The PTA Magazine sales, with Mrs. Emma Devilbiss reporting, that there were 22 subscriptions sold so far.

Mr. Kenneth Stonesifer represented our PTA in September at the Carroll County Council of PTA. He gave the highlights of that meeting.

Mrs. Martin Zimmerman announced and urged all to "talk-up" and help with our Turkey and Oyster supper to be held in the Elementary Cafeteria Saturday, October 20, beginning at 4:00 o'clock.

Several special numbers were rendered. A piano solo, "Track Meet," by Barbara Morrison; two violin solos, "Melody" and "English Morris Dance" by Barbara Hitchcock accompanied on the piano by her mother, Mrs. Fern Hitchcock.

The meeting was then turned over to the program chairman, Mr. George Fream, who introduced the County Commissioners, Mr. Edmund L. Carr, Mr. Charles Saylor and Mr. Francis Crawford. Mr. Carr gave a very informative report on the duties of the County Commissioners and explaining the budget. I'm sure all of us are much more aware of what our money is being used for after hearing these facts and figures.

A skit entitled "The Case of Citizen Smith" was given. The following took part: The Judge, John Harner; The District Attorney, George Fream; Citizen Smith, Herbert Bowers; Two Plymouth Pilgrims, Mrs. Mildred Stine and Mr. Glenn Bollinger; Thomas Jefferson, George Naylor; Abraham Lincoln, George Motter; Andrew Johnson, Robert Waddell; Two school students, Theresa Zent and Sharon Kelly. This stressed the fact that each of us should use of privilege to vote, as every vote counts.

Again — Don't forget our PTA supper this Saturday evening, and plan to attend the next PTA meeting November 20.

The meeting adjourned and refreshments were served in the cafeteria.

COUNTY COMMISSIONERS LETTER TO SUPT. JENNESS

Dear Mr. Jenness:

In your letter of October 9 to us you mentioned three projects of need additional classroom facilities for elementary schools, as follows:

(A) An addition of perhaps six classrooms and modification of the sanitary facilities at the Sandymount School. You say these additional classrooms will be particularly needed in September, 1963.

(B) An addition of perhaps four classrooms and a library at the Freedom District Elementary School.

(C) The construction of a new elementary school of six rooms, with cafeteria and administrative facilities, in the Oakland Mills-Liberty Dam area.

Your estimate of the cost of these three projects indicates a maximum of \$375,000.00.

Since receiving your letter our Board has given appropriate consideration to the requests made, and as we are personally familiar with the increasing numbers of elementary school pupils in these areas, we unanimously approve all three projects, but with these suggested amendments, provided they have the approval of your Board:

(A) We would approve the construction of EIGHT additional classrooms at the Sandymount School, instead of six, as recommended by you.

(B) You may consider this as your authority to increase the number of additional classrooms at the FREEDOM DISTRICT ELEMENTARY SCHOOL from the recommended FOUR to a maximum of SIX.

(C) It is our feeling that if you have in contemplation the need for more than six rooms in the proposed Oakland Mills-Liberty Dam area within a reasonable time hereafter, that you should plan this new school to have EIGHT classrooms, with cafeteria and administrative facilities, instead of the SIX recommended, and with these suggested facilities, including the necessary utilities, to be planned large enough for additional classrooms in the future.

In all probability, if you increase the construction by two classrooms in each of the three locations, the additional cost would not exceed \$125,000.00, making the total estimated cost \$500,000.00, and we are ready to commit these funds, or such part of them as you feel you will require, immediately upon having your reply.

Our investigation of our financial circumstances at this time has indicated that we can do this through the use of certain construction reserve and contingency accounts now in our hands, and without the necessity either of borrowing money or levying additional taxes.

High School Consolidation

You mentioned in your letter that your Board "has directed that continued planning take place in connection with acquiring land and planning for a joint high school, but we are not at this time engaged in definite planning other than for the acquisition of the land."

We understand this to mean — although you have not heretofore mentioned the matter to us — that you actually have in contemplation the consolidation of the Sykesville and Mt. Airy Senior High Schools.

We seriously question the wisdom or advantages of such a merger — if there are any advantages — and the present members of this Board would have to be convinced that such a proposed consolidation would be in the public interest, and that it has the sanction and approval of a majority of the citizens in the areas affected, before appropriating the necessary funds either for the purchase of the land or the construction of such a consolidated High School.

The members of this Board still continue to favor the judgment exercised by you in acquiring the thirty-acre site at Eldersburg for the future construction of a Senior High School to supplement or replace the new High School at Sykesville, when the school population of Freedom District requires such a high school facility.

You will remember that when this thirty-acre site was acquired part of the consideration therefor was our agreement to pave the Johnsville county road, upon which the site is located, and in fulfillment of the obligation on our part, that road now has been paved. It would not have been needed for many years in the future, except for such a school. Just why your plans in 1958 to build a High School on that site now have been abandoned in favor of another location for a consolidated school we have not been made to understand.

Sincerely yours,
Edmund L. Carr,
Charles W. Saylor,
Francis J. Crawford,
County Commissioners
of Carroll County.

Senior Girl Scouts Complete Five-Point Program

The Senior Girl Scouts of Taneytown Troop #723 have completed work on the Five-Point Program, which serves as a springboard into future Senior Scout activities. The girls have worked on this program for one year and they have covered the five important elements in Senior Scouting. These are: Camping, Service, Emergency Preparation, Knowledge of the Girl Scout Council and Special Hobbies.

First of all the Scouts of this troop have always been keenly interested in camping. As Intermediates, they worked very hard to clear out and to establish their own primitive camp site, Camp Shawnee. Last Summer the girls and their leaders spent four days living in the out-of-doors, using their camping skills and demonstrating their increasing knowledge and proficiency in the arts of primitive camping.

As a service project, the girls decided to do special things for the residents of the Carroll County Home, in Westminster. Last year at Christmas time, on St. Valentine's Day and again at Easter, the Scouts made special treats and took them down to the Home. This project made the girls more aware of the needs of other people. It also helped them to carry out that part of their Girl Scout Promise which says, "On my honor I will try to help other people at all times."

Along the lines of Emergency Preparation, the troop was privileged to have as its speaker last Spring the County health nurse, Mrs. Jean Fiscus, had previously spoken to the girls about the Girl Scout Council. She explained how it is organized, who it consists of, and how it helps the Girl Scouts in the community. Additional reading has also been done on this subject.

Their former leader, Mrs. Jean Fiscus, had previously spoken to the girls about the Girl Scout Council. She explained how it is organized, who it consists of, and how it helps the Girl Scouts in the community. Additional reading has also been done on this subject.

Most of the girls in the troop are interested in music, dancing and dramatics. In line with expanding these interests, the girls saw the Lerner and Loewe musical, "Camelot" while in N. Y. City. They also plan to develop these interests more during the coming year.

The Scouts are now ready to receive their Five-Point Pins. They are looking forward to even bigger and better things in Senior Scouting.

Members of the troop are: Carol Rensburg, Nancy Wagny, Marian Dunham, Virginia Fink, Fay Hilterbrick, Joan Cassell, Carol Piezonki, Robin Fair, Diana Fair and Joan Clingan. Their leader is Mrs. Theodore Fair, The Co-Leader is Mrs. Thomas Cantwell.

"MEET THE CANDIDATE" NIGHT HELD

The Taneytown Jaycees held a "Meet the Candidate Night" in the Taneytown High School Auditorium on Thursday, October 11, 1962. The program started at 7:30 P. M. with the introduction of each candidate who in turn gave a brief campaign speech to the public.

The representation of the candidates running for public office in Carroll County was most gratifying to the Jaycees. It was generally agreed that this was a profitable evening for all, however the turn out of the public was anything but desirable.

Following the program a brief business meeting was held with reports and discussions. The next Jaycee meeting will be held Nov. 8, 1962.

ENGAGEMENT ANNOUNCED

The engagement of Linda Lee Bowers to James B. Storey, son of Mr. and Mrs. Joseph W. Storey, R.D. #1, Union Bridge, has been announced by her mother, Mrs. Mary V. Bowers, R.D. #1, Westminster, Md.

"SPICE 'N' EVERYTHING NICE"

With all my heart, I wish you every morning
A smile that shall last until the next day's
dawning.
I wish you health—life's greatest wealth;
I wish you always near so that I may help
to cheer
Each future day and in some way—help to
bring you happiness!

The beautiful waltz of "The Blue Danube" is playing on the Hi fi and it brings back other days!

Just picked the lovely blood red Dahlias for the dining room centerpiece and it appears so gay. The visit of my youngest son with his four children was a special visit and a delight. We drove over to the GEM store which was my first visit and I cannot truthfully state that you save dollars as to the purchases as one furniture man to whom I made inquiries stated that Sears Roebuck is their biggest competitor.

Have started the rolling again, Ladies for the Winter and for the P O U N D S! That truly is the best exercise for me. Try it, for it makes you feel like a million dollars and then some!

Did you see and hear Nixon on the TV on Sunday? He truly is a polished Statesman and speaks so beautifully. Such foolish questions were thrown at him—for instance, "Mr. Nixon, they say you are a different or a new man. Is this true?" He grinned and laughed a bit and said that the only thing he thought was new was his hair was receding a bit and that the public did not take time to really know the Nixon before! Cute?

As to those wonderful canned clams and juices, it was a Mr. James Harvey Dorse who was most progressive in the canning business with all the products he raised and then he started canning C L A M S. That was the year of 1860. He started first with selling a new marine delicacy which he labeled American Lunch — fish, he called to compete with imported sardines. They were called, "BUNKERS" and that was the year 1872. They say this meat is the sweetest of any fish. And finally this dish was so palatable and became so popular as his canned clams.

I do not know how many of you were in Baltimore on Monday, which was the most sacred and Holy Day of the Hebrews. The story is a beautiful one! Well, it was as though a bomb had struck the town as all the Jewish people were in their Temples praying and fasting for the entire day. As I walked along I thought of the poem by Longfellow: "Oh, what would this world be to me if you were no more? I should dread the desert behind me—worse than the dark before!"

It would not be a world without the Jewish people!

My Minister used to love to work in their homes as to the plumbing he did on the side to make ends meet. He used to come back and tell me about it all—how substantial they were and the great love the children had for their parents! Their beautiful home life and etc!

Don't forget the "Goodwill Industries," Mrs. Housekeeper when you are housecleaning. If you only knew what happens to the things you give regardless of the articles. Handicapped people are employed to repair and that way earn a livelihood, otherwise they would not be able to secure any position. Why not take your organization down sometime and visit the place? A Guide will show you through and to every detail. God Bless all those dear Souls!

How nice it was to taste the sweet figs from the neighbor's tree which throws out figs weekly.

Christmas surely is getting to show more and more daily in the stores!

Hope you agree that the "Gary Moore Show" is nothing without that cute trick Carol Barnette. And this is to the teen-agers—hope you and you did not miss the Dick Powell Show, "Run 'Till it's Dark!" and that all about SPEEDING YOUNGSTERS. Death took the hand in the end!

Don't forget to have a Halloween party. Those parties always seem to be the best of all, especially when the guests come in dress and masked. You can make it most interesting for the entire evening. Be sure to have records for dance music and roll up the rug! Sandwiches are always best for the adult parties rather than ice cream and cakes.

Have a grand week-end, folks. And remember always the Three Rules for Happiness—Something to do, Someone to love and Something to hope for! Until next week D. V.

I am,
Faithfully,
Your Observer.

BRIDAL SHOWER

A very delightful Surprise Bridal Shower was given Miss Deletha Wiley, daughter of Rev. and Mrs. William Wiley, on Friday, October 12, at 8 P. M. in the Parish House of the United Church of Christ, Taneytown, Md. In addition to the women of the Taneytown Church the women of the Keyville United Church of Christ were invited. The event was arranged by the Women's Guild of the Church and about 100 persons were present.

The dining hall of the Parish House was tastefully decorated in blue, pink and white bells, paper ribbons and flowers. After the bride-to-be and her fiancée opened the beautiful and useful gifts numbering at least 100, refreshments were served consisting of ice cream, cake, punch, nuts and mints.

WOULD YOU BE CONSIDERED A GOOD MANAGER?

—Let's suppose that your salary is \$8200 a year, that you are almost \$30,000 in debt, that last year you added \$360 to your indebtedness, that this year you are going \$700 deeper in debt, and that despite your financial position you loan friends money which you never expect to get back, and even hand out many lavish gifts, bought with borrowed money. And suppose that, with the urging of concerned relatives, you draw up a budget, but instead of reducing expenditures you decide that you will spend \$340 more next year than this year. You excuse yourself for doing this on the assumption that you will get an annual increase in salary. You expect to make more, and so you plan to spend more, giving no thought to paying off any part of the \$30,000 indebtedness, though the interest is costing you around \$100 a month and is growing. Would you be considered a good manager? No, indeed! You'd be headed for serious trouble.

Well, add seven naughts to these figures and you've got a pretty accurate picture of the financial situation of your Uncle Sam.

"Clean-burning" makes heating oil reliable...economical. And Gulf makes the cleanest-heating oil yet developed.

Get peace of mind heating this winter the way so many other wise families do . . . with Gulf Solar Heat.

Just set the thermostat and forget about your oil burner. Clean-burning Gulf Solar Heat assures you steady, even, uninterrupted heat.

Gulf's secret is "Gulfining," an exclusive process that in effect "scrubs" away impurities with hydrogen. It's "Gulfining" that makes Solar Heat so clean and gives you more usable heat per gallon.

MRS. GOLDMAN FINDS PHONE SAVES 21 HOURS OF TIME AND TRAVEL IN TWO WEEKS

Mrs. Daniel Goldman, of Baltimore, recently completed a two-week "diary" of her family's telephone calls. For each call she also estimated the amount of time, travel and money that was saved by telephoning. At the end of two weeks, the Goldmans' telephone diary showed savings of 21 valuable hours, 293 miles of travel and \$22.38.

Mrs. Goldman, who is the mother of four young children (all under ten years) and is active in charitable and community affairs, finds her telephone invaluable. She says, "I don't think our family could accomplish two-thirds of the things we do without the telephone."

What would a telephone diary show in your home? You'd probably find, too, that your phone does far more for you . . . than the little it costs.

EXCITING! GO '63 CHEVY II

Nova 4-Door Station Wagon

SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES

What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including three wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too (with a bit of freshening here and there). The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the brakes are self-adjusting. The new Delcotron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher

beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's.

DETOUR-KEYSVILLE

Congratulations to the newly-weds, Mr. and Mrs. Thomas Hugh Engel, who were married at Keysville Lutheran Church on Sunday the 14th of October. Mrs. Engel was the former Miss Rebecca Wilhide, daughter of Mr. and Mrs. Clyde Wilhide of the Keysville-Taneytown Rd.

Lutheran Church Women, please note: World Community Day is to be observed on Sunday, November 4, at the Taneytown Lutheran Church. As our part, we are to supply sewing needs to go into Sewing Bags which are being made by Mrs. Kathryn Stine and Mrs. Ellen Kiser. In the event you were not at the last meeting, or have forgotten the list of items, here they are: spools of thread, needles, scissors, thimble, tape measure, snaps, buttons, binding tape, embroidery and crochet cotton and hooks. Please have your donations to Mrs. Stine or Mrs. Kiser by the first of November so they can fill the bags before the Service. Thank you.

My request for items about the Keysville Reformed Church brought the information that the proper name of this Church is now The United Church of Christ. The Reformed and Unitarian Churches have merged together into one, and this is the name they have chosen.

One other note about this Church is their Supper is to be on November 17 from 3:30 P. M. on.

Speaking of Churches, the Mt. Taber Church in Rocky Ridge is to have Mortgage Burning Services on Sunday afternoon, October 28 at 2 P. M. Can't you just imagine the joy of this congregation?

Larry Dougherty had a Sunday afternoon visit with his parents, Mr. and Mrs. Carroll Dougherty of Detour, Maryland.

Mrs. Emory Yoder and the Misses Ada and Elizabeth Yoder were weekend guests of the Carroll Wilhide family Sunday afternoon guests at this same home were Mr. and Mrs. John Schilling and Rebecca and Mr. and Mrs. Robert Harrell and Teresa of Baltimore. All these folks then attended the Engel-Wilhide wedding Sunday evening.

Sunday was such a lovely day; it brought out a number of "drop-in-for-awhile" guests in this area. At the home of Mr. and Mrs. Richard Wilhide, it was her aunt and family, Mr. and Mrs. Warren Middlekauff and son of Hagerstown, Md. At the William Fleharty home, it was Mr. and Mrs. Leslie Mason and two sons of Harrisburg, Pa. Mrs. Mason and Mrs. Fleharty were high school friends. In the evening, Mrs. William Burr, Sr. and son, William Burr, Jr., also visited with the Fleharts.

Mr. and Mrs. Roger Wiley and Mrs. Floyd Wiley visited with Mr. and Mrs. Ross Trout of Stuartstown, Pa. Master Randy Weishaar, son of Mr. and Mrs. William Weishaar of the Forest and Stream Club Road, had a sixth birthday on Sunday the 14th of October.

Mr. and Mrs. William Weishaar and sons, Randy and Larry, as well as Mr. Elwood Hobbs of Keysville, attended the wedding of their cousin Miss Nancy Slenker to Mr. Harvey Slaseman at Mr. Wolfe, Pa., on Sunday afternoon of the 14th. The Weishaar's daughter and son-in-law, Mr. and Mrs. Paul Wildesin of Reisters-town, were attendants in the wedding. Mrs. Wildesin (Sandra) was a bride-maid and Paul was an usher.

Week-end guest of the William Fleharty family was her sister, Miss Carol Wolfgang of Washington, D.C. Mrs. Ellen Smith, Mrs. Floyd Wiley and Mr. Norman Wiley called on Mr. and Mrs. Robert Duncan.

Used clothing in good condition can still be donated to the Lutheran Church Women's drive which lasts through October. Just place the clothing in the vestibule of the Sunday School Building. It costs the organization 8 cents per pound to mail this clothing thru the Church World Service Center. To help defray this cost, a jar has been placed in the Church Vestibule as well as on the table in the Sunday School Vestibule for donations. If you have no clothing to donate, perhaps you could help in this way?

Mrs. Ellen Smith, who spent some time with Mrs. Floyd Wiley of Rocky Ridge, returned to her home in Drexel Hill, Pa.

It was my pleasure, at the Engel-Wilhide wedding, to meet Mrs. Baxter Haugh of Clear Spring, Md. Mrs. Haugh is an aunt to the Wilhides and a sister-in-law of Mrs. Coral Cover, formerly of Detour, who now lives with her daughter in Rochester, N. Y. Since I had mentioned Mrs. Cover's card previously, Mrs. Haugh knew that I am also acquainted with her. It seems this column is widely read in Clear Spring, too, so anyone with items of interest to folks there can save some letter-writing by adding them to the column. How's that for a request?

With grateful thanks and much appreciation to Richard and Cassie Wilhide for "taking-in" Wayne, Ellen, Bruce and Diane, Mr. and Mrs. William Fleharty had themselves a four-day vacation. They stayed at the Swiftwater Inn in the Poconos, Pa., Monday night and went on to Corning, N. Y., on Tuesday to tour the Glass Display there. Wednesday, on the way to visit her father and step-mother, Mr. and Mrs. Elmer Wolfgang of Ginter, Pa., they also stopped at Wellsboro, Pa., to see "Pennsylvania's Grand Canyon." With the fall colors, this was really quite a lovely and impressive sight. Thursday found

them "glad to be home and reunited with their family."

The Terra Rubra Girl's 4-H Club held its meeting October 11 at the home of Helen Fossett. The girls were led in the 4-H Pledge by Barbara Green. Barbara also led the group in singing "Nobody Knows the Trouble I've Seen." There were 11 regular members, 3 leaders and 3 prospective members—Misses Debbie Renner, Kathy and Debbie Grimes of Detour—present. Each girl answered Roll Call by reporting on her project work and was then reminded of important dates to mark on her calendar. These dates are:

Oct. 19—Special Interest Workshop, Ag. Center, 9:30-3:30. This includes (a) Learn how to knit. (b) Refinishing furniture. (c) Drying Flowers, and (d) More about decorative embroidery stitches.

Nov. 6—Cottage making at County Office Building.

Nov. 10—County Officers Training Workshop.

The Club then voted to send two girls, Donna Six and Mary Jane Smith, to the Farm-City Week Banquet which will be held at the Ag Center early in November. Four other girls, Joan Thomas, Helen Fossett, Beverly Harding and Joan Bowman, also plan to attend.

Helen Fossett then gave a demonstration on how to make a Jelly Roll. Games were played and the meeting adjourned. Refreshments were served in keeping with the Halloween theme.

Some of our folks have had colds, but the weather has been beautiful, warm balmy days like Summer time have returned in October.

The farmers have been busy with picking corn and sowing grain for another harvest. Autumn is a lovely time of the year as Mrs. Hilda Clark Fairchild writes in this little poem,

Here's to the season of jewels and crowns,
To bittersweet clusters of orange hue,
To woodbine scorns that charm the avenue,
To maples gayly dressed in Autumn reds,
To wayside sumacs flaunting flaming heads,
To asters dotting fields with Fall's pale blue,
While Elm trees drop their twany leaves to you.

A VOICE FROM CARROLL

Miss Rachel Carson has written a book titled "Silent Spring" which is creating quite a storm because it deals with a subject with which we are all familiar . . . chemical pesticides. In the book Miss Carson tries to show that if we continue to use these chemicals, at some future date, spring will come but there will be no birds, no bees, no wild animals and maybe not even man to herald spring. When DDT was first put on the market and was used before it had really been tested for safety, hundreds of wild animals and birds were destroyed. Skunks, foxes and bees were the first victims here in Carroll. Anyone with a garden or orchard knows that sprays are a must if one is to reap anything for his labor, but we are inclined to agree with Miss Carson that too many pesticides are being used. The results may be like burning a barn down to get rid of the rats.

Volunteer services. What would we do without them? Too little is written about the men, women and teenagers who give their time and services without pay. These include workers in the field of medicine, in politics, the teaching profession, fire safety, Scouting and many, many others. At this time of year volunteers play a great part in the Christmas Seal Campaign put on by the Carroll County Tuberculosis Association. They earn our year-round gratitude, for it is through their work that the vast quantities of seal campaign mail gets sorted and delivered to the postoffice. Not only do volunteers get the mail out but they also help with the health education program; with public information and the x-ray units. By their work they also stimulate public interest which is a vital factor in putting ideas across. Without the volunteer worker many worthwhile projects would not function.

Like wind and sunsets, wild things were taken for granted until modern living began to do away with them. Now we face the question whether a still higher standard of living is worth its cost in things natural, wild and free. For us of the minority, the opportunity to see a gray squirrel in the wood is more important than television, and the chance of finding wild mushrooms as fascinating as the thought of going to the moon in a rocket.

The bride was anything but a neat housekeeper. It bothered her very much until one evening her husband came home from work and started to make a phone call. "Mary," he shouted from the living room, "Where is the dust on this table? I had an important phone number written on it."

Sometimes we think that the biggest trouble with people today is that they want to play life "safe." According to all the insurance that is sold, this could be true but then we drive through city traffic we have to change

our mind. For every day most people gamble their life against great odds in traffic and think nothing of it. No, if people wanted to be safe the automobile would vanish like the horse and buggy, and the demand for bigger and faster highways would cease.

We are inclined to believe that the biggest problem of our public school system today is parents. When our generation was in elementary and high school we never saw a parent enter the school. If we did all of us knew that it meant real trouble . . . and not for the teacher. There were no P.T.A.'s and there were no fraternization between the teachers, parents and children. The schools belonged to the teachers and children and the parents stayed home where they belonged. The teachers were given the right to discipline and the only instruction we ever received from our parents was: "If you get a whipping from the teacher, you will also get one when you arrive home." That was telling us in simple language that the authority of the school would be upheld at home. It worked. We didn't dare come home with tall tales or misquoting stories for we knew it wouldn't get us any place only to bed early without our supper. If our teachers were ever discussed it wasn't where we could hear it. And our parents never told the schools what subjects to teach or what books belonged on the library shelves for they knew that they weren't culturally equipped to judge one book from another. Besides they had enough confidence in the public school system to leave such things to the proper authorities. Next to the church, our school was regarded as a sacred institution by our parents for they knew it was a training ground for their children where they would learn many things that were new and unknown to them. They had full confidence in the teachers and the teachers knew this and responded by turning out students who were a credit to themselves, their community and their country. We do not intend to compare schools of different generations because time brings on new problems. But responsibility and discipline remains constant. There will never be a substitute for either one. My generation is glad that our parents understood this and that we were raised to respect authority and discipline, for it has made the privilege of living with others much easier.

A group of men sat around the pot-bellied stove in the country store, discussing the mysteries of life. "I'm going deaf and blind," sighed one old fellow. "I don't know what the good Lord wants to leave me here for." "Now, Mr. Simmons," replied his friend, "the Lord's ways are not our ways, and we can't always understand. But if He's left you here He has work for you to do." Mr. Simmons sat for a moment in quiet thought, then announced: "Well, I'm not a gonna do it."

It's not enough to know right from wrong. We should be ashamed to leave this world without setting to right, some wrong.

—RUTH ROELKE.

REPUBLICAN PERFORMANCE

AT EVERY ELECTION in the past 40 years the citizens of Carroll County have chosen a Republican majority to administer the affairs of County Government, EXCEPT the one Democrat Board that served from 1930 to 1934.

WHAT HAS HAPPENED SINCE?

1934 to 1942 — SCHOOLS

New Westminster High School; Mt. Airy High School rebuilt after fire; New Windsor High School; New Sandymount Elementary School; Addition to Sykesville High School; Addition to Hampstead School; Addition to Taneytown School; New Gymnasium at Westminster; and Additions to Court House.

ALL PAID FOR in 8 years, and the County completely debt free by 1942.

No construction of any kind during the war years, and from 1942 to 1950 the County remained out of debt.

What was done by Republican Boards after 1950?

We hope to tell you next week.

Meanwhile ask yourself "Why do I want a change?"

Don't reject efficient, honest and responsible performance for inexperienced candidates who have no program except the time-worn promise to CHANGE EVERYTHING.

VOTE for CARR, SAYLOR and PERRY for COUNTY COMMISSIONERS.

Son of God

Lesson for October 21, 1962

WHAT is there in the Christian religion that marks it as different from any other in the world? We have something or other in common with every religion, to be sure. It has been said that Christian religion and the most barbarous of jungle faiths have more in common than either of these has with atheism. But that is not Dr. Foreman the point. What do we have that is distinctive, unique, unlike any other religion whatsoever?

The reader will think of the answer at once: Jesus Christ. There is no equivalent of Jesus in any other religion. Alleged "opposite numbers" turn out, on inspection, to bear little resemblance to the Christians' Lord.

Because of the great importance Jesus Christ possesses, the church has thought much and long about Him and has said a great deal. It all grows out of what was said in the Bible about Him. Out of much more that could be said, three points are selected here, for highlighting—all from the Bible material.

Equality with God

First of all, the church teaches that Jesus Christ is divine. The most usual way to say this in the New Testament is to call Jesus the "Son of God." Now there are three kinds of "sons" of God recognized in the Bible. To repeat what was said in this column last week, at lowest level are all men, all human beings. By creation we are all children of God. But there is a great difference between being a son-by-creation and a son-by-faith-and-love. So the second level is the sonship of adoption, as Paul puts it in Romans 8, the intimate trusting conscious sonship of true Christians. The third

level has only one person in it, Christ Jesus our Lord, the Son of God. The writers of the New Testament never (or very seldom indeed) call Jesus God directly; but the church reflecting through many years on what the Bible does say, long ago arrived at the conclusion that whatever it takes to make God God, Jesus Christ has and is. Yet Christ and the Father are not two Gods. The church came near saying that, but after a long debate concluded there cannot be two Gods. Jesus is not a second God, not a substitute or minor God. That is the meaning we see in Paul's saying that Christ was in the form of God, but did not think equality with God was a thing to be grasped.

"He emptied Himself"

Paul goes right on to say that Christ "emptied Himself" and was born in the likeness of men. The writer to the Hebrews goes farther than saying Jesus was "like" men. Christ, he says (Hebrews 2:14) "partook of the same nature" as his human brothers. In other words, the church declares that not only as divine as the Father in heaven is, He is as human as you and I are. This was not a make-believe, not putting on a costume and pretending to be a man. It was really being a man. The church has never explained how this could be. If we knew how it could be, we would know as much as God knows.

Giver of life

There are many figures of speech in the Bible to indicate one thing: that Christ is the source of spiritual life for all who believe in Him. Jesus called Himself the vine, with His disciples as the branches. He called Himself bread, and water. (Note: He did not say cake; bread and water were then the minimum essentials for food and drink; Christ is not to be regarded as a luxury but as a necessity.) Those who believe in Him have eternal life, now. Eternal life (and this is a noteworthy point) is not merely a longer life. It means (as Saint John uses the words, and Jesus before him) a different quality of life. Mere everlastingness might not be such a good thing. Eternal life is the kind of life which deserves to be everlasting. What Christians are saying, to put a big idea into very small space, is that what Christ came to do was to bring to this earth, to any one who desires it, a new kind of life, so that we may become new persons.

JAYCEE COMMUNITY SURVEY REPORT

PART 11

This is the eleventh of twelve installments of the Community Survey Report prepared by the Taneytown Junior Chamber of Commerce. The Survey was conducted by the Jaycees earlier this year with the report and recommendations adopted in July.

The report is being published as a public service by this newspaper and it is felt many will wish to clip and save for future reference.)

This week and next week in the final installment, we will attempt to convey the opinions, comments, and suggestions submitted in response to the four open-end questions. Trying to express the opinions given in the answers to these questions was extremely difficult. Answers varied from one word to an entire essay. We did attempt, however, to lump as many answers as possible into certain categories.

QUESTION: WHAT DO YOU PARTICULARLY LIKE ABOUT THIS COMMUNITY?

There were forty-one different "likes" recorded.

As would be expected, the largest category was "people." Since a community is the individuals who make up that community, it would naturally follow that in most cases if a person likes the community it is because he likes the people.

37% of the people interviewed mentioned that they particularly liked the people of Taneytown for their following qualities (in the order of frequency mentioned): friendly, cooperative, quiet, proud, loyal, sociable, helpful, pleasant and honest.

The appearance of the town was the next largest category of "likes" with specific reasons being: clean, small, neat, and the wide streets, in that order.

The fine churches of the community was the third most often heard "like," with 11% stating this.

The climate, location, and pretty countryside were mentioned by 10%, and our schools by 8%. 6% said they liked NOTHING in particular, and 4% said they just liked it because it is "home."

A few other "likes", ranked in the order of times they appeared, are as follows: Memorial Park, Organizations, Stores, Country atmosphere, Fire and ambulance protection, Sports and Recreation, Government, Everything, and the Laundromat

QUESTION: WHAT DO YOU PARTICULARLY DISLIKE ABOUT THIS COMMUNITY?

There were 73 different dislikes recorded. The lack of recreation and entertainment was mentioned by far the most frequently, (twice as often as the next highest). The general category of "People" appeared on 12% of the surveys with the following qualities as basis for their dislike, ranked in the order of times they appeared: gossip, lack of interest, unfriendly, cool, uncooperative, back-biting, disconcert for the young people, too unsophisticated, spiteful, old-fashioned, refuse to invest in the community, and too quiet.

The lack of industry, job opportunities, and low wage scales ran a very close third, with nearly 12% also.

8% of the persons interviewed said they particularly disliked the stores, (or lack of stores), and shopping facilities. A few less than 8% said they did not particularly dislike anything about the community, which incidentally, is about the same number who said they did not "like" anything in the preceding question.

3% stated dissatisfaction with the City's government and leaders with several stating that we have a one-man rule and several others stating that we need new blood. Approximately the same number of people said they disliked the police protection, the hotel and hotel apartments, the lack of good restaurants, the general lack of progress, and poor medical services.

We have listed some of the other "dislikes" which appeared, with comments on some. These are ranked in the order of times recorded.

Lack of Transportation

Truck and rail transportation seems very good for freight. However, there is a lack of public passenger transportation through Taneytown except for a few week-end busses.

High Taxes

We attempted to compare our taxes, water and sewer rates with surrounding communities just to see how we do compare. We gave up in despair due to the entirely different methods employed by each town in obtaining their revenue and in taxing. A truly fair comparison is extremely hard, but we do feel that Taneytown's taxpayers are only paying average total taxes and service charges.

Ordinances Not Enforced

This appears to be a legitimate complaint. No one can even produce a full set of ordinances. Our recommendation in regards to this is included on page 23. (Recommendation D-3)

Odors

3-hr. Parking zones

Garbage Collection

High Rents

Although as yet we have no facts to back up the statement, from all reports, it would appear that the rents in Taneytown are actually below that of many nearby communities.

No City Mail Delivery

This problem has been tackled several times, with always the same answer: Taneytown can not get door-to-door mail delivery until the population increases by at least another 300.

High Water and Sewer Rents

As mentioned previously, an attempt was made to compare, but the system of assessing these service charges is quite different in each community, and fair comparison is difficult.

Dogs

We would assume the complaints are referring to stray dogs. The City Council has promised to tighten up on this nuisance.

Poor Community Spirit

Although there is always room for improvement, as pointed out early in this report, we feel the community spirit is good.

Appearance

As in the preceding statement, we would argue with this "dislike" by pointing out the very large majority who feel the appearance of this town is good.

Lack of Parking Facilities

Except for the rush-hours in the center of town, there would appear to be adequate parking facilities. The two large municipal free parking lots, plus all of the on-street parking which is available, would seem to fill present needs.
