

COMMUNITY LOCALS

This column is not for use in advertising any money-making program, fair, supper, party or sale. It is intended for news, personals, and such matters as may be of community interest.

All communications for this department must be signed by the author; not for publication, but as an evidence that the items contributed are legitimate and correct. Items based on mere rumor, or such as are likely to give offense, are not wanted.

Joseph Arnold has enrolled at Mt. St. Mary's, Emmitsburg.

Mr. Daniel Null is a patient in the Annie Warner Hospital, Gettysburg.

Miss Helen Arnold and Joseph Gorman will attend the World Series on Friday in New York.

Mrs. Carrie Dern, near Emmitsburg spent Tuesday with her brother and wife, Mr. and Mrs. Clarence Dern.

Mr. and Mrs. Dave Williams, of Warren, Ohio, are spending part of this week with Mr. and Mrs. Harry Mohney.

Mr. and Mrs. Charles Rickell and Mrs. Agnes Penn, Westminster, spent Friday with Mr. and Mrs. James Burke.

Mr. and Mrs. Clifford Gash, College Park and Lee Howard, Washington, D. C., spent the week-end with Mrs. Laura Howard.

The monthly meeting of the Ladies' Auxiliary of the Fire Co., will be held Thursday evening, October 8, at 7:30 p. m. in the Fire Hall.

Piney Creek Grange will hold their regular meeting, Monday, Oct. 5th, at 8 p. m., in the Harney Theatre. All members are urged to attend.

Elmer E. Rippeon, F. N. U. S. N., and Francis G. Eckenrode, Jr. F. A. U. S. N., of Norfolk, Va., spent the week-end with their home folks.

Mr. and Mrs. Wilson Utz, Route 1, Taneytown, are receiving congratulations on the birth of a son, Jerrold Woodrow, born September 23rd.

Bernard Stahley, wife and son, Bernard, Jr., from Westminster; Helen Weishaar and J. R. Shoemaker, spent Sunday with Cleve Weishaar and family.

James Fream, son of Mr. and Mrs. Ernest Fream of near town, has enrolled as a sophomore at Eastern College of Commerce and Law, Baltimore, Md.

Mr. and Mrs. Thomas Ricketts and children, Margaret Rose and Joan, of Southern Maryland, spent Sunday with his parents, Mr. and Mrs. J. W. Ricketts, Sr.

Corporal and Mrs. Jesse Roberson, of Fort Dix, New Jersey, spent the week-end with Mrs. Roberson's parents, Mr. and Mrs. Denton E. Powell, of near Baust church.

Mr. and Mrs. Walter Eckard and daughter, Miss Barbara and Mr. and Mrs. Curtis Reid, spent Sunday in Manheim, Pa., with Mrs. Reid's brother, Mr. and Mrs. Lloyd Ridinger.

Eugene Gardner, Lutheran Seminary, Gettysburg, is the newly assigned student for Trinity Lutheran church. His field work started Sept. 27th and continues through the last Sunday in April.

Mr. and Mrs. A. J. Irvin, Trevanion, announce the birth of a son September 27th at the Annie Warner Hospital, Gettysburg, Pa. Mrs. Irvin is the daughter of Mr. and Mrs. Spencer Mullinix, Woodbine.

Monday the Carroll County Ministers of the Evangelical and Reformed Church met at the local parsonage with Rev. Morgan Andreas as the host minister. They had dinner at Sharrers dining room just west of town.

Mr. and Mrs. Ray Wetling, Upper Sandusky, Ohio, and son, Charles Wetling, Baltimore, spent the week-end with Mr. and Mrs. Hubert Null. Mrs. Wetling is spending a week with the Nulls and her mother, Mrs. Edward Zepp.

Mr. and Mrs. Walter S. Smith attended the open house Sunday in observance of her brother-in-law and sister's Mr. and Mrs. Charles Millhimes' golden wedding anniversary. The Millhimes were married fifty years ago September 29th.

Taneytown, Piney Creek and Emmitsburg Missionary Societies will meet Thursday, at 10 a. m., at the home of the Misses Gilleen, in Emmitsburg, for a book review of "Bridge to Africa". At noon there will be a luncheon.

Mr. and Mrs. Ralph Dinterman and daughters, Mr. and Mrs. LaVerne Keilholz and children; Mrs. Elsie Troxell, Miss Mary Frock, of York, Pa.; Mrs. Sarah Frock and daughter, Union Mills were guests on Sunday of Mr. and Mrs. Grier Keilholz.

This week Mrs. John Teeter received a letter from Mr. Frank Kramer, Pres. of the Ladies' Auxiliary of the Annie Warner Hospital, Gettysburg, acknowledging the receipt of the \$451.20 raised by Taneytown members of the Auxiliary and the folks of this community, is full of praise and appreciation.

Mrs. Lottie Jeannette Johnson underwent a major operation Monday, the 28th, in the Frederick City Hospital. She is the niece of Mr. and Mrs. Sterling Snader and often visited them when they were residents of Taneytown. Her little daughter, Rosalie, is making her home with them in Silver Run.

(Continued on fourth page)

CAS DRIVE FOR FUNDS

Mrs. Edward Sprowl is Chm. for Taneytown District

The Carroll County Children's Aid Society's annual Financial Campaign will begin October 1 and continue through October 15th. The goal this year is \$13,000. Mr. Scott S. Bair is the County Campaign Chairman. Mr. Bair has announced that the speaker for the Campaign Kick-off Dinner, September 28, 1953, is the Honorable Samuel Hopkins, member of the House of Delegates from the third Legislative District of Baltimore, who has been active in civic and community work in Baltimore and has a deep interest in Child Welfare.

The Carroll County Children's Aid Society, a branch of the Maryland Children's Aid Society, Inc., is a county wide, voluntary agency which offers casework service to children and parents, irrespective of race or creed. Specifically we provide:

Boarding Foster Home care—for the child who needs to live away from his own parents, but who usually can return to his own home.

Adoption Study—for infants and young children whose parents are considering releasing them for adoption placement.

Adoption Placement—for the child whose parents have decided to relinquish their child and whom the agency believes needs and can benefit from adoption. We also help couples who wish to adopt a child by considering with them their plans and by selecting a child for whom they and we believe they will be suitable parents.

Protective Service—for children who are being neglected or cruelly treated.

HUNTING SEASON FOR SQUIRREL OPENS MONDAY, OCT. 5

This year the hunter's October moon will bring in opening dates in Maryland, according to Mr. Ernest A. Vaughn, Director, Maryland Game & Inland Fish Commission, on squirrels, woodcock, jack snipe for the first time since 1941, and wild turkeys in Garrett, Allegany and Washington counties.

The squirrel season will open Monday, October 5 and close for the year on October 31; the daily limit is 6.

The season on wild turkeys in the counties of Garrett, Allegany and Washington only, is October 5 to October 31, the same as the squirrel season; the limit on wild turkeys is one per season. Through game management reports indicate more wild turkeys in Maryland now than for some years past.

The woodcock season also opens October 5th but closes October 24th; however, it will open again when the regular upland game season opens November 15, and run through December 4. The daily limit is 4.

The jack snipe season opens October 5 and runs through October 19. The daily limit is 8.

The open season on mourning doves is split; the first period now open will close September 29, then open again November 15, running through Nov. 29. The daily limit is 8.

All dates mentioned are within the open season. The upland game season, that is quail, rabbits, and pheasants comes in on Sunday Nov. 15 this year, but as it is unlawful to hunt these species on Sundays, legal shooting will not begin until Monday, Nov. 16.

The daily shooting hours on all species mentioned excepting mourning doves, is from sunrise to sunset; on mourning doves from noon to sunset, EST, each and every day of both open seasons. The water fowl; ducks, geese and brant season opens at noon Wednesday, Nov. 11 (Armistice Day). On other days of open season the hours are one-half hour before sunrise to sunset.

For further information the hunter is advised to communicate with the Maryland Game & Inland Fish Commission, 516 Munsey Building, Baltimore 2, Maryland, or his local Game Warden.

TANEYTOWN KIWANIS ENTERTAIN KIDDIES

The Taneytown Kiwanis Club entertained approximately 400 youngsters at the Taneytown Memorial Park Saturday afternoon in commemoration with "National Kid's Day" which was emphasized all over United States and Canada on that day. Different clubs took individual ideas as to how they could give the kids a treat.

In Taneytown, they ran a free bingo stand which kept about 75 entertained, others rode ponies; free balloons were passed out, a model airplane show was staged by different boys in the community who have that as a hobby. Boxing was staged for the boys, this being put on by one of the patrols from the local boy scouts. The scouts sold refreshments on the grounds. Several games were played which were greatly enjoyed. All in all, they all seemed to have a grand time.

Assisting the Kiwanis was the T. H. S. Key Club and other interested citizens. This was the first year for the Kiwanis to undertake such a project and it is hoped that it can be enlarged for next year.

PARENT STUDY GROUP MEETING

The first meeting of the Parent Study Group for the school year will be Wednesday, October 7th, at 1:15 p. m., in the teachers lounge of the Taneytown Elementary School. The group discussion will center around the subject "How is Television affecting Our Children." All interested parents are invited to this meeting.

REVISED PLANS FOR SANITARY SEWER

Mayor Perry Announces Proposed Changes

We have had numerous conferences with Whitman, Requaardt and Associates, Baltimore, Md., relative to the sewerage treatment program for our town. They have revised the plan as originally designed for Taneytown and have submitted prints showing the general areas effected by the redesign to the Division of Sanitary Engineering, State of Maryland Department of Health.

It is our desire to eliminate the use of "shallow" sewers and to re-design all sewers to serve basements of all dwellings in Taneytown. The relocation of some of the collecting sewers have been requested by the citizens of Taneytown, and we have directed the engineers to meet the necessary changes.

The proposed sewerage treatment plant will be moved approximately 2½ miles along the meandering of Piney Creek downstream. This relocation will necessitate the building of approximately 5,000 feet of 18 inch outfall sewer to carry the sewage from the vicinity of the proposed Frederick Street Pumping Station to the new location. Under the new plan, the Frederick Street Pumping Station will be eliminated and a pumping station will be built along York Street in the vicinity of the Corporation Line. The sewer along the south side of West Baltimore Street west of Frederick Street will be relocated in the alley to the rear of the properties fronting on West Baltimore St. Although this will mean that the property owners will have to build longer house connections on private property to the sewer, they have requested us to make this change.

This revised plan of sewers, treatment plant and pumping station will be presented to the people of Taneytown prior to the referendum. We will set the date for the referendum in the near future. The Department of Health is reviewing the proposed changes to the sewerage system and if the revisions meet with their approval, they will advise us in the near future. No engineering work has been done physically changing the tracings for this job. It has been recommended by Whitman, Requaardt and Associates, Engineers that the engineering work be postponed until the referendum determines whether or not we are to go ahead with the program. If the vote is favorable, complete revised plans and specifications will be forwarded to the Department of Health for approval, and a permit will be requested for performing this construction work.

The location of the disposal plant will be on the property of Norman Sauble. The Council has been in contact with Mr. Sauble and we have a tentative location picked out.

HUSTLER'S SUNDAY SCHOOL CLASS MEETS

The regular monthly meeting of the Hustler's Sunday School class was held on Sept. 29, 1953, at the home of Barbara Eckard. There were 11 members present. The group sang "Our Best" accompanied by Nadine Sentz. The President called the meeting to order. Doris Stonesifer read Scripture, Psalm 54. We then prayed the Lord's Prayer in unison. The minutes were read and approved. Dues were collected for the evening. The treasurer's report was given and accepted.

Old business consisted of the play which we decided to give at a later date. New business, Miss Bankard asked the class to help serve the supper on Saturday, Oct. 10, 1953. The meeting was closed by the saying of the Benediction in unison. The next meeting will be held at the home of Nancy Baker. The class then enjoyed playing games. Prizes were won by the following people: Elaine Welty, Doris Stonesifer, Ruthanna Holter, Hilda Reaver, Miss Bankard, Carol Brown, Nadine Sentz and Nancy Baker. Delicious refreshments were served by the hostess.

NANCY BAKER, Reporter.

T.H.S. STUDENT ENTERS JOHNS HOPKINS UNIVERSITY

Billy M. Gillespie, Route 1, Taneytown, Md., was among the 310 freshmen who enrolled this week at Johns Hopkins University for the 1953-54 academic year.

Gillespie plans to study chemical engineering at the 77-year-old university, having received one of 52 state scholarships granted to incoming freshmen.

He is a graduate of Taneytown High School, where he was a member of the student council, associate editor of the school yearbook, a member of the student newspaper staff, and on the basketball and track teams.

Johns Hopkins is known as the first true university in America, dedicated since its founding to the encouragement of research and the training of scholars. Although most generally famed for its hospital and school of medicine, the university's other divisions also are recognized for their many contributions to the sciences and the humanities.

The Class of '57 has become acquainted with the Hopkins through an orientation program which included guided tours of the campus by undergraduate leaders, out-door lunches with members of the faculty, meetings with faculty advisors, and informative general sessions.

"YOU PAID FOR IT" X-Ray Unit Will be in Taneytown, Oct. 19-20

The community X-ray program scheduled for Carroll County from October 9 to November 5 offers free chest X-rays to every adult in the county, 15 years of age and over.

In these days of rising costs and high payments for every possible service, it is natural for some readers to ask, "How come it's free?" The answer is that you, the residents of this community, have paid in advance for this campaign to make Carroll county a healthier place in which to live.

You have made this X-ray program possible through your payment of taxes and through your generous purchases of Christmas Seals.

Funds from the sale of Christmas Seals are the sole support of one of the sponsors of the program, the Carroll County Tuberculosis Association, which conducts a year-round program of tuberculosis prevention and control. The association is contributing its knowledge and experience, as well as funds, toward the success of the county-wide campaign to find unknown cases of tuberculosis and check the spread of this costly disease.

You paid for your chest X-ray in advance. It takes only a few moments to get it. You wouldn't forget to collect the dividends on a financial investment. You have the right to know for sure that your lungs are healthy. The minority in whom the chest X-ray will uncover tuberculosis will be, in a sense, reaping the highest dividends of all. For it will mean that they will be able to get right to work toward regaining complete health before the disease has gone too far.

Every citizen owes it to himself and his community to take full advantage of this opportunity. We paid for it. Let's collect.

FIRST EGG IN THE PULLET DERBY CONTEST

The bright-eyed Red-Rock Cross, Number 1, cackled loudly with glee Friday afternoon, Sept. 25, when she laid the first egg in the Pullet Derby and won the big contest which has been going on for ten weeks at the Taneytown Grain & Supply Co.

The contest, or "race", has been conducted for several years at the Taneytown Grain & Supply Co. to show local farmers and others interested in poultry, how body conditions, early and long-lived production can be developed using the Purina Program and the "1028" growing ration.

Leonard Singel, farmer who lives on Route 1, judged "No. 1" as the potential winner and came within one day of judging the exact day she would produce the Derby-winning egg. He will be presented with an electric clock as his award.

Other winners in the Pullet Derby were John Keilholz, who will be presented with a stew pan, and Mrs. W. L. Thomas, who was given a stove set.

HARNEY 4-H NEWS

The Harney Boys 4-H Club held their monthly meeting at the home of Clyde Weant on Tuesday, Sept. 22, at 8 p. m.

The business meeting was called to order by the president, Albert Angell. The 4-H pledge was recited, followed by the roll call which was to name a 4-H contest. Due to the absence of the secretary, there were no minutes. Then the treasurer's report was given.

Reports were given of those attending the Maryland State Fair. Everyone who has a project has to have their record book completed before the Achievement Banquet in November.

A demonstration was given by Clyde Weant of the proper way to keep record books. The business meeting was adjourned. There was one new member, Rollan Shiver.

Refreshments were served to all present.

The next meeting will be at the home of Robert and Charles Poole.

CARL WEANT, Club Reporter

YOUNG REPUBLICANS WILL HOLD MEETING

Young Republican Club of Carroll County will hold its first Fall bi-monthly meeting on Monday, Oct. 5, 1953, beginning at 8 p. m., at the Charles Carroll Hotel, Westminster, Md. The meeting will be conducted by the President, Ellen A. Arnold and Senator Stanford Hoff will be the guest speaker. Refreshments will be served at the conclusion of the meeting.

All young Republicans are invited to attend this meeting. The eligible age for membership in the club has been reduced to persons fifteen years old and those up to and including forty years of age. Plans for future special affairs will also be discussed at this meeting.

HOSPITAL DANCE AND CARD PARTY

The annual dance and card party for the benefit of Warner Hospital, Gettysburg, Pa., will be held at the Moose Hall, Gettysburg, on Thursday afternoon and night, Oct. 8th. It is expected that a number of persons from Taneytown and vicinity will attend the card party or dance as in previous years; however, the local members of the Hospital Auxiliary will not carry on an active ticket sale due to their having held a food sale recently for the same benefit.

Kindness in women, not their beautiful looks, shall win my love—Shakespeare.

NEWS FROM TANEYTOWN HIGH

Many Activities Reported by the School

Monday evening, at 7:30 p. m., the H. School PTA will hold its first meeting of the year. Mr. Stewart Young, an exchange student to France in 1952, will give an illustrated lecture with colored slides showing farm conditions under which he worked while in France. Mr. Young was sent to France by the International Farm Youth Exchange whose purpose is to spread good will and to promote peaceful relations over the world. The High school orchestra under the direction of Mr. Curfman will make its first public appearance and present several musical numbers.

The annual magazine contest ended on Monday, Sept. 28. This contest was successfully conducted under the able leadership of Mrs. Shipley, campaign manager; Merritt Copenhaver, business manager; Wayne Baumgardner, assistant business manager; Donald Lawyer, captain of the Maroon team; Marsha Reifsnnyder, captain of the White team; Miss Marion Bankert, faculty advisor for the Maroon team and Mr. Donald Peeser, faculty advisor for the White team.

The campaign was successful only because of the support given by the kind citizens of Taneytown and surrounding communities who bought magazines from students. The school is grateful for this support; from the profit made on the sales many advantages can be offered to the students which would otherwise be denied them. Companies request sufficient time to prepare mailing lists and therefore new subscriptions may be expected to arrive in 10 to 12 weeks. If magazines do not arrive after this time, the school should be informed and the adjustment will be made. To the parents and friends who patronize the school activities the students and faculty extend their gratitude. The school is hopeful that many patrons will visit it and see its many activities in action and the benefits the children obtain from such projects like the magazine campaign.

Monday evenings have been set aside as the time the combined choruses meet to practice. Monday, Sept. 28, was the occasion of the first regular meeting. Mr. Bart Norman entertained the group by singing art songs, folk songs, and spirituals. Seventy-four boys and girls and Mrs. Wallace Yingling, the director, are giving this one night a week so that the school may maintain its fine record for rendering good music.

Robert Royer and Merritt Copenhaver will represent T. H. S. in the State Chorus and James Wantz in the State Band at the State Teachers' Convention which will be held in the Fifth Regiment Armory, Baltimore, Md., Oct. 15, 16 and 17. Competitive athletic activities began on Tuesday afternoon when the girls' speedball team went to Manchester to compete against Manchester girls. The game ended with a tied score, 5-5. Taneytown points were scored by Joan Miller and Jean Wilson. Vivian Davidson, is captain of the team; Mrs. Marceline Berchock, the coach.

Saturday, October 3, will open the soccer season when Taneytown and Sykesville will meet on Taneytown's field at 2 p. m. Mr. Charles Ecker is T. H. S. coach.

Senior Day, originally announced for October 1, has been postponed.

PYTHIAN SISTERS MEET

The Pythian Sisters held their regular meeting on Monday evening, Sept. 28th. The District Deputy, Mrs. Fannie Dutrow and Grand Junior, Mrs. Madeline Harman, from Gaithersburg, Md., visited the temple. The usual business was discussed; the turkey supper which is to be held this coming Saturday evening, starting at 3:30 p. m., was the main topic. All members, who possibly can, are urged to come to the Firemen's Building, on Friday evening to help prepare the turkeys. Members, please come out Saturday evening to help make our supper a success.

OFFICERS ELECTED IN LEGION AUXILIARY

Installation of newly elected officers for Hesson-Snyder Unit No. 120, The American Legion Auxiliary for the year 1953-54 will be held Tuesday, Oct. 6, at 8 p. m., in the Legion Home. Officers to be installed are as follows: Pres., Dorothy W. Myerly; 1st Vice-Pres., Alice Hartsock; 2nd Vice-Pres., Rhea Shealer; Sec'y, Gladys Haines; Treas., Blanche Lookingbill; Sgt.-at-Arms, Mabel Smith; Chaplain, Laura Bell Diller; Historian, Catherine Shank.

The installing officer will be Past President, Ruth Fowler.

RED CROSS HOME NURSING

The Carroll County Chapter, American Red Cross, is recruiting classes for Red Cross Home Nursing. Mrs. Dorothy A. Eppler, Chairman Home Nursing Service, 192 East Main St., Westminster, will be glad to hear from interested persons, either in groups or individually. Or if more convenient, they may contact Mrs. R. S. McVaugh, who will see that their names are given to Mrs. Eppler. This course is open to men as well as women, especially to men who are interested in Civil Defense or are married men with a family.

"SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)
With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Well, folks everything went off nicely and all in a most orderly routine when the Siren sounded in Baltimore although there were quite a few who I interviewed on the street before and after who did not know anything about it!

The last of the beautiful Zinnas, I have picked from the garden at the bungalow and placed the vivid colors into a deep blue vase. I kept changing the water daily so as they last longer.

I spend many of the Autumn days right here where I can see all Nature change almost hourly from the windows where I am typing this column.

Many times, we hear individuals remark that they do not like the Fall or Autumn but I have always thought each season has its own special kind of beauty. The little squirrels running here and there and then climbing the trees to their homes are trying to gather their Harvest for the winter. What a big impression those little squirrels registered upon my mind as a growing child!

A letter arrived making inquiries about, "Nellie"! (My wonderful Guernsey Cow!) She now gives four gallons of milk daily and Your Observer has learned the art of making real butter. Something else I have learned which I did not know is that under the top cream, there lies the table cream! That I upse for all desserts! Ummmm good!

Here's a cute one. All of you know the poem of "Mary Had A Little Lamb" and how it followed her to school one day! There is a DUCK which follows her Mistress to church on Sunday mornings!

Ladies, many of you are now saying, "Oh, I wish my Fall cleaning was finished!" Don't let it "mow" you down but take it all in with the regular routine and do as Your Observer does—one room thoroughly at a time and that when I feel in the mood. It is so much better that way and you will really enjoy this seasonal task. Enjoy what you do and do what you enjoy! Everything in life has objectionable features but learn to like it.

When I was a little girl, I loathed Mathematics and I used to worry so about tests but I soon said to myself, "You know you have to learn it so you might as well make up your mind that you are going to face it all right now!" So that is where and how that favorite motto has always stuck, "IF YOU DON'T SUCCEED AT FIRST—TRY—TRY AGAIN!"

Many children get poor marks in arithmetic in the lower grades as they cannot seem to grasp it but don't let that worry you, Teacher or Parents! Who would have ever thought Your Observer would ever be a Double-Entry Bookkeeper!

Now it surely is "THE STRAIGHT AND NARROW!" as to Milady's skirt which means you must start with that rolling exercise again right now if you really want to be in style.

Start rolling on the floor each morning for the time of one full record playing and you will see the pounds dissolve in no time.

Cut down on your food by omitting bread and potatoes and sweets. Just take a tiny portion of anything fattening and never—NEVER—ask for a second helping! Remember when you cheat, you only cheat yourself so be firm and you will see results in no time.

What a sad ending to this—Aged couple with only one child (married). The wife died and the elderly father was taken to the hospital and as soon as he was well, he was sent to the "POOR HOUSE". The daughter has not even communicated with her parents for many years!

I have always noticed that Jewish children have more respect for their parents than Gentiles and strictly adhere to the Commandment—HONOR THY FATHER AND THY MOTHER! Did you read Mr. Citizen which started last week in—The American Weekly in the Sunday Baltimore American? What a contented and happy expression on the face of Mrs. Truman as though all the cares and troubles have passed!

It is sweet to see a little Mother preparing the old house and especially the room for her Soldier son who is expected home in a few more months! Such anticipation and the gleam in her eye as she takes one from room to room which she herself has painted and papered!

Such is life and life can be beautiful!
So long, folks. Have a nice week-end. Be careful when you drive as so many out of the state drivers come into our State beautiful for the week-end and do not know or obey our State laws causing many accidents over the week-end! Until next week. D.V. I am,
Faithfully,
YOUR OBSERVER.

ORGAN RECITAL

Miss Hazel E. Hess presented Mrs. Clarence Myers, Mrs. Irvin Conover and Evelyn Harget in an organ recital at Grace Lutheran Church, Two Taverns, Pa., Thursday evening, Sept. 24. The program was sponsored by a Sunday School Class. Light refreshments were served following the program. Some of the organ pieces included in the varied program were the following: "Prelude in G Major"; "Prelude" in F Major, both by Bach; "Evening Star", Wagner; "Aria", Handel; "Grand Choeur" Chauvet; "Berceuse" by Dickinson, and "Toccata", Boellmann.

General subscription rate \$1.00 a year; 6 months, 50c; 3 months 30c. Subscriptions to 8th Zone, Pacific Coast, \$1.50; to Canada, \$2.00. Advance payment is desired in all cases.

ADVERTISING rates will be given on application, after the character of the business has been definitely stated together with information as to space, position, and length of contract. The publisher reserves the privilege of declining all offers for space.

The label on paper contains date to which the subscription has been paid. Entered as Second Class matter in the Postoffice at Taneytown, Md., under the act of March 3, 1879.

All articles on this page are either original or properly credited. This has always been a fixed rule with this Office.

All advertisements for 2nd, 3rd, 6th and 7th pages must be in our Office by Tuesday morning of each week; otherwise, insertion cannot be guaranteed until the following week.

The publication in The Record of clipped or signed editorials does not necessarily mean that such editorials are endorsed by The Record. In many instances they are published in order to show varying opinions on public topics.

THURSDAY, OCTOBER 1, 1953

THE LAND MUST PRODUCE MORE

The population of the United States is increasing by 7,000 persons a day. By 1975, government experts forecast, we will have to be capable of feeding five people for every four who sat down at the table in 1950.

There are two ways this can be accomplished. One is to proportionately increase our croplands. The other is to make better use of the land we now have.

So far as the first of these solutions is concerned, it is estimated that, if our present standard of living is to be maintained through 1975, the huge total of 100,000,000 fertile acres will have to be brought into production. So far as anyone can see now, this is an impossible goal. At present we are bringing in only 2,000,000 acres a year, and more than half of this is being offset by the expansion of communities and industrial areas.

Therefore the population problem can be met only by producing much more food, feed and fiber from an acreage which will be but moderately increased.

That, luckily for America's future, can be done through the application of proven scientific production practices along with better land conservation and utilization. And here agriculture has a mighty ally in farm machinery. The machine is the key to making the land yield more—and, at the same time, preserving and improving that land for future generations.—Industrial News Review.

WHAT IS A NEWSPAPER?

"A newspaper, like the community it reflects, is the sum of those who make it—and something more. It has a vitality of its own. There is no reason why good newspapers and good towns should fail to grow together endlessly, even though those who make them must grow old themselves and die"—Hal Boyle, columnist.

"I am the consort of kings—the partner of capital—the brother of toil. The inspiration of the hopeless—the right arm of the needy—the champion of the oppressed—the conscience of the criminal. I am the epitome of the world's comedy and tragedy!"

"My responsibility is infinite. I speak and the world stops to listen. I say the word, and battle flames the horizon. I counsel peace and the war-lords obey. I am greater than any individual—more powerful than any group. I am the dynamic force of public opinion. Rightly directed, I am a creator of confidence, a builder of happiness in living. I am the backbone of commerce; the trail-blazer of prosperity. I am the teacher of patriotism."

"I am the hands of the clock of time—the clarion voice of civilization: 'I AM THE NEWSPAPER!'" From an address by Joseph Finn, president of the Nichols-Finn Advertising Agency, Chicago 1915.

GRASS ROOTS OPINION

CHARLOTTE, N.C., MECKLENBURG TIMES: "A bill has—been introduced in Congress which would assure to every American citizen that he has a right to join a labor union or not to join, as he may see fit, and that he shall not be subjected to any requirements or compulsion in either direction. This certainly ought to be the law in this land. It is to be hoped that those who share conviction will so declare themselves to their representatives in Congress."

WOODLAKE, CALIF., ECHO: "Our great dangers today are that we shall either fail to be alert to protect the freedoms guaranteed us by the Constitution or that we shall be-

come so overzealous in the defense of them that we shall abuse and persecute those who disagree with us."

PLANO, ILL., NEWS: "Government is a poor business man. There is no need to try the experiment here as we can take a lesson from those who have failed in socialism, France, for one, and Britain for another. Socialism is one thing against which we must keep up our guard for there is always a crackpot who can paint a beautiful picture with theory, but in practice the canvas is only a lot of smudge."

FIRE!

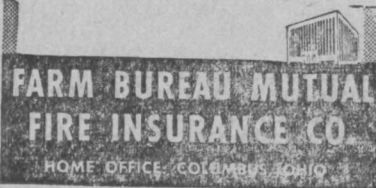

● No one ever expects a fire in his home! Are you well protected against this loss? You need insurance to at least 75% of full value against fire and lightning... plus equal coverage for wind, explosion, aircraft, hail and other hazards.

Here's an easy way to prove
**YOU CAN GET
HIGH EGG
PRODUCTION**

Beacon's Controlled Feeding Plan adjusts to the age, breed, seasonal requirements and production level of your birds to help them maintain high egg production for a longer period of time.

But don't just take our word for it. Prove it yourself with your own flock. Separate a group of your birds. Put them on the Beacon Controlled Feeding Plan. Keep records of their performance... and you'll find you get more eggs—a better return—from the Beacon-fed birds!

Get started on this test now. Come in and pick up Beacon's free feeding chart for sustained high production.

They're all talking "best deal in town" BUT WHO'S GOT IT?

Are you really sure that the car dealer who gives you "the best deal in town" really gives you the best BUY in town?

As you well know, the best BUYS are based on value.

Because value lasts longer than any other quality—and, in automobiles, that means longer motoring pleasure, greater safety, lower upkeep, and a better trade-in allowance later on.

"The Buy of the Year!"

The new Packard CLIPPER has made news all year long as "the buy of the year." Way

back last winter, the "insiders"—men of recognized automotive experience and instinct—tagged the CLIPPER as the car of the year in the medium-price field. A real, old-time PACKARD value.

You know very well that you never bought an automobile right off the printed page. You bought it ONLY after a demonstration when features either come to life or amount to nothing.

So we urge you: before you take that "best deal in town"... take a demonstration in the new Packard CLIPPER and value-check the features with which we challenge all other cars!

Did you know that you can own a new Packard CLIPPER for as little as

\$ 2,624

*Plus state and local taxes, if any. Optional equipment, including white sidewall tires, extra. Prices may vary slightly in nearby communities due to shipping charges.

Club Sedan Delivered In WESTMINSTER, MD.

We challenge them all
on a value check
of the following points

Modern contour styling. Check it for greater all-around visibility, wider doors, more room, more luggage capacity.

Famous Packard-built engine.

Famous Packard ride—"Rides like a Packard" is the highest compliment you can pay any car.

Famous Packard Ultramatic†, designed and built by Packard for Packard CLIPPER—the smoothest power shifting of all—no whirr, no whirr, no jerk, no jump.

Famous Packard-built power brakes† and power steering†.

Famous Packard CLIPPER back-saver seats.

Top trade-in value.

†Optional at extra cost.

CURRENT EVENTS
FIFTY YEARS AGO

D. J. Hesson, County Commissioner and ex-merchant of Harney, has leased the new store room which was to have been taken by Miller Brothers of Westminster, and will open with a large stock of goods as soon as the property is ready for occupancy. Mr. Hesson has a large acquaintance in this section and will undoubtedly do a large business.

The question of laying a sewer on Baltimore Street has been seriously considered by the authorities for some time, and it seems to be "up to" the property owners on the street to settle the question. The sewer will be laid, in all probability, if enough of the property owners guarantee to connect with it to pay interest on the investment, and to eventually pay the entire cost.

Mrs. Mary J. Schwartz, aged 36 years, died suddenly at her home in the new Central Hotel, Taneytown, on Friday afternoon, Sept. 18, 1903, as the result of complications attending the premature birth of twins. Mr. and Mrs. (Charles E.) Schwartz and daughter, Eileen, came to Taneytown from Hanover, Pa., and have since become well known throughout this section of the county. Mr. Schwartz bought the old brick hotel property, and erected the present new Central Hotel, a portion of which was separately fitted up for a dwelling, but, before the building was fully completed, death has broken up their plans for the future.

Stony Branch—The teacher, William G. Grimes, and patrons of Stony Branch School, are planning to have a bell placed on the house.

Uniontown—Our banker, J. H. Singer, has made quite an improvement on his home by having the roof extended and by repainting.

Keysville—Mrs. Sarah P. Shriver, wife of Theodore Shriver, was taken sick last Sunday afternoon and died on Monday about noon, aged 38 years.

Emmitsburg—On Monday morning a party of excursionists, composed of an association of the 6th Penna. Cavalry, from Philadelphia, made a visit to this place, after visiting the Battlefield of Gettysburg. The party consisted of the surviving veterans, wives, children and grandchildren. During the Civil War, the 6th Cavalry was stationed near town on the farm of D. L. Gillelan.

A letter arrived addressed to the Mission Band of the Presbyterian Church from a missionary from India and daughter who was born here of a former Presbyterian pastor, Rev. James Williamson, (who was pastor of the Taneytown Presbyterian church from 1849 to 1854.) It was during Mr. Williamson's pastorate that the house now occupied by Mrs. Mary Motter, was purchased for a manse, by the Presbyterian church so it was perhaps there that Miss Clara Williamson was born.

On Oct. 1, 1903, a beautiful home wedding was solemnized near Linwood by Revs. Enders and Clarkson, the contracting parties being Mary Lemain, only daughter of Mr. and Mrs. Lewis N. Messler and William E. McKinstry, son of Mr. and Mrs. Evan B. McKinstry.

Mr. David B. Haines and Miss Effie I. Bair were married on Sept. 30, 1903 near Dennings by Elder W. H. Franklin.

The Prohibitionists of Carroll County, contrary to common expectation, placed a full county and legislative ticket in the field, at a meeting held in Westminster on Tuesday, except for State's Attorney and County Surveyor.

The largest political picnic ever held in this section of the state was the one at Mt. Airy, last Saturday, when 5000 persons were estimated as being present. The special feature of the day was the notification to the democratic state candidates—Edwin Warfield for Governor; Dr. Gordon T. Atkinson, for comptroller; and Wm. S. Bryan for Attorney-General—of their nominations by the recent state convention.

Matthew H. Galt left this week for Ann Arbor, Mich., where he will continue the study of law.

E. E. Reindollar and Geo. H. Birnie returned, last Saturday, from attending a convention and outing of the Maryland Bankers' Association, held in conjunction with the Bankers of the District of Columbia. The itinerary included a boat trip down the Potomac from Washington to Old Point Comfort, Newport News and other points. Secretary of the Treasury Shaw was one of the party.

Pleasant Valley—Edward W. Devilbiss, operator of Joseph P. Yingling's two apple butter cookers, says he boiled last week for 38 persons, making in all 703 gallons of apple butter. Pretty good for the Squire.

She wanted to impress the Hollywood magnate with whom she sat at dinner and remarked, gushingly, "I love Keats."

"Dot's fine," he replied. I'm always glad to meet a young lady vot loves children."

Comfort, Convenience of
Small Homes Guide Cover
House Has Been Proved

Proof that it offers comfort and convenience caused this home planned by Architect Arnold Schaffner to be chosen as the house featured on the front cover of the current edition of Small Homes Guide.

An earlier version of the plan appeared in the magazine two years ago. One house was built from the plan by builders Eichholz & Eichholz of Sedalia, Mo. Mr. and Mrs. C. H. Joy and their daughter live in it—happily, for they find its room arrangement very pleasant, particularly the huge living-dining room and the U-shaped kitchen. They like the simple, but striking lines of the rambling exterior, too, and the extensive planting areas.

The total area of the three-bedroom home is 1,558 sq. ft. Information on blueprints and their cost may be obtained by writing to Small Homes Guide, Dept. 120F, 82 W. Washington, Chicago 2, Ill.

THE FINE CAR

at half the fine car price

Duplicating America's costliest cars, feature after feature, Ford is worth more when you buy it . . . worth more when you sell it!

A FEW MINUTES on the telephone calling the dealers who sell America's finest cars will reveal there are at least eleven models among four makes with price tags over \$4,000!

Now the interesting thing is that in feature after feature the Ford car duplicates each of these fine cars, and for less than half the fine car price!

Look under the hood of the most expensive cars and what do you find?

A V-8 Engine!

Well, the Ford car has a V-8, too. In fact, it has had a V-8 since 1932, and since that time Ford has built more V-8's—by millions—than all other manufacturers combined. And there's no other builder in Ford's price range that's seen fit to offer one yet!

But the engine, as fine as it is, is only one of many things that make a fine car fine.

Automatic shifting, for example. All the fine cars offer it in one form or another because it's one of the things that make a fine car fine. But if you've never driven a Ford with Fordomatic you've missed one of the finer things of life. This amazing transmission not only does away with clutching and shifting forever—it

gives you exactly the amount of power you want, when you want it—automatically.

Fine car power steering, too. The big, heavy costly cars offer it for the same reason they offer power brakes. It's a man-sized job for a 120 pound woman to handle a car weighing two tons or more without it—especially when parking. Our "Master-Guide" has two distinct benefits.

First, it gives a hydraulic power assist right down at the wheels and just enough to take out the work. You don't relinquish one particle of control—rather your control is more complete and far easier.

Second, being hydraulic, "Master-Guide" power steering absorbs those fatiguing steering wheel tremors caused by ruts and roads in bad repair. And you don't pay a fine car price for "Master-Guide."

But there is another fine car feature—the Ford ride. Books have been written on the subject of riding quality in an automobile, but the payoff comes on the pavement—or lack of it! Many people associate a comfortable ride with excess weight, but it's not weight alone that makes for comfort. If it were, those big five-ton trucks which you see every day

would be the most comfortable vehicles on the road.

Without being technical we can tell you that what's been done with the suspension and springing system gives the Ford a softer ride, a smoother ride than many cars which tip the scales at better than an added half ton.

What about room? Here's an interesting point. If you've felt that only a costly car offered enough room, you just ought to sit down in a Ford even if you're out-size and six feet four! The so-called big car is bigger on the outside, but unless you buy a limousine with those little jump seats, it's not one passenger bigger inside.

Visibility is another fine car Ford feature. We say Ford cars offer "full-circle" visibility because they all have huge, curved one-piece windshields and a huge rear window to match . . . plus side windows that mean every passenger gets room with a view!

How beautiful is a Ford? A great English poet, John Keats, once wrote "Beauty is Truth, Truth Beauty"—well, he could have been writing about our car for its beauty comes from honest, clean lines in every dimension. In fact, we think most people agree—even our competitors

—that the appearance of a Ford Car leaves very little to be desired. It is "at home" wherever it goes and it goes everywhere.

But what about Ford quality? Does it too match the fine car? Is the sheet metal of the body panels as thick? Is the finish as good? How about the trim and things like that? Well, as far as we can determine, the sheet metal is identical in thickness in practically all instances. As to finish—we believe Ford's baked-on enamel has no equal in any car. Ford upholstery fabrics and trim are less costly, but they're less delicate, too, and if anything, more durable.

How then is it possible to give you this fine car at half the fine car price?

Part of the answer lies in Ford manufacturing skills and knowledge as evidenced by the V-8 engine. Part of it comes from the ever increasing numbers of cars Ford produces and the economies they make possible. And, part of it comes from Ford's willingness to give greater values than might be expected in cars selling in Ford's price range. And that's the Ford idea.

FORD

Worth more when you buy it . . .
Worth more when you sell it!

TANEYTOWN WINS SOUTH PENN FINALS

Local boys came from behind to take South Penn play-off title.

A four-run uprising in the last of the ninth brought Taneytown from the brink of defeat to the post-season championship of the South Penn Baseball League Sunday afternoon. A large crowd in Taneytown saw the Carroll team turn defeat into victory as Rog. Blettner's diamond ace won out, 7-6, over Greenmount in the third and deciding contest of the final series.

Greenmount set the stage for an easy victory that never came about with four runs in the first inning and two in the fourth while Taneytown could answer back with but two tallies in the first and a singleton in the second. Then Greenmount's John Fissel and Charley Unger, ace Taneytown lefty, posted goose eggs before the homesters rallied in the final frame.

Greenmount wound up with 10 hits, including a double by George Kennell. Unger blasted a two-bagger to pace Taneytown's barrage. Greenmount had three errors, Taneytown committed one.

The ball players, manager, coach and all connected with the ball club wish to take this opportunity to thank those who gave their support during the prosperous season just completed.

PLANS FOR INTERESTING MEETING BY THE D. of A.

The Daughters of America met last Friday evening and made plans for the visitation of the State and National officers to be made Friday evening, Oct. 9, at 8 o'clock, prompt.

The entertainment and auction of canned fruits, vegetables and cakes are greatly enjoyed by the city folks. Every member always plans to attend this event as high prices are realized for the foods that they bring.

PUBLIC SALE

Livestock and Farm Machinery
SATURDAY, OCTOBER 10, 1953,
at 12:00 Noon.

The undersigned who will discontinue farming due to other interests, will sell the following on his farm, located 4½ miles west of Littlestown, Pa., along the Harney Road, near St. James' Church:

FIRE PREVENTION WEEK

TIME TO ACT!

Make a thorough check of your home. Inspect and clean your heating system, correct faulty wiring, clean out rubbish such as old newspapers and oily rags, and remove gasoline or other volatile liquids from the house. Follow these and other simple fire prevention rules regularly. The "ounce of precaution" proverb is never more true when it comes to the need of better fire prevention.

How To Build Flat-Topped Concrete-Block Patio Grill

from SMALL HOMES GUIDE

A patio grill adds much to a family's outdoor pleasure in the summer. The sketch at right and detailed drawings below, all from Small Homes Guide, show how to construct a concrete-block patio grill with concrete cap. The shallow barning area is primarily for charcoal fires. Storage area for charcoal and kindling is provided at the right.

Modern Milking of Live Cows Featured At First International Dairy Show

The flow of milk, from cow to cooler, will be demonstrated right before the eyes of visitors at the First International Dairy Show in Chicago's International Amphitheater, October 10-17.

A modern Surge milking parlor, featuring real, live cows being milked at regular intervals in elevated stalls, is equipped with transparent glass pipes or experimental transparent pails so that spectators can see the milk flowing from cow to pail or tank.

This Surge milking parlor, which has drawn thousands of viewers at State and County fairs this summer, is one of the many recent developments in mechanical cow milking being exhibited at the First International Dairy Show.

CALFLAC STARTS 'EM RIGHT!

WHEN you feed Calflac, your calves grow faster and develop earlier. You increase your herd profits two ways: 1. Better calves. 2. You have more milk to sell.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

Scripture: Genesis 1:1-5; Isaiah 35:10; Mark 1:1-5; Luke 4:18-21; John 3:16-18; Revelation 21:1-5.
Devotional Reading: Hebrews 2:1-9.

World Planning

Lesson for October 4, 1953

THE man who invented the word "Utopia" knew what he was doing. Sir Thomas More first used the name as the title of a book in which he described the island of Utopia, a place where everything is perfect—climate, laws, schools, people, everything. But Sir Thomas was having his little joke, for "Utopia" comes from two Greek words meaning No Place. He knew there is no real place in this world where everything is perfect; being a saint and a sensible man he suspected there never would be. No Christian has ever expected to see a perfect world this side of heaven.

Why Christians Plan

Nevertheless, Sir Thomas More lived an active life, working hard to make the England of his day more like the Utopia of his dreams—or rather, more like the heaven of which Utopia might have been a suburb. For he was a Christian, and Christians, at their best, do plan for a better world. Christians at their worst do not. At their worst, Christians either accept the world as it is and imitate it, or even defend it against all critics; or they run away from it, shutting themselves away from it, leaving it to dirt, disease and the devil. (It might be asked, are such persons Christian at all? That is another question.) Almost all Christians plan on a small scale. Most of us live in a rather small world, and in the tiny world of our daily life we like to make plans that are Christian. In the home, for example: an unplanned home, higgledy-piggledy, with everything in a continual uproar, is not the kind of home we want to live in. Christian young people plan to make their marriage and their home as near like heaven as they can—and that takes planning and hard work too.

Are we of today better Christians than our ancestors were? John Baillie asks the question in his "The Belief in Progress." His answer is No, if you mean by the question: Are Christians today more devoted, more saintly, than eight or eighteen centuries ago? If we have advanced beyond our forefathers, it is not in being better men personally. But John Baillie thinks, and it is a thought worth pondering, that we can and sometimes do have a wider view of the area of Christian action. Let us ask the question: Are we cleaner than our ancestors were? No, if you mean devotion to the ideal of "cleanliness next to Godliness." But while the citizen of 1800 was personally as clean as the soap of those days would permit, his kitchen and his streets and his water supply were not clean by our standards. Now planning for cleanliness includes such things as mosquito extermination and bonds for a sewer system. So it is with Christian planning. If you want to keep your home Christian you will need to do some thinking about all those wider circles that affect the home; schools, government, business life, war and peace.

Widening Circles

Are we of today better Christians than our ancestors were? John Baillie asks the question in his "The Belief in Progress." His answer is No, if you mean by the question: Are Christians today more devoted, more saintly, than eight or eighteen centuries ago? If we have advanced beyond our forefathers, it is not in being better men personally. But John Baillie thinks, and it is a thought worth pondering, that we can and sometimes do have a wider view of the area of Christian action. Let us ask the question: Are we cleaner than our ancestors were? No, if you mean devotion to the ideal of "cleanliness next to Godliness." But while the citizen of 1800 was personally as clean as the soap of those days would permit, his kitchen and his streets and his water supply were not clean by our standards. Now planning for cleanliness includes such things as mosquito extermination and bonds for a sewer system. So it is with Christian planning. If you want to keep your home Christian you will need to do some thinking about all those wider circles that affect the home; schools, government, business life, war and peace.

Suppose We Don't Plan?

A Christian who wants a Christian home but will not join nor work in his local P.T.A. is missing one of his best chances to work toward the home he wants. If you want a Christian home and take no interest in politics, you may by your very neglect be turning over the control of your community to crooks and exposing your children to the kind of community that crooks operate. If you want a Christian home but think that government is no concern of yours, you may find your congressman voting for measures and policies that produce or hasten war, and you know very well that war can break up homes faster and more painfully than any other thing unless it is liquor. We must never forget that the devil is planning all the time, and his henchmen are planning. If Christians do not do some counter-planning, we are fools. Furthermore and most important, we must remember that God has a plan for this world which he made and loves and has not forsaken. The Bible gives us the lines along which God's servants have always worked.

Let's Think

by G. H. ENFIELD

THOUGHTS FOR THOUGHT

There is a teacher for every 25 pupils in the public schools in Scotland. Who wouldn't want to be included in the exchange of teachers!

"Divorces sought on grounds of alleged indignities." Their husbands should have known not to have made goddesses of them!

"Butler man held on larceny charge." Some woman would be willing to hold him for a different reason.

"Doc" Stork at Denver's City Park Zoo has been told that a female spouse will be imported from Europe next spring.
May they live happily ever afterwards!

Hal Boyle says, being famous is a dog's life." Of course we would expect to find a large number of small dogs among the large ones.

When Native Dancer won at Arlington Park, his earnings for 1953 amounted to \$229,000 more than any other horse won. Good horse sense.

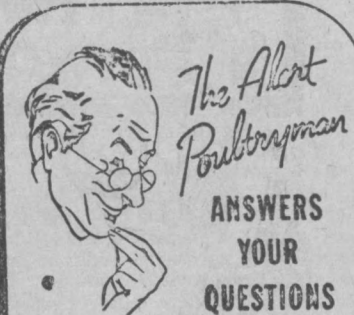

"It is claimed parrots understand what they say." One would hardly think they were more intelligent than human beings!

In the United States about 23,000 people go blind each year.

"The trouble with a person who talks too much and thinks little is that he does not usually realize his unpopularity."—The Butler Eagle.

Today's Chuckle:
Sign on a fruit stand in Butler:
"God Helps Those Who Help Themselves."—The Butler Eagle.

"He who loses his life for my sake will find it." Matt. 10:39 (RSV)

Q. How should I worm my pullets at housing time?

A. Give 'em Dr. Salsbury's Worm Tablets. This new treatment containing butynorate gets all 4 of these worms: large round, cecal, tape, & intestinal capillary. Wormal tablets are safe -- laying birds are not harmed. You can profit by giving each of your pullets a tablet at housing time. Be sure to ask for Wormal Tablets.

CLOTHESPINS

ARE FOR
THE KIDS

Let the kids make dolls, planes, or fences with your clothespins. You don't need them any more. Modern electric dryers have taken the place of clothespins and clotheslines.

Give away your liniment too—no more aching backs from lugging soggy, heavy clothes up the cellar stairs and out to the line. No more up-and-down, up-and-down bending from wash basket to line.

And while you're at it, give away the family almanac and crystal ball... now you don't have to worry about the weather. Rain, high winds, snow or hail, you can now dry clothes indoors, anytime, getting sunshine-fresh, fluffy results.

See the modern electric dryers now at your local appliance dealer or the nearest utility company store.

Barley\$1.00 per bu.

Doctor: "The pain in your right leg
may be due to old age."
Patient: "Old age, nuthin'. T'other
leg, he's the same age and he's all
right."

IT'S
OUR POLICY
TO LEND ON
YOUR POLICY
AT VERY
LOW COST

The cash value of a life insurance policy makes it excellent collateral for a loan. Hence we can advance needed funds at very low cost.

How much you can borrow depends on the age and size of your policy. Bring it in for a quick check-up — and you'll probably get a quick check!
