They will also sing such selections from Carmen as the "Habenera," the "Gypsy Love Song" and the "Toreador Song," along with some surprise selections from The Student Prince.

Mrs. Jean Bowers, the choral director, wishes to express her thanks and congratulations to those members of the Senior High Chorus who will graduate this year. They have spent many gratifying hours in practice and performance.

Summer School

The Carroll County Board of Education will sponsor a summer school program in Carroll County beginning June 24 and continuing through August 6, 1963. Classes will meet 90 minutes, 5 days a week. Pupils must provide their own transportation and pay a tuition fee of \$25 per course. The summer program will be centered at the Westminster Senior High School. If, however, there are sufficient numbers of interested students for a particular course in a given community of the county, arrangements will be made to conduct the course at a school in that community.

Two types of courses will be offered: make-up or review courses for those who have failed required subjects or desire to improve their record and enrichment courses for those individuals who desire to upgrade their ability in a particular skill or subject area.

At this time interest has been indicated in the following make-up or enrichment courses: English—grades 9, 10, 11, and 12; American History, Algebra I, and general mathematics.

The following enrichment or non-credit courses will be offered if interest is sufficient: typing, note-hand, and remedial reading on both elementary and junior-senior high school levels.

It is possible that both French I and "modern mathematics" will be offered either as make-up or enrichment courses, depending on the needs of the student. No course may be taken for credit unless the student has had the course previously and either failed the course or received a low grade which he desires to improve.

It is possible other courses will be offered if there is sufficient interest. Any course failing to have a sufficient number of registrants will have to be dropped. MAYOR and CITY COUNCIL MEET

Streets to be Improved

The regular monthly meeting of the Mayor and City Council was held Monday evening, May 6, at 7:30 P. M. in the Town Hall.

The Treasurer reported a balance of \$28,469.31 in the General Account and \$6,905.92 in the Parking Meter Fund.

Thomas, Bennet and Hunter, being the low bidder, was awarded the contract for rebuilding, patching and resurfacing of the following streets in Taneytown: (1) Mill Avenue, (2) Broad Street to Nustbaum's Canning Factory, (3) Dean Nustbaum's to Corporate Limits (down Stumptown Road), (4) From Bob Bankerts through Carroll Heights to Clifford Ott's, (5) From Cities Service to Sam Breth's, (6) Rebuild street from side alley entrance to High School to George Street (this will be torn up, drains installed for the winter springs and new road built), (7) From Joe Shaum's through to York Street, (8) From the United Brethren Church to the Presbyterian Church; 150 feet of this alley will be completely rebuilt alongside the Presbyterian Church Parking Lot, (9) Commerce Street, (10) Both Park entrances back to the Town Equipment Building. All the above streets will have depressions, chug holes and weak spots patched after which they will be resurfaced with two coats of asphalt and chips. If finances permit, it is hoped that a hard street can be laid down into the Park past the pavilions. This would be quite an improvement to the Park.

A new Massey-Ferguson tractor was purchased for use in the Recreation Park. Wideman Tractor Sales of Westminster was low bidder and was awarded the sale. The tractor is to be delivered by the latter part of this week. A six-foot side sickle bar mower and a 66-inch rotary mower was purchased along with the tractor.

The fence around the Baseball Field is being replaced in various sections. A 6-inch board is being installed at the top of the fence around the field.

A meeting with representatives of Taney Annex is set for May 14th in the Town Hall. Representatives will also be present from the Chamber of Commerce.

The Mayor and City Council has been asked to participate in the Firemen's Parade on June 14th.

Officer Boone reported 55 Parking Violations and 25 Warnings. Stickers will be given to persons living in 3-Hr. Parking Zones so that they may park their automobiles in front of the property in which they live. These stickers will be displayed on the inside corner of the windshield. Auto owners displaying these stickers will be in violation of this Ordinance if their automobile is parked in front of another property holder. It is hoped that this will solve some of the parking problems of those people living in 3-Hr. Parking Zones.

Nominations for Town Councilmen will be held at a Public Meeting scheduled for May 20th at 7:30 P. M. in the Town Hall. Councilmen, whose terms expire this year are Edwin Baumgardner, George Naylor, Jr., and Neal Powell. After this meeting the new budget for the year 1963-64 will be discussed and drawn up for publication.

The meeting adjourned at 11:00 P. M.

LADIES AID SOCIETY MEETING

The Ladies Aid Society of St. Paul's Lutheran Church, Harney, held their regular monthly meeting Tuesday evening, May 7. Mrs. Clyde Frock gave reports from the refreshment stands at the public sales of April 12 and 27. The coffee mugs were received. It was voted to purchase offering baskets for the classes in the adult department of the Sunday School. The date to clean the Parish House is Wednesday evening, May 22. SCOUTS PLAN PAPER DRIVE SATURDAY IN TANEYTOWN

The regular collection in odd-numbered months of rags, magazines and paper will be conducted on Saturday, May 11, by Boy Scouts of Troop 348, Taneytown, which is sponsored by Hesson-Snyder Post 120 of the American Legion. Bundles tied securely are appreciated but Scouts gladly fetch from cellar or garret if this need is called to their attention while the drive is in progress. Besides Taneytown itself, the roads leading to Mayberry, Cooperville, Crouse's Mill, Bridgeport and the Baptist Road to Starner's Dam will also be covered. Should the weather turn out to be unfavorable, the collection will be postponed until a later, published date.

Camping Trips

Twenty-three members of the troop enjoyed one of the pleasantest camping trips ever held, during the week which began Friday, April 26, at Catocin Mountain Park, near Cunningham Falls beyond Thurmont. Cooking had to be done in the designated fireplaces, which was a disadvantage, for it had been hoped that the many younger Scouts present would gain new or larger experience at this fine art; but the sunny week-end provided opportunity for considerable hiking, the softball field was kept occupied, and the cool nights were a real test of proficient ground-beds.

The next outing is supposed to be the camporee at Soldier's Delight on the McDonough Road the week-end of May 24, which will be on a patrol basis entirely and include competitions among all troops of Arrowhead District, centering about Reisters-town.

Patrol Activities

Considerable steam has been generated by all four patrols participating in the annual inter-patrol contest with hikes and special meetings and test practices held by patrol leaders beginning as early as February 17 and continuing throughout March and April.

The early Fox lead (James Frock and Philip Martin are patrol leader and assistant of the Fox patrol) has recently been overcome by the Flaming Arrows (Thomas West and Robert Miller, leaders), while the Panthers (Rickey Clingan, patrol leader) have now nudged the Foxes into a close third-place spot. None is yet seriously challenged by the Raccoons (Ronald Martin and Leroy Smeak head this patrol), but the latter are on the way up after a desultory start. An outstanding result of these patrol doings has been the great amount of test-passing leading to advancement in Scout rank. The Board of Review to be conducted by Troop Committee Chairman Francis E. Lookingbill tentatively set for Wednesday, May 15, is expected to be well-patronized by aspirants seeking Second or First Class or even higher rank.

Troop Programs

Last Thursday night daylight saving time permitted the first softball game of the season as a prelude to Scout meeting, after which Compass Dash was the theme selected by patrol leader Clingan. This week the first of what will probably be many trips to Natural Dam this season will be attempted.

Other themes have ranged from silent hand signals through lashing, measuring unreachable heights, trail signs, knot tying, relay, Kim's game and general true-false quiz to a Morse signaling message. Many games were featured.

Whether Scout theme or fun game, all were the choice, and under the direction, of members of the Green-Bar leaders' council. On April 18 the entire meeting was ably handled by Senior Patrol Leader G. Samuel Bower with the help of Assistant Scoutmaster Larry E. Six and Chairman Lookingbill on hand as an interested observer. Last Sunday afternoon a contingent of Green-Bar members engaged in rifle target practice through the courtesy of William B. Abrecht, Sr., and son, George.

Advancement and Recruiting

The membership continues to grow, with the addition in recent months of the following recruits in the order of their admission: Paul Althoff, Raymond Seidler, Charles Buffington, Richard Greene and Robert Eyer, as well as the return to the fold of Samuel Fleming, who had moved from the community in 1961.

The April Board of Review saw Patrol Leader West advance to Star Scout rank, while merit badge recognition in their chosen fields has been earned by Senior Patrol Leader Bower in Marksmanship, Public Health, and Soil and Water Conservation; by Patrol Leader Clingan in Fishing; by Patrol Leader Frock in Coin Collecting; and by Patrol Leader West in Coin Collecting, First Aid, and Public Health.

Paper Drive Saturday

Scouts able to help with the scrap collection Saturday are requested to report promptly by 8:00 A. M. In the event of inclement weather, a new date will be published.

REBEKAH LODGE MEETING

Taney Rebekah Lodge No. 83 held their meeting on Friday night, May 3. They were host to Brigadier General John Griffith, Department Commander Patriarchs Militant IOOF of Florida; also Lieutenant Colonel Clifford Sofer, aide to General Commanding, Patriarchs Militant, also of Florida, who gave a very inspiring talk on all branches of Odd Fellowship. A very pleasant evening was spent by all. Refreshments were served.

Neal Powell Appointed Member of the Carroll County Board of Education

Neal Powell was sworn in as a member of the Carroll County Board of Education on Monday, May 6, 1963, for a term of six years, effective the first day of May.

Mr. Powell served as a member of the City Council of Taneytown for a number of years and is presently serving as President of that Board. He is now employed as Safety Director at The Cambridge Rubber Co.

Mr. Powell is well qualified and should make a good representative not only for the Taneytown area, but for Carroll County as a whole.

Mr. Merwyn C. Fuss was the member of the Board but at the end of his term declined the re-appointment.

Jaycees Attend State Convention Receive Award

The Taneytown Junior Chamber of Commerce was represented at the annual State Jaycee Convention in Frederick, Md., over the week-end. Attending were President Dean Nustbaum and Thelma, 2nd Vice President John Reever and Nancy, Treasurer Dean Brown and Nadine, State Director Harry Dougherty, Jr., and JoAnn, President-elect John Skiles and Carleen, James and Audrey Fair, Elwood and Mary Alice Myers, Wayne and Barbara Baumgardner, Harold and Janet Corbin and Larry and Shirley Little.

The Jaycees were honored by receiving for population Division I an award for their chapter publication, "The Vanguard," which is edited by John M. Skiles. They were also represented Saturday morning in the SPOKE competition by Dean Brown and in the Speak-Up Jaycee contest by James Fair. Fair placed as second runner-up in this contest.

William Brannon, Towson attorney, was elected to serve the organization as President for the coming year. Complete reports of the convention will be given by the delegates at the membership meeting Thurs., May 9.

Bicycle Rodeo

The Taneytown Junior Chamber of Commerce, with the cooperation of the police department and the school authorities, will stage a bicycle rodeo May 25, 1963, in the Taneytown High School schoolyard, William Weeks and Dean Brown, co-chairmen of the event, have announced.

Open to all Taneytown area youngsters, the competition will feature a riding course designed to test a bike rider's skill in maneuvering his vehicle while following the rules for bicycle safety. In addition, the Jaycees offer each entrant a free bicycle safety inspection.

The Taneytown Bicycle Rodeo is part of a nationwide program of bicycle safety being conducted by the U.S. Junior Chamber of Commerce. The ages of this rodeo will be 6 to 16. Application blanks will appear in this paper and also can be picked up at the Taneytown Elementary School and High School. Blanks also will be at Dougherty's Superette and Riffles.

Prizes will be awarded in each age group.

BROWNIE TROOP #588

During the month of April Brownie meetings have been in charge of Mrs. Charles Conover, Assistant Leader.

On April 2nd the Brownies went on a nature walk looking for signs of spring. April 9th they devoted their time in painting egg shells to be used for decorations for Easter; they also made place mats. April 16th they took another walk going to Memorial Park and played, when they returned they made fans.

On April 23rd they were planning for a Mother's Party to be held in May. They also started to make carnations for their mothers. April 30th they made sit-upons to use when taking walks, finished the carnations and sang Brownie songs.

The Brownies have decided to use the money they made from the Cookie Sale to go to "Fantasyland" near Gettysburg, Pa., on May 18th.

Susan McKinney was invested into the Brownie troop on April 30th. Gail Unglesbee was the only visitor. The troop will not be accepting any more members until September.

TANEYTOWN WINS SECOND, 3-2

Taneytown kept up its winning ways Sunday by edging McSherrystown, 3-2, in fifteen innings. Both teams were held unless until the top of the eighth when the visitors took advantage of an error, together with a walk and a single. In the bottom of the ninth the home team battled back to tie the game, 1-1. McSherrystown immediately fought back by scoring a run in the top of the tenth. In the bottom of the same inning, Taneytown again tied it, 2-2. Finally, in the bottom of the fifteenth, Taneytown took advantage of an error to score the winning run.

Ebaugh, Eckard, and Favorite each had two hits to lead the home team. The winning pitcher was Art Caple. There was a large crowd on hand to support the home team. It is hoped that an equally large crowd will be present as Taneytown tries for three in a row against Littlestown Sunday at 2 o'clock in the Taneytown Park. Taneytown now has a 2 and 0 record this year.

"SPICE 'N' EVERYTHING NICE"

With all my heart, I wish you every morning
A smile that shall last until the next day's
dawning.
I wish you health—life's greatest wealth;
I wish you always near so that I may help
to cheer
Each future day and in some way—help to
bring you happiness!

MOTHER'S DAY! How happy you should be if you and you still have your mother with you! Make her happy this very day and then all through the year. Be kind and affectionate for all mothers appreciate that. Many times when mothers are hurt at something which may arise, they do not complain but feel badly deep down inside. I have talked with a number of people who say, "I love my mother and she knows it but I do not ever hug or kiss her!" How awful! Hope you did not miss the Royal Wedding on TV of Princess Alexandra and Angus Ogilvy last Wednesday. That is truly a real match and will be just Mr. and Mrs.!

How lovely the shrubs and azaleas appear in the huge containers on all the business corners downtown in Baltimore. Sure gives those streets a lifter-upper. We can be thankful for the much needed rain as everything is a beautiful green. As for the Dogwood of various hues and colors, it is a dream all over now no matter where you drive. The lovely azaleas are a beautiful sight and they seem to be more plentiful than ever just about on every lawn regardless of size. The sad part is that so much beauty lasts for such a little time.

What a beautiful letter arrived from Lawrence Welk! He always remembers me with a lovely card at Christmas, too.

How awful it is when one hears that the Republicans are disgusted with McKeldin doing too much talking! It is really best in running for any political office to say kind things rather than run down the other party. Our nice Mayor Goodman does not say a word against McKeldin only in answer to some things that McKeldin states about his opponent. I am positive that if my own sex was running for anything political, she would relate what she was going to do and not speak against anyone and that is because women are smarter! Eh?

Mrs. Housewife, never have colored tissue for the bathroom as white is always the pure and I think that should be the must in every home. While you are doing your spring cleaning, be sure and have a dinner that is easy so as you will not have to stand over the stove after your tired day. Soup and that is vegetable is preferable and with the meat serve horse radish and that delicious Royal Peach gelatin with either canned or fresh fruit. That would be a nutritious, substantial meal all prepared ahead of time.

The other day, I visited the lovely Methodist, Roger's Home for the Aged. Never have I been in a more beautiful place and all those dear ones are so happy and contented.

As one enters there is a room so large that it appears as a handsome ballroom where the members relax and talk after each meal. There are many interesting rooms and the atmosphere is truly contentment all the way. There are seventeen beautiful acres were the members can take daily walks if they desire to remain at home for the day instead of visiting friends or other engagements. The rooms are beautifully furnished in Cherry Wood and most of the guests are talented for various ways. Making useful gifts, apparel mending, ceramic, chair caning and so much more as you enter those different rooms, one sees these precious and deep wells very busy with their own type of work. There is the Chapel where services are held for fifteen minutes every morning before breakfast and the largest dining room that I have ever seen.

The first home was built in 1867 and it is the most interesting history as this is their third home. It is truly heavenly for the aged!

Have a grand week-end, folks. Hope to see you one of these days. D.V.

Until next week,

I am,

Faithfully,

Your Observer.

GRASS ROOTS OPINIONS

OPPORTUNITY, WN., SPOKANE VALLEY HERALD: "I was raised on a farm, where you have the advantage of seeing my basic philosophy working. Sometimes I feel I did my three sons a disservice by not making their home on a farm. In a modern push-button home it is not hard to understand why young people sometimes miss the point of life. On a farm, they would learn that if they wanted to eat they would have to plant the seed and then labor mightily until their muscles ached to see that seed bear fruit for their use. In more primitive times, they would have learned that failure to labor thus would have resulted in a hungry winter."

BOONVILLE, IND., ENQUIRER: "The United States stands as a bulwark against nationalization and socialism (though we practice some forms of socialism in our government, not calling it by name). One of the key reasons why we in the United States must keep our country strong and continue to set an example to the rest of the world, is the need for demonstrating that the private ownership principle, the free enterprise system, as we practice it, is the best system for free peoples."

BRISTOL, CONN., PRESS: "Our unemployment problem can be traced to the price-wage spiral. Until the public becomes sufficiently aroused to the point where it demands a halt to those inflationary practices, no quickie tax cut will solve our domestic problems. At the moment organized greed is having far too great a role to play."

One hundred and thirty-two high school students and instructors will attend conservation workshops for Trees for Tomorrow this year on scholarships awarded by Wisconsin Public Service Corporation. Trees for Tomorrow was founded in 1944 to help build and maintain Wisconsin's natural resources, particularly its forests. It is supported by 14 paper mills and 7 power companies.

President William F. Foss of Minneapolis-Moline, Inc., says: "There is no difference between the necessity for earning a profit and the need for savings in our own private personal lives. We cannot grow and progress in business without profits; we cannot keep up to date and provide for the accelerating changes taking place in the world today without them."

Technicians Test in Lab, Make Factory Follow-Up

Underwriters' Laboratories inspectors make frequent, unannounced visits to all plants in which UL-listed asphalt shingles are made. Left, inspector checks weight of a sample bundle of shingles. Right, UL representative inspects for uniformity of mineral surfacing. Shingles not listed by the UL are not subject to the same control.

What's the use of having a toaster that's safe if it won't toast bread?

This is the kind of question Underwriters' Laboratories takes into consideration in setting standards for the many products it tests for safety. As a result, the UL label, widely recognized as a symbol of safety, also indicates that the product does the job it's supposed to do.

Take asphalt shingles, for example. Those that bear the UL label (not all asphalt shingles do) have passed a series of rigorous tests for

safety. When subjected to flames and firebrands in carefully controlled laboratory tests they must resist fire and be able to check its spread. But the UL label on asphalt shingles means more than this. It can be used only on shingles manufactured to the UL's exacting specifications.

UL inspectors make frequent, unannounced visits to the manufacturing plants to observe production and to conduct more than a dozen tests on the materials used in the shingle manufacture.

All About Dogs

More Fun With Your Pet

It's easy to enjoy the time you spend with your pet. The key is training. Whether he's young or old, you can teach a dog new tricks, once he's mastered basic obedience.

Clarence C. Fawcett of the Purina Dog Care Center, St. Louis, has been working with dogs for 30 years and he asserts, "In all this time, I've never come across a dog who couldn't learn to obey, given proper instruction."

Try teaching these two basic tricks to your pet, using Fawcett's suggestions:

Most dogs love to chase after a thrown object, but returning it to you is something else again. Start teaching FETCH by rolling a ball or toy just a few feet away from the pup as you say "FETCH!" When he picks up the object repeat the command and gently pull the pup to you—and praise him. Never chase after a dog. Teach him to bring the object to you by using the training cord.

JUMP: To teach your dog to jump on command, start with a low board across a narrow hallway. Lead him to it and say "Up" or "Jump" as you gesture with your right hand and jerk up lightly with the leash. When he jumps—praise him. Or, with the dog at heel, just walk up to a low, wide box so that he has to jump on it, each time giving the command. When you are certain he understands, use a higher box. Then, have him practice jumping onto his grooming bench, or into the car.

Fun On Wheels

BIKE MONTH CHAIRMAN... Debbie Drake, nationally known TV personality and author, and chairman of American Bike Month in May demonstrates that bike riding is healthy fun for young and old alike.

"You can't sit and keep fit," say American educators, but you'd never know it to look at the young lounge-chair jockeys who spend warm weekends and after-school hours by the television set. Though the sun shines gloriously, they're almost certain to be suffering from spectatoritis—a tendency to sit and watch the other fellow do it that leads to "paleface pallor," flabby muscles and poor grades.

Suggesting an outdoor game or two is usually all it takes to tempt them into the fresh air. Games played on bikes are excellent lures, combining competition, fun and wholesome outdoor exercise.

A popular favorite with the small-fry is the Slow or Snail race... to see how slowly you can ride.

A course 50 feet or more in length is laid out with several lanes, three to six feet wide. Lanes are marked with chalk or string and may contain obstacles around which the racers must pedal.

At the starting signal, each rider pedals down his lane as slowly as possible. He may not stop, turn around, or touch the lane markers. Last man to cross the finish line wins. Even a troop of circus clowns couldn't come up with as many antics as the riders do trying to maintain their balance while going slowly.

This and other fun-packed games, including Shoe Scramble, Mystery Race, Bike Relay and Potato Race, are contained in the booklet "America's All Time Ten Best Bike Games." The booklet is offered free by all bike retailers in May, American Bike Month.

KEYSVILLE-DETOUR

Greetings to you:

Friday evening, May 10, from 6 to 9 P. M., is the Bake Sale being sponsored by the Terra Rubra Girls 4-H Club at the former Devilbiss Store in Union Bridge. If you would care to donate, please contact Mrs. Richard Wilhite at 775-2118. All sales will be appreciated by the girls for the funds raised will be used to send members to the Camp to be held later in the summer at the Ag Center or to Club Week.

Lutheran Church Men of the Union Bridge Parish will hold their next meeting on Wednesday evening, May 15, at 8 P. M. at the Union Bridge Church. Mr. Leslie Lease, former missionary to India, will be the featured speaker. Mr. Lease, of Walkersville, is a cousin to Mrs. Ralph Shoemaker of Keysville and is known to many in this area.

Happy Mother's Day to all Mothers everywhere on Sunday the 12th. Cub Pack #459 will hold their last meeting for this school term on Friday the 17th.

Rev. J. Leon Haines, who is assistant to the president of the Maryland Synod of the Lutheran Church in America, was guest speaker on Sunday at both Keysville Lutheran Church in Union Bridge.

Mrs. Carroll Wilhite of Detour visited last Friday with her mother, Mrs. Emory Yoder, and her sister and family, Mr. and Mrs. Walter Gill and children. On her return she also visited with Mr. and Mrs. Edgar Currens of Hampstead. It gives me great pleasure to report this news for it is the first time in months that Edith has driven a car. I know all her many other friends will also be happy to know that she is so much improved. She has lost weight, her eye is so much better, and her blood pressure is coming under control. All very good news indeed!

Clarence, son of Mr. and Mrs. Harold Thomas near Detour, spent the week-end of April 27 and 28 at Bridgewater College, Bridgewater, Va., attending the Eastern District Young Peoples' Meeting. About 18 young people attended this meeting from the Union Bridge Church of the Brethren.

Richard Wilhite, Paul Roop, Robert Bowers, Jr., and Daniel Ridinger of Keysville Road, as well as Leonard (Junior) Wantz of Taneytown, spent the week-end at Ft. Meade, Md., for National Guard training.

Saturday was the day the Carroll County Homemakers went to Washington, D.C., to visit the Landon School grounds to see the beautiful azaleas and also join the Goodwill Embassy Tour. This covered eight Embassies and the Islamic Center. There were 114 Homemakers and their husbands and friends who took the trip. It was truly a worthwhile adventure. The Embassies were definitely interesting to visit; the furnishings from the different countries, the beautiful flower arrangements, some of the Embassy people in their native dress, the use of lovely colors and paintings, and on and on. I'm sure those who took the tour will not soon forget it. Especially the Islamic Center where all who enter must remove their shoes and then sink ankle-deep (or so it seemed) into beautiful blue Persian rugs in a room tiled in blue and white with some reds and yellows. Really lovely. After the tour, dinner was served at the National 4-H Center of Connecticut Ave. in Chevy Chase and all were homeward bound at 7:45 P. M. The Embassies visited were of the Philippines, Chile, Netherlands, Venezuela, Japan, Denmark, Canada and Iran. Truly a memorable day.

The annual Mission Study was held at Keysville Lutheran Church on Sunday evening with a good attendance. I was unable to attend but have heard from several sources what a fine program was put on. Mrs. Norval Shoemaker showed slides from a trip to Hong Kong and there was singing by the Union Bridge Parish Men's Chorus as well as refreshments later.

Mr. and Mrs. Carlton Catlin of Detour and Mr. and Mrs. John Lambert of New Midway rode over "The Apple Blossom Trail" near Biglerville, Pa., on Sunday, April 28.

Mr. and Mrs. Myron Wilhite and Denise and Mrs. Richard Wilhite were Sunday supper guests of Mr. and Mrs. Carroll Wilhite, Jane and Beth, near Detour.

Mr. Fleharty had a busy day on Sunday. My dad and stepmother, Mr. and Mrs. Elmer Wolfgang and her two children, Steve and Judy, of Ginter, Pa., as well as my two sisters and my nephew, Misses Carol and Fay Wolfgang and Shawn, of Washington spent the day with us for a family get-together.

Mr. and Mrs. Melvin Baile and children of New Windsor were Sunday evening visitors with Mr. and Mrs. Myron Wilhite and Denise.

The May Day Program at Elmer Wolfe School in Union Bridge last Wednesday (May 1) was very good. The May Queen was Sharon Watson who was dressed in yellow with attendants in white and the two flower girls in yellow also. Each grade had a part in the program which used "Maryland in May" as its theme. It all moved along rapidly and each child did very well. It was quite obvious that the teachers and the children had spent a lot of time working very hard to put on such a successful program. Officers for the coming year for PTA Weeks; vice president, Ray Wilson; secretary, Mrs. Harold Thomas; treasurer, Mrs. Norman Black. Let's all "back them up" with our support.

Mr. and Mrs. Bobby Moses of Washington, D.C., visited on Friday evening with Mr. and Mrs. Edward Coshun and family near Detour. You will remember Mrs. Moses, who is expecting their first baby in June, as Miss Debbie Sappington.

—Dorothy Fleharty.

Some of our folks made a Spring-time visit to Adams County's 18,000 acres of fruit orchards, a bloom with fluffy pink and white blossoms, which cover the rolling hills and dip into the fertile valleys in the heart of Pennsylvania's "Apple Land."

Each year 50,000 people enjoy this breath-taking spectacle on Apple Blossom Sunday and during the last week of April and the first week of May. On May 5th at the South Mountain Fairground, hundreds saw the Apple Blossom Queen and all her Court. The queen was crowned with fitting ceremonies. On the Apple Blossom Trail you were served with fresh cool apple juice and apples. The country-side was beautiful in blooming flowers and trees such as: pink and white Dog Wood, Red Bud, Lilacs, beds of Tulips of many colors, purple Iris, and Wisteria; banks of Mountain Pinks in lovely colors and Azaleas of red and pink. The mountains too were lovely in shades of green. Spring surely has sprung with all its splendor and glory.

A fellow while at work one day asked another fellow worker this question, Does a horse pull or push? He answered, we always say that horse won't pull or look how that horse pulls; but he says come to think of it he pushes. First fellow: Right, because he has the collar around his neck with the necessary attachments in which he pushes. An interesting thought.

Mr. and Mrs. Levi Frock called on Mrs. Hannah Smith of Uniontown on Saturday evening.

Just Do It — And Smile

What good did it do—to be grouchy today?

Did your surliness drive any troubles away?

Did you cover more ground that you usually do?

Because of the grouch that you carried with you?

If not, what's the use of a grouch or a frown?

If it won't smooth a path or a grim trouble down?

If it doesn't assist you, it isn't worthwhile.

Your work may be hard, but just do it—and smile.

Fifteen muscles make a smile, I once heard some one say; And it takes sixty for a frown, Then frowning doesn't pay.

I'll smile and use the forty-five To say things kind and true; With all those extra muscles saved, What great things I will do.

My Mother's Garden (by Alice Allen) Her heart is like her garden, Old-fashioned, quaint and sweet, With here a wreath of blossoms And there a still retreat.

Sweet violets are hiding, We know as we pass by And lilies pure as angel-thoughts Are opening somewhere high.

Forget-Me-Not's there linger, To full perfection brought, And there bloom purple pansies In many a tender thought.

There love's own roses blossom, As from enchanted ground, And the lavish perfume unexcelled And the wild glad year around.

And in that quiet garden— The garden of her heart— Song birds are always singing Their songs of cheer apart.

And from it floats forever, O'ercoming sin and strife, Sweet as the breath of roses blown, The fragrance of her life.

May God richly bless all the mothers all over the world and may all of you have a wonderful day. In sickness or sadness, joy, sorrow or pain, always keep looking up. God's love is always the same.

—Mrs. L. J. Frock.

A LOOK AT CARROLL COUNTY'S BIRDS

Last Saturday, May 4, I enjoyed a very pleasant walk, in the company of some extremely interesting people. They are the members of the Soldiers' Delight Chapter of the Maryland Ornithological Society. In other words, these individuals watch and study birds, and believe me, their knowledge of these feathered creatures is simply amazing!

The purpose of the walk previously mentioned was to take the annual spring count of birds here in Carroll County. This bird "census" is statewide. It is taken in every county throughout the state and plays a very important role in determining the numbers and variety of birds in Maryland. The Soldiers' Delight Chapter is actually from Baltimore County.

However, since no one was taking the count here in Carroll, this group volunteered its services.

Consequently, for the past four years, these enthusiastic "bird fans" have traveled up to Kays Mill Rd., off of Route 97, not too far below Westminster. This lovely byway, which winds along beside a sparkling stream, leads one into a secluded woodland — a virtual paradise for birds. As we rounded the bend, we saw the other members already there busily engrossed in watching and counting. Mrs. Jean Worthley, well-known authority on birds, and Mr. Rodney Jones, noted botanist, were on hand to help us identify the bird calls and to search out the birds.

Bertha Poe, president of the group, kept a careful record of all the birds seen. By the time we left, she had run up an impressive list of 69 different birds, all seen in the matter of a few hours.

With the aid of these experts on ornithology I was able to see some delightful birds. Some of them, like the warblers, I had heard, but had never glimpsed. So I was really pleased when I spied five of them, the male and female Myrtle Warbler, the Yellow Throat, the Chat and the Louisiana Water Thrush. Warblers are very colorful, but for the novice, they are rather difficult to find and to identify. For veteran bird watchers, however, they are perhaps the most interesting ones of all. We also saw a Cuckoo, Red birds, two Rough-tailed Swallows, Woodpeckers, Field Sparrows, Goldfinches and witnessed a battle between a Broad-tailed Hawk and a Red-Winged Hawk. Other birds seen are just too numerous to mention here.

By the time I left, I was more firmly convinced than ever that bird watching is relaxing, enjoyable, and relatively inexpensive. The only things really needed are sharp eyes and ears, plus a good pair of legs. However, a good pair of binoculars and a bird guide will enable one to go into the study of the birds much more thoroughly. If anyone in this area is interested in starting a Carroll County Chapter, you may call PL. 6-6983, or get in touch with Mrs. Bertha Poe, Owings Mill, Maryland.

MARRIED

WIVELL-PITTINGER

A pretty spring wedding was held on Saturday, April 20, at 9:30 A. M. in St. Anthony's Shrine, Emmitsburg when Miss Mary Frances Pittinger, daughter of Mr. and Mrs. George R. Pittinger, Taneytown, became the bride of Paul J. Wivell, son of Mr. and Mrs. Roy J. Wivell, Emmitsburg.

The nuptial Mass and double ring ceremony was performed by their pastor, Rev. Vincent J. Tomalski, before an altar decorated with white Easter lilies and lilies of the valley.

Mrs. Alma Seltzer, church organist, played traditional wedding music and accompanied the soloist, Eugene Roensteele, who sang "Mother at Your Feet Is Kneeling as the bride presented her bouquet to the Blessed Mother, and also "I Need Thee Precious Jesus" and "Oh, Lord I Am Not Worthy."

Escorted and given in marriage by her father, the bride wore a floor-length gown of chantilly lace over net and satin with a chapel train. The fitted bodice had an insert of net at the neckline which was graced with iridescent sequins and long sleeves that came to a point over the hands. The neckline was trimmed with a mandarin collar. Her only jewelry was a two-string necklace of pearls with matching earrings, a gift of the bridegroom.

Miss Joan Wivell, sister of the bridegroom, was maid of honor and wore a blue chiffon dress over taffeta with a matching lace jacket. She wore a matching blue headpiece with an attached veil and carried a bouquet of pink, blue and white carnations.

Bridesmaids were Miss Barbara Pittinger and Miss Dorothy Pittinger, both sisters of the bride. They each wore pink dresses identical to that of the maid of honor. They also wore matching pink headpieces and carried bouquets of blue, white and pink carnations.

Flower girls were Connie and Cathy Markle, twin nieces of the bride. They wore yellow satin dresses with matching net headpieces and they each carried bouquets of mixed spring garden flowers.

Eugene Wivell, brother of the groom, served as the best man. The ushers were Roland Pittinger, brother of the bride, and David Wivell, brother of the groom. Henry Wivell, Jr., nephew of the groom, served as ring bearer.

For her daughter's wedding the bride's mother wore a blue lace over blue satin dress with matching accessories and a corsage of white pom-poms. The bridegroom's mother chose a blue and white rayon dress with matching accessories and also wore a white pom-pom corsage.

Following the ceremony, a reception was held at the home of the bridegroom's parents. Music was furnished by Lee and Dottie, the Carroll County Ramblers, uncle and aunt of the bride.

The couple left on a wedding trip to Niagara Falls, New York, and Luray Caverns in Virginia. For traveling, the bride wore a light blue cotton dress and the white orchid corsage lifted from her prayerbook.

Mrs. Wivell is a graduate of Taneytown High School, class of 1961. The groom graduated from St. Joseph's High School, Emmitsburg, and is self-employed as a dairy farmer.

The couple are residing in their newly furnished home on Route 2, Emmitsburg.

A business consultant is someone called in at the last minute to share the blame.

Temper gets you into trouble. Pride keeps you there.—Anonymous.

GETTYSBURG'S FANTASYLAND READY FOR CENTENNIAL YEAR

A record number of people are expected to visit the historic little town of Gettysburg, Pa., in 1963, the 100th anniversary of both the Battle and Lincoln's famous address.

Special commemorative events are planned all summer, the highlight being an expected visit and speech by President Kennedy during the July 4th ceremonies.

Fantasyland, Storybook Park, entering its fourth season, has prepared new displays, as well as additional parking and free picnicking facilities. Located just off the Battlefield, near the new Visitor's Center, Fantasyland is Gettysburg's newest and largest attraction. It was created and built as a contrast to the Battlefield and Cemetery. Mr. Kenneth Dick, owner, a Civil War buff himself, whose own children are too small to appreciate the significance of history, decided that Gettysburg needed something interesting for the young and less-historical minded folks.

The result was a beautiful, shady, relaxing forest, dominated by a 23-foot figure, Mother Goose, and containing all her favorite storybook friends. As one walks over quaint bridges amid this nature lovers' paradise, you find that also living here are Santa Claus, his reindeer and his Elves. The Elves are actually hard at work getting ready for Christmas.

Live characters, including Little Red Riding Hood, Raggedy Ann, Alice in Wonderland, and many others roam the forest talking to the children and posing for pictures.

Fantasyland's 15 acres are sparkling clean and always new-looking. 30,000 tulip bulbs bloom each spring, and more are added each year. Then summer flowers are planted every where, providing a maze of beautiful color the entire season.

A Sugar Plum Snack Bar is located by a Fairy Lake, and one can eat a Humpty-Dumpty Burger under a real Lollypop Tree.

To keep Fantasyland low-pressure, and non-commercial, but to satisfy everyone, just two rides are available; an 1865 train, and a small carousel with gleaming white horses.

Always on hand to pet, besides Santa's deer—are live animals including Mary's Little Lamb, Peter Rabbit, Henny Penny and a trained chimpanzee, named Zippy. There is a baby calf in the barn, a big hay mow to slide into, and many other wonderful things to do, including talking to Humpty Dumpty, Mother Goose, and Rapunzel, whom the witch has locked up in the top of the castle.

Many people will relive the history this year at Gettysburg. Most of them will also relive the dreams of childhood: "So good to be believed in once, so good to be remembered when outgrown." Fantasyland's beautiful landscape and display will be a thrill and a great deal of fun to everyone from age 1 to 100, and especially to those with a camera.

Marilyn received many nice gifts. All enjoyed a lovely evening. Rev. Whalen praying "God's Blessings" upon all those there.

HISTORICAL NEWS

Historic places and people of Carroll County, Maryland, during its participation in the Civil War of the Gettysburg campaign and Battle of 1863.

Bridgeport

Md. 97, about 3 mi. NW of Taneytown. The Third Corps, Maj. Gen. Daniel E. Sickles, U.S. Army, camped about Bridgeport June 30, 1863. The next day the corps moved to Emmitsburg.

Hdqtrs. of Winfield Scott Hancock

About a mile east of Uniontown, south side of the Uniontown-Westminster Road, on the John Babylon farm currently owned by Harry Haines, Gen. Winfield Scott Hancock commanding the Second Corps, Army of the Potomac, had his headquarters from June 29, 1863, until July 1 when he marched his corps through Taneytown towards Gettysburg.

Hdqtrs. of Gen. George G. Meade

1 mile north of Taneytown on west side of Md. 194, in the yard about a brick house owned in 1863 by Benjamin Shunk and currently owned by Charles W. Eckard, Maj. Gen. George G. Meade, commanding the Army of the Potomac, made his headquarters from June 30, 1863, until moving, July 2, to Gettysburg.

Manchester

Junction of Md. 30 and Md. 31. The Sixth Corps, Maj. Gen. John Sedgwick, Army of the Potomac, marched to Manchester from Westminster June 30, 1863. Manchester was to form the eastern end of the Pipe Creek line on which Gen. Meade

for a time planned to oppose Gen. Robert E. Lee. On order Sedgwick left Manchester after dark July 1 to march to Gettysburg. Slightly more than a mile from Manchester along the left side of the Old Westminster Road, currently called Old Fort School House Road, is a small brick building on the property of William Hossler. This building replaced the school building there in 1863. Gen. Sedgwick's headquarters, it is thought, were close to the school house.

The Second Cavalry Division, Gen. David McM. Gregg, marched from Westminster to Manchester June 30, 1863.

Middleburg

East of Junction of Md. 194 and Westminster Road. Maj. Gen. George G. Meade, commanding the Army of the Potomac, moved his headquarters to Middleburg from the outskirts of Frederick June 29, 1863. A marker erected by the United States Government gives the location of parts of the Army on June 29, 1863.

New Windsor

Junction of Md. 31 and Md. 81. One regiment of the 2nd Cavalry Division, Army of the Potomac, marched through New Windsor the night of June 29, 1863, on orders of Gen. David McM. Gregg to join him at Westminster in the hope of catching up with J. E. B. Stuart.

On July 9, 1864, Col. Harry Gilmer, C.S.A., paused long enough in New Windsor to seize a few horses as he pushed his march to the Gunpowder River. Almost immediately Gen. Bradley T. Johnson, C.S.A., passed through New Windsor and followed Gilmer to Westminster and Baltimore County.

Ridgeville

Junction U.S. 40A and Md. 27. Part of the 2nd Cavalry Division, Army of the Potomac, was located about Ridgeville in the attempt to make contact with Confederate Gen. J. E. B. Stuart. On June 29, 1863, the unit assembled here to move to Westminster.

Taneytown

Junction of Md. 97 and 194. Taneytown played an important part in the efforts of Maj. Gen. George G. Meade to concentrate the Army of the Potomac to block the threat of the Confederate Army just beyond the Pennsylvania border under the command of Gen. Robert E. Lee. June 29, 1863, found Maj. Gen. Daniel Sickles camping the 3rd Corps close to Taneytown on the farms of Jacob Null, John Thomson and Benjamin Shunk.

On the 30th the Third Corps moved three miles northwestward to Bridgeport; the Twelfth Corps moved through Taneytown to Littlestown; and Gen. Meade established his headquarters on the Shunk farm. July 1 Gen. Winfield Scott Hancock was resting his Second Corps on the Swope farm just west of Taneytown when he received news of the death of Gen. John Reynolds and the order to leave his corps immediately, ride to Gettysburg and take command of the Union forces on the field.

Headquarters for the Signal Corps were established in Taneytown June 30, 1863. During the Battle of Gettysburg the tower of the Lutheran Church was used for the display of flags by day and flares by night.

The Second Corps returned to Taneytown July 7, 1863.

Union Mills

U.S. 140. Union Mills was the seat of a divided Shriver family with homes on both sides of the road. Gen. J. E. B. Stuart camped his troops here on June 29, 1863. He was a guest in the morning of June 30 in the home on the southern side of the road. The following night Gen. James Barnes, commanding the 1st Division, Fifth Corps, U.S.A., camped here and was entertained in the home on the northeastern side of the road.

A marker has been erected by the State Roads Commission.

Westminster

Junction of U.S. 140 and Md. 27. Westminster was thrice entered by Confederate troops. Col. T. L. Rosser with his 5th Virginia Cavalry occupied the town Sept. 11, 1862. He spent the night in the home of John B. Boyle, currently No. 79 on the corner of Main and Carroll Sts. During the last days of June 1863 Westminster gained new importance because of the troops moving unwittingly towards Gettysburg. June 28, 1863, Maj. Napoleon B. Knight marching along the Baltimore Road entered Westminster and camped along the Littlestown Road on property currently owned by Western Maryland College. The next afternoon Gen. J. E. B. Stuart clashed with Knight and his 1st Delaware Volunteer Cavalry just south of town and drove him into flight towards Baltimore. Scarcely pausing Stuart marched on to Union Mills for the night. Elements of his command during the night were busy with the large supplies they found about the railway depot in Westminster. June 30, 1863, Gen. David McM. Gregg, commanding the 2nd Cavalry Division, Army of the Potomac, marched into town. Here he picked up a few of Stuart's stragglers. Gen. John Sedgwick, commanding the Sixth Corps, marched through Westminster to take up his post at Manchester in accordance with orders from Gen. George G. Meade who planned to stretch his defense along Pipe Creek with his base at Westminster. As Union troops concentrated on Gettysburg, wagon trains moved to Westminster and Union Bridge. Supplies were ordered from Baltimore by rail to Westminster. During the battle at Gettysburg, the railway station at Westminster was crowded with supplies from Baltimore and wounded and prisoners for Baltimore.

In July 1864 Confederate General Jubal A. Early made a thrust at Washington. Col. Harry Gilmer on July 9, 1864, drove a few Union troops along Main Street as he headed for the Gunpowder River north of Baltimore. A few hours later Gen. Bradley T. Johnson marched into town and established headquarters for a little while in the Shellman home, currently 206 E. Main Street.

In military strategy the second line of defense is always kept in mind. If the Confederates would have made a break through at Gettysburg Pipe Creek would have been the first natural barrier toward Washington. If this had been the case Pipe Creek would have meant about the same to the Gettysburg-Westminster campaign as Antietam Creek meant to the battle of South Mountain and Sharpsburg.
