The Taneytown Merchants Association are holding a Dinner Meeting at Taney Inn, Thursday evening, February 12, at 6:30 to which every merchant in Taneytown is invited and urged to attend.

Following the Dinner a program will be presented. It will be of interest to everyone of the Merchants in Taneytown.

HIGH SCHOOL HIGHLIGHTS

The next regular meeting of the Taneytown Jr.-Sr. High School PTA will be held Monday, Feb. 9 at 8 p. m. in the high school auditorium. Teachers will be in their rooms at 7:30 for conferences with parents after which a skit, "Parents Can Be Problems" will be presented by the student council.

"High School Highlights," a Saturday morning program from WTR Westminster, will be arranged and broadcasted by Taneytown High Student Council during the second semester. The broadcasts, featuring school news, will begin Feb. 7 at 11:05 to 11:30 a. m.

Those who will participate in the program are: Elaine Welty, Anna May Hayercraft, Ronald Hopkins and Louis Michea.

Patricia Lambert, Elaine Welty, Hannah Lippincott, Richard Bowers, Ronald Corbin and Louis Michea attended the Carroll County Student Council Workshop on January 30 at Westminster High School. Patricia Lambert and Elaine Welty led the discussion group.

Mr. George Herring, principal of T.H.S., will attend the annual meeting of the National Association of Secondary School Principals. The meeting will be held in Philadelphia from February 7 to 11. Other principals in the county will attend also.

School personnel of Carroll County attended the Mid-Year Teachers' meeting on January 30 at Westminster High School. Some students and teachers of THS were responsible for various portions of the program.

The 9X section provided the musical entertainment at the beginning of the day. The students sang "Cintry," "Chepanecas," "Go Down Moses," and "Heide-li-dom." Mrs. Janet Yeich was their director.

Mr. Ralph Minnick directed a 10-piece brass choir in an afternoon interlude of music. The choir played "Fanfare and Chorus" and "September Song". This group, whose services are available to churches and other interested organizations, was composed of music teachers and a college music student.

The senior commercial problems of democracy class made a bulletin board on multilateral trade for the economics group of the county teachers. In addition, the class had a display of reference books and taxes.

Mr. William Morrison took part in a panel discussion which followed a lecture on the tax problem.

The Robert Moton-Taneytown basketball game which was cancelled because of snow has been rescheduled for Wednesday February 4, at 7 p. m. at Robert Moton.

ENGAGED

Mr. and Mrs. Tolbert Stonesifer announce the engagement of their daughter, Miss Mary Louise to Mr. Noel Wendell Atwell, son of Mr. and Mrs. Alvis A. Atwell, of Ceres, Va.

WITH OUR ARMED FORCES

FORT CAMPBELL, KY. (AHTNC) ARMY PVT. William L. Gordon, son of Mrs. Edith Gertrude Gordon, 153 E. Main Street, Westminster, Md., marched Jan. 19 with other members of the 101st Airborne Division's 327th Infantry in Nashville, Tenn., during the inaugural parade honoring the newly-elected governor of Tennessee, Buford Ellington (D).

The 101st Airborne Division, a major or Strategic Army Corps (STRAC) unit, constantly maintains an immediate readiness for airborne deployment to any area in the world. Within six hours, a reinforced battle group of 1700 men can be airborne. Gordon, a medical aidman in the 327th's Headquarters company at Fort Campbell, Ky., entered the Army in December 1957 and completed basic training at Fort Jackson, S. C.

The 23-year-old soldier formerly worked as a floor finisher for the J. K. Eareckson Co., in Baltimore. He attended Westminster High School.

BASEBALL PLAYERS, FRIENDS, GUESTS, DINE

Harris, Orioles' 3rd Base Coach, the Speaker

A dinner and interesting meeting was held by baseball players, fans and guests last Saturday evening at Grace United Church of Christ Parish House. E. Elwood Baumgardner was the master of ceremonies. Allen Baumgardner offered the invocation. Delmar Riffe presented organ music, during the entire meal. The Ladies Guild of the church prepared and served the delicious meal of roast turkey and all the trimmings. Fifty seven persons were served. George Motter led the group in singing.

The highlight of the evening was the presence of Lumen Harris, third base coach and assistant manager of the Baltimore Orioles Baseball Club who gave a very interesting talk followed by a question and answer period.

The Taneytown teams of the Penn-Mar League had a very successful season last year under the following officers and managing personnel: Harry Clingan, President and general manager; Leonard Wantz, Sec'y-Treas.; Myron Tracey, field manager, and Clair Null, ticket manager.

4-H TRIBUTE IS PAID TO DIRECTOR H. J. NULL

A well deserved tribute to Hubert J. Null, District 3 Director, for his years of leadership in 4-H Club work was a feature of a recent issue of Extension Service News, University of Maryland publication.

The story was in connection with the 36th annual 4-H Club Week which brought 1,100 Club members to the University campus from August 4 to 8. Mr. Null, who has been a 4-H Club All Star member for 35 years, followed his usual practice of forgetting—or trying to forget—his farming duties and pitching in wholeheartedly to help make the week a success.

The Extension Service News writer said: "Local leaders, who return yearly for the week, like Hubert Null, Carroll County, are inspiring to the many, many Club members who see their leader's interest and support of Club work shine in their successful lives."

"Mr. Null, an All Star member for 35 years believes wholeheartedly in the All Star philosophy of service to 4-H. And he comes to the University generally to 'help out if I can.' 'You can always find him busy at Club Week... whether it's helping put out the Maryland Trail (Club Week news) or squeezing oranges for the friendship party punch."

"The Taneytown Ag 4-H Club is especially lucky because Mr. Null, local leader for 18 years, usually brings back a 'half a suitcase' full of ideas to apply to Carroll County. He says, 'There's something different each year at Club Week. And I'm always learning new things about 4-H Club projects and teaching youth.'"

Mr. Null, a modest man, was trapped at the semi-annual Meeting and asked about his 4-H activities. "It's as it says there," he reported. "I try to do what I can."

MEETING OF THE LADIES AID SOCIETY

The Ladies Aid Society of St. Paul's Lutheran Church, Harney, held their regular monthly meeting Tuesday evening, Feb. 3.

The meeting was opened by singing three songs, "The Old Rugged Cross", "Just As You Are", and "I Love to Tell the Story". Mrs. Charles Held read several kinds of prayers and then followed by reading Christ's prayer from St. John Chapter 17 and then all repeating the Lord's Prayer.

The minutes of the last meeting were read and approved followed by roll call with 16 members present.

Mrs. Harry Yingling gave a report of the banquet served December 30.

It was voted to have a refreshment stand at Clyde Frock's public sale March 7. Mrs. Lake Ridinger was appointed chairman and all those who can be asked to help. Also anyone wishing to donate anything to the refreshment stand will be appreciated. The annual covered dish social will be Tuesday evening, March 10, in the parish house. Mrs. Ernest Fream was appointed as chairman for the kitchen and tables. At this time the Capsule Sisters will be revealed and new ones taken. Any member who does not have their name in the capsule sisters and wishes to have it put in please contact Miss Treva Ridinger, secretary if anyone wishes to have their name taken out are also asked to contact the secretary.

The program committee for the next meeting Mrs. Harry Yingling, Mrs. Luther Angell and Mrs. Clarence Baker. Mrs. George Marshall to read the Bible and Miss Treva Ridinger to have prayer.

For the program Sandra Yingling played two selections on the flute, "Twinkle, Twinkle Little Star", and "Faith of our Fathers".

The meeting was closed by singing, "Softly and Tenderly Jesus is Calling", followed with a closing prayer by Mrs. Earlington Shriver.

Schedule of Carroll County Library

Under the capable guidance of Amos C. Davidson and Miss Martha Jane Hinkle, library service to all corners of the county is being initiated this week with the establishment of regular schedules for the new Carroll County Public Library bookmobile.

Mr. Davidson, newest member of the library staff, was most recently employed as a ranger with the Maryland Department of Forests and Parks, stationed at Elk Neck State Park in northeast Maryland. He has had considerable teaching experience in Carroll County as an instructor in the Veterans' Farm Training program, as well as previous teaching of agricultural subjects in Connecticut and Massachusetts. Mr. Davidson lives on Route 2, Westminster.

With fifty-six scheduled stops planned for each week it is anticipated the bookmobile will bring library service within three miles of every resident of Carroll County. The bookmobile will follow the same routes each week, returning to the same stop at the same time each week. Schedule will be revised from time to time, depending upon the demands for service or the lack of response.

EARLY EASTER EXPECTED TO BOOST SALES

According to results of a study of 649 merchants' opinions conducted by Kirby, Block & Co., resident buying offices in New York City, retailers expect an 8% increase in total 1959 sales over last year. 84% of the retailers questioned foresee a gain for March of 12.5% above 1958 figures the major factor in the gain being an earlier Easter (March 29th this year as compared to April 6th in 1958). Major merchandise lines for which highest gains are expected for Spring selling are sportswear, children's wear, dresses total ready-to-wear, accessories, coats, men's wear, piece goods and domestics and home furnishings.

Are You A Registered Voter? In Carroll County? If not, why not? There are several thousand people in Carroll County who are eligible to vote, and are not registered, this is a privilege that you should appreciate, it does not cost a cent, only the time it takes to do it. The Supervisors of Elections will be in their office in The Carroll County Office Building on Court St., in Westminster, Md., every Saturday from 9 a. m. to 12 noon, for registration of voters.

According to the law, if you have moved since registered, you should transfer to the District in which you are now living, also if a woman has married she should change her name to her married one, please attend to these things to save you embarrassment when you go to vote.

SENATOR WEANT'S LEGISLATIVE REPORT

Law-making Machinery Slowly Gaining Momentum

The highlight during the week of January 26 at Annapolis was the introduction of the Budget by the Governor. As expected, the Budget is extremely tight and the Members of the Legislature are now at work on hearings in an effort to locate any excesses which could be eliminated.

The Members of the Carroll County Delegation also enjoyed a highlight in their stay in Annapolis by having breakfast with Governor Tawes this past Thursday morning. We were greeted by Mrs. Tawes a most gracious person and proceeded to enjoy a very delicious meal. This occasion afforded our representatives a chance to discuss important issues with the Governor and to become better acquainted with the top executive of our State. Among other things, the Governor informed us that he felt that it might be advisable to change the present practice of having alternate 90 and 30-day sessions of the Legislature to 60-day sessions every year. In all probability, this would alleviate the necessity of having only certain type bills introduced at alternate sessions, as in now required during the 30-day sessions.

We have been advised that the "green bag" will be handed down to the Governor on February 25.

On February 11, at 11:00 A.M., there will be a joint hearing by the Senate Judiciary Committee and the House Judiciary Committee of the controversial Movie Censorship Bill, Senate Bill No. 61 and House Bill No. 23. A hearing will be held on February 12, at 3:00 P.M. by the Senate Labor Committee on the Weekly Pay Bill, Senate Bill No. 119, dealing with the mandatory payment of weekly wages in certain industries. The House Ways and Means Committee will hold hearings on February 10, at 11:00 A.M. on House Bill No. 89 and at 11:30 on House Bill No. 55. House Bill No. 89 pertains to the acquisition of land for parks along Route 40, and House Bill No. 55 pertains to the authorization of a special license plate for rental vehicles and the fee for same. The House Committee on Education will hold a hearing on House Bill No. 14, which relates to the regulation, licensing and bonding of solicitors for certain trade or correspondence schools. This hearing will be held on February 10, at 2:30 P.M. Hearings on the progress of the State Roads Program will be had in the House Chamber at 8:30 P.M. on February 10 and 11.

CARROLL COUNTY 4-H TRACTOR CARE PROGRAM BEGINS

4-H members throughout Carroll County are presently enrolling in the 4-H Tractor Care program which started the last week in January.

According to John Seibert, Assistant County Agent, there will be five (5) areas throughout the county conducting this program. These areas include (1) Taneytown, (2) Manchester, (3) Hillsdale, (4) Westminster, and (5) Sykesville. The 4-H leaders for these areas are: Area #1, Mr. Chas. Null, Mr. Carl Weant and Clyde Weant; Area #2, Richard Ramoull and Robert Sterner; Area #3, Claude Basler and Charles Brehm; Area #4, Robert Rinehart, Wilfred Hoff and Walter Dell; Area #5, Ted Peifer.

This Tractor Care Program is primarily designed for 4-H Club members 14 years old and over. For the first time, we are encouraging younger members (10 through 13) to attend and participate in the tractor meetings.

If there are any questions concerning this project, please contact the Assistant County Agent or the 4-H leader in your area.

TANEYTOWN FLAMING CARBS NEWS

The Flaming Carbs the new Hot Rod Club of Taneytown has been active in community affairs in the past few months. Shortly after receiving our name plaques we sponsored a car wash for the benefit of the people of Taneytown and surrounding area. The January project was collecting money for an unfortunate family whose house was destroyed by fire. The amount presented to the family was twenty five dollars. The club has been active since September holding weekly meetings. The club has found friends in Dick Olier and Gene Eyer who have graciously given their Service Stations as meeting places. Charles Turner Sec. Taneytown Flaming Carbs.

SCOUTS VISIT PRINTING OFFICE AND SHOP

Wayne Myers, Wayne Graham, Jeffery Hanes, Bobby Mitten, Klair Stonesifer, Carl Putman, Gary Saner, Wayne Welk, Larry Stansbury, Harold Warner and Michael Mathias. They were accompanied by their Cub Master Harold Warner and Norman Graham. Their Den Mother is Mrs. Catheryn Myers. Other advisors are Mr. Norman Welk and Louis Sebastian.

"SPICE 'N' EVERYTHING NICE"

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Well, folks hope you did not miss the inauguration of our 59th Governor of this grand State of Maryland. He is a likeable man and is a real LEADER. Here's the best for him. Eh?

Thinking of nice people, a lovely letter arrived from the first Lady of the Theatre and Screen—Helen Hayes plus another from Joan Crawford. All Suring hats are truly glamorous and BIG is the word!

They are truly like a flower garden and simply super-duper!

It must have been an American Manufacturer who has brought the style of those English rain capes which are taking quite a hold here plus the caps. Exactly like those worn by "Bobby" in England. Dress-worn by a going up, up and UP for I have seen a number of ladies with their knees showing! As to hair-do's—the latest is that you must appear as though you have plenty of hair and if you do have such a Crowning Glory, you are in luck. High sweeps, very full like a tremendous pompadour.

There are so many sales now going on in Baltimore disposing of the winter stock making room for the Spring attire.

Gaxton's on Charles Street who are going out of business truly had the most remarkable mark downs, I have ever seen. Garments of all types less than half!

Believe it or not, I was making a call at just that time the other morning and this is what my friend said in a real excited tone, "Oh, I'll call you back at 10—Mr. Fortune is on!" Up went the receiver! Now, Your Observer is watching and listening, too! That Mr. Fortune has been right there for about 18 or 19 years. Each morning from 9:40 to 10. Keep watching or listening on radio for it "Could be you!"

So many people are complaining terribly about the poor bus service stating not alone the long wait but the buses are so cold. More money and less service! Ugh! Well, that will make using cars in the limelight more than ever. Betcha on that one!

Now your Observer uses the piano stool of childhood, painted white right in my little kitchen and it is most convenient higher or lower in one second!

Here's calling all Flag Manufacturers! Why not sell just one Star for the 49th State so as anyone can sew it on the valuable flag they now may possess instead of buying a new one? Here's hoping!

If you desire to see the big Show which I predict will get one of those Oscars, you want to see—"I Want to Live" Never have I seen finer acting only that other show of a few years back called, "Madame X" with Ruth Chatterton. She will get the Oscar, too for the best Actress. It was acted with so much force and with grand cooperation as supporting roles that even the men in the audience were crying! No wonder our former Governor objected to Capitol punishment! Don't miss that one whatever you do! Susan Hayward is what the men and boys call a "living doll" for she truly has everything! And you will learn much!

The other day in one of the department stores an elderly lady was giving her purchase to be wrapped to the saleslady and the saleslady said, "It surely is awful about taxes; keep jumping high, all the time and higher still! It is just awful these days 'I looked at the elderly lady and to my surprise this was the answer, 'Well, I don't care, I get such little S. S. and I don't have much longer to live!'"

Believe it or not, Ladies the new powder-puff is all foam rubber and they are much nicer in every way.

No doubt, many read last Sunday about the Violin maker in his own home on Belle Ave. and that did interest Your Observer so much so that I made a call at his home. I met his charming wife and as to those Violins—he can tell in one second about a violin as soon as it is placed in his hands. Even to it's worth or value. Following him down in the basement where he has his workshop and which is now too cold in which to do any of his work. He showed me the different woods and explained it all to me in detail also the two Violins made from wood taken from the White House when it was being restored. He then showed me some Maple wood in the rough which had been a big old tree which was cut down a few years ago on the corner of the street where he lives. The visit was most interesting.

Have a grand week-end. Drive slowly and remember always to consider the other fellow driving. See you next week D.V. I am,

Faithfully,
YOUR OBSERVER.

SPEAK UP JAYCEE

The Taneytown Jaycees are conducting a public speaking course starting February 11th, continuing to April 29th on Wednesday evenings. Mr. Neal Powell from Cambridge Rubber Company will instruct the course which will be held in The Taneytown Grain & Supply meeting room starting at 7:30 p. m.

HAPPY BIRTHDAY, BOY SCOUTS

The Boy Scout movement has reached ripe middle age. Boy Scout Week, which will be observed during the February 7-13th period, will mark its 49th anniversary.

But the passage of time has certainly not dimmed Scouting's vigor. It is looking ahead to ever-greater achievements, to an ever-expanding influence. And in this age with juvenile delinquency rampant, the movement deserves the active support of every decent and responsible citizen.

In its nearly half-century of existence, the organization has touched the lives of more than 28,500,000 Americans. Today there are more than 4,780,000 boys and leaders playing the "game of Scouting". This works out to one of every four boys in the 8 to 16-year old groups, and the hope is that this proportion will be materially increased.

Dr. Arthur A. Schuck, Chief Scout Executive puts it this way: "Looking ahead for the next five years we must recognize that never has it been so important or imperative that the youth of our nation be trained to high idealism, acquired through unselfish service, by self-reliance, and co-operative effort."

The ideals and objectives of Scouting have remained unchanged since the movement's birth. But changes have been made in organization methods and operating techniques in order to meet the needs of the time. At the moment if Scouting is to be brought to more of the boys who want it, there must be more trained leaders and more facilities including camps. Meeting this challenge should be regarded as a pleasure and a privilege. Meanwhile—Happy Birthday, Boy Scouts!

"GRASS ROOTS OPINIONS"

FOLEY, ALABAMA, THE ON-LOOKER: "The recently passed Congressional Act on small boat regulations is a step in the right direction toward prevention of boating accidents. The regulation, however, to be effective must be strictly enforced in order to provide a measure of safety for all persons engaged in water sports and boating."

"Of course, there is always the one thing that could make boating and other activities safer with or without regulations. The factor is the application of common courtesy on the part of boat operators, water skiers and fishermen to each other."

STORM LAKE, IOWA, PILOT-TRIBUNE: "No one realizes more than peace officers the constantly increasing hazard to other drivers of drunks at the wheel."

CANTON, NORTH CAROLINA, ENTERPRISE: "The main business of every citizen is to improve the community by improving himself. That's the only way it can be done."

ALMA, MICHIGAN, RECORD: "George Meany, president of the A. F. L. - C. I. O. . . stated that labor would continue to play an even more important role on the political stage and if necessary would create a third party to achieve its objectives. At the same time Meany was quoted as saying, 'My advice to the business community, and I mean this seriously: they had better just send their money and stay out themselves.'"

"This is a most interesting statement from a man who also says in the same breath that his organization is dedicated to making America the leaders of the democracies of the world'. Labor leaders have every right to participate in political activity and to voice their aims and objectives. Businessmen, farmers and professional men have the same right. To threaten or deny any in-

dividual his rights to think or to act within the boundaries of the law is to dethrone America as the leader of the democracies of the world."

PRIEST RIVER, IDAHO, TIMES: "Grandma claims she's not one mite old-fashioned but she has noticed that nowadays you see girls' knees in places where once you didn't even see girls'."

CARVALLIS, OREGON, GAZETTE-TIMES: "It costs a lot of money to live and work in these United States and it's worth it, but we wish the spenders would think of the taxpayers when they dream up new ways to give away their hard earned wages, salaries pensions and dividends."

BEVERLY, MASS., EVENING TIMES: "Compac magazine, a high school pupils' publication, reports the reactions of American youngsters. The boys and girls say high school is a 'snap' because:

"There are too many elective courses; too much emphasis on extracurricular activities; classes are geared to abilities of slow learners; students are given passing grades because schools are too crowded to hold them back; neither parents nor teachers demand enough; youngsters with high grades are sometimes considered 'creeps'."

"Most interesting, they suggest the need for longer class sessions, more math science and foreign languages and more stringent grading standards and stiffer college entrance requirements."

SIERRA MADRE, CALIFORNIA, NEWS: "Many persons in our society would like to reserve the protection of the Bill of Rights only for themselves and for those with whom they agree. But the Bill of Rights was adopted to guard us all—the gambler, the hoodlum, the political misfit and the ordinary citizen—from the overwhelming power of the state."

CARLSBAD, NEW MEXICO, CURRENT-ARGUS: "Reports are that some 168,000 Americans have offered to place their entire acreage into long term idleness under the new 1959 soil bank program."

"Restoration of worn out soil is one thing. Overproduction of a given commodity or commodities is another. But there's a principle involved in the soil bank problem that is alien to both premises and somewhat alien to the concepts of the originators of this country."

Pajama-Craft Manufacturing Co., Littlestown, now in larger building with improved facilities for making full line of Pajamas, has 43 local area employees

Pajama-Craft Manufacturing Co., of Littlestown, established for six years, moved into the big silk mill building in Littlestown last month.

This expansion of the firm into larger quarters with better facilities for production of its full line of quality pajamas is in line with the progressive policy of the firm.

Now employing 43 local area folks at the plant, Pajama-Craft Manufacturing Co. manufactures a large

volume of pajamas for sale directly to retailers all over the United States. Fine stores in many cities handle the Pajama-Craft line, which is well known.

The continued success of Pajama-Craft Manufacturing Company is due to the harmonious arrangement which exists between the capable management and its capable employees.

Jack Cohen is president and treasurer of the firm and Nathan Batkin

is vice-president. Paul Senft is general manager of the plant.

With the industrial life of the area providing the necessary background of stabilization, it is not surprising that Pajama-Craft Manufacturing Co. stands in such high esteem in this region.

The management of the firm has built a fine organization, one which all in this area will wish continued success.

CURRENT EVENTS

FIFTY YEARS AGO

The ground-hog superstition is favorable to the desires of the "ice man", and we hope that there will yet be at least enough freezing weather to fill his barns with a full crop of cold comfort.

Preparations are being made to remove the exchange and pay station of the United Telephone Co., from Chas. E. H. Shriner's room, to a room in the Central Hotel. It is said that the Company intends giving a night as well as day service. Miss Nettie Harman will continue to have charge of the day work.

A petition has been circulated and extensively signed by those interested for a county road to run from the Bruceville road to the Keysville road or from C. W. Winemiller's to Edward Shorb's farm. This is apparently a greatly needed road.

Rev. and Mrs. A. D. Bateman celebrated the fifteenth anniversary of their marriage, on Monday night. A large portion of the congregation was present at the Manse. They received many presents of beautiful cut glass, besides a purse of money.

Miller--Lindaman. An impressive wedding ceremony was performed at the home of Rev. and Mrs. F. S. Lindaman, at Littlestown, Feb. 3 when their only daughter, Miss Florence Elizabeth Lindaman was united in marriage to Chas. Edgar Miller, Loys, Md. The ceremony was performed by the bride's father, assisted by Rev. Dr. J. W. Meminger of Lancaster, and Rev. S. M. Hench of Frederick, Md., cousins of the bride. The couple were attended by Miss Verna S. Miller of Detour as bridesmaid and J. Howard Miller, of Westminster.

A birthday surprise was given Mrs. Agnes Carbaugh, near Fairview school house. She is the widow of the late Louis Carbaugh; her daughter-in-law, Mrs. Charles Carbaugh conceived the idea of giving her a surprise on her 79th birthday and consequently she received 160 birthday cards.

WITH OUR ARMED FORCES

PARRIS ISLAND, S. C. (FHTNC)—Roger A. Lindsay, son of Mr. and Mrs. Roger E. Lindsay of 41½ Liberty St., Westminster, Md., completed recruit training Jan. 15 at the Marine Corps Recruit Depot, Parris Island, S. C.

Relatives and friends of many of the new Marines were on hand to witness the graduation ceremonies.

The 12-week training schedule included drill, bayonet training, physical conditioning, parades and ceremonies and other military subjects.

Three weeks were spent on the rifle range where the recruits fired the M-1 rifle and received instruction in basic Marine infantry weapons.

This recruit training prepares young Leathernecks for further specialized infantry training at Camp Lejeune, N. C.

MEETING OF HISTORICAL SOCIETY

The Historical Society of Carroll County, meeting at the home of the Society, Thursday January 29, featured a talk by A. Earl Shipley on interesting jurists and lawsuits in county history. Specifically Mr. Shipley noted that Thomas B. Dorsey was appointed first court judge April 3, 1837. The first sessions were held in the home of Dr. William Willis, now the Hoffman home at 216 E. Main Street, Westminster, while the Orphans Court met in the Wampler home at Church and Main Streets, now known as the Hoff apartments.

Judge William P. Maulsby was cited as the outstanding jurist of Carroll County in the nineteenth century. He was first state attorney, first state senator, and founder of Ascension Episcopal church of Westminster. Tribute was also paid to the memories of Judge James A. C. Bond, Judge Francis Neal Parke, Sheriff George C. Fowble, and Community-minded citizen Peyton Gorsuch. Mr. Shipley's talk was enlivened with his own reminiscences of colorful court cases, ranging all the way from murder to chicken thieving. He stressed the fact that in the early days a lawsuit now disposed of in hours could stretch out an entire week. He attributed the low incidence in local crime to the stable character of our citizens. Descendants of many of our founding families still live on their ancestral estates.

Miss Maude E. Manahan, chairman of the Records Committee, reported that under the guidance of Dr. Arthur G. Tracey, chairman of the history committee, the filing of early county newspapers is now completed. There are incomplete issues of the Carrolltonian from 1833 to 1893. There are complete issues of the American Sentinel from 1855 to 1928 and of the Democratic Advocate from 1865 to 1928. Miscellaneous county and Baltimore papers, many in good condition, date back to 1796.

These papers, along with many other historic records and exhibits are kept in a room reserved for the society in the County Office Building. The room is open to the public from 2:00 until 4:00 o'clock every Monday, Tuesday, and Friday afternoon.

Dr. Theodore M. Whitfield, president of the Historical Society of Carroll County, presided at the meeting. He announced the following committees: Chairman, finance, E. Miller Richardson, house, Leeds K. Billingslea, records, Miss Maude Manahan, Mrs. Arthur G. Tracey continues as membership chairman and Mrs. Edgar G. Barnes as program chairman.

HAMPSTEAD YOUTH FOR CHRIST

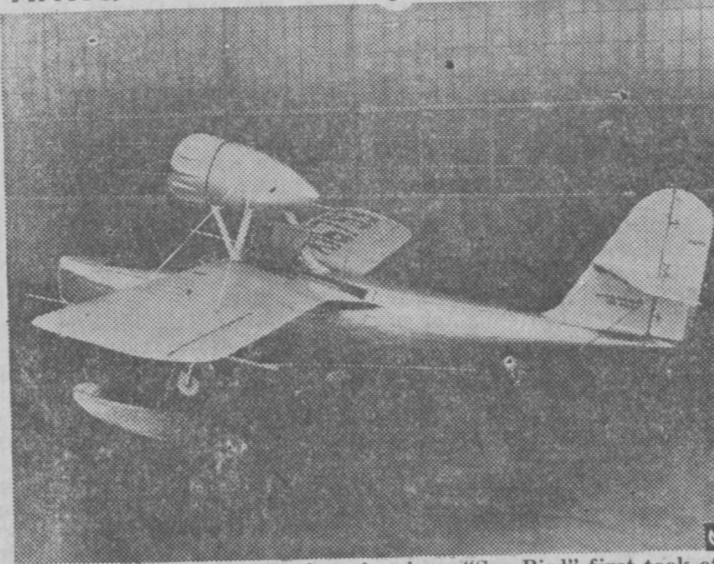

The "Welcome Home Rally" for the Hampstead director, Mr. Earl W. Schultz, Jr., will be held next Saturday, Feb. 7, at 8 p. m. in the Greenmount Church, one mile north of Hampstead on Rt. 30. Schultz will give a condensed report of his 35 day round the world tour.

A surprise reception will be held in downstairs social room immediately after the rally. The public is invited to make this a community-wide "welcome home".

Appearing at the "Welcome Home Rally" and reception will be the "White Sisters" trio, which formerly sang in show business in top hotels and night clubs across the United States, appearing with such celebrities as Dennis James, and Arthur Godfrey. They toured the United States and Europe with Ted Mac's all-star cast.

"The surest way to get ahead of Russia is to get behind America," Terry McCormick.

ANTIQUE PLANE STILL FLIES AND SHINES

It was 'way back in 1938 when the above "Sea Bird" first took off into the blue. And the proud craft still appears pristine while flying in today's air shows. Her lightweight stainless steel skin has remained durable despite 20 years of amphibious service and exposure to all kinds of weather and fuel exhaust. The metal itself has retained its original brightness. These same qualities of stainless steel are being put to use today in modern planes, missiles, and satellites of the space age.

ICED INSTANT TEA TAKES TO HOT WATER

When you use instant tea to make iced tea, why add hot water? The processors of Instant Tender Leaf Tea have discovered that a small amount of hot water, added to instant tea, makes the tea brew faster and dissolves sugar crystals immediately. Also, should you wish to add a pinch of a dried herb or spice, such as peppermint, mint or rosemary, the bit of hot water blends the added flavor smoothly into the beverage. For a warm, lazy summer afternoon you might like to serve an iced tea with Coconut Whipped Cream Cake made with bakery sponge cake, and instant coconut cream pudding.

COCONUT WHIPPED CREAM CAKE

2 cups cold milk
one quart Royal Instant Coconut Cream Pudding

28- or 9-inch sponge cake layers
whipped cream
lemon slice candies

Measure milk into one-quart bowl and empty Royal Instant Coconut Cream Pudding on top. Beat with egg beater just until well mixed—about one minute. Spread between cake layers. Cover top and sides of cake layers with sweetened whipped cream and decorate the top with lemon-slice candies.

BRUSHING UP—Three representatives of Farmers Fertilizers & Feed Co., Westminster, Md., go over latest sales methods and services in the fertilizer industry with Robert Heuerman of International Minerals & Chemical Corporation, Skokie, Ill. In Loving Memory of our dear wife and mother,

MRS. DAVID H. HAHN, who passed away Feb. 7, 1946

Time passes on, thirteen years have passed, Since death in gloom, its shadows cast;

Into our home which once was bright, And took from us a shining light, We miss that light and always will. Her vacant place, no one can fill.

Not ours to know the reason why, Unanswered are our prayers, God took her home, it was His will, But in our hearts she liveth still.

By her HUSBAND & CHILDREN

"A TRIBUTE"

Beautiful words and kindly sentiment have been printed to the memory, and in honor of distinguished men and women down through time, and justifiably so; but to me, no one of my acquaintances is more deserving of that honor than my former friend and nearest neighbor, the late Mrs. Nettie V. Angell.

It has been requested by members of my family that I write a word in loving commendation of her exceptional and charitable person.

With a public drive-way of only fifteen feet (more or less) between our homes, Mrs. Angell and Dr. Elliot, myself and our brood of seven, were naturally in close contact—for more than thirty-five years and it is understandable that in that time we became well aware of each others characteristics. Meticulous in every respect Mrs. Angell was at no time to my knowledge unduly impatient, or unkind, but was understanding and sympathetic in spite of the noise, pranks and general nuisance which is so proverbially prevalent among a bunch of youngsters.

Her neighborliness could not be excelled over those many years. She would often appear at the kitchen door with a paper bag filled with cookies she had made for the kiddies, or a panful of luscious tomatoes or crisp lettuce from her vegetable garden one of the great prides of her heart.

She always appeared cheerful and amused rather than many other moods she could have adopted, having no family of her own.

Mrs. Angell actually showed appreciation and love upon most occasions, and until her very last days she inquired and was interested in the welfare of "the kids next door".

Her offerings of help were sure to be forthcoming with tender and

MEETING OF C. E. SOCIETY

The regular meeting of the Christian Endeavor will be held Sunday evening at 6:30 o'clock, Feb. 8th. On that date at 7:30 a special program and motion picture called "The Rich Fool" will be shown. "The Rich Fool" is a 20th century parable of a business man who has built up an empire in plastics. The factory is made the dominate principle of his life and he forgets his home life. His son, Peter is brought home to take over the business, but the father finally realizes that he was not getting out of life what he should. He realizes that the spiritual life is needed to make home-life real. This wonderful picture reveals that making money is not the most important interest in life or the final goal. There are more important and happy events to be had otherwise. This picture gives a real message to the viewer. The public is invited. This program will be held in the Taneytown E. U. B. Church.

KIWANIS NEWS

The Taneytown Kiwanis Club held their regular meeting on Wednesday at Taney Inn. The program was presented by the Key Club Committee, whose chairman is Ned Musser. The meeting was called to order by Ronald Hopkins, President of the Key Club and he introduced all members of their club.

The program was presented by the Key Club to the Kiwanis in celebration of their 9th anniversary, and was patterned from the T. V. show, "Truth or Consequences", with master of ceremonies, Allen Baumgardner, in charge. The contestants, all Kiwanians, participating included George Crouse, Felix Westine, Wallace Reindollar, Pat Gartrell, Norman Graham and Robert Neal, all of whom won prizes, and were distributed by Sandra Remsburg to the contestants. During the program, commercials were given by Louis Miceha and Douglas Gunther. The Kiwanians wish to thank the Key Clubbers for composing an entertainment such as this as it was well enjoyed by everyone.

4 members of the Taneytown Kiwanis Club, Inc., and their wives are planning to attend the Kiwanis reception for International President Kenneth Lohend in the Moose Hall at Charles Town, W. Va. on February 17 at 6:30 p. m.

6 members of the above club attended the Congressional dinner in honor of the representatives and senators who are members of the Kiwanis Club on February 18, in the Hotel Statler, Washington D. C.

The Kiwanis Club of Taneytown and their ladies will attend the Mt. St. Mary's Glee Club and the Baltimore Symphony Orchestra concert at Emmitsburg on February 11.

Harry Clingan was awarded the \$100 given by the Ki-Wives of Taneytown.

John A. Mallory, of Baltimore, addressed the club at its regular meeting Wednesday evening, Feb. 4, 1959. This was a ladies night. Among the guests present were Mrs. Peggy Reinsmith, of Baltimore, who accompanied the speaker to Taneytown.

COMMUNITY LOCALS

(Continued from page 1)

On Friday the Rev. Mr. and Mrs. Charles Price, Baltimore, called at the parsonage of Grace Church.

Mrs. Allie Shank will leave Saturday evening for Ft. Lauderdale, Fla., to visit her son and family.

Mrs. Kenneth Koutz will enter Johns Hopkins Hospital, on Friday for observation and treatment.

Mr. A. D. Alexander entered the Maryland University Hospital, Baltimore, Sunday for a week of observation.

Mrs. Robert Sherald, Annapolis, spent last Thursday with her brother-in-law and sister, Mr. and Mrs. A. D. Alexander.

Mr. Roy Garner and son, Eugene returned home after a visit with Mr. and Mrs. Donald Garner at Mt. Pleasant, near Hanover.

Mr. and Mrs. William Nail and son, Daniel, spent Monday in Winchester, Va., with Mrs. Nail's sisters, Misses Lillie and Lottie Hoke.

Mr. Charles Young returned home Monday after being away eight months. Most of that time was spent with his daughter, Mrs. Ruth Mace, at Charleston, W. Va.

Mrs. Harold Mehning, Taneytown, and daughter, Mrs. Frederic Mann, Dallas, Texas, will spend Friday night with their daughter and sister, Mrs. William Teeter and family at Twin Lakes, Gettysburg.

Friday evening Mrs. Marion Rue had her automobile stolen. It was parked in front of her house, but the Key was not in it. The Frederick police located her car and she got it back on Tuesday.

Mrs. Maggie Null, who was a patient at the Union Memorial Hospital, Baltimore, left the hospital last Thursday and is now at the home of her son, Walter Null, 19 S. Church St., Westminster.

Mr. and Mrs. John Perry are receiving congratulations on the birth of a son, William Raymond, born on Saturday, Jan. 31, 1959, at the Gettysburg hospital, weighing 9 lbs., 4 ozs. Mrs. Perry is the former Diane Thomas.

The Taneytown Fire Company demonstrated its versatility in service to the community last Saturday evening when the electric service broke down near the square. The firemen provided light for two business places, Dougherty's Superette and Jimmy Baumgardner's Restaurant, for about an hour placing their spot lights at the services of these two establishments.

Miss Rebecca Nail, daughter of Mr. and Mrs. Daniel Nail, near Taneytown, has been named Emmitsburg High School's 1959 Betty Crocker Homemaker of Tomorrow. She received the highest score on a written examination on homemaking knowledge and attitudes. Her examination paper will be entered in competition with others in the state to choose a Maryland Homemaker of Tomorrow.

At the meeting of the Westminster Youth Fellowship of the United Presbyterian Church last Sunday night at the Manse, officers of this newly organized group were elected. Richard Poole was elected president; Nick Hird was elected vice-president; Paula Brauning, secretary, and Margaret Poole, treasurer. The group meets every Sunday evening at 7:30 and is open to all young people. A Valentine Party is being planned for the near future.

The Pythian Sisters Past Chief Club held their regular meeting at the home of Mrs. Walter Smith, on Tuesday evening, Feb. 3. Meeting opened by singing "The Old Rugged Cross". The 21st Psalm was read by Mrs. Howard Baker with all praying the Lord's Prayer in unison; Minutes of previous meeting were read and approved. A flower was given to Mrs. Maggie Eyler who was on the sick list, but is improving now. The President, Mrs. Chas. Baker, invited all members to her house on March 3rd. Meeting closed by singing "My Faith Looks up to Thee", followed with the benediction. Lovely refreshments were served. Decorations were in keeping with Valentine.

YOUR BODY AND YOU—(A TRUTH FEW PEOPLE KNOW)

Nine-tenths of the world think your body is you, (They have thought it so long they think it is true); But, according to God's plan, that cannot be; For, on earth, we prepare for Eternity.

Man is a Spirit Being—(Don't you see?)— (Just like God the real you is said to be!) So, he only uses a body to carry out God's plan; And, to make of himself a perfect man.

The physical body is only a machine— (Each separate organ shows what I mean?) When I speak to you, your ear catches my word; And, by the real you, it is always heard.

Before I can run, I must prepare to go— (That, every school boy, knows is so!); And, that is true of both you and me, Whether we throw a ball or climb a tree.

There is only one Life, the Scriptures say; And, that Life protects all mortals to-day; That is why those who know God never fear death; They know He shall continue to give them breath.

They know that Christ your real self, never dies, That God has many mansions (bodies) in the skies; And, with Him, they know, we shall always be; But we must build a body of Eternity.

So far as Satan is concerned, they never fear; For God, alone, they all know, is here; So, if in Time, such a monstrosity cannot be, They know he shall not exist in Eternity.

But, here is something hard to understand— (It, too, is something God has planned!) There are two billion people on earth to-day; And, God lives in each one of them they say.

Those teeming millions of whom I now tell Each have a separate body in which to dwell; And God, they say, is the Life of them all— No matter how great, no matter how small.

In Eternity there is no such thing as Time or space; So God, they tell us, is in every place; As an example He shows us in this, our day, How Light travels the very same way.

Just imagine! While you spell the word Light, Light could cross the earth 5 times in its flight; Such speed is a lesson in Greek, to mortal man; But, God uses all such things in His plan.

God does not speak to the physical man— To speak to the real you in His plan; For, it is he who knows just how things shall be At the Time of the end, and, through all Eternity.

So, learn to know God—(try like Him to be); And, in Time, His likeness we all shall see; Jehovah is your personal God, the Scriptures say; So, try to be like Him from day to day.

Your sub-conscious mind is the real you; It is he who tells mortal man how, and, what to do; Men call him their conscience—they don't understand That, to him, God has given full command.

Through you, the sub-conscience is building a home— A perfect body in which to roam; It must be perfect in every way, To weather the storms of a "thousand year day".

When we listen to God and, do not do as men say, Our physical bodies shall not go to decay; Every 11 months, in a new body, we shall be— Just so, things shall be in Eternity.

The real you, a Spirit Being, is said to be; So, he shall live through all Eternity; It is because we listen to men, and, do as men say, That our bodies wilt, and, go to decay.

As I have said, the real you is wiser in both you and me (It is he who shall live in Eternity), From the very beginning you have been God's son— That statement is true of every one.

But, you must have a body in which to dwell— (That is one thing we know quite well!); God not only lives in man—man is His hands; So, he must have a body to carry out His plans.

These are things we all must learn to know Before, to Paradise, God permits us to go; So, back to earth we all must return; For, Eternal Life, we all must earn.

God has made great preparations for man; So, the thing to do is to learn of His plan To make this old earth a new earth to be Where, through us, He shall reign in Eternity.

Why did God make this beautiful earth of ours With its oceans, rivers, trees, and flowers! He made it to be the future home of man So let us all help Him to carry out His plan.

This is a subject on which I like to dwell; For, there are so many things about God to tell; But, the Scriptures, too, tell us that "God is Love"— That He is "All in All, below and above.

Only God could have seen how man shall be When he is made fit to live in Eternity; So, because He is omniscient, it was His plan To make the whole earth a heaven for man.

The song the Angels sang shall continue to be Till God's face on every mortal we shall see; But, unless we love all races as Jesus did, they say, The Bells of peace shall not ring in our day.

Gifting Your Valentine

The custom of gift giving on Valentine's Day dates back to Shakespeare and Chaucerian times. In those days, it was the custom to team a man and a maid in a mock marriage as the Valentine couple of the year. The event was highlighted by much gift giving and gaiety.

The results of a recent survey by the Arrow Style Clinic find that today's celebrants closely follow the old custom. In many families, especially among the youngsters, apparel gifts rate high. Husbands and beaus alike will appreciate a novel gift such as the new Valentine Card handkerchief printed with water soluble dyes. One washing the day after and it will be restored to an all white business handkerchief.

Ideally designed for the traveling man are the Time Saver wash and wear shirts. Many busy executives keep one such shirt in their office desk in case of an emergency trip or party. Their ease of washing and drip drying has also been a boon to housewives who care for their husbands' shirts.

Other new gift items are the Kwik Klip tie—a clip-on four-in-hand variety—and new and novel shirt designs such as the flip-front model, or some of the new cuff treatments.

The way to a man's heart is through his wardrobe.

Death Not The End

Lesson for February 8, 1959

WHAT IS it like in the next world? Some people ask because they desperately want to know how it fares with a loved one over there. Other people ask the question out of idle curiosity. Others still ask the question merely to show (if they can) how ridiculous any answer must be. It was this last sort of people who asked Jesus the old question about the much married woman who got to heaven and found her seven husbands there already. (They didn't put it just that way, though we would.) Their question was, "Which of the seven ex-husbands would be the right one for the heavenly duration? It was an old chestnut, no one could possibly claim to know enough to answer it. So they tried it on Jesus.

Dr. Foreman

Death and the Bible

As with so many of Jesus' answers to questions which in themselves were stupid, silly or malicious, in answering this question Jesus ignored the single case these hecklers brought up, and went right to the root of the matter. The fact was, the Sadducees who asked this question did not believe in life after death for anybody, at all, any where, any time. The Jews who did believe, and Jesus himself, did not speak of "heaven" and "hell" as a rule, but lumped all the future life together in the one expression, "the Resurrection." When they said "the Resurrection," they did not mean Jesus' or Lazarus' or any one person's resurrection. They meant the life beyond this life, the ultimate life God has in store for his human creatures. Where most Christians today would say "the immortal life" or something of that sort, they said "the Resurrection."

They did not argue with the unbelieving Sadducees. Rather he gave them two plain reasons why they made the mistake of denying all life after death. One was that they did not know the Scriptures. Another reason for the Sadducees' doubt, Jesus said, was their ignorance of the power of God. Many people think of immortality as a natural sort of thing, something on a par with springtime and butterflies. The Bible on the other hand always looks on life beyond death as a gift of God's grace. Immortality is not something of which God cannot rob us, so much as it is something which God in love bestows on us. Arguments about what "can" or "can't" be, beyond this life, are not only arguments out of pure ignorance, but they ignore especially the Power of the God who is Love. We do not know what God will provide, in any detail, we do know that he is able to provide whatever his love and wisdom choose.

"Beyond"

Jesus dropped a hint about the nature of the future life which many Christians have found helpful even though it does not by any means answer all the questions we can ask. This hint is in his rather shocking statement that in the Resurrection there is neither marrying nor giving in marriage but that human beings will be like the angels (he did not say we would be angels) in heaven. Now if there is any one element of human life which is universally important, it is sex. To be told that the life beyond is not constructed on the sex-centered plan of this one, leaves us wondering. But this is not all. In every respect, or almost all, that we can consider, the "Life Beyond" is in the strictest sense beyond. It is beyond our experience, beyond all our possible imaginings. Many religions imagine the next life in terms of this one, only with more of the same. There is imagery in the Bible of this sort, too. But the Bible also bears out this hint of Jesus, that the next life is not just like this one only more so. It is better, for the Christian; it is worse for those who persist in rejecting God. But it is not the same. The best thing we know about it is something Jesus himself said, and it is enough. "Where I am, you may be also." It is all we need to know—he will be there. That we cannot make a blueprint of heaven is no proof that it does not exist.

WITH OUR ARMED FORCES

FORT SILL, OKLA. (AHTNC)—Army 2d Lt. Frank L. Mayer, 22, son of Frank J. Mayer, 256 E. Main St., Westminster, Md., completed the 17-week field artillery officer basic course Jan. 21, at the Artillery and Missile School, Fort Sill, Okla.

The course, designed for newly-commissioned officers trained Lieutenant Mayer in the duties of a forward observer and familiarized him with the responsibilities of a battery grade officer.

Lieutenant Mayer is a 1954 graduate of Bel Air (Md.) High School and a 1958 graduate of Western Maryland College. Before entering the Army, he was employed as a salesman by the Pakay Division of Nashua Corporation, Nashua, N. H.

BERLIN (AHTNC)—Army Specialist Four Tom Gouker, 20, son of Mr. and Mrs. Charles F. Gouker, Route 2, Littlestown, Pa., was a member of the Berlin Command all-star team which recently won the French invitational basketball tournament held in Berlin.

Specialist Gouker's squad defeated the French team in the finals 87-42 after leading at half-time 48-15. Teams representing British and French military units, the Berlin Command and a local police club were entered in the two-day tournament.

Gouker, a crane and shovel operator in the U. S. Army Garrison's Service Company, entered the Army in June 1956 and arrived in Europe the following May.

He is a 1956 graduate of Littlestown High School.

FORT JACKSON, S. C. DONALD E. BAKER, SON OF MR. & MRS. C.D. Baker, TANEYTOWN, MD. has been assigned to CO C, 1ST TNG REGT at Fort Jackson, S. C. for eight weeks of basic training.

Upon his arrival at Fort Jackson, he was issued clothing and given a complete physical examination and a comprehensive battery of aptitude tests to determine the Army assignment for which he is best fitted.

As part of his basic training he will be taught rifle marksmanship under the Army's Trainfire program. In Trainfire, he will learn to use an M-1 rifle by firing at pop-up targets at varying ranges and on terrain which duplicates combat areas.

He will also be taught drill, tactics, camouflage, military courtesy, first aid and other subjects. He will learn how to throw a grenade fire in pitch darkness, crawl under barbed wire with machine gun fire overhead, and defend himself in simulated chemical, biological and radiological warfare situations.

During his seventh week of training, he normally will receive a two-week leave before reporting for advanced training with the infantry or other branch of the Army, or he may be selected to attend one of the Army's many technical and service schools.

BAUMHOLDER, GERMANY (AHTNC)—Army Specialist Four Sterling G. Smith, 23 whose wife, Ina, lives in Uniontown, Md., recently participated with the 8th Division's 28th Infantry in observance of "friendship day" in Baumholder, Germany, honoring the visiting soccer team and city officials of Ettelbruck, Luxembourg.

After an inspection tour of the infantry, the day was highlighted by a soccer game between the visiting Ettelbruck team and the 28th Infantry Lions in which the host team was victorious.

A machine gunner in the infantry's Company B, Specialist Smith entered the Army in August 1957, completed basic combat training at Fort Jackson, S. C., and arrived in Europe in January 1958.

The son of Mr. and Mrs. Charles D. Smith, Route 1, Union Bridge, he is a 1954 graduate of New Windsor High School and was formerly employed by Cambridge Rubber Co., Taneytown.

SALE OF SAVINGS BONDS

Mr. Fogle, Carroll County Savings Bonds Chairman, announced that the total sales of Series E and H Savings Bonds for Carroll County for the year 1958 amounted to \$798,647, or 88.8% of its yearly quota.

Total sales of E and H Bonds for Maryland for the year 1958 were \$63,246,210, as compared with sales of \$63,380,679 in 1957. December sales of E and H Bonds for the State were up 12.35 percent, compared with the like year-ago month.

Mr. Fogle expressed his thanks and appreciation to those volunteers in Carroll County who have unselfishly contributed their time and effort to promote sales of Savings Bonds—bank officials and personnel, newspapers, radio and TV stations, outdoor advertising agencies, service clubs and educational and agricultural leaders.

The Secretary of the Treasury has given us a high challenge, Mr. Fogle added to sell more Savings Bonds to help keep this country militarily strong and economically sound. Savings Bonds provide our citizens with a savings plan for their future security that affords the type of protection the average American saver wants and needs.

DIDN'T COME OUT RIGHT

Poor Jones was shy and nervous. At a dinner party he just couldn't talk to anyone. All evening long, he had been trying to think of something nice to say to the hostess.

At last, seeking to draw him out, the hostess remarked, "What a small appetite you have Mr. Jones."

"To sit next to you," said Jones, gallantly, "would cause any man to lose his appetite."

If you are bored when alone, then, face it you must be boring to others when you have people around you.

If you are not nice to others, it is only fair to expect the same sort of treatment from others.

Deductions That Cut Your Tax Bill

(This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Certified Public Accountants and the Maryland Society of Certified Public Accountants, in cooperation with the Internal Revenue Service.)

THE big question facing the small taxpayer at this time is whether to itemize deductions or take the standard deduction.

Before you give up and file a "short" form, take the time to add up the family expenses that could be deducted. If the deductions that could be itemized total more than 10 per cent of your adjusted gross income, it will pay you to file a "long" Form 1040.

Here is a list of the more important items to watch for while you compile the list of family deductions:

Interest on Loans — The interest you paid on loans is deductible. This includes any mortgage, automobile, appliance, home improvement or personal loans you may have had. Interest on installment purchases is also deductible. Evidence, such as a statement from the seller, should be obtained to show the amount of interest that you paid during the year.

State and Local Taxes — Most taxes, other than federal taxes, are deductible. These include, state and local real estate, personal property, income, retail sales, gasoline and poll taxes. You can deduct auto license fees, but not auto inspection fees. If you don't have an exact record of some of these taxes, you can make a reasonable estimate.

Charitable Contributions — Gifts to charitable, religious, educational, scientific or literary organizations are deductible. Generally, these contributions are deductible up to 20 per cent (in some cases 30 per cent) of your adjusted gross income. In adding up your donations, don't overlook the old clothes, toys, books or furniture you may have contributed to a local charity or church. The fair market value of these gifts is deductible.

Medical and Dental Expenses — Unless you or your wife has reached the age of 65, your medical expenses are deductible only to the extent that they exceed 3 per cent of your adjusted gross income. Include in your medical deduction the cost of doctor, nursing, dentist's X-rays, and hospital services. You may also deduct premiums for health, accident and medical insurance.

Casualty Losses — You are entitled to deduct your uninsured home losses from fire, theft or storm. Damage to an automobile is deductible if the accident was due to faulty driving but not negligence on your part.

Child Care Expenses — Widowed, divorced or legally separated taxpayers, and in some cases any taxpayer, who must pay for the care of a dependent while they work can deduct up to \$600 of this expense. Check carefully the requirements in the official instruction book before claiming a "baby-sitter" deduction.

Miscellaneous Deductions — If you had certain expenses in connection with your employment (other than travel and reimbursed expenses), you may claim them as miscellaneous deductions. Examples would be tools, uniforms, union dues and employment agency fees. "Per diem" in alimony or separate maintenance payments ordered by the court are also deductible under this heading.

CONGRESSMAN BREWSTER WRITES:

The construction and maintenance of adequate schools is the most important problem facing our county governments in Maryland. This is particularly true in Baltimore, Carroll, and Harford Counties. In these counties the population has literally exploded. This expansion has, in part, been caused by the existence of both Federal military establishments and large industrial plants doing Federal work.

I believe that it is proper for the Federal Government to allocate funds for school construction in areas where tremendous increases in population have been caused by Federal activities. Legislation affecting this has been enacted in previous sessions of the Congress. In 1950 the Congress passed Public Laws 815 and 874, which provide in part:

SECTION 1. In recognition of the responsibility of the United States for the impact which certain Federal activities have on the local educational agencies in the areas in which such activities are carried on, the Congress hereby declares it to be the policy of the United States to provide financial assistance for those local educational agencies upon which the United States has placed financial burdens by reason of the fact that—

- (1) The revenue available to such agencies from local sources have been reduced as the result of the acquisition of real property by the United States; or
- (2) Such agencies provide education for children residing on Federal property; or
- (3) Such agencies provide education for children whose parents are employed on Federal property; or
- (4) There has been a sudden and substantial increase in school attendance as the result of Federal activities.

The President's Budget, however, now allocates only 85% of the funds called for under these laws for aid to our local schools.

Baltimore County was supposed to have received some quarter of a million dollars from the Federal Government under the provisions of these laws. If the President's Budget is approved this amount will be reduced to approximately \$200,000.

I have received urgent requests from Mr. Edward G. Stapleton, Superintendent for the Board of Education of Baltimore County, and Mr. Charles W. Willis, Superintendent for the Board of Education of Harford County, asking my support for a supplemental appropriation to at least provide funds necessary to comply with the existing law of the country. I will happily support legislation to provide such additional funds.

It is unfair to expect existing landowners to assume the full burden for the cost of school construction when the need for these schools has been caused by the activities of the United States Government. The cost of education already consumes over 60% of the tax revenues in the counties of Maryland. I believe it is entirely proper that the Federal Government participate in the cost of schools in Federally impacted areas.

I draw a strict line between Federal assistance to our local school program and Federal control over our state and county educational systems. Federal participation should be limited; Federal officials should not dictate policy concerning personnel, curriculum, or general administration.

The minds of our young people are our country's greatest natural resource. We cannot afford the luxury of the parochial view which says to us—what do we care about educational standards in some other state—it does not affect us. The ignorant and uneducated child of some other state today, may be the citizen of Maryland tomorrow.

NEWSPAPER ADVERTISING GETS MORE ACTION THAN ANY OTHER MEDIUM

Because a newspaper disseminates news along with educational writings, information of a vast variety plus entertainment and editorials and multitudes of special articles of known validity—the daily newspaper gives advertising appearing in its columns an atmosphere of believability which is obtainable in no other medium! People have confidence in and believe in their newspaper. This prompts much greater action for such advertising from the newspaper reader!

MEETING OF GIRLS 4-H CLUB

The monthly meeting of the Terra Rubra Girls 4-H Club was held on Monday Jan. 19th at the home of Peggy Knouse, Keymar, with Patsy Stonesifer as co-hostess. Mary Lou Sappington led the club in singing "He's Got the Whole World in His Hands". The business meeting was taken charge of by Joan Kiser. The Club voted to give 5 dollars toward the expansion of the cattle buildings at the Agricultural Center. Committee reports were given. Debbie Sappington showed things she had made for her Child Care Project. Jean Stonesifer, leader, showed toys which could be made for the Child Care Project. Mrs. Carroll Wilhide, leader, gave a demonstration on the "A. B. C's of Sewing". Peggy Knouse and Patsy Stonesifer gave a demonstration on how to make Tangy Tutti-Fruiti-Punch. The recreation committee, Peggy Knouse and Patsy Stonesifer conducted a game. Refreshments which included the Tangy Tutti-Fruiti Punch were served. The next meeting will be held at the home of Georgia Asbury, Louise Nelson, Debbie and Mary Sappington—the Edward Coshun residence near Deaton. Jane Wilhide, Reporter.

The first Lenten Service for Union Bridge Lutheran Parish will be held on Feb. 11 at the Union Bridge Church.

Meeting of Mayor and City Council

The meeting of the Mayor and City Council was held Monday evening with all members present.

Mr. George Fream, a member of the Javees, appeared before the Council to discuss the congested condition on George Street, with the addition of the Dunbar building of the Cambridge Rubber Company. It was moved and passed by the Council to install no parking signs on the school house side of George Street from Baltimore Street to the Dunbar building.

A group of young men, members of the local Hot Rod Club, visited the Council and requested the signature of our Chief of Police Emory Hahn, so they could apply for a National Charter. The Council granted this request and their continued support.

Mr. Edmund Nusbaum also attended our Council meeting in relation to the Sewerage from his canning factory. The Council and Mr. Nusbaum are still trying to get chemical information that would help to aid the situation at the treatment plant.

Our new water ordinance was read by the Council and approved. The minimum rate will be \$3.00 per quarter. It will go into effect beginning April 1st and will apply to your July 1st water bill.

The Clerk was instructed to write a letter to the Potomac Edison Company asking for the price of installing a central switch for the street lighting at Christmas.

The Clerk also was instructed to write a letter to the State Road Commission requesting them to study the traffic at the Square, in Taneytown, with a view to the satisfactory regulating of the traffic light.

Officer Hahn gave as his report: 21 Parking Tickets, directed traffic for three funerals and reported the building at the Park broken into.

The Clerk gave as his report: Receipts \$13,014.55, expenditures \$17,635.76, balance \$11,758.09. Of the expenditures for this month \$11,000.00 was turned over to the Birnie Trust Company for the sinking fund of the paying of the Sewerage Bonds, and \$4,802.04.

NEWSPAPERS REMAIN NO. 1 MEDIUM WITH SUPERMARKETS

Supermarkets continued to invest the vast majority of their advertising dollars in newspapers last year, according to a Supermarket News survey of the advertising practices of super located in Los Angeles, Philadelphia, New York, Miami and Oakland, Cal. For the most part, supermarkets invested anywhere from 85 to 99% of their ad budgets in this medium. Reports from three of the cities:

Los Angeles: Ad managers state that from 90 to 99% of their ad budgets were invested in newspapers last year. They indicate little or no change in their advertising plans for 1959.

New York: Supermarket operators continued to place most of their advertising dollars in newspapers. When faced with the loss of this medium recently due to a newspaper strike, they were content — for the most part — to coast and save their ad dollars rather than put emergency emphasis on special radio and TV spot announcements or circulars.

Oakland, Cal.: Supermarket chains remained very strong for newspaper advertising. Of four chains surveyed — operating 145 supers — two invested just under 100% of their ad budgets in newspapers. The other two chains spent more than 90% of their ad dollars for newspaper space.

How our bank can help your BUDGET

Open a checking account with us and start paying your bills by check.

• Checks can be safely mailed—so you save on "traveling expenses" each month;

• A checking account provides better records and sure receipts—so you avoid many a costly "bookkeeping error";

• Checks can be drawn to exact amounts—so you can't get the wrong change;

• You needn't carry a lot of cash at bill-paying time—so you don't risk its loss.

MARYLAND MOTORISTS

Soon we will be ordering our new auto tags, and again must remember the extra fee of \$1.00 and \$8.00 to conform to the new Unsatisfied Claim and Judgment Fund Law which will become operative on June 1, 1959. How does this new law effect me if I have in force auto liability insurance? How does it effect me if I do not have in force liability insurance? How does it effect me, and what are my obligations, if I have in force auto liability insurance when ordering my new tags but during the year let my insurance lapse? These are important questions to understand under the new law and no motorist will be excused from not fully understanding the law. For information, on this and low-cost liability insurance call—
