The Tiger track team will participate in the Carroll County Track Meet to be held at Westminster Senior High School on Wednesday, May 12, and in the District 3 Track Meet to be held on Saturday, May 15.

On Thursday, May 13, the Senior High Chorus will travel to Littleton High School to present its concert as part of the inter-school exchange assembly program.

Also on Thursday, the driver training classes will begin at THS. Mr. Bernard Decker will be the instructor again this year.

## KI-WIVES 10th ANNIVERSARY

The Taneytown Ki-Wives celebrated their 10th Anniversary on Monday evening, April 26, at Taney Inn. Special invited guests included the Mount Airy Ki-Wives, charter members of the local club and the senior girls of the Keyette Club from Taneytown High School. The head table was decorated with a huge anniversary cake with 10 lighted candles. Each guest received a token of friendship from the local Ki-Wives.

The meeting opened with the singing of America and the pledge to our flag. The invocation was given by Mrs. Irene Hesson. After a delicious fried chicken dinner, group singing was led by Mrs. Julia Hitchcock and Mrs. Daisy Pearl Reifsnnyder, accompanied at the piano.

The president, Mrs. Marion Leaks welcomed the guests and asked Miss Deborah Wiley to introduce the Keyettes. She also gave a resume of the projects and achievements of their club for the year, which were many and quite worthy. Mrs. Naomi Baumgardner, in charge of the program, paid tribute to the Rev. and Mrs. Miles Reifsnnyder, the Mount Airy Ki-Wives and Mrs. Marion Wallace of Bethesda, Md., for their support in organizing the Taneytown Ki-Wives Club. Mrs. Baumgardner introduced Mrs. Julia Hitchcock who sang several selections and Dr. Arlene Heggmeier who accompanied at the piano. Both from Western Maryland College.

Mr. Jay Schmitt, an interior decorator from Gettysburg, Pa., was the speaker. His subject, "Know Your Home," and the lovely display of materials, fabrics and color combinations proved to be most interesting. The program next month is pending. Members will be notified when details are completed.

## ENGAGEMENT ANNOUNCED

Mr. and Mrs. Raymond E. Bowers, Taneytown R.D. 2, announce the engagement of their daughter, Edith Ann Bowers, to Wilson Leroy Speak, son of Mr. and Mrs. John Speak, Sr., Taneytown R.D. 1M.

Miss Bowers is a senior of Taneytown Jr.-Sr. High School and at present a part-time employee in the office of Cambridge Rubber Co. Her fiancé is a '62 graduate of Taneytown Jr.-Sr. High School and is presently engaged in farming.

No wedding date has been set.

New York is no longer interested in celebrities. Maybe it has given away all its keys to the city.—Manchester (N.H.) Union.

The Taneytown Community Swimming Pool Fund has now reached the \$52,000 mark, according to the Executive Committee treasurer, Harry Dougherty, Jr. However, \$24,922 in pledges, included in the total Fund figure, remain to be paid. These pledges were due May 1, and must be paid immediately if construction is to continue.

The Executive Committee met last evening to discuss the Fund, Dedication Day ceremony plans, and to review construction progress.

The pool floor was completed this week except for the overlay of marble which will be added later. The walls, to be constructed of special swimming pool brick with a cement core, will be started this week-end. The contractor's crew is working a six-day week so that the work can be completed on schedule.

The bathroom walls are raised to the roof line; the floor, plumbing and roofing will be completed soon, with the entire project slated for completion May 29, when dedicatory rites will be held.

Several additional construction features have been included at the suggestion of the Mayor and City Council. Cement piers will be placed in the extensive fill areas around the pool for additional deck support, and the main exterior fence will be topped with barbed wire for added security.

Applications for the positions of pool manager and the two regular lifeguards are now being accepted. Forms may be picked up at Dougherty's Super Thrift or Baumgardner's Bakery. Application deadline is May 8, when the forms must be returned to either of these places. Inquiries regarding the positions may be made to the Executive Committee chairman, Wayne Baumgardner.

All donations and pledge payments are being acknowledged via letter by the corresponding secretary, Roland Clingan. Persons eligible for bonus family season tickets and those who have purchased individual or family season tickets are urged to contact Mrs. Dean Brown in order to list the names of eligible recipients of the tickets. Mrs. Brown will then forward the tickets as soon as possible.

The Pool Fund is seriously in need of additional donations. "If each person who has pledged would make prompt payment of his commitment, and if each person who has already donated would send in just \$5 more, Taneytown would be able to meet its goal," states Baumgardner. "Meeting the goal is not a matter of pride or of building up a 'surplus'—it's a matter of necessity since funds are desperately needed to complete the pool facilities and operate them this summer!" The goal is \$60,000.

Contributions and pledge payments may be sent to the City of Taneytown Pool Fund, Taneytown, Md.; and, they are tax deductible.

## MEETING OF THE CARROLL COUNTY TB ASSOCIATION

The executive committee, Samuel Jenness, Charles L. Stonesifer and Mrs. Virginia Minnick were re-elected. The board of directors, Mrs. Francis Crawford, Mrs. William B. Culwell, Mrs. Paul E. Lawyer, Ned C. Musser, Thomas Norris, George Otto, Miss Ann S. Reifsnnyder, Mrs. Paul H. Smith, Health education chairman is Mrs. Vera Leister and Miss Maud Manahan as co-chairman. Mrs. Ethel Cook continues as Executive secretary and Mrs. Ruby A. Armacost as Seal Campaign secretary.

Ralph B. Murphy, president of the Maryland TB Association and associate director of the Union Memorial Hospital was guest speaker. He stated that emphasis for the coming year will be on tuberculin testing to be given to the first graders with the follow-up of chest X-rays. He declared that tuberculosis was preventable, yet there continued to be cases. Carroll County in 1964 had 14 new cases and one death.

President Uhler presented the following from the speakers table, Mrs. Roelke, Miss Jeanne Uhler, Mr. and Mrs. Frank Jones, executive director of the Maryland TB Association, Mr. and Mrs. Uhler, Mr. and Mrs. Ralph Murphy and Rev. Gilbert and Mrs. Bartholomew.

Mrs. Paul Lawyer will continue as chairman of the X-Ray survey of Carroll County and announced that the Mobile unit would be operating in Carroll County beginning June 28 to July 16.

Whenever you assume that somebody, or something, cannot be wrong you are wrong.

## MAYOR AND CITY COUNCIL MEET

The regular monthly meeting of the Mayor and City Council was held in the new Town Office on Monday evening, May 3rd, at 7:30 P. M., with all members present.

Plans for the forth coming town election were completed. Councilmen whose terms expire in June are: Glenn Bollinger, George Naylor and Neal Powell.

Candidates for the Office of Councilmen are reminded that forms for the Certificate of Nomination must be obtained from the Clerk-Treasurer, Henry Reindollar. The deadline for filing is May 15th. Election will be held between the hours of 11 A.M. and 7:00 P.M. on June 7, 1965. Qualified voters who have not registered as yet may register on the day of election. Judges appointed were: James Fair in charge; Eugene Eyley; Arthur Garvin, and Wallace Reindollar as alternate. Mabel Perry will serve as registrar.

Officer Boone reported 76 Parking Violations, 8 Warnings and 3 State Summons.

The Clerk-Treasurer reported \$12,786.29 in the General Account and \$3,647.22 in the Parking Meter fund. Construction of several new homes and/or buildings have been started at various locations in town without the property holder having obtained building permits. This is in violation of Ordinance No. 191 and subject to a fine not to exceed \$25.00 per day for each day the violation shall continue. This Ordinance will be enforced if necessary.

Wayne Baumgardner, Chairman of the Swimming Pool Committee appeared before the Council with the latest pool developments and reported upon the actual construction of the pool.

Applications for the position of Office Clerk were analyzed and several applicants will be called in for an interview.

Townsend Typewriter Co. of Frederick was awarded the contract for furnishing the office equipment in the new Town Office.

An aerial photograph covering Taneytown and a large surrounding area will be purchased from Aero Service Corp. of Philadelphia for the Council Meeting Room.

The Fire Department has contracted to paint the Fire Hydrants in the town at an hourly rate of \$1.50 per hour.

A special meeting has been set for May 18th to prepare the budget for the year '65-'66.

The Street Committee is preparing a Street Program for the coming year and will make its report in the very near future.

The meeting adjourned at 11:45 P. M.

## Lions Club Meeting

The Taneytown Lions Club and Union Bridge Lions Club met in joint meeting honoring the town officials of both towns, at Taney Inn.

The speaker of the evening was Mr. John Eckard, Clerk-Treasurer-City Manager of Westminster, who was presented by Lion Delmont Koons, Program Chairman. Mr. Eckard chose as his topic "Municipal Government" and the need for someone to make policy and see it carried out, which dates back to ancient Greece. Carroll County has eight towns with governing bodies that are elected by the people and endeavor to carry out policy or manage the business of the town or city.

Since the growth of towns is increasing and eight out of ten people will be living in towns or cities by 1970 creates problems. These are water, sewerage, fire protection, police protection, schools, etc. These officials are responsible for the business of the towns. Mr. Eckard remarked about what makes a juvenile delinquent and the need of towns to provide policy for this problem also. Mr. Eckard's remarks were very interesting and timely.

Town officials present from Taneytown were Mayor Raymond Perry, Mr. Neal Powell, Mr. George Naylor, Mr. Glenn Bollinger, Mr. Koons and Clerk-Treasurer Henry Reindollar. Present from Union Bridge was Mayor Edward L. Willard.

Entertainment was furnished by soloist Miss Gale Crabbs accompanied by Miss Deborah Wiley at the piano.

President Thomas Smith praised the committee for this type of program and the impact and value to the community of members of service organizations and town officials who give of their time to make the community a better place in which to live. Recognized were International Counselors Russell Marsh and Harry B. Dougherty, Sr.

Visitations from Smithburg Club and Lineboro-Manchester Club were present.

## WORLD AFFAIRS ASSEMBLY

The United Presbyterian Church of Taneytown was host to the regional meeting of the World Affairs Assembly of the Presbytery of Baltimore last week. Delegates present were from Hagerstown, Frederick, Emmitsburg, New Windsor, Piney Creek, Westminster and Taneytown.

Speakers and resource leaders represented several fields of service of the United Presbyterian Church. These were Rev. James H. Costen of Atlanta, Ga.; Miss Margaret J. Patton, of the editorial staff of the Board of Christian Education, Philadelphia; Rev. Albert J. Sanders, D.D., fraternal worker in the Philippines; and Rev. Walter J. Skellie, D.O., fraternal worker in Egypt.

The evening meal was served by the Firemen's Auxiliary in the Fire Hall.

## Lutheran Church Women Hold Assembly

The Westminster District L.C.W. held their Spring Assembly in the Keysville Lutheran Church, April 29, beginning at 10:00 A. M., with the theme, "The Way, The Truth and The Life." District Chairman, Mrs. Elwood Baumgardner presided. Minutes of the Fall Assembly were read and the roll called by the District Secretary, Mrs. George Sanner; 17 churches were represented. Mrs. Albert Fischer, president of W.L.C.W., installed the newly elected District Chairman, Mrs. Floyd Devilbiss, Uniontown.

Mrs. Paul Lottich, Mrs. Milton Smith and Mrs. Fischer presented an interesting program with "Social Ministry" as the topic. Mrs. Philip Schaeffer, Literature Chairman, explained the many types of literature available to all organizations.

Luncheon was served by the host church, Mrs. Edward Coshun was toastmistress. Mrs. Milton Smith was in charge of promoting the annual convention of W.L.C.W. to be held in Gettysburg in June.

Mr. David Bollinger, Catonsville, "Director of Family and Children Counseling Service," was the guest speaker in the afternoon. A panel consisting of Mrs. Claude Barrick, Mrs. Clifford Miller and Miss Lillian Koppel with Mrs. Fischer as moderator, discussed other phases of responsibility in Social Ministry.

Mrs. Carroll Dougherty reported from the Hospitality Committee. A duet was sung by Mrs. David Reifsnnyder and Mrs. Arthur Clabaugh. Dr. Elwood Falkenstein, Dean of the Westminster District, had devotions. Rev. Wm. Markley is pastor of the host church. Mrs. Leonard Reifsnider is organist.

## Kindergarten Enrollment

The Christian Day Kindergarten of Trinity Lutheran Church is accepting registrations for enrollment in the class of 1965-66. Registration forms and informational brochures for the CDK may be secured at the church office or parsonage and may be returned when completed to Pastor Howard Miller, Kenneth Crouse or Mrs. Wayne Baumgardner.

Thus far, six of the twenty openings for next year's class have been filled by four- and five-year-old children of the community. Applicants must be four years of age by December 31, 1965, in order to qualify. Enrollment is open to children of all faiths and denominations; the kindergarten is non-sectarian and non-profit.

Mrs. Charles Stonesifer will be returning as teacher-director for the new term. The curriculum will be revised slightly so that those children attending for their second year will not repeat activities. Tuition remains the same as at present, and the class hours will again be from 9 A. M. to 11:30 A. M., Monday through Friday, during the school year.

Additional play equipment will be provided to accommodate the incoming class. This play equipment will be portable and thus can be used indoors or outside on the church parking lot.

Mrs. Baumgardner, a member of the CDK Steering Committee and the parent of a child now attending the class, affirms that the current year has been most successful. "The children have shown remarkable progress in their pre-school learnings and associations. All the parents are delighted with their children's progress and development. The members of the present class who will enter public school this fall will certainly be well-prepared for the new skills and personal relationships they will encounter there. I hope that parents of eligible children will take advantage of this opportunity to start them off this fall on the right foot in the long and important process of education."

## PAST CHIEFS' CLUB MEETING

Mrs. Francis E. Shaum, Sr., entertained The Past Chiefs' Club of Taneytown Temple No. 23 Pythian Sisters at her home on Tuesday evening, May 4.

The meeting was opened by singing "America, The Beautiful." The 147th Psalm was read by Mrs. Rhoda Dahoff and the Lord's Prayer was repeated in unison. Minutes of previous meeting were read and approved. Roll call was answered by 14 members; three guests were also present. Mrs. Thurston Putman was appointed to make arrangements for the annual picnic to be held in August.

Guess box was given by Mrs. Francis E. Shaum, Sr., and won by Mrs. John Harmon. Door prize was donated by the hostess and won by Mrs. Upton Austin.

Mrs. Marlin Six will be hostess to the Club on June 1 at her home.

Meeting adjourned by singing "My Old Kentucky Home." The benediction was repeated by all. The hostess served refreshments.

President Mrs. Hazel Lambert presided.

## REPUBLICANS MEET

The regular monthly meeting of the Carroll County Republican Club was held on Monday, April 28, 1965 at the Baltimore Federal Clubroom. Reports on the registration drive and the County Information Folder were heard. Plans were formulated for the annual Fall dinner, and co-chairmen Mrs. Glenn Saffell and Mrs. John Fringer were appointed by the president, Mrs. John Armacost.

Following adjournment of the business meeting, a film, "The Communist Encirclement," was shown by Mr. Walter Clark. Tentative plans for the May meeting include an address by delegate J. Glenn Beall, Jr., of Frostburg, minority leader of the Maryland House of Delegates.

## "SPICE 'N' EVERYTHING NICE" (Your Chatty Column)

With all my heart, I wish you every morning a smile that shall last until the next day's dawning. I wish you health—life's greatest wealth; I wish you always near so that I may help to cheer. Each future day and in some way—help to bring you happiness!

From the time you enter the plane of TWA—you know you will love it all. You gaze out the window and you think of that beautiful sight before you somehow feel closer to God! Don't have any fear at all for it will be the thrill of your life! S M O O T H can describe it fully! This time of the year is delightful, too and there are so many traveling right now. I did not, "Defence de Fumer" nor "Attachez Vos Centures." And this I would say to all young men — "Go West, Son! Go West!" To that rapidly growing town in Arizona — Y U M A — no other can compare and as for the climate — well it is like that all over that grand state. My cheeks have been dry ever since but my naturally curly hair became quite straight due to no dampness right there but now it's back in curl in Baltimore! All the fences are wide board affairs painted as barns and built very high in the yards which made me ponder and the thought was that the neighbors wanted privacy so unlike our low type fences in the East where all the neighbors can look out and see the beautiful flower gardens and lawns. They water the grass and flowers every day and that in the Sun!

Driving from Yuma — a distance of 300 miles each way to Redondo Beach and that only over the desert which will be built up some day. My son, the school teacher explained every detail of that drive to me. Right outside of Yuma there was an old fashioned Western type store and many extras were engaged from Yuma for the movie, "Seven Days in May!"

The day was delightful and the heat did not start until returning to Yuma. How wonderful it was to see my other two sons! The youngest and his family live just a block from the Pacific Ocean in a tremendous house with a fireplace as large as half of the wide wall of the living room which is lit each night. That was a treat as it takes the dampness out of the house. The following day, we drove to Los Angeles and I was placed on a sight seeing bus for Hollywood and Beverly Hills. That is a sight to remember! Our guide and driver were wonderful as they explained everything in detail and one thing they stated when Jack Benny's house was shown, "This is the most wonderful man in the world! No other can compare!" Just think of that! Eh!

We stopped and went into the home of Will Rogers who willed it to the State of California, plus 186 acres of the original 345. Rogers first lived in Beverly Hills in 1922 and he bought some property above Sunset Blvd. commanding a view of Western Los Angeles, Santa Monica and the Pacific Ocean. The living room reveals this "Cowboy Philosopher's personality" to every detail. It reminds one of those huge Lodges. Many of you may remember seeing this Cowboy who lived on a ranch all his life until he went into show business. The structure was enlarged to 18 rooms and the scenery surrounding cannot be described. He loved that place, every inch of it. The grounds and the building are maintained just as he left it. The living room revealing Roger's personality is most distinctive. It speaks eloquently of the man — the most comfortable furniture, including a porch swing in the center of the living room, the many Indian rugs and baskets, the saddles and bridles, and the mounted calf, given to him to provide a target for his roping in the house. There is a patio which was used for dining many times. The library is especially attractive. There is so much more to write about this which would fill Columns. His saying was, "I never met a man I did not like" and "Americans are getting too much like the Model A Fords. They all have the same upholstery and they all make the same noise!" Will Rogers was killed in an airplane crash in Alaska on August 15, 1935. On August 19, 1944, after the death of Mrs. Rogers, the Rogers family — there are three children — two sons and a daughter presented the ranch and acreage to the State of California which is a State Historic Park.

We dined in Anthony's Fish Grotto in San Diego on our way to Redondo Beach which was the finest of sea foods (and to think that everyone always says, "There is no place which can compare with Maryland!" Returning home, we stopped in Palm Springs where the actresses and actors spend a few months in the Winter. It is beyond describing. The lovely shops. But you and you can imagine. The grand restaurant where we dined is run by a man from Norway who serves a delicious Smorgasbord. It was truly Unammum good! He has two other places in California, plus one in Norway.

You have heard many say, "Don't look back" but this trip is something to remember and that all the way going and coming. Try to save for the trip. You will be glad that you went. Until next week, DV. Hope I'll be seeing you and you around the town about the 7th of May.

I am,  
Faithfully,

THURSDAY, MAY 6, 1965

WELCOME VISITOR

What interests the readers of weekly newspapers?

The Suburban Press Foundation conducted a survey to find the answer to that question, and Editor & Publisher has printed the results. They cast a revealing light on the wants of the millions of people who live in the small towns and the countryside.

As one would expect, local news led the field in readership, with 92.9 per cent of those polled saying they always read it; 6.5 per cent saying they read it sometimes; and only 0.6 per cent confessing they never read it.

Next—and close behind—came editorials and local columns. A mere 0.7 per cent said they never read these.

Third in reader interest was advertising. Only 2.7 per cent said they never read it. All the rest said they always or sometimes read it.

Actually, the whole weekly paper is very thoroughly read. Even the poorest read classification—sports news—drew a combined "always" and "sometimes" readership of 89.1 per cent.

The weekly paper is one of the most welcome of visitors to rural homes. It stays for seven days, not just one. And the whole family has a lasting and hearty appetite for just about everything in its columns.

"FACTS AND OPINIONS"

FBI Director J. Edgar Hoover says: "A national police force is a tool of tyranny. I abhor the implications of the term, and I refuse to let the FBI be forced into practices which smack of police state actions, regardless of the circumstances. . . . Some individuals, in their efforts to secure the fundamental guarantees of the Constitution for all citizens, have criticized this Bureau for not exceeding its authority and for not assuming responsibilities belonging to local and State police. The FBI fully appreciates the grave responsibility inherent in the investigation of alleged violations of Federal civil rights statutes. As I have stated many times, we are meeting these obligations without apology. Our role, however, is that of an investigator—not an accuser, prosecutor, jury, or judge."

The Portland, Oregon, Traffic Safety Commission points out that more accidents occur between 4 and 6 in the evening than during any other period of the day. So, it urges, as you drive home during critical hours be alert, always expect the unexpected from other drivers—and give yourself an extra margin of safety by conforming to all traffic regulations.

It is the view of the President of the Association of American Railroads that America cannot achieve the kind of Great Society projected by President Johnson without clearing the way for "great railroads" in a refurbished national transportation system. He states, "With 40 million more people expected by 1975 and production and freight volume growing at 3-to-5 per cent each year, the nation will be imposing huge new loads on its whole transport structure, and it will become imperative to get these handled smoothly and at the lowest possible total cost."

The Pharmaceutical Manufacturers Association reports that the industry's research spending on medical products is almost nine times more than it was in 1950, increasing from \$39 million then to \$346 million in 1965.

Ralph T. Moore writes in the Oregon Voter: "... the key to success in this war on poverty venture will be none other than the self-help and degree of cooperation exerted by those we wish to help. Indeed, this is true of all such ventures just as

it is of teaching. The pupil must himself find the will to learn and follow up the efforts in his behalf with all the diligence he can muster. We have not prepared our people too well of late by conditioning them to this purpose. We have preferred, instead, the short-cut of the greased palm with the implication of political support."

A bill has been introduced in the Senate designed to eliminate the confusions that come with daylight saving time. But those choosing it would have to observe it from the fourth Sunday in April until the fourth Sunday in October. An author of the bill contends that scrambled time and clock confusion now constitute "... one of the greatest public inconveniences in the Nation."

The nation's gas industry, which includes distribution and transmission companies, increased the gross value of its plant by 119 per cent from 1954 through 1964. This boosted plant value to \$27.6 billion.

It is estimated that 95 million kilowatts of generating equipment will be added to the nation's electric power supply by the end of 1970.

### CURRENT EVENTS FIFTY YEARS AGO

J. W. Witherow is erecting a barn on the tract of land he recently purchased from Wm. F. Bricker, adjoining the Reformed cemetery.

Percy H. Shriver of Trevanion, announces his candidacy for Register of Wills, subject to the vote of the Republican primaries.

The ticket for town officials was elected on Monday without opposition, the vote for the nominees ranging from 68 to 71. Those elected were: Burgess, Judson Hill; Commissioners, Edward Kemper, Jacob Baker, Albertus G. Riffle, Richard S. Hill and John S. Bower.

P. J. Fink had sale of his personal property on Tuesday and on Wednesday left for his new home in Palmyra, Pa. Mr. Fink will continue in the hotel business at his new location. Seldom in its history has Taneytown received such a shock as that caused by the telegram on Monday that Col. Jos. A. Goulden, 71, had dropped dead in Philadelphia on his way to his home in N. Y. City. He was regarded as a citizen of Taneytown although he held residence in N. Y. and represented the 23rd Congressional District there. Col. Goulden and wife own three farms in this neighborhood, one being "Glen Burn," formerly part of the Birnie Estate, on the Westminster Road; the other two lying adjoining on the Uniontown Road about a mile from Taneytown. He was born in Adams County Pa., but his parents removed to this district when he was quite young.

Vaughn — George, twin son of Mr. and Mrs. William Vaughn, near Taneytown, died on Tuesday morning, from whooping cough and pneumonia, aged 18 months. Funeral services at the home on Thursday morning; interment in Lutheran cemetery.

Prizelburg — Our farmers are busy planting corn. Mrs. Burnside Hively pulled a lemon from her tree recently which weighed 23 1/2 oz. Mrs. Foster Warehime and son, Glenn went to Baltimore County, last Sunday, to see Grant Hollenberry, who is in declining health.

### THINK PINK

Both pink, but different shades of pink, are Pink Buttons zinnia (light salmon-pink) and Evening Glow (old rose, with coral colored flower tongues). Both are 1964 winners.

Think pink when you plan your 1964 garden, but please don't think in terms of just one shade of pink for there are two vastly different shades vying for your consideration.

One is a rich, old rose sparked with coral. These colors are those of a new salvia named Evening Glow for its colors which you've seen combined in a summer evening's sunset.

As you know, the salvia commonly grown has scarlet blooms — a fine color with green, but sometimes hard to use with those of other flowers. The soft coloration of Evening Glow makes color scheming easy because it blends so well.

As for vital statistics, Evening Glow has large spikes of blooms, each of which grows from the base of the plant, rather than branching from a central stem. This makes each plant resemble a small bush, about a foot and a half high.

Lush green foliage stays in good condition until killing frost and makes a fine foil for the soft, rose-colored flowers with their coral tongues. For an outstanding color combination, use

this salvia as a background for any soft "blue" petunia.

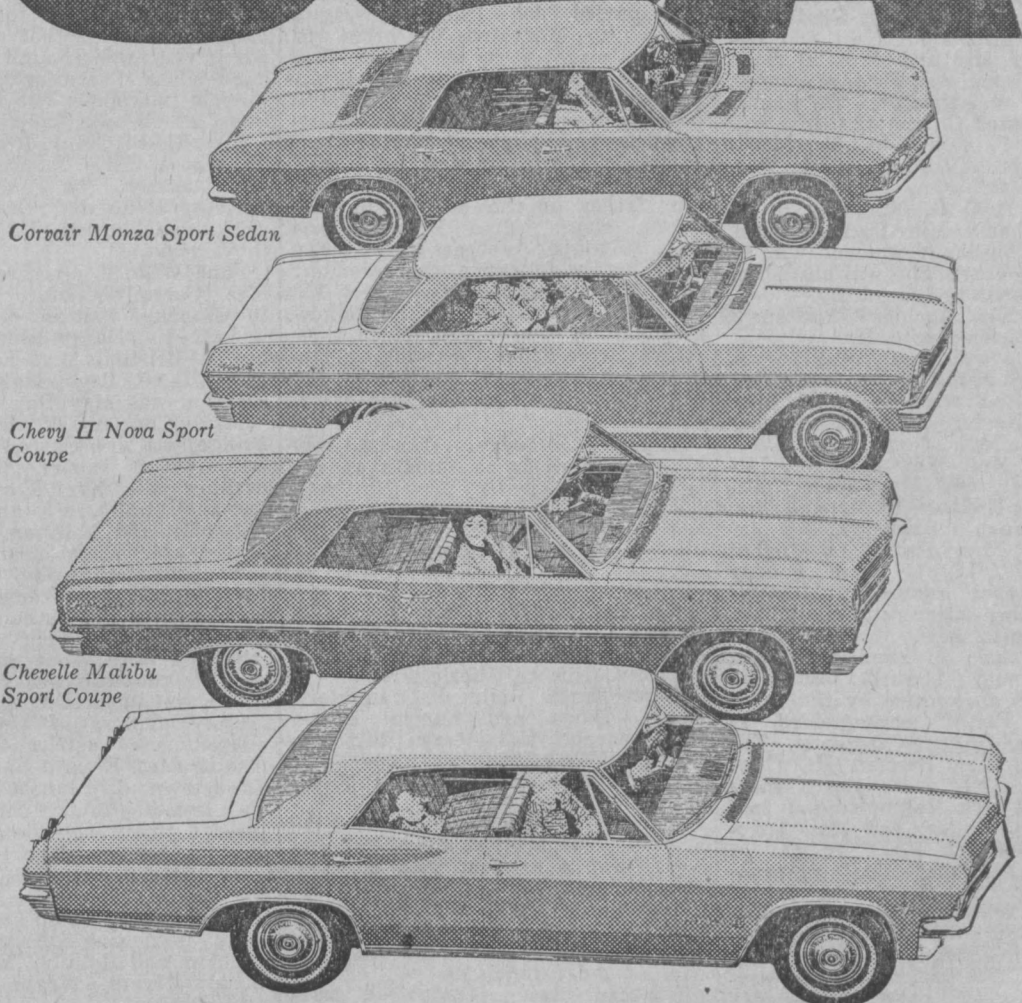

The second pink to think about this year is a light salmon-rose pink. This is the color of the uniformly rounded, inch and a half flowers of a new zinnia named Pink Buttons. The name perfectly describes the flowers.

Bushy, ten-inch-high plants bloom so freely that you can cut and cut and still have flowers even on a single plant. Both the height and the form of the plants make them useful for massing or for bordering a bed, path or driveway.

Salvia Blue Bedder makes an interesting background for zinnia, Pink Buttons and any of the white-flowered sweet alyssums a perfect foreground.

Both of these flowers have merited All-America Selections awards for 1964; sure proof of their worthiness of a place in your garden.

Mr. and Mrs. Edward Heltibridge and family of Manassas, Va., visited their parents, Mr. and Mrs. Emory Buffington and Mr. and Mrs. Ross Heltibridge on Sunday.

Those who attended the Laymen's Banquet of the United Church of Christ held in the Pleasant Valley fire hall on Thursday evening, April 29 were: Rev. Robert V. Johnson, Noah Warehime, Denton Wantz, Philip Lawyer, Wilbur Long, Monroe Wantz, Howard Maus, Wm. Maus, Martin Rodkey and Donald Van Fossen.

The Misses Wanda Haifley, Becky Warner and Cindy Warner, of the Future Nurses Club of Francis Scott Key High School were presented certificates on Thursday by Dr. Elliott Michaelson of Johns Hopkins Medical School, for their participation in a program on cancer at the Frederick Junior High School. They also received certificates from their school in recognition of volunteer work at Carroll County General Hospital.

Mr. and Mrs. Millard Wimmer were Sunday dinner guests of Mr. and Mrs. William Boone, Westmoreland Street, Westminster. Together they attended the installation service at Mt. Zion (Haugh's) Lutheran Church, Ladiesburg on Sunday afternoon when the Rev. Eugene Gardner was installed as Pastor by the Rev. Dr. J. Frank Fife, president of the Maryland Synod, LCA.

The Junior-Senior Prom at Francis Scott Key High School was well attended on Saturday night. Much praise goes to the decorating committee who arranged a Hawaiian setting for dancing. There were palm trees, a volcano and Hawaiian leis to add color to the scene. The after-prom party at the Community Center, Union Bridge was attended by about 175 persons.

Those from here, among the many who toured Adams County Blossom Trails on Sunday were: Mr. and Mrs. George Bowen and Linda, Mrs. Ella Basler, Mrs. Bessie Freet, Mrs. Grace Myers, Mr. and Mrs. Walter Myers, Jr. and Mark.

Mr. and Mrs. John Hyle and daughter, Denise, visited Mr. and Mrs. Kenneth Baust and daughter, Josie, near Westminster on Sunday evening.

The Westminster Church of the Brethren was the setting for the very pretty wedding on Saturday evening of Miss Miriam Romaine Baugh, daughter of Mr. and Mrs. Edward Switzer Baugher, Baugher Rd. and Claude Eugene Helton, son of Mr. and Mrs. Claude Vincent Helton, Coyner Ave., Marion Va. The Rev. Curtis W. Dubble, pastor, performed the double-ring ceremony by candlelight amid an altar setting of candles, palms and white cut-flowers. The soloist was Lewis Erb, Westminster, accompanied by Patrick Wright, Ocean City, Maryland. The bride was given in marriage by her father, Miss Retia Helton, sister of the bridegroom, was maid of honor and Miss Dorothy Baugher was junior bridesmaid. Daniel Baugher was ring-bearer and Kay Baugher was flower girl.

Eastman was Claude Vincent Helton, father of the bridegroom and ushers were: Allan Baugher and Daniel Baugher, brothers of the bride. Immediately following the ceremony a reception was held for about 150 relatives and friends in the fellowship hall of the church. Upon their return home from the wedding trip the couple will reside on Baugher Rd. Our Congratulations and Best Wishes!

Thought for Today — The best way to climb high is to remain on the level.

### KEYSVILLE-DETOUR

Greetings to you:

Just learned on Monday that Mrs. William (Hazel) Stambaugh of Keysville was a recent surgical patient and returned home that day. Her daughter told me that she is coming along very well though she still has good bit of discomfort. I'm sure we all join in wishing her well and hoping she will soon feel fine again.

Mrs. Coral Cover of Rochester, N. Y., was a visitor in Detour Monday and Tuesday. She has been visiting various friends and relatives in Frederick, Washington, D.C., and down in Virginia.

Jane Whildie, daughter of Mr. and Mrs. Carroll Whildie, spent Friday to Monday visiting with her girl friend, Miss Nancy Rinehart (daughter of Mr. and Mrs. Lee Rinehart), at Marian College, Marian, Va. The occasion was May Day celebration.

Mrs. Charles Minnick of Union Bridge and Mrs. Carroll Whildie near Detour were supper guests Monday evening with Mrs. Minnick's daughter and family, Mr. and Mrs. John Reynolds and children of Georgian Manor near Wheaton and Olney.

The District Spring Assembly for Lutheran Church Women which was held at Keysville Lutheran Church on Thursday was a big success. The meetings were about Social Ministry and the program was well presented by several interesting speakers.

Mrs. Lloyd Devillies of Uniontown was elected new District Chairman replacing Mrs. Elwood Baumgardner of Taneytown. The luncheon was served by the ladies of the church and featured a turkey-noodle casserole. All-in-all a real fine day. (You will find more pertinent details elsewhere in the paper, I'm sure.)

Mrs. Flora Repp of Ducktown, Tenn., is visiting for awhile with her nephew and family, Mr. and Mrs. Gerald Myers, Wayne and Darrell near Detour.

Mrs. Emory Yoder of White Hall has come for a stay with her daughter and family, Mr. and Mrs. Clyde Whildie, Neal and Danny of the Keysville Road. Another daughter, Miss Elizabeth Yoder, brought her on Sunday.

Wednesday, May 12, is the date for the Seminary Auxiliary Meeting to be held in the Chapel at Gettysburg from 10 A. M. to 3 P. M. There will be a small charge for lunch and tea will be served after the meeting. Anyone interested in attending should contact me (775-2155). Registration is from 9 to 10 A. M.

Paul, Timmy and Mariann Seibert came to Detour last Wednesday evening and took home with them to Clear Spring their niece Susan, daughter of Mr. and Mrs. Richard Whildie, for a visit. On Friday, Mrs. Richard and Mrs. Carroll Whildie brought her home. While in Clear Spring, they also called on Mr. and Mrs. Donald Haugh and then went to see his mother, Mrs. Annie Haugh, at the Williamsport Nursing Home. They report she is doing ever so much better.

Mr. and Mrs. Richard Stonesifer of Rockyville were week-end visitors with his parents, Mr. and Mrs. Russell Stonesifer of Keysville.

William Fleharty near Detour joined three Telephone Co. friends, Jim Caulford, and Paul and Bob Barnhart of Westminster, for a camping-fishing

trip to Black Water River area in West Virginia from Thursday evening until Sunday afternoon. They had a fine time and caught a number of fish. Even brought some home with them!

A special Spring Festival program was shown recently on TV. One of the children shown was Timmy Norcott who lives in Ojai, Calif., where the pictures were taken. Timmy is the son of Mr. and Mrs. Harold Norcott and many of you know Mrs. Norcott as the former Miss Margaret Whildie. His Aunt Edith told me it was really very good of him and those in the area who saw the show were glad to see him again.

Family Night will be held by the Union Bridge Parish Lutheran Church Men at St. James Church on May 19 beginning at 8 P. M. Plan to attend for the program will be given by Mr. and Mrs. Solomon Hoke of Westminster. They will tell about their trip to India and show slides to illustrate it. The Hokes went to India for six weeks through an exchange program sponsored by World Affairs, Inc., and lived with various farm families as well as making contact with farm leaders and other officials. They have a lot to tell about their experiences.

Visitors on Friday with Mr. and Mrs. Charles Clutz of River Dale Farm near Keysville were Pastor and Mrs. William Markley and Marinda. The Markleys played for them the tape recording made at the recent Cantata and they surely did enjoy it. Mr. and Mrs. Roy Baumgardner of Terra Rubra were Saturday evening callers. Mrs. Mary Baubitz of Hagerstown, who had been visiting with them since last week-end, returned home on Thursday. Sunday callers in this same home were Mrs. William Fleharty, Wayne, Ellen, Bruce and Diane near Detour and Mr. and Mrs. Harry Fleagle and her sister, Mrs. Cora Weant of Taneytown in the afternoon as well as Mr. and Mrs. Gregg Kiser of the Keysville Road in the evening.

We extend sincere good wishes to Mrs. William E. Ritter at Brookfield Manor Nursing Home in Middleburg for the occasion of her 92nd birthday on Saturday, May 8. The celebration by she and her family is right hampers this year with her in the Home but we hope they have a happy day just the same. Sunday is Mother's Day and best wishes to all of you reading this paper. Hope your family shows their love for you in some tangible way (like taking you out to dinner, perhaps). Happy Birthday wishes next week to Mrs. Gregg (Ellen) Kiser on the 11th; Brenda, daughter of Mr. and Mrs. John Harner near Taneytown, on the 12th and to Mrs. Harry (Jean) Hohman of Keysville Road on the 14th (right this time?). On the 12th it is Happy Anniversary wishes to Mr. and Mrs. Edward Coshun near Detour.

Mrs. Ralph Fleharty was returned to her home near Detour on Tuesday by her son Ralph with whom she had been visiting for the past two weeks in Overall, Va. Sunday afternoon callers with Mr. and Mrs. Carroll Whildie were Gary Schnappinger and Carolyn Thomas of Baltimore and Mr. and Mrs. Albert Whildie and Evelyn of the Keysville Road.

You say you enjoy baseball games? The Keysville Lutheran Team is planning on a bus to the Yankee-Oriole game in Baltimore on August 22. Tickets are on sale now, contact Charles Young of Keysville. Bus fare will be extra.

The topic "Woman As A Church Member" was presented to the Keysville Lutheran Church Women at their meeting on Monday night by Mrs. Ralph Shoemaker and Mrs. Terry Poist. Bible passages were read and discussion was held on various ways the Church can help women in different situations. The group read responsively Psalm 67 and the special of the evening was a duet, "Lord, Be My Companion," by Shirley Keilholz and Linda Schaffer. During the business meeting, President Mrs. Edward Coshun again thanked all those who took part in any way for the District Assembly held at the church the previous Thursday. Many nice comments were heard about the church, the program and especially the luncheon. Mrs. William Fleharty told about the Seminary Auxiliary meeting to be held in Gettysburg on May 12 and invited anyone interested to attend. Mrs. Robert Stine told of the May Fellowship Program to be held Friday evening, May 7, at Trinity Lutheran Church in Taneytown and urged attendance. Refreshments were served by hostesses, Mrs. Richard Whildie and Mrs. Edward Coshun.

Again my thanks to all of you who contributed through me to the American Cancer Society Fund drive. I was asked to solicit in both Detour and Keymar but was unable to cover the area as fully as I would have liked. If you were missed and would have liked to contribute, I'm truly sorry. I'm sure any contributions, however, could be mailed to the Society, address: American Cancer Society, Carroll County Unit, Maryland Division, P.O. Box 858, Westminster, Md. Thanks!!

—Dharlys Fleharty

### Boy Scout Troop 330

In preparation for taking part in the Memorial Day Parade in Union Bridge, Boy Scout Troop 330 practiced marching at their meeting on May 4 led by Assistant Scoutmaster Broadwater.

Inspection was held and the Panther Patrol will be "cleanup" group for this month.

The menu for the camping trip planned for May 14-15-16 was discussed. Plans will be made to attend Broad Creek Scout Camp August 14 to 21.

### FAIRVIEW

My very best wishes to all the mothers, wherever they may be, may God bless all.

Those who visited in the Home of Mr. and Mrs. Grant Baker the past week were: Mrs. Wm. Dubel, Darrell Coshun, Mrs. Mable Smith, Mr. and Mrs. Levi Frock, Hazel Frizzell and sister, Shirley, Mr. and Mrs. J. Thomas Baker and son, Douglas, Mr. and Mrs. Claude Baker, Mrs. Charles Chone and Claude Baker, Jr. Visitors in the home of Mr. and Mrs. Levi Frock were: Mrs. Mae

Buffington and daughter, Marie, Mr. and Mrs. Richard Adkins and family, Lois Smith, Mr. and Mrs. Donald Carl and sons, Mrs. Charles Frock and daughter, Debra, Mr. and Mrs. Robert Frock, Mrs. Reba Morley and Mrs. Betty Weeks.

According to the heat we had yesterday (Monday), it feels like Summer is here. It is so good to look upon the blossomed trees and green fields.

### How Kind Is God?

A mother had been spending some time teaching her child about the kindness of God. She was a good mother, blessed with the radiance of a mother's love at its best. The child listened intently to her teaching and the mother was happy for she wanted that child above all else to know that God's love and mercy were boundless to those who trusted their lives to him, yet she did not feel sure that she had sounded the depths of appreciation for God in the heart of her child. She was concerned, deeply concerned, but then her child solved the problem, he looked up at his mother and asked, "is God as nice as you mother?" "much nicer!" the mother insisted. Then he must be very nice, very nice the child exclaimed contented.

### Thy Nail-Pierced Hands

(by Kathryn Bowsher)

Jesus my Lord, when I look upon Thee,

and thy nail-pierced hands fast to the tree

All wretched pride melts 'neath thy Cross;

Things of this world become as dross.

Jesus, my Lord, when I look upon Thee

and thy nail-pierced hands out stretched toward me,

All self desires melt 'neath thy gaze;

One desire looms: thine, Lord, always!

Jesus my Lord, when I look upon Thee

and thy nail-pierced hands broken for me,

Things of this world grow dimmer still;

One wish remains, Master, Thy Will!

Jesus, my Lord, when I look upon Thee

and thy nail-pierced hands bleeding for me,

This heart and soul melt 'neath such love;

Jesus, my Lord, sent from above.

### Why Do We Go To Church?

Some go to church just for a walk; some go to stare and laugh and talk, some go there to meet a friend; some their idle time to spend.

Some, for general observation; some, for private speculation, some go to sit and doze and nod—just a few go to worship God!

—Author unknown.

### ROCKY RIDGE

Mrs. Charles H. Setherly spent Tuesday afternoon with Mrs. Horace A. Smith.

Mr. Harvey M. Pittenger, Sr., visited Mr. William Rogers of LeGore on Sunday.

### CARD OF THANKS

I wish to thank all my friends and relatives for their cards, flowers and prayers while I was in Annie M. Warner Hospital. I thank everyone for their thoughtfulness and kindness.

LENA HITCHCOCK

### CARD OF THANKS

We wish to express our sincere thanks to all our relatives, neighbors and friends for the cards, flowers, visits and food during our recent illnesses and Mrs. Dayhoff's hospitalization. We also wish to send a special thanks to all blood donors and visits of the ministers and their prayers. Again many, many thanks.

MR. AND MRS. UPTON DAYHOFF.

### DIED

#### OLIVER HARVEY BROWN

Oliver Harvey Brown, 84, Westminster R.D., husband of Mrs. Minnie Halter Brown, died at the Carroll County General Hospital, Westminster, Thursday at 11:30 P. M. after a five-month illness.

Mr. Brown was a son of the late Nelson A. and Ellen J. Maus Brown. He was a retired farmer. He was a member of Baust United Church of Christ, and Sunday school, near Taneytown, and had served on the consistory. His first wife, Gareth E. Nusbaur Brown, died 42 years ago.

Surviving besides his widow, are three daughters, Mrs. Carl E. Frock and Mrs. Evelyn Ohler, Taneytown, and Mrs. Edward O. Bollinger, Westminster; five stepchildren, J. Walter Keefe, Taneytown; Mrs. Howard F. Myers, Silver Run; Vernon E. Keefe, St. Petersburg, Fla.; Carroll D. Keefe, Baltimore, and Mrs. Walter H. Hook, Union Mills; 11 grandchildren; 10 step-grandchildren; four great-grandchildren; 11 step-great-grandchildren; a sister and five brothers, Mrs. Bessie Humbert, Littlestown; Theodore F. Brown, Westminster; William E. and Charles D. Brown, Silver Run, and Harry J. and George A. Brown, Baltimore.

Funeral services were held at Baust Church Sunday at 3:30 P. M., with the Rev. Robert V. Johnson officiating. Burial was in the church cemetery.

### CARD OF THANKS

We wish to express our sincere thanks and appreciation to all our relatives, neighbors and friends for their many acts of kindness shown us during the illness and since the death of our beloved husband and father, Oliver H. Brown. Many thanks also to Rev. Johnson and to the pallbearers for their services.

HIS WIFE AND FAMILY

### SEARCH FOR BEAUTY

Now as May comes dancing across the country-side, the fields are starred with dandelions and shy violets, spring beauties and wind-flowers grace the wood lands. May apples are unfurling, looking like so many parasols, and every tree and bush is pregnant with new life. Lilacs will soon fill the air with their priceless perfume, and peonies are popping up. Down on the banks of the Monocacy the Virginia blue bells are putting on their usual show of splendor. Yes, these Spring days are deliciously glorious, but to savor them to the utmost, we must go out and search for beauty, using our eyes, ears and nose to good advantage. In this era of rapid travel, and with the arrival of pleasant weather, the open highway beckons, and far too many people race here and there, but they never really see God's world.

Personally I share the opinion of that unique naturalist-philosopher, Henry David Thoreau, who firmly believed in thoroughly exploring one's own little corner first. Truly, the charms which lie practically at our very door step are countless, especially if one lives in the country where Nature dispenses her gifts with a lavish hand.

For instance, the other afternoon, I wandered down to the woods, where I revealed in the music of the stream and the carols of the birds, as I engaged in my usual pastime of bird watching. Much to my delight I spotted a black and white Warbler and then, a kinglet. The latter is a tiny elusive bird, which I had never been able to find. As the peaceful hour passed, my binoculars picked up several hawks, a pair of black ducks, a towhee, a wren, and assorted robins, blue jays, meadow larks, flickers and red-wings, not to mention a hen and rooster pheasant.

I had gone out to search for beauty and I found it. It cost me absolutely nothing, I did not have to go far afield, and best of all, I returned with a greatly revived spirit.

—Zola Cantwell.

## THE WAY I SEE IT . . .

Observations on the World of Sports —by John Breth

ERNIE BANKS, loser in a Chicago election in 1962, is waging a better campaign this year, but not in politics — in baseball.

The veteran Chicago Cubs' first baseman, the only player in National League history to win the Most Valuable Player award two consecutive years, is off to the greatest start of his major league career. After the Cubs' first 18 games, Banks is hitting a robust .389. He has belted three home runs and has driven in 19 runs.

Ernie, who ran for alderman in Chicago three years ago—and lost—thinks he has regained the winning touch in baseball because of watching movies. Not the usual type of neighborhood film fare, but movies of himself.

During the past winter, Banks watched films of himself, taken back in 1958 and 1959, the years he won the MVP awards. He realized that in those two seasons he was crouching more at the plate than in the five seasons since then. And, when he got to spring training, he reverted to his old style—bending lower in the batter's box. It worked out well during spring training, and, of course, he has continued to use it during the regular season.

Banks is 34 years old, but still feels he has a lot of baseball left in him. He proved that when he came back from a disastrous 1963 season in which he was seriously ill with sub-clinical mumps and hit only .227. Last year, he batted .264, while hitting 23 homers and driving in 95 runs.

During the '63 season, he had doubts whether he could still play good ball. Now, he says he is confident that he has found his old stance and timing.

As for politics, he does not plan to run for any office again. He says he did not seek election with any big office in mind. He just thought he could serve the community.

But, having lost in politics and now making another strong showing in baseball, Ernie feels the major leagues offer the best future for him. After his playing days are over, Banks has set a modest goal for himself—he wants to be a major league coach.

Not a manager, just a coach.

But, the way Banks is playing now, it may be a long time before he becomes a coach.

You might say the Detroit Tigers found a million dollar pitcher in a five and ten cent store.

That's stretching things a little but it all relates to the guy's own gag. The guy is HANK AGUIRRE, skillful lefthander of the Detroit Tigers but not so skillful last year when he had a record of five and ten. So did Phil Regan and that induced Aguirre to refer to Phil and himself as "The Woolworth Twins."

Hank made no attempt to explain Phil's bad season but about his own ineffectiveness he said: "I was a little disturbed with the world last summer. But I'm thinking better this year. It sure makes a difference."

It sure does. Hank tipped his mitt with a dandy display of pitching in spring training and has won his first two starts of the regular season with an assist from the Tiger bullpen. He took a decision over Kansas City, winning 11 to 4, with Denny McClain taking over for Aguirre in the seventh inning. Aguirre won his second start, a 1-0 decision over those same Kansas City Athletics. Larry Sherry took over in the eighth to assist with the shutout.

Two victories do not make a big season but they are a springboard to one at this stage of the infant campaign. Aguirre has looked the part of a first-class pitcher in the past. He won 16 games in 1962 and led the American League in earned-run percentages with 2.21. He added 14 wins in 1963 before his slump last season.

It was obvious in spring training that Hank would give it a big try this year. He did three times as much running as last year, according to temporary manager Bob Swift. Any pitcher will tell you that fatigue comes from the legs first and spreads to the arm. Hank decided to do something about that . . . and did.

Remember When Dept.—We asked you to attend the opening game of the Taneytown baseball season—you responded very well and the Tigers thank you very much.

Today's Sports Laugh — At Sunday's game against Cashtown, the Tigers finished their infield drill and manager Bob Fogle led his charges down the right field foul line to discuss signals for the game. The little batboy, Jerry Caple asked a bystander where the team was going. The man wisecracked: "Bob's holding a prayer meeting."

Pony League Season Slated to Open June 1

Sporting new uniforms provided by their sponsor, the Kiwanis Club, the local Pony Leaguers will open their season by playing host to Union Bridge on June 1 at Taneytown Memorial Park.

At a recent meeting of the managers of the league, it was decided that instead of presenting a banner to the championship team, individual arm patches will be presented to each member of the championship team. The sponsor of the championship team will also receive a plaque.

The season will consist of 15 games and will be highlighted by an All-Star game to be played after the season is completed. Arm patches will also be presented to all players chosen as All-Stars.

A large percentage of the team who helped to finish second last year is returning this year. Everyone is urged to lend support to the team by attending the games.

## TIGERS CLAW BOBCATS 11-7 IN OPENER

## JIMMY MYERS HERO IN TRIPLE PLAY

Jimmy Myers, put into the lineup in the ninth inning for defensive purposes, was instrumental in setting up Taneytown's first triple play in many a year, and killed a Cashtown rally to preserve the Tiger's opening day win, 11-7, over the Bobcats, while a large crowd looked on.

In the ninth, with runners on first and second, Jim Herring, rotund Bobcat manager, hit a sinking line-drive to right field. Jimmy Myers, racing at top speed, caught the ball at shoe-tops; made a flip to Graham Wildasin on first to catch the second Bobcat off base and then Graham pegged to "Scooter" Pfoutz at second for the third and final out. It was hard to tell who was the most surprised at the whole thing.

Star of The Game

"Scooter" Pfoutz

Star of the game has to go to "Scooter" Pfoutz. With three hits and three rbi's, he sparked the Tiger attack. Two of his hits were doubles to aid in various rallies.

In the second inning the Tigers got on the scoreboard with one run on Graham Wildasin's double plus a wild pitch and a fielders choice. The third frame saw two more Tigers cross the dish on singles by Don Favorite and Ernie Combs.

In the seventh inning, the locals exploded for four tallies to wrap up the game—one scored on a wild pitch,

two on Pfoutz's double and one on a single by Bob Reck.

Manager Bob Fogle was well pleased with his charges although his team committed seven errors. "These were because the team was tense," said Bob, who was particularly elated over the play of Jimmy Myers in the ninth frame. Three of the Bobcat runs were unearned because of sloppy Tiger infield play.

## Spring Cleaning Is Easier Now

At the first sign of spring, be it chirping robins or bright sunshine, homemakers across the land turn to spring housecleaning tasks. Because homes are becoming easier and easier to keep clean all year round, this traditional semi-annual attack on dirt no longer has to be the all-out siege it once was.

In all aspects of housekeeping, the wise homemaker saves time and labor by making use of all the modern cleaning aids available to her and by keeping the house in order, cleaning before the job becomes a big headache.

The kitchen is one area of the home where regular care cuts down tremendously on spring cleaning tasks. Major appliances

## NOTICE OF PUBLIC MEETINGS ON Proposed Comprehensive Zoning Ordinance

The Carroll County Planning and Zoning Commission will hold public hearings on the evenings of May 10, 11, 12, 13, and 14 between the hours of 7:30 and 9:00 P. M. in Room 208, County Office Building, Westminster, Maryland at which time any person may appear before the said Commission to express any comments relative to the proposed ordinance and/or proposed zoning maps.

The following is a summary of the background, objectives, and the contents of the proposed ordinance:

### Summary and Explanation PROPOSED COMPREHENSIVE ZONING ORDINANCE (Carroll County, Md.)

April 1965

Carroll County has operated under an interim or temporary-type zoning ordinance for approximately 3½ years. The purpose of the ordinance was to establish a control over set-back lines and certain type uses prior to their location in the county. This is only a limited-type zoning and inadequate to serve the needs of a growing county and must be replaced by a more comprehensive zoning ordinance.

Prior to the drafting of the proposed Comprehensive Zoning Ordinance, the Planning Commission spent many months developing a Master Plan for the future growth of the county. A study of population, land use, highways, economic activities, water and sewerage needs, and many other factors was made. A Master Plan for Carroll County was prepared from these studies and adopted in May 1964. A Comprehensive Zoning Ordinance is generally patterned around the needs shown on the Master Plan.

#### OBJECTIVES

The objectives sought by a comprehensive zoning ordinance are:

1. To preserve and protect the attractive living environment and the beauty of Carroll County.
2. To establish appropriate standards of development for the new growth of the county.
3. To aid in protecting the investments in homes, farms, business and industry from unwanted and incompatible neighbors.
4. To create orderly and systematic patterns of residential developments that can be conveniently and efficiently served by public facilities, including roads, schools, water and sewerage systems and the like.
5. To conserve good farm lands so far as is possible and to protect the farmer from unnecessary or objectionable land uses.
6. To promote the growth of retail business and industry in logical and effective areas of the county.
7. To protect roadsides from encroaching buildings, haphazard-type businesses and uses.
8. To protect large stream valleys from exploitation by indiscriminate uses which tend to destroy the water, forests, and beauty of such areas.

#### PURPOSE AND DESCRIPTION

The proposed ordinance will regulate locations and use of buildings and land for residential, business and industry and other purposes. It will specify minimum lot sizes, yards, building heights, off-street parking and other requirements. It has been designed specifically for Carroll County, however, is not unlike many other ordinances in rural counties which are realizing urban-type growth.

A total of nine zoning districts are being proposed. While many more districts are possible, it is believed that the number of districts will be adequate to serve the needs of the county for the next several years.

#### RESIDENTIAL DISTRICTS

Three Residential Districts are proposed and are described herein. The "R-20,000" Residence District is designed for single family housing which may not have either or both public water and sewerage facilities and where trends indicate that larger lot sizes are being developed to obtain more open space in residential developments. This District specifies a minimum lot area per family of 20,000 square feet with a minimum lot width of 100 feet.

"R-10,000" Residence District is for primarily single family residences and is proposed for location where both public water and sewerage facilities are or are proposed to be available. This District is located adjacent to incorporated areas or in those locations where public facilities may be forthcoming in the near future. The lot size per family is 10,000 square feet with a minimum lot width of 70 feet.

"R-7,500" Residence District is created for single, two-family and multi-family residential uses. Multi-family dwellings are proposed in conjunction with a planned unit development and require public water and sewerage facilities. The minimum lot area per family is 7,500 square feet and a lot width of 60 feet.

#### BUSINESS DISTRICTS

The "B-L" Local Business District is designed to accommodate all local or neighborhood retail businesses needed to service the citizens of any neighborhood or community. Included are food, drug, hardware, variety and other similar retail or service businesses. For reason that many of the locations proposed for this zoning classification are in residential areas, the more objectionable or unnecessary type business uses are excluded.

The "B-G" General Business District applies to most of the highway-type businesses and many others that do not require a shopping center location. Included are motels, restaurants, equipment service and sales, repair garages and shops, wholesale and warehousing businesses and numerous others. Most of the locations served by this District are on the major highways of the county at established business locations or key intersections.

#### INDUSTRIAL DISTRICTS

The "I-R" Restricted Industrial District provides for manufacturing of a type restricted to processing from previously prepared materials such as electrical appliances, electronic equipment, articles from bone, cloth, leather, paper, etc. All manufacturing is of a type that generally is considered light manufacturing in zoning terminology. The location of this District for the most part is served by major highways and not necessarily rail service. Construction of dwellings in this District is prohibited.

The "I-G" General Industrial District contains the extremely heavy and sometimes more objectionable-type industrial processes. Included are such industries as brick manufacture, manufacture and assembly of automobiles or other vehicles or component parts, manufacture of cloth, paper, paper products, rayon, wire, etc. In practically all cases, major highways, rail service, and level land is a prerequisite for this District. Dwellings are also excluded in this Industrial District.

#### AGRICULTURE DISTRICT

The "A" Agriculture District comprises approximately 85% of the land area of the county. Agriculture is a principal permitted use and is proposed in all Zoning Districts. The District will also include numerous residential subdivisions (single and two family dwellings) most of which will not be able to benefit from public water and sewerage facilities. Schools, colleges, churches, hospitals, recreation, nursing homes, etc., are uses also considered principal uses. For reason that this District comprises the largest land area, many other uses are permitted, but only upon Board of Appeals approval. This category includes airports, extra-active uses, race tracks, mobile home parks, penal institutions, research-type industries, rifle ranges, and many other uses. The minimum lot area per family is 20,000 square feet.

#### CONSERVATION DISTRICT

The "C" Conservation District includes the larger stream valleys of the county which are considered generally unsuited to extensive residential development because of soil, topography, and accessibility. To enable the areas in this District to remain relatively "open" in character, uses are restricted to those of a recreational-type. Dwellings are permitted, however, on a minimum of 3 acres. Agriculture is a principal permitted use.

#### ZONING MAPS

The Planning Commission has designated on zoning maps proposals for District boundaries. A generalized zoning map has been prepared showing the zoning classifications for the entire county on a single map. In addition, the Commission has prepared for official adoption a series of zoning maps on a much larger scale. The maps are available for inspection in the Planning Commission Office in the County Office Building, Westminster, Md.

#### EXISTING USES

Existing buildings, structures, and uses are allowed to continue in most cases, regardless of zoning. If such use is located in a Zoning District which does not conform to the use regulations, it is known as a "non-conforming use" and limitations are placed on its expansion, replacement, or change in use.

#### PRINCIPAL AND CONDITIONAL USES

A zoning certificate is issued upon application by the Zoning Administrator for all Principal Uses specified in each of the nine Zoning Districts. For all Conditional Uses, applications must be approved by the Board of Appeals after public hearing. Conditional uses are customarily found in the Zoning District where specified but have some unusual or objectionable aspects which require special consideration or the placement of appropriate conditions for the protection of neighbors or the community.

#### LOT REQUIREMENTS FOR DWELLINGS

Regardless of the minimum lot size specified for dwellings in all Districts (except Industrial Districts), regulations of the Maryland State Department of Health govern. All lots without public water and sewerage facilities must have a minimum of 20,000 square feet regardless of the District in which they are located. Minimum lot sizes (except in the "R-

20,000" the "A" and "C" Districts) shall be 15,000 square feet if public water is provided but not sewers, and 10,000 square feet with public water and public sewerage supplies. Where both public water and sewerage facilities are used in the "R-7,500" Residence District the minimum lot size is 7,500 square feet.

#### OFF-STREET PARKING

In order to lessen congestion on roads and streets all new buildings, including dwellings, must provide its own off-street parking spaces. Industrial, business, and public uses must provide adequate off-street parking in accordance with formulas developed based on common practice and experience.

#### SET-BACK AND YARDS

Yards in the front, side, and rear of dwellings and certain other buildings are prescribed for many purposes such as provision of light and air, protection from traffic hazards, noise, fumes, spread of fire, and the preservation of peace and quiet. The requirements vary from district to district.

#### BUILDING HEIGHTS

In order to secure safety from fire, panic, and other dangers, insure adequate light and air from neighboring properties, prevent overcrowding of land, limitations have been placed on the height of buildings in all districts.

#### TRAILERS OR MOBILE HOMES

Except for temporary uses such as offices, and on farms for occupancy of a tenant or immediate family, individual trailers are proposed to be prohibited. Trailer or Mobile Home Parks are proposed in the "A" Agriculture District and "I-R" Restricted Industrial District as conditional uses requiring Board of Appeals approval.

#### SIGNS AND BILLBOARDS (Outdoor Advertising Devices)

On-the-premise-type signs are permitted as an accessory use for all businesses. Off-the-premise signs and billboards are proposed for location in "B-G" General Business and all Industrial Districts.

#### PLANNED UNIT DEVELOPMENT

In a "R-7,500" Residence District where both public water and sewerage facilities are available, it is proposed that on a minimum tract of 10 acres varied-type housing can be located as a planned unit. Upon presentation of a suitable plan and approval by the Planning Commission, single and two-family dwellings, apartments and town houses may be located. Such plan assures a maximum density of population, adequate streets, open spaces, etc.

#### CLUSTER DEVELOPMENT

A proposal to allow a reduction of lot sizes in a development and the reservation of the land gained from such reduction as open space is included in the proposed ordinance. This is a concept which is gaining in popularity because of the desire of more open space, playgrounds, and planting areas in developments.

#### SHOPPING CENTERS (Planned Business Centers)

Proposals in the Comprehensive Zoning Ordinance indicate that plans for neighborhood shopping centers (2 acres or more in "B-L" District) and Community Shopping Centers (10 acres or more in a "B-G" District) must be approved by the Planning Commission based on sound development and use standards.

#### INDUSTRIAL PARKS

Under the Ordinance, development and site plans for Industrial Parks are proposed for approval by the Planning Commission to insure that adequate standards are provided for use, access, parking, loading, storage, building location, utility location, signing and yard requirements.

#### ADMINISTRATION AND ENFORCEMENT

The proposed Comprehensive Zoning Ordinance would be administered approximately in the same manner as the present Interim Zoning Ordinance. Applications would, therefore, be processed by a Zoning Administrator with penalties for violation as prescribed by State Law. Appeals from any action of the Zoning Administrator can be taken to the Board of Appeals, and from there to the Courts, if necessary. These provisions are in accordance with State Law.

#### APPEALS AND AMENDMENTS

Provisions for the Board of Appeals, its powers and jurisdiction are set out in the proposed ordinance. The procedures for amending or changing the regulations or zoning maps are prescribed in the ordinances, all of which are in accordance with State Law.

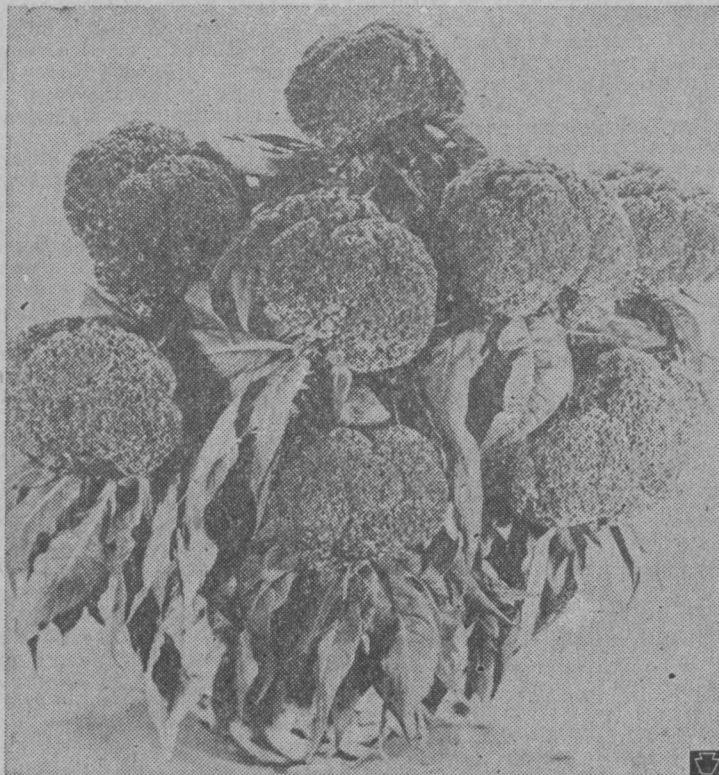

Any person may secure a copy of the proposed zoning ordinance or review the proposed zoning maps in the office of the Planning and Zoning Commission, County Office Building, Westminster, Md.

## GLOW OF FLAMES

Glowing cardinal red color makes the name Fireglow particularly apt for this new cockscomb. The bright color is outstanding in the garden; fades little when blooms are dried for indoor use.

A new color in cockscombs, a real cardinal red as opposed to the older purplish-reds, is that of Fireglow. Bred in Japan, this variety has been grown in the test grounds of All-America Selections for the past two years and merits an award for 1964.

Since cockscombs are not only useful when brightening the garden picture outdoors, but also when dried for winter use indoors, this pure red should be most welcome to gardeners interested in flower arrangements.

The central flower heads, produced on the main stems, are very large, to 6 inches or more in width and globular in shape. After these big fellows have been cut, the side branches will produce smaller globes, thus prolonging the blooming season.

Plants are about a foot and a half high, with dark green leaves and compact growth. This "bush" form makes it desirable to space the plants with sufficient room between them to show off each one.

## CANCEROUS SOUL

Lesson for May 9, 1965

Background Scripture: I Samuel 18:5-16; 24:1-12; 31.  
Devotional Reading: Ephesians 2:1-10.

**MORE THAN** half the patients in the hospitals of the United States at any one time would not be there if their mental attitudes were what they should be. So says one of America's leading psychiatrists. In other words, spiritual disease brings on physical disease. Now one of the most insidious and most cruel of diseases is cancer. This ailment, rightly feared, does more than Dr. Foreman harm the efficiency of the human constitution or of single organs; it destroys the tissues relentlessly and usually with great pain.

### In this sin there's no fun

Envy has been called the "last infirmity of noble minds," meaning that no person is too noble to have an attack of it. A man may be in most respects a good man, yet his own envy can ruin him. One of the classic stories of envy and what it can lead to is found in the Old Testament story of Saul and David. Saul, the king, hated and envied the young army officer David. There was no reason for hating him; he certainly did not hate King Saul in return. Saul tried many times to murder David, and failed. David had more than one good chance to assassinate Saul, but did not try. The envy was all on one side. The details can be found in the Bible in I Samuel from chapter 17 to the end, in Saul's death by suicide. It is the story of how the soul of an able and at one time good man was eaten away by the cancer of envy. Most sins have some pleasure attached. Even a murderer may get some satisfaction from his victim's screams; but an envy-ridden man gets no satisfaction at all.

### Root and fruit of envy

The soil in which envy grows best (though alas! it will grow somewhat in any soil) is arrogance. This is a form of pride, though not the same thing. Pride needs no audience. One can be one's own Admiration Society. Arrogance is always against others. There is a gentle and courteous arrogance, as when one "damns with faint praise" what someone else has done very well. There is also the arrogance of street gangs in a great city, rough and cruel. But arrogance is always pride kicking (literally or figuratively) someone else around. This shows up in the case of Saul, who was in fact a textbook case of this dread disease of the spirit. He considered (in time) that being chosen as king was a recognition of his ability; and when he ran into a better man, which David was, he could not be happy about it. He treats David like dirt, and takes it as a kind of insult that God should now favor David over Saul. So the fruit of envy is hatred — not hate, which can come in a single flash, but hatred which lingers long like a slow poison.

### Side effects

Cancer has a sneaky way of changing its location. (Doctors call it metastasis.) Driven out from one place, it turns up somewhere else. What are perhaps called side effects at first turn out to be the main attack. So the cancer of envy has its terrible side effects, notably fear and falsehood. Underlying all envy is a constant gnawing fear . . . fear that someone else hates me as much as I hate him, fear that the one envy will in the end "do me in"; fear of failing where my "enemy" succeeds, — fear of ridicule, even fear of death. All this came to pass in the soul of Saul. Falsehood was there too. The heart of the falsehood which is a side effect of envy is that the envious man will never admit what is perhaps plainly the case, that his rival is after all the better man. Further, the envy-infected man can no longer think honestly about himself or those he envies. If you asked him directly, he would tell you he hasn't a streak of envy in him anywhere, all he wants is justice. Such twisted souls can be saved only by a major operation. The trouble with Saul — and with most of those like him, is that the operation may be stubbornly resisted — till too late.

First Lieutenant John R. Thomas (right), son of Mr. and Mrs. Richard M. Thomas of Rt. 2, Denton, Md., receives the U. S. Air Force Medal from Colonel William E. Bethea, 34th Tactical Group commander.

**BIEN HOA, Viet Nam**—First Lieutenant John R. Thomas, son of Mr. and Mrs. Richard M. Thomas of Rt. 2, Denton, Md., has been awarded the first oak leaf cluster to the U. S. Air Force Air Medal at Bien Hoa AB, Viet Nam.

Lieutenant Thomas, a transport pilot, won the award — an oak leaf cluster represents an additional award of the medal — for his personal bravery and airmanship in the fight against Communist aggression in Viet Nam.

He is in a unit of the Pacific Air

Forces which assists and advises Vietnamese Air Force crews on combat tactics against the Viet Cong.

A graduate of Caroline H. S., Denton, the lieutenant was commissioned upon completion of the Reserve Officer Training Corps program at the University of Maryland, where he received his B.S. degree.

His wife, Jacqueline, is the daughter of Mr. and Mrs. Edwin Hevner of Route 2, Union Bridge, Md.

The itch for publicity gets a lot of people sooner or later, but it usually gets them.

## It Doesn't Hurt Anymore!

It used to be a painful process to get a blood sample. Remember? That big needle seemed to go almost through the finger, and left a feeling of throbbing pain for a long time after. But today a precision instrument, made of stainless steel, is being used to minimize the pain of this common "operation."

Blood samples can now be taken from the finger by puncturing the skin with a stainless steel needle called a "hemollet." This sturdy and sharp needle is made from .003 inch thick stainless steel strip provided by Jones & Laughlin Steel Corp., one of the major producers of this useful metal. The needle has a tiny "shoulder" so that it cannot accidentally penetrate deep enough to hit sensitive flesh. Since this fear is eliminated, the technician can strike the finger hard enough to stun surface nerve tissue and reduce painful after effect.

Because the needle is used only once, and then discarded, doctors have endorsed it as a means of guarding against the spread of dangerous infections such as serum hepatitis.

### WATERING YOUR LAWN

July and August are months when it normally doesn't rain enough to produce a lush green lawn.

Watering isn't necessary for a healthy lawn but it's vital if you want to maintain an enviable plot of grass during hot spells.

The decision to water or not water depends on you. If you feel it's important to preserve a green turf during these months, then water. But remember, the watering habit can become expensive, especially in areas where water is scarce. And when done improperly, it often hurts a sturdy lawn.

Too little watering causes a shallow root system and invites crabgrass. Too much watering cuts off the oxygen supply to roots, causes shallow roots and creates an ideal breeding ground for diseases.

To water properly, soak the ground to a depth of at least 6 inches. Once a week is usually sufficient, but twice a week will take care of the worst drought conditions. To check the water penetration, insert a table knife or sharp instrument into the ground. See how far and how easily it goes down.

Summer is also the time to check your lawn for that dark green color it had early in the season. If the lawn lacks this color, then most likely it needs nitrogen to bring back the greenness.

Apply a slow-release nitrogen fertilizer. This type of fertilizer is non-burning, releases the ni-

trogen at a steady rate, and avoids a big surge of growth which sometimes invites disease and insects.

If you don't mind a brown lawn during summer, don't bother watering. Most well-established lawns in the northern part of the United States can survive the summer months without watering and will usually revive with the first good rain.

## COUNTY COMMISSIONER DENNER RESIGNS

Justus C. Denner, Manchester, has announced his resignation as a member of the Board of Carroll County Commissioners.

No reason for the resignation was given in a brief note directed to Horace C. Brauning, president of the board. The note left on Brauning's desk stated, "Please accept this as notice of my resignation effective immediately."

L. Awalt Weller, attorney to the board, said that Denner conferred with him and said he wished to resign. Weller said he informed Denner he would have to write a letter of resignation to the Governor.

Denner was sworn in as the minority Republican commissioner March 18, 1964, and his term would expire in December 1966.

He was appointed to fill the vacancy caused by the death of Edmund L. Carr, Manchester. Originally the Republican Central Committee had recommended Frank Bushey, near Sykesville, for the position. However, the then State Senator Edward O. Went rejected that appointment.

It now will be up to Alvie Spencer, Jr., Westminster, chairman of the GOP State Committee, to call a meeting to nominate a man to fill the position.

Special consideration should be given to the northern part of the County.

## MEETING OF WOMEN'S LEAGUE

On Sunday, May 16, the Carroll County Chapter of the Woman's League of Gettysburg College will hold a tea at Trinity Lutheran Church, Taneytown. The time is 3:00 P. M.

The speaker will be Mrs. Cedric Tilberg of Glen Rock, N. J. She is the wife of a Lutheran Pastor and is currently the president of the General Woman's League of Gettysburg College.

Through the 53 years the activity of this organization, the spiritual and cultural life on the campus has been of great concern to the members of the Woman's League. The music department of the college received great help financially and the spiritual life on the campus was greatly enriched through grants and financial help for the construction of the lovely college chapel and through active interest in the need for a college chaplain.

Members and friends of the organization are cordially invited to attend and to hear of the deep and abiding interest that the Woman's League has shown in the college and its students through many years of service. Several young people of the community will furnish special music.
