## P-T. A. MEETINGS IN OUR SCHOOLS

**Elementary Plans Play. High Will Serve C. of C. Banquet**

The regular monthly meeting of the Taneytown Elementary P-T.A. convened on Tuesday evening in the school auditorium at 8 o'clock. The meeting was opened by Mrs. Charles Hopkins, President, with all present singing the Star Spangled Banner followed by the flag salute. Rev. Morgan Andreas offered the invocation. The minutes of the previous meeting were read by the secretary and the treasurer's report was given. The Chairman of the various committees gave reports bringing up-to-date happenings of each. Special mention was made of the play that the P-T.A. will present on December 1 and 2. There were remarks by Principal Frank Wagny.

The meeting was at this time turned over to Rev. Stanley Jennings, chairman of the program committee. The musical part of the program was supplied by the pupils of the school. Valerie Nussbaum and Susan Riffle played a piano duet, and Carol Bair and Hannah Lippincott each played a piano solo. Several selections were played by the flute band composed of pupils of the 4th grades. This was followed by instrumental numbers of Carroll Hahn and Edward Simmons.

Dr. Thomas Vestal, Superintendent of the State Hospital at Henrytown, Md., introduced the guest speaker for the evening, Dr. Edgar Maculans. Dr. Maculans, a native of Latvia came to America in 1949 under the sponsorship of the Lutheran church. He is now on the staff of the Henrytown State Hospital.

Dr. Maculans gave an interesting and informative account of the history of the country Latvia which borders on Soviet Russia. In his account he made known how his country, once free, came under the power of Russia, and how individuals suffered under this reign of terror. The speaker, his wife and two children were able to escape from behind the Iron Curtain and now live in the democracy of America.

After the program the meeting was adjourned and light refreshments were served.

**FARMER GROUP HOLDS WATER-MELON PARTY**

The Taneytown Farm Bureau Planning Group held a watermelon party on Sunday, Sept. 4, at the pond on the Dickinson farm. After a lunch of freshly roasted "doggies", plus potato chips, pickles, relishes and crackers, we enjoyed games and just visiting. One of the outstanding side-splitting games was introduced by Miss Marion Overholzer. She asked two men to volunteer to play the game. Mr. Dickinson and Mr. Haines were courageous enough to step forward. They were each handed a large shopping bag, and instructed to race to don the contents. The first one finished was the winner. The men gingerly peeped inside the bags, and drew out, foundation garments, next, slips, waists, skirts, hats and corsets. Words cannot describe the picture they presented.

The group enjoyed a watermelon feast before disbanding.

## WAGE INCREASE Request Made By Local Union

Another request for a wage increase for workers at Cambridge Rubber Company has been made by local 468 United Rubber Workers. The local union will draft its contract demands at its November meeting. The following letter has been addressed to the Cambridge Rubber Company:

October 15, 1955  
Mr. C. Blake Galbraith, vice-president  
Cambridge Rubber Company,  
Taneytown, Md.  
Dear Sir:

At our regular membership meeting held Thursday, October 13, 1955 the proposition was discussed and approved to ask the Cambridge Rubber Company to put into effect a wage increase of 17% to all employees in the collective bargaining unit represented by the United Rubber Workers of America, Local 468 on December 1, 1955.

As you already know the legal minimum hourly rate has been increased by Congress to \$1.00 effective March 1, 1956, to all wage earners engaged in interstate commerce. This increase will effect a large group of the Company's employees.

It is, however, the wish of the Union Membership that you do not wait until the legal deadline to put it into effect, and in addition, that you maintain the present wage spread throughout the plant. We are sure that you can readily understand the reasoning behind this request that prompts us to urge its acceptance.

The Company has in the past, through negotiations with the Union, increased the plan minimum wage from 75c to 85c per hour. The increase to \$1.00 will represent approximately a 17% hike in earnings.

An increase at this time is highly desirable since it will improve the purchasing power of the employees before Christmas which will be a healthy stimulant to the economy of Taneytown. Also, the large competitors of your Company have completed their wage contracts for 1955 and have given a substantial increase to their employees, plus other significant benefits.

Trusting in your wisdom to recognize the validity of the request contained herein, we remain, as ever

Very truly yours,  
MONROE C. WANTZ, Pres.  
MURIEL V. HOLBROOK, Sec'y

**YOUNG WOMEN'S BIBLE CLASS MEETS**

The Young Women's Bible Class of Trinity Lutheran Church and a few guests met in S. S. Room #4 Wednesday evening, at 7:30 p. m. The meeting was opened by the use of hymns "He Leadeth Me" and "Onward Christian Soldiers" accompanied by Miss Peggy Kiser; Scripture reading was read by Mrs. Mary Fair; prayer by Mrs. Ibach; Miss Vicki Cutsall rendered an instrumental solo "The Country Dance"; a reading "Hallowen" by Miss Peggy Kiser. Many important and various activities were discussed. Miss Belva Koons and Mrs. Alma Bair had charge of the recreational program. Delicious refreshments were served. The group joined in singing Happy Birthday to Mrs. Ibach.

Pres. Mrs. Maxine Bowers.  
Act. Sec'y Mrs. Bessie Dougherty

## FIRE PREVENTION WEEK OBSERVED

**Interesting Program Presented by Kiwanis Club**

An interesting meeting in recognition of Fire Prevention Week was presented by the Taneytown Kiwanis Club Wednesday evening at Taney Inn.

Joseph Whitmore, a former resident of Taneytown with several members of the Odenton Kiwanis Club were present. John Reeve and David Baer of the T. H. S. Key Club, Judge Anderson of the Pikesville Club, Paul Hoffman, of Union Bridge and Steven Lerda, Principal of Hampstead High School were also present.

Several members of the Taneytown Volunteer Fire Company were invited guests.

Two representatives of the Baltimore County Fire Prevention Committee were introduced by Judge Anderson. Besides showing a film proving the safety measures used in the construction of the large tank trucks used in carrying gasoline, one of the gentlemen gave a very interesting and informative talk of the work being done in Baltimore County in the interest of preventing fires. Every effort is being made in that county to keep fires at a minimum and he assured those present that the plans and surveys will be available to Taneytown and Carroll County in the near future.

David Smith was in charge of the evening's program.

**VETERANS POST RECEIVES TROPHY**

Monocacy Valley Memorial Post 6918, Veterans of Foreign Wars, was awarded a beautiful trophy at a district meeting held in the VFW Post in Westminster, Saturday, October 15. The award was for the largest increase in membership for the 7th district.

The trophy was donated by Ben Warner, Past Commander of District #7, and presented by the Dept. Commander Edward Tatman to Roy B. Overholzer present post commander of Post 6918 in Harney, Md.

Commander Overholzer further states that he received this trophy in behalf of all the members of the post, especially Elwood Koontz, who was the post commander the previous year, and went over the top in his membership drive, and for that reason Mr. Koontz once again is our membership chairman for the drive which is under way now.

We urge all members to pay their dues early, and by all means visit the post home and see this wonderful trophy.

**YOUTH FELLOWSHIP MEETING**

The Youth Fellowship of Piney Creek Church of the Brethren will meet on Sunday night, Oct. 30, at 7 o'clock, at which time the Rev. Paul Kammerer of St. Paul's Lutheran Church, Littlestown, Pa., will show pictures and give a lecture of his trip to the Holy Land. The public is invited.

## "SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)

With all my heart, I wish you every morning  
A smile that shall last until the next day's dawning.  
I wish you health-life's greatest wealth!  
I wish you always near so that I may help to cheer  
Each future day and in some way—help to bring you happiness!

Taking a nice drive through the country these wonderful days will surely give you a lifter-upper!

Christmas is really just around the corner and it is wise to purchase gifts now and before the mad rush and before the prices are raised.

Seeing "Tall Men" the other day with Jane Russell and Clark Gable rather surprised me. I did not expect that type of a picture. It is all about cattle and of course a love story and to that one I would say that Clark Gable truly stole the show!

Don't wear "Bangs". Ladies if they are not becoming just to be in a fad. The "Torsos" dress was in full swing in New York all the way to the knees both for afternoon and evening wear. The leading fur coat, "HUDSON SEAL!"

Betcha, our President did not realize how much he was loved until he became ill! Eh?

In a restaurant in New York where I dined, on the table were huge bottles of water with the label, "Natural Spring Water, Deer Park, Maryland!" Did you know that this coming year there will be a big time in the State of Virginia due to the fact it is the one hundredth birthday anniversary of Woodrow Wilson? There will be much celebration and the "Manse" where he was born in Staunton will be open for the public in a bigger way.

That five and dime Heires is engaged to be married again. Such a "poor little rich girl!"

There is a bath mat, Mrs. Housewife now that fits around the bowl—"Fas-Flex" of rope pattern which means no curling up, spot resistant and in attractive colors.

Interviewing "The Old Gold Dancing" Packs behind the curtain was just a little different than interviewing that man from Indiana. The two small packs "Filter" and "Regular" were very, very short girls. The taller girl's name is Florine. There is much secrecy to them and their identities are really the most closely guarded secrets in show business. Miss "Old Gold Regular" is the original Mystery Miss. She now is the trio's choreographer. The other two packs joined her when Old Gold introduced the popular types of cigarettes. There have been 200,000 requests for their names, phone numbers, etc. and photos showing their faces but it all is kept in the dark in fact the one girl was most timid talking to me. However, she did let me have her first name.

However—the wry, shy Hoosier humorist is one of today's youngest and best beloved comedians. Herb started young and hit the top fast with his hilarious tales of Indiana. While he was in school at Fort Wayne, he organized a harmonica quintet. As they performed he would interrupt now and then with a small town anecdote that usually was favored with more applause than the music. Later, he introduced a solo act at Chicago's Oriental Theatre and followed that with a personal appearance tour of Australia. During the war, Herb entertained the troops around the world and collected five battle stars for himself. He has since been starred on

DRIVER EDUCATION NOW TAUGHT

Driver Education is included this year in the curriculum of Taneytown High School. Mr. Paul Beale instructs the class of 31 students from grades 11 and 12.

Mr. George Crouse of Crouse Motor Sales made available to the class a 1956 Ford with dual control. A student who has eight hours behind the wheel and twenty hours of classroom instruction is permitted to take an examination for a license without the usual 60-day permit.

The following who do not have a driver's permit have enrolled: Virginia Cassell, Ruby Frock, Barbara Heffner, Larry Barnhart, Donald Unger, Elizabeth Shoemaker, Mabel Perry, Wilma Barnes, Sandra Koons, Clarence Hyler, Larry Martin, Marjorie Dickinson, Barbara Clingan, Rita Carr, Ann Stiel, Millie Liepins, Wilma Fair, Joyce Reid, Ann Reaver, Richard Gartrell, Robert Fitz, Jean Luckenbaugh, Phyllis Flickinger, Charles Becker, Shirley Wantz, George Abrecht, Earl Angell, Patsy Flickinger, Joan Davidson, Helen Humbert, and Rosalie Sharrer.

With 59 million motor vehicles already crowding the highways and an additional 26 million expected by 1975, the need for properly trained drivers is apparent. Traffic accidents are responsible for 37,000 deaths every year in the United States. This is equal to 18 towns larger than Taneytown completely wiped out.

The public benefits from this training course in a number of ways. Statistics prove that pupils who have had driver education have less than one-half the accidents of un-trained drivers. If all the school children in the United States were given driver education, more than 18,000 lives would be saved every year, as well as 600,000 serious injuries, and one and a quarter billion dollars in property damage. Insurance companies reduce the cost of insurance to boys under 25 who have had driver education.

Many parents feel that they can teach their own children to drive, but many accidents have been traced to bad habits passed on from parents to children. Few parents take the time or have the training to give the hours of instruction that it takes to build up the desirable attitudes and skills required to produce an expert driver. The 37,000 persons killed each year indicates that we are a nation of killers on the highway and that our method of haphazard training in the past must be improved upon.

## NATIONAL BIBLE WEEK 1955

National Bible Week, which will be observed from October 17th through the 23rd this year, has reached an important milestone—its 15th anniversary. The Laymen's National Committee, the all-faiths sponsoring group, feels that the week has helped a great deal in bringing about today's resurgence in religious matters.

Campaign theme for this year's National Bible Week is "The Bible is the Rock on which our Republic Rests". Symbolic of the mighty strength that is found in the Bible, an all important American landmark, Plymouth Rock, is the object that shares honors with the Bible in the national poster being displayed throughout the country. Just as our great nation was founded on this rock, so may we build our spiritual life on the greatest rock of all—the Bible!

## GRASS ROOTS OPINION

**NEWBERRY, S. C., OBSERVER:** "The greatest danger facing Americans today, discounting foreign aggression, is the insidious expansion of the powers of our central government and the gradual but obvious lessening of the powers of the individual states".

**PAMPA, TEX., DAILY NEWS:** "We are tremendously benefited by every new labor saving device. By this means, we are able to multiply our individual human energy to the point where one man plus tools, can produce things that many men require."

**KINGSLEY, IOWA, NEWS-TIMES:** "Some members of Congress are firmly convinced that lower taxation for corporations are essential to encourage industrial expansion essential to meet the nation's future needs. Taxes necessarily are added to the price paid by the consumer for the products corporations manufacture".

**LAKEVIEW, ORE., EXAMINER:** "The well being of the people lays along the road of profit and business and the people's own continued control over government. It does not lay along the road of big government, and government control over the people".

**WILDWOOD, N. J., LEADER:** "We have become so accustomed to paying 'hidden taxes' that we may not as a general rule think of them when we go out shopping. Something of the same thing is true in reverse when we take home pay envelopes. We have become so accustomed to deductions for withholding tax, unemployment insurance and social security premium that we actually have begun to think of our 'take-home pay' as being our real salary."

**PLENTYWOOD, MONT., HERALD:** "The Hoover Commission on Organization of the Executive Branch of the Government... headed by former President Herbert Hoover, has made an exhaustive study of the federal government to determine how it should best be organized and operated. But already political opposition is developing, principally from those who are devoted to the philosophy of unlimited federal spending".

**FORT PAYNE, ALA., TIMES-NEW ERA:** "In a magazine article Allen W. Dulles, head of the U. S. Central Intelligence Agency, tells us that 'mass education in Russia may well become a threat to their own communist system of government.' There is more to this article than we can summarize here, but it should make sense that the better educated the masses of any country become the more they should be inclined to throw off the yoke of tyranny that a communistic system puts on them."

## SECOND INOCULATION OF VACCINE

The Carroll County Departments of Education and Health are making plans to administer the second inoculation of poliomyelitis vaccine to those children who received their first inoculation last April and May under the program sponsored by the National Foundation for Infantile Paralysis. It is planned to start these inoculations about the middle of November.

### CURRENT EVENTS FIFTY YEARS AGO

It is reported that John H. Harman will build a frame dwelling on Baltimore St., side of his lot, and that it will be ready for occupancy in the spring, a tenant already having engaged it.

John A. Yingling has purchased from John T. Fogle, for \$700, a lot, 56 ft. front, adjoining the Refomed Church, on which stands the old brick barn. He will build a dwelling on the lot next spring.

One hundred and sixty tickets were sold at Taneytown Thursday morning, for Frederick, on account of the Fair. Harry Anthouse, of this place, was recently married to Miss Mary Dut-terer, of Littlestown, Pa., the ceremony taking place at the bride's home. Taneytown dealers are receiving an unusual number of cattle, for feeding, this fall, likely due to the large corn crop. The quality of the cattle is also above the average.

Several inspectors were here this week measuring the Rural Routes, with the object in view of equalizing the length of each, and possibly making some changes which will extend the service to more patrons.

Harney . . . Abraham Ridinger, who is employed as mason in Baltimore, was home on a visit this week. He reports business of all kinds very flourishing. Buildings are being constructed with great rapidity, thus substantiating the statement made by Gov. Warfield after the great fire of 1904, when he said: "Baltimore will rise gloriously above her ashes." Walter Shriver, who has been living in the West for a year, has returned home.—John Shryock, formerly of near here, but who is now employed as machinist for the Geiser Co. of Waynesboro, Pa., was a visitor in our village last Saturday and Sunday.—Miss Gertrude Horner, well known here, the daughter of Mr. Silas Horner, of Mt. Joy township, Adams county, Pa., was united in marriage last Tuesday to Mr. Cleason McIlhenny, of Philadelphia, stenographer for the P. R. Co. The wedding took place at high-noon, Rev. H. P. Sanders, of Taneytown, officiating. Best wishes to the newly married couple.

Double Pipe Creek . . . On Wednesday Mrs. Irene Weybright gave a "pumpkin dinner" to some of her friends.—Henry A. Naylor, of Bendersville, Pa., is visiting his son, George C. Naylor.

## '56 Chevrolet sets new Pikes Peak record in top-secret test!

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-breaking road up Colorado's Pikes Peak for a new NASCAR\* certified record—the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! 170 chilling turns and no guardrail! It's the first and only time a new model ever proved itself such a great road car before its introduction! The '56 Chevrolet showed the kind of performance that makes driving safer and more fun. So wait for the car that beat the King of the Mountains!

The sky became a canvas Last evening after rain; The melon turned to palest mauve And back to pink again.

A brush that was invisible Spread out the fiery red And burnt—orange gently faded To lightest amber thread.

The canvas changed in beauty From gold to softest gray As God, the Master Artist, Brushed out the dying day.

#### FAIRVIEW

Oh what a wonderful fall we are having, with no frost as yet, and the flowers are having a chance to bloom themselves out.

Congratulations to Mr. and Mrs. Larry Eckard on the birth of a son born last Sunday morning.

Mr. Albert Frock, of Gettysburg, spent from Saturday till Thursday with his son and daughter-in-law, Mr. and Mrs. Levi Frock and daughter, Mary.

We received a card on Monday from Mr. and Mrs. Milton Cozad saying they arrived in Sarasota, Florida, on Sept. 30. They say it has been quite warm during the day but at nights right cool, they have been enjoying swimming in the Gulf. Mr. and Mrs. Cozad who had lived neighbors to us for several years, sold their farm and moved to Littlestown, where they spent several years there, but due to the ill health of Mrs. Cozad and the advice of her Dr. moved to Florida. I am sure all those who knew Mr. and Mrs. Cozad will miss them very much and will look forward to their return in visits and we do wish them the best of luck.

Mr. and Mrs. Harvey Martin, spent Thursday in the home of their daughter, Mrs. Norman Heiner and family.

Colds, colds, colds, every one you talk to has a cold. Miss Norma Heiner was home from school a few days, also Mrs. Heiner was off work nursing a cold from Wednesday till Monday.

Rally Day services were held in the Holiness Christian church with 214 present. A heart stirring message was brought during the worship hour by the Rev. S. L. Adams which I am sure all enjoyed very much. The Rev. Paul E. Freeman is the pastor.

Five imperative, important, includables to know.

That which is really abiding.

That which is unmistakably enduring.

That which is truly honorable.

That which is decidedly constructive.

That which is superbly essential.

How much time could be expedited if situations were carefully thought through, thoroughly planned and prayed about.

Dearest Daddy, thou art gone, Thou hast left us, we're alone; But we'll live to join the Saints, Where no farewell tear is known.

Loving Daddy, first to go, More will never sorrow know; Now the Jordan fully passed, Thou art numbered with the blest.

Oh! dear Daddy, can it be Thou art gone into the grave? Can it be there was no power, Thy precious life to save.

We did not think that Saturday morn That our loved home soon should be Turned into a house of mourning Daddy dear, for thee.

Farewell dear Daddy, thou art gone To that beautiful land of rest; Where sin nor sorrow never more, Shall cross thy peaceful breast.

His loving daughter, "GERRY"

## THE BIBLE SPEAKS

International Uniform Sunday School Lessons  
BY DR. KENNETH J. FOREMAN

Background Scripture: Luke 4:1-15.  
Devotional Reading: Hebrews 4:12-16.

### How to Win

Lesson for October 23, 1955

NOBODY can be tempted to do what he can't do. Nobody can be tempted to do what he doesn't want to do. Of course somebody can say to you, "Do this," but if you can't or don't want to do it, the words are only words in your ear, they are no temptation, and you can't be said to have "resisted" what did not appeal to you at all. Furthermore, nearly always temptation means the pull of desire, not for something evil in itself but only a good out of place, or a lesser good in place of a possible greater. If a child takes the money he was going to put into Sunday school and spends it for candy on Saturday night, that does not mean that candy is bad in itself, or that eating it is a sin. But the child is tempted to a lesser good when a greater good was possible.

Dr. Foreman

### Questions About Temptation

The higher in the scale of life you go, the more this is true. Persons who live on a low level may easily be tempted to gross sins, because they don't have any strong desire for good, or to do good. Persons who live on a high level are much more likely to be tempted with good than with evil, for they habitually desire good. The temptation consists in seeing the lesser good so clearly that one forgets to look around and see the greater good. Now the temptations of Jesus were of this sort. There is no evidence that he ever felt an urge or even a slight inclination to do what is wrong in itself. There is evidence that he was tempted to do some good things that were not the best things. Take Luke's story of the temptations in the wilderness. One was to turn stones into bread—surely no sin? In a hungry world, to produce more bread would be a good thing. Another temptation was to get control of the kingdoms of the world. Was that not what he came to do? Or the third temptation again,—to trust in the protecting care of God: who would call that a sin? Yet each of these, under the circumstances and conditions, was not the right thing for Jesus, because not the best thing; and so he knew all these for what they were—temptations of Satan. We can ask many questions about temptation: where it comes from, what kind of persons are tempted, how to recognize it, and so on. But the question most of us want to know is, How can I win?

### How to Lose

There are two sure ways of losing the fight against temptation, whether in its lower or its higher forms. One is by sheer resistance, just saying No. If your temptation is liquor, for instance, it won't do you a particle of good to stand in front of a tavern door or to sit in a chair with a glass in your hand, just shutting your eyes and shaking your head and saying "No, I won't." Because, before long, you will. Mere stubbornness will go a long way; but not even Jesus tried to meet temptation with a simple empty No. Another way to lose your fight is to debate the question. In the vivid story of the first temptation (see Genesis 3) the serpent just gets Eve's mind to thinking about how fine that fruit was.

### The Sword of Spirit

Every Bible reader knows how Jesus won his victory over temptations: by using the "sword of the Spirit," the Word of God. But there is a right and a wrong way to use a sword. There are two ways of using the Bible as a defense against Satan. One of these ways works, the other does not. It will not do simply to quote the Bible. The Bible is not a sort of magic wand which you just wave in Satan's face will make him go away. Just repeating Bible verses is not enough. The only Scripture which is any good in temptation's struggles is Scripture which you have first "hid in your heart," that is to say committed to memory, and what is more important, Scripture which has become part of you. It is not quite enough to say, "God says —." Take the next step: "God says—and I believe it." You've got to make God's word your own, not just with the top of your mind but down to the bottom of your heart. So believed, the Word becomes life invincible.

M/Sgt. Raymond Vaughn of the Baltimore Filter Center looking into the empty Ground Observer Corps Observation Post at Taneytown, Md.

Joyce Kilmer once wrote a poem entitled "The House with Nobody in It". It's about the feelings of a home that has suddenly become deserted. A very sad and lonely tale but no sadder than the building that stands desolate right here in Taneytown.

This particular building is an United States Air Force ground Observer Corps observation post which was placed here to plug a vital hole in our Air Defense System. The Air Force has asked the people of Taneytown to man this post around the clock and report all movements of aircraft to the Filter Center in Baltimore.

This post is needed here because of the fact that radar sites, due to geological conditions, cannot pick up airplanes that fly below 5,000 feet in this area. Strategically this makes Taneytown a very possible route for any enemy planes who wish to reach our

main Eastern Cities undetected. Yes, this is a sad story also a very dangerous truth, not only for residents of Taneytown but for the entire United States.

Taneytown is a weak link in the chain of air defense. Not a nice term for our town but while we have "The House with Nobody in It" we remain a definite passage for any possible enemy.

What can you do about it? You can volunteer to serve a two hour shift each week at your observation post. Each volunteer will be thoroughly trained in the simple reporting procedure. David Smith is the post supervisor and you are urged to call him at 3504 or 5394 to volunteer for this vital job in the protection of your country.

Let's make "The house with Nobody in It", just a poem, not a fact.

## INVENTORY...

is the only thing he won't take!

The cost of renting a safe deposit box in our vault is infinitely less than what you stand to lose by leaving your valuables at home. Put your mind at ease—rent your box here today!
