During 1959, each of the member neighborhoods, including Taneytown, accepted a quota as their part of the 1960 annual budget of \$5,050. Taneytown's quota was \$300.00 of this amount \$267.00 has been raised, leaving a deficit of \$33.00 which must be raised before January 31st.

This Girl Scout annual budget covers training, camping, professional guidance, program materials and general administration of the program for our girls. During 1959, a total of 329 girls used camping facilities and 66 adult leaders were given basic and advanced training.
