Taneytown Swimming Pool Executive Committee News

In hopes that a cross-section of public opinion might be obtained with reference to the type of swimming pool organization preferred by Taneytown area residents, a questionnaire has been distributed this week to parents of public and parochial school children in the school district through the teachers of Taneytown Junior-Senior High School and St. Joseph's Elementary School by the Executive Committee of the Taneytown Community Swimming Pool project.

The committee decided upon this course of action at its meeting Sunday evening, September 13, held in the director's room of the First National Bank. The preferences indicated on the returned questionnaires will assist the Committee to plan a pool that will provide desirable recreational benefits for youth.

Questionnaires were not distributed to parents of children attending the Taneytown Elementary School due to the refusal of Dr. Frank Wargny, Principal, to permit this survey. However, any person wishing to indicate his preference may obtain questionnaires at Dougherty's Super Thrift Market and Baumgardner's Bakery, Taneytown, so long as he is an area resident. The completed questionnaires received at these places are to be returned at the source or to Mr. Wayne Baumgardner, chairman of the Executive Committee. Only one completed preference form per family is requested, and the committee desires no signatures on the completed forms.

The school children received the questionnaires Wednesday and were asked to return them this morning (Thursday) when the Executive Committee will collect them at the schools.

Other action taken at the September 13 Executive Committee meeting included the adoption of By-Laws governing the internal affairs of the Committee, the hearing of reports from the officers, sub-committee chairmen, and public relations director, and the selection of September 22, 9:00 P. M., at the First National Bank, for the next meeting. A motion was tabled suggesting a specific organization of the proposed swimming pool, pending the tabulation of the questionnaire preferences.

Goodwill Urges Contributions

The Monocacy Valley Goodwill Industries, located at 10 South Bentz Street in Frederick and 90 W. Main Street in Westminster, has issued an urgent plea for contributions. According to its director, donations are now at an all time low. Especially needed at the present time are contributions of repairable clothing. People who wish to donate their discarded clothing and other repairable items to Goodwill may deposit their smaller articles in the Goodwill collection boxes located throughout Frederick and Carroll Counties. If donors cannot get to the collection boxes or have articles which are too large to fit in the boxes, they may call Goodwill to arrange for a truck pick-up.

The residents of Frederick and Carroll Counties are reminded that their contributions make possible the employment of 18 handicapped citizens from the local area.

An addition to the professional family of Taneytown has been made in the person of Dr. Marvin B. Apter.

A graduate of the University of Maryland with a Bachelor of Science degree, Dr. Apter received his Doctor of Dental Surgery degree from the University of Maryland in 1962. He then served in the United States Army Dental Corps in Karlsruhe, Germany for two years. During this time he was able to attend many post-graduate courses in Germany, France and Italy as well as serving as the Dental Officer for the Army dependents in Germany. SCOUTS TO COLLECT PAPER SATURDAY IN TANEYTOWN

Saturday, Sept. 19, has been set as the date of a drive for rags, magazines and newspapers to be conducted by Boy Scouts of Troop 348, Taneytown, whose sponsor is Hesson-Snyder Post 120 of the American Legion. Bundles securely tied are urgently requested and appreciated, contributing thereby to the successful gathering of paper in the short time available.

A second truck is used to pick up in the surrounding countryside, and besides Taneytown itself the roads to Mayberry, Copperville, Keymar (as far as Key Village only), Bridgeport, and the Baptist Road as far as Starner's Dam will also be covered. Should inclement weather require postponement, a new date will be selected and publicized.

Frontier Round Up

Thirty persons participated in the kickoff of the 1964 Frontier Round Up last Saturday at Memorial Stadium, Baltimore, where Scouts from the entire Baltimore Area Council were guests of the management at the Baltimore-Kansas City game, won by the Orioles, 1-0.

Samuel Cassell was standard bearer of the troop's colors led onto the field in a pre-game ceremony by the Aberdeen Army Reserves Band. Russell R. Jones, Council Organization and Extension Chairman, explained the purpose of the Round Up—to attract and welcome new boys into the movement. Troop 348 pledged to hold a roll call and uniform inspection by Sept. 30 conducted by its neighborhood commissioner, Kenneth W. Nussbaum; to recruit four new boys by Dec. 15; and to hold an Open House program on Dec. 17. A colorful Frontier Round Up emblem is to be awarded each recruiter of a new Scout.

Scout Meetings Thursdays

Beginning with this week the meetings will return to the customary Thursday night, and while the weather is suitable, outdoor programs will be stressed. Last week softball, a business session, and an unusually satisfying round of Capture the Flag were the features. New boys anxious to get into scouting are welcomed if eleven years of age or within a month thereof.

Paper Collection

Scouts able to help with the paper drive Saturday are requested to report promptly by 7:30 A. M. In case of bad weather necessitating postponement, a new date will be set and public announcement made.

Taneytown Jaycees Meet

The Taneytown Junior Chamber of Commerce met last Thursday evening in the Old Hotel Dining Room, Center Square, Taneytown. Featured on the program was Corporal Bosley of the Westminster Barracks, Maryland State Police. Corporal Bosley gave some very startling statistics on the growth of crime in the area served by the Westminster Barracks.

Corporal Bosley announced that already this year, the 28 men attached to the Westminster Barracks have spent over 11,000 man-hours on investigations. In comparing activities during 1964 with the same period in 1963, he pointed out that there was an increase of 19% in the number of major crimes, 46% increase in minor complaints received by the Barracks, and an increase of 24% in criminal arrests. Most of this increase, he said, has been the result of juveniles, youth, and teenage gang activities. Many from out of the area. A film was then shown on the police work with juveniles and youths.

Dean Brown, president, presided over the business meeting which followed. Guests introduced included Carvel Downs, District Vice President of the Maryland Jaycees, Lou DeGrief, National Director for this region, and George Zinn, President of the Westminster chapter.

Committee reports were given and final plans for the Miss Maryland Ball which will be held at the Westminster Riding Club, September 26, were discussed. Ronald Hopkins was inducted and welcomed into the club as the chapter's 34th member.

'SPICE 'N' EVERYTHING NICE' (Your Chatty Column)

With all my heart, I wish you every morning a smile that shall last until the next day's dawning. I wish you health—life's greatest wealth; I wish you always near so that I may help to cheer. Each future day and in some way—help to bring you happiness!

Notice how the darkness these last few days has been creeping slowly upon the daylight?

Betcha, Mother you were glad when school started. Eh?

What comes next? I read where they will have vaudeville in the planes on long distant flights. That would never entice this Columnist and I am really dreading the thought in as much as I want to see my son and his family in Yuma, Arizona, the jet trip he is treating me to in a few more months. I really prefer the train, and truly wish it was that grand B & O all the way that used to make me feel like a Queen when ever and where ever I took the first step into their grand service. Yet when I think of the nerve I had to go up in that tiny plane at the air field in Philadelphia for the price of \$2.00—the very month of May when Lindburgh landed his "We" in Paris! I was in the front—there were only two seats with the Pilot behind me! No doors at all as I had stepped in and over to be seated. When we were up thousands of feet; not even the autos at the field were recognizable—just like dots below and that Pilot screamed, "How do you like it?" And I told him that I loved it! Ugh! Not one of my family would attempt the trip at that time and I'll never forget the hands and arms raised up toward me as we took off! But—here I am!

There is a new candy out now called, "MARZIPAN LOGS" sold exclusively at the Hecht Store in Northwood and it is delicious! Thinking of eats was treated the other day to a grand lunch at "MANDELL BALLOW" on Reisterstown Rd. at Rogers Ave. The food is the best ever and prepared only in the Jewish and such laborious work of the Jewish people who run it. The place was jammed and many awaiting seats! So you see the Greeks have the right word for it as when they come over to America when "Greek meets Greek" he opens a restaurant and it is always successful! People will spend money to eat if for nothing else!

What an odd phone message today which rather startled me, "Aren't you going to vote? You are not registered!" "What's that?" sez I, "just wait a minute please" and I read my Voter's blue card to her. And that reminds me, Folks, don't fail to read in the issue of the September Readers Digest on page 53—"LET'S MAKE THIS AN HONEST ELECTION!" Who would have ever thought it?

If you want to see a funny movie—just something different—go to see "What A Way to Go" at the New on Lexington St.! "Louisia" is so named for Shirley MacLaine, the heroine and what a heroine with 72 changes of gowns and hats and what gowns and hats they are! Your Lady will fall for that part, I am sure for they truly are stunning and so becoming! The story is about a girl who marries six husbands! No, not all at once—just one at a time when they become suddenly rich by their inventions and business ideas and plans and all this cash goes to Louisiana that she can't even give it away. Of course, there was much laughter in the crowded air-conditioned house and all seemed to enjoy it thoroughly. The scenery is something to talk about and although it is a light affair feel confident you will come out with a breeze!

If your child or children, mothers and fathers are dull in spelling, I read where a Professor stated that the following words were the most misspelled restaurant, government, together, finally, experience, friend, thorough, similar and recommend. It brought back the day in the 7th Grade of school that I won the "Spelling Bee" which I still possess as a very long wooden pencil from France which my teacher brought back with her on her vacation trip that Summer.

Next week, D. V. Folks I will be writing from a Column "Quoting" by Drew Pearson why President Kennedy felt he was not going to be elected for a second term. This was three weeks before his death and Drew Pearson was his favorite Columnist! It all was suddenly hushed but it should not have been as everyone should have known about land which was owned by the Government and was sold to Cardinal Spellman for Catholic Churches and Schools! And that with great loss to these United States!

Did you know why our President Johnson hesitated to the very last minute before going to the Convention as to the running mate he wanted? It was his "COUSIN ORIOLE!" That by George Dixon on the "Washington Scene!" She was from Johnson City, Texas! The distinguished Chairman of one of the States arose and screamed, "What does President Johnson think we are—rubber stamps? The choice is the Convention's and not the President's!"

Have a grand week-end, Folks. And remember after you've done your best to deal with a situation, avoid speculating on the outcome. Forget it and go on to the next thing. Until next week D. V.

I am,

Faithfully,

YOUR OBSERVER.

Buying anything on credit is much easier than paying for it after you've got it.

MONKEY BUSINESS

There are certain groups that want Washington to rule and regulate just about everything. This is worth restating now that an effort is under way to have the federal government regulate private pension plans which, so far as anyone can see, have been doing a fine job.

The excuse for federal regulation, of course, would be to protect the plans' members and beneficiaries. In the light of that, the government's experience with its own pension systems is significant.

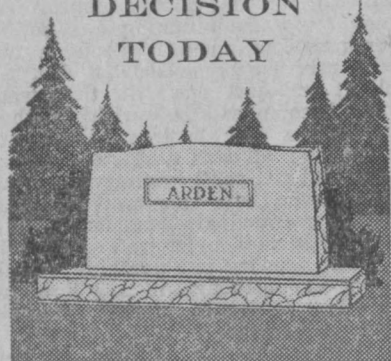

The social security fund has been shrinking and at the same time more people are becoming eligible for larger benefits. This means that each new entrant at the age of 20 must put in \$1.69 during his working lifetime for each dollar he may be entitled to draw, if he lives long enough to draw anything.

"The pension system for Federal employees happens to be about \$35 billion in the red," says the National Association of Manufacturers, and "... the thing is in a mess." Substantial increases in contributions to the Railroad Retirement fund have "... had to be instituted to keep it solvent."

These are examples of government running pension systems. It would seem that it has a lot of learning to do before it monkeys with the private plans.

Sleek New Corsa in '65 Corvair Line

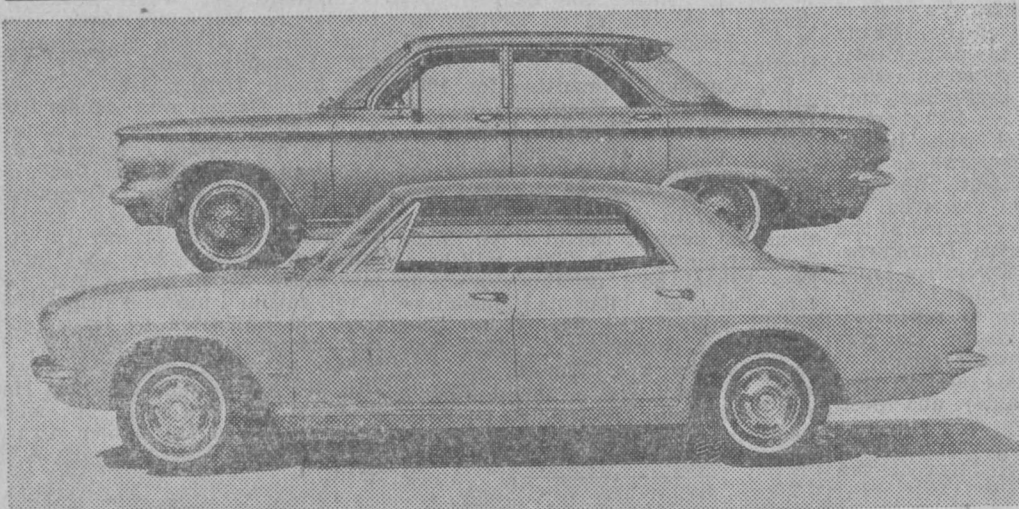

The Corvairs for 1965 step out with a smart all-new continental styling. For the first time since its introduction in 1959, body lines of Chevrolet's rear-engine car have been completely changed. The Corsa Sport Coupe (above) and the Convertible

lead the 1965 Corvair series, followed by the Monza Sport Coupe, Sport Sedan, Convertible and two 500 models. On September 24 Chevrolet dealerships will display various models of the five passenger cars offered by the company in 1965.

Continental elegance prevails in

Completely Restyled Corvair Line

The two Corvair Monza Sedans shown above are related, but their appearance is decidedly changed. Since its introduction in 1959 the Corvair line has retained a family likeness that has not been substantially changed until the advent of the 1965 models. The original body design of the 1964 Monza

4-Door Sedan (top) poses in sharp contrast to the smooth continental flowing lines of the 1965 Monza Sport Sedan. The new sedan is 3 inches longer and over 2 inches wider; offers more roominess and many mechanical innovations. Public announcement date for these new cars is September 24.

Distinctive profile seen in

Beautiful New Chevrolets for 1965

Leading the beauty parade of 1965 cars is the elegant Chevrolet Impala Sport Coupe (above) with new flowing lines, new roominess and a distinctive profile. Stylish roof lines and curved side windows blend with the gracefully contoured rear quarter

panels. The new Impala Convertible features an inward folding top with tempered glass rear window. The regular-size Chevrolet is available in 15 models in four series. The public announcement date for all Chevrolet-built passenger cars is September 24.

Stretch Your
Fall Seed Dollar

Want to get more for your seed money and harvest bigger yields from cleaner fields? Then remember that the higher the germination and the higher the purity, the better the seed buy. For example: You might pay for 100 pounds of cheap seed with 85% germination and 95% purity, but you'd really receive only 80 pounds of pure live seed. What a difference with SOUTHERN STATES Top-Quality SEEDS that grow thicker, cleaner stands at lowest cost per acre. Call us now.

KEYSVILLE-DETOUR

Greetings to you:

Happy Birthday wishes this week are extended to Mrs. Richard Wilhide on the 17th and Edward Coshun on the 20th.

There will be a time change at Keysville Lutheran Church on Sunday, the 20th. Church service will begin at 9:30 A. M. and Sunday School at 10:45 A. M. Harvest Home Service will be on the 27th. Have you filled and returned the jars for the Lutheran Home in Washington?

The Misses Joan and Nancy Thomas spent the first week of September visiting with their aunt and uncle, Mr. and Mrs. Ira Albaugh, Jr., and family near Middleburg while their parents, Mr. and Mrs. Harold Thomas of Hollow Rock Farm near Detour, took a trip. The Thomas' visited in Ohio, Michigan and Indiana.

The new houses in Keysville are moving right along. Both are under roof now and a garage is being added to the home for the future Mr. and Mrs. Richard Bowers (next to the home of Mr. and Mrs. Carroll Kiser) on the Keysville Road. The new house on the Keyman Road from Detour looks real good also. This is being built for Mr. and Mrs. William Fritz of Detour. Some of you will know Mrs. Fritz as the Public Health Nurse.

More travelers to the World's Fair from this area. Taking a Lincoln Bus Tour last Thursday through Saturday were Mr. and Mrs. Edward Coshun near Detour, Mr. and Mrs. John Blanchfield, Sr., off the Roop Road near Bullfrog Road and Mr. and Mrs. Gilbert Stine near Keysville. They report having a fine time and seeing most everything there was to see.

The Terra Rubra Girls' 4-H Club held their meeting on the 10th at the home of leader, Mrs. Richard Wilhide. An election of officers was held and future workshops planned. Mrs. Patricia Stabler, County Extension Agent, will be present at the meeting on October 15.

Mrs. William E. Ritter of Taneytown, who recently fell and broke her hip, has been moved from the Brookfield Manor Nursing Home in Middleburg for convalescence. In the event you are planning to drop in to see her, there are no visiting hours at all on Mondays, but from Tuesday through Sunday, they are 3-4 in the afternoon and 7-8 in the evening.

Week-end visitor at the home of Mr. and Mrs. Cecil Priest of Forest and Stream Club Road was her aunt, Miss Stella Scott of Laurel.

Our local postmistress, Mrs. Carroll Dougherty, is using some of her vacation time. Taking her place for the time being is Mrs. Howard Franklin of Detour.

Week-end was a busy time for our local National Guardsmen. Among those who were at Blue Ridge Summit were Paul Roop, Richard Wilhide, "Bobby" Bowers, Daniel Ridinger and "Junior" Wantz.

September 21 the baseball game is Keysville vs. Frizellburg in the Brotherhood League. They always welcome "rooters".

Gary Schnappinger of Baltimore is spending from Tuesday until Friday at the Carroll Wilhide home before returning to studies at the University of Maryland.

Roland Hobbs, a student at the seminary in Gettysburg, was guest speaker at Keysville Lutheran Church on Sunday. He spoke about first impressions often being lasting ones even though they may not always be the truth. How important first impressions are is shown by the way an applicant for a job tries to make a good impression at his interview or a teacher and student towards each other on the first day of a new school year. This is also applied to the church by various people. Children are taught "kind" things such as The Lord's Prayer and the 23rd Psalm and these impressions can last through old age. Christ is pictured as the Good Shepherd and often people do act like sheep—meek and passive and wandering about as if in no direction to those who are outside of the church. We think of Saints as meek and mild and studious, but if one thinks about it, these do not describe Peter, Stephen, Paul and even Martin Luther. They did not act like sheep so either they or our image is wrong. Paul speaks of people as the army of God. The church is under attack (for example other religions are growing faster) and as an army we have a purpose: to spread the Word of God. For this we need training; both in our homes and in our churches.

A Rummage Sale will be held on Sept. 26 at 11 A. M. by the St. James' Lutheran Church in Union Bridge with the proceeds to go into their Building Fund. Contact Raymond Houck or Mrs. Walter Houck if you have anything to sell.

Labor Day visitors at the home of Mr. and Mrs. Carroll Wilhide and Beth were Mrs. Artie King of West Liberty, Ohio, and her son, Arthur King (who is an attorney in Rockville) and his two daughters.

Recent visitors at the home of Mr. and Mrs. Gregg Kiser of the Keysville Road were her niece and her daughter, Mrs. Ethel McClung and Ruth Ellen of Mansfield, Ohio. Mrs. McClung was in a serious accident last June but is fully recovered now and is back to work. Also visiting that day were Mrs. Kiser's brother (and Mrs. McClung's parents), Mr. and Mrs. Lenny Valentine, Wrightsville, Pa. They all enjoyed their reunion together.

Audrey Wilhide, daughter of Mr. and Mrs. Clyde Wilhide of the Keysville-Taneytown Road, and Miss Becky Houck, daughter of Mr. and Mrs. Luther Houck of Forest and Stream Club Road, were initiated into nurse's training at Frederick Memorial Hospital last week. Credit must be given to Becky for a lot of "spunk" in returning to training. She missed just a few points previously and I'm sure you'll all join with me in wishing her well. The best to you both!

Congratulations to neighbor, Mrs. Edward Coshun! She received word today (Monday) that she has been chosen Foster Mother of the Year for the State of Maryland. Now that certainly sounds like an honor! She didn't know too many details about it as yet. She is a busy lady for on Wednesday afternoon (16th) she will be giving her cake decorating demonstration again at the Anne Arundel County Fair at Sandy Point.

Atlantic City was visited for a recent week-end by Mrs. Bessie Myers of Detour, Mrs. Harvey R. Martin of Littlestown and her daughter, Mrs. Charlotte Sheetz near York, Pa. The ladies are cousins and were driven to Atlantic City by good friend "Bill" Haverstick also near York. Mrs. Myers reports they had a grand time and the beach was really crowded.

There was a Ritter family dinner on Sunday at the home of Mr. and Mrs. John Harner, Steven and Brenda near Taneytown. Guests were Mr. and Mrs. Lloyd Wilhide of Keysville, Mr. and Mrs. Luther Ritter and family and Mr. and Mrs. Charles Ritter and family of Littlestown, Mr. and Mrs. Herman Baile and Mrs. Melvin Baile and family of New Windsor (Mr. Melvin Baile was ill and unable to attend) and Mr. and Mrs. Robert Baile of Delaware.

Sunday was also a busy day for Mr. and Mrs. Clyde Wilhide and family of the Keysville Road. Week-end visitors were Mr. and Mrs. Edgar Curran of Hampstead and Miss Elizabeth Yoder of White Hall. (Mother, Mrs. Emory Yoder, had come for a visit earlier in the week and will return to the Carroll Wilhide home sometime this week.)

Guests on Sunday were Mr. Charles "Pop" Fleischer with his son and daughter-in-law, Mr. and Mrs. Lewis Fleischer of Baltimore and Mrs. Edith Pycha of Lutherville. Since it was "Pop's" birthday, an ice cream and cake party was held and Mrs. Carroll Wilhide and Beth with Mrs. Richard Wilhide and Susan joined the group to celebrate.

Sorry to hear Mrs. James Unglesbee of Taneytown was taken ill on Sunday. Do hope she is feeling better by now.

There were week-end visitors at the home of Mr. and Mrs. Carroll Dougherty of Detour. They were Mr. and Mrs. Robert Dryden, daughter Becky and sons Douglas and David of Pocomoke City, Md. They toured the Gettysburg battlefield Sunday. Becky, who is engaged to the Dougherty's son Larry, remained for a longer visit with them. Glad to report that Becky has been released from the hospital and doing fine.

Randy Weishaar, son of Mr. and Mrs. Weishaar of Forest and Stream Club Road, was a week-end visitor with his brother and sister-in-law, Mr. and Mrs. Larry Weishaar near Taneytown. They spent one day at Beverly Beach during his visit.

You may have heard by now or read it in The Frederick Post about Clay Hahn, former employee of the Carroll Wilhides and resident of the Montevue Nursing Home in Frederick, having been burned early Sunday morning. He was taken to University Hospital in Baltimore where he is in serious condition. He has already had 5 pints of blood and will be needing more. If you would be willing to donate blood, please call Mrs. Carroll Wilhide at 775-5803 for details. For cards, Clay is in room 4-E and visiting hours are 2-3 P. M. and 7-8 P. M. (The story seems to be that Clay was filling his lighter and some of the fluid spilled on him.)

Mr. and Mrs. William Weishaar and Randy near Detour visited Sunday evening in Thurmont with Mr. and Mrs. Jerry Clingan.

Since I'm mentioning it, I'm sure you can guess who has the job of Chairman of Area 10 for the United Appeal Drive in the month of October. As Area Chairman I'm responsible for lining up Tract Chairman to solicit. Anyone care to volunteer for the job? If so, please give me a call. (Area 10 is the Middleburg District.) You all know this is for a good cause and helps to cut down on the "drives" to relieve you of some of your money for "good causes," so be prepared for a call next month—and perhaps you can contribute.

CITIZENS OF TOMORROW

Shown above are the daughters of Mr. and Mrs. Thomas Joy, 9 Mill Avenue, Taneytown: Judy, 2½ months and JoAnn, 21 months.

FAIRVIEW

We were shocked to learn of the death of Mr. Budd—that is Mahlon W. Budd of Monroe, N. C. We were casually acquainted with Mr. Budd while he lived around Taneytown. He was a good Christian man. He will be missed by his many friends and his family. Our sympathies are with them, especially so for his foster son, Douglas Lescallette; although his real father and mother are both living in Taneytown. I am sure they were good parents but some how Douglas, I believe, has been with Mr. Budd since he was 9 years old. I am sure Mr. Budd was a good influence for him and I know he will miss him, possibly more than anyone else.

Dinner guests on Sunday in the home of Mr. and Mrs. Grant Baker were Hazel Frizell, Shirley Eyer, Mr. and Mrs. Claude Selby, Rev. Fred Horner, pastor of the Uniontown Church of God called on the LeGore family and granddaughter, Debra Frock last Wednesday morning. Rev. Horner has entered the Washington School of the Bible College in Washington, D. C. We wish him the very best.

Douglas Lescallette of Monroe, N. C., was dinner guest of Mr. and Mrs. Glenn Wantz and family, near here on Saturday.

Mrs. William Duple of Keysville and their aunt, Mrs. Birdie Fortney spent Monday with the latter's brother, Mr. Wesley Duple of Thurmont, Md. Mrs. Fortney will be spending this week with relatives and friends.

Mrs. Kathryn Corbin called on Mrs. Levi Frock and granddaughter, Debra on Thursday morning.

Mrs. Mable Smith and grandchildren, Debbie and Junior Smith spent Monday in the home of Mrs. Smith's parents, Mr. and Mrs. Grant Baker. Mrs. Wm. Duple and Mrs. Birdie Fortney also called at the same place in the evening.

It is reported there was frost on Monday morning. It surely did turn cool after being so hot on Friday. Each morning since it feels pretty good to have a little fire going to remove the chill.

Songs Without Meaning

The singing of a hymn should be a great experience for us—it can be a prayer, a testimony, a praise, an invitation to others.

However, for many of us, we don't take seriously enough the words we sing.

We sing, "Sweet Hour of Prayer" and content ourselves with ten to fifteen minutes a day.

We sing, "Onward Christian Soldiers" and wait to be drafted in his service.

We sing, "Oh for a Thousand Tongues" and we don't use the one we have.

We sing, "There shall be Showers of Blessings" but we do not come when it is raining.

We sing, "Bless Be The Tie" and let the slightest offense sever it.

We sing, "Serve the Lord With Gladness" and gripe about all we have to do.

We sing, "We're Marching to Zion" but fail to march on Sunday to S. S. or church.

We sing, "Cast Thy Burden on the Lord" and worry ourselves to a nervous breakdown.

We sing, "The Whole Wide World for Jesus" and never invite our next door neighbor.

ROCKY RIDGE

Mr. and Mrs. Harvey M. Pittinger, Sr., and Mrs. Charles H. Setherly and son, Carl, spent Friday with the former's daughters, Mrs. Roland D. Wilson and family of Taneytown and Mrs. Franklin C. Thomas and family of Littlestown, Penna.

Mr. and Mrs. Leslie E. Wolfe attended the Metz's reunion at Beaver Dam Church on Sunday, September 13.

Mr. and Mrs. Harvey M. Pittinger, Sr., attended picnic and supper held by the Oak Hill Church of God at Mt. Taber Park at Rocky Ridge on Saturday, September 12 and on Sunday, September 13, attended the Tressler Reunion at Mt. Taber Park, the first Sunday after Labor Day.

The Utermahlen Reunion will be held at Mt. Taber Park at Rocky Ridge on Sunday, September 20. Devotions promptly at 10:30 A. M. Basket lunch.

Mr. and Mrs. Donald Myers and sons, Vincent and Anthony of near Emmitsburg, visited her parents, Mr. and Mrs. James R. Saylor and family recently.

Mrs. Harvey M. Pittinger, Sr., spent Sunday morning with Mr. Wm. Rogers of LeGore.

Mr. and Mrs. Harold K. Strawsburg, Sr., of LeGore spent Sunday with their son and daughter-in-law, Mr. and Mrs. Harold Strawsburg and family of this place.

Taneytown Lions Observe Charter Night

The Taneytown Lions Club Celebrates 18th Charter Anniversary at Holiday Inn of Gettysburg, Penna.

The occasion was to honor the ten Charter members of the Taneytown Lions Club, Murray M. Baumgardner, Curtis G. Bowers, Harry B. Dougherty, Charles W. Eckard, Theodore F. Fair, Robert W. Feaser, Merwyn C. Fuss, Delmar E. Riffe, Thomas H. Tracey and Wilbert N. Hess who are still very active members of the original group of twenty-three. Five other members that joined the club immediately after the Charter was closed were: Norman Sauble, Edmund P. Welker, Raymond Perry, Kenneth Shorb and Singleton Remsburg.

Rev. Dr. Nevin E. Smith, Pastor of Emmanuel United Church of Christ, Hanover, Pa., was the honored speaker and brought out in his remarks that we all need to be kind to each other as Lions or any other service organization and there would be no doubt about success.

Invited guests were Lion Laverne Fogle, Cabinet Secretary, Walter Zimmerman, Public Relations Chairman, Paul Lowman, Deputy District Governor, William Lauterbach, Zone Chairman, Charles Joy, International Councilor, Mrs. Gladys Wimmert, Lion Carroll Fritz and Lion Kenneth Crum.

This being a Ladies Night occasion President Thomas H. Smith Extended a warm welcome to the ladies and guests and thanked the committee composed of Lion Dr. Frank O. Wargny, Lion Merwyn C. Fuss and Lion John T. Hottinger for their efforts on this anniversary night.

Entertainment was furnished by the Little German Band from Frederick, Maryland.

An old Scot was smoking in the waiting room of a railway station, when a porter came up to him and said: "Don't you see that notice on the wall 'No Smoking Allowed'?" "Aye, I do," said the Scot. "But how can I keep all your rules? There's another one on the wall that says 'Wear Maiden Fit Corsets'."

THE WAY I SEE IT . . .

Observations on the World of Sports

This has been a rough baseball season for the top pitchers in the game.

Sandy Koufax is out for the rest of the season and spent several periods earlier this year on the sidelines with arm trouble of one kind or another. His latest ailment is in the area of his left elbow. It will not require surgery but it will require rest.

The Los Angeles Dodgers ace still managed to post a record of 19 and five before being declared out for the year.

Juan Marichal of the San Francisco Giants lost five weeks in the critical part of the season from late July to early September. He was able to pitch only five innings in that stretch because of a pinched nerve in his back.

Whitey Ford of the New York Yankees has been ailing for half the season with hip trouble. He also was forced to the sidelines at a critical stage of the season but is battling back and is going to take his turn in the Yankee pitching rotation, injury or no.

There have been other injuries, of course. The Giants lost one of their best men, right-hander Jack Sanford, in midseason because of arm trouble which required surgery. The Dodgers have gone all year without southpaw Johnny Podres, a winner over the Yanks in the World Series last fall.

Steve Barber, hoped-for Baltimore Orioles ace, had a lot of trouble at the start of the season and is still fighting to regain his form.

There is no ready explanation for all the arm ailments. If you must have one it's just possible that all these pitchers are so talented and throw so hard that it puts extra strain on their arms.

The MINNESOTA TWINS have demonstrated once again this year that you can't win pennants simply by hitting home runs.

The Twins are far in front in the home run derby and in the second division in the American League flag derby. Despite the home run heroics of sluggers like Harmon Killebrew, Bob Allison and Tony Oliva, the Twins have never really been a factor in the pennant race.

There are a lot of reasons for their poor showing. For one thing, the pitching wasn't strong enough. For another, the infield wasn't tight enough, and for still another the outfield defensive play was weak, especially in left field.

That is the position played by home star Killebrew, who will hold on to anything he can reach with glove. But there's a lot he can't reach. Killebrew probably would be happier at first base where a noble experiment stationed Bob Allison. Rich Rollins, at third base, is not a good fielder by any means. Incidentally, Allison is mediocre in the field at first.

The Twins did have a good fielding first baseman in Vic Power but they traded him in a deal which sent them Jerry Kindall.

The Twins probably will be active in the trade market this winter and will be looking at National League teams when the inter-league trading period rolls around. One team they will be looking straight at is San Francisco, also a disappointment. There is an excellent chance that San Francisco will be looking right back.

Remember When Dept. — This column is one year old this week. Our first one last year dealt with Steve Barber and Dick Hall, remember?

Today's Sport Laugh — During the pre-season, in a NFL exhibition game with the Detroit Lions, an angry fan screaming at Earl Morrall, the Lion quarterback, yelled: "Morrall, you're a fink." He was promptly belted over the head by a seven-year-old boy sitting in back of him. It was Morrall's son, Matt.

Any person wrapped up in himself makes a pretty unpleasant package.

BOARD OF EDUCATION

A brief special meeting of the Board of Education, including a joint meeting with the County Commissioners, was held on Tuesday, Sept. 1. The meeting was called for the purpose of having further presentations of the position of the Board of Education regarding the construction of a comprehensive high school at a location on Route 26, near Winfield, in the southern part of the county. This school is at the present time in the planning stage and is envisioned to be a center for upper secondary education, specifically at this time, grades 10, 11 and 12, to serve the areas of Dennings, Gypsy Hill, Salem Bottom, Covers Corner, Woodbine, Woodbine Road, Mount Airy, Gist Road, Eldersburg, Oakland Mills, Winfield, Berrett, Hoods Mills, etc.

Emphasis was given to the fact that in order to have a comprehensive and effective large, secondary unit, selection of the site had been made so as to make the school accessible to these and other communities. Emphasis was further placed on the fact that the facility is partially planned and that planning was continuing, but that the Board of Education needed to be assured of adequate financial support.

Sentiment was expressed by members of the Board of Education to indicate their unanimous feeling that in view of the massive study given to the need for a school and its location, it was the feeling of the Board of Education that no purpose would be served by employing outside experts at this time.

The school, it was observed, is needed because: (a) crowded conditions exist at both Sykesville and Mount Airy for the accommodation and instruction of secondary school pupils in the upper grades; (b) to construct additions to either school, or both, would require expansion of facilities including cafeteria, gymnasium, vocational facilities, etc., thus making the projects expensive, and resulting in two centers, both not of sufficient size to be comprehensive. It was further noted that any consideration given to a change in the location of the school to an Eldersburg site would result in the reduction of school enrollment at Mount Airy to a point where this school would be so small as to be totally inadequate.

It was apparent that unanimous agreement existed between the two Boards with respect to the need for a school and it was further indicated by the County Commissioners that they felt the responsibilities for selection of a site, the construction and maintenance of schools belongs to the Board of Education and that they, the Commissioners, had no disposition or authority to interfere and that by law the Commissioners must levy taxes for such purposes.

"There is a distinction between thinking and knowing—the former when properly applied leads to the latter but can lead to confusion if not properly controlled and directed. There is no substitute for knowing. Thinking alone can get a fellow into a pack of trouble if he doesn't know what he's doing." — Franklyn Cism, Afton (N.Y.) Enterprise.

Give Us A King

Lesson for September 20, 1964

Background Scripture: I Samuel 8 through 11.
Devotional Reading: Psalm 72:1-7, 18-19.

THERE USED to be a comic character named Popeye. He once got to be king of some imaginary country, and wore the biggest crown the cartoonist could invent for him. Then one day there was a revolution. The streets were filled with people yelling, "Down with King Popeye!"

Old Popeye had a fast cure for the revolution. (This was back in the days when revolutions could sound funny.) He came out on the balcony, took off his crown and threw it to the mob. Then an attendant handed him a derby hat, which he put on. So everybody began to shout, "Long live President Popeye!" This little tale illustrates a point: leadership there must always be. What name the leader has is not important, it's how and where he leads that is the question.

Power in the people

Now the little "nation" of Israel wanted a king. (We put "nation" in quotes because in the time of Saul it was hardly more than a confederation of tribes.) They had had great leadership from Samuel, but as he grew old the people began to worry about what would happen next. So they demanded: Give us a King! If you read the story it may raise in your mind an old and yet quite modern question: Where is the root of power in a nation?

The United States has the same answer the ancient Hebrews had: The people choose their leaders, the people's power is delegated to those leaders. What the people use the power can take, Mussolini, "Il Duce," Leader of Italy, once operated Italy as if it belonged to him. But there came a time when the people no longer supported him; and they hanged him in a public place. Power rises and resides with the people. They can misuse it, they may neglect it and let someone steal it; but the Hebrew nation, and our own, believed and believes that government can be only by consent of the governed.

Power corrupts

Give us a King! the populace shouted; and when they got one, named Saul, and had vowed loyalty to him, they all went home. Now we have a King our troubles are over, they thought, and half-drunken with delight they tramped away through the dust. But there was one sober man there present, the prophet Samuel. He had in God's name selected and anointed this new king. But he could see the dangers in having a king at all. Saul's power to be king was conferred on him by choice of the people and of Samuel too. But as someone would say more than a thousand years afterwards, power corrupts; and it would corrupt Saul. This new king would forget that his power had been given to him, not born with him; Samuel realized this and drew a bitter word-picture of what a king would be. In describing the king, any future monarch, the verb Samuel uses is mostly "he will take..."

Rights and duties

Is this inevitable? Does all power always corrupt? Not always; but the danger is that possessors of power are in constant danger of being corrupted by it. Samuel must have thought the future was not loaded against the nation, for he wrote a document (a "white paper" as we might call it today) giving the "rights and duties of the kingship." This, in germ at least, was a Constitution. A truly democratic system was there in essence. One of the original thirteen colonies, the Commonwealth of Massachusetts, wrote into its constitution the phrase "that this may be a government of laws, not of men..." In dictatorships of all kinds the law is what the dictator says it is — "I AM the State!" Monarchs have lived above the law; yet when they have done so, they have forgotten the first law of all, the law of God. What became of Samuel's book? Destroyed perhaps by some greedy king. But the laws of God are not so easy to destroy.

Improved performance with increased fuel economy for gas savings up to 15 per cent have been achieved in the tastefully restyled Ford Falcon for 1965. More powerful engines — including a redesigned 200-cubic-inch Six with seven main bearings for added smoothness — combine with three-speed Cruise-O-Matic or three-speed manual transmissions for the economy and performance improvement. New interiors and new instrument panel ornamentation; new low-profile tires; improved steering responsiveness; alternators and automatic chokes on all engines; and larger fuel tanks are other 1965 Falcon features.

The 13 new Falcon models including the Falcon Futura 2-door Hardtop (above), will be introduced in Ford dealer showrooms on Friday, September 25.

END OF SUMMER

The sunny days of summer
Are filled with work and play,
But now that summer's ending,
They're slipping fast away.

Yes, summer's gently fading,
And fall is in the air,
The signs are all around us,
We see them everywhere.

Bright goldenrod is blooming,
Green leaves are changing hue,
The very sky is wearing
A cooler shade of blue.

Late zinnias and asters
In colorful array,
Around the house and garden
Put on a bright display.

The hickory nuts are falling
From tall and stately trees,
The corn, awaiting harvest,
Is rustling in the breeze.

Yes, 'tis the end of summer
And advent of the fall,
It is God's will and pleasure,
His hand is over all.
