation Park. A delightful supper was enjoyed following which games were played and songs sung.

Miss Jean Stonesifer of Keysville, accompanied little Miss Patricia Ann Heaps to her home in Highland, the past week for a visit. Mr. and Mrs. Chas. Cluts, Fred and Richard Stonesifer spent the past Wednesday with Mr. and Mrs. Hugh Heaps family and Miss Jean Stonesifer accompanied them home.

The Keysville Evangelical Lutheran Missionary Society will hold its monthly meeting Wednesday evening Sept. 12th, at 8 o'clock. Please note the change to Wednesday eve for this one meeting. The topic for discussion will be "It's Our Work". The aim is to show how the Missionary Society channels its work through the Boards of the church. Mrs. Fife, of Baltimore and our pastor, Rev. R. Poffenberger are to be guest speakers. Mrs. George DeBerry and Mrs. Earl Roop have charge of the special. Everybody welcome.

Mrs. Marlin Six was hostess to the Pythian Sisters Past Chiefs Club of Taneytown Temple No. 23, Sept. 4, 1951. The meeting was opened by singing "Long, Long Ago." Scripture lesson was read by Mrs. Audrey Hess; the Lord's Prayer; minutes of previous meeting read and approved as read; roll-call was answered by 17 members and 4 visitors. Answered by their favorite month. The president, Mrs. Marlin Six presided during the meeting. A Happy Birthday to You was sang to two members and gifts were given them. Our next regular meeting will be held at the home of Mrs. Rhoda Smith, Tuesday evening, Oct. 2, 1951. No further business the meeting was moved to adjourn, after singing "Seeing Nellie Home." and closed by the Mizpah Benediction. The hostess served refreshments.

(Continued on fourth page)

100th ANNIVERSARY

Full Program to be Presented at Mt. Joy Church

The 100th Anniversary of the Mt. Joy Lutheran Church will be observed on Sunday, Sept. 9, 1951. Sunday School will be held at 9:00 a. m. Dr. Lloyd Keefeauver of Gettysburg, Pa., will address the Sunday School, and there will be remarks from former superintendents. The morning service will be held at 10:00 a. m. The Rev. Dwight F. Putman, D. D., President of the Central Pennsylvania Synod, will preach the sermon. At 2:30 p. m., the Rev. James F. Kelly a son of the congregation will deliver the sermon. Dr. and Mrs. Clarence Bartholomew of Gettysburg College will be the soloists at the afternoon and evening services. The evening service will be held at 7:30 p. m., when the Rev. George Melhorn, D. D., of Johnstown, Pa., will preach the sermon. Mrs. Treva Crouse of Gettysburg, Pa., will be the soloist at the evening service.

The Mt. Joy Lutheran Church is located five miles south of Gettysburg, Pa., on the Taneytown Road, Route 134. The church was originally a part of the Taneytown Parish, belonging to the Maryland Synod of the General Synod. The congregation was organized on August 23, 1851. The Rev. Solomon Sentman, pastor of the Taneytown Parish, was the first pastor. The original church was built in the summer of 1852 and was dedicated on October 24, 1852. In March 1878 the church became self-supporting. Because of a defective flue the church was destroyed by fire on March 4, 1890. The present church building was erected in 1890, being dedicated on November 30, 1890. Today the congregation is loyal to the work of the church and the extension of the Kingdom of God.

The 100th Anniversary will be a Home-coming Day, when many former members are expected to return. The public is cordially invited to attend the services of the anniversary.

WOMEN'S GUILD MEETS

The regular meeting of the Women's Guild of Grace E. & R. church was held in the social room Thursday night. Mrs. Morgan Andreas, Education Chairman, and her committee had charge and the program was entitled "From Street to Highway" and centered around UNESCO, one of the specialized agencies of the United Nations.

The meeting opened with the poem "Evening and Morning and Noon Will I Pray" by Mrs. Andreas and the group sang, "Follow the Gleam". A call to worship and meditation were read by Mrs. Andreas after which the Scripture readings were given by Mrs. Edgar Fink and Mrs. Raymond Perry.

The leader then asked the group to journey to Syria to visit an assembly program of the American Junior College where a panel of speakers were talking on UNESCO. Those on the panel were: Mrs. Virginia Sanders, Miss Ruth Stambaugh, Mrs. Carol Frock and Mr. Edgar Fink. Miss Fairy Frock and Mrs. Andreas represented two students who gave talks on the topic.

Mrs. G. Emerson Rue rendered a vocal selection accompanied by Miss Fairy Frock. The meeting closed by singing the theme hymn "There's a Voice in the Wilderness Crying."

In the absence of the president, Miss Helen Bankard took charge of the business meeting. The delegates to the Summer Conference at Hood College gave reports and told of their experiences. The following officers were elected to serve 1952 and 53: President, Mrs. Glenn Martin; Vice-President, Mrs. Ellsworth Lambert; Financial Secretary, Mrs. Delmont Koons; Recording Secretary, Mrs. Morgan Andreas, and Treasurer, Miss Mary Fringer.

Mrs. Paul Hilbert and Mrs. Chas. D. Baker are in charge of the supper to be held next month and all members were reminded of the Regional meeting to be held in Hagerstown in October.

After a brief social period and refreshments the meeting adjourned to meet next month with Mrs. Mervin Wantz, social service chairman, and her committee to be in charge.

GIRLS 4-H NEWS

The monthly meeting of the Taneytown Junior 4-H girls was held at the home of Judith Hailley, September 4th at 7:30.

A demonstration on flower arrangements was given by Mrs. William Copenhaver, after which a short business meeting was held.

The next meeting will be held at the home of Sandra Shorb, October 9, at 7:30.

Games were played and refreshments were served.

DOMIS BOLLINGER,
Club Reporter.

KIWANIS CLUB NEWS

Following the dinner meeting of the Taneytown Kiwanis Club at Taney Inn the members joined the small crowd on the Inn's lawn to enjoy the program of band music presented by the Kiwanis Band of Pikesville.

Due to this concert the Club dispensed with their regular program after having a report of the Director's meeting held last Thursday evening on the lawn of the home of Mr. and Mrs. Wallace Yingling. Delicious refreshments were served by the Yinglings and Mrs. D. H. Essig.

TEACHERS AND SCHOOL PERSONNEL MEET

Week of Planning Held in Westminster High School

During the week of August 22nd the Carroll County Board of Education through the superintendent of schools and the supervisory staff held various preliminary meetings for teachers and other personnel for the purpose of preparation for the official opening of schools on Tuesday, Sept. 4th. On Tuesday, August 28th, a meeting was held in the Westminster High School under the direction of Mrs. Josephine West, County Supervisor of Home Economics and cafeterias. This meeting included the home economics teachers and the workers and managers in the school cafeterias. During the day this group discussed the cafeteria operation for the year and also the problems connected with mass feeding and other emergency needs related to the Civilian Defense effort.

On Wednesday, August 30th a special meeting was held in the Westminster High School for all of the principals and the new teachers assigned to the various twenty schools. Arrangements for this meeting had been made by the county supervisors, Mr. John F. Wooden, Jr., Miss Ruth DeVore, Mr. Charles Rock, Mr. Philip Royer, and Mrs. Josephine West. Superintendent S. M. Jenness spoke to the new teachers regarding the organization of the schools in the county and outlined the plans for the year's work. Later in the day the supervisors were responsible for holding further meetings with the new teacher group.

On August 24th a meeting was held of all the county principals in the Westminster Elementary school in charge of the superintendent at which time administrative and supervisory plans were outlined and discussed.

On Thursday, August 30th the regular teachers opening conference for all teachers of the county was held in the Westminster High School at nine o'clock. This meeting continued throughout the day. Dr. Rueben S. Holthaus, of the Department of Religion, Western Maryland College, pronounced the invocation and the music was directed by Mr. Phillip Royer, Carroll County Music Supervisor. The music included a trumpet duet by Mr. Kenneth Sampson and Mr. Robert Kersey, instrumental instructors in the county. The county superintendent, Mr. Samuel Jenness presented to the assembly eighty-two new teachers, representing twelve different states, thirty-six different training institutions, and one foreign country. Mr. Jenness introduced to the group the English exchange teachers, Miss Gwen Davies and Miss Mary Kate Jenkins who will be teaching in the Hampstead High School in the place of Mr. and Mrs. Janna Randle. Many communications have been received from Mr. and Mrs. Randle stating that they have arrived safely at their school assignment in Maesteg, Wales.

The meeting included addresses by Dr. E. Preston Sharp, Chief of the Maryland Training Schools in the morning and in the afternoon a film was shown and a critique and discussion of the film was led by Dr. Gertrude Gross of the Springfield State Hospital Staff. The Carroll County Teachers Association held a coffee hour during the day with Mr. Jesse Starkey presiding. This meeting was addressed by Mr. Milton Raver, Executive Secretary of the Maryland State Teachers Association. Officers of the Carroll County Teachers Association are: President, Jesse L. Starkey, Principal of the Elmer Wolfe School, Vice-President, Mr. Stephen Lerda, Principal Hampstead School; Miss Margaret Green of Union Bridge Secretary, Miss Grace Riley of Sykesville, Treasurer. The group gave approval of the plans of the plans of the Association for their activities for the year 1951-52.

SQUARE DANCE AT OPENING P-T-A. MEETING

The opening meeting of the PTA will be held at the High school auditorium, Tuesday night, Sept. 11, at 8 P. M.

Plans have been made to make this primarily a social evening with a square dance being the feature of the evening. Parents will have a fine opportunity to meet new teachers and fun is anticipated for both new and old members of the Association.

A short business meeting with Mrs. Evelyn Peterson in charge will be held prior to the social hour.

The dance is free with light refreshments being sold to help defray expense.

A cordial invitation is extended to all parents of pupils in the school and others interested in PTA work to attend.

MARRIAGE LICENSES

Leroy Eugene Cullison to Margaret Mae Heintzelman, Biglerville, Pa.
William Edgar Kingsbury to Nancy Jean Arnold, York Haven, Pa.
Wilford Eugene Barnes to Lavina Grace Reed, Westminster, Md.
Franklin Burke, Jr. to Ruth Helen Barrett, Hampstead, Md.
Kenneth L. Wagner to Thelma L. Miller, Spring Grove, Pa.

The harvest truly is plentiful, but the laborers are few.—Christ Jesus.

QUOTA REACHED

Subscription to Red Cross Flood Relief Doubled

National American Red Cross on August 14th sent a letter to all its chapters giving an up-to-date report on the widespread flood throughout Kansas, Missouri, Oklahoma and Illinois. The letter says "Now that the waters have subsided, it is possible for the first time to evaluate the devastation created by this extraordinary disaster. It is far greater than any previous experience had led us to anticipate. The percentage of major damage to property is much higher than usual. In fact, the destruction is more like that of a tornado than a flood. We now estimate 27,000 families will need more help than ever before in putting them back on their feet. This is the equivalent to assisting in the rehabilitation of a city of 100,000 inhabitants.

As a result, we now estimate \$10,000,000 will be needed to do the Red Cross part of the job and you have been asked to double your original quota in your appeal to your community for funds to help these people."

The citizens of Carroll County may take deep pride and satisfaction in the fact that they had already doubled their original quota of \$750.00 when this letter was received. \$1616.05 has been donated to date. The Red Cross wishes to thank all the contributors who so generously came to the aid of the flood victims.

A number of churches were closed, or their pastors away when the first appeal went out; a number of service clubs, businesses and individuals have not had an opportunity as yet to respond to the appeal. They have asked that Carroll County's Flood Fund campaign not be closed until they can send in funds. Since many chapters have very large quotas which they will have difficulty doubling all in our county who have not yet had a chance to contribute may still send funds in to their local Red Cross representatives or to chapter headquarters, 206 E. Main Street Westminster. Funds have been received so far from the districts as follows: Union Bridge, \$198.92; Taneytown, \$46.92; Westminster, \$458.91; Uniontown, \$27.85; Hampstead, \$162.54; Woolery's, \$35.00. New Windsor, \$102.22; Franklin, \$32.45; Berrett, \$17.84; Manchester, \$305.55; Myers, \$4.50; Mt. Airy, \$66.24; Freedom, \$157.11; (Middleburg district has been included in Union Bridge total.)

COUPLE HONORED AT SURPRISE ANNIVERSARY CELEBRATION

Mr. and Mrs. Marshall Bell, well-known residents of Keymar, were honored Monday, Sept. 3, on their 40th wedding anniversary at a surprise celebration held by relatives at the new Taneytown Recreation Park just west of town.

The guests of honor thought the affair to be merely a family reunion and did not suspect the real purpose of the occasion until gifts were piled chin-high on the table at which they were seated. The purpose of the entire affair was then announced by Robert L. Zentz, nephew of the Bells, as "doing something for two who have done so much for so many."

Those present at the outing were: Mr. and Mrs. Marshall W. Bell, Mr. McClellan Zent, of St. Louis, Mo.; Mrs. Clara White, York, Pa.; Mr. and Mrs. Edwin J. Schamel and family, of Baltimore; Mr. and Mrs. Raymond M. Zent and family, Hagerstown; Mr. and Mrs. Robert L. Zent and family, of Taneytown; Miss Edith V. Zent, of Chicago; Mr. and Mrs. John Meshejian and family, of Baltimore; Mr. and Mrs. Mihran H. Meshejian, of Jackson Heights, L. I., New York; Mrs. Jennie Wievard, of Baltimore; Mr. and Mrs. Henry Schamel, of Orlando, Fla.; Joseph Cover, of Columbia, Pa.; Mr. and Mrs. Maurice R. Zent, of Taneytown. Accompanying Mr. and Mrs. Raymond M. Zent were two young lady students of the S. D. A. Academy at Mt. Aetna, Md.

All enjoyed the occasion immensely and expressed appreciation for the opportunity of holding such an affair at such a fine appropriate place as The Taneytown Recreation Park which is a community park, second to none, made available to residents of Taneytown and community through the efforts of The Taneytown Recreation Association.

SALISBURY FOUND CLEAR OF PINBALLS

The city of Salisbury and Wicomico county are clear of pinball machines. Police Chief William J. Chathan and Sheriff Jesse M. Pollitt announced July 2nd.

The two officers set Sunday midnight July 1, 1951 as the deadline for all operators of pinball machines, both the one-ball and five-ball varieties, to get rid of the contraptions. They threatened prosecution if any machines were found.

Chief Chathan said he and Sheriff Pollitt made the rounds looking for the machines, but found not a one.

The cleanup had been ordered locally after City Solicitor Harry H. Cropper said virtually every type of pinball machine in use (both the one-ball and five-ball contraptions) was illegal. County authorities followed the city's lead in the cleanup.

By sowing frugality we reap liberty, golden harvest.—Agesilaus.

100th ANNIVERSARY OF THE YORK FAIR

Will be Observed from September 10 - 15

The York Inter-State Fair, Pennsylvania's biggest fair and one of the largest in the Nation, will mark its 100th anniversary here September 10 through 15 with an event-studded six-day and six-night program.

While the York County Agricultural Society, trading as the York Inter-State Fair, is officially celebrating its centennial, York fairs actually date back to 1765, when they were first held under a charter granted by Thomas Penn, son of William Penn. They continued for 50 years until 1815, and were not resumed until 1851, when the York County Agricultural Society was formed.

More than 300,000 visitors are expected to flock to the historic fair this year from half a dozen States and the District of Columbia. Attendance reached that figure last year during the usual five-day, five-night fair. An additional day was scheduled this year to give greater scope to the centennial celebration.

Samuel S. Lewis, president of the century-old, non-profit York County Agricultural Society, said today more than \$75,000 in fairgrounds improvements were made in the last year.

The landscaped 120-acre fairgrounds and a 30-acre parking lot have 20 permanent buildings, a half-mile track for running races, and an 11,000-seat concrete grandstand and annex facing a concrete stage longer than the Radio City Music Hall stage and having a permanent steel covering.

The permanent steel stage covering cost in excess of \$100,000 and is the only one in the country.

Entertainment will be highlighted by 11 big stage programs in front of the grandstand—afternoon and evening. Harness and running races will be held in the afternoon.

Special attractions will be midgeot auto races, an automobile "thrill show", name bands and two television shows.

United States Senator James H. Duff, of Pennsylvania, on Monday night, Sept. 10, will open a large exhibition of defense products manufactured in York. Senator Duff is one of a number of State and national figures who will attend the fair.

This year's program will be one of the fullest and most diversified on record, said former Lieutenant Governor Lewis Fair president and former (Continued on Fifth Page)

GOLDEN RULE CLASS MEETS

The regular monthly meeting of the Golden Rule Sunday school class of Grace E. & R. church was held on Tuesday evening, Sept. 4, 1951, at 8 o'clock at the home of Mrs. John Devibiss.

The meeting was opened with the hymn "Work for the Night is Coming", Scripture Luke 11:1-14 was read by Mrs. Mildred Parker; Prayer by Miss Mattie Koontz. This was followed by two guitar selections by Stella Mae Study. A very pretty poem by the leader, Mrs. Bernice Study, "What a Friend we have in Jesus" followed by the hymn of the same title. Next was a Bible quiz followed by a Monologue, "What Wm. Henry Did" by Mrs. Study. Games were played and Mrs. Emma Rodgers won the prize. The minutes were read and approved followed by the roll-call. The next meeting to be held at the home of Mrs. Wm. Simpson Tuesday, Oct. 2, 1951, at 7:30.

The meeting closed with our theme song. Delicious refreshments were served to eleven members and four visitors. All thanked the hostess for the very pleasant evening.

ROSE OVERHOLTZER, Sec.

WAKE UP

Wake up, rise and shine
The morning light is breaking,
Earth's morning showers are ours
And they produce for us the flowers
That deck our gardens with perfume
And chase away our powering gloom,
This is a pleasant land in which to dwell

Who knows it better, who can tell
So well as we who freemen be
For all the world beside to see
"Tis pleasant to lie in the shade
When sun is hot and we are tired
Yes we can be thus admired.
God gives us night and gives us day
To ease our toil, drive sores away
The earth revolves about the sun
And in his journey one by one
Brings winter, summer, autumn,
spring
When flowers bloom and birds do sing
Yes, God is good to mortal men
And for His goodness no one can
Praise Him enough.

W. J. H.

ELEMENTARY SCHOOL NEWS

The Taneytown Elementary school started the new school year with an enrollment of 384 pupils with some pupils as yet to enroll. Instruction began immediately, with classroom organization occupying the major portion of the first day.

The Parent-Teacher Association executive committee of the Elementary school will meet in the school library on Friday at 1:30 to discuss plans for the year. It is hoped that several joint meetings may be held with the High School PTA.

THIS 'N' THAT

(Your Chatty Column)

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Do you really know the reason for all those TV's, Washing machines and most electric appliances at tremendous value in the papers in advertisements today? Sh—here it is and right from a big executive. Those great big business men thought there was going to be a frightful shortage and stocked up to the ceiling in many of their rooms! The result—all on their hands and some are being offered at half the price! Ugh!

If you have not gone on a vacation and are putting it off until early Fall, why not just tour your own State of Maryland? There are so many places to visit and so many things to see that you will wonder about it after; why you have not thought of that before. Just go to your Amoco dealer and ask for the Map and Guide book as to "What to see in Maryland" and that alone will convince you!

In a recent paper there were photographs of five Hochschild workers marking their 50 years of service! There was Mr. Jarboe who is one of the finest business men I have ever known. He really did help to make that store because he was always so very pleasant to any customer and was capable of adjusting anything in which a lady was perplexed!

They say that so many Americans flock to England just to tour around that place and very few Britons come here! Well, folks you won't think Uncle Sam is so easy when you read the following—A guarantee has to be put up by an American citizen, signed before a Notary, to the effect that the guarantor is in a position to keep the intended visitor for the length of stay proposed. All assets of the visitor have to be stated and a Banker's reference in duplicate given. The intended visitor has then to be vaccinated, must produce two references from prominent people in the town of residence, to say applicants are fit and proper people to visit these United States—and when they have all these papers in order, they can then make an appointment with the American consul to try and obtain a visa. He has to inspect all these papers, inspect the ticket to the States and back to your home and then you have to have all your finger prints taken. (Both hands) three times! You have also to swear that you are not a Communist and have nothing to do with Communism. . . . And that right from an English lady who desired to come over and just visit her brother!

The Pledge of Allegiance to the flag was written by Francis Bellamy in 1892!

Here's one for the housewife! If your turkish towel is worn in the centre and the ends are still "good cut them into fours and crochet an edge around each one. They make delightfully soft dish cloths that outwear any other dish cloth that you buy.

A lady is now very busy making all her Christmas gifts and they are beautiful! She is original in the designs and patterns for the Christmas cards she sends out, too! That is the little lady who lost her husband with T. B. The Second Class Mate! Remember? She has a fine position in an office and is getting along beautifully. So you see, Folks—"Who ne'er has suffered, he has lived but half and who never failed, he never strove or sought!"

Many individuals were disappointed in the big fight at the Madison Square garden in New York but in all fairness that colored fellow from Cuba is still the real Champion with those alert punches and quick movements! In the wrestling match, Your Observer cannot see anything "Golden" in that awful "Terror." He is about the most repulsive piece of humanity and brutal man on any T.V. this world over!

And whatever you do—don't fail to see "The Great Caruso" with Mario Lanza and Ann Blyth in color by technicolor at the "Earle." It brought back those nights of opera at the Metropolitan sitting in one of those boxes at the famous Opera House where Caruso sang "Aida." Your Observer was fascinated by it all in this great picture and again it was so vivid recalling how many times Enrico Caruso had to appear for curtain call! If you really are a lover of music you will love this one plus the beautiful love story.

Have you eaten any of those Maryland crabs this summer. They appear bigger than ever—the kind Your Observer used to catch three and four at a time right in the middle of the Chesapeake Bay! There is no bigger treat if they are flavored properly! When I was a little girl in Philadelphia, each very hot clear summer night—along would come the colored man with his cart which he pushed yelling, "BALTIMORE CRABS!" Philadelphia Pepper-Pot, too was just as popular when the chubby colored woman would sing out in her high pitched voice in the back alleys, "Philadelphia Pepper-Pot."

That was the time when Strawberries were 12 and 15 cents a box! Eggs were 25 cents a dozen! Like that song about the NICKEL! Eh?

If you break your pie, Ladies in serving, there is a very nice server on the market today cuts the pieces

THE ULTIMATE

Between the infinitesimal microscopic and the colossal megascopic all things exist. You and I are but small creatures, contracted with us are an Einstein or a Michelson are great, but even they with all their knowledge do not know very much. If God be eternal and has always existed when and how did he have this beginning? What after all is mind? What makes the mind? What is the soul and where is it located?

Is it in the heart, or in the brain, or in the whole body? Who knows? I don't, do you? The sage old German places his little finger to his temple and asks: "Was sachs mein Klein finger?" (What does my conscience say).

'Tis a great country in which we live, and we have not yet even scratched the surface of our possibilities. There is one thing however to be feared and that is that too great progress may work our own destruction. Forty odd years ago when I was a student in the graduate school of Johns Hopkins University, Sir Archibald Ramsey the great English chemist visited us and gave us a series of lectures in one of which he declared that there was energy enough in a thimble full of sand to blow the largest battle ship over the highest mountain. The Atom bomb, and the H-bomb of the present are but firecrackers compared to what man will ultimately produce. Thank God we are yet a long way from that destiny.

But remember when Noah complained to God about the great flood destruction God promised that the world would not again be destroyed by water but by fire. At our present pace mankind is hastening that awful day.

W. J. H.

HOW TO GET AHEAD IN BUSINESS

The more we read business success stories in newspapers, the more convinced we are that there is some major secret behind each success.

Probably the main secret involves service. In other words, the growth of an industry or business depends chiefly on how well it serves the public.

Take, for instance, the home appliance field. The many home appliances have almost revolutionized our homemaking habits. Across the nation these products save millions of hours of hard, tiring work every day. They add that much more time for doing other things we would rather do.

The electric vacuum cleaner is a leading example. No longer do heavy rugs need to be taken outdoors to have the dirt beaten or shaken out of them. In fact, the historic spring house-cleaning uproar is beginning to go out of date. With light, scientific machinery, the house can be kept clean, bright, and healthful the year around. Mother has more free time and fewer backaches. And Father and the children share in a homemaking picture in which a large part of the drudgery is erased.

Yet this revolution in homemaking is a fairly recent one. For example, the pioneer vacuum manufacturer, the Hoover Company built its first cleaner in 1908 but took 15 years to produce its first million.

Now we get the startling news that it turns out more than a million cleaners in a year. Its 10 millionth cleaner just recently came off the assembly line.

To develop a successful business, many factors are needed—research, engineering, efficient production, fi-

nancing, selling, advertising, and alert progressive management. Then there are such ingredients as character, judgment and plain hard work. But along with these there must be a good product, produced economically so as to be within the public's reach, and above all, something which serves the people exceedingly well.—J. E. Jones.

GRASS ROOTS OPINION

ASTORIA, OREGON, ASTORIAN-BUDGET: "In Washington, D. C., public money flows like water and, when the government can't get enough out of the taxpayers it creates new money by its irresponsible fiscal policies—such as its borrowings from leading institutions, its facilitation of easy credit, and the like."

WEST BEND, WISC., NEWS: "High taxes and credit controls are imposed to compel us, as individuals and businesses, to restrain our expenditures; we are exhorted to recognize our responsibility as citizens to save. It is intolerable that the Federal government, which next year will spend about one-fourth of the national income, should not share in the general belt-tightening. Federal, state and local expenditures, by the way, will account for about one-third of the national income!"

PLAINFIELD, IND., MESSENGER: "Quite a number of States are coming out of their lethargy as concerns where do we get off if we do not, and soon, up and lower the boom on the giant vehicles that are pounding our roads to dust... California has just discovered that its big trucks hit up to 70 and that they out-run by 15 minutes the fastest railroad streamliner between San Francisco and Los Angeles—445 miles."

RUTHERFORD, N. J., REPUBLICAN: "The only hope for checking inflation lies in a vigorous reform within the government, and an about face in present spending and borrowing policies."

FRIONA, TEXAS, STAR: "A casually-dropped remark at a recent trade convention in Amarillo has been haunting this editor somewhat; in fact we believe it of sufficient import to pass along with added emphasis. Said the speaker at a round-table clinic: 'Good bookkeeping, a necessity in your business and mine, will hold little meaning for any of us unless newspapers direct the American people back to the formula of self-government provided by the constitution.'"

McGEHEE, ARK., TIMES: "The 'welfare program', with its socialized medicine, socialized insurance and financing and socialized industry, is advocated... as a proper governmental function. But it is contrary to everything which has made America the great nation it is. Our nation was built by individual responsibility, resourcefulness, initiative, enterprise hard work and faith. The individual not the government, was deemed all important. Likewise, the individual or private businesses did not have to compete with tax-supported governmental agencies."

VIRGINIA, MINN., MESABI DAILY NEWS: "Social security and public assistance programs are a basic essential for attainment of the socialized state envisaged in democratic ideology," says a pamphlet published by the Bureau of Public Assistance, Social Security Board.

"The Government Printing Office has the document for sale. The pamphlet adds after its boost for Socialism that the socialized state is 'a way of life which so far has been realized only in slight measure.'"

EMPORIA, KANSAS, GAZETTE: "We are being taxed and bribed and lured into socialism. We'd better face the ugly facts now, before it is too late."

Purina's New Complete Ration Plans
help get
MORE EGGS from MODERN HENS
(than last year's plan)

Most modern hens are bred to lay lots of eggs—200 to 250 a year. Yet many, many hens are not laying even near their bred-in capacity because of poor ration. Many poultrymen are getting more of these eggs with the help of one of these feeding plans.

1. Purina Layena Checker-Etts-fed in open hoppers at all times.
2. When pullets are coming into production or in cases of unsatisfactory production or poor body condition, top feed new Purina Poultry Booster Checkers in place of Layena Checkers.

ASK US FOR FULL DETAILS ON HOW ONE OF THESE PLANS MAY FIT YOUR NEEDS

FRIZELLBURG

Mrs. Anna Babylon returned home on Tuesday after spending some time with her sister, Mrs. Ida Phillips at the home of Mr. and Mrs. Luther A. Zimmerman, Mr. and Mrs. Walter W. Myers and Mrs. Bessie Freet spent Sunday afternoon at the same home.

Miss Janet Cole spent the past week with relatives in Hanover. Cpl. Carl Cole spent the week-end with his home folks.

Mrs. Emma Rodkey a patient in the Hanover General Hospital, is getting along nicely and is expected home the last of the week.

There will be no church services in Baust Reformed church on Sunday.

Mr. and Mrs. George Bowen and daughter, Linda, spent Tuesday with friends at Essex, Md., and enjoyed the day fishing.

Services in Baust Lutheran church Sunday, Sept. 9th: Sunday School, at 9:45; Worship, at 11. The Women's Missionary Society will meet at the church, on Wednesday, Sept. 12, at 8 P. M. Rev. Donald Warrenfeltz, pastor.

Miss Dottie Morelock returned home on Tuesday evening from Ocean City, Md.

The Aid Society of Baust Reformed church met in the Parish House on Tuesday night. The devotionals were in charge of Mrs. Allen Morelock. The scripture was read by Mrs. Noah Babylon. A poem was read by Mrs. Grace Zinn. The minutes were read by the secretary, Mrs. Bennetta Arrington and the treasurer's report was given by Mrs. Denton Wantz. Refreshments were served by Mrs. Miles Reifsnider, Mrs. Denton Wantz, Mrs. Stanley Stonieser and Miss Charlotte Roberts.

The Never Weary class of Baust Lutheran Sunday school, met Tuesday evening, at the home of Mr. and Mrs. Edward Hailey with Miss Edna Myers as leader. The meeting opened by singing hymn, "My Faith Looks up to Thee". The scripture was read as recorded in II Kings 25:8-10 and prayer by the leader. The class then sang "My Country 'Tis of Thee." The topic for the lesson was "The Old Testament and Archaeology". The business meeting was in charge of the class president, Miss Audrey Myers. After the closing prayer the host and hostess served refreshments to thirty members and guests present. The October meeting will be held at the home of Mr. and Mrs. Glenn Haines with Walter Myers, Jr., as leader.

Mr. and Mrs. Walter Senft, daughter, Waneta and Francis Reese went on a sightseeing trip over the Labor Day week-end. Points of interest which they visited were the Endless Caverns and Natural Bridge, while there they attended the night pageant under the beautiful bridge. They traveled home by way of the Skyline Drive through the Shenandoah Valley.

Mr. and Mrs. Eugene Carr their niece and her girl friend of Akron, Ohio, were Saturday evening guests of Mr. and Mrs. Glenn Haines and daughter, Brenda. Miss Gladys Melown, of Westminster, spent the Labor Day week-end at the same home.

Some of us run to the ends of the earth

Looking for precious ore
When we could find heaps of shining gold

In the heart of a friend next door,
Some of us waste so much of our lives

In search of love supreme—
A love that waits at our elbow while
We're seeking it in a dream.

What metal can match the silver crown
That a precious mother wears?

What stone can outshine the hearthstone
When you're lonely and no one cares?

Treasure is like a will-o'-the-wisp—
In search of it you may roam
But it always winds up leading you back

To a little place called home.
—Nick Kenny.

FEESERSBURG

The Labor Day holiday is over and for some it was the last Labor day they will ever know. The death toll exceeded all predictions making it the most costly in human lives on record. We were among those on the highway on Sunday and because we are particularly interested in why accidents occur, we watched closely the drivers in action. It is our opinion that 90 per cent of car drivers are on the alert, considerate of their own safety and the safety of their neighbors. It is the 10 per cent that cause the accidents. They are the ones who weave in and out of traffic, pass other cars regardless of whether the road is clear ahead, give no signals of their intentions to stop or turn and travel at a speed that exceeds the safety condition of the road and usually the condition of their car. This ten per cent of dangerous drivers are not necessarily made up of teen agers for on Sunday we saw men with their families doing this kind of driving. The bad drivers have one thing in common—they lack judgment and understanding, and they evidently value their own lives so cheaply that they are willing to gamble them against a few minutes of time. Unfortunately while they are risking their own lives, they are also risking the lives of innocent people. What is the so-

lution? It seems to this reporter that mental tests should be given to every driver of a car to weed out the unstable and the misfits. The test should be given when they apply for a driver's license and after that at regular intervals. A car is a potential weapon and therefore should not be handled by morons.

Mrs. Russell Bohn and Miss Margaret Roelke left Friday by train for Detroit, Michigan to spend a week with Mr. and Mrs. Laurence Roelke. While there they expect to attend the Michigan State Fair.

Guests last week of Mr. and Mrs. Cleon Wolfe were: Rev. James Patton, Mrs. Patton and son, Ralph, of Philadelphia; Mrs. Chester Wolfe and daughter, Anna, also of Philadelphia; Mrs. Walter Groce, Littlestown, and Mrs. Treva Treon and son, Jerry, of Sunbury, Pa.

Mrs. Clayton Biggs, of Baltimore, is spending this week with Mrs. Lowell Birely, at Grove Dale.

A friend of ours reports that she broke an egg with three yolks the other day. Two yolk eggs are quite common but this is the first time we have ever heard of one with three.

Today (Tuesday) the schools reopened their doors and millions of children returned to their books and the pursuit of knowledge. The Elmer Wolfe has quite a few new teachers and from our listening post we learn all of them have passed the acid test of the students and been given the stamp of approval. In fact, one young lad said his father would be sure to attend the PTA meeting because his teacher was so pretty. I guess girls and boys haven't changed since were in school. One year we had a brilliant teacher from Goucher and her subject was literature. But did we appreciate her knowledge? No, we did not. All we could see was that she wore dull dresses and no make up.

Mr. and Mrs. E. Samuel Smith celebrated their 36th wedding anniversary last Sunday. All of their 13 children were home to help their parents observe the important day.

Former pastors of the Mt. Union Lutheran church visited in the community recently. The Rev. Charles Bix who has a charge at Sparrows Point and Mrs. Bix with their daughter Ann called on members and spent the night with the David Millers, Rev. George Bowersox and Mrs. Bowersox, of Salisbury, Pa., were visiting in the community too.

The Mt. Union Missionary Society held a covered dish supper Tuesday evening in the parish house. There were thirty-five present including Pastor Warrenfeltz and Mrs. Warrenfeltz who have just recently returned from a month's vacation.

The Hoffman's Orphanage celebrated its 41st anniversary last Thursday. This orphanage is located near Littlestown and is supported by the voluntary contributions and gifts of churches, organizations and individuals interested in children. During the Orphanage's existence some 353 children have been admitted. On Thursday the children presented a musical program for the enjoyment of the thousand visitors who attended. Miss Hazel Hess, of Taneytown was in charge of the music. Guests were present from all points of Maryland, Pa., Va. and W. Va. To anyone bored with life and with too much material wealth for their own good, there is no better investment in time and money than an interest in a neglected child. The dividends are surprising.

Lt. David Buffington flew from Fort Benning, Georgia, to spend the Labor Day holiday with Mr. and Mrs. Millard Roelke. Miss Barbara Witzke, of Catonsville, spent the week-end at Merry Knoll also.

It would be a worry of every one's minds if the citizens of Union Bridge would make up their minds on how to solve the parking problem. The suggestion on making Main Street a one way street doesn't seem practical. It would be all right for local people because they would be familiar with it, but visitors would certainly be confused. The present set up seems to be working all right except for those people who hate to walk. Well, walking seems to be one of those old time virtues that former President Hoover was speaking of last week, and one that we should make more use of. It would not only help the traffic problem in Union Bridge but would also improve our waist line.

Mr. and Mrs. Samuel Keyton and their sons, Kenneth and Ronald returned home Monday morning after spending a week in Hartsville, Ohio. Their son Jimmy who is in the Air Corps and is stationed near Chicago met them in Ohio and they enjoyed several days together.

Many an overworked housewife would like nothing better than to belong to a union so she could stage a sit down strike once in awhile.

HARNEY

Mr. and Mrs. Stuart Dom, Larenceberg, Indiana, who had been here on a visit to their son Stuart, wife and children, left for their home Tuesday morning.

The Volunteer Fire Co. of Harney collected two large truck loads of paper on Saturday. They want to thank the folks for their cooperation and expect to have another collection in the future. Thanks again.

Mr. and Mrs. Stuart Dom are building a garage and dwelling near Piney Creek Presbyterian church and expect to vacate their present home by Oct. 1st.

The Lutheran Brotherhood of St. Paul's Church held their monthly meeting at the home of Mr. and Mrs. John H. Harner, Tuesday eve. Mr. Harner is the president of the Brotherhood, and 15 members attended a short session and report Mr. Harner improving nicely from his recent operation at Hanover Hospital.

Ruth LeGore, daughter of Mr. and Mrs. Paul LeGore, is suffering with rheumatic fever, in her home.

Service at the U. B. Church Sunday eve 7:30. Rev. Arthur Garvin, pastor.

Mrs. Ruth Reynolds returned to

her home here after a visit with her daughters, near Arendtsville.

The Mt. Joy congregation will celebrate their 100th anniversary, Sept. 9. Three services at 10 o'clock Rev. Dwight Putnam, Harrisburg; at 2:30 Rev. Frank Kelly, of Philadelphia. At 7:30 Rev. George Melhorn, son-in-law of Mr. and Mrs. Wm. Durbinow. Let's go hear. The history of this church was a part of Trinity Taneytown; also Emmitsburg. No services at St. Paul's, Sept. 9th. All invited to Mt. Joy.

Well another fried chicken and ham supper for Saturday 8, at the Tom's Creek Methodist church, Taneytown-Emmitsburg road. Start serving at 4 o'clock. I have never been to their suppers but know a lot of our folks who have and I know these people to be deserving of your help so let's go and see how they treat us, I am sure you will be made welcome.

Mr. and Mrs. Norman Welty and daughter, Judy, were Sunday evening dinner guests of her mother, Mrs. Nettie Sherman and daughters, Middleburg, Md.

Mr. Benjamin Marshall visited with Mr. and Mrs. Murray Fuss, Sunday afternoon.

Mr. and Mrs. Richard Leister and two sons, Littlestown, Pa., were Sunday evening dinner guests of Mr. and Mrs. Morris Haines and daughters, Hazel and Linda.

Mr. and Mrs. Eugene V. Brewer, of Washington, D. C., spent the week-end with Mrs. B's parents, and brothers, Mr. and Mrs. Chester Moose and sons, Dale and Eugene.

Mrs. Chas. Hoffman had the misfortune to fall last week in her garden and is now bedfast. She hurt her hip in the fall which had been fractured many years ago. Mrs. Hoffman was taken to Gettysburg Hospital Tuesday morning in the Taneytown ambulance and X-rayed. She was returned to her home with a fractured pelvis.

C. Robert Held son of Rev. and Mrs. Chas. E. Held, pastor of Mt. Joy and St. Paul Lutheran church, left New York City, Sept. 1st for Athens. He was awarded a scholarship at the American school of Classical Studies in Athens, and will work for his Doctors Degree in "Greek Language". He graduated from Gettysburg College in 1949 and received his Masters degree at Princeton graduating last spring. He also served three years in U. S. Army. Best of luck "Robert".

Mr. and Mrs. Ralph Weikert and two daughters, Littlestown R. D., Pa., spent part of Sunday with Mr. and Mrs. Luther Fox.

An enjoyable corn bake and weiner roast was held on Sunday evening at the home of Mr. and Mrs. Cleve Stambaugh. Those present were: Mr. and Mrs. Francis Haines and daughter, Dorrene, Taneytown R. D. 2. Mr. and Mrs. John Kaltrider, Gettysburg Mr. and Mrs. David Reaver and daughters, Florence Oneida and Mary Katherine Reaver and Mrs. Katherine Wise and daughter, Sandra.

Mrs. Milton Spangler a former resident of this village but for several years has been making her home at "Mrs. Rowe Convalescent Home" of near Union Bridge, has been ill for a few weeks. Mrs. Daniel Yingling, Mr. and Mrs. Harry Clutz and Mr. and Mrs. Cleve Stambaugh, daughter Catherine and Sandra, and Mrs. Harry Ohler, Taneytown, called to visit her.

Mr. Nevin Slagle, of York, and his sister, Nettie, of Long Island, spent Saturday calling on old friends. Among the homes they called at were: Mr. and Mrs. Allen Walker, Mr. and Mrs. Clarence Naille, Samuel D. Snider and sister Ruth, and they were luncheon guests of their aunt, Mrs. Emma Ritter, Taneytown.

Mrs. Margaret Orner had as Sunday visitors Mr. and Mrs. Roy Overholtzer, Taneytown; Robert Orner, of Emmitsburg; Mr. and Mrs. Wm. Orner and family, Gettysburg, Pa.

Mr. and Mrs. Raymond Reynolds and sons, Terry and Randa, were dinner guests Sunday evening of Mr. and Mrs. Wm. Sentz and two daughters, Billie Ann and sister, Donna, Gettysburg R. D. 1, Pa.

James Fream son of Mr. and Mrs. Ernest Fream, Taneytown R. D. 2, has been employed as part time clerk in the Raycob store of this village.

John Fream a member of St. Paul's Sunday School returned to his home just recently from a two weeks course of instruction at Camp Nawakwa, Pa.

Mr. and Mrs. Murray O. Fuss accompanied by Mr. and Mrs. Samuel Valentine, spent Sunday afternoon sightseeing through Md. and Pa.

Mr. and Mrs. Ambrose V. Eckenrode, of Emmitsburg, spent Monday eve with his mother, Mrs. Hannah C. Eckenrode.

DIED

Obituaries, poetry and resolutions, charged for at the rate of five cents per line. The regular death notices published free elsewhere on our columns.

CLAYTON M. COPENHAVER

Clayton M. Copenhaver, 80, a teacher for over thirty years in Carroll county schools, died in his sleep on Tuesday morning at his home, 84 Pennsylvania Ave., Westminster. He had been awake at 5 o'clock, but failed to respond when called at 7 o'clock. After his teaching career Mr. Copenhaver served as deputy clerk during the first term of the late Clerk of Court Edwin M. Mellor. Upon resigning, he was a bookkeeper for several years with the Walter H. Davis Company. He was a son of the late Isaiah and Elizabeth Eckard Copenhaver and a native of Tyrone.

Survivors include the wife, Mrs. Mary L. Myers Copenhaver; a son, Dr. Wilfred M. Copenhaver, New York City, two grandchildren and two brothers and sister, Arthur Copenhaver, Taneytown; Harry C. Copenhaver and Mrs. Daisy Keefe, Westminster. Mr. Copenhaver was a member of the Westminster Methodist church. His pastor, the Rev. Eugene C. Woodward, will officiate at services Friday at 2 p. m. at the Copenhaver residence. Interment will be in

The Basis of
World Peace

IN the Bible we read (Isaiah 26:3), "Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee."

In these times of divergent and apparently irreconcilable ideologies, how are we to demonstrate practically the fulfillment of the Scriptural promise?

No one will deny that perfect peace is the ideal status for both nations and individuals. A peaceful and united world is neither an idealistic dream nor an unattainable goal. Universal harmony exists now as the spiritual fact, although material belief suggests otherwise.

"The children of God have but one Mind," writes Mary Baker Eddy, the Discoverer and Founder of Christian Science, in "Science and Health with Key to the Scriptures" (p. 470). This realization transcends borders and boundaries, nationalistic rivalries, ideological barriers, and wars, and unifies men in one brotherhood. Since all men are the children of God, and since God is All-in-all, then everywhere, logically, there can be neither power, presence, nor place for anything or anyone opposed to God. . . .

Tyranny, whether it seeks to impose itself upon the individual or society, through unlawful limitations and restrictions or through sin, sickness, and death, is seen to be without power when man's birthright of freedom is claimed and maintained. Clearly, God creates man free, and His law, to which the real man is subject, ensures exemption from bondage of any sort. Man is perpetually free, for his "delight is in the law of the Lord; and in his law doth he meditate day and night" (Psalm 1:2).

Doubt and fear may tempt us to believe that aggression and oppression have usurped God's government; material laws, when not patterned after the divine, may seem to engender many injustices; but when thought is freed—when we exchange the misgivings of mortal mind for the verities of immortal Truth—we prove in individual experience that the law of the Lord is the law of good, based upon immortal justice, by which all ideas are governed equitably. It is clear that God's offspring cannot be enslaved, cannot be subjugated by error in any despotic form, when there is one law only, the universal law of God, good. . . .

World harmony is based upon the law of good and the acceptance, in human consciousness, of the fact that there is but one Mind, God. . . . —The Christian Science Monitor.

CARD OF THANKS

I wish to thank everybody for their kindness and also for the beautiful flowers and cards while I am convalescing.

SARAH SHOCKLEY.

CARD OF THANKS

I wish to thank my many friends for their gifts, flowers, cards, baskets of fruit, money, visits, etc., while I was a patient at the Annie M. Warner Hospital, and since my return home. I received 125 cards and again I say many thanks to everyone.

PATRICIA LAMBERT.

the Baust church cemetery, Tyrone. Friends may call at the home until the time of services. J. E. Myers, Jr., Westminster, is the funeral director.

GEORGE A. OHLER

George A. Ohler, husband of the late Mrs. Sylvia Ritter Ohler, died at the home of his daughter, Mrs. Charles A. Harner, Emmitsburg, at 11 o'clock, Tuesday night after an illness of six months. He was aged 94 years. A lifelong resident of Frederick county, Mr. Ohler was a son of the late Jacob and Emmaline Fohrney Ohler. He was a member of the Emmitsburg Methodist church and the Emmitsburg Fire Company.

Surviving besides his daughter are two grandchildren and two great-grandchildren. Mr. Ohler's body will lie in state at the Emmitsburg Methodist church Friday from 12:30 to 1:30 p. m., when services will be held. The pastor, the Rev. Adam S. Grim, will officiate, assisted by the Rev. Philip Bower. Burial will be in the Keysville cemetery. S. L. Allison, funeral director.

DANIEL AND MICHAEL NULL

Daniel and Michael Null, twin sons of Charles E. and Helen Poole Null, near Taneytown, died Monday at the Annie M. Warner Hospital, Gettysburg, within nine hours after birth. Besides their parents, they leave a brother and sister, Charles Edward, Jr., and Virginia Lee Null, at home, the paternal grandparents, Mr. and Mrs. Hubert Null, near Taneytown, and the maternal grandparents, Mr. and Mrs. Charles Poole, near Taneytown. Graveside services were conducted at 7:30 o'clock, Wednesday in the Lutheran cemetery, Taneytown, by the Rev. Glenn L. Stahl, pastor of Trinity Lutheran church. Funeral arrangements were in charge of C. O. Fuss and Son, Taneytown.

CARD OF THANKS

We wish to express our sincere thanks and appreciation, to friends, neighbors and relatives, for kindness shown us during the illness and after the death of our husband and father, also for floral tributes, expressions of sympathy and use of automobiles.

MRS. LUTHER COPENHAVER and FAMILY.

New Dusting Methods
Tested in Michigan
Charging Fungicides May
Revolutionize Spraying

Fighting insects and plant diseases which damage farm crops may be revolutionized by charging dust particles in fungicides and insecticides with electricity, Michigan researchers reported recently.

Laboratory tests by Michigan State College researchers show charging of dust particles of normal dusting compounds gets five to ten times better coverage than through usual dusting processes.

A. W. Ferrall, head of the MSC

Henry D. Bowen, assistant in agricultural engineering at MSC, is shown experimenting with apples in the electrostatic dusting process.

agricultural engineering department, says field tests will be made this summer to try the new process commercially.

Fine dust particles of the fungicides and insecticides are charged with from 12,000 to 20,000 volts as they emerge from the nozzle of a regular commercial dusting machine. This high charge is held for several seconds. With dusts blown at a velocity of a mile a minute, it permits them to travel a great distance before losing the electric charge.

Engineers estimate the cost of necessary electrical attachments for the ordinary four-row duster would run around \$300.

Few Hours Spent Cleaning
Farm Pays Big Dividends

Spring is clean-up time—time to clean out the hazards around the farm which can cause personal injury, loss of time, or loss by fire.

And although many rural communities have already conducted clean-up campaigns, a few hours now and then spent in putting things ship-shape may save many days of time during the busy season later on. It is a well-known fact that orderly farms and homes have fewer accidents.

It will pay every farmer to take a few hours and remove accumulated papers, rags and rubbish from the home and farm buildings. Be sure that medicines, poisons and insecticides are out of the reach of children.

At this time of year many barns are still cluttered with an accumulation of things used during the winter. Clear them out of alleyways or working areas so they can not cause accidents. A neat place is a safe place for either work or play.

Clean Paint Job

For the housewife who wants to paint her flower pots before resetting plants, here is an easy, clean way to get the job done. Invert the pot over a milk bottle and as you work, turn the bottle and you won't have to touch the painted pot at all. Leave it until it's thoroughly dry.

4-H Clubs in Minnesota
To Stress Food Projects

Some 49,200 4-H club members in Minnesota will be emphasizing three major food-producing projects this year—field crops, garden and poultry. They are among nearly two million youths throughout the nation who will be doing their part in the mobilization program by participating in 4-H club activities. In these projects 4-H boys and girls learn new agricultural techniques and farming practices.

COMMUNITY LOCALS

(Continued from First Page)

Mrs. Anna Topper, of Abbotstown called on Mrs. Harry Sprankle, on Friday evening.

Mr. and Mrs. George I. Harman, spent Tuesday with Mr. and Mrs. George E. Deberry, of Keymar.

Mr. and Mrs. Sheridan Reaver and family called on Mr. and Mrs. Harry Sprankle and Atwood Hess, on Sunday evening.

Mr. and Mrs. John R. Skiles and Mr. and Mrs. John H. Skiles, spent a few days in Atlantic City, N. J., returning last Friday.

Mrs. William Greenwood, of Baltimore, is spending some time at the home of Mr. and Mrs. Luther Luckenbaugh and daughter, Jean.

Mr. and Mrs. Clyde Hesson, Miss Mary Fringer, Taneytown, and Walter Fringer, New York, left Tuesday on a vacation trip in the New England States.

Robert Hughes was admitted to the York Hospital today, Friday and will undergo an operation on his right leg Saturday morning at 8 o'clock.

Mr. and Mrs. Nelson Tracey, of Washington, D. C., were guests over the week-end of their parents, Mr. and Mrs. Thos. H. Tracey and Mr. and Mrs. John Utz.

Mr. and Mrs. Geo. I. Harman and daughter, Mrs. Luther Claibough, attended a birthday party in honor of Mr. Maurice E. Claibough on last Friday evening. They had a very nice time.

Mr. Roy Garner and Eugene Garner, Taneytown, and Mr. and Mrs. Donald Garner, of Littlestown, spent the Labor Day week-end in North Carolina and in Tennessee, and visited Mr. Roy Garner's niece, Mrs. Anabel Ross, in Nashville.

A change has been made in the opening of the hunting season for squirrels. In past years the opening date was Sept. 15 with a two time periods for this sport but this year there will be only one period for hunting squirrels—opening on October 5 and closing on Oct. 31.

Those calling on Mr. and Mrs. Geo. I. Harman were: Mr. E. Lee Erb, of Union Bridge; Mr. and Mrs. Murray Baumgardner and two little boys, of Taneytown. Frank Harman, of near town; Mr. J. A. Hartsock, daughter and granddaughter and his John, all of Baltimore.

Miss Doris Ingram was greatly surprised when she heard she was the winner of the "Double or Nothing" Sweep Stakes question for the day, August 30, 1951. She later received a check amounting to one hundred eight dollars. Miss Ingram is the daughter of Mr. and Mrs. George Ingram.

Miss Clara Bricker returned Tuesday to Hyattsville to be head of the Commercial Department in the Senior High School. The former Miss Dorothea Fridinger, who lived in Taneytown a number of years ago in the United Brethren parsonage, is head of the English Department in the same school.

Mr. and Mrs. Elmer Gonder, Taneytown; Mr. and Mrs. George Stouffer, Union Bridge, left Friday night and spent until Tuesday night visiting Mrs. Gonder's brother, William Eckard and son in Fort Wayne, Indiana, and the former's cousin, Edw. Keating in Lima, Ohio. They had a very enjoyable trip.

Among those who were guests at a tea given by Mrs. Frank Cunningham and Miss Mary Cunningham at Miss Cunningham's home in Westminster, Wednesday from 3-6 were: Mrs. A. H. Carpenter, Mrs. Mary Coyne, Miss Anna Galt, Mrs. Walter Crapster, Misses Amelia and Elizabeth Annan, Mrs. Chester Neal and Mrs. Robert Neal.

Mr. and Mrs. Donald Tracey and children spent the week-end with Mrs. Tracey's parents, Mr. and Mrs. Howard Gannon, at Ridgely. Their daughter, Mary Angela Tracey, remained for a visit with her grandparents, Mr. and Mrs. Tracey brought home their son, Donald, who had spent the summer with his uncle and aunt, Mr. and Mrs. Howard Gannon, Jr., at Denton.

Officers for Hesson-Snyder Post and the Auxiliary were installed last (Thursday) night by departmental officers of the American Legion at the Legion Home. Stanley King will serve the Taneytown group for the next year as its Commander and Mrs. Sterling Fowler will head the ladies group. After two years of service Mr. Francis Lookingbill retires from the office of Commander of the Taneytown Post. Refreshments were served.

At the meeting of the Mite Society of the Lutheran church the program prepared by Miss Marian Hahn Mrs. Edward Harner, Mrs. James Harner and Miss Edith Hess, was as follows: Piano solo, Miss Evelyn Wilhide; vocal solo, Miss Shirley Null with Miss Louise Shorb, accompanist; piano solo, Elaine Harner; reading, Jean Haines; vocal duet, Sandra Shorb and Dick Clingan; Mrs. Kenneth Shorb accompanist; piano solo, Kenneth Reifsnider. The committee for the October meeting and social is Mrs. Loy Hess, Mrs. Ralph Hess, Mrs. Wilbert Hess and Mrs. Walter Harner. It was voted to have a supper. The date is Saturday, Sept. 29th.

CARD OF THANKS

I wish to thank all my neighbors, friends and relatives for the cards, letters, flowers and all other kind acts shown me while in the hospital, and since my return home, also the Fire Company for the use of the ambulance. Again many thanks.

RETTA CUTSAIL.

100th ANNIVERSARY OF THE YORK FAIR

(Continued from First Page)

head of the International Association of Fairs and Expositions.

The first grandstand program will begin at 7:30 p. m. Monday, Sept. 10. Afternoon grandstand programs will begin at 1 p. m. Tuesday and Saturday and at 12:30 p. m. on the other days, with races scheduled at 1:30 p. m., daily.

Afternoon running and harness racing will be interspersed with vaudeville specialties, and appearances by such orchestras as Guy Lombardo's and Freddy Martin's. Both these orchestras also will appear on evening programs.

Other headlines to appear, rain or shine, on the huge covered stage in front of the grandstand will include "The Three Suns", a Musical group; the nationally known Spring Garden Band, Ken Murray's TV Show, the Baltimore and Ohio Glee Club, and many top vaudeville performers.

The big Saturday afternoon attraction will be midget automobile races, plus vaudeville specialties and running races. The Joey Chitwood daredevil thrill show—featured not long ago in a Clark Gable movie—is scheduled for Saturday night, along with a revue, vaudeville acts and musical entertainment.

In a normal year, almost 100,000 persons attend the York Inter-State Fair's grandstand shows, staged at great cost and known throughout the fair world as among the most lavish productions of their kind.

Also on the entertainment side this year will be the attractions of a more than half-mile long Midway, including James E. Strates Circus. This large organization—known for its imaginative extravaganzas for both children and adults alike, will supply many old-time fair attractions in modern dress, from ferris wheels to midgets. A total of about 75 rides, shows and other attractions will dominate the Main Midway.

Holding to its traditions as an educational and agricultural exposition, the fair this year also will stage a varied program of exhibits, and other special indoor and outdoor attractions. Among them will be a \$2,000,000 show of modern and historic transportation equipment on a third of a mile of railroad track. More than 20 pieces of equipment will be exhibited by three railroads—The Pennsylvania, Baltimore and Ohio, and Western Maryland—in one of the largest shows of its kind ever to be assembled in the East, Mr. Lewis said.

More than 8,000 persons are expected to exhibit items for more than \$35,000 in prizes and premiums to be awarded by 55 judges during Fair week. An additional \$15,200 will be offered in race purses.

Since it is located in the center of a rich agricultural region, the York Inter-State Fair always has large and varied agricultural and horticultural exhibits. Housewives from York and the surrounding county give one another sharp competition for prizes for jellies, preserves, cakes, pies and domestic arts, such as sewing.

Show competition is keen, likewise among exhibitors of cattle, swine, sheep, poultry, pigeons and pet stock. The poultry and pigeon show is considered to be one of the largest and finest in the country, with entries numbering as many as 3,000.

Tuesday of Fair week is traditionally School Children's Day. This year more than 60,000 free-admission tickets will be distributed to every public and parochial school in York County and to some schools in adjacent counties.

The fair's many postwar improvements include sanitary facilities built at a cost of \$100,000 in the last two years.

The fair management, Mr. Lewis pointed out, emphasizes conveniences and fair treatment for patrons. Toilet facilities, for example, are operated free by the fair management itself, and tipping is forbidden. This is in contrast to the practice at certain other fairs where toilets are operated by concessionaires who pay for the privileges and, in turn, charge patrons to use such facilities.

Last year, 688 persons were needed to operate the Fair, including 150 policemen, plus ticket takers, ushers, auto parkers, stage hands, laborers, clerical workers and others.

The York County Agricultural Society, the educational organization that over the years has improved and enlarged the fair while other such historic institutions were waning and dying out, is administered by 250 members elected for life. They fix Fair policies and actively manage its different departments.

Fish Facts
Lean fish, like cod and haddock, are good for boiling and steaming, because their flesh is firm and will not fall apart easily during cooking.

Coating Has Gleam
Most varnishes dry with a high gloss. If a flat finish is desired, the varnish must be rubbed, or a special flat-drying varnish used.

PEN-MAR LEAGUE

Taneytown and Fairfield being tied for 1st place in the Pen-Mar League, the tie-breaking game will be played off Sunday afternoon on the diamond at Taneytown Recreation Park. Should rain interfere, the game which must be a full 9-inning game, will then be played next Wednesday at 7:30 in Littlestown. Another postponement will bring the teams together the following night at the same place.

The Shaughnessy play-offs in the Pen-Mar Baseball League will get started on Sunday, Sept. 16th. The schedule will be made up following the outcome of the play-off between Taneytown and Fairfield.

"I took the Blindfold Test"

—that new Dodge Oriflow Ride sure opened my eyes!"

Says DANIEL F. HOWARD, JR. of New York City, "The Blindfold Test convinced me! The new Dodge Oriflow Ride really levels out the worst kind of bumps and ruts," continues Mr. Howard. "No ride has ever been so smooth."

DEPENDABILITY

Come in! Try it!

FEEL HOW NEW ORIFLOW RIDE MAKES ROUGHEST ROADS BOULEVARD-SMOOTH!

Here's something new and wonderful in riding smoothness you notice from the very start!

Blindfolded you ride over a bumpy road. You're told the ruts are there—but you don't feel them!

Gone is the pitch, bounce and jar you experience in other cars as the new Dodge Oriflow Ride levels out the rough spots. And with

blindfold off you'll be amazed you traveled over such humps and chuckholes.

Words alone can't tell it all! That's why we invite you to take this daring "Blindfold Test" today. You could pay up to \$1,000 more for a car and still not get all the extra roominess, ease of handling, famous Dodge dependability!

The big, dependable

THE BIBLE SPEAKS

International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

SCRIPTURE: Matthew 18:15-20; Acts 4:31-37; Philippians 1:27-2:11; 1 John 3:14-24.
DEVOTIONAL READING: 1 John 4:7-21.

Why Is the Church?

Lesson for September 9, 1951

WHAT use is the church? What difference would it make if it were disbanded?

A woman bought a vacuum cleaner on trial, but after using it a while she decided it wasn't any better than an old-fashioned carpet-sweeper and she sent for the man to take it away. When he came around, he discovered that she really did not know how to use the thing. All the attachments were still in the box; she had never found out what they were good for and so she never realized how useful a "vac" can be.

It is something like that with the church. It has many uses which are seldom discovered.

Tell the Church

THE main and most important feature of the church is that it is a fellowship. This should be far more, far deeper, than a mere label.

One rarely-used function of the church was suggested by Jesus. In a quarrel, he said, the first thing to do is to settle it between yourselves. If that will not do, then take a few people with you and see if a small group can reach agreement. If not then "tell the church."

Probably the average congregation today, as a whole, would be a poor judge of quarrels. But suppose some church tried the experiment of forming a kind of consultation-group, made up of the wisest and most Christian persons in it; and suppose members of the church who had differences which would ordinarily be taken into court, were encouraged to consult those counselors for help—wouldn't some quarrels, that now reach the courts, never get that far?

Common Treasury

SOME weeks ago it was suggested here that in some communities the church sees to it that no member of the church goes without a job. It is also a fact that in some congregations either a committee of the officers, or the minister, is entrusted with a fund, sometimes called the Deacon's Fund and sometimes the Emergency Fund, to be used in taking care of real financial emergencies, for the benefit of the members.

Sometimes it is used as a revolving loan fund, sometimes as outright gifts. No detailed accounting is made, because it is important that no publicity be given to the needy cases; hence those who administer the funds have to be persons who can be fully trusted.

The "needy cases" may not be charity cases in the usual sense. The point is that a church can be a fellowship so close that a person in physical or financial need would think of it as a source of help just as quickly as he would think of his own family. It is his family.

Making Love Real

THE fact is, if there had not been real fellowship in the church all these centuries, it would not have lasted as it has. No outfit can run on and on for centuries if all it does is to provide jobs for a few jobholders.

No, there has been real family fellowship in the church. It does not always come out in official actions of church boards, but the thing is there. Preachers talk about love, and Sunday school lessons mention it. But this is not all. There are enough persons in the church making love real, (see Moffatt's translation of 1 John 3:18), to more than justify the church's existence.

A poor woman who was in the grip of the drink habit had a Christian woman friend. This friend said to her, "When you feel the craving coming on, even if it's in the middle of the night, call me and I'll come right down and we'll fight it through and pray it through together."

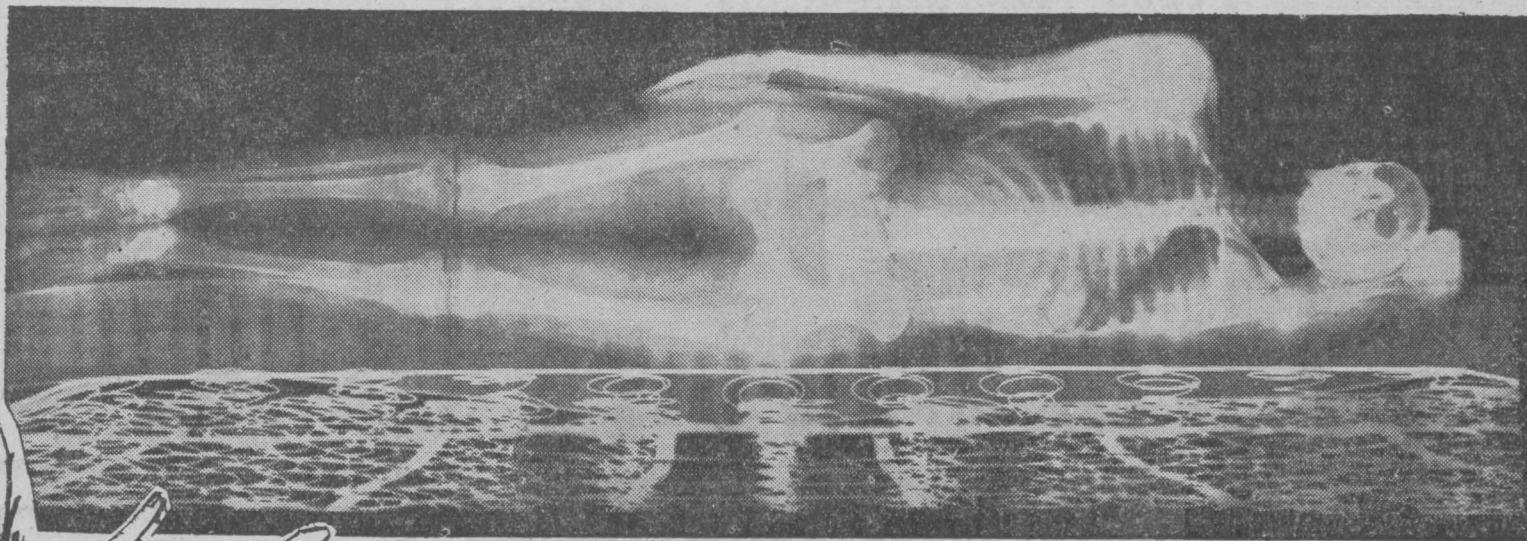

That was what did it. Not the sermons, not the books on temperance, but the fellowship of a woman who would get up in the middle of the night to help her friend through a desperate struggle.

Happy is the person who finds a church where there are people like that. For that is what Christian fellowship is: making the other person's cause and troubles your own.

ASK YOUR DOCTOR

HE KNOWS THE IMPORTANCE OF PROPER SUPPORT FOR YOUR SPINE!

If you were to take Englander's history-making, X-ray photo (the first life-size, one-shot X-ray of a living person ever made on a mattress and foundation) to him, he would note with approval that the spine is in natural position . . . properly, healthfully supported by the unique combination of the Englander mattress of Goodyear's Airfoam with Englander's special Red-Line Foundation. He would tell you as a leading Orthopedic Specialist told us, that "A study of this X-ray film indicates that with this combination of mattress & springs, a person can lie comfortably and without distortion of the head and neck, shoulders, torso, pelvis and extremities and completely supported at every point. It proves that he can be comfortable without tension or distortion."

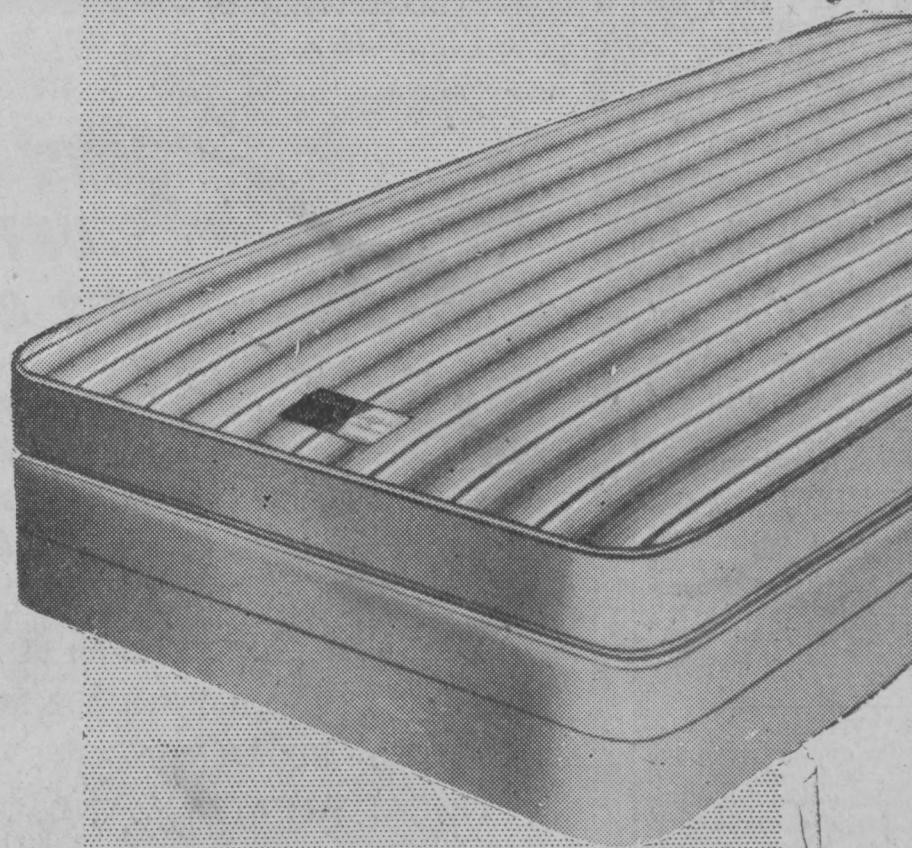

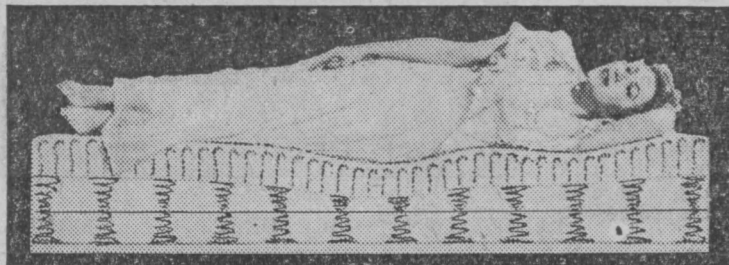

When it comes to your health . . . you always consult your doctor.

And that's precisely why Englander went to medical experts to prove its claims for its Airfoam Mattress and Red-Line Foundation. They worked for more than a year with leading orthopedic authorities and roentgenologists (X-ray experts) to perfect this X-ray evidence . . . so that they can now offer you positive proof that this ensemble provides the luxurious comfort and healthful support they've been telling you about.

See Englander's X-ray Evidence Here Now!

The very first life-size, one-shot X-rays of a living human on a mattress or foundation. Here now, to help you make a scientific selection of sleep equipment. The X-rays show how the Airfoam Mattress conforms to your body contours, giving the blissful, buoyant comfort it's famed for . . . while your spine is in its natural position as your doctor would recommend, firmly supported by the wonderful Red-Line foundation.

ONLY THE AIRFOAM MATTRESS and RED-LINE FOUNDATION give you this combination of luxurious comfort and healthful support, as evidenced by the cross-section diagram above. Come in now and see this Englander Airfoam ensemble. When you press down on it with your hand, you'll see and feel it mold itself to the pressure of your fingers, responding with a buoyant "uplift." Then check the X-rays. There, you'll see how the Englander Red-Line Foundation provides firm, healthful support. Its springs are joined only in the center by a flexible steel band. The upper half conforms to the contours of your body . . . the lower half gives firm, restful support.

BUSY DAYS FOR THE FARMERS IN THE NORTHWEST

This is a season of varied activities on farms in the Northwest. Pears, apples, beans, corn, tomatoes, cucumbers, berries, prunes, carrots, hops, and mint are some products of the farms at this season. Thus many workers are in demand. Much of this work is done by school boys and girls. These workers are picked up by buses between 6:00 and 6:30 A. M. usually at State Employment Office. Many loggers who were out of work due to recent closures of western forests went to the aid of the farmers but since the rain on Tuesday these have returned to the forests.

Peppermint already harvested was a good yield this year. The average yields are 65 to 70 pounds of oil per acre. Mr. Olin Cox distilled 111 lbs. of oil from each of his six acres. The mint is distilled at a distillery. The extract is used for flavoring chewing gum, etc.

Thousands of people are engaged at present picking hops and beans. Some hops are picked by machine. This method is employed somewhat later than hand-picking. This morning's newspaper reports that several trellises in some yards had collapsed due to the added weight of moisture on the hop vines. Rain and wind Tuesday caused the collapse of nearly 100 acres of hops in the Independence district. L. H. Dalkenberg reports that he lost about 46 acres. These hops are late varieties and the downfall of the vines means destruction. Many hop growers already have completed harvesting the early Fuggles.

The forecast, according to Carl Richardson, department of agriculture representative, was for 16,650,000 pounds as compared with 16,279,000 last year.

Although there has been no reported trading of this year's Oregon crop nominal quotations on clusters with 6 per cent leaf and stem content were 60 cents. Much of this year's crop already is under contract.

G. H. ENFIELD.

THIS 'N' THAT

(Continued from First Page)
individually and serves it out the same way.

How sad it was to know of a little three year old boy with his tiny brother in his Mother's arms driving to the International Friendship Air Port and seeing his Dr. Father off to war! The three year old little lad had two weeks of awful nightmare after! In recently meeting the little youngster, he said to Your Observer, "I am a little man now, I have to take care of my Mother and brother until my Daddy comes home!"

As I went into a store—the owner a widow came forward and I saw that she was terribly nervous. There was a very handsome young chap beside her and as he walked to the front door, she quickly said, "I am so upset, my boy is to be shipped out any time for overseas as he is home from Camp now on a furlough!" I tried to comfort her! But who can do that in such awful times with hearts bleeding like that? As I walked out of the store with a lump in my throat, I realized it all was true just what that man Sherman said about war!

So long, folks and as you drive along Thank God for all your blessings and that you do not have a "Bleeding Heart" and I think you know just what I mean. Until next week D.V. I am,

Faithfully,
YOUR OBSERVER.

Video Demands Comfort

Since the advent of television, the sales of slipcovered mattresses and springs-on-legs for living room use have increased. It seems that people enjoy the programs much more while comfortably stretched out on a good bed.

Save Violets

African violet growers can multiply their plants by snipping off a leaf and inserting it in Terra-Lite vermiculite. This is a sterile propagating medium which produces big, healthy roots in six to eight weeks with little or no loss.

Indian Special

In powdered form, the Bombay duck is used to flavor curries; or it may be served as a side dish, along with dabs of such Indian condiment specialties as coconut, fried onion, and ginger chutneys.

Uncle Sam Says

This April, 176 years after the original Minute Men fought the battle of Lexington, our country is once more forced to defend those rights. The ultimate success of this Defense effort depends on the maintenance of a sound national economy. You should have an important part in this defense effort which can be fulfilled by the purchase of U. S. Defense Bonds. Buy them now and buy them regularly. Review your budget today and then enroll for the Payroll Savings Plan where you work or the Bond-A-Month Plan at your bank.
