HIGH SCHOOL HIGHLIGHTS

Mr. and Mrs. Roland Stitely donated a live racoon to the 7th grade science class to be used in connection with the study of animals. The students are quite fond of this friendly, playful pet.

The formal pictures of the senior class were taken Tuesday, Sept. 29, by Mr. Charles Magee of the Westminster Studio.

The senior class will sponsor the first school dance of the year, "The Schoolhouse Caper", Sat., Oct. 3, from 7:30-11:00 p. m. The admission will be 35c stag and 60c drag. Dress will be optional. The guest list will be in effect again this year.

Adult Courses Available at Taneytown High School

Teachers are available for evening adult courses of a vocational nature, if there is sufficient local interest. These courses can only be offered if we obtain an enrollment of fifteen or more persons. Courses can be offered in typing, bookkeeping, shorthand, carpentry, and home economics. All persons in Taneytown and vicinity who are interested in developing their technical skills and are interested in any of the above mentioned courses are asked to telephone the high school principal's office at once. No planning can be done until interest is shown. No charge is required for these courses with the exception of a small registration fee. Here is an opportunity for adult citizens of Taneytown and vicinity to make use of more worthwhile services offered by our public schools.

POSTMASTER BURKE DIES IN HOSPITAL

Prominent Taneytown Citizen Succumbs After Short Illness

James F. Burke, aged 52 years, Taneytown's postmaster, died Tuesday at the Gettysburg hospital where he was admitted ten days ago.

A son of the late William E. and Laura Crebs Burke, he was associated with the postal service for twenty-four years, serving as postmaster for the past eight years. Prior to that he was the acting postmaster for three years and was employed as a clerk for the remainder of his career.

He was a member of St. Joseph's Catholic Church and Holy Name Society. He belonged to the Taneytown Chamber of Commerce, Taneytown Fire Co., Rod and Gun Club and Postmaster's Association, Lodge 227, Loyal Order of Moose, Hanover, and the Waynesboro Aerie, Fraternal Order of Eagles.

Surviving are his widow, Virginia Rickell Burke; a daughter, Patricia L., at home; a brother, William E. Burke, Jr., and a sister, Mrs. Neal W. Powell, both of Taneytown.

Funeral services will be held Friday at 9 a. m. at St. Joseph's Church with the Rev. Francis P. Wagner as celebrant. Friends may call at the Fuss funeral home, Taneytown, after 1 p. m. today (Thursday) when prayers will be recited at 8:30 p. m. Interment will be in Grace United Church of Christ cemetery.

Meeting of Ki-Wives

On Mon. Sept. 28, 17 Ki-wives and 3 guests met at Taney Inn, with Pres. Mrs. Charles Stonesifer presiding. After dinner group singing was led by Mrs. Leonard Reifsnider accompanied on the piano by Mrs. George Harner. After the introduction of guests, Mrs. Stonesifer turned the meeting over to Mrs. Miles Reifsnider, program chairman. Mrs. Reifsnider passed out program books with the programs for the coming year.

She introduced Mr. Sherman Flanagan, who spoke to us and showed us slides about his recent trip to Africa. This was in keeping with the theme of our programs, which will be "Getting to Know You." Pres. Stonesifer read a letter from the Mt. Airy Club inviting us to attend their style show on Oct. 16. On Oct. 26 the Ki-Wives will meet at the home of Mr. and Mrs. Elwood Baumgardner for a covered dish supper and surprise package auction.

Taneytown Farmer Killed in Farm Accident

Harry O. Fogle, aged 62 years, Taneytown Rt. #1, was killed instantly when he fell headlong into a corn stalk shredder from a tractor on the farm of his son, Oscar Fogle, Taneytown Rt. #2, on Tuesday.

Mr. Fogle, who resided at Taneytown Rt. D. 1, had been driving the tractor to which the shredder was attached. There were no witnesses to the accident, which was not discovered until the man's daughter-in-law went to call him to lunch.

Dr. James T. Marsh, Carroll County medical examiner, who was summoned, said death was caused by multiple compound fractures of the skull. State Trooper Raymond Andrews investigated.

Mr. Fogle was a former member of the board of directors of Southern States Cooperative in Taneytown, a member of the Holstein Cattlemen's Association, Farm Bureau and Rocky Hill Lutheran Church.

Surviving are his widow, Alva Sarah Catherine Fogle; nine children, Miss Marie Fogle, Mrs. Geo. Warner, Wm. E. and Floyd Fogle and Mrs. Benjamin Burroughs, Taneytown; Oscar Fogle, Taneytown Rt. D. 2; Mrs. Ralph Valentine, Ladysburg; Mrs. Roger Buffington, New Midway, and Thomas B. Fogle, Emmitsburg; 16 grandchildren; one great-granddaughter and two sisters, Mrs. Sarah Leaking, Westminster, and Mrs. Orville Stitely, Frederick.

The funeral will be held today (Thursday) at 2 p. m. at the C. O. Fuss & Son funeral home. The Rev. William M. Brown, pastor of Woodsboro Lutheran Church, will officiate. Burial will be in Rocky Hill Cemetery, near Woodsboro.

Taneytown Student Enters F. & M. College

LANCASTER, PA., 25 - Franklin and Marshall College opened its 173rd year by admitting 400 freshmen, who represent 14 states and 5 foreign countries. One half of the class members are Pennsylvanians.

The F & M student body returned to many innovations on the Lancaster campus. The new 25-bed infirmary and a new 196-bed dormitory, Schnader Hall, have been completed and put into operation. The entire administration has been moved into renovated East Hall, which was formerly an infirmary-dormitory. The former administrative center, Stahr Hall, is now undergoing extensive renovation for the expansion of laboratories and classrooms.

Allen M. Baumgardner, son of Mr. and Mrs. Murray Baumgardner, 14 Frederick St., Taneytown, Md. is among the freshmen class members.

Kiwanis News

The Kiwanis Club of Taneytown met Wednesday evening at Taney Inn with Vice-president J. Thomas Albaugh presiding. Clyde L. Hesson offered the prayer. Group singing was led by Wallace Reindollar with Mrs. Geo. L. Harner as piano accompanist.

Program chairman presented the evening's program which was a resume of the Key Club of T.H.S. activities given by Richard Clingan and a prospective member of the Key Club, Paul Andreas who answered questions pertaining to his induction into the Key Club asked by President Clingan. The program was well received by the parent Kiwanis Club members present.

Bernard Decker, a T.H.S. teacher, was inducted into the club, the ceremonies being conducted by Past Lt. Gov. Norman Graham.

A board meeting followed the regular meeting of the club.

Good News Clubs Begin Fall Schedule

The Good News Clubs of Taneytown will begin their fall schedule this weekend and continue on each week thereafter until the end of May. Due to the many boys and girls who attended Good News Clubs outdoors this summer, the group will be divided into 6 classes instead of the 4 classes that were held last year. Since not enough homes are available to meet in, two of the classes will be meeting in one of the town churches. This will not, however, have any effect upon the lessons that are taught, as all lessons are prepared on an undenominational basis. The use of the church basement is very greatly appreciated by the teachers of the children since there will be room for the clubs to grow. The teaching schedule is as follows: Saturday, Oct. 3, 10:30-11:30 a. m.—all east end children from 4 years old through the 3rd grade will meet in two classes at the home of Mrs. Kenneth Nusbäum, 464 E. Baltimore St. Monday, Oct. 5, 4:00 - 5:00 p. m.—all town children from 4 years old through the 4th grade will meet in two classes in the basement of the United Brethren Church. Children from the 5th grade through Junior High will meet at Rev. Hendricks' home, York St. same date. Tues., Oct. 6, 4:00-5:00 p. m. all east end children from the 4th grade and up will meet at the home of Mrs. Kenneth Nusbäum. The teachers welcome all Good News Clubbers to the new season and invite any new boys and girls who have not attended in the past to come each week. The program includes singing, Bible memory work, Bible stories visualized, quizzes and Bible games. An offering is taken each week for missionary work in 5 foreign countries. Parents are invited to the meetings whenever they can attend, and are requested by the teachers to interest their children in Good News Club work.

Pine-Mar Area to Have Good News Club

A new Good News Club will begin at the home of Mrs. Melvin Utermahlen, corner of Feeser Rd. and Westminster Rd., on Monday, Oct. 5 from 4:00 to 5:00 p. m. Permission has been obtained from the school principal for bus children to get off at Mrs. Utermahlen's home if permission is given by parents. All children in the area are welcome and urged to attend.

Adult Classes to be Formed

An opportunity for adults to receive training, in courses that will help them in their vocations, will be offered through the State and County Boards of Education in the local schools.

Those who are 16 years of age and interested in any subject, and if not regularly enrolled in a day school, should contact the principal of the local high school at once concerning classes they desire.

An organization meeting for those who wish to attend adult classes in Westminster will be held at the Westminster Senior High School on Tuesday, October 6 at 7 p. m.

Local AAA Club Opens World Travel Agency

The World Travel Agency of the Automobile Club of Maryland's Westminster Branch will be officially dedicated and opened on Thursday October 1, 1959, Robert L. Leese, Westminster branch manager of the Motor Club announced today.

"For the first time," Mr. Leese said, "Carroll Counties will be able to enjoy all-inclusive travel service, both foreign and domestic, by air, sea or rail." Automobile Club of Maryland members and non-members alike will be able to take advantage of these services.

The Club official stressed the importance of one-stop travel facilities to area residents. "No longer will they have to stop at one place for maps, at another for travel accommodations and at still a third for hotel reservations."

Before the location of this World Travel Agency was decided upon, independent studies were made to determine the travel potential of various state areas. Separate studies conducted by both the Automobile Club of Maryland and a group of airlines revealed that the Westminster area was the best possible site for a travel agency of this scope.

The World Travel Agency will be located at the offices of the Automobile Club of Maryland, 62 W. Main Street, Westminster, Maryland.

COUNTY HOSPITAL TO BE BUILT

Bids for Construction Were Opened Wednesday

The bids for the Carroll County General Hospital were opened on Wednesday, September 30, 8 p. m. at the Carroll County Medical Center in the presence of approximately eighty members of the Board of Directors and representatives from the various contractors.

It appears that from the bids submitted that the Carroll County General Hospital will be built.

Bids are now in the process of being approved by the State Health Department and the Federal Health Education and Welfare Department.

Contracts will be awarded at the earliest possible date.

Annual Letter Writing Week

The Post Office Department has announced that The 22nd Annual Letter Writing Week will be celebrated throughout the nation during the week of October 4 thru 10, 1959. In making this announcement, we are reminded that personal letters are next to an actual visit, and the most intimate and economical means through which each of us can communicate with our fellow human beings. Accordingly, I urge everyone to write today to those away.

The Postmaster stated that the special Week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, faraway friends and relatives, and others who will welcome a personal letter.

Kiwanis Club Entertained "Kiddies"

The Taneytown Kiwanis Club played "host" and entertained approximately 150 "Kiddies" at Memorial Park, last Saturday Sept. 26th-from 2 to 5 p. m.

Games of all kinds were played, especially the big game, which proved very fascinating for the children, Whirly Bird, etc. Prizes were awarded for the best games and scores.

Free pony rides proved to be the most popular pastime for children and of course the free eats, hot dogs and ice cream topped off the perfect afternoon, after which the kiddies were homeward bound at 5 p. m., tired but happy.

This program is celebrated annually by Kiwanis Clubs throughout the United States and Canada and is planned by the Boys and Girls committee. Several local Kiwanians and their wives supervised this program at the park, under the direction of "Hal" Royer and his wife, ably assisted by Mr. and Mrs. Otto Olsson, Mr. and Mrs. Harry Mohney, Rev. Miles Reifsnider, Bruce Villard, Tom Albaugh and Eugene Eyer.

Elmer A. Wolfe P.T.A. News

The Executive Committee of the Elmer A. Wolfe School met on Monday evening. It was announced that the Magazine Campaign would start on this Friday Oct. 2nd. Magazines and Pictures are the only things to be sold thru the school. The Committee Heads for this year are - Program - Harold Thomas, Membership - Mrs. Newton Sir, Jr., Hospitality - Mrs. Harold Thomas, Ways and Means - Mrs. Robert Stone, Legislative - Arnold Weeks, Publicity, Mrs. Carroll Willhide, Juvenile - Mr. Nichols (if he will accept).

The general meeting of the Elmer A. Wolfe PTA will be held on October 12. The guest will be Miss Ruth Devore of the County Supervisory Board. She will talk about how the classes are grouped for their reading. The new teachers will be introduced and interviewed. I understand refreshments will be served. The PTA Executive Committee is to meet each fourth Monday in the month.

Dedication of New High School on Sunday

Francis Scott Key Senior High School on Bark Hill Road, Uniontown opens its doors Sunday, Oct. 4 for a dedication service at 2:15 p. m. Open house will follow the program which will dedicate Carroll County's newest school building. Patrons and friends of the school are cordially invited.

The program will be high-lighted with a dedicatory address by Dr. Charles Bish of the National Education Association. Dr. Bish, a native of Carroll County is currently engaged as director of the project on the academically talented student. He has chosen the topic, "To Develop an Interest in Learning."

The singing of the national anthem by the audience accompanied by the school band and mixed chorus will appropriately initiate the program. The school is located only a few miles from Terra Rubra, the Francis Scott Key birthplace.

Representatives of the Carroll County Commissioners, the Carroll County Board of Education and the school will participate in the program. Student guides will be available to show guests through the building.

A "hang-over" is something that occupies the head you didn't use last night.

"SPICE 'N' EVERYTHING NICE"
With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Glorious Indian Summer just before Autumn sets in is truly delightful and makes everyone feel super-duper—even the ill! And that reminds me this morning a beautiful letter arrived from a lady 85 years young stating she is taking care of her husband who has had some heart trouble. Life begins at 80! Eh?

This is truly the time to take a vacation when you can enjoy it all the more. Minus the awful heat and the crowds on the Highways.

Ladies, if you want to pick up energy, Don't eat chocolates but a piece of hard candy now and then. And when you are doing the Fall cleaning, make it easier for yourself as to the evening meal and cook that grand English stew with everything in the pot at one time without any watching. And that while you work!

More and more ¾ length coat suits are coming in and they are truly glamorous in all types of materials and with gorgeous fur neck pieces. Real fur of course although there are a few without fur. Many plaids are to be worn in the Fall and winter and they are beautiful.

If you desire to paint a room with "Flat Wall" or even the ceiling "Mint Green" is a charming shade. Your Observer finished the dining room ceiling without touching the old satin side wall paper and it is beautiful. Anyone can do it. Takes about three hours.

Much preparation is going on down at the "Town Theatre" for the show of "Porgy & Bess" Due to the type of picture there are "mums" and although the present show is still going on of "North of Northwest" of which I recently wrote the lobby is in a mass of new doings. The Manager was most enthusiastic as he talked with me. That is one picture that everyone should see. You won't have to worry about the car for it means all day for 80 cents in the Lexington Market garage on Paca street. And that right around the corner. That cute little Eddie Hodges is going to go to California to be the STAR in "Huckleberry Finn" Just think how he was discovered on the show of "Name that Tune" Only in AMERICA!

Thinking of boys now here is truly a cute one. A Widow found her refrigerator filled with food as she arrived home from work and there was a piece of paper with "From A friend!" Her young married son surprises her just like this in many instances. Nice?

Here is a real saying of the Pennsylvania Dutch, "WE GROW TOO SOON OULDT AND TOO LATE SCHMARDT!"

Don't forget those cast off things for "The Goodwill" Mrs. Housekeeper. It would pay you to visit this wonderful workshop of handicapped persons for you will want to give and give. They can just about fix and repair anything which they sell then in the shop and this way they are kept employed through you and you! When you houseclean work as you feel so inclined and do only one room at a time and that way the house will not be upset for your good husband to face each evening. By taking your time you will do better work all around. It will make you desire to do the work as each room is completed even if there is a week of rest in between.

And if you are looking for a brass bed for a special room, the only store that carries a good time is "Gas-singer's" 1700 N. Gay. They are becoming quite popular and the Teen ager adores them for her room exclusively.

A lady writes to ask me if I really have the experience of all I write about. To that, I reply, "That's it!" in other words "to be sure" for my Readers!

Now, here's to those of the "Libra" born from Sept 20 to Oct 20. Venus is the ruling planet of this sign which gives the people a fondness of beauty and luxury. They usually excel in mathematics although they are fond of music and art. Libra meaning the "Scales" these people always balance and compare especially the enlightened individuals. They seem to be fair in all their opinions and always look at both sides. They have inquisitive minds and are always interested in examining every sort of device. The most difficult thing for any Libra person to do is to follow a routine mapped out by others as they always desire to do things in their own way. As for salesmanship—they truly are without superiors! They seem to seek the weak points of others and are always giving advice for their betterment. Then men are very shrewd in business matters. Many times these people become very melancholy and lonely which can be overcome by having others around them at all times. These people are very soft hearted when it comes to those in trouble and there are no kinder people in the world at such times. In view of their remarkable natures and immense possibilities, they should earnestly undertake to comprehend their own natures to develop their higher tendencies and completely annihilate the ignoble and baser characteristics that too often accompany this sign.

So long, Folks. Have a grand week end. Be careful as you drive. Until next week. D.V.

I am,
Faithfully,
Your Observer.

FIGHT FIRE BEFORE IT STRIKES

Fires in the rural areas, far from the water mains, that claim thousands of lives and untold millions in property every year, deserves more preventive attention than they have yet received. That, in the fewest possible words, is the best reason we know of for the annual observance of Fire Prevention Week.

Fire in the city is bad enough. But there, professional assistance and the finest of equipment are but minutes away. On the farm, fire means all too often not only the destruction of the farmer's home, but of the tools with which he makes his living and frequently of the crop that represents his past year's labor.

But there has been one advance in building materials in recent years that has gone a long way in reducing the fire hazard to frame buildings, whether in the city, the suburbs or out in the country. This is the rapidly expanding use of asbestos cement - which provides fire resistant roofing and siding in a variety of forms and patterns suitable for homes, barns and business buildings.

Farmers have learned, for instance, that if they can't afford to sheath the whole house or an entire barn with asbestos-cement, the next-best protection is to do the roof - to make it really immune from the flying embers from other buildings. Siding or shingles of this stone-like, rat and termite proof material can be added later. And in this situation, what is good for the farmer is good for every householder.

Fire Prevention Week is for thinking it over. What could fire do to you? What can you do to reduce both the changes of fire and the damage if it does strike? And, when are you going to do it?

GRASS ROOTS OPINIONS

EAST LANSING, MICH., FARMER: "One big cost of farming is often overlooked. A last year's survey by Michigan Farm Bureau showed the average farm accident costs about \$700 in property loss alone. Ten per cent of the 6,000 members surveyed had accidents during the year, with property losses totaling \$70,000, medical bills amounting to \$50,000, and injuries costing 64,000 man-hours of labor.

"And most of these costs could have been prevented, if the victims had only lived and worked safely."

REYNOLDSVILLE, PA., STAR: "Americans do a lot of beefing about the spendthrifts on Capitol Hill or in their State Houses. But the truth of the matter is we make those legislators spendthrifts even when they don't want to be one....

"We do not award any Congressional Service Medals to those who spend their time trying to introduce economy. Nobody ever put up a monument in any town or city square to the stubborn gent who saved a few million during his tenure of office. We called them pinch-pennies, tight-wads and burrs on the tail of progress. It is not popular to be an economizer, in fact, in many cases, it is political suicide."

ON DISPLAY! FRIDAY! SPACIOUS! POISED! BEAUTIFUL! LIVELY!

DISTINCTIVE! SATISFYING! ENDURING! SPLENDID! SPIRITED! JOYFUL! SWEET!

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close.

It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and

extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters

out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes... and that's to drop in on your dealer and drive one!

CURRENT EVENTS FIFTY YEARS AGO

A horse attached to a buggy and driven by Mr. Samuel Crabbs, stumbled and fell on Middle Street, last Saturday evening. The damage consisted of a broken shaft and torn harness.

Mr. and Mrs. John D. Belt and son of Westminster spent Sunday and Monday here with relatives and friends.

Resignation of Dr. H. A. Goff, Rev. H. A. Goff, D. D., pastor of the Taneytown and Piney Creek Presbyterian churches, has tendered his resignation to go into effect at once. The Doctor has been elected to, and accepted a responsible position in the Winona Assembly and Schools of Wina Lake, Indiana, a prominent educational centre.

The World is not so bad. In these days when mankind is impatient, uncharitable and doubting it makes us think. Should we lose confidence in every one? A man must be lonely and miserable indeed when he reaches the point where he is the only good and honest man so to speak. Yet we often hear men make such state-

ments. For the good books says, no man liveth unto himself, and the time may be near at hand when you will need the help of this misjudged fellow man. We may have been wronged by some one in whom we had confidence, but we should remember that there are others, and taken as a whole that the real black at heart rascals constitute a very small minority in this old world. We would like to think all men were honest, but we can't and we should dislike to think all men dishonest, so be it.

QUIET REVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER!

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! FRIDAY!

THE REVOLUTIONARY Corvair

BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair.

The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2 1/2 feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker—almost instantly—from an airplane-type heater*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your

dealer's the man to see for all the short, sweet details.

REVOLUTIONARY TURBO-AIR 6 Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE

Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT*

Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR

Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER

Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT

Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION

There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

*Optional at extra cost

CARROLL COUNTYThe first of a series of meetings
to acquaint dairy farmers with the
true facts about the Federal Milk
Marketing Order was held in Bach-
man's Hall, New Windsor, September
24th with 80 farmers attending. Mr.
Sadler, manager of the Maryland
Cooperative Milk Producers explained
in detail the purpose of a Federal
Milk Market order and how it will
affect every milk shipper in the Bal-
timore market. He also explained how
it will benefit every dairy farmer
whether he is a member of a Coopera-
tive or a non-member, but Mr. Ad-
ams, chairman of the Membership
Committee had this to say concerning
membership in a Cooperative: "It is
up to dairyman to belong to a Coopera-
tive and to take an active interest
in its function. It is their strongest
bargaining power. No longer can
farmers sit back and just let things
happen. To make a Federal Milk Mar-
keting Order work fully dairy farm-
ers must present a united front. This
united front is necessary if we are
ever to get more than a minimum
price for milk." The problem really
is one of education. To get anything
across, it must first be understood.
That is the purpose of the scheduled
meetings. Mr. Sadler and men like
Mr. Adams are trying to make farm-
ers understand why a Federal Milk
Marketing Order is the best thing for
dairy farmers and why a strong Milk
Cooperative is needed by milk ship-
pers. Judging by the tone of the New
Windsor meeting farmers are begin-ning to understand that in the com-
petitive milk market sticking together
in a strong organization is their only
hope of a better market for their
milk.The towns of Ipswich, Mass. and
Uniontown, Md. have one thing in
common. . . they look alike. Both
have early American houses clustered
together on a wide shady street. Ip-
swich boasts of houses three hundred
years old, but we don't think any
house in Uniontown is over two hun-
dred years, if that old. The style and
structure of houses in both towns
stem from the Elizabethan cottages
of Southeastern England from where
the Pilgrims came. Their beauty and
clean cut lines are still copied by
architects of this modern era although
the houses built today are not meant
to stand a couple hundred years.Mr. Khrushchev is back in Russia
after a two week glance at the United
States. What the results of his visit
will be no one really knows. That he
ever came was itself a miracle and
an astounding event. It took real
courage on the part of President
Eisenhower to invite him and real
courage on Mr. K to come. What stood
out like a sore thumb during the vis-
it was the barrier of not speaking a
common language. It handicapped
both the Russians and Americans in
spite of the excellent translators on
both sides. As some one remarked
maybe most of the world problems
could be settled by having one lan-
guage which everyone could speak and
understand; thus eliminating the risk
of not knowing exactly what the other
really means, for something is lost
in translation. Television outdid itself
in covering the visit although the
American press was not up to stand-
ard. Too many reporters are forget-
ting how to present factual re-
porting. Many of them instead, slant
the news to fit their own ideas. In
fact a good many newspaper men
have turned seer and prophet instead
of good reporters. The women re-
porters couldn't find anything to
write about except the fact that Mrs.
K didn't quite make the "best dress-
ed" list. There are a good many
American women who can't make the
list either. They prefer to accomplish
more than being a clotheshorse. We
are confident the American people
gained a better understanding of Mr.
K through his visit, because no one
can be exposed on television for two
weeks with out the viewers learning
something about him.The back to college movement is
over and all students are settled once
again in their respective schools. Here
is a list of the young men and women
from our area who are pursuing higher
education: Tom Winebrenner, sopho-
more at University of Maryland;
Eleanor Baker, senior at the same
school. Alice Booher, senior at Town-
son's State Teachers College; Deanne
Warner, sophomore at Frostburg
State Teachers College; Ned Eich-
man, junior at the University of Vir-
ginia, Richard Eichman, sophomore at
the Peabody School of Music; Kitty
Reese and Nancy Roelke, sophomores
at Western Maryland College, Car-
roll Utz, junior at the same school;
Rose Marie Grabill, senior at Western
Maryland and Rita Michaels fresh-
man at Western Maryland; Bonnie
Quesenberry, sophomore at Bridge-
water College and Larry Warner,
freshman at Maryland University.Last week we thought we would
have to call the fire department to
rescue our pet cat from the top of a
loose tree. She had climbed thirty
feet up and then was afraid to come
down. She sat up there all day and
cried for someone to come bring her
down. But our ladder wasn't tall
enough to reach her and no amount
of coaxing would make her try to
come down to earth under her own
power. Finally it began to get dark
and as we didn't want her to stay in
the tree all night we decided to call
the Union Bridge Fireman. But some-
one suggested putting some food under
the tree and maybe she would be
hungry enough to be tempted down.
She was. In a few minutes she was
safely on the ground eating her sup-

ing.In the old days it was a matter of
family pride that the women in the
family did not take an outside job.
Today it's a matter of family pride
that the women work to keep up the

First MCMP Milk Order Meeting in New Windsor

The first of a series of 21 meetings to discuss the terms of the U. S. Department of Agriculture's "recommended decision" for a Federal Milk Marketing Order for the Upper Chesapeake Bay area was held at New Windsor, Carroll County on Thursday, September 24, at 8 o'clock.

The meetings, which are continuing this week and next, have been arranged by the Maryland Cooperative Milk Producers, Inc. which last October asked the USDA for the milk marketing order. The "recommended decision" was signed on Tuesday, September 15 with the "Upper Chesapeake Bay area" designation. Of this, Baltimore is the principal city.

Although the first meeting followed closely on the signing of the decision and there was little time to publicize it, 48 milk producers, including individuals not members of the Cooperative, attended. Roy Wilson of New Windsor, dairy farmer and MCMP member, presided and after a brief outline of the evening program, introduced William P. Sadler, General Manager of the MCMP.

Each individual attending was supplied with a list of 28 questions dealing with the terms of the recommended decision, the MCMP part after a final Order has been issued and the probable effects of the Order on producer returns. Also given out at the door were pads and pencils for those attending to write questions coming to mind during the discussion. This is the program for each meeting.

The question covered a wide range, opening with "What does a producer have to do under an Order that he does not have to do without an Order?" Mr. Sadler's explanation—"Nothing. He won't even know an Order is in effect until he sees better returns on his milk check."

"When will a producer's base be made and when will it be used?" The base-making period is from July through December, Mr. Sadler reported, with the base excess payment plan in effect only through March, April, May and June of the following year. During the other eight months, producers will be paid on a "blend"—or average of prices for Classes I and II milk.

"What is the estimate of improvement of returns to farmers if the Recommended Decision is made effective?" was a third question on the list. "This is difficult to answer, but putting all factors together, we see an improvement of about 25 cents per hundredweight after the final Order goes in" Mr. Sadler said.

Following Mr. Sadler's discussion of the decision terms, he answered the questions; while these were pertinent, they were not numerous.

The schedule for the balance of the meetings includes: Thursday, October 1, Churchville, Consolidated School, 7:30 p. m.; Fair Play (Washington County) Fire Hall, 1:30 p. m.; Greencastle, Pennsylvania, First

National Bank Assembly Room, 7:30 p. m.

Friday, October 2, New Park, Pennsylvania, Community Hall, 7:45 p. m.; Monday, October 5, Bardane, Jefferson County, West Virginia, Community Center, 7:30 p. m.; Tuesday, October 6, Middletown, Volunteer Fire Company, 7:30 p. m.

Wednesday, October 7, New Midway, Volunteer Fire Company, 7:30 p. m.; Phoenix, Maryland Clynmalira Methodist Church, 7:45 p. m.

Thursday, October 8, Thurmont, Guardian Hose Company, 7:30 p. m.; Rising Sun High School Auditorium, 7:45 p. m.; Hereford Volunteer Fire Hall, 7:45 p. m. and Friday October 9, Unionville Grange Hall, 7:30 p. m.

"PLEASE, OPERATOR, WHAT TIME IS IT?"

Every five minutes the little boy would call and ask the same question . . . "Please, Operator, what time is it?"

But something about the little boy's voice told Operator Lola Caldwell that this was no childish prank. Finally, she asked him to call his mother to the phone.

"She can't come to the telephone," he said. "My little sister swallowed a button this morning, and my mother had to take her to the hospital. And she told me not to dare leave the house till twenty after eight. I looked and looked, and honest, Operator, I don't see any twenty on that clock. And I'm afraid I'll miss my school bus."

"Don't worry, young man," said Mrs. Caldwell. "I'll call you when it's time to leave." At 8:20 she rang and sent the little boy off to meet his bus.

To Lola Caldwell, this was all part of a day's work. Another example of the personal interest telephone people take in their customers. This instinctive desire to help is one of the things that make your telephone service so valuable.

Devotional Reading: John 14:12-21.

• Testimony •

Lesson for October 4, 1959

FOR SIX MONTHS now the Bible study shared by the more than 80 Christian Churches that use the "Uniform Bible Lessons" is going to be the book of Acts, in the New Testament. It is one of the easiest books in entire Bible to read; it is interesting enough to read clear through in one evening, important enough to re-read many times. It is the story—the only connected story—of how the Christian Church got started and how it spread. The readers should see the book of Acts in a modern English translation, in order to understand more quickly. All that can be done in this column week by week will be to point up some particular truth or truths of practical importance for life today.

Dr. Foreman

"My Witnesses"

The story of the Christian Church begins with Jesus. He gave the marching orders. The church is a true church when it carries out his directives, it fades away into a no-church when it forgets the Master. Now the question Americans always ask about anything—a club, a gadget, a machine, even a hole in the ground—is: What is it for? What's it supposed to do, and will it work? What is the Church supposed to do? What is it for? That is a fair question. The New Testament presents the Church under various names, and gives various (though not contradictory) answers to that first question. One of the plainest of these answers is in the words of Jesus which shine like a beacon-light in the very first lines of this book of Acts—a light which gives direction and meaning to the whole story, and indeed gives direction and meaning for the Church of today.

YOU SHALL BE MY WIT-

NESSES, Jesus said to his friends and followers. The first and main business of Christians is not argument, it is testimony. It is not concocting ideas, it is telling a story. It is not hearsay stories, it is personal experience. The business of a witness in court or anywhere else is to state the facts as he sees them. The Church has many tasks and responsibilities; but if we forget this central responsibility we are not much good otherwise.

Testimony for Christ—witnessing on his side—is more than talk. When you order seeds or seedlings in the spring, you can read what the catalogue says and get quite excited over the prospect. Every advertisement in the seed catalogue, every picture in it, is testimony—in talk. A much more convincing testimony is what you or your neighbor actually raised. You are not going to believe in tomatoes any better than the real tomatoes you have seen and eaten, no matter what the catalogue says. But if you have admired the tomatoes from a certain kind of seed, you can let the catalogue go.

The Bible has a great deal to say about Christ, and so does the Church. But it's with the Church as with the seed catalogue—what really convinces people is some actual samples. The best witness to Christ that can possibly be, is a good Christian.

Into All the World

The tragedy of the church is something that would be very funny if it were not so tragically wrong. Every Sunday morning in almost any church, there will be people who are making two mistakes at once. One is about what "witnessing" means. They think it means words, or words-and-music. They take part in the service, they sing with loud voices, they say the nicest things about Jesus or shout "Amen!" when the preacher says them... and they call that "witnessing for Jesus." True testimony is not just sweet-talk set to music; it is, as St. John put it, walking as He walked, living as He lived. Furthermore, an exclusively stay-at-home witness is not what Jesus intended. He distinctly said, "to the end of the earth." How far away, in how many lands and languages, with how many missionaries, is your church testifying for Jesus? A church talking only to itself about Christ has forgotten the Directive.

YOU AND YOUR BODY ARE TWO— THE SECRETS IN GOD'S PLAN—

Many persons think they are one; but we are two—
(The body we see is not yet the real you!)
Man is God in manifestation; (don't you see?)
That is why he shall live through eternity.

God does not speak to the physical man—
(To speak to him through you is His plan);
The real you only comes here—(don't you see?)
To build a physical body for eternity.

What would the world know about God, were it not for man?
That is the greatest secret in God's plan)
Man is God's eyes, His mouth, His ears, His hands—
Through him God carries out all of His plans.

Reincarnation, they tell us, is a part of God's plan
By which to make a perfect woman or man;
It is the only way mortal man could be
Made fit to live through eternity.

God and man shall always together be
Through all the ages of time and eternity;
So, as I understand, it is God's Great Plan
To make Earth the Paradise home of man.

So, here is a secret mortal man never knew—
(Your physical body is not yet the real you)
How to make it like God wants it to be
We must follow the Boy from Galilee.

God sent Jesus as a Baby to show us His plan
To make a perfect earth, woman and man;
So, try to be like Jesus from day to day—
To reach perfection, there is no other way.

Here is another secret mortal man never knew—
(How to make the physical body like the real you)
Jesus also came to show us the way
To make our bodies free from decay.

There are many secrets in God's great plan;
But, some are entirely hidden from man;
Man has always thought his body is him;
So, he caters to it, for each tiny whim.

Just so, we find things on earth to-day—
We listen to men, and do as men say;
But, the way men do, they tell us, is not God's way;
So our bodies finally wilt and go to decay.

The days of our pilgrimage grow longer, they say,
Because we ignore God, and do things man's way;
But, mortal man is only a puppet in God's hands;
So, listen to God, and, follow His plans.

These bodies of ours shall keep on going to decay
Until we learn to know God, and do things His way;
So, reincarnation, they tell us, is God's plan
To make what He calls a perfect woman or man.

All through the ages man has thought his body is he—
(That has been the trouble with you and me!)
We all gorge and cater to it day after day;
But, it is not you, so it goes to decay.

It is wonderful how God works through these bodies of ours—
Nature shows it, through the trees and flowers;
God put the trees here to teach in his plan
To make a perfect earth, woman and man.

God, they tell us, is the life of everything which grows;
(Not only man, but, each tree and rose);
He first put the tree here to feed the birds and man;
That was another secret in His great plan.

All of God's creations are servants said to be—
(He put them here to serve you and me!)
How would man do without the horse and the cow?
One gives us milk, the other pulls the plow.

God sent the birds to build the forests, they say—
(How they did it, we can see each day);
They scattered the seeds, just as God had planned;
So, they, too, helped to make earth a fairland.

Even the lowly earthworm biologists say,
Is constantly busy, works night and day;
It is they, they tell us, and they alone
Who keep our earth from turning to stone.

God has put 3000 of them in each acre of land;
And, they all work, just like He planned;
Such wisdom, they tell us, was never known to be
As God expressed in building a home for you and me.

Who but God would do what God did for you and me?
To teach us, He sent Jesus, His Son, to Galilee;
He made the rivers, oceans, and the mountains we see;
And, He did it all to protect you and me.

The great mountains of salt in the oceans, chemists say,
Purify the water we drink each day;
So, were it not for God, and His providential care,
Disease and infections would exist everywhere.

The sun draws our water from the sea;
And, the clouds bring it here to you and me;
The mountains direct the winds which blow;
And, send the rain where God wants it to go.

God has included all such things in His plan.
To make a model earth and a perfect man;
For, here He intends we all shall be
At the end of time and through all eternity.

Just so, God watches over this great land of ours
With its silver and gold, its trees and flowers;
So, mortal man should hang his head in shame;
When he fails to hallow His holy name.

In this rambling story I have tried to tell
About God, and the things we all love so well;
I do not have words to tell how things shall be
At the end of time, and, through all eternity.

The man of the earth seems to prosper to-day;
But, he must come back to learn God's way;
Because he has not yet learned about God's plan
To make the whole earth a heaven for man.

So, let us all like Jesus try to be —
Here we prepare for Eternity!
Here we learn about God, and His great plan
To make the whole Earth a heaven for man.

What did
Susan learn
in school today?

Did she learn the values of thrift and responsibility? How to make dimes and quarters add up to dollars?

These are some of the valuable lessons your child can learn through the U.S. Treasury's School Savings Program.

By putting their dimes and quarters into U.S. Savings Stamps, thousands of American children are saving toward the purchase of U.S. Savings Bonds—one of the best investments any of us can make.

If your child's school isn't already participating in this important program, you can help get it started. Just write to your Savings Bonds State Director, or to the Savings Bond Division, U. S. Treasury Department, Washington 25, D.C.

Award of Good Conduct Medal

The Good Conduct Medal has been awarded to Specialist 4th Class John W. Springer, son of Mrs. Margaret Edna Springer of Emmitsburg, prior to his separation from the active Army.

Specialist Springer, a graduate of the Emmitsburg High School, is a Radar Console Operator in Missile Master at Fort Meade. Missile Master provides for the integration of various Nike batteries in the 35th Brigade area.

The 35th Artillery Brigade provides for the air defense of the Washington-Baltimore area. It is the duty of the Brigade to maintain a ring of Nike sites protecting the nation's capital on a 24 hour basis.

Specialist Springer was allowed a 37 day early release because of the recent unexpected death of his father.

Don't be a cynic who goes around saying, "I hate everybody". Remember, that includes yourself.

Crisp styling and air-cooled engine in

CHEVROLET'S COMPACT CORVAIR

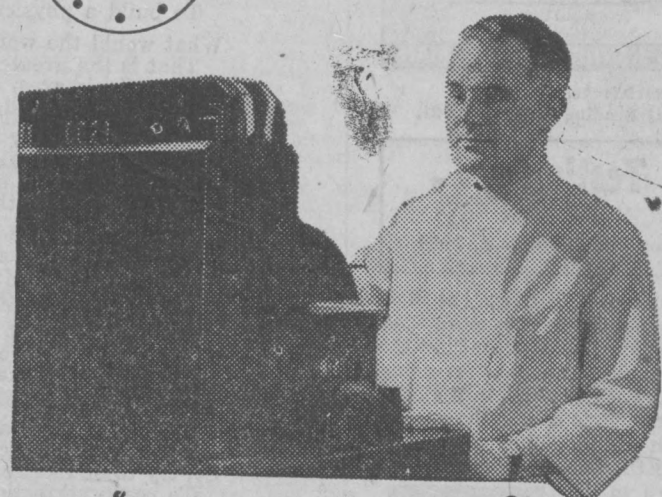

An aluminum, air-cooled engine mounted at the rear is among a multitude of mechanical features Chevrolet has originated for its all-new Corvair. A car that seems small only when you park it, the Corvair boasts "big car" roominess and performance due to a long-term engineer-

ing study of compact design. Low, fleet styling in accord with American tastes, a unique suspension system and unitized body-frame construction are among other features in the six-passenger four-door sedan. All 1960 Chevrolet cars will be on display in dealer showrooms on October 2.
