THE WOMEN'S GUILD

Reformed Church Women Meeting

The Women's Guild of Grace E & R Church held its regular monthly meeting June 7, 1956 in the Parish House. The meeting was in charge of the organization, bestowed Life Memberships to Mrs. Marian Rue and Mrs. Glenn Martin, past presidents, for their years of service in His Kingdom. They were presented with pins and certificates.

Before the worship service, Mrs. George Motter, present president of the organization, bestowed Life Memberships to Mrs. Marian Rue and Mrs. Glenn Martin, past presidents, for their years of service in His Kingdom. They were presented with pins and certificates. Mrs. George Motter played soft piano music and Mrs. Airing read the opening meditation. The hymn, "I Love Thy Zion, Lord" was sung. Mrs. Edgar Fink read scripture and Mrs. Howard Welty led the group in prayer. The hymn, "The Church's One Foundation" was then sung. Dickie Airing played a clarinet solo, "At Break of Dawn". Faye Martin sang a solo, "I Belong To The King".

Mrs. Glenn Martin presented the topic for discussion, "Serve The Church Willingly". The following gave readings: Mrs. George Fream, The Church in a Changing World; Mrs. Mervin Wantz, The Church in Crowded Areas; Mrs. Martin, The Church and Moral Conditions; Mrs. Howard Welty, "The Church and the Family".

Seated in front of the group were some of the consecrated leaders of our church who told of their work and their reasons for serving. It is the love of God and the joy in serving others that keeps them working year by year. They were: Mr. Delmont Koons, Sr., General S. S. Superintendent; Miss Margaret Shreeve, choir director; Mrs. Marian Rue, choir member; Mrs. George Motter, Guild president; Mrs. Ned Musser, Kindergarten teacher.

At the conclusion of the talks the offering was received and Mrs. Morgan Andreas dedicated the offering and the materials which had been collected for Hoffman's Orphanage, the theme being Christmas in June. The articles had been placed under a gaily decorated Christmas tree. Mrs. Glenn Martin led the group in the closing prayer.

The business meeting was in charge of the president, Mrs. George Motter. In the absence of the secretary, Mrs. Ralph Stoner, Mrs. Motter acted as such and read the minutes of the previous meeting which were approved. The treasurer also reported.

Correspondence included a letter from the Winnebago Indians stating they were unable to fulfill our requests for samples, an invitation to tea for the members of Homewood Auxiliary on June 21 at 2:30 p. m., and an announcement that Anniversary Day at Hoffman's Orphanage is June 28.

It was decided to help with the purchase of stoles for the new choir gowns.

The August meeting will be in charge of the Christian Stewardship Committee. Mrs. Carol Frock and Mrs. Leonard Reifsnider, co-chairmen. No further business, the meeting adjourned and a brief social period followed.

Respectfully submitted,
Freda Lambert, Secretary

BROTHERHOOD MEETS

The regular monthly meeting of the Men's Brotherhood of Trinity Lutheran Church was held on June 6, 1956 with the Brotherhood of Immanuel Lutheran Church of Manchester as special guests. The leader for the meeting was Harry Dougherty, Maurice Baker read the scripture and Percy Putnam led in prayer. The special music was furnished by the Men's Male Chorus of Immanuel Lutheran Church. The speaker of the evening was Mr. Earl Luckenbaugh, President of the Central District of the Maryland Synodical Brotherhood and a member of the Manchester Brotherhood.

It was certainly good to see such a fine turnout of men for this meeting and it is felt that the continued fine attendance is due to the wide variety of programs that have been planned for the year by the Program Committee under the direction of Glenn Bollinger. Our meeting next month will be in the form of an outdoor meeting at the farm home of Marcus Baker. This is not to be confused with the annual picnic which will be held in August.

The Fellowship Committee for the meeting on July 4, 1956 will be Luther Luckenbaugh, Chairman, and Carroll Hahn.

TANEYTOWN JR. 4-H CLUB MEETS

The regular meeting of the Taneytown Jr. 4-H Club was held June 11 at the Taneytown Grain and Supply Company. The meeting opened by the singing of "Follow The Gleam", followed by the 4-H Pledge and roll call to which fourteen members responded. The old business was our clothing projects for the fair. The new business was on having an extra meeting which is to help any of the girls that need extra help. The extra meeting will be held on July 2 at the Taneytown Grain and Supply Company. There were fourteen members, two mothers and our leader present.

We also wish to extend an invitation to any girl who would like to join our club to come to our next regular meeting which will be held July 9, at 7:30, at the Taneytown Grain and Supply Company building.

FISHING RODEO AND CONTEST

Taneytown Jaycees Will Entertain the Children

The Taneytown Jaycees held a special Board Meeting at the American Legion Home, Tuesday evening, June 12, 1956.

Transportation will be furnished by the Jaycees every half hour from 7 to 10 o'clock. Pickup stations will be at the American Legion Home and Mid-Town Electric Store.

Pony rides will be available at the Rodeo. Prizes will be rod and reel, tackle box, creel, landing net, fishing bag and bait box. Prizes will be placed on display in the near future.

Look in The Carroll Record each week for other news and changes, if any, regarding Rodeo.

CONGREGATION REJOICES IN NOTE-BURNING

Golden silence reigned over the worshipping congregation of Grace Evangelical and Reformed Church on Sunday morning as the mortgage-note was burned as part of the Lord's Day Worship.

The Parish House which was urgently needed by the congregation for spiritual and social purposes had been in the talking stage a score of years before the congregation voted in the spring of 1952 to proceed with the building program. In the fall of the same year the cornerstone was laid at which time the Rev. Mr. J. Edmund Lippy, Westminster, was the speaker.

The two-floor building which has a most satisfactory kitchen, a large social hall, coat room, lavatory rest-rooms, a stage and dressing rooms and a large fellowship hall, in addition to ample closet and storage space was formally dedicated the second week in October 1953 at a total cost of \$48,303.41, including furnishings and equipment. At this time there was an indebtedness of \$16,000 for which the Consistory gave a mortgage and signed a note.

In this 2½ year period the membership and organizations of the congregation labored untidily that the mortgage might be satisfied and the note cancelled. It was, therefore, a moment of triumph and an occasion for rejoicing as the congregation looked on spell-bound as the note was reduced to ashes.

Reading left to right: Rev. Frederick D. Eyster, Franklin J. Baker, Rev. Morgan Andreas, George Motter and Murray Baumgardner.

After a Litany of Praise and Thanksgiving Mr. Murray Baumgardner, Vice-President of the Consistory, presented the cancelled mortgage-note to Mr. Franklin Baker, Chairman of the Parish House Finance Committee. As he held the note Mr. George Motter, who as former Secretary of the Consistory had signed the note, ignited it with an altar candle received from the House Committee.

The Children's Choir sang "God's House" by Loucks and the Senior Choir sang "The Heavens Are Telling" by Hayden with Mr. Delmont Koons and Mr. and Mrs. George Motter singing the special parts of an interspersed trio. The choir which sang most inspirationally were directed by Miss Margaret Shreeve, while Mrs. Romaine Motter was the accompanist.

Congratulatory greetings on this note-worthy achievement from Trinity Lutheran Church, The Birnie Trust Company and Dr. Robert Moss, Lancaster, were read by the minister. Special recognition was given to the Custodian, Mr. Delmont Koons, for the exceptionally immaculate condition in which he had the entire building for the momentous event.

The guest speaker of the day was the Rev. Dr. Frederick D. Eyster, President of Potomac Synod of the denomination. He used as his subject "Building for Eternity." He emphasized that some time in the distant future there would no longer remain this debt-free edifice, but because it was built and being used for the purpose of helping children, young people and adults to grow in Christian grace and character and in the knowledge of their Lord and Master it was a means of "building for eternity" as the immortal souls of men created in the image of Almighty God were concerned.

VOLUNTEER WORKERS

The X-Ray Campaign a Success

A resolution paying tribute to the public spirited cooperation and hard work of volunteer aids in the recently completed community X-ray campaign was passed by the program's executive committee of the Carroll County Tuberculosis Association.

The official number of free chest X-rays taken during the campaign was 4779, Mrs. Paul Lawyer, general chairman, reported. The X-ray program was sponsored by the Tuberculosis Association, the Carroll County Health Department and the State Department of Health.

"The thanks of the whole community are due to the whole community who generously gave their time and hard work to making an outstanding success of Carroll County's campaign to find the unknown cases of tuberculosis in this area. The chest X-ray program is one of the finest examples of public spirited cooperation this area has ever seen," the resolution stated.

Thanks are due also the newspapers for their fine coverage of the schedule and activities of the program, and to Station WTTT for daily broadcasting the schedule urging citizens to take advantage of this service. Without the interest aroused through these mediums, the survey could not have succeeded.

Mrs. Lawyer said that there is still work to be done although the program is officially over. "The X-ray survey was the first step in the search for unknown cases of TB. Every one of the small films taken which shows any suspicious signs must be thoroughly investigated."

The "follow-up" work is in the hands of the Carroll County Health Department. Letters to persons whose small X-ray is unsatisfactory will be sent out asking them to see their family doctors or to call at the Carroll County Memorial Medical Center for a second, larger X-ray. These, like the small films taken at the X-ray unit, will be made free of charge.

T. H. S. ALUMNI HOLDS DANCE AND BANQUET

Former Students and Friends Dine June 2nd

The Taneytown High School Alumni Association held their Annual Banquet and Dance Saturday evening, June 2, in the Taneytown High School. Over 250 members and guests attended, by far the largest affair ever held by the Association. The auditorium was very attractively decorated and arranged for the dance by the Class of '56 under the chairmanship of Miss Patricia Flickinger.

After the invocation by Robert Fuss, '56, the very delicious fried chicken dinner was served in the cafeteria by the Ladies' Auxiliary of the Fire Company. The ladies were helped in serving by a number of girls from the high school. Their assistance was invaluable to the success of the dinner and should be commended on their willingness to help.

President Robert Waddell, '52, acted as toastmaster for the program. Miss Dorothy Alexander, '46, led the enthusiastic group in singing. Pres. Waddell then introduced the other officers of the Association. Harry Dougherty, Jr., '53, vice president; Alice Frock, '54, secretary; Delmont Koons, '53, treasurer; and Mrs. Doris Harner, '45, historian. He then introduced Mr. Frank Wagny, principal of the Elementary School, and his wife; and also Mr. Andrew Mason, High School principal, and Mrs. Mason. Mr. Mason expressed his gratitude for the work of the Alumni Association and the eagerness with which the school welcomes their interest and loyalty. Mr. Waddell read letters of regret from Mr. Samuel M. Jennings and Rev. Guy P. Bready, both honorary members, who were unable to attend.

In the president's report of the past year he thanked all those who have helped to keep the Association functioning and serving our Alumni and schools. Special gratitude was extended to Mrs. Homer Myers and (Continued on Third Page)

MEETING OF CHURCH WOMEN

The United Lutheran Church Women of Trinity Lutheran Church met Wednesday evening with the program planned by the leaders Mrs. Lillian Ibach and Mrs. Harry Forney. The room was beautifully decorated with baskets of flowers on the platform, table and piano, which made a pretty setting for the presentation of the topic "Music in Song". The Youth Choir directed by Mrs. Estelle Yingling sang "Thou Whose Almighty Word", also "Jesus Shall Reign", with Emma Jane Formwalt as soloist. Mrs. Ruth Naylor acted as narrator and brought the compelling and inspiring story of music in song. Interspersed throughout the program was a dialogue by Mrs. Ethel Wilhide, Mrs. Mollie Crouse and Miss Beulah Englar.

The society and choir sang "From Greenland's Icy Mountains". A duet, "The Morning Light is Breaking" by Doris Bollinger and Lois Hahn. The Choir, with Mrs. Yingling directing, read chorally "Christ for the World we Sing", "Where Cross the Crowded Ways of Life" by choir with Mary Wilhide as soloist. The closing hymn was "O Zion Haste, Thy Mission High Fulfilling" by the society and choir. Prayer by Mrs. Vallie Hoagland.

TANEYTOWN BIBLE CLUB

On Saturday, June 2, the Adams County Youth For Christ had its final quiz, from which the five persons and alternates, having the highest percentage, were chosen to go to Ocean City, N. J., for further competition. Those going from Taneytown Bible Club are Jean Cartzendafner and Norma Rodgers. Ravina Arvin, having a high percentage, was chosen, too, but is not able to attend.

Also, at this time, the talent preaching and song-leading contests were held. Joan Cartzendafner won the talent contest, by playing different variations in the time of Storm.

From Saturday, June 16, to Sunday, June 24, these persons will be competing with others from Pennsylvania, Maryland, New York, and New Jersey.

"SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—the greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

The beautiful hydrangea plants are in full bloom everywhere and in the cities, due to the buildings protecting them, they were in bloom weeks earlier than in the country. Buttercups seem to be plentiful this year which is most evident as I cut the lawn. The deer made its appearance again at the bungalow but soon scampered off quickly.

The 900 block of Tyson Street which has accomplished wonders in renewal of those little houses "for artists only" in a most attractive manner. One would think they were in far off countries for each house boasts of its own individual color. There is truly a distinctive air about the entire atmosphere. This year the houses were open for the benefit of the Children's Guild which is truly a real worthy cause and although this year the fee was raised, it was well worth it. The hours were from 10 to 5. The Children's Guild is a non-profit organization which conducts a nursery school for emotionally disturbed children. These little homes were restored from the most degraded affairs which one would call slums and when once you visit you will desire to return. They are beautifully furnished with the most artistic taste. One wonders at the big pieces of furniture placed within. Each hostess is most gracious and permits the guests to walk around in the entire house or if you prefer she will take the tour of her home with you if there are any questions (and I always do ask a few!) On the one side of the street, the backs of the houses look over to Howard street and it is fascinating to note that you are really within walking distance to Baltimore downtown! Some of the yards are very attractive, and there was a tree which everyone admires which was planted by Mr. Edward Rosenfeld early in 1946 at 913. It is now a large tree called Mimosa. There is a large tree called "Busy Body"—a three way mirror on the second floor outside window sill which is a Philadelphia product and which was used in that city when I was a little girl.

No doubt, that is the only one in existence here in Baltimore. The opening of these homes once yearly is truly a treat and spells fascination in every sense of the word. It will be a real inspiration for you if it will be your first visit next year and you will not want to miss it ever after!

There was a sign on the return drive from Wilmington which read "If you can't fix and we can't fix it—throw it away!" In the Oriole (which is truly home cooking) is this advertisement "She deserves to eat out at least once a week". What's more, taking the little woman out to dine pays big dividends in the "Love and Affection Department". The motto—"Eat, Drink and keep your wife for a Pet!" Either North Avenue at Charles or Howard Street at Saratoga will please you and there is always a crowd plus the delicious food at most reasonably prices, and the nice part you can see before you buy' because it is strictly cafeteria.

A letter arrived from St. Pete, Fla. that the mosquitoes are really whoopers and many more than in N. J. state.

Hope you did not miss my favorite, Antonio Rocca, gentlemen, on T. V. last week. (at the Baltimore Coliseum. He surely is loved by the public and no wonder, for he is without a doubt the most honest and square guy in that wrestling game! Eh? Do you know that the town of Oasis, Wis., still remains dry.

The other day I was driving in the rear of car with two teen-agers. One was a young boy of not more than 16 and he was at the wheel and the girl: Perhaps a year or so younger. She was laying her head upon his shoulder and they each had a bottle of beer, drinking and laughing! Any young man loses respect for a girl whom he calls his date who would indulge in this kind of thing. When once your reputation is gone, Miss Teen-Ager, it is just too late. Even one kiss will spoil it all for your future life!

I heard a young boy say to his mother as she was driving 50 in the 50 per zone, "What are you going so slow for, Mother?" And the mother snapped back quickly, "That is the reason I'll never let you drive my car!" Smart mother, if you ask me!

So long, folks, until next week end D. V. Have a grand week end, go to church and drive slowly so as you can drink in all the beauty around you. I am,

Faithfully,
YOUR OBSERVER.

YOUR NAME IN THE PAPER

How valuable is local newspaper advertising to local business people? Here's what the American Bankers magazine, a publication which represents a traditionally hard-headed profession, has to say: "No business man or woman in any town should allow a newspaper to go to press without his or her name and business being mentioned somewhere in its columns. This does not mean you have a whole, half, or even a quarter page advertisement in each issue of the paper but your name and address should be mentioned if you do not use more than a two-line space.

"A stranger picking up a newspaper should be able to tell what business is represented in a town . . . it's the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town."

GRASS ROOTS OPINION

WASHINGTON, IOWA, EVENING JOURNAL: "Farmers are unhappy, yes, but not rabidly indignant as some politicians have tried to make out. It was predicted by many that a political volcano would erupt if President Eisenhower vetoed the farm bill. He did, and the eruption didn't happen. Farmers, by the very nature of their business, are accustomed to the ups and downs of weather conditions and markets. They are taking the present situation in stride."

GAINESVILLE, TEXAS, DAILY REGISTER: "If we are to continue to maintain the balance between the states and federal government that has made possible the development of our country and the protection of our individual rights, the authority and rights of the various states must be preserved and the trend of ever increasing power of the federal government must be reversed."

DOVER, DEL., STATE NEWS: "The misbehavior of some of our American young men—especially in their contacts with people who are not natives of this country—has always been a mystery to us . . . It seems strange in our democracy—where we have always emphasized human rights—that we do not show greater respect for the rights of others."

CLAREMONT, MINN., NEWS: "The blacksmith has not been eliminated. He has just changed his name and is now called a mechanic and there are far more of them . . . than there ever were."

CURRENT EVENTS FIFTY YEARS AGO

The town has been full of cherries of a fine quality, this week.

The band concert, on Saturday night, will be at the Catholic Festival, instead of at the square.

Frank Gardner, recently of Taneytown, having completed the prescribed course of study, and graduating with high honors, June 7th, in Baltimore, will shortly enter upon his duties as an embalmer.

Democratic primaries will be held throughout the county on Saturday, June 23, for the purpose of choosing delegates to a county convention to be held in Westminster on June 25, when delegates will be chosen to represent the county in the Congressional convention to be held in Westminster on the 27th. The primaries will be held in Taneytown from 6 to 7 p. m.

New Windsor—Mrs. Norval Shoemaker and family, of Taneytown, returned home on Tuesday after a ten day's visit to her parents, Mr. and Mrs. Charley Lambert. Miss Cara Buffington returned home this week from the Western Maryland College, at Westminster. Shriver's Canning factory has been running this week, at work on peaches and cherries. The pea crop was partly a failure.

Mayberry—Jacob Marker has closed his limekilns, but will start burning after harvest. Some of our farmers are busy making meadow hay.

Don't Be In A Rush

Did you ever find that you accomplish any more by rushing wildly about your duties talking constantly of how much you have to do? There are people whom a press of work always affects like that. The idea that other tasks wait beyond the present duty seems to upset them and peculiarly unfit them for doing the immediate thing well. Good work is never done in a frantic hurry. The thing to do is to center the mind upon the present task, as if it were the only thing to be done. So it is for the time being. One day at a time; one hour at a time; even one minute at a time; always one thing at a time—this is not only the most thorough way to do things, but in the long run, it is far the quickest way. People who do the most work are always the calmest, the most unruffled. With calm spirit they work methodically, doing one thing well at a time and working swiftly without haste.

TANEYTOWN HIGH SCHOOL ALUMNI HOLD BANQUET AND DANCE

(Continued from First Page)

her typing class who addressed the more than 1300 letters and cards this year to the graduates. He mentioned the importance of the paying of membership dues first of all. Even if only one-half of all the T. H. S. Alumni were to pay their dues, the Association would not have to worry about ways of raising money to finance operation or special projects. (Note: Membership dues may still be paid by mail to Box 384, Taneytown, Md.) Of course, the loyal interest, help, and attendance at meetings was requested from all those around the community. The Association performs a valuable service in trying to keep addresses of all Alumni and making these banquets and class reunions possible. It also aids the Taneytown schools quite a bit, having given over \$1,000 worth of aids and equipment to these schools over the past several years. The Association, in the interest of better sportsmanship in our schools, also offers trophies to a girl and boy graduate each year for Sportsmanship in Athletic Activities. The winners of these awards this year, Mr. Larry Feeser and Miss Roberta Garvin, were introduced.

Notice was given of the summer outing which will be held at Beverly Beach, south of Annapolis, on Sunday, July 15. Cars will leave the high school at 8 a. m., (that's in the morning). All members were also invited to reserve Aug. 20 for the annual Weiner Roast and Thanksgiving Night, November 22, for the annual dance.

Mr. Waddell introduced the class of '56 who were the guests of the Association. Very nearly every member of this year's class has joined the Association and their interest is very commendable. Next, the members present from the class of '51 were introduced by the toastmaster.

The class of '46, who were celebrating their 10th anniversary reunion, was presented. Those present were: Miss Dorothy Alexander, Baltimore; Mr. and Mrs. Robert Lambert, (Cecelia Fair), Frederick; Mr. and Mrs. Jesse Englar, (Cordelia Mackley), York, Pa.; Mr. and Mrs. Kenneth Rittase, Greenbelt, Md.; Mr. and Mrs. Elijah Jenkins, (Mary Louise Roop), Centerville, Va.; Mr. and Mrs. George Sauble, Jr., Glen Burnie, Md.; Mr. and Mrs. Edward Sell, Williamsport, Pa.; Mr. and Mrs. Thomas Masano, (Dolores Waddell), Washington; Mr. and Mrs. Edward Haines, and Mr. and Mrs. Richard Rinehart, of Westminster; and Mr. and Mrs. Herbert Bowers, (Maxine Fream), Mrs. Bernard Elliot, (Gloria Simpson), Mr. and Mrs. James Fair, (Betty Linton), all of Taneytown. Mr. Richard Rinehart, class president, introduced Miss Dorothy Alexander who delighted the group with 2 solos, accompanied by her sister, Miss Mary Louise Alexander, '42. She sang "Can't Help Singing", and "People Will Say We're In Love", from the show "Oklahoma", both very fitting numbers. Mr. Rinehart explained to the group that a number of other classmates, as well as Mrs. George Hutchinson, (the former Miss Tully), the class' Senior advisor, had expressed their deep regrets in being unable to attend. Mrs. Hutchinson is now living in Dunkirk, N. Y.

The class of 1936 celebrated their 20th anniversary and introduced the following members and guests: Dr. Basil Crapster, Gettysburg, Pa.; Dr. and Mrs. Richard Mehring, Kensington, Md.; Mr. and Mrs. Stoner Fleagle and Mr. and Mrs. Donald

Myers, of Westminster; and Mr. and Mrs. Ralph Dinterman, (Rosanna Keiholtz), Mr. and Mrs. Theodore Jester, (Mildred Baumgardner), Mr. and Mrs. Kenneth Shorb, (Charlotte Hess), and Mr. and Mrs. Myron Tracey, all of Taneytown.

The class of 1931, whose reunion was in celebration of the silver anniversary of their graduation, had 11 of their 14 living members present for the evening. This class was invited and entertained at the home of Mr. and Mrs. Robert Clingan, Jr., earlier in the afternoon. Those attending were: Mr. and Mrs. John Mowbray-Clarke, (Amelia Annan), Bethesda; Mr. and Mrs. Arman Cone, (Charlotte Myers), Colonial Heights, Va.; Mr. and Mrs. John LeGore, (Mary Young), Annapolis, Md.; Mr. and Mrs. Robert Blizard, (Ruth Heltebride), Mr. and Mrs. James Lefevre, and Mr. and Mrs. Vernon Zimmerman, of Westminster; and Mr. and Mrs. Robert Clingan, Jr., (Mary Teeter), Mr. and Mrs. Kenneth Koontz, (Viola Wanz), Mr. and Mrs. Delmar Riffe, (Nadine Ohler), and Mr. and Mrs. Donald Tracey, all of Taneytown. Mr. and Mrs. Samuel Bowman, Union Bridge, were also guests of the class. Mrs. Bowman was the former Miss Helen Baker, a teacher of the class.

The class of 1926 with Miss Mary Shriver, class president, was introduced. Miss Shriver brought back many memories with tales of antics and activities of the class of '26. She related how the old schoolhouse on York Street had been condemned and that classes had to be held in the Opera House and the old Shoemakers shop. This class was the first to ever graduate from the present high school building, the construction being completed about that time. Graduates and friends had to climb over rocks, boards, and piles of ground to get into the building for the commencement exercises. Those present were: Mr. and Mrs. Charles Angell, (Helen Roop), and daughter, Helen, East Berlin, Pa.; Mr. and Mrs. Ralph Baumgardner, Westminster; Mr. and Mrs. Glenn Bowers, (Dorothy Spangler), Littlestown; Mr. Charles O. Hesson, Silver Spring, Md.; Mrs. Leslie Keeney, (Viola Ohler), Walkersville; Mr. and Mrs. George Lambert, Allentown, Pa.; and Mrs. Margaret Crouse Angell, Mr. and Mrs. David Hess, Mr. and Mrs. Kenneth Gilds, and Miss Mary Shriver, all of Taneytown.

After the classes holding reunions were all introduced, the roll call of classes was made, showing almost every class represented from 1921 to 1956.

After the program, which concluded precisely on schedule at 9 p. m., most of the crowd moved to the auditorium to complete an evening of fun and reminiscing in an atmosphere of soft lights and sweet music. Many of the classes holding reunions went first into one of the classrooms to compare pasts, enjoy renewing acquaintances and to make plans for future reunions. Many also were seen viewing the class pictures hung in "Alumni Hall". Music for the dancing 'till 12 midnight was furnished by Bob Kersey's orchestra and the response of the crowd was thrilling.

It can certainly be said that this was one of the most successful events ever held for T.H.S. Alumni, and a great deal of credit should be given to everyone who contributed in any way toward making it so.

TWO SCHOOL TEACHERS AND NURSE RETIRE

The Carroll County Board of Education announces the retirement of two veteran teachers at the close of the school year 1955-56. The Board expresses appreciation for their years of service and loyalty. The retiring teachers are Thurman N. Brown now residing in Union Mills and for a number of years principal of the Deep Run school in Myers district. Mr. Brown began teaching in Carroll County in 1919 at Good Hope school. He served as teacher at Humbert School for eight years and at the Cherry Grove School for twelve years. Since 1939 he has been principal at Deep Run School. Mr. Brown studied at Maryland State Normal School, Towson, and also at Western Maryland College.

Clara E. Devilbiss is retiring as principal of the Harney School in Taneytown District. Her teaching service in the Carroll County Schools began in 1915 when she began to teach in the Middleburg School where she taught until 1930. From 1930 until the present she served as principal and teacher at Harney School. Miss Devilbiss studied at Johns Hopkins, Maryland State Normal School, University of Maryland, University of Virginia, and Western Maryland College.

Announcement is also made of the retirement of Maud E. Manahan now supervisor of public health nurses in Carroll County Health Department. Her work has, since 1941, been very closely tied to public school health work and she rendered most important service during this period to the development and expansion of the school health program. She is also a former teacher in the county having served as a teacher in Poole School, Sykesville, and Westminster. Her teaching service began in 1906. She later took training and post-graduate work at Johns Hopkins School of Nursing and was at one time night supervisor John's Hopkins Hospital. She taught in the nursing school South Baltimore General Hospital for a total of six years and held important positions in the Baltimore City Dept. of Health. At one time she was assistant superintendent of nurses at Shepherd Pratt Hospital and did special work in public health in Queen Anne's and Anne Arundel County. She studied extensively and received certificate in public health work in the University of Pennsylvania. In 1941 she returned to Carroll County in the capacity of school nurse and became supervisor of public health nurses in 1951. Her contribution to education and to local public health work has been significant. The Board of Education and school personnel of the county learn of her retirement with regret and appreciate greatly her service and contribution.

The retirement of Miss Manahan, Miss Devilbiss, and Mr. Brown becomes effective July 1, 1956.

FEESERSBURG

(A Voice from Carroll)

Uppermost in the minds of all Americans this week was the latest illness of the President. Many are wondering just how ill Mr. Eisenhower is. The papers, radio and T.V. are not much help in reaching a truthful answer because all three would have the people believe that the President is in robust health following a major operation, which just can't be true as anyone who knows for himself if he has even been operated on. Since very few adults reach 65 without undergoing surgery, a good many Americans know from personal experience that the President can't be feeling any way but miserable physically and a trifle blurred mentally on the third day after being operated on. Anyone who has ever been connected with the medical profession must be shocked and dismayed at some of the statements of responsible persons published in newspapers and on T.V. concerning the health of the President. Mr. Eisenhower is put together like any other human being and must react to certain conditions like any other human being. No one expects any man to feel or act "robust" or return to his job a few days after a major operation but almost every newspaper in the country is telling the public that kind of nonsense about the President. There isn't anyone that doesn't sympathize with another's ill health especially if it is an endured ill health himself. It is a real tragedy when one is endowed with special gifts of intellect and ability to help ill health stand in the way of completing one's work. But ill health comes to everyone sooner or later. It must be accepted and endured and to pretend it doesn't make any difference to one's ability to function normally is not facing up to the truth. Each one of us like to pretend we do not change. But the years take their toll and we must acknowledge to ourselves that our ability and strength changes with our years. Whether it be the President or the man who tills the land, sooner or later nature demands her price for one's existence and to deny that such is the case is to deny that man must eventually die.

About a year ago a controversy was raging about the Salk vaccine against the polio virus. Due to someone's carelessness live virus was found in some of the vaccine. This caused much anxiety among parents and doctors, and some parents decided not to give the vaccine to their children. At a recent meeting of the American Medical Association the doctors concluded that the Salk vaccine is standing up under the most careful scrutiny in respect to safety and effectiveness. As research continues the vaccine should in time become one hundred percent perfect, if that is possible. The human body is a strange mixture of chemistry, and often reacts to drugs and vaccines in a contrary manner to that which is expected. For instance, aspirin is considered a safe and effective medicine to 99 percent of the population, but to one percent it is poison. We had a classmate who had been vaccinated for smallpox seven times and seven times it was ineffective. The doctors finally gave up and decided she was one person in 10 million who did not respond to the vaccine. So it will be with the Salk vaccine—a small percent of children will not benefit by it but millions of others will. I think polio will be eliminated as a menace just as smallpox was.

June is acting quite normal. Graduations, weddings, carnivals, bugs of all kinds and strawberry shortcakes of all sizes are with us. Socially, June seems to be the busiest month of the year, and it would take a Fabius to keep up with everything. Fortunately we aren't racetracks and all of us do not have the same interests or appetites so we manage to get by June pretty well.

As we predicted the birds ate all of the fruit from our cherry tree Sunday evening we counted twelve birds in the tree at one time and nothing disturbed them—not even our dog Mike who has disturbed quite a few individuals these past few weeks.

This year for the first time scholastic letters were given to the students who could qualify at the Elmer Wolfe School. The letters were limited to the senior high school students, and thirty-six students received one. Any student that received 225 points in scholastic achievement was entitled to a letter. Out of a student body of 98 approximately one third received a letter which certainly speaks well for the teachers, the students and the school. The parents too deserve some of the credit for environment plays an important part toward a child's attitude toward education although there are exceptions to this viewpoint. The student council was responsible for establishing the scholastic letter this year and the members should take a bow for instituting something that should have been done long ago. Incidentally, the council even raised the money to pay for the letters. The school should be proud of the members serving on this council, and for making scholarship as rewarding as sports as far as recognition is concerned.

It is very easy to manage our neighbor's business, but our own sometimes bother us.

Any one who has ever planted a tree needs no future monument for he has planted his own. And in the planting he has revealed so much of his own character that no one need ask what manner of man was he. For he who plants a tree plants thoughtfulness and kindness and a love for man, beast and bird. He enjoys beauty and respects God. He feels he owes a debt to nature and a responsibility to future generations. He is not conscious of all these things but basically he understands all these things or else why should he want to plant a tree?—Ruth Roelke.

If we had seen you to the last
And held your dying hand,
And heard the last sigh from your heart,

We did not know the pain you had,
We did not see you die,
We only know you went away
And never said goodbye.

PARENTS ARE URGED TO HAVE THEIR CHILDREN INOCULATED
Available figures indicate that parents in Carroll County are slow in having their children inoculated against infantile paralysis.

They are strongly urged by health authorities to receive this protection from their private physicians as soon as possible, since we are now in the "polio season" with the worst months to come. Even one "shot" gives some measure of protection.

Inoculation clinics are held at the Health Center in Westminster each Tuesday between the hours of 7:30 p. m. and 3:30 p. m. for those who are unable to obtain vaccine at their private physician's office.

AUSTRALIAN SPEAKS AT BROTHERHOOD MEETING

The June meeting of the Taneytown Presbyterian Brotherhood was held last Tuesday evening, with ladies as guests. President Harold Hamilton and Pastor Galambos introduced the distinguished guests: the Rev. and Mrs. Johannes Jacob Mol of Sydney, Australia. Pastor Mol who was born in Holland, has been assigned by the World Council of Churches to work among the emigrants on the Australian continent. His wife is a native of Australia. During his visit to Europe, the Mols have been invited to the United States to further their education.

While Pastor Mol is working on his doctor's degree at Union Theological Seminary, in New York City, the couple have accepted a call to the Bethel Presbyterian Church in Harford County, Maryland.

It was a privilege for the members of the Brotherhood and their ladies to hear about the Ecumenic program in other areas of the world. The message of this young minister and his charming wife gave much encouragement for the entire audience.

It was wonderful to see in colored pictures the magnificent achievements of the Presbyterian Church of Australia for the cause

KITCHEN TIPS

NUMBER 13

If you pack lunch boxes for your children or husband, here are some suggestions that may prove helpful:

1. Put wooden tooth picks into the top of cakes or pies before wrapping them. This will keep waxed paper from sticking to icing or meringue.
2. When packing thermos bottle filled with hot liquids, pre-heat it first with hot water. Pre-cool it before filling with chilled liquids.
3. To give extra flavor to sandwich fillings, cream butter for spreading and add horse radish, minced onion, grated cheese, catsup or chopped parsley.

Cupcakes baked in paper muffin cups stay fresh longer than if they are baked in muffin tins.

Lighting in your home should add decorative touches as well as protect eyesight. Our Home Service Advisors will be glad to give you free assistance in planning and arranging your home lights—both indoors and out. For this free service, just call our local office.

Don't throw away leftover mashed white or sweet potatoes, wrap them in waxed paper, chill or freeze and fry as needed.

Automatic washers may be used to dye fabrics, bath mats and so forth. Our local Home Service Advisor will be glad to advise you about this unique use of a common household appliance.

To re-heat scalloped dishes, add a small amount of water, milk or gravy, toss lightly to re-moisten and place in 350° oven until heated.

Have you received your copy of the new "Wife Saver" recipe leaflet? If not, write for it today to: Home Service Dept., Potomac Edison Co., Hagerstown, Md.

God's Ambassador

Lesson for June 17, 1956

VERY few readers of this column have any chance of being appointed as the ambassador of the United States to any important foreign country. It isn't that you are not good enough. You are not rich enough. Ambassadors are expected to live in a high style. (Did you ever inquire what just one pair of striped pants, made to order, would cost you?) They are not expected to live on the salary the United States pays them. They have to live in mansions for

Dr. Foreman

God's ill-housed ambassador

Strange as it seems, the ambassadors of God are not usually looked after in such sumptuous style. They always have housing, of a sort; but it is seldom palatial. Indeed one of them wrote, "If we have food and clothing, with these we shall be content." Nothing said about housing. One of the very greatest of God's ambassadors to this world suffered from something quite a bit worse than leaky roofs or lack of plumbing. If the Apostle Paul were to visit our town today, even people outside the church would want to have him put up at the best hotel in town, or entertained at the finest homes. Paul sometimes got this sort of treatment, but a great deal of the time, indeed for years on end, he would be actually in jail. Not only that, but he would have to wear chains on his arms and legs as if he were a member of a chain-gang. Strange to say, too, this did not make Paul unhappy or bitter. After two solid years of that sort of thing, some men might be willing to quit. But not Paul. Standing before a king, his hands weighted down so that it was hard to move, Paul said, "I would to God you were just as I am—except for these chains." He would not wish his chains on anybody; but otherwise he knew he was better off than a king, for he was still the ambassador of God. There is no higher place.

Spokesman for God

We must not blame God for the poor treatment his ambassadors receive. It is not his fault. But God's men understand this. Paul understood it, and went on speaking for God wherever he was. Some Christians might think that if Providence had dumped them in jail they could be expected to take a vacation from witnessing to their faith. But Paul knew that there never is a real vacation from being a Christian. There have been some peculiar characters appointed as ambassadors now and then by human governments; but no emperor, king or senate ever appointed a dumb man, to represent his country. There was a great convention of Christian business men in Louisville, Kentucky, last winter. Three of these men were on their way afterwards to the airport in a taxi. What would you have done in their places? The convention was over, business and families were expecting you home. No time, no place, for Christian work in a taxi, surely? But these men did see it that way. They talked to the driver, found he was not a Christian. Never mind the plane, they said, just drive us to your own home. There they talked with him, prayed with him, and he gave his heart to Christ. They missed the plane, but do you think they regretted it?

The chains still rattle

Actual iron chains do still imprison some of God's people. There are parts of the world where it is almost a crime merely to be a Christian. But even where that is not true, the men and women who represent God have to work against many kinds of handicaps. Sometimes it is only being thought peculiar, or superstitious. Sometimes it is having to work under a government which is unfriendly to religion, as is the case in some mission fields. Sometimes it is some local "industry" which is vicious and powerful and will strike back at any person, or group, religious or otherwise; that threatens to cut down their profits. Sometimes these invisible chains muzzle the mouth of a minister whose people will not let him speak up for his own Christian ideals. Well, chains may hold back God's kingdom; but they will never stop it!

Let's Think

G. H. ENFIELD

FATHER'S DAY

The third Sunday in June is designated as Father's Day. Mother's Day is observed more than a month earlier than Father's Day. Mother's Day had an earlier origin because there has always been more sentiment about mother than about father. "Legend and romance have always glorified mother. The poet has halloved her place in life and home."

There are many expressions and idealisms about mother and home. Home and mother are intimately associated. For instance, "What is home without a mother?" "A boy's best friend is his mother." When a child does well, the public acclaims that is due to a mother's teaching and influence. If a child shipwrecks his life, that is his father's fault.

But little halo surrounds the head of father in comparison to that of mother. His toils, sacrifices, and expressions of love create but a small sentiment. His being physically stronger of the two sexes perhaps is one reason. Another, "the child is the mother's own flesh and blood." From its inception the child has been a part of her. And from its birth the child has been closer to her bosom than to that of the father's.

Mother, home, and child are inseparably connected. Father's interests and love are frequently alleged, often unjustly, to be confined to farm, store, shop, office, bank, et cetera. These suggest the sources of income, rather than the objects of his love, by which he supports the family, and meets financial obligations.

Formerly, father was generally considered an earner and paymaster. Much of fathers' time is necessarily spent in the world of competition and strife even though he would have it otherwise. Mother's sphere is primarily the home. She soothes the brow, heals the hurt, eases pain, wipes away tears. Father's is to pay bills.

Since women are now earning money as well as men, father is coming into his own. He is becoming recognized more for what he is than for what he has. Wives are evaluating the sterling qualities of a diligent and honest toiler, and the devotion of a faithful father to the children.

Many an eminent professional man or successful business man have climbed to the pinnacle of their careers on the bent back of a loving father, who got where he is by the hard way. He dug instead of climbed. Your necessities, comforts, and luxuries may have been purchased by the life's blood of a kind husband and father. Thousands of fathers also have felt and cried as David of the Old Testament did: "My son, my son, Absalom, would God I could have died for thee."

Joseph, the foster-father of Jesus, so represented and dignified fatherhood that this Son conceived as a most worthy title for Almighty God, the name - Father. "Honor thy father," Ex. 20:12. "My father is so strong and brave And yet so very kind; He's quite the nicest daddy A child could hope to find!"

Morgan Andreas and Mr. Murray Baumgardner of Taneytown were among the ministers and laymen representing 101 congregations in Maryland, Virginia, West Virginia and the District of Columbia comprising Potomac Synod of the Evangelical and Reformed Church as it met in legislative session at Hood College last week.

The delegates began the 3 day conference period with the celebration of Holy Communion in Coffman Chapel on the college campus with the Rev. Andrew Truxal delivering the sermon.

Dr. Arthur Newell, Chairman of the Committee on the Church and Ministry emphasized the need for more young people, both male and female, to study for the ministry and to give their lives to full-time Christian service. This need has always been urgent, but now is more so inasmuch as there will be more men retiring now from the active Ministry due to the revision in the social security laws.

Two new national mission fields in the Synod at Rockville and at Halfway, between Hagerstown and Williamsport, were organized in the past year and are progressing nicely.

Relative to the issue of integration the Christian Social Action Committee urged that members of local congregations work with school leaders and other groups in their communities to achieve an inclusive program of education for all children regardless of race or culture. Commercialization of the Lord's Day and extension of business hours into the Christian Sabbath were strongly opposed.

Dr. Joseph Stein, Minister and Superintendent of Middle Atlantic Conference of the Congregation-Christian Churches spoke to the conference on the theme "Pilgrims Unafraid." Plans are that in 1957 the Evangelical and Reformed Church and the Congregation-Christian Churches will unite in a merger to form the United Church of Christ.

He described this proposed merger as the beginning of the end of self-righteousness so far as denominationalism is concerned. He urged we do away with the competitive denominationalism and give ourselves to healing the wounds we as Protestants have inflicted on the body of Christ. Dr. Stein said that unfortunately we have built the church on personalities but none are good enough to be substituted for the rock foundation of Jesus Christ. He emphasized that the world does not need the church of Rome or the church of England or the church of the Pilgrim Fathers or the church of the Reformation, but rather the church of our Lord Jesus Christ. Climaxing his most stirring and thought-provoking presentation he concluded with the vision of a prophet as he urged Protestantism to march forward in the United Church of Christ.

In the elections Mr. Murray Baumgardner was named to the Board of Camp Michaux and also as an alternate delegate to the General Synod which will meet this fall in Lancaster, Penna.

Approval was given to the Advance Program suggested by the General Council. This program looks forward to the building of 100 new churches in North America, 100 new missionaries and overseas workers, 200,000 new church members and 700 more candidates for church-related vocations in the next triennium.

Dr. John E. Lentz, Collegeville, Pa., was the denominational representative who presented the full program of the church at large. He called special attention to the increased lay participation in the program of the church in recent years, and reminded the representatives that the Church of Jesus Christ was at first strictly a movement on the part of lay-people.

In the report on International Missions it was noted that the educational institution of the denomination having the largest enrollment is North Japan College with 5534 students. Dr. Donald Englert, Rev. Rickard Winters, Mr. Robert Benchoff and Dr. Truxal spoke in behalf of their institutions, the Lancaster Seminary, Franklin & Marshall College, Massanutten Academy and Hood College, respectively. Rev. Arthur Leeming and Rev. Mark Wagner addressed the delegates on behalf of Hoffman Orphanage and Homewood Church Home, respectively.

In the necrology report were mentioned the passing of Dr. John Barnhart, Baltimore, and Elder Frank Crouse, Taneytown.

In connection with the report on Christian Education the Rev. Albert Robinson, Director of summer Church Camps, indicated that there will again be a capacity crowd in each of the camps to be conducted at Camp Michaux this summer. Of the 12 camps planned for this summer 3 of them are already filled and campers must in many cases transfer their registrations to a second choice camp week.

High-lighting the sessions was a series of meditations given in the devotional periods on the theme "For The Living Of These Days" by Rev. Paul Strauch of Takoma Park, D. C.
