HIGH SCHOOL HIGHLIGHTS

Rehearsals are underway for the annual Class Night presentation by the seniors of Taneytown High School which will be held on Friday night, May 31, at 8:00.

A committee of six chose this up-to-the-minute psychological farce, "Six Switches for Ego."

The play is set at the Bell School for Adults, where Dr. Solomon Bell uses the basic principles of the enlightened nursery school to help his disturbed students adjust to environment. Psychologist Dr. Bell uses freely the techniques of group dynamics and psycho-drama, helping his students to talk and act out their frustrations and disappointments.

Perhaps the most unusual element is provided in the interlude between Acts II and III when students at the school find themselves in a police line-up and are identified by members of the audience.

Participating in the production are: Gerald Tracey as Dr. Solomon Bell, Carol Bair as Mrs. Kaye Ryan, Leah Little as Merry Bell, Stephen Feaser as Melvin Stoddard, Patia Brauning as Velvet Skinner, Ronald Baumgardner as John Bedford Judson, Bonnie Brown as Elmira Judson, Doris Welty as Greta Jones, Terry Riffle as "Beaver" Williams, John Hawk as Otto Schmidt, Chalmers Warehime "Sweetheart," Jean Myers as Eddie Setzer, Robert Dinterman, Richard Bowers and John Baker as Newsboys, Donald Kooztz as Bum, Betty Stonesifer as Shoplifter, James Wojtkowiak as Theater Manager, James Brown as Usher, Donna Eckard and Hannah Lippincott as Women in Audience, Barbara Fink, Patricia Rodkey and Carolyn Surbey as Students.

Committees for the production are: Scenery: James Myers, Verl Angell, Carroll Stauffer, Franklin Ridinger and Larry Glass; Properties: Anita McCurley, Diana Dinterman and Sonia Hottinger; Make-up: Linda Lieb; Lighting and Sound: William Formwalt and Ronald Airing; Prompters: Joyce Strickhouser and Nancy Deal

Admission to Class Night is by ticket only until 8:00. After that if any seats are available, the auditorium will be opened to the general public.

The classical records club met on Monday, May 20, in the French room. The group listened to Ravel's "Bolero," "Faust: Ballet Music" by Gounod, "Carmen Suite" by Bizet, and "The Tales of Hoffman: Barcarolle" by Offenbach. Mr. Francis Smith is advisor.

ALUMNI BANQUET JUNE 1
Plans for the annual Taneytown High School Alumni Banquet, June 1, are just about complete, according to John Skiles, Chairman of the Board. However, Secretary Dean Brown reports that reservations are coming in very slowly. With the deadline fast approaching, all Alumni are urged to get their reservations in immediately to Mr. Brown, accompanied by the payment and class year. The deadline is this Tuesday, May 28.

Classes planning reunions should contact either the Secretary or one of the co-chairmen, Mrs. John Harner or Mrs. James Fair. If notified, special tables are reserved for reunion classes and they are given special recognition and place on the program.

The fried chicken dinner will be prepared by the Ladies Auxiliary of the Fire Co., and will be served in the High School cafeteria by volunteer students. The dance will follow in the auditorium from 9 until 12 with George Reye and his orchestra, York, Pa., furnishing the music.

When a thing ceases to be a subject of controversy, it ceases to be a subject of interest.—William Hazlitt.

MEMORIAL DAY OBSERVANCE

Hesson-Snyder Post #120, The American Legion has announced that plans are complete for the annual observance of Memorial Day here in Taneytown.

A parade is planned, which will form on Uniontown Road, opposite Taney Inn, at 12:30 P. M., and move out at 1:00 P. M. proceeding directly through town to Memorial Park entrance where the ceremony will take place.

We are fortunate indeed, to have secured as our speaker the Rev. J. H. August Borleis, DD, of Uniontown, Md. Rev. Borleis is a retired Army chaplain with 28 years of active service. His experiences have been many and varied and he comes to us extremely well qualified to deliver a fitting Memorial Day address.

Memorial Day is, indeed, a solemn occasion and should not take on the aspect of a gay and gaudy celebration, but should be observed with a high degree of reverence for our honored dead. Certainly we cannot turn out in great enough number to pay homage to those who made the supreme sacrifice for us, the living.

Another reason for Taneytown's turning out in great numbers than ever before, is the fact that this year the centennial of the Battle of Gettysburg is being celebrated. Taneytown played an important part in this battle. Regrouping of troops took place in this area prior to this engagement and we are told that Taneytown could well have been the scene of this battle. Therefore, in our humble opinion, Memorial Day not only in Gettysburg but in Taneytown, should set the stage for the years observances. Most importantly, it behooves each and every one of you to attend the ceremony at Memorial Park. The parade is only the prelude to this ceremony which contains the only meaningful part of our observance, so please avail yourself this opportunity to hear a very fine Memorial Address by Rev. Borleis.

SIXTIETH COLLEGE CLASS REUNION
During the week-end of May 31 — June 2, Rev. Guy P. Bready will be in Lancaster attending and participating in the sixtieth anniversary and reunion of the Class of 1903 of Franklin and Marshall College, in connection with the Commencement program. Of this Class of forty members, graduated sixty years ago, 12 survive: four ministers, two physicians, two college professors, a bank president, a lecturer on theological subjects, a naval officer and a Post Office official. One minister is also a retired teacher; another a publisher of books. Two hold the degree of Doctor of Medicine; two, the degree of Doctor of Divinity; and three, the degree of Doctor of Philosophy. Six are the authors of published books, one has gained some note as a poet, and another is regarded as an authority on the "Dead Sea Scrolls."

Among the other twenty-eight members of the Class who have died in the interim, there was a Civil Engineer, a chemist, a school superintendent, a college professor, a missionary to China, a radio and television executive, four teachers, four lawyers and seven ministers. Two held the degree of Doctor of Divinity and two were Doctors of Philosophy.

TEACHERS AND HELPERS OF COMMUNITY V.B.S. WILL MEET
In connection with the theme of the Taneytown Community Vacation Bible School which is "Christ's Way, My Way," a sound colored filmstrip will be presented to all those who will serve as a teacher or a helper of the school. This presentation will be made on Monday, May 27, at 8:00 P. M. at Grace United Church of Christ by the Rev. William F. Wiley, Supervisor of the School.

All parents are requested to have their children enrolled in the preschool registration which concludes with Sunday, May 26. Please give your child's registration to recruiter or pastor of your church. You may call the Supervisor, Rev. Mr. Wiley, at 766-4311 if your child or children are not one of the Taneytown churches. All boys and girls four to thirteen years of age are welcome. The minimum age for helpers is fourteen. May our school contribute much to the Christian character building of the children of the community and its outlying areas.

The dates of the school are June 17-21 and 24-28.

LIGHTNING HITS MAN IN FIELD; IS RECOVERING
George Knox, 39, Taneytown R.D. 1, is reported in satisfactory condition by authorities at Annie M. Warner Hospital, Gettysburg, where he was admitted Monday afternoon after being struck by a bolt of lightning while in a field on his farm about one and one-half miles west of Taneytown.

Knox received burns of the arms and chest and singed hair. The lightning, caused by Monday afternoon's thunderstorm, struck Knox indirectly as he was planting corn. The lightning struck the corn-plant and carried through to the tractor on which he was riding.

He was found unconscious by a laborer who summoned the Taneytown Fire Co. ambulance. Knox, unconscious for about 10 minutes, was taken to the office of Dr. Robert S. McVaugh, Taneytown, where he was treated before being taken to the Hospital where he remains a patient.

MEETING OF CHAMBER OF COMMERCE

Hon. John B. Funk was the Principal Speaker

The regular monthly dinner meeting of the Taneytown Chamber of Commerce was held at Taney Inn Monday, May 20, with 52 members in attendance. This is the largest turnout that the Chamber has enjoyed for some years. President Dunham expressed the hope that this fine attendance might continue in future meetings. Due to the importance of the speaker and his message, only an abbreviated business meeting was held.

The speaker was the Honorable John B. Funk, Chairman-Director, Maryland State Roads Committee. Mr. Funk's presentation was timely and of considerable interest to the citizenry of Taneytown and its environs. The text of his speech which he entitled "An Expressway a Year" follows for your perusal.

"It is a great pleasure to be with you this evening to talk about the future of Maryland's heart-land, the name I like to give to this region of the state.

"As one who grew up in neighboring Frederick County, I always have loved the rolling hills, the fertile farmlands, the valleys and the streams which characterize this part of Maryland.

"Planners, however, tell us that this land we love is going to change over the next few decades. This change, they say, is going to be radical.

"For example, Maryland now has more than 3.7 million acres of land dedicated to farm usage.

"By 1981, an increased population to nearly 5,000,000 Marylanders will demand from this 3.7 million acres, a total of 500,000 acres for new homes, schools, shopping areas, and recreational sites.

"Also, the farm community, besides giving up this tremendous amount of land to other uses, faces the task of feeding this great number of additional people.

"This is a big order, being called upon to produce more foodstuffs while the land available for such purposes is being reduced.

Agriculture has developed new means of feeding and caring for livestock to increase its gross product. It has developed new means of growing more abundant crops.

"But, the demands are going to be greater on the agricultural community, and by the agricultural community, I just don't mean the farmer. I mean the business man, like many of you here tonight, whose businesses not only depend on the welfare of the farmer, but who back him up by supplying him the equipment and material he needs to keep his establishment going.

"To meet these greater demands, all of us are going to have to develop newer and more efficient means of growing the crop and getting it to the market, the big urban market which is developing in the Baltimore-Washington complex.

"The farmer will do it, I am sure. "So will the farm-oriented business man.

"Government can make a contribution toward this greater efficiency. "It can do so through fair treatment to the farmer and proper consideration of his problems.

"It can do it by providing him with a modern transportation network which will get his crops to market, efficiently and with safety.

"In Maryland, this is partly the job of the State Roads Commission.

"For the past three years, we have been concentrating on the job of constructing an expressway network, a backbone system of big roads which can handle big volumes of traffic.

"This will give us something to build to.

"In fact, you might say we have been building an expressway every year.

"Last year, you recall, we completed the Baltimore Beltway.

"This highway has provided an enormous boost to traffic moving around the rapidly growing suburban fringe of the city.

"This year, we will complete the Northeastern Expressway. A modern highway to parallel route 40, which has grown into a very dangerous highway where an average of 20 deaths per year occur.

"Next year, we will complete the Capital Beltway around the city of Washington.

"The year after that will see the completion of Interstate 70 through Western Maryland.

"After that will follow such important expressways as the North-western which parallels Reisterstown Road and will be a boon to Carroll County.

"These expressways benefit all types of travel, the urban dweller, industrial trips, and, of course, the agricultural community.

ANNUAL TOWN MEETING HELD

The Annual Town Meeting was held on Monday evening, May 20, 1963, at 8:30 P. M. for the purpose of making nominations for three (3) town Councilmen to serve for a period of two (2) years.

Councilmen whose terms expire are: Edwin Baumgardner, Geo. Naylor, Jr., and Neal Powell. Incumbents George Naylor, Jr., and Neal Powell were renominated. Glenn Bollinger, Geo. Hemler, Stanley King and Thomas H. Smith were also nominated. Due to personal reasons Edwin Baumgardner declined against placing his name on the ballot.

Mr. Doty Robb served as Chairman of the town meeting. A nominating committee consisting of Doty Robb, Chairman; Geo. Harner and Murray Baumgardner was appointed to fill the ballot in case of a vacancy. Election officials were appointed as follows: William J. Baker, Clerk; Eugene Eyerl and Raymond Davidson, Judges. Mr. Thomas Tracey was picked as an alternate.

Election for City Councilmen will be held on Monday, June 3, 1963 between the hours of 12 noon and 6:00 P. M. It is hoped that many people will manifest interest in their local government by having a large turnout for this town election.

Immediately following the public meeting, the Mayor and City Councilmen retired to the Town Office at which time the budget for the year 1963-1964 was prepared and adopted.

The Street Committee consisting of George Naylor, Jr. and Delmont Koons and with approval of the Council has entered into a program with the Junior Chamber of Commerce for the naming of all unnamed streets in Taneytown, with the final goal being the placing of name signs on all intersections throughout the town. The Jaycees are to be commended for the undertaking of this worthwhile project, and have agreed to furnish labor for this program for the final placing of the signs. Maps of the town have already been turned over to the Jaycees and work has begun on this project. Jaycee Geo. Pream has agreed to serve as Chairman of this committee.

The tax rate for the town of Taneytown will remain at .85¢ per hundred dollars on real estate property. Tax bills will be mailed on July 1, 1963 and be due August 15, 1963.

The meeting was then adjourned.

DEACONS TO BE INSTALLED AT PINEY CREEK CHURCH

Installation of Deacons will mark the Worship Service of the Piney Creek Church of the Brethren this Sunday morning, May 26.

Mr. and Mrs. James Sells of R.D. Littlestown, Pa., and Mr. and Mrs. Charles Hahn, Sr., of Stone Rd., Taneytown, will be installed to the lifetime office of Deacons in accordance with Scriptural qualifications established by the Church of the Brethren Annual Conference.

Rev. Wilmer Q. Crummett, Executive Secretary of Eastern Maryland and Mordela Districts of the Church of the Brethren, will conduct the Installation Service and preach the morning sermon. The Laying on of Hands will be carried out by Rev. Crummett and Pastor Warren M. Eshbach.

And here is a cute one from Mt. Vernon Place Methodist Church which came in beautifully with the Sermon as the Minister previously had performed the marriage ceremony, "Wilt Thou take this woman to be your wedded wife in sickness and in health, for better or for worse until death do you part?" The answer came from the nervous Bridegroom, "I WILT!"

Serving as one of the chaperones for the USO in Baltimore the other evening, I was amazed and pleased at the strict rules for all the young people right there. Before any young girl can be a Jr. Hostess to entertain the man in Service, she must really be screened! First she enters and registers, then of course with references and before she is admitted, three or four go to her home and to the references which she gave to check on her thoroughly. Then, she pays 25¢ each evening she is there and when something pops up that she cannot make it, she must positively phone and give a good reason! A Jr. Hostess supposed to circulate and socialize with as many different people as possible in the course of a USO activity of the evening for dancing. To entertain all Military guests and not select a group or just one individual. That is the "Hostess Policy" and much more to which they must adhere. Very strict from start to finish — all the way and that is as it should be!

Have a grand week-end, folks. Hope to see you around the town next week and will be dropping in on you and you, D. V. Until then.

I am,
Faithfully,
YOUR OBSERVER.

FACTS AND OPINIONS

Drew Middleton of the New York Times writes from Paris: "A great many Europeans who believe in the Atlantic community, meaning a strong link between the United and Western Europe, hope that America will do something soon to stop what is termed the rot in Western Europe. Something visible to all must be done, they feel, if the dissolution of the European side of the alliance is to (be) checked. If it continues, they fear Americans may conclude that a Europe that does not recognize the real dangers of international life is best left to herself." Mr. Middleton's point is that disputes among the European nations, despite all the alliances, may weaken their resistance to the communist bloc.

"When most of us who are employed work only 40 of the 168 hours in a week and look ahead to several years of leisure after retirement, the occupations of the cultivated mind are the only defense against the perils of boredom." That's the view of Dr. Edward Hodnett of the Dow Corning Corporation. His new book—The Cultivated Mind—has just been published by Harpers. It is an attempt to open the way to an appreciation of the major figures and the major works in each field of the liberal arts.

According to an article in a publication of the American Medical Association, scientific proof has been offered that weather can affect arthritis. The author, Dr. Joseph Lee Hollander, reported that symptoms of arthritic patients became worse when barometric pressure was lowered and humidity was increased simultaneously under scientifically controlled conditions.

"Going Whole Hog" might make a dent in your food budget, but the expression does not have its origin in food, says the American Meat Institute. Long ago a ten-cent piece was called a hog. So a sport who was willing to squander a dime was said to "go the whole hog".

The public will be invited to view one of the most dramatic features of the \$40 million American Railway Progress Exposition to be held in Chicago, October 9-16. Open house will be held at the Illinois Central's 31st Street Yard on October 12-13, where the latest in railroad rolling stock will be on display — including the newest of giant locomotives, freight cars, piggyback equipment, track maintenance machinery and a wide range of examples of modernized railroading. The exposition will be the most extensive railroad exhibit ever held in the United States.

The Reader's Digest for May says: "Dozens of times you have seen him and probably not realized that he is a creature more remarkable than anything in a zoo. He is one of earth's oldest inhabitants, and a long pageant of life has passed before his small, sharp eyes. He was present to greet the arrival of dinosaurs 170 million years ago, and to bid them good-by a hundred million years later. He saw the Rockies, Alps and Appalachians push their way upward. He traveled the land bridge that several times connected the British Isles with the Continent. He was already an old-timer when Texas oil and West Virginia coal were formed. Express his 350-million-year tenure on earth in terms of a calendar year. The year was nearly over — December 30 — when he welcomed that late arrival, Man. We are speaking of the lowly cockroach."

Keysville-Detour Homemakers

The May meeting held on the 15th at the Parish House of the Keysville United Church of Christ was a special meeting with a flower arranging demonstration and the showing of two cancer films.

After the reading of The Creed, Mrs. John Blanchfield, Jr., who is the Art Leader, gave a talk on African Primitive Art.

Discussion was held on the Rural Women's Short Course to be held at Md. University in June with a deadline to register for the 6th and also on the nominees for President and Secretary for the Carroll County Council of Homemakers in September.

Mrs. Patricia Stabler, Assistant Home Demonstration Agent, had written to advise us how much 4-H members appreciate Scholarships to attend 4-H Club Week which is held in August at College Park. A motion was made and seconded that the Club send \$10 towards a scholarship.

The demonstration, "Let's Arrange Flowers," was most interesting and very well presented by Mrs. Mae Baumgardner and Mrs. Kathryn Stine. This is a two-part demonstration and the second part will be given at the June 19 meeting to be held at the home of Mrs. Hazel Stonesifer. Some tips given were: cutting the flowers before 8 A. M., for an evening bouquet or the evening before for a morning bouquet; putting them into warm water to help "harden" them; anchor the "frog" with clay in the container; for height, measure one and one-half the longest side of the container; cup evergreens in sugar water, 1 cup sugar to several gallons of water and place the largest flowers at the bottom of the arrangements.

The two films were shown by Mrs. Kathryn Coshun. One was on Breast Cancer and the other on Uterine Cancer. Both were most informative and well worth seeing.

Old Age Will Come Along by W. E. Isenhour

If your youthful years have ended And you have a tinge of gloom, And some shadows, too, have blended Where fair prospects used to bloom, Don't hang down your head in sorrow

And throw up your hands and say: "Oh I'm fearful of tomorrow, For it's bad enough today!"

Just remember while you're sighing That old age will come along, And in spite of all your crying For conditions that are wrong, It will never make you better

Just to sit and fret and sigh, As it never breaks a fetter, Nor will brighten up the sky.

Read your Bible—see its splendor; Feed upon it's precious truth; Let it's contents make you tender As in childhood and in youth;

Then behold the need of brothers, Some more needy far than you; Then devote your life to others And behold what God can do.

Sing and pray and work unceasing, Smile and thank God for his love, And you'll find your joy increasing As you think of things above, Leaving all in God's Bless keeping, Trusting Him for all that's best, Knowing after earthly reaping There will be the sweetest rest.

(Recipe for Happiness)

Take 2 heaping cups of patience, one heartfelt of love, 2 handsfull of generosity and a dash of laughter; one headfull of understanding, sprinkle generously with kindness and add plenty of faith and mix well, spread over a period of a life time and serve everybody you meet.

THE HON. JOHN B. FUNK ADDRESSES GROUP

(Continued from first page) road can be explained, I believe, by talking about a trip. A trip is as good as its weakest part. "Every trip starts on a private driveway, a residential street, or a secondary road. Very few people live or work directly on the expressway. First, they must travel on a secondary road before they reach the expressway. And, at the end of their expressway trip, they generally use a secondary road or urban street to get to their destination. "Therefore, if the entire trip is to be a good, strong trip, one that will benefit the motorist and the state, all systems — the expressway, the secondary and the urban — must be "go," if we can borrow a phrase from space technology. "The State Roads Commission is preparing what is called a needs study, which, in effect, is nothing more than a transportation plan on which we can base a definite construction program. This needs study, along with a definite construction program for the state highway system, will be presented to the 1964 session of the General Assembly. "The way things look now, the emphasis of this program will be on secondary highway construction. We are going to strengthen the beginning and the end of this trip. "We are doing some work on roads other than expressways. I am sure you are interested here tonight in the fact that we will advertise for bids on a section of Route 97 from Richardson Road to the Taneytown Fairgrounds. This contract will be advertised June 18. The section from Rupp's Mill to Richardson Road will follow. "There has been some interest in the completion of that section of Route 26 from Eldersburg to Winfield. The contractors tell us they hope to have traffic on this road by late June or July. "Of course, more ambitious programming of this type must be brought to reality. To do it, we need the help of men and women like yourselves, the business and professional leaders of the community. It is you who know the desires and needs of the people because of your daily contact with them. You hear about their complaints and their aspirations and there is no doubt in my mind that your judgments are highly respected. "So, I would ask you to explore the needs study and its accompanying program and if you like it, to join with us in bringing it to the people of the Taneytown region. "Also, you can help in another way. That is by paying close attention to the planning of your community. As I pointed out earlier, growth is on the way. "Please, don't let this beautiful region of Maryland fall by the wayside, but also, don't let it grow into an ugly child. "Make sure that during the next 20 years, you give muscles to this region so that it can prosper, but at the same time you are helping to give it muscle, make certain you keep its beauty intact."

The Carroll County Chapter for the past two years has contributed to the Johns Hopkins Clinic. For every child on every continent, polio protection through vaccines developed solely with March of Dimes funds. For the protection of human life, a magnificent fund of basic research, which promises to shed light on a variety of diseases. For thousands of young people from every state, scholarships in the health professions. For thousands afflicted by birth defects, arthritis, and polio — more than one-third of a billion dollars in patient aid. For anyone who ever suffers from a crippling disability, development of improved equipment and medical techniques, originally to aid polio patients, but now used to relieve many kinds of crippling handicaps.

MEETING OF GARDEN CLUB

The Silver Fanny Garden Club met on Thursday, May 16th, at the home of Mrs. Simon Klosky, St. Anne's Lodge, near Emmitsburg, for a picnic and business meeting. Mrs. Andrew Eyster conducted the business meeting during which final plans were made for the annual card party to be held May 23rd at the Rod and Gun Club, Taneytown. 17 members were present. Mrs. Klosky served a delightful picnic luncheon and the members enjoyed seeing her lovely garden in full bloom. The next meeting will be a luncheon at the home of Miss Liza Carpenter, Taneytown, on June 20th, at 12:30 P. M.

A man walked out of a hall where a speaker was addressing a meeting. Someone asked if he was finished. "Yes," he said, "but he hasn't stopped talking."

MY NEIGHBORS

Out here in the country, close neighbors are not too plentiful. In fact, one might say that we are rather isolated. But in spite of this, I do not feel that I am lacking in neighbors, for each morning a pert little House Wren awakens me with her cheerful, bubbling song. She is tiny but she fairly bursts with melody. I consider her a friendly neighbor, indeed.

At almost any hour of the day, I can gaze up into the silvery South Carolina Poplar, and thereby keep an eye on the Baltimore Oriole, as she busily works away on the construction of her hanging nest. She is my most industrious neighbor. This year, as usual, she has chosen a very high branch, well out of reach of marauders. The brilliantly colored orange and black male does not help in the actual nest building. He seems to stay around for protection, and to give moral support. The other evening, he gave indignant chase to an impudent sparrow, who ventured too close to the nest. It appears to me now that Mrs. Oriole has completed her labors. Apparently, she is now in the process of laying the eggs.

In the same tree, I take note of another nest, which is being visited quite frequently by two Blue Jays. These birds are very handsome, but they are notorious thieves, and are heartily disliked by other birds. I am wondering if the nest is theirs, or if they are robbing another bird of it's eggs. There are unpleasant neighbors among the feathered creatures, just as there are among humans.

In the stream, two wild Black Ducks have taken up their residence. We have seen them several times, and just the other day, they were flying down toward the woods. They are very shy neighbors, and we take special care not to disturb them.

A little distance out the lane, the Blue Birds have set up house-keeping. I glimpsed the female pop into a small hole in one of the fence posts. Closer inspection revealed straw in there, and signs of nest building. The male Blue Bird flashes around like a small blue streak. We put out a special house for Mr. and Mrs. Blue Bird, but for some reason or other, they prefer the fence post.

Not very far from these neighbors, a gorgeous rooster pheasant stands guard over his speckled brown mate as she sets on the eggs in her hidden nest. Pheasants are neighbors who like to visit. Very often, they come practically right inside our yard.

Recently, as we were preparing to sit down to dinner, my daughter called out to attention to 4 or 5 deer as they crossed the lane and leaped over the fence. We have seen them since then, in one of the fields down near the woods. As one can approach, they flung up their beautiful heads and white tails bobbing, streaked away. They are neighbors who like lots of privacy.

All of these creatures of the wild are like good friends to me. As long as they are around, I will never be without neighbors! —Zola Wentwell.

MOTHER AND DAUGHTER BANQUET

The mother and daughter banquet of St. Paul's Lutheran Church, Harney, was May 8, in the parish house. A very delicious roast beef banquet was prepared and served by the men of the church, for which the ladies wish to thank the men for their very fine work.

The program for the evening was opened by group singing, "Faith of Our Mothers" and "What a Friend We Have in Mother," a reading — "Road to Kindness" by Miss Treva Ridinger; duets—"Mother's Prayers Have Followed Me" and "Neath the Old Olive Tree," by Mrs. Grace Delsey and Mrs. Vivian Davis, accompanied on the piano by Mrs. Thelma Worley; Mrs. Otto Kroeger brought a very splendid message on the topic of adoption of children; followed with a duet, "M O T H E R," by the Misses Linda and Donna Weikert, accompanied on the piano by Mrs. Ralph Weikert.

Potted plants were presented to the youngest mother present, Mrs. Ronald Shriver; the oldest mother present, Mrs. Emma Ritter; the mother with the most daughters present, Mrs. Myers; and the mother with the most change in her purse, Mrs. Chas. Shildt.

There were two birthday cakes, one for Mrs. Emma Ritter who was celebrating her 90th birthday, May 8th and one for Mrs. Harry Sprengle whose birthday was May 9th.

Mrs. Wilbur Reifsnider, the President of the Ladies Aid Society was called upon to make a few remarks, after which the toast mistress for the evening, Mrs. Doris Harner, thanked each one for coming out and helping make it a very enjoyable evening together.

BIRTHDAY PARTY

A birthday party was held Saturday, May 18, at the home of Mr. and Mrs. John Harvey in honor of their daughter, Ruth, on her 11th birthday. Games were played, gifts were opened and refreshments were served to the following: Ruth Harvey, Susan Null, Jo Ann Frock, Debbie Copenhaver, Roxann Stine, Rocklyn Koontz, Linda Copenhaver, Judy Null, Donna Eckard, Myra Jane Copenhaver, Donna Singer, Patricia Null, Barbara Anne Harvey, and Susan Copenhaver, all of Taneytown.

CARD OF THANKS

We would like to take this opportunity to thank the many kind friends, relatives and neighbors for the lovely gifts, cards, etc., for our Silver Wedding Anniversary. Also for the many get-well wishes for Carroll during his shut-in time. Again, many thanks.

APRIL SAVINGS BOND SALES UP 21 PER CENT

Mr. Charles P. McCormick, State Advisory Chairman, reported that sales of Series E and H Bonds in Maryland during April of \$7,350,501 exceeded those of a year ago by 21 per cent.

Maryland's total sales of E and H Bonds for the four months of 1963 of \$26,598,933 showed an increase over the corresponding 1962 months of 12.6 per cent. This represents 35.9 per cent achievement towards the State's yearly quota of \$74,100,000.

Somerset County continues to lead the State with 59 per cent achievement; Talbot County is second, with 40 per cent, and Caroline County third, with 39.4 per cent achievement of goal made. Baltimore City sales in April of \$3,803,611 were also ahead of the year-ago month, with sales for the four months amounting to \$13,719,086 or 37.5 per cent of quota.

Mr. McCormick commented that with the opening of the 1963 Freedom Bond Drive on May 1, many firms and Federal agencies throughout the State have drives underway to increase employee participation through the automatic payroll savings plan.

Another objective of the Drive, which runs through July 4, is to sell every American family at least one Savings Bond during this period.

BRIDAL SHOWER

Miss Loretta Lieb was the guest of honor at a surprise Bridal Shower given by Mrs. Singleton Remsburg, Saturday evening, April 18, 1963, at the home of Mr. and Mrs. David Reifsnider, Keymar, Md.

There were approximately thirty guests present from Baltimore, Laurel, Frederick, Mt. Airy and Taneytown.

Miss Lieb received many lovely and useful gifts. Delicious refreshments consisting of ice cream, cake, punch, nuts and mints were served by the hostess.

Miss Lieb will be married in June to Mr. Kenneth Reifsnider, son of Mr. and Mrs. Leonard Reifsnider, Keymar, Maryland.

Experience is what keeps a man who has made the same mistake twice from admitting it the third time around.

Worship At Church

Lesson for May 26, 1963

Bible Material: Psalms 24; 84; 121; 122; II Chronicles 5 and 6. Devotional Reading: John 4:19-26.

WHERE were you at 10:45 A.M. last Sunday? If you were going to church, you were doing something pretty special. You were going to pray and sing and listen to the Word of God. You were going, in short, to worship.

People have been worshipping God for no one knows how many thousand years; but most of the worship has not been done in church. So it was pretty special after all. If you are a good run-of-mine Christian, you worship the heavenly Father every day of your life; only about one day in seven do you worship in a church. If you got to church and found it empty, you probably wouldn't stay. You need some one else to be with you when you worship at church. You can't worship in church just any time the fancy strikes you. Such worship has to be planned ahead. You don't dress up for your prayers at home; but most churchgoers even put on special clothes which in the country used to be called "go-in-to-meetin' clothes." If you were in a plane that landed in a tree, you would do some praying then and there no matter if your clothes were ripped half off you. But you wouldn't go to church in torn clothes. It's too special.

A testimony

So, what were you doing at 10:45? For one thing, church-going is a public testimony. You were saying, without opening your mouth, "I believe in God, I believe in prayer, I believe in Christian fellowship, I believe in the kind of life the church stands for." You do not sneak to church (as some of our ancestors had to), you ride or walk in open daylight, you would not object if some one took your picture. (Would you be willing to be photographed everywhere you go?) The word "church-goer" is an honorable word, but some people low-rate it, as they shouldn't. It is quite true, hypocrites go to church, and idiots. But that does not rub out the fact that most of those who are in church are there to worship, and even the dog, the idiot and the hypocrite would not be there if there were no sincere worshippers.

Confession

Another thing: at 10:45 last Sunday you were confessing yourself a sinner. Yes sir; you didn't go with a list of your sins in your pocket or pinned to your coat; but you were going to confess your sins. It's done differently in different churches, but they all do it. Tell me where else in all the world you can find any group of people who publicly admit they are not what they know they ought to be? Most other organizations love to tell the world how good they are. At worship in church the people say right out loud how bad they are. It may be in a Catholic church where the priest exclaims in Latin, "Mea culpa, mea maxima culpa—"My fault, my most grievous fault!" or it may be in a Baptist church where the minister prays, "Thou knowest that we [he means the people sitting there] are sinners and evil in Thy holy sight;" or in an Episcopal service where all the kneeling people say together, "We have left undone those things which we ought to have done, and we have done those things which we ought not to have done."

For better living

If a man goes to church in the right spirit, if he thinks of what he is doing, if he feels the thrill of knowing he is worshipping not only with the other people he can see around him, but with the millions of others around the world praising God this morning in a thousand languages, and especially if he has felt, ever so faintly, the touch of the Holy Spirit on his heart, then such a worshipper cannot go out and be quite the same. All the week he will be a better man for having gone to church on Sunday. So at 10:45 next Sunday morning you will be saying without words as you head for church, "I want to be a better person next week than I was this. And I am going to the only place where I can get the help I need—the mercy-seat of God."

Chevy II Nova 400 6-Passenger Station Wagon

A Chevy II wagon looks this big when you load it up

and this big when you gas it up

That, in the eyes of most Chevy II wagon owners, is just about the size of it. A king-size appetite for cargo. But a dainty one for gas. And this, we hardly need add, is just the kind of wagon we planned it to be.

Taut and trim as it is on the outside, we went to great lengths to keep it BIG where a wagon should be BIG. The load platform extends a full nine feet from the back of the front seat to the tip of the lowered tailgate.

And for all the pepper we packed into that 6-cylinder engine (there's also a choice of an even thrifter 4 in most models), we were careful to keep it simple, easy to service—and a real stickler on economy.

Feel in a traveling mood? Well—happy coincidence—this is the time of year your Chevrolet dealer feels in his most generous trading mood. Looks like it's high time you two got together.
