HIGH SCHOOL HIGHLIGHTS

Professor Arthur B. Hamilton, of the University of Maryland, spoke to the junior and senior classes this past week on the Peace Corps. His talk was accompanied by a color film showing the work side as well as the glamor part of the Corps.

Miss Paula Brauning has been chosen to represent the Taneytown Chapter of the FBLA in the Miss FBLA Contest to be held at the annual state convention at College Park on April 5 and 6.

On March 12, 1963, the FBLA club was privileged to have a guest speaker, Professor Frant Hurt, to talk to them. Professor Hurt teaches political science at Western Maryland College.

Information about the war orphan that the Student Council is supporting as a citizenship project has been received, according to Hannah Lippincott, president of the council. The child is a fourteen-year-old Korean boy born July 7, 1948. His name is Lee Sung Wun which means successful. Lee is a seventh grade student very good in his studies. He is an alert, likeable, kind boy.

Lee Sung Wun, like so many unfortunate children, lost his parents as a result of the holocaust of the Korean War — whether they were killed outright by the communists or lost their lives from disease or privation, the child does not remember. Thus when he was very young he was deprived of parental support and was taken to a children's shelter, but the care there proved so inadequate he left and tried to fend by begging. He was found on the streets in pathetic state and was brought to the "home," Pung Ik Bo Yook Won, where he now lives.

Through ten-dollar payments the Student Council supplies this boy with happiness and the opportunity to prepare himself to be a good citizen of the generation which will take over Korea's destiny in the days ahead.

The Classical Records Club met Monday, March 18, in the French room. The group listened to "Irish Suite," by LeRoy Anderson, and selections from "The Sounds of History." Mr. Francis Smith is the advisor.

Students of Taneytown High School are working on their projects for the Science Fair scheduled to take place on Friday and Saturday, March 29 and 30. Fred Martin, senior high science teacher, is faculty advisor for this event.

Taneytown High School was privileged last Thursday in having Otto Schmidt present a program of physical fitness to them. Schmidt holds several weight lifting titles and was a former Mr. Ohio. He has participated in all forms of athletics and has appeared in several movies and TV shows.

His program consisted of tumbling, weight-lifting, balancing, and gymnastics on the trampoline. He used the following students as his assistants: Jean Myers, Bobbi Lynn Hopkins, Robert Dinterman, Wayne Staley, Sam Bower and Larry Welty.

The program was sponsored by the Physical Education Department. On Monday, March 18, the eleventh grade American History classes, under the supervision of Mr. Donald Stanley, traveled to the nation's Capitol to enrich their knowledge and appreciation of our American heritage. The group visited the Library of Congress, where they saw the Gutenberg Bible, the Declaration of Independence, the Bill of Rights, and the general reading room of the library. The classes also made a tour of the Capitol building, including the Senate Chamber, the House Chamber, and the President's Room. The architecture of the building was very beautiful and impressive. Another interesting feature of the trip was a visit to the Air and Space Building of the Smithsonian Institution, where the students viewed John Glenn's space capsule.

The return trip home included a side tour of Georgetown, near the campus of Georgetown University. The students all agreed that the trip was enjoyable and educational. Mrs. Lillian Rodgers, English teacher, also accompanied the group on the trip.

The FBLA is conducting a survey of the high school seniors. The study includes the following questions: 1. What is your ambition after you finish high school? 2. Do you plan to live around the Taneytown area?

The results of this survey will be rendered to Mr. Frank Dunham to determine whether or not Taneytown will be able to meet the needs of the graduates.

WITH THE ARMED FORCES

FORT EUSTIS, VA. (AHTNC)—Army 1st Lt. James H. Fowler, 29, whose wife, Wilma, lives at 3718 Croydon Road, Baltimore, Md., recently completed a seven-week officer orientation course at The Transportation Center, Fort Eustis, Va.

Lieutenant Fowler was instructed in the duties and responsibilities of a newly commissioned officer in the Transportation Corps.

The lieutenant is a 1952 graduate of Baltimore Polytechnic Institute and a 1958 graduate of Georgia Institute of Technology in Atlanta. He is a member of Phi Kappa Tau fraternity. Before entering the Army he was employed by the Baltimore & Ohio Railroad in Baltimore.

CHAMBER OF COMMERCE MEETS

Mr. Phil O'Connell Addresses Group

The regular monthly meeting of the Taneytown Chamber of Commerce followed dinner at Taney Inn, on Monday evening, March 18th.

During a brief business meeting, the Treasurer's report was heard as well as a report from Mr. Arch Carpenter, Chairman of the Roads Committee. Mr. Carpenter noted that he has invited Mr. Funk, Chairman of the State Roads Commission, to be guest speaker at the April meeting of the Chamber of Commerce. If Mr. Funk accepts the invitation, this meeting should be of vital interest to every member considering how concerned we are regarding roads and highways in our area.

President Dunham reported that the area development department of the Potomac Edison Company plans to take aerial photos of potential industrial sites in their service area. These photos will be available for use by the Carroll County Industrial Committee to use in conjunction with brochures which have been prepared to acquaint industries interested in relocation in our area, with what we have to offer.

President Dunham then introduced the speaker of the evening, Mr. Phil O'Connell, who is manager of the Advertising Department, Potomac Edison Company. His topic was "Relations Between Public and Local Industry." Mr. O'Connell prefaced his remarks with his observations of Taneytown during the afternoon. He stated that he was immensely impressed with the cleanliness of the town. This of course, is another way of saying appearance. As we learned later in his address, he considered appearance to be one of the more important aspects of Public Relations in the dictionary as follows: Public means persons and relations means telling; hence Public Relations becomes telling persons. He stated however, that his favorite definition of Public Relations is "not treating the public like relations."

Of paramount importance is to be nice, and to tell people that you are nice. Bear in mind, he said, that there are hundreds of kinds of publics. It follows then, that first you must pick your public or group that you want to reach. The act of relations or telling is quite tricky. It makes a difference who does the telling, how it is done and when you do it. Mr. O'Connell felt that appearance is most important, not only your own personal appearance, but the appearance of your equipment, your place of business, etc. This is how your customers judge you and your business. A frank, honest, straightforward approach is always best. This approach emphasizes your appearance and / or the image your customers have of you. It goes without saying Mr. O'Connell continued, that your product must look good and be good, but before you can even reach your customer with your product, you must stand inspection.

How do you go about public relations, Mr. O'Connell asked? Ask yourself: What should my competitor do? When you have answered your own question, go out and do the same thing yourself.

In establishing good relations with the public, you must work with the press. Most important, tell the truth. Don't hide anything. If you try to conceal facts, the press will get the story from someone else and it may even be distorted in the final presentation. Further, your reluctance to work openly with the press may tend to antagonize them, which is human, and cause you to receive a bad press.

Mr. O'Connell next touched upon identification. In other words, identify your business place with the name of your firm, emblazoned on the building. Identify your vehicles, provide your servicemen with uniforms bearing your firm name, etc. This is to be done only however, if you are proud of the appearance of your business, vehicles, etc. Do they make a nice appearance, are they in good repair, and so forth? If you are not proud, perhaps you should take steps to improve appearances so that you are proud. Even the way your switch board operator answers the telephone, can have an effect on the public. Is she courteous and accommodating or is she blunt and discourteous? Someone solicits an ad from your business for the school year book or from such similar publication, how do you receive them? Do you make as many purchases locally as you can, of items that you use in your business? Do you tell the public how much taxes you pay?

Mr. O'Connell concluded his remarks with this admonition, "Don't rush this business of public relations. It must be a gradual, long range endeavor, to have a lasting effect. He asked us to keep the cardinal point, APPEARANCE, uppermost in our minds at all times."

Mr. O'Connell concluded his remarks received and should well serve as a yardstick for any good public relations program. It is regrettable that most of our members do not attend the Chamber of Commerce meetings and avail themselves of the very fine and worthwhile information that is being presented by the various outstanding speakers, that we are fortunate enough to be hearing. All members are reminded that the next regular meeting will be held at Taney Inn on April 15, 1963, with Mr. Arch Carpenter in charge of the program. Please plan to come, bring a friend and make your reservation for dinner in advance.

When the time comes for lunch, even the best worker will stop his labor.

TANEYTOWN ELEMENTARY P-TA

The regular monthly meeting of the Taneytown Elementary School Parent-Teacher Association was held on Tuesday evening, March 19.

Mrs. Robert Clingan, president, welcomed everyone to the meeting. The invocation was given by Mr. Ralph Shipley, followed by our National Anthem, and the flag salute.

The nominating committee for the coming year was appointed consisting of Mrs. Melvin Utermahlen, Mrs. Arthur Garvin and Mrs. Thomas Morrison.

Mr. George Motter, chairman of the card party to be held April 25, gave a report of the appointed committees.

Several members of the P-TA attended the meeting of the Carroll County Council of P-TA held in Westminster. The topic being "School Consolidation." We hope they have favorable reports for us.

A change in the date of our next P-TA meeting—April 23—due to the Easter vacation.

The program chairman, Mr. George Fream, introduced the topic for the evening. A film "From Sociable 6 to the Noisy 9" was very appropriate for all children in elementary school and for the parents of these children. He introduced the speaker for the evening, Miss LaVeta Ligon, a member of the faculty at Western Maryland College, and instructor in Psychology. Her topic "Mental Health" was very well given, bringing out the facts as to "What is normal for a child from 6 years of age to 12?" A child must know his limits and develop a sense of trust in all he has around him, whether it be his family at home or his friends at school.

Our "get-well" wishes and "prayers" go out to Mr. Frank Wargny, the principal, for a very speedy recovery.

Being no further business, the meeting was adjourned by the president. Refreshments were served in the cafeteria.

ODD FELLOWS BANQUET

The members of Taney Lodge No. 28, I. O. O. F. and their guests, observed the fifty-seventh anniversary of the institution of Taney Lodge with a Banquet in the Harney Parish Hall last Thursday evening, March 14th, served by the ladies of the Aid Society of the Lutheran Church of Harney.

Past Grand Walter Hiltelbrick, presided. At the conclusion of the meal a vote of thanks was extended the ladies for a splendid meal efficiently served, and then a program of entertainment was presented. Several numbers were sang by a male quartet, consisting of Messrs. Herbert Bowers, Henry Reindollar, Wilbert Hess, and David Hess, Sr., with Mrs. Henry Reindollar at the piano.

Several vocal and instrumental numbers were given by Virginia, Susan, Judy, and Eddie Null, with Mrs. Hubert Null at the piano.

Rev. Wm. R. Jones, Pastor of Centenary Methodist Church of Littlestown, Penna., was the speaker of the evening and he gave a very forceful address. He had also offered the invocation preceding the meal.

Brother John Powell of Taney Lodge and Sister Ruby Bowers Hesson of Manchester Rebekah Lodge told about and explained some of the features and purposes of the Maryland Eye Bank and Visual Research Foundation program being sponsored by the Odd Fellows.

Except for illness and other commitments which prevented several members from being present, the affair was well attended, and those present fully enjoyed the as usual good meal, and everything on the program that followed. Bro. Walter Hiltelbrick, as chairman of the committee, had complete charge of all arrangements for the affair, such as date, speaker and entertainers, etc. The membership is grateful for his efforts, all of which proved successful.

The meeting closed with prayer by the Chaplain Newton O. Sharrer.

REBEKAH LODGE MEETING

On Friday night The Taney Rebekah Lodge, No. 83, of Taneytown, celebrated the 35th Anniversary, with a large attendance. Mrs. Ruby Bowers Hesson, warden of the Rebekah assembly of Baltimore, she gave a report on the eye clinic at Johns Hopkins Hospital. The Rebekah is collecting money for the project, which is a very worthy cause. Any one having old glass frames, not broken; Mr. John Powell of the Lodge, will be glad to receive them, or any member of the Lodge. The Lodge is invited to Samaritan Lodge of Frederick on Friday evening. There will be a school of instruction by sister Janes of Baltimore. There were prizes won by several members. Refreshments were served by the committee; also a birthday cake baked by Carrie Weishaar, Noble Grand of the Lodge. A good time was had by all.

WITH THE ARMED FORCES

ROCKVILLE, MD. (AHTNC)—Army Specialist Four Roy Chapman, whose parents, Mr. and Mrs. Christian B. Milligan, and wife, Barbara, live on Route 1, Westminster, Md., recently participated with other members of Battery A of the 71st Artillery's 1st Missile Battalion in a week-long practice missile firing at McGregor Guided Missile Range, N. M.

Specialist Chapman, a radar operator in the battery, entered the Army in August 1961 and completed basic combat training at Fort Jackson, S. C.

The 19-year-old soldier is a 1961 graduate of Taneytown, (Md.) High School.

Sabin Vaccine to be Given March 24 and 31

Type III Sabin polio vaccine will be available on Sundays, March 24 and 31, at the Taneytown Elementary School.

The Carroll County Medical Society along with the Jaycees and the Health Department are remodeling their task forces to finish the project which they began last Fall. They are offering to the public an opportunity to get their Sabin vaccine through the same quick and efficient mass inoculation techniques used before. In accordance with the recommendations of experts in the field of virology the prime inoculation effort will be directed towards persons who are two months to 30 years of age since they represent the population group most benefiting from anti-polio inoculation. The Taneytown Jaycees will again assist with the distribution.

Band Will Present Spring Concert

The Taneytown Junior-Senior High School Band, under the direction of Warren M. Eshbach, will present their annual Spring Concert on Saturday evening, March 23, at 8:00 P. M. in the High School Auditorium. The admission will be 25¢ for students and 75¢ for adults.

The program will include the following: "If Thou Be Near" by Bach, the "Unfinished Symphony" by Schubert, "Saraband and Gavata" by Corelli, "Blue Tango" by Leroy Anderson, "Music Man" selections by Meredith Wilson, "March Onward" by Luthold and "Manhattan Beach" by Sousa.

In addition the program will feature Byron Barnes as French Horn soloist playing "Romanza" by Mozart; the band will accompany him. Also, a Brass Quartet consisting of: David Kelly, Karl Nusbauer, John Lawrence, and Thomas Lawrence will be featured in Mozart's "Alleluja" from a motet.

There will also be a String Quartet and a Woodwind Ensemble which will play several modern numbers.

Ladies Night Held by Local Jaycees

On Thursday evening, March 14, at 6:30 P. M. in the Taney Inn the Taneytown Jaycees held their Ladies Night with dinner being served. Following the dinner, the guest speaker for the evening was Frank G. Letters of Baltimore who is now a National Chairman for the U. S. Jaycees, gave a brief talk on his recent trip to Hong Kong where he attended the Jaycee International World Congress. The talk was most interesting to all and inspired anyone that wished to attend such a convention to do so.

In conclusion of the evening the "Speak Up Jaycee" contest was held with three contestants competing. The contestants were: James Fair, Cecil Lewelling and John Reaver. They were judged on their speeches by the presentation to the group in attending and the time in which the speech was presented. After the judges' final decisions, "James Fair" was announced as the winner and will next represent Taneytown in the "District Speak Up Jaycee" contest to be held in Westminster.

Plans for "Bosses" Night

Final plans were made for the second annual "Bosses" night at the special meeting of the Carroll Chapter, National Secretaries Association, on Thursday night. The executives will be honored on Thursday, March 28, at Miller's Restaurant on Washington Road, at 7:30 P. M. The first workshop of the Carroll Chapter, NSA, will be held on April 20, 1963, at Warren House Blue Crest North—near Pikesville. It's designed for business women and students and the theme will be "It's A Woman's World." Business women and students in Carroll County interested in attending, may contact Betty Reeves at 207 Washington Road, or any member of the Carroll Chapter.

Unfair Treatment of Taxpayers

One of the most disgusting and outrageous pieces of roads or streets can be found in Wantz Village on the outskirts of Taneytown. Twenty-nine nice homes are located in this development but the roadway over which the residents must travel is deplorable. We invite and urge in behalf of these "taxpayers," Senator Went, the members of the House of Delegates of Maryland and the County Commissioners of Carroll County to inspect this pathetic street or road situation.

Wantz Bros. of Taneytown constructed these homes, and we daresay, at a low margin of profit, in an effort to develop the community and create more and better housing conditions. We venture to say that this is the worst piece of road or street in Carroll County serving a like number of taxpayers.

House Bill No. 1508 pending before the Legislature of Maryland would set up an Economic Development Commission whose purpose is to advance the general welfare and development of Carroll County. A good place to show the sincerity of purpose for a commission of this type.

Usually we invite people to view or visit things of which we are proud; in this case the invitations are for the contrary — to inspect a lamentable situation. Don't allow the "taxpayers" of this community to be forgotten or forsaken.

WITH THE ARMED FORCES

FORT BUCKNER, OKINAWA (AHTNC)—Army Sgt. Wesley T. Sauble, Jr., whose parents live at 11 Mark Drive, Westminster, Md., recently was assigned to the U. S. Army First Special Forces Group on Okinawa.

Sergeant Sauble, a medical specialist in Company B at Fort Buckner, entered the Army in 1958. He was last stationed at Ft. Bragg, N. C., and arrived on Okinawa in February 1963.

Sauble is a graduate of St. John High School, Westminster, (Md.), and attended St. Joseph's College, Rensselaer, Ind.

"SPICE 'N' EVERYTHING NICE"

With all my heart, I wish you every morning. A smile that shall last until the next day's dawning. I wish you health—life's greatest wealth; I wish you always near so that I may help to cheer. Each future day and in some way—help to bring you happiness!

Well, it must be S P R I N G ! The Crocuses are showing their pretty little heads and the Jonquills are in evidence in many places! This year we will enjoy Spring more than any other Spring and I think you know just what I mean.

Easter galore in all the stores and the Five and Dimes are filled with the B U N N I E S and everything that goes with them. Ladies, waistlines are on the rise! It is becoming to many but not the real chubby girl. The Fur stores have been doing a land office business this season and Mano Swartz has really the "Label that leaves no doubt!"

Mrs. Housewife, those frying pans, "Algoflex", without the grease are simply tops! I bought a small one to try out and all you do is follow the directions. Simply fabulous! You must handle the food with the wooden utensil which comes with each pan.

What a surprise to be handed five African Violet plants for the Bay Window and they do appear sweet right there.

How badly, I will feel when the Pussy Willow tree which is bang up to the back of the house must be removed due to the roots breaking up so much of the cement.

Now, Mr. Buyer of a used car, be sure that you get the following in writing as to the guarantee for the three months without you paying half of the cost if anything should go amiss. Now, the sellers will say, "You have more than three months for it is a year guarantee!" but they do not tell you that you must pay half of anything to be done until after you have signed on the dotted line!

Be sure, Folks to change your stockings or socks upon returning home from business if you really want "happy feet" and do that just before you are seated for the evening meal.

Now, for that Easter Gift for the best girl in your life — as you know, flowers always say, "I love you," especially red, red roses but "Promise her anything but give her ARPEGEI! She will love the aroma which is lasting and delightful!" If a piece of jewelry is desired, Oscar Caplan has the most original and fantastic pieces and that on North Howard Street.

If you are contemplating purchasing any Aluminum awnings, it is best to go "Z E P H Y R" all the way! Their merchandise is tops to every detail and that wonderful Guarantee that comes with it any future time in case of damage, that your company will immediately be at your service and all for free just like their advertisement. The phone number is: CH-3 4335 and the address is 2612 N. Charles Street. In other words, it is the quality that counts! So powerfully strong and beautiful!

If you desire to see a picture really "Worthwhile" don't miss, "TO KILL A MOCKING BIRD," at the Mayfair! You will love every minute of it. I was one in the packed audience to view it and Gregory Peck astounded me in this picture. It is unusually wholesome all the way through and the acting of those three little children is amazing. It is a life in a small sleepy town somewhere way down South where an innocent Negro is accused of raping a white woman. G. Peck, an honorable and upstanding Lawyer is appointed to defend this Tom Robinson only to lose the case and Tom is sentenced to death! The entire cast is remarkable!

Now, here is to that grand person of Pisces — those born from the 20th of February to the 20th of March. They truly are the most beautiful of characters and the most modest people of the entire 12 signs of Astrology. They are the individuals who never tell a lie, the most refined and educated and they continue to seek knowledge all their lives and that goes for both sexes. They are highly gifted for music and usually play one instrument or else may have a delightful voice. They excel as teachers. The Pisces people usually are strong and have very little illness but should always purchase the very best and sensible shoes as many times they have trouble with their feet. They are good people and never do wrong in anything in life. Ah! words fail me!

And thinking of "The Loretta Young Show" she stated at the very end "The Only Way to Understand a woman is to love her and then you will understand her!" Cute!

Have a grand week-end, Folks. Do come down to the "Home Show" at the Armory where I hope to be seeing you and you. Until next week, D. V.

I am,

Faithfully,

YOUR OBSERVER.

THURSDAY, MARCH 21, 1963

"GRASS ROOTS OPINIONS"

WATERVILLE, WN., EMPIRE-PRESS: "Perhaps our most republican form of government we have in this country is county government. It is a government that is closest to the people where, if they only knew and took interest, they have the most control. The role of county government is limited; the negotiations and deliberations of the Commissioners are open to the public. They are, however, restricted in action by state statutes. On matters of welfare, highway moneys, education and federal aid they have but little control. The trend, unfortunately, is toward more centralization. This was brought about by the federal and state governments usurping their sources of revenue and attaching strings to federal and state aid, matching moneys."

TUCKER, GA., DEKALB TRIBUNE: "It has been said that the power of words is one of the world's most potent powers and judging from what it costs to put words on paper for the public to read, the statement doesn't surprise us. Fortune Magazine reports that it costs \$2 for every word the magazine prints. Before his tragic death, Ernest Hemingway was paid up to \$1 per word for his writings."

ODESSA, TEX., AMERICAN: "It is not possible for one man to control the energy of another. One man may impose his energies on another in such a way that, through force, he can prevent the other man from using his energy as he might otherwise use it. But this is proof that the man using force cannot control the energy of the other. Were it possible for him to control that energy, no force would be necessary. He would simply will that the other person perform in such and such a manner and it would be done—exactly the same as when a man wills that his own arm be raised, or his own fingers bent, or his own mind engaged in a particular manner."

BRIDGEHAMPTON, N. Y., NEWS: "One hundred years ago George S. Boutwell, first Commissioner of Internal Revenue, had a staff of only one clerk, and personally read all letters from taxpayers."

LONDON, OHIO, MADISON PRESS: "We have long been advocates of private business handling all jobs pertaining to the welfare of the public insofar as is possible. . . . Back in 1920 the telephone companies started installing dial phones. Now the automatic phone system is spread from coast to coast and the company employs 2 1/2 times as many people as back in 1920. In this same time the post office has made so very few improvements in handling the mail that it stands out as the prime example to demonstrate the merits of the private system over that of the government operated program."

PRENTISS, MISS., HEADLIGHT: "One of the greatest tragedies of the times is the weakening of the moral fiber of the American people by a government that assumes they do not have the sense or the initiative to do things for themselves."

ANAHEIM, CALIF., BULLETIN: "One hundred per cent employment of all eligible employable persons is a theoretical goal of the federal government. In theory, the goal would seem to have merit but under the program, as being established and fostered by the federal government, through the dictations of the labor unions, it cannot become a reality without the elimination of private enterprise operating under the law of supply and demand."

Car Buyers' Bulletin

Why it's fair to compare the ride of our '63 Super Torque Ford to that of a Rolls-Royce

Ford spent over \$10 million just to develop a new ride in the '63 Ford that's so smooth, you won't believe until you actually feel it. What's more, Ford Motor Company has spent over \$100 million in the past three years alone on a vast quality building program that pays off in the whole feel of this new Ford. Come try it and see—it's fair to compare this car to any other . . . yes even the lordly Rolls-Royce!

Manager H. M. Stokes of the Hanover Creamery Co., was in Taneytown last Friday and closed the deal for the location for the new condensing and ice making plant, which they will build and operate here. The location comprises a lot bought from Samuel H. Mehring and 40 ft. adjoining from the Reindollar Co. These lots front on the alley on the South of Baltimore Street, and are convenient to the railroad.

Frizzellburg — Some of our people made some garden already. . . . The attendance at Charles W. Myers' sale, on Wednesday was not so large, but stock brought soaring prices. The best cow was knocked down at \$101.

Keysville — Joseph Wantz and wife of Harney visited at Oliver Newcomers, on Sunday. . . . W. E. Ritter is digging the foundation of his new house. . . . The school children have been very busy this week with their examinations. The following have not missed any days during the Spring term of the public school: Leila Frock, Nellie Kiser, Olive Ritter, Ruth Kiser, Vallie Kiser, Victoria Weybright, Jennings Frock, Victor Weybright, and Roscoe Kiser.

Next winter's egg profits... depend on what you do this spring!

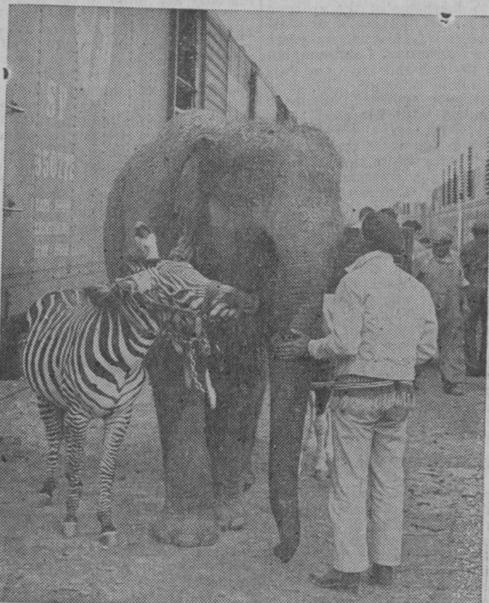

What determines laying house profits? Price of eggs? Disease? Cost of feed? Rate of lay? Yes... all these are important, but record-keeping Eastern poultrymen will tell you the biggest factor of all is the kind of a pullet you start with!

They're not talking about the different strains, necessarily. They're merely saying that pullets started and raised right—with the best of breeding, feeding, sanitation, and management—invariably make more eggs and more money than those raised any other way. In fact, poorly-raised pullets sometime fail to make a return over feed cost!

So raise them on the Purina Program. We'll help you all we can with advice on debeaking, housing, feeding. We have Purina disease treatments and wormers with Research-approved directions on how to use them. We'll help you wind up next fall, with a bunch of big, sturdy, Purina-fed pullets developed to return good money for you in the laying house.

Skip the sulphur and molasses— get a CHEVROLET SUPER SPORT

Chevrolet Super Sports* have a charm that soothes your springtime yen for romantic adventure as fast as you can slip into a bucket seat. (Especially the Impala's, with its adjustable new Comfortilt steering wheel*.) Front bucket seats are a great start, but Super Sports also feature plush all-vinyl interiors, special interior-exterior trim in tasteful touches, and a veritable feast of goodies we call performance options*. Chevrolet and Chevy II Super Sports invite adventure in convertible or coupe form. That same Super

Sport zing applies to the Corvair Monza Spyder, very breezy with its air-cooled 150-horsepower rear-mounted engine, and 4-speed shift*. Ditto for the new Corvette Sting Ray, a magnificent thoroughbred among pure-blood sports cars with not a single sacrifice in comfort. Both Spyder and Sting Ray come in coupe or convertible styles. All Chevrolet Super Sports are like spring days—you've got to get out in them to savor them. So catch yourself a passing zephyr and wait on down to your Chevrolet showroom.

*Optional at extra cost.

DETOUR-KEYSVILLE

Greetings to you:

Good news! Mr. Clarence Derr of the Keysville Road returned to his home on Sunday from the Annie Warner Hospital. He will continue to "take-it-easy" but is feeling much better since his heart attack.

Miss Macie Forney, near Keysville, has been quite ill and is now recuperating at the home of neighbors, Mr. and Mrs. Charles S. Brawner of Baumgardner Road. Won't you send her a card—I'm sure she would appreciate it so very much.

Visitors within the past month at the Charles Stonesifer home in Keysville were Mr. and Mrs. Ralph Shoemaker and son, Donald, of Keysville, Mr. and Mrs. Johnny Watkins, Mrs. Anna Law and Mr. and Mrs. Fred Grimes of Emmitsburg.

Belated birthday wishes to Mr. Luther Clabaugh of the Keysville-Taneytown Road, who celebrated on Sunday, March 17, which is also the birthday of Mr. William Fleharty.

The Sunshine Class of the Keysville United Church of Christ held a cafeteria-style supper on Monday evening. After the meal, Charles Stonesifer showed slides of his trip to the West Coast.

I understand Mr. Thomas Fox of Keysville has been quite ill again. Did you get to the Hobby Show at the Elmer Wolfe School in Union Bridge last Saturday? It was quite good and well worth taking the time to see.

There were a number of hobbies displayed and a wide variety as well. I do not have details for you but they should be elsewhere in the paper this week, I'm sure.

Mr. and Mrs. Richard Stonesifer of Rockville attended Keysville Lutheran Church on Sunday. They were undoubtedly visitors with his parents, Mr. and Mrs. Russell Stonesifer of Keysville.

It was good indeed to see Mr. and Mrs. Gregg Kiser again. They returned from Rockledge, Fla., last Thursday looking just fine.

Mr. and Mrs. Charles Stonesifer and family of Keysville were dinner guests on Sunday the 10th with his aunt, Mrs. Maurice Hoppert and daughter, Mary, in Baltimore.

Mr. and Mrs. Richard Wilhide of Forest and Stream Club Road were visitors in Clear Spring, Md., on Sunday with her family, Mr. and Mrs. Daniel Seibert and children and her grandparents, Mr. and Mrs. Gardner Miles and Mrs. Kiefer Seibert.

Lenten Services are held at the Keysville United Church of Christ on Friday evenings at 7:45 P. M. and at the Taneytown Church on Wednesdays. Union Bridge Lutheran Parish Lenten Service will be held the 27th at St. James in Union Bridge at 7:45 P. M.

Mr. and Mrs. Wilbur Thomas of Taneytown were supper guests on Tuesday the 12th with the Charles Stonesifer family in Keysville. Mr. and Mrs. Kenneth Sharrer of New Midway were supper guests with this family on Saturday evening.

Mrs. Ralph Fleharty of Washington, D.C., visited at the home of her son, Mr. and Mrs. William Fleharty and children near Detour from Thursday until Monday. On Monday Mrs. Wm. Fleharty, Bruce and Diane, returned her to her home and also visited with an aunt, Mrs. Edna Shacklett, and a friend, Mrs. Betty Ford.

Sunday visitors at the Fleharty home were her sister, Miss Carol Wolfgang and friend, Mr. William Burr of Washington, D.C. They were guests at the birthday supper for Mr. Fleharty.

On March 13 Mrs. Anna Law of Emmitsburg and Mrs. Hazel Stonesifer of Keysville spent the day with their sister, Mrs. Morris Knipple of York, Pa.

Happy anniversary wishes to Mr. and Mrs. Myron Wilhide of Keysville Road on March 20.

The nominating Committee of the Elmer Wolfe School P-T-A met on Monday evening. If you are called, won't you please serve? This is one way to help your school: attending the meetings and serving on the Executive Board of your P-T-A.

The Terra Rubra Girls' 4-H Club met on Thursday evening at the home of Jane and Beth Wilhide near Detour. There were two leaders and 17 members present. These included three new members who are Linda Kehne, Cindy and Janet Cruch. Beverly Harding and Kathy Kantros gave a team demonstration on "Tricks with Crackers." A Bake Sale is being planned. On Friday evening, March 22, at 8:00 P. M., there will be a Public Speaking contest at the Ag Center and Patti Poole will represent the Terra Rubra Club. The meeting was adjourned and refreshments were served.

Cub Pack #459 held their monthly meeting on Friday, March 15, at 8:00 P. M. Den 3 had the opening and everyone repeated the Pledge to the Flag and sang "America." Cubmaster Berman Weeks said again that these meetings are for families not just the Cubs and a quiz on trees was held with two fathers and two mothers participating. After the song, "The More We Get Together," six Cubs made sound effects for a ghost story read by Den Mother, Mrs. Bowman. Den 4 had a skit, introduced with a poem by Steve Turvin and an explanation of the theme of the month—Places and Countries—by Charles Turvin. Two awards were made: a gold arrow to Dennis Rigger for under his Wolf Badge and a Bobcat pin to new member, David Edwards. Den 1 planned the games and Den 2 held the closing with a Pledge against littering, "America, the Beautiful" was sung and refreshments were served by Mrs. Stultz and Mrs. Rigger.

FRIZELLBURG

Sunday School this Sunday morning at the Church of God, 10 o'clock. Preaching in the evening at 7:30, Rev. Fred Horner, pastor, Mr. Howard Carr, superintendent.

Mrs. Mazie Sullivan visited her cousin, Mrs. Fannie Hopkins, Westminster, Saturday afternoon. She visited with the Geiman girls, College Hill, Westminster, Sunday afternoon.

Mr. John Berwager visited Miss Luella Berwager at the Golden Age guest home on Sunday afternoon. Congratulations to Mr. and Mrs. Charles Rose of this place on the birth of a daughter born Tuesday at the Carroll County General Hospital, Westminster.

Mr. and Mrs. Luther Zimmerman, Mrs. Bessie Freet and Mrs. Grace V. Myers, spent Saturday in Frederick. In the afternoon they visited with Mrs. Bernard Zimmerman.

Services this Sunday morning in Emmanuel (Baust) Lutheran Church, worship at 9:30, sermon topic, "Jesus In Gethsemane," Rev. August J. H. Borleis, pastor; church school following at 10:30, Mr. Kenneth Lambert, superintendent. Parish Lenten service at Emmanuel, March 27th, sermon topic, "Herod, The Man Who Failed." All are welcome to these services.

Mr. and Mrs. Scott Sullivan are receiving congratulations on the observance of their 52nd Wedding Anniversary, March 18. Flowers in the church on Sunday were placed in their honor by their daughter, Lamore. They were green Carnations, white Pompons and Bells of Ireland; appropriate for St. Patrick's Day.

Mr. and Mrs. Scott Sullivan and daughter, Lamore, visited on Wednesday evening at the home of Mr. and Mrs. Howard Sullivan and family and saw the new great-grandson, Steven Howard Fine.

Mr. and Mrs. Kenneth Lambert, Mrs. Nellie Lambert, Taneytown; Mrs. Bessie Freet and Mrs. Grace V. March the 1st, 1900, Myers and Baker—a pretty wedding was solemnized at Carroll Charge Reformed Parsonage, Pleasant Valley, on Thursday evening, March 1st, 1900, by Rev. H. J. McAllister, pastor of the groom. The bride was Miss Elsie A. Baker, daughter of Mr. and Mrs. J. A. C. Baker of Copperville, the groom was Mr. Harry J. Myers, son of Mr. and Mrs. Fred Myers of Pleasant Valley. The attendants were Mr. Joseph Hahn and Miss Clara Myers. After the ceremony the bridal party returned to the home of the groom's parents, where a reception and wedding luncheon was served. At eight o'clock the celebrated Calathupian Orchestra arrived and gave the customary old-time serenade. The bride was becomingly gowned in mode cloth, trimmed with brocade satin and ribbon, with hat and gloves to match. The groom wore the conventional black with white tie. On Sunday, March 4, a sumptuous wedding dinner was given the newly wedded couple at the home of the groom's parents. About fifty persons were present among whom were the parents, brother and aunt of the bride, the remainder being the immediate relatives of the groom and friends of both parties. It was a pleasant and most enjoyable affair. It happened on the 25th anniversary of the marriage of the groom's parents. The bride received many useful gifts. The happy couple will reside in Pleasant Valley. Many are the good wishes for their future happiness and prosperity.

in quite as great a degree as the courts.—Oliver Wendell Holmes.

Have you heard that Mr. Irish Potato and Miss Sweet Potato got married and in due time they had a little girl potato and they named her Idaho. She grew up and fell in love with Lowell Thomas, but papa Irish Potato and mama Sweet Potato refused to let Idaho marry him because they said, "We are high class potatoes and he's nothing but a common-tator."

With the continuing argument over prayers and Bible reading in our public schools and the controversy among different church groups growing more bitter, it would be wise for all to consider that no matter what faults or shortcomings religions have and regardless of the wide differences in the different religions, the Church is the thing that brought man out of the dark ages and gave all of us today the sense of moral justice and respect for each other's rights. Civilization rests on the belief that each individual is his brother's keeper and this ideal was indoctrinated into the individual by religious teachings. No matter what or how we believe, let us at least cling to some faith and give our children the chance to do the same.

The Hobby Show held at the Elmer Wolfe School last Saturday convinced us that everyone does not collect antiques. Some people collect things like seashells. Not the live ones but the art kind that is placed on jewelry, textiles, ceramic and many other materials like soap, paper and glass. All hobbies are interesting and one can learn something new from each one. The display of Japanese dolls was unusual and called to mind that the famous antique penny wooden doll of colonial days were exported to this country from Japan. Guns and cars seem to be the main items collected by the male sex. There were some beautiful guns at the show, including a blunderbuss and woman's muff pistol. During the first settling of our country women carried guns for protection and they generally were hidden in the fur muffs. In the summer months women had to find a different place to conceal them. Possibly in the high button shoe top.

Other interesting collections were: paper weights, master salts, old photographs, old papers and pictures, stamps, coins, quilts, onion meissen ware, tea leaf lustre china, carnival and taffeta glass, matchbook covers, miniature railroad, ruby glass souvenirs, planters, and plates. Some were missed because they were surrounded by interested spectators and we came away before viewing the displays, for which we are sorry.

While we were ironing the other day, the radio was playing the song "Have You Ever Seen A Dream Walking?" Mentally we answered "No, but we have attended wakes for dreams." Haven't we all? Dreams are what keeps us people plodding on from day to day when life is bleak and despair is close at hand. Dreams make the tomorrows bright and gay; the year after next is when the treasure ship comes into port; when all things come to him who dreams. But the poem says: "Don't make dreams your master" and this is true. Dreams must be used like railroad stations—a place and time to relax before continuing the journey. We bury our dreams when we are mature enough to face reality. Youth believes all dreams come true. Age plus wisdom know that dreams are only a means of helping us into reality.

If the American farmer doesn't now know about the European Common Market, he will in the near future for Western Europe will buy a great deal less of his products than has in the past. Particularly hard hit will be those that market poultry, wheat, tobacco, feed grains, rice, wool and butter. The farmer's interests should be the interest of everyone but the farmers themselves must take a new look at what is happening in the world of marketing. Instead of giving so much of their thoughts and energy to production, they will have to devote an equal amount of time to learning about marketing their products. The American farmer has a high percentage of ingenuity and horse sense. When he really understands a problem and faces it, nine times out of ten he can lick it. For the past twenty years he has closed his ears and mind to the fact of life that he had nothing to do or say regarding the products he raised in reference to price or method of selling. All he has been interested in was producing more and more. Now the European Common Market is going to make him choose to find new markets for his products or shut up shop. This is going to make him mad which will be a good thing. For the American farmer has to have his temper up before he is willing to get out of a rut, and try something new. Where is he going to find the markets in South America where 90 per cent of the people never get a full meal. How is the farmer going to manage this? By putting the pressure on the Agriculture Department and keeping it there, and by letting it be known that the farmer is aware of what is happening to his economic life.

It is easy to be cheerful when you are well fed.

Ladies Auxiliary Meeting

The Ladies Auxiliary to the Taneytown Fire Co. held their meeting on Thursday evening, March 14, in the Fire Hall. The meeting was opened by President Virginia Fink with 19 members answering roll call. Scripture and prayer by Chaplain Madeline Reifsnider. Three members celebrated birthdays.

Delegates to attend the Executive Meeting and Banquet at Winters' Church April 15 at 6:30 are Virginia Fink, Ethel Garber, Grace Rodgers, Yvonne Herring, Janet Parrish, Helen McNair and Emma Reifsnider.

The following will attend the Carroll County Convention in Union Bridge on Saturday, May 18: Catherine Baker, Dottie Hess, Emma Reifsnider, Madeline Reifsnider and Margaret Eckard.

Those nominated to attend the State Convention in Ocean City on June 19, 20, and 21 are Virginia Fink, Grace Rodgers, Ethel Garber, Catherine Baker and Dottie Ann Hess.

We were reminded of two food sales to be held on Saturday, April 13. One in the Fire Hall (annual sale) and one at a Community Auction at the Carnival Grounds. All members will be solicited for food items. Those soliciting will be Pauline Vaughn, Louise Riffle, Bessie Dougherty, Hazel Lambert and Ethel Garber. Any persons wishing to help with these sales will be greatly appreciated. A motion was made to purchase another hospital-type bed with side rails.

The April refreshment committee: Dottie Hess, Bessie Dougherty and Grace Putman.

The entertainment included a duet by Diane and Brenda Hess, accompanied by Miss Hazel Hess. Susie Lookingbill sang a solo. Meeting closed with prayer.

WHAT IS A CUSTOMER?

A CUSTOMER is the most important person ever in our office—in person or by mail. A CUSTOMER is not dependent on us—we are dependent on him. A CUSTOMER is not an interruption of our work—he is the purpose of it. We are not doing him a favor by serving him—he is doing us a favor by giving us the opportunity to do so.

A CUSTOMER is not an outsider to our business—he is a part of it. A CUSTOMER is not a cold statistic—he is a flesh-and-blood human being with feeling and emotions like our own, and with biases and prejudices. A CUSTOMER is not someone to argue or match wits with. Nobody ever won an argument with a customer.

A CUSTOMER is a person who brings us his wants. It is our job to handle them profitably to him and to ourselves.

A FIGHT TO THE FINISH

Each year at this time a cruel, scowling Old Man and a pleasant, smiling Youth engage in a terrific struggle. It is a fight to the finish, and naturally the Youth is always the victor. But his victory does not come easily, for his ancient adversary is amazingly strong, and very stubborn.

Much of the Old Man's "punch" is gone, of course, but he is still capable of dealing some nasty blows, as the Youth is quick to discover. Moreover, the Old Man has gotten pretty used to having things his own way. For a long time he has held complete control, and he is reluctant to let anyone else take over. So he fights with great determination. He is crafty, too. He will pretend, very convincingly, as the fight progresses, that he is pretty well beaten, and is ready to call it quits. The Youth will then be deceived into thinking that victory is his. But his joy, very often, is of short duration. The Old Man will muster up strength and bluster from somewhere, and come back fighting again. Indeed, the Youth finds it so difficult to stand before such a fierce assailant that he is knocked down more than once. It is sometimes seems as if the Old Man must win after all.

But the Youth has too much on his side. After all, he is just coming into manhood, and has hardly begun to draw on his power and strength, whereas the Old Man has exhausted his in many a bygone battle. And so it happens every year in this fight to the finish—Old Man Winter goes down for the final count, and Youthful Spring is declared the winner.

—Zola Cantwell.

BIRTHDAY PARTY FOR TWO

Mr. and Mrs. Charles Lookingbill held at their home, 64 York Street, at 2:30 P. M., March 17th, a double Birthday Party for Kitty Sue's 5th birthday and her brother's bested 4th birthday, Charles Paul, Jr. Those attending were: Sharon and Sandra Gross, Linda Peters, Shirley and Sharon Lookingbill, Robert and Karin Lookingbill, Terry Lee and Bonnie Lou Lookingbill, Mrs. Geo. Lookingbill of Taneytown; Miss Charlotte Lookingbill, Baltimore, Md.; Mrs. Helen Wagner, Linda and Stanley Wagner, Littlestown; Mrs. Louis Small, Scott and Louis, Jr., of Littlestown, Pa.; Mrs. Robert Fogle, Penny and Robin Fogle, Taneytown.

Nice gifts, money and cards were received and appreciated.

No Need for Government Waste

There is no more justification for the Government in debt to spend money needlessly than there is for the family in debt to spend money needlessly. The whopping \$98,800,000 budget proposed by the Administration to run the Government for the next fiscal year contains a lot of fat which could be cut out without damage to our country. (As a matter of fact, this figure, enormous as it is, is not all the Administration wants to spend; it covers only the proposed appropriations; the Administration wants authorization to spend more, "borrowing" the unappropriated part of the money from the Treasury; this proposed backdoor spending by the Administration added to the proposed appropriations would bring total spending to an estimated \$107,927,000,000.) It is believed that this could be cut back by as much as \$20,000,000, making it possible to lower income taxes and still balance the budget (which means paying our way without going further in debt). Our taxes are much too high and should be lowered, but only by reducing Government spending. —By Senator Beall.

Superb Swedish-Style Salad

Versatility is a key to the popularity of cream cheese. This is pointed up by a new recipe prepared by the Borden Kitchen. It's a piquant Swedish-style salad which combines beets, thinly sliced onion, and fresh or canned grapefruit sections. Marinate well in a sweet-sour mixture, drain at serving time and place atop crisp salad greens. The cream cheese-sour cream mixture tops all.

Beet Salad With Cream Cheese-Sour Cream Topping

(Makes 4 to 6 servings)

- | | |
|---|--|
| 2 cups (one 1-pound jar) sliced pickled beets | 1 large sweet onion, thinly sliced |
| 2 cups (two 1-pound cans) drained grapefruit sections | 1/4 cup vinegar |
| OR | 1/4 cup brown sugar, firmly packed |
| 2 cups (2 medium-size) fresh grapefruit sections | 1 teaspoon salt |
| 1/4 cup grapefruit juice* | 1/8 teaspoon dry mustard |
| | 1/8 teaspoon pepper |
| | Salad greens |
| | Cream Cheese-Sour Cream Topping |
| 1 (8-oz.) package Borden's Cream Cheese | 1/4 teaspoon salt |
| 1/2 cup sour cream | Dash pepper |

Drain liquid from beets and save. Place beets, grapefruit sections and sliced onion in 1-1/2-quart bowl.* Combine beet and grapefruit juices, vinegar, brown sugar and seasonings; pour over mixture in bowl. Cover and chill in refrigerator at least 2 hours. Drain liquid off and arrange fruit and vegetables on crisp salad greens.

To prepare topping: Place cream cheese in a bowl and let soften at room temperature. Add sour cream, salt and pepper. Beat until topping is of a smooth consistency. Serve over salad.

*Approximately 1/4 cup liquid will drain into bowl in cutting sections from 2 fresh grapefruits.

Lesson for March 24, 1963

Bible Material: Mark 12:13-44.
Devotional Reading: John 12:44-50.

YOU can always tell how a man's mind works by getting him into some kind of corner. It may be a physical corner, such as being caught in a burning building; or it may be a mental corner, as when some public and contro-

versal personage is being grilled by a "Meet the Press" panel. So it is not only interesting but exciting to study the short story of the clash Jesus had with his tireless critics during His last earthly hours. His critics, as is well known, were smart men. They belonged to the intellectual classes, they had what we would call a high education, some were trained in the art of debate. For reasons which may be mentioned later, they were determined to crush Jesus, and they would stop at nothing. But while they had a sort of plan in reserve by which to get Jesus legally murdered, they did not try that at first. What they wanted was to show him up before the crowds, as an ignorant, confused, wrong-headed man. They hoped to get him laughed at, and that would finish him.

Three questions

Three questions in a row were thrown at Jesus, in the hope of "smoking him out." First question: Is it right to pay taxes to the Roman government (Caesar)? This was a hot question. If He said Yes, all the 100% patriots would be after him at once. For Judea was an occupied country. Jews loved the Government by Rome no better than Hungarians love Russian troopers. But if Jesus said No, then the Romans would have him in jail before dark.

Second question: If a woman has had seven husbands, in the next world which of the seven is going to be her husband? The object of that question was not for information. The object was to show how ridiculous the whole

idea of a future life is. From their point of view, the Sadducees who asked this question thought they had a sure-fire way to hold both Jesus and the Pharisees (their enemies) up to ridicule.

Third Question: Which is the greatest commandment? (Meaning which of the Ten Commandments, no doubt.) Whatever Jesus said about this, He would run into people who had other ideas, and have endless arguments on His hands.

How the Master answered

The reader is referred to his Bible (Mark 12, the Bible Material) to see exactly what Jesus said to each of these questions. We here observe the how of His answers. The first question He answered by calling attention, dramatically too, to something they hadn't thought of: these professional patriots owed something to Caesar. The government they hated had made business possible by coining money, had made life safe by their military police, had made travel possible by building roads. And then Jesus calls their attention to something else they hadn't thought of: What about their debt to God? The second question He showed was meaningless; no one would ask it who knew as much about heaven as Jesus knew. The question assumed that the next life would be just like this one, with wives—and perhaps groceries, medicine and gossip! Jesus never tried fully to describe the next life; He made it clear that it could not be described. As for the last question, He answered it in such a way as to attract a thoughtful, serious man, and do him good.

Why the critics?

So Jesus crushed His critics, in different ways. But why did He have critics at all? For the same reasons that He is resisted today. Some men are too proud to bow to the Carpenter of Galilee. Some men do not want to believe what they cannot first understand. Some perhaps in their hearts would like to believe and follow Him, but they are afraid of what might be said about them if they turned Christians. What did the Sanhedrin think of the one or two men who stood up for Jesus? Some hang back because they know, as the Sadducees did, that if they take up with Jesus they will have to ditch their prejudices and traditions

Remodeling Kitchen's Easy With One-piece Range

One-piece electric ranges with easy-to-install features are receiving increased attention from home remodelers. Drop-in ranges that go into cabinet cutouts, built-ins that rest on the floor, and high-oven units that rest on cabinets or hang on the wall are gaining favor and showing greater percentage increases than either free-standing units or two-piece built-ins, it was reported at the National Association of Home Builders convention in Chicago.

The growing importance of one-piece built-ins to remodelers is shown by the fact that two-piece built-in ranges are ahead of one-piece units in the remodeling field by only two to one, according to one firm. And this proportion is shrinking. In the new home market, on the other hand, separate two-piece wall oven and surface units outstrip the one-piece built-ins by three to one, the firm said. Manufacturers of electric appliances are catering to the growing remodeling market by providing more ranges that eliminate much of the installation and cabinet cut-out problems of true built-ins, it was reported. The growing appeal of one-piece slide-in electric ranges is due to demands by builders for low-cost, easily-installed units.

The one-piece electric ranges come with automatic controls, self-starting timers, and easy-cleaning

One-piece electric ranges like this drop-in unit are gaining favor among remodelers because of the ease and low cost of installing them. They fit between existing cabinets and achieve the smooth built-in look of today's modern kitchens while giving the quality features of electric cooking.

features. Meat thermometers, automatic rotisseries, see-through oven doors, split-level tops and other special features are optional. All the new electric ranges provide fast, constant heat for consistently good cooking. They are available in a variety of finishes.

LOOK BUILT-IN

All four types of electric ranges are designed to be compatible with the popular built-in look. They have squared corners and fit flush with cabinets and counters to give any kitchen an up-to-date, integrated appearance.

CHOOSE YOUR SIZE

Modern free-standing electric ranges come in many colors and a variety of sizes, from 20 inches to 40 inches wide. They slide into place without costly installation and update any kitchen with their contemporary lines.

Zippy Muffins

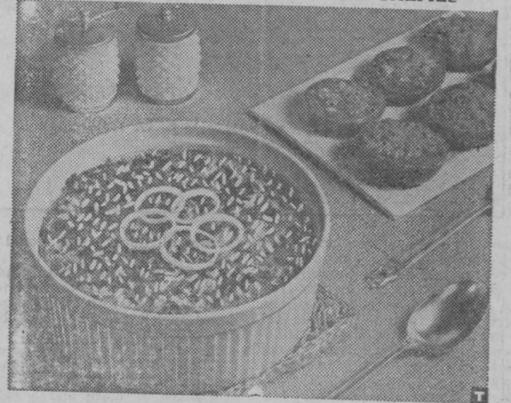

Add new flavor spark to always-delectable corn muffins by stirring in grated cheese and olive slices. It's easy when you begin with corn muffin mix, for you just stir in cheese and olives before adding the usual egg and milk to the mix. The cheese melts while the muffins bake to a golden brown, and results are melt-in-your-mouth good. Pop the little muffins into a napkin-lined basket and they're ready to rush, piping hot, to the dinner table. Try these crunchy flavor treats soon!

CHEESE 'N OLIVE MUFFINS

Makes 12 medium-sized muffins
One 12-oz. pkg. (2 cups) 1/4 cup sliced stuffed olives
Flako Corn Muffin Mix 1 egg
1/3 cup grated sharp cheese 2/3 cup milk
Heat oven to hot (400°F.). Empty corn muffin mix into bowl; stir in cheese and olives. Add egg and milk. Blend only until dry ingredients are thoroughly moistened.
Fill greased medium-sized muffin cups half full. Bake in preheated oven (400°F.) about 15 minutes or until golden brown. Serve hot.

CHEESY RICE FOR LENTEN MEALS.

To celebrate National Rice Week, which this year marks the 277th annual planting of rice in the United States, treat the family to a well "cheesed" rice casserole which serves equally well as a main dish or an accompaniment to the main dish. National Rice Week is March 17-23.

Start with cooked rice and a wedge of sharp cheese. Add a smooth cream sauce, chopped pimiento for color, and sliced ripe olives for flavor and texture contrast. Blend well and heat through and what do you have? An easy-to-do casserole requiring less preparation time than most main courses, yet a savory mixture ideal for serving at meatless Lenten meals.

Work out a design on top of the casserole mixture with the olives and cheese, if you will, but make sure that the rice — the main ingredient of the recipe — is tender and fluffy. To insure this, cook 1 1/2 cups regular white milled rice in 3 cups water with 1 1/2 teaspoons salt to boiling; reduce heat, stir, cover, and cook for 14 minutes or until all liquid is absorbed. You'll then have 4 1/2 cups tender and fluffy cooked rice — enough for the recipe plus 1/2 cup bonus.

CHEESY RICE

- 2 tablespoons butter or margarine
- 2 tablespoons flour
- 1 teaspoon salt
- 2 cups milk
- 2 cups (1/2 pound) shredded sharp cheese
- 4 cups cooked rice
- 3/4 cup chopped pimiento, optional
- 1 cup sliced ripe olives

Melt butter and blend in flour and salt. Add milk and cook, stirring constantly, until mixture thickens. Remove from heat and stir in 2/3 of cheese and olives. Add rice and pimiento; mix well. Turn into a greased 1 1/2 quart baking dish. Sprinkle remaining olives over rice and top with remaining cheese. Bake at 350 degrees for 15 to 20 minutes. Serve hot.
Makes 6 servings.

FINAL EXAM FOR UNUSUAL CAREER

This final exam is a toughie — an oral test in speech for pretty Jean Leighton. Grading her on good speech habits, poise and self-expression is Harry Mitchell, assistant director of the special school Jean attends.

Speech class, along with geography, communications, first aid, make-up, grooming and posture are part of Jean's classroom curriculum in bus hostess training, a new career for qualified young women who enjoy travel and working with people.

In addition to classroom courses, on-bus training under the watchful eyes of instructors and senior hostesses also helps Jean familiarize herself with bus operation, travel routines and the care and feeding of passengers. Upon graduation, Jean will become a full-fledged Trailways hostess, serving passengers on luxury Five Star long-distance buses.

ANNAPOLIS REPORT
STATE SENATOR
E. O. WEANT, JR.

Sometime ago we mentioned legislation that was being considered by your representatives for Carroll County in the Maryland Legislature. Now many of these matters have been reduced to Bill form which Bills have been introduced in the Legislature.

House Bill 505 is a Bill which would regulate trailers located in Carroll County with the exceptions that the County Commissioners shall have authority to exclude from these requirements trailers located in a bona fide trailer sales agency, used for highway or building construction or storage, used for farm, business or other type of storage or owned by tourists located in Carroll County for a period not exceeding 30 days. This piece of legislation would require a trailer permit, assessment fees, identification markers and allow inspection to insure compliance with these provisions.

Another Bill, House Bill 506, authorizes the County Commissioners to impose upon the owner of each motor vehicle junk yard in Carroll County an annual license tax levied according to the number of junked motor vehicles in the yard. The proceeds derived under these provisions would be paid into the General Fund of Carroll County to be used for such purposes as the County Commissioners of Carroll County may determine.

House Bill 507 provides for a Carroll County Public Building Projects Commission. If this provision is adopted, no completed building project shall be accepted by the County Commissioners of Carroll County until approved by this Commission.

House Bill 508 would set up an Economic Development Commission as previously described in these columns. The purpose of this Commission is to advance the general welfare and development of Carroll County.

The County Commissioners, under House Bill 515, would be authorized to regulate the County Roads in Carroll County with respect to weight of vehicles, parking of vehicles, abandonment of vehicles, construction and maintenance of driveway connections and the use of these roads by private and public utilities in the performance of their corporate purpose. This would not include streets within the corporate limits of a town.

A building permit would be required by House Bill 797 before the erection or alteration of any building in Carroll County. The application, therefore, would set forth the location of the land and the size and approximate value of the buildings to be constructed or repaired. The County Commissioners are authorized to charge a fee for the issuance of this permit.

House Bill 798 would authorize the employment by the County Commissioners of a Director of Public Roads

for Carroll County who would have a degree of Civil Engineering and experience in constructing roads. He would be required to file monthly written reports with the County Roads Board which reports would be open for public inspection.

House Bill 799 clarifies the existing Raffle Law of Carroll County and provides for one major prize valued at \$500.00 or more and 5 raffles in any one year in which the prize is valued at less than \$500.00.

The County Commissioners, under House Bill 800, are authorized to exempt \$3,500.00 from the assessed valuation of the real property of any person over the age of 65 who has been a bona fide resident of Carroll County for the preceding 5 years and whose total gross income is \$1,200.00 or less per year.

House Bill 801 clarifies the law now existing in Carroll County which provides for the County Commissioners to receive \$3.00 per day for each day engaged in the discharge of their duties and mileage at the rate of 10¢ for every mile over 5 miles from their places of residence.

House Bill 802 would raise the salary of the County Commissioners for Carroll County from \$2,800.00 to \$6,500.00 beginning with the next term of office. It would further provide for 4 full days of business rather than the present 3.

House Bill 803 provides for a Board of License Commissioners to be appointed by the County Commissioners. This Board shall meet at least once a month and shall be comprised of 3 members who will receive as sole compensation for their duties the sum of \$500.00.

House Bill 805 provides for a license to pour alcoholic beverages in a local chapter of a nationally organized non-profit fraternal or veterans organization for a fee of \$1,250.00. Any other club could procure a license for the sum of \$1,500.00. The clubs must be equipped with a dining room with regular seating capacity of 500 or more persons and assessed real property value of \$25,000.00. House Bill 806 provides the same license for restaurants and hotels.

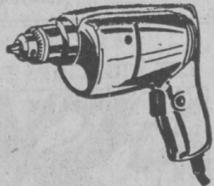

House Bill 809 would change the hours for serving alcoholic beverages in Carroll County. Holders of "on sale" licenses would have hours from 8:00 A. M. to 1:00 A. M., except that on Sunday only the holders of "Class B" and "Class C" licenses would be permitted to operate, provided that on Sunday the opening hour shall be at 2:00 P. M. Holders of "off sale" licenses would be allowed to sell between the hours of 8:00 A. M. and 11:00 P. M. on Monday through Saturday.

E. O. Weant, Jr.,
State Senator
for Carroll County.
