## Meeting of Board of Education

A regular meeting of the Board of Education of Carroll County was held on Sept. 18, 1963, at 9:30 A. M. with all members present except Mr. Her-ling. Vice President Nathan Weinstein presided for this meeting.

The Board took action to approve the minutes of the August meeting and current financial transactions.

Action was taken to approve a leave of absence for Mrs. Regina Orndorf and to accept the resignation of Edmund N. Baxter, effective October 16. Miscellaneous action was taken in connection with modifications and corrections to the teacher roster, including certain transfers and adjustments.

The Superintendent reported that the current enrollment as of Sept. 18 in all of the county schools is 11,975. He further reported that all teaching positions were filled at the opening of the school on Sept. 3 and that the teaching staff numbered about 520, excluding the supervisory staff. This is a gain of approximately 600 pupils from June to September in total enrollment.

The Board considered a letter from the Mt. Airy Citizens League and directed that a reply be written to this organization advising them of the current status of school building plans for the southern part of the county. The Board heard a report from Mr. Edward Ireland, Building Inspector on new buildings. This report dealt largely with the problems connected with the completion of the Freedom and Sandymount buildings.

The Board considered with Mr. Grinnell Locke, representing the firm of Locke & Jackson, the proposed school in the Oakland Mills area. Approval was given for the preliminary sketch presented. This building will be constructed on the Mineral Hill Road in the Fifth Election District to accommodate younger pupils in the southeastern corner of the county where population growth continues to increase. It is expected that final plans will be prepared with a view to submitting the project for bids on or about Dec. 1, 1963.

The Board also considered with Mr. Paul Long and Mr. Edmund Good, representatives of Good, Long and Associates, their plan for the substantial addition to the Westminster High School. This addition is necessary due to increased enrollment and the need for improving and expanding classroom, shop and science facilities.

Action was taken to approve the preliminary sketch and to proceed with the preparation of working drawings as rapidly as possible so that this project can be submitted for bids on or about January 1.

The Board was given information regarding transfer of pupils from school to school within the county and current figures were available showing the enrollment in each school.

Announcement was made to the Board regarding extension courses being offered by the Towson State College in newly established centers at the Westminster High and Mt. Airy High Schools.

Action was taken to approve a proposal for an Employees Blanket Position Bond to cover all county school employees. Bids were in-hand from various companies offering this type coverage and, after consideration, the Board acted to direct that the proposal of the Insurance Company of North America be accepted for a three-year period.

The Board took action to approve the installation of a heating control system in the New Windsor School based on bids for this installation. The contract for this work was awarded to the Johnson Service Co. The Board heard an explanation regarding administration and control of the school parking lots by Mr. Charles Ecker, Assistant Superintendent. No action was taken to modify existing plans.

The Board was provided with recent news releases and other information submitted to the local papers. The Board was advised of the Convention of the Maryland Association of School Boards to be held in Annapolis on October 2, 3 and 4. Members of the Board were invited to be in attendance at these sessions. Adjournment was at 12:30 P. M.

## OPEN HOUSE TO BE HELD

The staff and workers of The Baltimore Goodwill Industries will have an Open House October 9-10 from 10 A. M. to 3 P. M.

National Employment Physically Handicapped Week is Oct. 7 to Oct. 11th, during which 127 Goodwill Industries will make the observance. The Board of Directors, staff and workers cordially invites the many friends and Goodwill bag contributors to "come and see" how handicapped employees learn, work and earn the Goodwill way.

The program will include: Initial meeting of the Women's Auxiliary; visitation of the workrooms; presentation of 7th million wage dollar; and a Tea at 3 P. M. on Thursday, Oct. 10.

Entrance is through the Broadway Methodist Church, 211 South Broadway, or the Goodwill Store, 1713 E. Pratt Street. Parking available.

## MEETING OF T.B. ASSOCIATION

The Carroll County Tuberculosis Association met at the office in the Times Building on Monday evening, Sept. 23, with the following members and guests present: Mr. Robert Lee Miller, president; Mr. Edwin Shauck, Mrs. Preston Coffman, Mrs. A. Millard Roelke, Mrs. Paul H. Smith, Mr. Samuel Jennes, Mr. Willard Uhler, Mr. Charles Stonesifer, Mr. Edmund Carr, Mr. Francis Crawford, Mrs. Paul Lawyer, Dr. Philip Mercer, Mrs. Virginia Minnick, Mrs. Vera Leister, Mrs. John Schaeffer, Mrs. Shirley Stauffer, Dr. Donald Fisher, Carroll County Health Officer; Mr. Frank Jones, executive director of Maryland Tuberculosis Association; Mrs. Ruby Armacost, Seal Campaign Secretary, and Mrs. Ethel Cook, Executive Secretary.

Mrs. John Schaeffer, 1963 Christmas Seal Chairman, was introduced to the members and guests. Mr. William Uhler, state representative, made a report as well as Mr. Miller. Mr. Miller reported on the meeting of the Maryland State Conference of Tuberculosis Workers which was held on Sept. 9 and 10 at Frederick. Miss Shirley Stauffer, student at Western Maryland College, outlined the work she has been doing on the research project. Mrs. Vera Leister, Health Education Chairman, and Mrs. Paul Lawyer, X-ray Survey Chairman, gave interesting reports on the Mass X-ray Survey. Mr. Frank Jones, executive director of Maryland TB office, reported on plans for the coming year.

The reason is quite simple: The monies we will give will be used in the county, on Carroll residents, and enable agencies operating within our boundaries to continue their services next year.

Last year generous Carroll residents gave \$25,189 to the United Appeal. This contribution was realized through payroll deductions, executive and corporate gifts, and just plain door-to-door bell ringing.

Let's take a look at just a small part of what this investment bought for our county residents:

The Kerner Crippled Children's Hospital took care of 29 Carroll youngsters in 1962, giving them medical services that cost \$15,448. Children's Aid and Family Services spent \$1200 to provide assistance to ten county families. Our aged were not overlooked, for Pickersgill Home for the Aged had an elderly county patient for the entire year at a cost of \$2343. Some 1821 boys were able to take part in Boy Scout activities at a cost of \$10,240, while 769 girls were in the Girl Scouts and taking part in a program costing \$6,829. Agencies operating here such as the YMCA and Salvation Army have been giving similar services to our residents.

This is only a partial list of the benefits that your donations last year made possible to your families, friends and neighbors. It shows the value of an "investment" to the United Appeal.

The campaign in Carroll County will start October 1 and continue through November 5. We feel this worthwhile drive is worthy of your support.

As Chairman Hahn stated, "Be generous with your contributions to the United Appeal, for your gifts will spell help to distressed people who need this assistance badly."

## Community Chest-Red Cross United Appeal

County residents should mark October 1 on their calendars as an important date to remember.

On that date, the Community Chest-Red Cross United Appeal will launch its annual campaign for funds in our county. This money is needed to enable the 47 agencies of the Community Chest and the 21 services of the Red Cross to carry on operations next year.

The occurrence of individual and family problems is on the increase. This is evident in the fact that more and more people are seeking help from community agencies.

Carroll County is no exception. All of us have a direct interest in our community, through our families, friends and neighbors. The United Appeal supplies a method by which we can show tangibly that this interest is more than just a token gesture.

As county campaign Chairman Joseph Hahn, Jr., recently pointed out, a gift to the United Appeal is really an investment in your community, yielding the greatest possible returns. Contributions will help the young, the aged, the sick and distressed of our county who must rely on the services of private welfare for assistance in times of need. Through this once-a-year campaign, each of us can reach vital cases that help everyone from the smallest infant to the oldest senior citizen. It is important that we Carroll Countians lend our full support to this year's drive.

The reason is quite simple: The monies we will give will be used in the county, on Carroll residents, and enable agencies operating within our boundaries to continue their services next year.

Last year generous Carroll residents gave \$25,189 to the United Appeal. This contribution was realized through payroll deductions, executive and corporate gifts, and just plain door-to-door bell ringing.

## DO YOU KNOW?

One of the active organizations of Taneytown is the Lions Club. This group of men has been in existence for seventeen years.

The officers of the Club are: Dr. Frank Wargny, president; Thomas Smith, first vice-president; David Hiltbricker, second vice-president and Kenneth Shorb, secretary-treasurer.

Some of the many worthwhile projects which this club has carried through or helped to promote, include: putting lights in the community park and the building of pavilion #3, donating ten pair of eye glasses to children, who otherwise would probably have gone without, distributing approximately twenty fruit baskets at Christmas, and helping with such school projects as the band uniforms; also, the Lions Club took the local high school band to the Lions Club International Convention held at Atlantic City, New Jersey. During the convention the high school band played in the parade.

I think these are very creditable activities which prove that action speaks louder than words.

Mr. Citizen, do you help to support your local community organizations and their activities such as card parties, bake sales, carnivals, shrimp feeds, and dinners. Each of us can and should help in our own way. How about it? The next time your organization holds a benefit affair, let's support it. Then you can adopt the slogan—each one help one. Success usually develops out of working together.

## THE LIONS MEET

The Taneytown Lions Club meet in regular meeting Sept. 24. The occasion of the meeting was Faculty Night for the teachers of the Taneytown schools. The "Lions" were introduced to the teachers and the teachers were introduced to the "Lions." Three visitors were present from a neighboring Club.

Glenn Bollinger, the Program Chairman, prepared a fine program. Mrs. George Motter sang two solos, and Miss Leora Held, Guidance Counselor in the Hanover High School, showed slides of a recent European trip.

Nearly every man has a remedy for the troubles of everyone but his own.

## AUTUMN SIGHTS AND SOUNDS

Today the "wild geese" flew over, heading south. The sight of them, winging their way across the sky in their unique wedge-shaped formation, was thrilling indeed. Actually, these big "honkers" are called Canadian Geese. They symbolize the mystery of migration more than any other birds. Wild geese are one of our surest harbingers of spring, second only to the robin. Their departure for warmer climes is a sure indication that autumn is really here, and that colder weather is on the way.

The crows, too, are very much aware of the changing seasons. Evidently they are beginning to band together in anticipation of winter. The crows are year-round residents. The bluejays are also out in full force today. In spite of their notorious reputation, these birds—also members of the crow family—are really quite beautiful.

By the way, now is the time to set up your winter feeding stations. Don't wait until snow is on the ground to extend your hospitality to these feathered friends!

The silo on our place is being filled. The air resounds with the roar of tractors, as the cutter hungrily gulps up the ensilage corn. Load after load is brought in for the silo is a tall one and it requires a lot of ensilage to completely fill it.

The "Great Frederick Fair" begins on Tuesday, Sept. 24, and lasts until Saturday the 28th. Many people around this area would not dream of missing it. It has become a real tradition, and is one fair which has retained a genuine country atmosphere. Some fairs, in my opinion, are more like carnivals.

The black walnuts are thudding to the ground. Each Fall we enjoy picking them up. Walnuts give a wonderful flavor to cookies and cakes, and are especially delicious in home-made candy. Fudge is our favorite around here.

Autumn is setting her bonfires all over the countryside. Before long, every tree and bush will be ablaze. This is truly a glorious season. So let's all take time out to enjoy the autumnal sights and sounds. All too soon winter will be here!

—Zola Cantwell.

## MEETING OF KI-WIVES

The Ki-Wives of Taneytown met at Taney Inn on Monday evening, September 23 at 6:30 P. M.

The president, Kitty Royer opened the first meeting of the year with the singing of "America," followed by the pledge to our flag. The invocation was given by Hazel Cluts.

Dinner was served to fifteen members and four guests.

Group singing was led by Daisy Pearl Reitsmider and accompanied on the piano by Esther Harner.

Jerre Musser introduced the following program—Mr. John M. Skiles who sang two selections, "The Big Bass Viol" and "Autumn Leaves." He was accompanied on the piano by Esther Harner.

Mr. John Donofrio, of Uniontown and Pikesville, a professional landscaping artist, was the guest speaker for the evening. He spoke on "What Is Landscaping?"

The next meeting will be October 28 at Taney Inn.

## MEETING OF TANEYTOWN ELEMENTARY SCHOOL P.T.A.

The Taneytown Elementary School P.T.A. held its first meeting on Tuesday, Sept. 24. A large crowd attended and everyone enjoyed and benefited by the evening.

All parents met in the rooms of their children where the teachers explained the courses of study for the ensuing year. A banner was presented to Miss Rohrbauer's room because this room had the highest percentage of parents present. Every month each room will compete and try to encourage the parents to come so that the banner can be won by different homerooms.

The people who smile often have more friends than the people who frown.
