## HIGH SCHOOL HIGHLIGHTS

Course selection blanks were distributed this week to enable students to select their courses for next year. This must be completed in order to make a more effective plan for the coming school year.

Parents are asked to study these sheets and then give their approval to the course that their child chooses. The selection sheet will indicate the course through four years of high school. Future plans should be considered in ninth and tenth grades due to difficulty in changing courses in the latter part of high school.

Some changes are contemplated in our school offerings in order to modernize (Continued on fifth page)

## Mission Study at Trinity

March 6th - 3 to 8 P. M.

Sunday, March 6th is Mission Study day for members of Trinity Lutheran Church, Taneytown. On this date the United Lutheran Church Women are sponsoring a study of Christian missions in Liberia, Africa.

The year 1960 marked the beginning of Lutheran Missions in Liberia. With the advent of 1960, the church in Liberia looks toward the centennial of Lutheran work in that land. The Commission on Missionary Education of the National Council of the Churches of Christ in the U. S. A. has designated Africa as one of the areas of study in 1959-60. It seems only fitting therefore that Lutheran work in Liberia be given special emphasis at this time.

Mrs. Benjamin Cutsail, Chairman of the entire program and her assistants, Mrs. Stanley Jennings and Miss Hazel Hess, have been fortunate in securing Mrs. Chas. Hauser of Harrisburg, Penna. as featured speaker. Educated at Elizabethtown College, American University, Washington, D. C. and Columbia University, Mrs. Hauser has practically made the study of missions her life's work.

An experienced and dynamic lecturer and teacher, a dedicated and active churchwoman, a skilled leader, this non-missionary missions promoter will present the major portion of our program herself.

There will be two sessions. The first is from 3 to 5 p. m. followed by a light supper for all present from 5 to 6 p. m. The second and final session is from 6 to 8 p. m. Mrs. Hauser, will during these sessions, tell us of the everyday life of the African in general and the Liberian in particular. We'll hear some of their songs, see their ways of living, their desire for learning and also the great need for our continued help.

All members of Trinity Lutheran Church - men, women and children - are cordially invited to attend any or all sessions and also the supper, which will be in the African tradition. No reservations are necessary to attend. The Nursery will be available for the very young children, with adequate supervision and a planned program during all sessions.

U.L.C.W. women helping with the planning include, Decorating, Mrs. George Naylor, Jr., chairman, Mrs. Daniel Naylor and Mrs. Delmar Riffe; Food, Mrs. Martin Zimmerman, chairman, Mrs. Albert Wilhite, Mrs. Harry Crouse, Mrs. Kenneth Shorb, Mrs. John Vaughn, Mrs. Everett Hess, Mrs. Norman Sauble, Mrs. Percy Bollinger, Mrs. Kenneth Gilds, Mrs. Luther Luckenbaugh, Publicity, Mrs. Elwood Harner and Pearl Bollinger.

Plan now to bring your entire family to these sessions. Children and grown-ups alike will find the program Mrs. Hauser has planned, both interesting and educational.

## Lions Meet

An overflow crowd of Lions, their guests, and delegations from other clubs taxed the seating capacity of Taney Inn Tuesday, February 23, when Taneytown Lions celebrated Farmers' Night under the program leadership of William T. Albaugh. Eighty-two persons were present for a delicious fried chicken dinner and the privilege of hearing Professor Arthur B. Hamilton from College Park on "Your business today and tomorrow."

President Delmar E. Riffe presided and opened the meeting in regular fashion, Rev. Edmund P. Welker pronouncing the invocation, and Lion tamer John T. Hottinger conducting a period of group singing, with Harry I. Reindollar at the piano. The president introduced a visitation contingent from Thurmont. Lions Raymond Creager, Russell Flanagan, William Lidie, Murray Miller, and Charles Reid, as well as Lion Cloyd Shetter, Gettysburg, making his attendance so as to keep unbroken a 17-year record.

President Riffe announced the assignment of Cub Fred B. Garner to the Greeter and sick committee, the public Shrimp and oyster feed at Crouse Motor Sales garage for Tuesday, March 8, and a Ladies' night program for March 22 with Lion Hottinger arranging the program.

He then called upon Singletown Remsburg for a progress report on the speaking delegations working in behalf of Harry B. Dougherty's district governorship candidacy. Freedom district (Sykesville), Thurmont, Brunswick, and Boonesboro are next on the visitation list. Homer Y. Myers added that fourteen so far are planning to attend the district's Atlantic City convention to try and clinch the election for Taneytown's favorite son when it is held on May 28.

The evening was thereupon turned over to the Farmers' night program chairman, Lion Albaugh, who presented (continued on 8th page)

## LETTER FROM ANAPOLIS

### Senator Weant Reports Legislative Procedure

During the past week we have had numerous telegrams urging our support of Senate Bill No. 10 relating to public accountability. Unfortunately we have not been able to discuss this Bill with all of the interested parties, but it appears to us that this bill in its original form is somewhat ambiguous and goes further in its scope than is claimed by its proponents. Although it is claimed that the Bill is not intended to infringe on the business of some of our bookkeepers who are not C.P.A.'s, the language of the Bill tends to contradict this. The advocates of the Bill have informed us that they will introduce an amendment to Senate Bill No. 10 which will eliminate this problem. It is hoped that this amendment will correct what we feel are bad portions of the Bill as we do not feel it is our prerogative to legislate legitimate businesses into oblivion.

Since the problem of the teachers' salaries will no doubt have been decided upon by the time this reaches print, it appears useless to comment on this matter at this time, except to say that all indications point to the fact that the Administration will get whatever Bill it decides upon.

A Radiation Control Bill seems to be rolling smoothly through the legislative process. This is an important matter in that it gives authority to the Health Department to set up certain rules and regulations for the use and handling of radioactive materials and sets up an Advisory Board of experts in the radiation field to help the Health Department in its deliberations on this problem. The dangers of careless use of radioactive machines and materials are ever increasing as the Atomic Age grows out of its infancy. Problems in this matter stem from the X-ray machine to the atom-powered airplane and it is hoped that the Radiation Control Bill will guarantee the safe use of this important energy to the people of the State.

Last week we commented on Senate Bill No. 78, introduced by Senator Barrick and your correspondent to permit sale of hunting licenses on credit to authorized agents. This Bill has met with some opposition from the Department of Game and Inland Fish. The Director of this Department seems to feel that there will be a prohibitive number of persons desiring to become agents, that this will increase the number of employees necessary to handle these numerous accounts and that this would increase the operating costs of his Department. It is hoped, however, that we will be able to iron out this matter in order that the hunters can conveniently purchase the license necessary to their particular sport.

Some interest has been indicated in House Bill No. 53 which would prohibit discrimination in places of public accommodation. Hearings will be held by the House Judiciary Committee on Thursday, February 25, at 11:00 a. m. in the House Chamber.

The end of this past week showed that 112 bills had been introduced in the House. The last day for filing bills is February 22 but it is doubtful that there will be a great last minute rush during this session in the introduction of bills because of the limits on the nature of the bills to be introduced which have been discussed previously in these columns.

## Harney Vol. Fire Co. Meets

The regular meeting of the Harney Vol. Fire Co. was held Monday evening, Feb. 22nd in the fire hall with the president, Elmer Shildt in charge. Scripture was read by the chaplain, Prayer by Nevin Ridinger. Minutes of last meeting read and approved all bills accepted and ordered paid. The next supper (Turkey and Oyster) will be held Sat. March 12th with Cletus Reeve as chairman. The firemen are planning for their annual carnival which will be held July 11th to 16th.

The next paper drive will be Sat. March 5th; in case of rain they will gather March 19th every one is urged to have it out front and tied up. There were 22 members present. Next meeting March 14th. The meeting closed with all repeating the Lords Prayer.

## Republican Women Meet

The Federation of Republican Women of Taneytown met at Taney Inn, Friday evening, Feb. 19. The President Mrs. Virginia Sanders presiding. Mrs. Lloyd B. Wilhite, Chaplain offered prayer. Several new chairmen were appointed by the President namely: Mrs. Emily Dunbar, Membership; Mrs. Mehrle Ohler, Program; Mrs. Roy B. Kiser, Publicity. Mrs. John S. Harner, Chairman of By-Laws, presented the Federation By-Laws and they were adopted as read. Each member received a copy.

Mr. Richard L. Stultz and Miss Ellen Arnold, New Windsor were guests giving information on the Carroll County Recruits for 60". Mrs. James Baumgardner is Chairman of this phase of work for Taneytown District.

Mr. T. Bryan McIntire, Westminster was also present, bringing us up to date on registration days, being every Sat. from 9 a. m. to 12 at Westminster Court House and County wide registration Apr. 12, 1960. Primary Election May 17, 1960. County wide registration day Sept. 13 and Sept. 20, 1960. Revision Day Sept. 27, 1960. April 16 last day to register before Primaries. "A Series of Skits" will be presented at the next meeting Friday evening, March 18, at 8 p. m. at Taney Inn.

All Republican Women are urged to attend and to become members of this federation. Delicious refreshments were served.

## Girl Scout News

Brownie Troop 588 met on Wednesday afternoon at the Trinity Lutheran Church at 3:30. Mrs. Charles Hopkins, Neighborhood Chairman, invested Mrs. Pauline Ford as troop leader and Mrs. Elwood Frock as a member of the troop committee. Other members of the committee are Mrs. Stanley Jennings and Mrs. Stanley King, who were also present. The Brownies celebrated their Troop Birthday with games, songs and refreshments. Mrs. Naomi Smith is assistant leader of the troop.

Brownie Troop 820 met on Wednesday afternoon at the United Brethren Church with Mrs. Maxine Bowers as leader and Mrs. Betty Hess as her assistant leader. The entire meeting was given over to the Troop birthday party. The Brownies enjoyed games, songs and refreshments.

Intermediate Troop 370 met on Wednesday afternoon at the Trinity Lutheran Church, with Mrs. Jean Chenoweth as leader and Mrs. Maurice Zentz as her assistant. The first part of the meeting was given over to a discussion of the meaning of international month in scouting. The girls then prepared an exhibit for the Thinking Day Observance, to be held on Feb. 24 at the Trinity Lutheran Church. One group of girls cut out and mounted Girl Scout uniforms used by Scouts in various parts of the world. Another group located and marked on the globe the various Scout organizations throughout the world. The Golden Eagle Patrol met and elected the following: Patrol leader, Chester Brown; Assistant patrol leader, Peggy Jo Smith.

Intermediate Troop #723 met on Friday afternoon at the United Church of Christ. The Scout rehearsed once more the flag ceremony for Thinking Day. They also made posters for the cookie sale, which is coming up in March. Further plans were made for the Indian exhibit, to be shown at the exposition in April. Mrs. Jean Ficus is Troop leader. Mrs. Melba Fair and Mrs. Zolan Cantwell are her assistants.

## Neighborhood News

The Girl Scout Cookie sale will begin March 11-26. This is a tradition with Girl Scouts throughout the nation. We certainly hope the public will receive the Girl Scouts generously when they come to your door, and hope to have the support of everyone in this community.

## Meeting of Milk Producers

The annual meeting of the Maryland Milk Producers, Inc. will be held Saturday, Feb. 27, in the Lord Baltimore Hotel. It will open with the business session, for members and their wives or husbands at 10 a. m. Lunch for the group and invited guests will be served at 12:30. MCMP President Edgar G. Emrich will preside. Invited to the morning sessions, to address the MCMP members are, Dr. Huntington Williams, Health Commissioner for Baltimore City, and his Deputy Commissioner, Mr. Geo. W. Schucker; Mr. E. Hickman Green, the recently arrived administrator of the Upper Chesapeake Bay Milk Marketing Order (No. 127); Mr. E. M. Norton, Executive Sec. of the National Milk Producers Federation, which has its headquarters in Washington and is the dairy co-operatives "watch dog" of the National scene.

State Comptroller Louis L. Goldstein will be the toastmaster, and introduce the guests invited to the luncheon. The Rev. Morris G. Zumbun, pastor of Christ Evangelical Lutheran Church, of Dallastown, Pa. will give the invocation.

Among those invited are, Gov. J. Millard Tawes, Mayor Harold J. Grady, Senators J. Glenn Beall and John Marshall Butler and Congressman Daniel B. Brewster.

Speaker at the luncheon will be Ernest Robert Rosse, of Philadelphia. Mr. Rosse is a widely travelled wit and philosopher, who uses the world and the platform for his remarks and the events current in it as the topics of his observation. "The Safety Valve of Sanity" will be his topic.

## JAYCEES CONDUCTING SECURITY CONTEST

### National Winners will Receive Scholarships

The Taneytown Junior Chamber of Commerce is currently sponsoring a script-writing and delivery competition among the Taneytown H. S. Seniors. This competition sponsored nationally by the U. S. Junior Chamber is on the subject, "My True Security - The American Way." The scripts which the students will prepare must be between 360 and 600 words, and must take between 3 and 5 minutes to present orally. They are to stress the importance of initiative and self-reliance in providing a secure future for the individual.

Following the eliminations which will select the 5 best essays from T.H.S., the typewritten scripts will be coded and submitted to the judges for scoring on content and originality. Then, on March 10, the judges will hear the scripts delivered orally by the contestants. The winner, selected by the judges, will be presented a special plaque and be entered in the State Finals to be held at the Emerson Hotel, Saturday, April 16.

The State winner will receive a special trophy, a \$200 scholarship to the college or University of his or her choice, a free trip to the National Awards program in Washington, and other awards. The Washington trip includes three days in that city with supervised sightseeing, educational events and entertainment, climaxed by the national awards program, where the national winners will be honored. National winners will receive scholarships of \$2,000, \$1,000, and \$750, to the school of their choice.

Judging at all levels will be based on Content and Sincerity of Thought, 45%, Originality 30%, and Oral Delivery 25%. At no time will the judges be aware of who the author of the script is, or even who the contestant is when they are delivering their speech.

The Taneytown Jaycees take pride in joining the State and National organization in presenting this program here. It is their hope that the community, school, and individual students may benefit greatly from this fine program, and that recognition may come to some very deserving young person in the community.

## Incorporated Towns Represented at Meeting

Representatives of the incorporated areas of the county met with the Board of County Commissioners and the State Health Department last week for the purpose of discussing the county's needs in water supply and in certain sewerage facilities. George A. Grier, the County's Planning Director, indicated the meeting to be one of the first steps in considering the overall county picture for future water and sewerage requirements.

Dr. Robert M. Brown, Chief of the State Health Department's Bureau of Environmental Hygiene, along with James McComas, Chief of the State's Division of Sanitary Engineering, reviewed the needs and accomplishments of many of the County's areas and cited the various aid programs available to the incorporated communities of the Co. Dr. Geo. Schochet, County Health Officer and Charles Kenealy, Chief Sanitarian, reviewed the problems being created with new subdivision in Carroll County.

Final discussion centered about advancing the completion time of a water and sewerage master plan for Carroll County to coincide with some of the current engineering being done by several of the incorporated areas in the development of water and sewerage facilities. This, to Mr. Grier, was a matter to be discussed with the County Commissioners and the Planning commission within the very near future.

Attending the meeting in addition to the above mentioned persons, were Co. Commissioners Carr, Crawford, and Saylor; Daniel C. Riley representing Manchester; George W. Reeve, representing New Windsor; Randall Spoorlein, mayor of New Windsor; Thomas R. Winebrenner, representing Union Bridge; Leroy S. Keeney, Mayor of Sykesville; William L. Wheeler, Mayor of Hampstead; and Frank Norpol, Mayor of Mt. Airy.

## Local High School Students to Appear on T. V.

On March 4, at 5:15 p. m., on WMAR-TV Channel 2, Baltimore, three of our High School students will appear on Mrs. Eleanor Nash's program called "Youth Speaks".

She has a deep and fond interest in our youth today and on her program she wants "Youth to speak their Mind." In doing this she feels it is a tremendous help to the parents, teachers and everyone interested and especially for the teenagers themselves to be able to express their views and ideas without reprimand.

The topic that has been selected for this program will be "What sort of world would you like to live in." This should prove to be a very interesting discussion. Mrs. Nash requested to have 10th grade students appearing on the program. The three participating are Cherie Phillips, George Rue and David Hopkins.

"SPICE 'N' EVERYTHING NICE"  
With all my heart, I wish you every morning  
A smile that shall last until the next day's dawning.  
I wish you health-life's greatest wealth  
I wish you always near so that I may help to cheer  
Each future day and in some way-help to bring you happiness!

The pure white snow that came down from the Heavens surely made the children happy as there were dozens of sleds going down the back part of the yards in the wide alley, the children screaming with joy. Pretty soon the big teen-agers followed suit and that meant way after dark. It all made me think of the time out West in Kansas city and Brrrrrrr it was cold then for I had to don ear muffs! We hired a sleigh, horse, bells and all and the bells frightening the horse made him run faster and half the time the sleigh was going along on one runner! Ugh! That one was terrific.

Hope you will not miss the excellent two shows in Honor of Honest Abe Lincoln on T.V.-one, "Meet Mr. Lincoln" and the other, "The Day the World Wept" sponsored by Alcoa.

Feb. 7, 1964 as everyone knows was the big Baltimore fire and although I read much about it, I never have talked to any Baltimorean who could tell me anything about it until just recently. The lady is now 70 years of age and was of course 14 at the time. She said her eldest sister returned home from the Doctor whose name was Moxley whose office was on Howard Street near Center saying, "Oh, there is a huge fire down town! Her cousins were Bankers & Bankers and the firm was called (continued on fourth page)

## Taneytown Vol. Fire Department Weekly Report

Friday 19th at 7:15 a. m. The Fire Dept. responded to a chimney fire on the Keysville Rd. at the property of Albert Wilhite. The fire was confined to a stovepipe and the chimney. Chief Miller reported little damage from the fire.

Saturday 20th at 10:40 p. m. Two engines were dispatched to a house fire on York St. at the property of James Knouse. Upon arrival the firemen broke a window and entered the house to find it thick with dense smoke. Firemen had to resort to oxygen masks to gain position to fight the fire on the inside. The fire started on the 1st floor behind the open fire place and went on to the second floor as well as the attic doing damage as it went. Firemen stopped the blaze as it broke through to the outside on the first floor, and while it was blazing away at the rafters in the attic. Firemen pumped water from a pond at the rear of the house. A second alarm was sounded for additional firemen to help the ones that already were on the scene. Chief Miller reported that damage would be heavy from the blaze as well as smoke and water damage.

Ambulance Transports: Friday 19th at 1:00 p. m. Mr. Richards was taken from the Gettysburg Hospital and returned to his home.

Monday 22nd at 12:40 p. m., Mr. Percy Putman was taken to the Gettysburg Hospital and returned to his home

## Collections for the Heart Fund

Contributions for the 1960 Heart Fund will be collected from Carroll County residents by several hundred Heart Association volunteers beginning this evening (Thursday) at 6 p. m., according to William B. Delany, Westminster, Carroll County Heart Fund Chairman and Mrs. Stanford Hoff, Vice-chairman.

Volunteers will make their collections from their neighbors from 6 to 9 p. m., this evening and will call back in the next few days on those who are not at home today. Sunday, February 28, is the final day of the local door-to-door drive.

Assisting Mr. Delany and Mrs. Hoff in this year's Heart Campaign are the following key workers: Mr. John C. Schaeffer, Treasurer, Mr. Frank Grumbine, Industry and Business, Mrs. Harry E. Reese, Jr., Westminster; Mrs. Robert Boone, Taneytown; Mrs. Anthony E. Bishop, Hampstead; Mrs. William B. Culwell, Mt. Airy; Mrs. H. C. Caricofe, Union Bridge; Mrs. Edwin W. Plunkert, Jr., Finksburg; Mrs. Elmer C. Spencer, Sykesville; Mrs. Merle Bowman, Manchester and Mrs. N. E. Robertson, New Windsor.

## Meeting of the Harney Ladies Auxiliary

The Ladies Auxiliary to the Harney Volunteer Fire Co., held their regular meeting February 23, 1960, at 7:30 p. m.

The meeting opened with Scripture and prayer by the chaplain, Mrs. Charles Bridinger.

The president, Mrs. Lake Ridinger, Sr., presided over the meeting. Due to the absence of our secretary, the minutes were read by Miss Florence Oneida Reaver. Roll call was taken and showed, their were only 11 members.

Reports from the treasurer and written communications were read. Cary Party for the month of March is as follows: Mrs. Nevin Ridinger, Mrs. Marlin Six, Jr. and Mrs. Dalbert Spangler.

Dining room committee for the March supper is Mrs. Norman Welty and Mrs. Wesley Mummert.

Business was then discussed. The business meeting was closed by all repeating the Lord's Prayer.

The next supper will be held on March 12, 1960.

The next regular meeting will be held on March 29, 1960, at 7:30 p. m.

### FARM PROGRAM—\$1,000 PER MINUTE!

In mid 1952, the Federal government held surplus wheat totaling 166 million bushels—taxpayers' investment: 400 million dollars. In mid 1960, the Federal government held surplus wheat totaling 1,300 million bushels—taxpayers' investment: 3,300 million dollars.

President Eisenhower, in his special farm message, asked Congress to act sensibly and swiftly to end a wheat program now costing the Government \$1,000 a minute. The President stressed the urgency of new legislation to end a program which is "visiting havoc upon the very people this program is tended to help." He specified that the new program must be "economically sound and not a political poulitice."—U. S. Senator J. Glenn Beall.

### 12 EASY WAYS TO RAISE A DELINQUENT

1. Begin with infancy to give the child everything he wants. In this way he will grow up to believe the world owes him a living.
2. When he picks up bad words, laugh at him. This will make him think he's cute. It will also encourage him to pick up "cuter" phrases that will blow off the top of your head later.
3. Never give him any spiritual training. Wait until he is 21 and then let him "decide for himself."
4. Avoid use of the word "wrong". It may develop a guilt complex. This will condition him to be "Nev" later, when he is arrested for stealing a car, that society is against him and he is being persecuted.
5. Pick up everything he leaves lying around—books, shoes, and clothes. Do everything for him so that he will be experienced in throwing all responsibility on others.
6. Let him read any printed matter he can get his hands on. Be careful that the silverware and drinking glasses are sterilized, but let his mind feast on garbage.
7. Quarrel frequently in the presence of your children. In this way they will not be too shocked when the home is broken up later.
8. Give a child all the spending money he wants. Never let him earn his own. Why should he have things as tough as you had them?
9. Satisfy his every craving for food, drink and comfort. See that every sensual desire is gratified. Denial may lead to harmful frustration.
10. Take his part against neighbors, teachers, policemen. They are all prejudiced against your child.
11. When he gets into real trouble, apologize for yourself by saying, "I never could do anything for him."
12. Prepare for a life of grief. You will be likely to have it.—Courtesy of a Southern school superintendent.

### FACTS AND OPINIONS

Fortune says: "Wage increases that exceed productivity increases are pricing some U. S. goods out of world markets, and inviting the successful competition of foreign goods in the U. S. market. Already the clamor of protectionism is rising; another shove to the coast-price push in manufacturing will tilt the U. S. balance of payments further, bringing de-

mands to close the U. S. economy. If we raise tariff walls we will abandon whatever chance the non-Communist world has of organizing itself on a basis of free cooperation. A few years ago the public mind would not have made the connection between labor's wage demands and the world position of the U. S. Now that it does, the unions seem to be working against the national grain."

"Industry will be vitally affected by the decisions Congress makes on a far-flung variety of legislative proposals during this election-year session. Serious threats are presented by a number of anti-business measures which would increase the difficulties of operation—and also of providing the jobs and products essential for the nation's economic growth." No Comment.

The American Medical Association polled the deans of the 84 American medical schools on what they thought were the greatest medical achievements of 1959. A plethora of divergent viewpoints resulted, but nearly all the deans agreed on one point—intensive medical investigation is now going on in many quarters in the field of biochemical genetics. This field deals with man's origins, his mode of development, and reproduction of characteristics.

Secretary of State Herter warns against excessive optimism as to world affairs in these words: "More than ever, in a period of some hope, it is essential to maintain our defenses. Also, if we are to arrive at solution to world problems, we must realize that these do not come easily—they may well take generations to accomplish."

The withdrawal of Governor Rockefeller as a candidate for the Presidential nomination has, as all the political writers are saying, made Vice President Nixon's selection as certain as anything can be in politics. On the Democratic front, more and more of the writers are doubting if the two most active aspirants, Senators Kennedy and Humphrey can win. When the dust settles, they say, there is a good chance that a man who is not now seeking the nomination will be given it—Adlai Stevenson.

The New York Mirror sent an investigator to a camp where convicted juvenile delinquents live and work out their terms. Interviews with these boys produced three steps which, according to them, would have kept them out of trouble: 1. Firm and fair discipline regarding habits, hours and friends. 2. A happy home of which they are a respected part, and into which they can proudly bring their friends. 3. Instruction in how to make a living and get along with other people—that is, preparation for the basic economic relationships of adult life.

Dr. French, economics, business consultant and educator, a former dean of the School of Business Administration at Tulane University, made the following statement in Monthly Tax Features:

"Fiscal affairs are at the heart of the democratic process. Citizen concern over taxes led to representative government. If democratic government is to survive not only in this country but in our world, citizens must somehow gain control of government spending and taxes, instead of letting them dominate their business and personal lives."

Coveted Golden Hat Awards now crown the heads of seven of America's most stunning women!

Mrs. Clare Booth Luce, Joan Crawford, Doris Day, Betsy Palmer, Jessica Tandy, Celeste Holm, and Mrs. Eleanor Searle Whitney were the winners chosen by the votes of hundreds of women's page-fashion editors.

Comments from the newly crowned queens of millinery clearly summed up seven reasons why the hat has become the outstanding symbol of the well-dressed woman.

Mrs. Luce, elected the lady in Government with the decided knack for wearing the right hat at the right time, declared: "The Golden Hat will certainly go to my head!"

Joan Crawford, whose new role as a major corporate executive qualified her for the Business and Industry Award, said: "I love hats so much, I almost wish I had two heads!"

Doris Day was the winner for Motion Pictures. Grateful for the acknowledgment of her choice of hats as glamorous accents, she called the Award a "wonderful honor."

"When I change my hat, I change my personality," commented Betsy Palmer, and this versatility earned her the Award in the Television category.

Stage star voted as best-hatted was Jessica Tandy. "I consider my hats as important as good reviews," said Miss Tandy.

Singer Celeste Holm stated: "I never realized how important hats were to my wardrobe until I counted them today—thirty-four new hats!"

In the field of International Society Mrs. Eleanor Searle Whitney commented she "might go to a luncheon without my lipstick but certainly not without my hat!"

### Westminster Airport handles Charter Flights, Plane Rentals, Sightseeing Flights, offers complete Flight Instruction including Ground School Required Courses

The Westminster Airport, Littlestown Road, Westminster, offers complete aviation services to the area, handling charter flights, plane rentals, sightseeing flights and flight instruction.

Required ground school courses are taught in addition to flight instruction. Required courses include Civil Air rules and regulations, navigation, meteorology, engines, and the theory of flight, including aircraft structure and the principles of flight.

Time payments may be arranged

for the courses, which are offered on a selective basis. Planes for dual instruction are available at the airport, which is the home of the Mid-Atlantic Soaring Association, Nelson J. MacLeod, manager of the airport, is a director and chairman of the association, a group of glider enthusiasts.

Other activities at the airport include the Ground Hogs, who are model plane devotees, and the Civil Air Patrol meets here every Thursday night. Mr. MacLeod, a native of Westminster, also runs the Pro-

gressive Machine Shop, Westminster. Vic Wittway is the flight instructor. He is a mature, experienced pilot who began his flight career with the Marines in Nicaragua in 1926. He was formerly a civilian instructor with the Air Force and has taught many local men to fly. Call the airport at Tilden 8-9891 for cheerful advice and information without obligation.

### Bill From The Hill features Delicatessen Specialties, Seafoods, Crab Cakes, Oysters, Fried Shrimp, Salads, serves Fine Foods and prepares many of own products

Bill from the Hill, on Old Baltimore Boulevard three miles east of Westminster, is a popular restaurant and delicatessen known for its delicious home cooked specialties.

### CURRENT EVENTS FIFTY YEARS AGO

An alarm of fire was sounded shortly before 5 o'clock, on Wednesday morning, and caused quite an excitement for a short time. The fire was a smoke house on the property of Mrs. John J. Crapster, and the building was burned, together with its contents of meat which was being smoked. The Fire Company promptly responded and prevented the barn and other nearby buildings from being burned.

On Monday of last week, at a sleighing carnival, in Emmitsburg, Mr. David F. Eyler of this place driving "Gold King" took first honors, a blue ribbon, and Mr. G. C. Fox, proprietor of the Central Hotel, second honors, also a blue ribbon. Messrs. Eyler and Fox naturally feel proud of their honors, as the race was participated in by about a dozen teams, all fast ones, some of which had been winners on former like occasions. The race was held on the main street of the town, under a special permit.

Levi D. Reid has been appointed one of the School Commissioners for Carroll county. The long experience of Mr. Reid, as a teacher, should specially qualify him for the position.

Mr. and Mrs. D. W. Garner left Tuesday for New York to visit their daughter, Mrs. Vallie Hoagland.

Mr. and Mrs. Frank Baumgardner and grand-son Master Elwood, visited their cousins Mr. and Mrs. Spurrer, of Walkersville, Md., on Saturday.

Death of Mrs. Judson Hill, Mrs. Livinia, wife of Mr. Judson Hill, was stricken with an illness last Friday morning which developed into paralysis later in the day and caused her death on Saturday night. Mr. Hill, who was attending his duties as a member of the House of Delegates at Annapolis, was summoned by telegraph and arrived home on Friday evening. Mrs. Hill leaves two children: Homer S. Hill, of Taneytown; and Mrs. Luther N. Hiltner, of Littlestown. Mrs. Hill was in her 63rd year.

### Flood Or No Flood, Squaw Valley Gets Fuel

Plowing through a flooded road at Squaw Valley, Calif., an LP-Gas truck delivers fuel to the inundated site of the Winter Olympics. The floodwaters, caused by torrential rains, threatened to wash away Olympic ski runs. The disaster was averted when the rain turned to snow. Most of the lodges, homes and restaurants in the Squaw Valley area depend on this "pipeline on wheels" for all their fuel needs.

## LOOK AT THE LOWER PRICES

List prices as much as \$76.05 lower on popular models with popular equipment

The '60 Chevrolet models most people buy, equipped the way most people want them, are actually priced lower than last year's models. This two-tone Bel Air V8 sedan, for example—with Turboglide, push-button radio and de luxe heater—lists for a whole \$76.05 less! Prices are lower for all comparable V8 models throughout the line. Also for all comparable 6-cylinder models with Powerglide. Yet Chevy's loaded with more of the things that put pleasure into owning a car. (Just look at the list!) It's the greatest year yet to get into a Chevy!

Softer, more silent ride with coil springs at all four wheels and new butyl rubber-cushioned body mounts.

Big brakes for quicker, surer stops. Rivetless bonded linings mean they last longer, too.

More room to relax in. Chevy sedans offer roomier seating than any car in their class. Lower, narrower transmission tunnel means more foot room.

Only full wraparound windshield among the leading low-priced cars.

Electric windshield wipers keep sweeping even when you speed up to pass.

Vent windows crank open and closed. So much simpler than fighting those tricky little catches.

Keyless locking of all doors. Quick and easy. The same key opens door, glovebox, trunk and starts the car.

Economy Turbo-Fire V8. Or how to get up to 10% more miles per gallon of regular and still have lots of "git."

Thriftest 6 in any full-size car. It's the '60 version of the engine that got 22.38 miles per gallon in the 1959 Mobilgas Economy Run.

Widest choice of power teams. 24 engine-transmission teams in all, with output up to 335 h.p.

A trunk that's made for long trips with up to 22.5% more actual luggage space. Sill's lower for easier loading.

Fisher Body craftsmanship. Look at the finish, the fabrics, the detail work. You'll see the difference.

Drive it—it's fun-tastic! See your local authorized Chevrolet dealer for fast delivery, favorable deals.

### FAIRVIEW

Well the old ground hog prediction has been holding out so far as we have been having a mixture of weather, we do not know what the next 3 weeks will bring forth.

Mr. Grant Baker who has spent the past 18 days in the Gettysburg Hospital expects to return home today (Tuesday). We owe our sincere thanks to God and the Doctors and Nurses for his return home to us. We are also glad and thankful that Mrs. Nellie Morningstar who had also been a patient at the same hospital returned to her home in Morristown one day last week.

Visitors in the home of Mrs. Grant Baker and Mrs. Charley Smith on Sunday evening were Mr. and Mrs. William Duble and son, and Mr. and Mrs. John Williams and daughter.

A surprise birthday party was held at the Manchester fire hall on Sunday evening, February 21, by Mrs. Shirley Carbaugh and son, Jeffery, in honor of her husband, John Carbaugh; this came as a complete surprise to John. A three tier Birthday cake was baked and decorated with candles by his Aunt, Mrs. Ted Albright. The hall was beautifully decorated in white and yellow for the occasion. Refreshments were served to about 70 relatives and close friends. At late hour all departed wishing John many more happy birthdays.

Mr. and Mrs. John Carbaugh and son, Jeffery were supper guest on Monday evening in the home of the former's parents, Mr. and Mrs. Levine Carbaugh and son, Luther.

The next meeting will be held on March 3, at the Conference Room.

### DIED

LLOYD C. BARTGIS  
Lloyd C. Bartgis, 70, formerly of Taneytown, died at the veterans hospital Fort Howard, Md., Saturday. He was a patient at the hospital one week. A son of the late Albert W. and Lydia Blickenstaff Bartgis, he was a member of St. Joseph's Catholic Church, Taneytown, and the Holy Name Society. He was a veteran of World War I. Funeral services were held Wednesday at 9 a. m. at St. John's Cemetery. Burial was in St. John's Cemetery. Frederick C. O. Fuss and son were the funeral directors.

ABRA—In Loving Memory of my two dear Brothers, KENNIE and CHARLIE.

Peaceful be thy rest dear brothers, It is sweet to breathe your names, In life we loved you dearly, In death we do the same.

Loving Sister,  
MRS. WALTER PARSELEY.

ABRA—A token of love to the memory of our two dear sons, KENNETH F. who died 12 years ago, on Feb. 24, 1948, and CHARLES W. who died 10 years ago, Jan. 16, 1950.

You were the sunlight of our home, Kenzie and Charlie  
Our light, our life, our all  
To know you was to love you,  
But you answered Jesus call  
Though gone, your not forgotten  
For our loss, is Heaven's gain  
And there some day, we even pray  
To join you once again.

Lovingly,  
MOM and DAD.

### "SPICE 'N' EVERYTHING NICE"

(Continued from first page)

ed "The Stein Brothers". They were able to save all the books and the Oriental rugs on the floors before the fire swept away the building at Light and Calvert Streets. And I recall distinctly this lady continued that every one was to turn off the gas ranges all over the city. The people were so frightened that they feared it meant the entire city was going to be burned! This lady at the time lived at 844 Konig Street. It was interesting to hear her talk about the fire but she added "no one ever knew the origin of it all!"

And this as to a wonderful VALENTINE—an only son (having seven sisters) came by Jet from California to be the "real" Valentine for his wonderful Mother who is 91 years young! That Jet was going 600 miles an hour and he brought along a huge box of candy in a heart shape design. Now, that little Mother won't let anyone even open the box to take a taste. What a thrill it must have been to see a real Valentine standing before her that day!

I was walking around an Organ Studio the other afternoon (HAMMOND) and as I walked out of the elevator, I heard one of those beautiful organs as though someone was practicing. I stood and listened and as I looked around one part of that room—there sat a young colored man at the organ so very interested that he did not realize anyone else was in the huge room. I knew there must be a story to that one for this Column! I moved a few steps closer to the organ and he turned around. "I know you must be taking lessons?" "Yes, I am just doing that right here until I know how to play and when I can afford one of these grand instruments, I am going to buy one on time and I am anticipating that day, I can assure you! They allow me the privilege of practicing until that day so I am in here daily and take one lesson a week lesson!" What I heard sounded as though he really was going places and I think you know just what I mean.

If you own a lot, Folks and contemplate building, you can save as much as \$5,000. "The Aladdin Company is the finest and the oldest in the country. Why not write for their booklet in colors in which there are all types of houses? The address is "ALADDIN HOMES" Bay City, Michigan. You will be glad about that one!

And if you have "hurty" feet by all means visit Dr. Grooms on the second floor in the 200 block of Liberty Street. Exact number and name Dr. Leo Grooms, 222 N. Liberty St. Just above Lexington One flight up and it will be the best flight of steps you have ever climbed as when you come down, you will feel as though you are walking on air! Never have I met a more gentle and kind man than that Chiropractor! You will be singing, "Happy Feet!" The Lexington Market Garage is still the same price as at Christmas—80 cents for the entire day! With Mr. Jos. Baracco as the Manager who is always so pleasant with those who park there.

And this for the Teen-ager! Ice skating is causing thrills and thrills at the Stadium—open daily and nights. Price is 50 cents and you can also engage your skates right there if you so desire.

Ladies, do you know that there are only 18 Calories in one spoonful of sugar?

Another letter to add to my famous collection—one from a man named STEVENSON telling me that he positively will not run again!

And there's to the "Deep Wells"—those dear hearts and gentle elderly Folks who have a condition of the eye called "Glaucoma" or "Cataracts" do not be alarmed for both can be cured. Your Observer spent five hours with a very dear friend of 75 years young in the hospital who had been terribly upset due to the operation. As I leaned over her bed when she came down from Surgery here is just what she said, "Nothing at all to it and I am going to have the other eye done today a week!" See what advanced Surgery means?

Yesterday, I interviewed a gentleman who had an interesting story to tell me as to how he became a salesman with the Stief Piano Company in 1915! Next week, Folks you will read that one in this Column: In the morning Your Observer had nerve enough to take an I. Q. test! And that was an odd one! More about that one later on. Have a grand week-end. Be careful when you drive. Be seeing you next week. Until then, I am,

## Christian Science Service

Christ Jesus' inspiring mission of healing and redemption will be the central topic at Christian Science church services this Sunday.

The Lesson-Sermon entitled "Christ Jesus" will include this passage from John (10:37,38): "If I do not the works of my Father, believe me not. But if I do, though ye believe not me, believe the works that ye may know, and believe that the Father is in me, and I in him."

And from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this citation will be read (26:14): "Divine Truth, Life and Love gave Jesus authority over sin, sickness and death. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man."

## National F. F. A. Week

National F.F.A. Week is observed during the week of the anniversary of the birthday of George Washington. It is out of deep respect and admiration for this leader in politics and farming that the Future Farmers annually observe their National F.F.A. Week at the time of his birth.

The purpose of F.F.A. Week is to focus attention on the work of the F.F.A. organization. This group of boys in Vocational Agriculture who are interested in farming, a total membership of 380,000 active members in 9,000 local chapters located in 50 states and Puerto Rico. It was organized in 1928 at Kansas City, Missouri, and granted a charter of incorporation by an Act of Congress in 1950.

Many F. F. A. Activities are designed to teach the boys to be outstanding farmers in connection with Vocational Agriculture. The organization offers awards for outstanding achievement in such fields as farm mechanics, electrification, soil and water management, different types of farming, judging and farm safety.

Local F. F. A. Chapters compete against each other in judging and other activities to stimulate good sportsmanship and learn the good and bad qualities of livestock. The organization also supplements the study of agriculture by providing experiences in leadership, cooperation, good citizenship, and many other activities to develop and take more interest in their work.

The Francis Scott Key Chapter of Future Farmers of America are participating in the National Celebration by presenting an assembly to the Francis Scott Key student body, Friday, February 26, 1960. The assembly will be a reproduction of an actual meeting and discussion of the F.F.A. Chapter also made several short radio announcements which are being presented over WTRR during this week.

## HIGH SCHOOL HIGHLIGHTS

(Continued from first page)

ernize the curriculum and to better meet the needs of pupils in our area. French will be offered for three years beginning this year. This, plus a new course which is being considered, will bring our school more in line with new thinking in education.

The tuberculosis patch test was administered to the tenth grade students by the county school nurse, Miss Garvin on Monday, February 22.

An operetta, "Up On Old Smoky," will be presented on March 11th and 12th in the high school auditorium.

The cast is as follows: Cindy - Sherrie Shealer; Sue Ellen - Sandra Shorb; William - Richard Clingan; Frankie - George Rue; Grandpa - Melvin Mills; Grandma - Jeannie Myers; Clem - John Rinehart; Marilyn - Faye Clingan; Gail - Brenda Myers; and Garry - Ronnie Dayhoff. The operetta is under the direction of Mrs. Jean Davis and Mrs. Jean Bowers. Tickets will be on sale in advance and at the door.

A Brotherhood Week Assembly was presented to mark the opening of Brotherhood Week by the Student Council and the faculty assembly committee. The Rev. William M. Hendricks, pastor of the United Presbyterian Church, spoke on Brotherhood in general. Christian Brotherhood was the topic of the Rev. Francis P. Wagner, pastor of St. Joseph's Catholic Church.

The remainder of the Basketball tournaments were played this week. On Tuesday our junior varsity played Francis Scott Key and on Friday the varsity played Robert Moton.

The F.B.L.A. met last Wednesday, February 17. Our guest was Mr. Murray Baumgardner from the Birnie Trust Company. He showed us a film entitled "A Future to Bank On". After the film, he told us the requirements for getting a job in a bank.

Mr. Francis Smith, eighth and ninth grade English teacher, had a poem, entitled "Lonely," accepted for publication by the National Poetry Association in its anthology of teachers' and librarians' poems. The poem is one of about four hundred chosen from more than eighty-five hundred manuscripts sent in by teachers, instructors, professors and librarians throughout the nation. The Anthology will be published in the Spring.

The annual Carroll County band and orchestra practices will begin this week at Westminster high school. Practice will be held once a week until the night of the concert which will be held April 8 in Westminster High School auditorium. The orchestra will practice on Monday evening and the band will rehearse Thursday evening.

Those selected for the orchestra from Taneytown are the following: Sandra Shorb, Dennis Baumgardner, Carroll Crum, John Shorb, and Ronald Baumgardner.

The following were chosen for the band: Sonia Hottinger, William Formwalt, John Hottinger, Judy Kiser, Bonnie Brown, Jean Myers, Peggy Fleagle, Donald Allender, James Carl, Benjamin Heilker and Thomas Lawrence.

The 1960 Betty Crocker Homemaking of Tomorrow in our school is senior Sandra Lee Shorb.

She received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating senior girls. She will receive an award pin, manufactured by Jostens and representing the slogan, "Home is where the heart is." Her examination paper will be submitted for competition with other high school winners to name the State Betty Crocker Homemaking of Tomorrow.

The test, which was prepared and judged by Science Research Associates of Chicago, was taken by a record number of 379,018 girls in 12,597 schools, and increase of 29,868 girls and 337 schools over last year.

Total enrollment the six-year-old \$110,000 scholarship program sponsored by General Mills has neared the two million mark (1,800,152). Alaska and Hawaii are participating for the first time this year.

Each State Homemaking of Tomorrow will receive a \$1,500 scholarship and an educational trip April 23-29 with her school advisor. The tour will include New York City and Colonial Williamsburg and will culminate with the American Table Banquet in Washington, D. C. on April 28, at the Statler Hilton Hotel, where the All-American Homemaking of Tomorrow will be announced. The runner-up in each State will receive a \$500 scholarship; the school of each State winner will be given a set of the Encyclopedia Britannica.

The scholarship of the All-American Homemaking of Tomorrow will be increased to \$5,000. The second, third and fourth ranking Homemakers of Tomorrow in the nation will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

Sandra is the daughter of Mr. and Mrs. Kenneth Shorb, Baptist Road, Taneytown. In addition to being a regular member of the honor roll, she is quite active in the music department of T.H.S. For four years she has been a member of both the Mixed Chorus and Orchestra, holding the office in the latter of treasurer in 1957 and 1958 and of secretary in 1959. She represented the school at the 1958 and 1959 sessions of All-State Choral Workshop at the University of Maryland. She is also a member of the piano club and the Seven-Teens. During her high school years she has been active in both F.T.A. and F.H.A., having held offices in both organizations. This year Sandra holds the position of this 'N' that columnist in the Taneytown staff and is assistant editor of the 1960 Talian. After graduation in June she hopes to go to college.

## Their 4-H Demonstrations Paid Off

Two Maryland girls were 1959 state winners in 4-H dairy foods and bread demonstration projects.

The Cooperative Extension Service announced that Ruth Ann Payne, 18, of Gaithersburg, Montgomery county, was the individual dairy foods demonstration winner, and Dorothy Billmeier, 16, of 318 Market, Denton, Caroline county, individual bread demonstration winner.

Miss Payne's award was a 19-jewel wrist watch from the Carnation Co. A \$50 U. S. savings bond was awarded Miss Billmeier by Standard Brands.

For her winning dairy foods demonstration, Miss Payne made cheese cake and explained the food values of dairy products. Dozens of ribbons have been awarded to her for cooking, preserving and sewing.

A nine-year 4-H'er, she is treasurer and past president of

Miss Payne

Miss Billmeier

the Laytonville Senior 4-H Club. A daughter of Mr. and Mrs. Jack Payne, she is a Gaithersburg High school senior.

Miss Billmeier's winning bread demonstration was a fluffy sponge cake.

Miss Billmeier is past president of the Concord Chipmunks 4-H Club and junior leader of the Denton Midgets.

A Caroline High school junior, she plans to study optometry. She is the daughter of Drs. A. G. and C. E. Billmeier

### Good Soldiers

Lesson for February 28, 1960

MAYBE too much is said about the peace and joy of the Christian life. Peace and joy there are, to be sure; but hearing about nothing else may give interested persons the notion that being a Christian is just like floating on your back in a sunlit swimming pool, half asleep. On the contrary, the Christian life is more like a swim across the English channel, fighting current, waves, cold and hunger. If you're not prepared to swim against the tide, you'll never make it. Saint Paul more than once used language about the Christian life that make it sound like a fight. He compares it to a race (2 Tim. 4:7), to a boxing match (same verse), to a wrestling match (Eph. 6:12), to a war (Eph. 6:10f), to a battle with wild beasts (1 Cor. 15:32). He urges his young friend Timothy, who was a bit of a mother's-boy, to take his share of suffering like a good soldier of Jesus.

Dr. Foreman

### Where the Fight Starts

If this world were the kind of place that would give no trouble at all to a real Christian, it would not be the world that needed to be "saved." It is precisely because the world does not welcome 100% Christians that it did not welcome Jesus; it is definitely the hostility of the world that brought Christ here to endure the Cross.

Jesus did not go around picking on the world, and the Christian has no business picking on it, either. The way to be a good soldier of Jesus is not, usually, to start firing at will. There is enough fighting to be done without picking fights.

Consider the story of Paul's arrest at Jerusalem. It wasn't exactly arrest, it was being taken into protective custody to keep from being beaten to death by a lynching-mob.

What caused the uproar? Slander caused it, for one thing; Paul was accused of sacrilege, defiling the Holy Place, which he had not done at all. Prejudice caused it, including race prejudice; Paul was accused, truthfully enough, of being friendly with Gentiles. There were other factors, but already we can see the kind of cause that can always be found back of opposition to Christians: Accusations of which Paul was innocent, and hatred of the very thing he did that was good. The Christian will at times be misunderstood, but even when he is fully understood he still may be a target for broken bottles.

### Enduring

There is one very important difference between Christian "warfare" and literal war as carried on in the modern world. The GI or other soldier at the front carries a deadly weapon. He goes after the enemy by bringing him pain and catastrophe, he destroys him if he can. The Christian soldier carries on his war by turning the enemy (Satan) into a friend. He fights not by inflicting suffering but by enduring it. Paul being beaten by the insane mob was not fighting back. He would not have done it if he could. He wrote to friends that he carried the "marks of the Lord Jesus" about with him, and he meant literal scars. Read what he says about his trials in 2 Cor. 11:23-28.

### Witnessing

The other way the Christian soldier fights is by simply witnessing. It is an impressive sight. Paul with his clothes torn, himself bleeding and in fact half dead, looking more like an Egyptian bandit than a Roman citizen, quieting the crowd with a gesture, and then in their own language telling the story of how he became a Christian. That took courage. It was really his being a Christian that started the trouble. But this is what he will not tone down or deny. The Christian warfare is by witnessing. Let no one say this is all talk, that talk is cheap and easy, that nobody is going to lynch you for being a Christian in America today. Isn't it true, disgracefully true, that many Christians keep quiet about it? Stones are not thrown today; but laughter is. Don't Christians dread ridicule almost as if it were gunfire?

## Maryland 4-H Alumni Given Plaques

Clark

Mrs. Hyde

Phelps

Mrs. Seibert

Four Maryland residents have been honored as "outstanding former 4-H Club members" in the 1959 national 4-H alumni recognition program conducted by the Cooperative Extension Service.

They are John Clark, Bel Air; Mrs. Albert A. Hyde, La Plata; R. Nelson Phelps, Pott Spring Rd., Timonium, and Mrs. Elmira Seibert, West Friendship.

Each received a burnished copper plaque donated by Olin Mathieson Chemical Corp., Plant Food Division.

A one-time farm boy who became an attorney and member of the Maryland General Assembly, Clark is noted for sponsoring legislation to benefit farming and public health.

As a 4-H Club member he was interested in swine, dairy and crops, was a member of the 4-H dairy judging team in 1929 and the University of Maryland college judging team in 1933.

As a member of the Legislature, he sponsored laws for soil conservation, forestry conservation, testing and weighing of

milk at dairies, fresh eggs, standards and grades for farm commodities, water pollution and ice cream.

Mrs. Hyde was a 4-H Club member for four years in Prince George county. As volunteer leader of three 4-H Clubs in the last five years, she has helped many 4-Hers complete a variety of projects.

She organized a 4-H riding club and arranges horse shows. Phelps was known "as one of the most outstanding supporters of 4-H Club work in Maryland. He is executive secretary of the Maryland state fair board.

A 4-H Club member for six years in Baltimore county, Phelps was a fighter pilot in the European theater in World War II and holds the rank of colonel in the reserve.

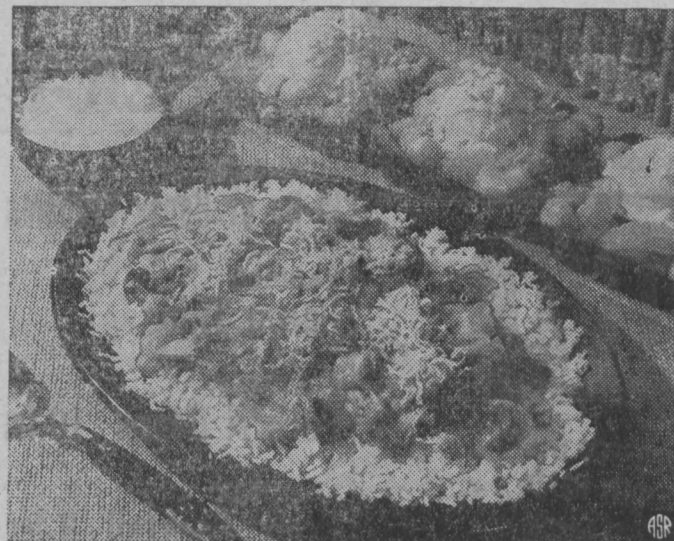

Mrs. Seibert started 4-H Club work at the age of 12 in Howard county.

She describes herself as "a mother, a housewife and head manager and dietitian of the Glenelg Junior and Senior High school."

## Couple Curry With Coconut!

Take advantage of low-priced poultry and serve delicious tempting duckling in curried mushroom sauce to guests, or to your family. For the perfect, traditional accompaniment be sure to have bowls of spicy chutney and flaked coconut, plain or toasted. As the English would say, this dish is "ducks" to prepare! And for dessert we suggest fruit-flavored sherbet or ice cream surrounded by quick-frozen melon balls and fresh Florida orange sections.

### Curried Duckling with Coconut

- |  |  |
|--|--|
| 1 duckling, 4 to 5 pounds (ready-to-cook weight) | 3 tablespoons butter or margarine      |
| 1 3/4 cups duck broth                            | 3 tablespoons finely diced onion       |
| 2 tablespoons cornstarch                         | 3 tablespoons finely diced celery      |
| 1 teaspoon salt                                  | 1 1/2 cups (about) Angel Flake Coconut |
| 1 teaspoon curry powder                          |  |
| 1 tablespoon lemon juice                         |  |
| 1 can (3 ounces) sliced broiled mushrooms        |  |

Cut duckling in quarters and cook, with giblets, in 1 quart salted water over medium heat 30 minutes, or until tender. Let duckling cool slightly in broth. Remove skin and discard. Cut meat from bones and dice. Dice giblets. Pour off fat and measure broth; add water, if necessary, to make 1 3/4 cups. Combine cornstarch, salt, and curry powder; add broth gradually, stirring until blended. Cook and stir over low heat until sauce thickens and is clear. Add lemon juice and mushrooms.

Melt butter in skillet. Add onion and celery. Cook over medium heat, stirring often, until tender, about 2 or 3 minutes. Add diced duckling and giblets and heat about 5 minutes, stirring lightly. Add mushroom sauce and heat thoroughly. Stir in 3/4 cup of the coconut and heat a few minutes longer.

Serve duckling over rice and sprinkle with remaining coconut. Makes 4 to 6 servings.

## LIONS MEET

(continued from first page)

sented Landon C. Burns, County agricultural agent. Mr. Burns extended a few words of greetings to his many friends and introduced the speaker to whom he had suggested the title of his address — Arthur B. Hamilton, Professor of Economics at the University of Maryland, College Park, talking on the subject, "Your business today and tomorrow". The aspect of this broad topic on which Professor Hamilton chose to concentrate was the importance of making a will. If one does not make a will, Maryland law prescribes just how one's estate is to be handled, and a chart entitled "Maryland Interstate Distribution" was made available for the asking. He cited the example of the Rev. Peter Marshall, Senate chaplain, whose story appeared recently in Readers Digest, and who had thought that naming his wife beneficiary of insurance took entire care of the matter. Then there was the man who had just gotten his home paid for who was killed and had had everything in his own name. His parents came in for one-half of the estate, even though they were not on speaking terms with the son and daughter-in-law at the time of his death. The imaginative titles his students gave to the dry word "Will" reveal the urgency of making a legal testament, e.g., "It's later than you think", "What's left in the kitty?", "When Gabriel blows his horn, where will you be?", "You can't take it with you", or "Are you working for Uncle Sam?"

Several questions to consider when drawing up such a document are: "What are you doing to keep your property in the family?" or "Will that property be divided the way you want it done?" There is no fight between two Tomcats that is nastier than the squabbling among families eager to participate in an estate. Another question should be, "Are the sons and daughters treated fairly?" For example, those who stay at home are generally thought entitled to a greater share, but the state law specifies equal distribution in the absence of specific intentions expressed in a will. Lastly, "Do you realize that sometimes the Federal tax may be quite high, and that you may save a lot if you plan your business today, for tomorrow, so that you are not working for Uncle Sam?" As an illustration, the tax on a \$150,000 estate, to take a figure at random, may vary from \$1,500 to \$25,000, depending on how one plans.

The talk was brief, absorbing, to the point, and enlivened by anecdote. He concluded with the reminder, "It may be much later than you think".

At the directors' meeting which followed, the proposal of Stanley Taylor, Boy Scout Organization and extension committeeman for Carroll district, made at the last club session, was considered. This involved the formation of an Explorer Post in Taneytown, where none now exists. After some discussion, President Riffe appointed a committee to examine the feasibility of such a project, naming Murray M. Baumgardner, Hottinger, and Wilbur O. Thomas to report later.

Committees named to date for the March 8 public Shrimp and oyster feed, in Crouse Motor Sales garage, are: Food, Dougherty, Curtis G. Bowers, and Riffe; beverages, J. Alfred Heltebride, Charles I. Little, and Orville E. Keefer; fried chicken, Donald R. Baker, Raymond W. Baker, E. Gregg Kiser, and David B. Shaum; potato salad, Carroll L. Wantz, Kenneth R. Gilds, Reindollar, and Ralph W. Stonesifer. Other committees and additions to the foregoing will be announced in the next bulletin, The Tawny Lion under Donald R. Lawver's editorship.

## Increased Electric Rates

The City of Memphis (Tenn.) has increased its electric rates 18.5 percent to keep the city's new \$121,000, 000 steam plant operating on a sound financial basis.

It was this steam plant that was built three years ago to replace the proposed plant to be built by a combination of business-managed utility companies. President Eisenhower on July 11, 1955 cancelled this so-called "Dixon-Yates" contract upon receipt of information that the City of Memphis would build the plant.

The raise in rates is effective immediately, according to United Press International.

The rate increase hits the residential users the hardest. Some will pay as much as 39 percent more for their electricity, according to the press association. Industrial users were hit with the smallest increase, about 11 percent.

Ray Morton, president of the Memphis Light, Gas and Water Division, had told a special hearing to the city commission that the utility faced a \$6,800,000 deficit in 1960.

## Tuberculin Testing Program

The Carroll County Tuberculosis Association is currently cooperating with the Carroll County Health Department in its Tuberculin Testing Program.

It is planned to conduct tuberculosis tests in the eight senior high schools throughout the county. Only those tenth grade students whose parents sign the request form will be tested. The test will be given by the Public Health Nurses.

Educational materials are being supplied by the Tuberculosis Association. The filmstrip "Decision - Tuberculin Testing" will be shown to all the students at the time the request slips are given them by the nurses. This film is available at the office of the Carroll County Tuberculosis Association for showing to PTA's and other interested groups.

## LETTER TO THE EDITOR

Mr. C. L. Stonesifer  
Carroll Record  
Taneytown, Maryland

Dear Mr. Stonesifer:

The Heart Association of Maryland has come to rely on the Carroll Record as one of our most important media of education of the public about heart disease. Your unfailing cooperation has been a considerable boon to our efforts to provide the best available information to the public about the heart and its health.

This week, the Heart Association will be conducting its annual door-to-door collection in the Taneytown area for support of our activities in heart research, education and community programs.

I am asking your help in this. With this letter are several small mats which, used in your newspaper, would call the public's attention to our needs and the immense importance of the Heart cause.

I would appreciate your consideration of these for publication in your issue of February 26th.

Thank you.

Sincerely,  
Robert W. Thompson  
Director of Public Information
