MEETING OF MAYOR AND CITY COUNCIL

Tax Rate of 85c per \$100 Same as Last Year

At a meeting of the Mayor and City Council of Taneytown, the tax rate of 85c per \$100, was established for the current year.

A representative from the State Dept. of Health was present and discussed the sewer situation in Taneytown. It appears that the system is overloaded but it was hoped that this was due to the seasonal operation of the canning factories and would "clear up" after these factories have completed their canning for the year. During the erection of the treatment plant the town was assured by the state authorities that the new plant would take care of triple the population of Taneytown.

Beginning with the Sept. to Dec. quarter the water rent bills will contain the sewer charge which is 50% (additional) of the old water rent charge.

The council also discussed the progress of the work being done at the entrance to Taneytown Memorial Park.

MEETING OF SUNDAY SCHOOL CLASS

The Hustler's Sunday School class of Grace Reformed Church met at the home of Miss Barbara Eckard, on Monday evening, September 24. In the absence of the president and vice-president our teacher, Miss Bankard took charge of the meeting. We had our scripture lesson in the form of a responsive reading. We read portions of the Psalms. We prayed the Lord's Prayer in unison. The business meeting followed this devotional period. Reports were given by various members on the Gwynn Oak trip which was taken on August 4 and the swimming party was held at Meadow View on August 19. We decided to change our system of paying dues to making it on a yearly basis instead of a monthly basis. It was decided that the dues be a \$1 a year. This new system to go into effect in January. We discussed various methods of raising money but no definite conclusion was reached at this time.

We received an invitation from the Junior High Class taught by Mr. Murray Baumgardner to go on a straw ride with them on Friday evening, October 12. This invitation was accepted. The group will leave the church at 7 o'clock.

The next meeting will be held in October with Robert Fitz being the host of the evening.

The meeting was adjourned. Games were played and prizes won by Doris Stonesifer, Miss Bankard and Larry Ohler. Delicious refreshments were served by our hostess.

"MISS TANEYTOWN 1956"

Miss Sylvia Joyce Keeney, daughter of Mr. and Mrs. Luther Keeney, was chosen as "Miss Taneytown 1956". Miss Keeney, a senior in Taneytown High School, will represent Taneytown at the beauty contest this Friday night in the American Legion Home, Westminster, at which time "Miss Carroll County" will be selected. The contest is being staged as part of the observance of Fire Prevention Week. The public is invited to attend the dance and ceremonies. Tickets may be purchased from Firemen Donald Tracey, Freddy Clingan, Earl Lookingbill or at the door Friday night. Dancing will be from 9 to 1.

The Queen and all contestants will head a large parade Monday night in Manchester, starting at 7 p. m. All Firemen are urged to be in uniform and ready to leave the engine house at 6 p. m., Monday night.

P. C. W. Y. F.

The meeting was called to order by vice president Weant. The group was led in song by Rev. Galambos. The Scripture text was read from the book of Matthew by Mickey Pashel who replaced Mr. Walter Plank for the evening. He followed by explaining it. The business meeting was called to order by vice president Carl Weant. The minutes were read then, followed by the treasurer's report. The meeting was adjourned with ten members and three guests present.

THE REV. DR. GUY P. BREADY TO SPEAK

The Taneytown District Sunday School Rally will be held on Sunday, October 14, 1956, at 7:30 p. m. in the United Brethren Church. The Rev. Dr. Guy P. Bready will bring the message to us for this event. Special music will be furnished by Mr. and Mrs. Herman Smith, of York, Penna.

William Copenhagen, president of the association, announced that the Leadership Training Course which is being sponsored by the association will commence sometime during the early part of 1957. A more definite date for this course will be announced later.

BIBLE CLUB HOLDS MEETING

The weekly meeting of the Bible Club was held in the Music Room at T. H. S., Oct. 1, 1956. No meeting will be held Oct. 8, 1956. The following Monday, Oct. 15, 1956, there's a hayride visit to Johnville to visit the Crippled Kids Hospital. Everyone is welcomed to the weekly meetings held at T. H. S., at 8 o'clock p. m.

TELEPHONE STRIKE Operators Belonging to Union Walk Out

The strike of telephone operators represented by the Maryland Telephone Union, Inc., is, to say the least, unfortunate. There is no justification for the Union's action.

In Westminster the company has offered to increase basic wages for operators by \$2.50 per week which is well in line with increases given elsewhere for comparable work. This will raise the top rates for operators to \$57.00 per week. The Company also has offered to make numerous other concessions to the Union's demands. We have been bargaining with the union since August 6, and every effort has been made to reach a fair settlement.

We deeply regret the action of the Union in striking. They know and we know that nobody wins in a strike.

During the strike, in those areas served by manual switchboards no effort will be spared to maintain uninterrupted telephone service with available forces. In dial areas there will be no impairment of local service.

Initially there may be some delays in handling long distance calls, and in a few instances emergency service only is being given, however, the normal of service should return to normal within a few days.

FARMERS WILL REPRESENT LOCAL SOUTHERN STATES IN WINCHESTER, VA.

David Hess, Taneytown and Martin Zimmerman of Taneytown will represent Southern States Cooperative members in the Taneytown area at the Cooperative's district election to be held Oct. 11 at Winchester, Va. Charles A. Miller and George C. Flohr, managers of the local Southern States Cooperative Service Agencies in the above areas will also attend. The meeting will elect a member of the cooperative from this district to serve on its Board of Directors for the next three years. Nominees from this district are Clarence H. Shaw, Taylorsville, Md.; Ernest C. Van Metre, Shepherdstown, W. Va., and Harman C. Hartman of Cabins, W. Va. The man elected will be confirmed at the Cooperative's 33rd Annual Meeting in Lexington, Kentucky, on November 15 and 16.

The program for the Winchester meeting will include an address by L. E. Raper, director of Membership Relations, who will talk on "From A Little Seed It Grew", a slide film presentation by Warren E. Rowe, of the Cooperative's Information Publications Service on "Where Your Dollars Are Invested." There will also be a discussion period and consideration of policy matters by delegates.

L. B. Baldwin, Southern States District Manager of Herndon, Va., will be in charge of arrangements for the meeting.

NATIONAL LETTER WRITING WEEK

National Letter Writing Week will again be celebrated in City and State during the week October 7 to 13. Postmaster Burke announced today. Commenting on the significance of National Letter Writing Week, he pointed out that each year since 1938 this event has been observed as a reminder of the real meaning of a personal letter.

Emphasizing the traditional sanctity of the letter mail, Mr. Burke reminded Taneytown residents that one of the basic American freedoms is the uncensored transmission of their first class mail. It is the most valuable possession of the citizens of a free country.

"We all know the human importance of letter writing," he stated, "the way in which it holds scattered families together, of giving comfort and love and news to all the people of the land. But its value is immeasurably greater than that. Its implications are almost infinite.

"We in America have the privilege of uncensored and unlimited means of communication. With this in mind, I urge all citizens of Taneytown to join me in this national celebration. Let's make National Letter Writing Week for 1956 the greatest ever."

MEETING OF PYTHIAN SISTERS

The Pythian Sisters Past Chief Club held their meeting at the home of Mrs. Wm. McNair on Tuesday evening, Oct. 2, with the President Mrs. Paul Hilbert, presiding. Opened by singing "What A Friend We Have in Jesus"; Scripture lesson was read by Mrs. Howard Baker, with all praying the Lord's Prayer; Minutes of previous meeting were read and approved. Names were drawn for the Xmas party which will be held on Nov. 6th with Mrs. Maude Norton as hostess in the Temple room at 6 p. m. A Happy Birthday was sung to Mrs. Maggie Eyer, a gift was also given to her. The guest package was donated by the President and won by Mrs. Maude Norton.

Lovely refreshments were served by the hostess. Meeting adjourned with the benediction.

WITH OUR ARMED FORCES

7th DIV. KOREA—Army Pfc. Edward V. Scherer, son of Mrs. Ella Scherer, Route 2, Westminster, Md., recently participated in 3d Battalion Proficiency tests held by the 17th Infantry Regiment in Korea. A rifleman in the battalion's Company M. Scherer entered the Army in December 1954. He completed basic training at Fort Jackson, S. C., and arrived in the Far East in January 1955.

The 18-year-old soldier attended Westminster High School.

SCOUT ACTIVITIES IN TANEYTOWN

Drive for Funds for a New Scout Building

A Record Hop is being sponsored by the Boy Scouts of Troop 348, on Saturday evening, October 6, from 8 to 11 o'clock, in Taneytown high school. One of its purposes is to add to funds accumulating in the troop's endeavor to finance a new Scout hall building. Adding to the fun of the night will be a cake walk and a multiplication-elimination dance run by Patrol Leaders Grant Harman and Fred Sherman and a drawing for some door prizes will be called by Jr. assistant scoutmaster Harold Slaybaugh. Decorations are being headed by Ronald Hopkins, scribe, with Senior patrol leader Francis Nelson and Assistant patrol leader Edward Reaver supervising the refreshment layout, which includes home-made candy and cookies.

Explorer scouts of the troop, under the leadership of Adviser Robert L. Bowers, have participated in quite a series of softball games throughout the summer and fall, engaging teams from other scout groups, 367 of Westminster, 391 of Silver Run, 344 of Hampstead, and the Boy Scouts of 348 Taneytown. Quite a rivalry developed with Silver Run, the teams being nicely matched, although the latter maintained a scoring edge. The latest contest was in baseball with Boy Scouts of their own troop last Sunday at the high school, in which the Explorers emerged victors by a good margin, but after some periods of tight and enthusiastic playing. Participation in an inter-troop baseball league is looked forward to when spring rolls around.

Forty-five members of both Boy Scouts and Explorers, and parents who drove them down, saw the Yankees beaten by the Orioles in Baltimore September 24. For the Boy Scouts this was the patrol contest prize earned by the Panthers, headed by Harman and Edward Reaver, and Scouts James Hebler, Larry Hively, Ronald Hopkins, Donald Tracey, and Charles Turner. The second place winners, Raccoons, were permitted to go also at half the cost because of being so close, and those were Nelson (former head, now senior patrol leader), John Myers, patrol leader, Byron Baer, Ronald Corbin, Stuart Dom, Luther Foglesong, David Hopkins, George Rue, and James Tracey. Eligible but not present were Panthers Roger Blanchard and John Whalen and Raccoons Roy Chapman and Larry Weishaar.

Advanced in rank at the last Board of review were Explorer Jackie Bowers and Boy Scouts Blanchard, Chapman, and Donald Reaver to Second Class, while Ronald Hopkins attained scout rank.

Boy Scouts look forward to the resumption of a new contest in the future that the Panthers may be shown up this time, while Explorer scouts are promoting another dance to the music of the well known Eddie Dunlap and his Orchestra from York. Scheduled Friday, October 19, it will be in the Hallowe'en season and bids fair to outdo in popularity the dance last year which was so well received on account of the orchestra's fine performance. This also is for benefit of the building fund, and both projects are ideas from the fertile brain of M. Bowers—that this may become a reality.

MEETING OF LUTHERAN LADIES AID SOCIETY

The Ladies Aid Society of St. Paul's Lutheran Church, Harney, met Tuesday evening, Oct. 2, with Mrs. Earlington Shriver, the president, presiding.

The meeting was opened by singing, "Wonderful Words of Life" and "This Is My Father's World". The Scripture was read by Mrs. Stuart Dom, from Genesis the first chapter, followed with prayer by Mrs. Nevin Ridinger.

The minutes of the last meeting were read and approved, followed by roll-call with 21 members present. The payment of dues was then accepted by the secretary.

The Ladies Aid will have their annual Halloween Social, Oct. 26, in the parish house, for members and their families and friends. Mrs. Ernest Fream, chairman of refreshments, and Mrs. George Marshall, chairman for games and entertainment.

The ladies will serve the Father and Son Banquet, Oct. 12 in the Parish House, Mrs. Stuart Dom, chairman, and Mrs. Nevin Ridinger, co-chairman, for the dining room Mrs. Wesley Mummert, chairman.

The annual going away banquet will be Nov. 2. Those wishing to go, please contact Mrs. John H. Harner. The program committee for the November meeting is Mrs. Lake Ridinger, Mrs. Nevin Ridinger, and Miss Treva Ridinger.

The program was then given; a recitation by Laura Rose Miller; two piano solos by Mrs. Charles Miller; "Trovatore", from the opera "Trovatore" and "Minuet" by Paderewski; recitation by Connie Mummert; clarinet duet by Laura and Stuart Dom. "On Top of Old Smoky" and "Duet Waltz"; duet, "Jesus Loves Me" by Laura Rose Miller and Connie Mummert. The ladies all sang "Happy Birthday" to Mrs. Charles Held whose birthday was Oct. 3.

The meeting was closed by all repeating The Lord's Prayer.

Why is Ireland so rich? (Because it's capitol is Dublin.)

"SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)

With all my heart, I wish you every morning. A smile that shall last until the next day's dawning. I wish you health—life's greatest wealth! I wish you always near so that I may help to cheer. Each future day and in some way—help to bring you happiness!

The orchid chrysanthemums have hundreds of buds ready to burst into bloom at the bungalow and the old, old apple tree is laden with much fruit at the parsonage which means plenty of apple pie in the freezer. The roses are still plentiful although each one, I always think will be the last. The red ones with their thick, thick stems appear as American Beauties!

Attending the yearly Antique Show (No. 6) which is held for the benefit of foundation for Mentally Retarded and Handicapped Children at the 5th Regiment Armory last week was more attractive and displayed more beautifully than all the other years. The floor was done over with a high luster and that added greatly to the entire set up. Such lovely old things on display. Many states were represented in these United States. It is a wise mother who teaches her children to take care of every possession in the household for that is how antiques grow.

The old fashioned fruit cake which is world known from Georgia baked in the deep South according to a famous old recipe which is chocked full of fruits and nuts and solves your gift problem for Christmas. It is called "Claxton" fruit cake and can be shipped anywhere. This bakery started in 1910. Mr. S. G. Tos was the founder and only shipped on a limited personal basis but the present owner Albert Parker took over the management in 1945. Each cake is personally supervised by Mr. Parker while being made—before it is shipped—to insure the continued reliability of the product. So this Christmas make inquiries as to the special gift for the entire family.

Walking from the Armory down Howard Street looking in all the windows, I turned East on Monument Street to Charles. What charm this street has with the lovely old huge houses that housed the prominent Baltimore family of the days of long ago. Of course many of these houses have been made into apartments and several business places but there is no gaudy signs to spoil the exterior as to advertising only a little sign in the corner of the window. Such as Red Cross, Johns Hopkins and so on.

Then, I came to the house where the lamp was lit for many years at the entrance awaiting the daughter who never came back and now since the property has been changed in the past few years. (and in other hands) there is no light.

The lovely 3rd Reading Rooms of "The Christian Science" building is truly having a real redecorating and will be most beautiful when completed. I used to sit now and then in the quiet atmosphere of the big front room which means, "Peace" to every individual right there. I have seen ministers of the various denominations sit there and read learning much from the many pages. (Science and Health by Mary Baker Eddy) Many individuals have a confused idea about it all thinking that all Christian Scientists believe that it was and is this lady who has taken the place of Christ. Such a mistaken idea! It was she who wrote the simplified form explaining and describing in each verse meant in the Bible so as ignorant people like you and me could grasp it all! When I attend that church, there is such a peace within my heart which cannot be described as though I am leaving all cares and troubles behind. To hear the wonderful testimonies on a Wednesday night coming from individuals who rise and thank God for the knowledge. Folks, never, never, belittle any denomination or belief for there is good in all of it when it is part of God.

There is a Dr. in Harford County who wrote at the bottom of a prescription presented to a lady of 76, "And have some fun!" Cute?

Did you see the comedian, Jackie Leonard on T.V.? What a change in a man all through losing pounds and pounds plus the toupee on his hairless head. Truly, he is a striking personality! The Goldbergs are now on T. V. again, too, that lovable Molly Goldberg! Did you see that awful Slave Girl "Moolah" kiss the Commissioner when she won and was presented the belt by him UGH!

And I do hope you did not miss "The Duke and Duchess" on the Person to Person program on Friday night.

Ladies, next week, I'll visit "Slenderella" for you at 307 N. Charles Street. No doubt, there be much of interest to the ladies who desire to get thin by that method.

Now, Mrs. Housewife, as house-cleaning Fall Days are here do try to make it a little easier by making and preparing the soup in the mornings or plan to give each one a complete dinner by Swanson for that means all you do is place it in the oven for 20 minutes. (Frozen, of course but mmmmmmm good turkey!) And keep a bottle of good lotion for your hands in the kitchen which you can apply immediately after "day is done!"

Have a grand week end. Be most careful when you drive. Will be seeing you soon D.V. when I hope to brouse around the town. I am, Faithfully, YOUR OBSERVER.

VERY WELL!

Gossip has been well defined as putting two and two together and making it five.—Labor.

#### THE NEWSPAPER'S PLACE IN THE WORLD TODAY

Your newspaper is freedom's key to better living. It unlocks the door to a richer life for everyone.

In this country the concepts of a free press and a free society developed together. Because it is free the American newspaper has been able to broaden its activities and to meet new demands as the nation has grown. Today the newspaper fulfills a myriad of functions. Homemakers' pages contain helpful facts. Women read these pages to learn how to prepare a delicious meal or remove an ink spot from a carpet.

The advertiser promotes his products in a field of open competition. The more he advertises the more he sells and the more he sells, the lower he can reduce prices. Factories, production and payrolls grow. Bigger payrolls result in more prosperous communities and a stronger nation.

Investors depend on market quotations for the latest information on stock markets and commodity exchanges.

Shippers watch transportation schedules, weather reports, freight rates and market outlooks.

Businessmen study success and failure.

The union man studies the progress of legislation and negotiations. Medical columns offer the advice of competent physicians who answer questions, give advice and offer suggestions, all in the interest of better health.

Local health authorities make their important announcements in the news pages.

Homes are improved by readers of the how-to-do-it columns. They mend sagging doors, silence squeaky floors, repair plumbing. Homeowners build backyard patios and outdoor fire places. Apartment dwellers redecorate and refurbish.

Gardeners, both the homegrown variety and the professional, depend on the garden news to tell them what to do and how to use new chemicals that promote plant life and control insects and weeds.

News columns report with comparative objectivity on the activities of the great, near great and the common people, the meetings, conventions, speeches and interviews.

Readers learn who is sick, who died, who was born, who married, who was divorced, who took his own life, who was hurt in an accident, the tolls of disaster and of the eternal efforts of the wrongdoer and his nemesis, the lawman.

Newspapers scrutinize courts, the law, politics, elections and government. They inform and sometimes arouse the electorate. Through editorials problems are posed and thinking is guided. Special occasions are chronicled from the worlds of music, art, the theater, books and Hollywood.

Americans have more leisure time than ever before and in turn rely on newspapers for more and more suggestions of what to do with it. The person with time on his hands automatically consults the newspaper to learn more about his hobby, the road to the beach or the ski area, for reports on spectator sports and outdoor activities—golf, fishing, hunting or hiking.

The classified advertising sections provides a daily market place for buyer and seller, a market place so vast as to be immeasurable and one that sometimes extends halfway around the world.

In civic promotions better living results in such projects as the construction of a playfield or the control of pollution of the water and air. Corrupt police departments are reorgan-

ized. Political rascals are turned out. Safety campaigns are launched.

Mighty fund raising drives set out annually to whip poverty, polio, cancer, heart disease, muscular dystrophy and similar afflictions. Their workers call repeatedly on newspapers for support. They receive it, too.

These same newspapers sponsor wholesome youth activities, such as summer camps, and in other ways keep wary virgins over juvenile problems.

Farmers attend the progress of prices and market trends in distant cities.

A newspaper does all these things, and more. Perhaps, the most important function of a newspaper is that it, with its comics, cartoons and funny stories, brings a little laughter into the world every day.

CURRENT EVENTS  
FIFTY YEARS AGO

No matter whether you are a Democrat, Republican, or Prohibitionist, register next Tuesday, so you will be entitled to vote. The ballot is not for one party, but for all. Through political manipulation under cover of law our ballot has been made difficult for many to vote, but all should try to vote nevertheless. Next Tuesday is the last day for registering this year.

The President at York—President Roosevelt made a thirty minute speech on the York Fair grounds on Thursday afternoon, and was greeted by 50,000 people who braved the rain and mud. His theme was clean, active individual citizenship. The President in rain coat and rubbers, paid but little attention to the rain, but spoke cheerfully and complimented York and her people.

Harnish-Myers—Miss Beulah G. Myers, daughter of Mr. and Mrs. John A. Myers, and Edgar S. Harnish, son of Mr. and Mrs. Samuel Harnish, both of near Kump, were united in marriage on Tuesday evening, Oct. 2, at the home of the bride, by Rev. J. Stewart Hartman, Pastor of the Reformed Church, Silver Run.

Sell-Slagle—Mr. Harry A. Sell, of York, formerly of near Littlestown, and Miss Nettie Slagle, of near Harney, were united in the holy bonds of wedlock, at the Mt. Joy parsonage, on Sept. 27th. The ceremony was performed by the bride's pastor, Rev. W. G. Minnick, the ring service being used. The attendants were Miss May Slagle, of Middleburg, a cousin to the bride, and Mr. Clayton Sell, the groom's brother, Mr. and Mrs. Sell took the train at Gettysburg for Washington and other points. The bride has been an active worker in St. Paul's Lutheran church, at Harney, being the organist and a teacher in the Sunday School.

Rev. D. J. Wolf and family are now located in their new parsonage, have completed moving, on Monday. Wedding couples take notice.

The raw, cold days, this week caused the setting up of stoves and the adoption of other expedients for keeping comfortable.

The Reformed congregation will hold an entertainment of some kind, not fully decided on, in the Opera House, on Thanksgiving evening.

ATTENTION FARMERS

When your crops are ready to put in the silo, why not engage someone who is prepared to give you the most for your money? Let one of two forage harvesters get to your crops when they are at their peak nutrition value. We are also equipped to refill your silo after it has settled without the extra hard work of resetting a blower. By dealing with us you are also guarded against any major breakdown which might occur in the operation causing several days delay in finishing your silo. Engage early so that your work may be fitted into a schedule to eliminate most of the delay when the crops are ready. Contact

Ordinance No. 172

AN ORDINANCE entitled an Ordinance for levying and collecting taxes for the carrying into effect the By-Laws and Ordinances of the Corporation of Taneytown, to pay current debts and expenses for the ensuing year ending June 30, 1957.

SECTION 1. Be it enacted and ordained by the Mayor and City Council of Taneytown, Maryland, that a tax of eighty-five cents (85c) on every hundred dollars of assessable property within the Corporate limits of Taneytown, Maryland according to the valuation thereof returned by assessors duly qualified and appointed by law, and upon such modifications thereof as may be made by the Mayor and City Council of Taneytown, Maryland is hereby directed to be levied for and during the fiscal year ending June 30, 1957, the same to be collected by law according to the Acts of the General Assembly of Maryland pertaining thereto, said tax being levied for current expenses, improvements, repairs, etc. and for the payment of principal and interest upon the Sewer Bonds of 1954 as directed by Chapter 281, Acts of 1953 of the General Assembly of Maryland, and for such other lawful purposes as may be authorized or required.

SECTION 2. And be it enacted and ordained, etc., that according to the provisions of an Act of the General Assembly of Maryland at its January 1927 Session the Clerk and Treasurer, Henry I. Reindollar, Jr., is thereby directed to collect the levy imposed by this Ordinance.

SECTION 3. And be it enacted and ordained that the levy upon the assessment imposed by this Ordinance shall be collected promptly by said Henry I. Reindollar, Jr., and deposited with such other monies as may come into the possession and subject to the order of the Mayor and City Council and full amount shall be collected on or before November 15, 1956.

SECTION 4. And be it enacted and ordained by the Mayor and City Council that this ordinance shall take effect the day and date of its passage.

Passed by the Mayor and City Council of Taneytown, Maryland this 1st day of October 1956.

Approved October 1, 1956.

RAYMOND J. PERRY, Mayor.

Attest:  
HENRY I. REINDOLLAR, JR., Clerk.

FEESERSBURG (A Voice from Carroll)

Probably the most fascinating woman of our time and the least understood is the Duchess of Windsor. People of Maryland and particularly of Baltimore are interested in everything she does or says. This is as it should be, since the Duchess spent her girlhood days in and around Baltimore. Last week she and her husband appeared on the Ed. Murrows show and no doubt the rating of the "Person to Person" show bounced up. For some unknown reason Americans are abnormally interested in royalty, and titles. Maybe in our democratic rearing we can't understand how or why some people should be set apart just because they happened to be born into certain families. But even though we don't understand it, yet we are fascinated by it, although by no means awed by it. The interest in the Duchess of Windsor is plain curiosity as to what sort of woman a King would give up his throne for. No one as yet has been able to reach a definite conclusion about the Duchess and watching her on T.V. last Friday certainly shed no further light on the subject. At times she appeared nervous and arrogant and a very cold person but when she spoke warmly of Baltimore and played with a set of Jacks just as she did when she was a child something of the real Duchess seeped through. Maybe like most women in the world's spotlight all the time she chooses to reveal one Duchess to the public and to the people she loves she reveals an entirely different kind of woman. Be that as it may, she will forever be the secret envy of every woman alive. For few women in the past and fewer yet in the future can measure her husband's love by the kingdom or crown he gave up for her?

Federal highway funds totaling five and one half million dollars have been allotted to Maryland's counties and towns but they can get the money only if they conform with certain Government regulations. Carroll county is not mentioned among the counties neither is Westminster named among the towns. What happened? Sometimes when we grow tired of the news on the front page of our daily paper we turn to the classified ad section and find some interesting items. Here are three we found in today's paper: Wanted "Antique love-seat. One that will fit in a corner." (There could be lots of angles to this.) Wanted: Will give a reward for the capture of two runaway slaves, "Eli-za" and infant child. Last seen crossing the ice with my bloodhounds in pursuit. Escaped from "Uncle Tom's Cabin." Signed Simon Legree care of Capitol Theater.

Notice: "Will the person who struck a 1951 blue Olds at the intersection of M. Ave and H St. NE Sat. Sept. 29 around 4 p. m. please call LI 3-4010 after 8 p. m." Sometimes the ad section makes better reading than the editorial page.

It could scarcely escape the notice of anyone that for the past month the airways have been flooded with political speeches—some of them pretty terrible. The most information of all of them so far, was the one on "Education" given by Mr. Stevenson last week. One thing that he pointed out that bears repeating is the fact that even though more class-rooms are needed badly, more and better teachers are the real concern. No matter how many class-rooms are built if there are no teachers to teach what good is an empty space? We are a firm believer that any person, no matter what his line of work is should receive enough pay to live with dignity and a certain amount of security. Many teachers do not make as much money as factory workers do. Not that industrial workers pay is too high—it's just that teachers' salaries are too low. Until this is corrected men and women will not be attracted to the teaching profession no matter how much they might prefer teaching to some other work. For teachers are human too. They want good living conditions, marriage and a family as well as anyone else. The present teacher's salary doesn't fit into these desires. It is hard to understand why Americans so liberal with money for everything else have always cheated themselves when it comes to spending money on schools and teachers. For cheating is exactly what skimping on education amounts to. It robs our children of the means of advancement and knowledge, it robs the community of leaders and of future growth and it robs our nation of men and women with vision and ability to cope with equal status with the leaders of other nations. In my opinion our attitude toward our schools and teachers have become a National disgrace. If not soon corrected it will be too late. We spend too much time and money with our physical enemies when the real battle in this 20th century is for men's minds and one can only hope to win this giant struggle with adequate education.

I see where Unionville, Md., made the quiz page in a National magazine by setting a new world's record for rainfall. It rained 1.23 inches in a single minute, nearly doubling the previous record of 0.69 inches. Did you see the picture taken by the famous photographer A. Aubrey Bodine in the Baltimore Sun? It was a picture of the landscape near Union Bridge. We have been trying to figure out where it was taken. Anyone have any clues? Maybe Carroll County will never become famous for oil wells or diamond mines but it cer-

tainly makes the news about its natural beauty and rural background. Some people have the mistaken idea that it is the natural thing to be kind, good and tolerant. But it is a difficult thing to achieve any one of these. Indeed one must work at it twenty-four hours a day for it is the natural thing to be selfish, greedy and bigoted.—Ruth Roelke.

PROSPERITY

Prosperity's right hand is industry, and her left hand is frugality.—Samuel Johnson.

VOLUNTEERS NEEDED

Volunteers are being recruited by the Carroll County Tuberculosis Association to assist with the preparation of 12,000 Christmas Seal letters. The campaign to raise funds for the prevention and control of tuberculosis in Carroll County will open November 16th.

Ten twelfth grade students taking the Commercial course at the Robert Moton School are assisting with the office work at the association's headquarters in the Carroll County Memorial Medical Center. Mr. Francis Gates, principal of the school, states this is a splendid opportunity for the students to gain practical experience and at the same time learn about the year-round program of health education being conducted by the association.

Organizations which have thus far volunteered to assist with the folding of letters and stuffing of envelopes are: The Civinette Club, Mrs. Emma Uppero, president; the American Legion Auxiliary, Carroll Unit #31, Mrs. Ethel Barrick, president; and the 4H Club, with arrangements being made by Miss Riggs of the office of the Home Demonstration Agent. This is the fourth year the members of the Civinette Club have voted to assist with this work as one of their major civic projects for the year and the third year for the Auxiliary.

Volunteers are welcome at the office in the Carroll County Memorial Medical Center any day Monday through Friday from 9 a. m. until 5 p. m. Dr. George Schochet, Health Officer, has offered the use of the newly decorated conference room at the Center and ample space for a large group is available. Arrangements will be made to work several evenings and information concerning date and time can be secured by calling Mrs. Dorothy M. Rinehart, Executive Secretary, at 1500.

The Campaign Kick-off Dinner has been scheduled for October 29th beginning at 6:30 p. m. at Hoffman's Inn.

In memory of my loving husband, GEORGE NULL, who passed away one year ago, Oct. 4, 1955, was laid to rest Oct. 7 in the Emmert Cemetery, Nachusa, Illinois

He is just Away You cannot say, your must not say, That he is dead, he is just away! With a cheery smile, and a wave of the hand, He has wandered into an unknown land.

And left us dreaming how very It needs must be, since he lingers there; So think of him faring on, as dear In the love of there as the love of here, Think of him as the same and say he is not, he is just away.

His loving wife, ANNIE R. NULL.

SALVATION ARMY ORGANIZED FOR COUNTY SERVICE

The Salvation Army operates in counties where a resident program has not yet established through a simple but effective organization known as a Service Unit, made up of men and women of the community who are desirous of rendering assistance to the less fortunate. In Carroll County this Salvation Army Service Unit Committee consists of Gerald E. Richter, Westminster, chairman; William B. Yingling, Westminster, treasurer; and the following seven associate members: Norman Etzler, Mt. Airy; Millard Weer, Sykesville; John L. Bennett, Westminster; Scott Bair, Westminster; Miss Maud Manahan, Westminster; John McCormick, Westminster, and Mrs. Virginia Minnick, Westminster. Serving as community welfare secretaries are: Frank O. Wargny, Taneytown; Stephen Lerda, Hampstead; Mrs. L. Kate Showers, Manchester; Major Wm. N. Wood, Westminster; Mrs. Emily Stewart, Sykesville, and Mrs. J. L. Ifert, Mt. Airy. It is the responsibility of the Service Unit to represent the Salvation Army in the county, carrying on a practical welfare service through funds derived from the Carroll County Community Chest allocation. This program does not duplicate any of the relief work which may be carried on by other local welfare organizations. Usually it renders immediate assistance which otherwise is not available to those in the community who are in immediate need. This service is entirely dependent upon funds from the community Chest. 10-4-6t

WITH OUR ARMED FORCES

MUNICH, GERMANY - Army Specialist Third Class, James E. Boone, son of Mr. and Mrs. James T. Boone, 45 Church St., Westminster, Md., recently participated in a company-size tactical mass parachute jump with the 503d Airborne Infantry Regiment in Germany. The jump was the first of its kind in Germany since the closing days of World War II. A radio operator in the regiment's Company A, Specialist Boone entered the Army in May, 1955. He completed basic training at Fort Jackson, S. C., and arrived in Europe last January. Middle age is when you stop on a scale and the balance is no longer in your favor. -Jan Bart. FROM A NEW 'INNER CAR' PROVED IN ACTION

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides you sweet and low... that it takes the bumps without a bobble, the curves without the pitch... and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

A new kind of FORD with the mark of tomorrow

Lowest family car on the road

Only four feet eight inches tall

Everywhere you look it has the "Touch of Tomorrow"

Six or V-8 the going is great!

You're in for a thrill when you see this new knockout named Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet... stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball-joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Ford's library-like quiet is built in. And the new "Inner Ford" is why. For never before in

Ford's field has there been a body with so much extra bracing, so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine over-17-foot Fairlane or Fairlane 500 models or from five over-16-foot Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

Devotional Reading: Psalm 104:24-33.

Creation

Lesson for October 7, 1956

IT IS one of the tragedies of Christian history that the first book of the Bible, as well as the last, has been fought over, bitterly, from generation to generation. In spite of all the quarrels, however (and there seems to be no hope of all Christians agree here), there are certain great truths in this magnificent prose-poem with which the Bible begins, which are agreed on by all Christians. Let us pick out three of these.

Dr. Foreman

"In the Beginning, God—"

The first truth is that this vast universe did not merely happen. It was intended. It is intended. God (so to speak) invented it. Why should anything be? Is it a thought that has occurred to countless people. Why is there something instead of nothing, anything at all instead of nothing? Is it just a happen-so? Did the universe make itself, as it were, like a dust-storm building up in the desert or an icicle dripping itself longer day by day? Was there some blind Necessity at the beginning of all things? Or maybe did the earth and all the universe exist forever without any beginning? Not at all. That the universe is here at all is because of God who planned it and brought it into being. How long ago this started, or how many changes have taken place since the first instant of time, makes no difference with the main point: namely that the universe does not explain itself, did not cause itself, but is what it is and as it is because God willed it. Furthermore, if God created it, including ourselves, he had a reason. We cannot conceive of God working blindly or at random or for no reason.

Order and Law

The more men study the universe, whether the great and immeasurable universe around us, in which our sun is no more than a mediocre star nowhere near the center of things, or the marvelous tiny universe discovered by the microscope—the more men study all this the more they discover that it is a universe of law. If the sun rises at all tomorrow, astronomers know precisely when it will rise. They can know it years beforehand. Men used to be surprised by eclipses. Now we can calculate the time of every eclipse that will take place, or that has taken place since before the time of man. Even that most unpredictable of things, the wind, can be forecast better than once it could. Men once had to take hurricanes as they came. Now they can be warned of them and their tracks are mostly known. Man in discovering such things is simply "thinking God's thoughts after him." As one astronomer remarked, the universe seems more like a great Thought than a great Machine. In these universal laws, in their regularity and dependability, we can read the will of God. This does not mean that we understand everything—far from it. Mystery surrounds us still. But no science at all would be possible if we could not count on a world that "makes sense" from the smallest atom to the mightiest star.

God Created No Evil

The story-poem of Creation in Genesis ends with the joyful note—God saw all he had made, and it was very good. If anything God has created seems bad, it is either because we do not know how to use it, or we have bargained in where we do not belong, or because we ourselves have made it bad. St. Thomas Aquinas once compared this world to a tool-shop full of well-sharpened tools. It is not safe to turn a child or lunatic loose in there; but a master-workman will not get hurt. So as men are learning about the universe they are finding out how to use the materials that the Creator has set at our disposal. But much that is evil in the world is of our own making. Most dust storms, for example, are made by man's greed and stupidity to begin with, in digging up soil that was never meant for cultivation. The whole race of man now stands in terror of death, for though we have discovered how to harness the power in the atom—power our fathers knew was there but had no idea how to reach—we have put more effective thought into using it for destruction than for man's help. But all man's misuses of God's creation must not make us forget that when God first looked it over, he saw that it was good.

TIME TO ACT!

Make a thorough check of your home. Inspect and clean your heating system, correct faulty wiring, clean out rubbish such as old newspapers and oily rags, and remove gasoline or other volatile liquids from the house. Follow these and other simple fire prevention rules regularly. The "ounce of precaution" proverb is never more true when it comes to the need of better fire prevention.

It's a Great Time to Strike a Bargain

(You get a triple Bonanza in today's Buick)

Bonanza Trade-in Allowance

—because your present car is at its peak value right now. And because—with Buick so solidly set as America's No. 3 Best Seller—our bigger sales volume permits us to make you an even better trade-in allowance.

Bonanza Buy

Buick prices start right next to those of the smaller cars. But those Buick dollars buy you a whole lot more automobile—more room, more power thrill, more styling freshness, more ride stability, more solidity of structure—the Best Buick Yet.

Bonanza Resale

A Buick always resells high. But the '56 Buick will bring you even more money when you trade it because it carries today's new Variable Pitch Dynaflo.\* It's the most advanced trans-mission yet developed—and the only one that breaks with the past to bring you the switch-pitch performance and gas savings of the modern plane's variable pitch propellers.

WITH Buick booming up in the No. 3 sales spot, we're set to rate your car at its peak trade-in worth right now.

With only two smaller cars outselling Buick—you can be sure we know how to make you happy on price.

And see how much more your dollars buy here...

—The fun of Variable Pitch Dynaflo\* with its thrilling switch-pitch action. The might of Buick's big V8 engine.

—And the luxury of Buick's ride—a ride that knows no equal.

Why don't you come in today?

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

P. S. We have some especially good buys right now on the high-powered CENTURY and the extra-spacious SUPER. Better see 'em real soon!
