Even though they haven't a leg to stand on, rumors have a way of getting around.

At an assembly held on Monday, May 24, Donna Hively, editor-in-chief of the 1965 TAHIAN yearbook, presented Miss Bankard with a copy of the composite photograph of the class. In her presentation, Donna told Miss Bankard: "The graduating class of 1965 would like to salute you, Miss Bankard, for you are practically a tradition at T.H.S. It is your memorable signature on papers, tardy notes, and absent slips that makes everything official. A schoolday would not be complete without seeing you hustle through the halls. Your dedication and persistence have been and will continue to be a guiding light to the students at T.H.S."

There are 69 members of this year's graduating class. Peggy Knouse is class president; Sam Bower, vice president; Linda Ohler, secretary; and Ed Koons, treasurer. (Pictures of the class will appear in next week's Carroll Record. —Editor.)

VIEW FROM MY KITCHEN WINDOW

The vista of greening fields and trees spread before me on this sparkling May morning makes me truly rejoice to be alive. All of nature, it seems shares my exuberant mood for the country-side fairly sings with color and beauty. The Iris are at their prime, and the Peonies are ready to unfurl momentarily. Down in the Locust Grove, fragrant white blossoms fill the air with their heady perfume. The Mulberry tree is covered with tiny green mulberries. How the birds love this tree. They fairly gorge themselves on its fruit. Even the bird feeder is neglected when the mulberries ripen!

And speaking of the birds, they are darting here and there, engaged in all manner of avian activities. As I write, the brilliant male Baltimore Oriole whistling cheerfully flashes up into the Carolina Poplar. Evidently, Mrs. Oriole has now completed the construction of her remarkable hanging nest, which she has so skillfully concealed among the leaves. Before long I shall be watching the parent birds teaching the young to fly. The demure hen pheasant pecks about in the wet grass, and then, in an attempt to get dry stands for awhile on a rock, enjoying the early morning sunshine. A mourning dove walks daintily up the lane, and a crested fly-catcher lights atop the yard fence.

Certain animals are abroad, as well. A brown rabbit hops across the bridge, while Gray Squirrell and spouse scamper about picking up last year's hickory nuts. Creampuff, the cat, heads down to the woods intent on some feline hunting expedition. Now the shiny black and white cows, having given down the morning's milk, wander leisurely out into the fields.

This is the signal for me to stop "viewing" and start preparing the breakfast of eggs and bacon. But as I do, I think of these words taken from a child's song," All things bright and beautiful, all creatures great and small, all things wise and wonderful, the Lord God made them all."

— Zola Cantwell.

A DAY TO REMEMBER

Memorial Day — Taneytown

Robert J. Miller to Speak

Taneytown will observe Memorial Day on Sunday, May 30th. Hesson-Snider Post #120, The American Legion is in charge of the ceremonies. A small parade has been arranged which will move out at 1:00 P. M. from Taney Inn. The parade route will be directly through town, via Baltimore Street, to Memorial Park entrance. Our very fine Taneytown Jr.-Sr. High School Band will participate. Also worthy of note is the 578th Signal Co., Ft. George G. Meade, will provide the firing squad this year.

Following the parade, an appropriate ceremony will take place at Memorial Park Entrance. The Gettysburg Address will be repeated this year by Mr. Jerry Knouse, a Taneytown H. S. Senior.

The guest speaker will be Mr. Robert J. Miller, the new Executive Assistant to Governor Tawes. Mr. Miller is a lawyer and former school teacher. He is a graduate of Gonzaga High School, Washington, D.C.; of Georgetown University (BS-1957) and of the Georgetown University Law School (LL. B, 1962). He has practiced law, as a member of the firm of Peters, Miller and Falcinelli, of Silver Springs, since 1963. He was a teacher of English in DeMatha High School, Hyattsville, from 1959 through 1963. His home is in Bethesda, Maryland.

The Memorial Day Committee urges everyone to attend the ceremonies at the Park entrance. In so doing, you show your respect and gratitude for those boys who gave the last full measure of devotion to help insure that this great country of ours may continue to be the land of the free.

Taneytown Community Vacation Bible School

The Rev. William M. Hendricks, supervisor of this year's Community Vacation Bible School effort, announced this week the steering committee's choice of materials. The course of study this year will be "My Saviour Teaches Me," prepared and published by the Standard Publishing Company. He also stated that more than 35 adults and young people, volunteer workers, will be giving their time and talent to make the VBS successful.

Pastor Hendricks also released these details: The cost to provide papers, pamphlets, crafts, and other materials will be about $2.00 per pupil. Therefore, as usual, offerings will be received each day to help defray the expenses of the school.

The Community Vacation Bible School will be held 9-11:30 A. M. daily, Monday through Friday, June 14-25, except Tuesday, June 15, which is the closing day for the public schools.

This year pupils will meet in three churches in the community. Preschoolers and sixth graders will meet in Trinity Lutheran Church. First, second and third graders will study in the United Church of Christ. And fourth and fifth graders will work in the Presbyterian Church. Pupils will report directly to the church where their classes are being held. Parents shall provide the necessary transportation for their children.

Pastor Hendricks also reluctantly indicated the pre-registration results were poor to date. This coming Sunday is the second assigned pre-registration day for registration in the various churches. Boys and girls, register on Sunday! Your Sunday school teacher or your pastor has a registration card for YOU!

"WE'RE ONLY NO. 2 . . .

. . . BUT DO WE TRY HARDER?"

The advertising copy of a national car rental agency attracts attention in our papers and magazines with its proud claim to second-place . . . proud because the fact that it *is* only runner-up necessitates greater effort to please agency customers.

Taneytown, for years, has been number-two-town in Carroll County, but has this fact — based on population figures — caused our community to try harder? It should. We hope it has.

We have made, through our Chamber of Commerce, a concerted attempt to attract more industry, business and residents. We have made, through various civic projects and an innate civic pride, several attempts to render Taneytown as a more desirable community. The image we hopefully project is one of progress . . . and concern.

The Taneytown Swimming Pool Project has been but one phase in our betterment program for Taneytown's image. But now, it assumes major importance, for on the ability, the willingness, the *concern* of our citizens to complete the Pool Fund does our image of progress depend!

To date, 64 pledgers have failed to pay their pledges totalling $3,042. This money is needed now!

To date, $4,000 more is needed — in addition to the unpaid pledges — to operate the pool this season and complete the construction.

If each of the 561 donors who have already completed payment of committments totalling nearly $49,500 would give just $5 more this week to the Pool Fund, $2,805 would be raised to cover part of the deficit.

The Pool will be opened and dedicated June 13. Let's try harder between now and then to complete the project.

After all, we have our reputation as "number two" to maintain!

Pool Dedication June 13

The formal dedication and opening of the Taneytown Community Swimming Pool has been postponed from May 29 to June 13 by the project's Executive Committee, which met last Wednesday night at an emergency session at the construction site. The postponement is necessary due to delays in construction of the pool.

The Dedication and formal opening will begin at 1:30 P. M. on the 13th (Sunday), and last about forty-five minutes. The ceremony will take place in front of the bathhouse in Taneytown's Memorial Park. Dedication will be made to the Youth of Greater Taneytown by Neal Powell, President of the City Council. Also featured in the program will be the Taneytown Junior-Senior High School Band, Mayor Raymond Perry, and Park Board Chairman Harry Dougherty, Sr.; John Skiles, immediate past president of the Taneytown Junior Chamber of Commerce, will serve as Master of Ceremonies.

Youths representing each of the schools in Taneytown will respond to the Dedication, on behalf of the community's young people. Project chairman Wayne Baumgardner will give a brief review of the Executive Committee's work during the past year.

The pool facility and bathhouse will be ready for use by the public immediately following the ceremony.

"We deeply regret that this delay is necessary," states Baumgardner, 'but the Committee, the Mayor and the City Council believe that several additional construction features should be included in the original specifications." These include the placing of extra supporting piers beneath the cement docking in areas of extensive fill around the pool perimeter, and the adding of barbed wire to the top of the pool enclosure fencing. The delay of two weeks is also necessitated by the pool contractors failure to complete the original specifications and plans in the time contracted.

The bathhouse is nearing completion, with only the lighting and plumbing fixtures yet to be installed. Grading and seeding of the area in front of the bathhouse will follow immediately. The Silver Fancy Garden Club will provide plantings for the bathhouse foundation.

The Pool Fund still needs approximately $4,000 to complete the project; bonus season family tickets will still be awarded for donations of $50 or more, and purchases of individual or family season tickets at $20 and $35 respectively may still be made. Interested donors and purchasers are asked to contact Harry Dougherty, Jr., Taneytown. There still remains to be paid about $5,000 in pledges; these are due immediately.

LUTHERAN BROTHERHOOD AWARDS SCHOLARSHIP

James W. McCurley III, son of Mr. and Mrs. J. Webb McCurley, Jr., Taneytown, has been awarded a $300 scholarship by Lutheran Brotherhood, Minneapolis-based fraternal insurance society.

Mr. McCurley is a junior at Valparaiso University, Valparaiso, Ind., where he is majoring in electrical engineering.

The scholarship is one of 69 senior college awards of $300 each being presented this year by Lutheran Brotherhood as part of its extensive program of aid to Lutheran higher education in the United States and Canada.

Carl F. Granrud, chairman of the board of directors and chief executive of the society, said that in addition to the senior college awards, Lutheran Brotherhood this year is granting 24 scholarships of $200 each to junior college students, 11 scholarships of $1,200 each to 1965 graduates of Lutheran seminaries, and 148 scholarships of $200 each to 1965 high school graduates who will attend Lutheran colleges.

The society's aid to Lutheran higher education is part of its fraternal activities program for which nearly a million dollars was expended last year.

'SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth;
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Driving up to 'them thar hills' and the rolling acres, no adjectives could describe with a little lady (Miss Helene Coleman—a cousin to Mr. Samuel Rosenstock) who has known Your Observer since she was just 17 on Sunday, May 16th plus the lovely day and the mountains in the background was Heavenly! We were on our way to Walkersville for the ceremony and Formal Announcement of The Rosenstock Chapel for the Maryland Baptist College right there. How wonderful of Mr. and Mrs. Samuel Rosenstock of Frederick to present $150,000 as a gift for the Chapel to be built. And as announced it would be built before the College. Dr. Melvin E. Lea, Presided (Chairman of the Board of Trustees). A very appropriate hymn was sung, "O Thou Whose Hand Hath Brought Us "Then a Formal Announcement and the Reponse by Mrs. Rosenstock, the Recognition of Distinguished Guests, a solo by F. D. Solomon. "The Place of The Chapel on Campus" by the Rev. Robert F. Woodward, Minister of the First Baptist Church of Frederick. The Doxology and then the Benediction by The Rev. Leonard D. Cormack, president, State Mission Board Baptist Convention of Maryland. Refreshments were served and those present signed their names and then were shown through the house of the president of The College and the surroundings. Mrs. Clarence Eaves wife of the Caretaker. I interviewed after walking through the old house. Owners of this charming place was first people by the name of Burrier, then Shipe, Oyster, Dr. Payne who raised Silk Worms, then Kelly and the last owner, a gentleman by the name of Brant — a Horse Breeder who had the horse "Chaledon" who won the Preakness in 1954 in Maryland. The house is over a 100 years old and reminds one of the real Southern Aristocracy. One part at the end has been added in 1930. What surprised me were the low ceilings—another charming part was the long lane, tree-lined at the entrance from the road. All in all it was a delightful afternoon and everyone was very happy that all this took place and so very grateful to the Rosenstocks.

Last week, I wrote about the fine Auto. Company of Bob Davidson and now there is still something finer. They just do not want to sell you a car but it is what they give you after as to real service. There is a Mr. Jim Elliott who is executive of the shop of Mechanics for new cars and as I stood there, I was amazed at all the fine detail for perfection! That man knows his business and it was indeed fascinating to observe. He handled each part as though it all was Dresden China which women love and appreciate as to any possession. Your Observer as you know writes only from experience and this is a concern which I have found, frankly, I think one in 500 that makes you want to go back and that is the way it should be with any business. It all will delight the men customers, I am positive about that.

We had dinner at the "Taney Inn" and that smart little man now is even serving "Hush Puppies" as they do down in Florida!

Drove out to see the site of the Swimming Pool so near the town. What a grand spot! You won't have to spend money for a vacation for you will have it all right there! Will be seeing you for the Dedication! D.V. Hope all of you have taken part as to making it a big realization and it will be something so big for Taneytown to be proud of.

How wonderful the approach of Taneytown, regardless of East West, South or North. Every home so immaculate, the lawns beautifully taken care of and it all appears as though everyone cares. How proud "The Chamber of Commerce" should be! And the people who live right there. Every stranger always says, "This is a sweet little town!" as they drive through and then they want to know the story that is the History of the place. Never will I forget the little Deaconness as she walked with me around the business section!

Don't forget to bring more love in your life; show someone else you love him or her! And do make someone else happy and you will be happy, too. Until next week D.V. when I will be writing about the "Gemini" individual, those born from May 20th after Midnight to June 20th before Midnight.

I am,
Faithfully,
YOUR OBSERVER.

MEETING OF 4-H CLUB

The Taneytown Girls' 4-H Club held their meeting at the home of Teresa Zent. Teresa Zent gave a demonstration-talk on the toys for different age groups and showed many ways to keep children preoccupied.

From our recent bake sale held at the Firemen's building, we made a profit of which we will donate to the Taneytown Swimming Pool.

Diana Windish was chosen by our club to be our representative to club-week held at University of Maryland.

Mrs. Stonesifer showed everyone the proper way of sewing on a button and everyone sewed on a button.

Delicious refreshments were served by Teresa Zent and enjoyed by all.

My boss sez I will someday be replaced by automation. I'd like to see a machine get him beer and place his bets with a bookie — or mix up a type-case like I can.

"GRASSROOTS OPINIONS"

TONASKET, WASH., TRIBUNE: "Camouflaged as the 'Great Society,' the insidious tentacles of Socialism have so fastened themselves upon the body politic of this once great Republic that relatively few of its citizens are aware of what has happened. Particularly is this true of the younger generation, confused by the double-talk of government bureaucrats and inoculated with the poison of 'social security,' they have grown into maturity with no real conception of the meaning of liberty and freedom. When men were free in America, before they surrendered their priceless heritage of liberty to a paternalistic government, they conquered a continent and established in this land a haven for the oppressed of the world."

PONTOTOC, MISS., PROGRESS: ". . . in Bulgaria. Offenders caught the second time driving while drinking are invariably sentenced to death . . . the death sentence is invariably carried out. On second thought, a death sentence for drunk drivers is not as harsh nor unreal as it might seem. Habitual drinking drivers in America generally sentence themselves to death. The pathetic and useless part of this sentence is that innocent drivers are often killed when the drunk driver's death sentence is fulfilled."

RANGELY, COLO., TIMES: "We understand that it will be illegal to state in a 'help-wanted' ad after July 1 whether you seek a man or woman worker. On that date a Federal law takes effect which makes it illegal to discriminate between the sexes. . . . It's hard to keep from discriminating against something or somebody in filling a job nowadays. If you choose an applicant with experience in the work you want done, you're certainly discriminating against ignorance. . . . We hope the Supreme Court will hurry up and rule on some of these important questions."

GRANGEVILLE, IDAHO, FREE PRESS: "How soon will the Federal Government stop treating the individual states as a group of irresponsible children? The theme today seems to be 'We will take your money then tell you how much you can have back and what you can use it for.' Similar to an alcoholic father mooching from his son with a paper route."

WILLAMINA, ORE., TIMES: "Not many Americans know that the Federal Office of Education has been authorized to spend approximately $1.5 billion during the current fiscal year. This is more than double the amount spent during the past fiscal year and it is a good example of the rate at which we are federalizing education. Let us never forget that Federal financing means Federal control. The Administration in Washington will soon be in position to control the intake of the minds of our children. That means we are losing our freedom."

SANTA PAULA, CALIF., CHRONICLE: "The subsidy for voluntary insurance would be offset by a new hardship clause. Those 65 and over are now entitled to deduct all of their medical expenses. After this year, they will only be allowed (a) 3 per cent deduction plus one half of health insurance premiums. This is giving something with one hand and taking it away with the other. The older people get, the more their medical bills cost."

GARNETT, KAN., REVIEW: "New industry coming into a community means even more than just so many new job opportunities. It is estimated that 100 new industrial workers in a community means 359 more people; 100 more households; 91 more school children; $710,000 more personal income per year; $229,000 more bank deposits; 97 more passenger cars registered; 165 more workers employed; 3 more retail establishments; and $331,000 more retail sales per year."

ARGO, ILL., NEWS: ". . . in the Great Society, the rewards of being in the underprivileged class are so golden that those of other classes may well decide to join, rather than remain privileged, or among those who must foot the tax bills for all the benefits."

GOSHEN, IND., NEWS: "They're equipping automobiles nowadays with everything but what they need the most, eyes."

KEYSVILLE-DETOUR

Greetings to you:

The Lutheran Men's Family Night held at St. James Church in Union Bridge on the 19th with Mr. and Mrs. Soloman Hoke of Bachman's Valley telling of their recent visit in India was very well attended and also well received. The Hokes tell a good story and illustrate with slides their trip. They tell of the people and their troubles and joys. They mention animals, farming, experimental stations and the Indian attitude towards tractors and change. Mrs. Hoke gives a good picture of a woman's life and stressed how they are willing workers for a rupee a day (the equivalent of 21 cents) and how happy they are to have the work. If you have not heard the Hokes tell their story, you are missing a fine experience.

Sunday dinner guests with Mrs. William Weishaar and Randy of Forest and Stream Club Road were her children and their families, Mr. and Mrs. Larry Weishaar of Taneytown, Mr. and Mrs. Paul Wildisan, Kevin and Kim of Westminster and Mr. and Mrs. James Weishaar, Bobby and Billy of Detour. Afternoon visitors and supper guests were Mr. and Mrs. Jerry Clingan of Thurmont.

Speaking of Mrs. Weishaar makes me think of iris (doesn't it you also?) and this is surely iris-time. Everywhere they are blooming in all their glory. Mrs. Weishaar's are lovely and numerous in variety, the Edward Coshun family's are shown to advantage in a border around their yard and such a fine display along the fence across from M. R. Pfoutz and Sons on the Union Bridge Road are only a few places. Most people seem to have some iris in their yards. The peonies have been opening the past week or two also and where they are displayed with iris, they are most striking. Poppies are making a bright splash of color, too. Isn't this truly a glorious time to be alive?

Wednesday evening Mr. and Mrs. Carroll Wilhide, Jane and Beth and Mrs. Emory Yoder were supper guests with Mr. and Mrs. Richard Wilhide and Susan.

Guest speaker at Keysville Lutheran Church on Sunday was William Beck, a student at the Seminary in Gettysburg and a native of Roaring Springs, Pa. Mr. Beck talked about prayer and its power and how it is always answered though not necessarily the way we think it should be.

Don't forget to save your empty pop bottles for the Luther Leaguers who will be making a drive for them on Saturday (29th). They plan to use the proceeds as a donation to the church building fund.

Mrs. Frank Fogle of Union Bridge and Mrs. Carroll Lee of Annapolis (sisters-in-law) visited at the World's Fair from Saturday until Wednesday and had a fine time.

If your child would like to enroll in the Bible School planned at Keysville Lutheran Church June 14 to 18 (excluding the 15th) and 21 to 25, do please fill out the registration form. If you do not have a form, contact Pastor Markley, Mrs. Charles Stonesifer or myself and we shall make one available to you. Remember, classes will be pre-school, first and second graders, third and fourth graders and fifth and sixth graders. I still need a co-worker for the fifth and sixth graders. Any willing workers available?

It was a busy week last week at the home of Mr. and Mrs. Charles Cluts of River Dale Farm near Keysville. Callers during the week were Mr. and Mrs. Charles Stonesifer of Taneytown, Mr. and Mrs. Harry Spurrier near Union Bridge, Mr. and Mrs. Robert Strine of Thurmont, Mr. and Mrs. William White of Fairfield, Pa., Mr. and Mrs. LaVerne Keilholtz near Keysville and Mr. and Mrs. Guy Boller of Rocky Ridge. Miss Anna Richter of Halifax, Pa., another of Mrs. Cluts' classmates at Millersville State Normal School, spent Thursday afternoon with them. Other visitors were Miss Geraldine Boller and Mrs. Lowell Long of Thurmont, Mr. and Mrs. Roy Baumgardner of Terra Rubra and Mrs. Etta Wiley and Mrs. Edgar Phillips of Taneytown. Their daughter, Mrs. Hugh Heaps of Silver Spring, came early Sunday morning and spent the day with them and other Sunday callers were Mr. Walter Garrett and son Gordon and Mr. and Mrs. Benjamin Croft of Hampstead as well as Mr. and Mrs. Frank Parker of Owings Mill and Mr. and Mrs. Roy Kiser of Taneytown.

Mr. and Mrs. Alvin Metzler of Altoona, Pa., arrived over the week-end at the home of Mr. and Mrs. Clyde Wilhide and family of the Keysville Road and will visit between them and the Carroll Wilhide family this week. On Saturday, Mrs. Metzler, along with Miss Merle Yoder, attended the luncheon and meeting of the Story Tellers' League in Baltimore where there were 22 members present from Altoona.

Mr. and Mrs. Edward Coshun near Detour took a trip this past week-end through part of New York State. They had a good time, she said, looking in at various antique shops.

Do you place flowers on the cemetery? and do you often wish for a decent container in which to put them? one that doesn't cost too much and therefore — if lost, strayed or stolen — doesn't matter overmuch? The Boy Scouts of Troop 330 have been thinking of those just like you and have made some containers which cost just 25 cents. They are available in Union Bridge and at Stambaugh's Grocery in Keysville. The profit will go into their camping fund. So—why not buy one or more and help yourself and the scouts?

When Mrs. Richard Wilhide and Susan went over to Clear Spring on Saturday to visit with her family, Mr. and Mrs. Daniel Seibert, Timmy, Paul, Mariann and Johnny, they also took along Ellen and Bruce Fleharty. Ellen and Bruce are especially fond of Mariann and Johnny and had a grand day being with them.

Few observations made lately: the junior-size scarecrow in the garden of Gerald Myers and family (just across the bridge on the Keymar Rd.) and Mr. and Mrs. William Fritz have finally moved into their new home just a little further along on the same road. Sure they must be very happy to finally be "in." Backfilling was done last week at the new home on the Keysville Road (next to the home of Mr. and Mrs. Frank Harmon) being built for Mr. and Mrs. Eugene Glass and family. The new garage has been finished at the home of Mr. and Mrs. Hugh Engel just across the way from here. Also noticed a short time ago that a new house is going up next to Mr. and Mrs. Mervin Griffin on the Middleburg Road near the Union Bridge Road turnoff.

Little Ray Harner is recovered from his chicken pox and returned to school on Monday. The latter part of last week Denise, daughter of Mr. and Mrs. Myron Wilhide, "blossomed forth" with them. Now the Harners are waiting for their Diane and the Wilhides for their Renee to get them also. Is it just me, or isn't it rather late in the season for these to still be around?

Belated birthday wishes to Carroll Wantz of Taneytown and Larry Dougherty with the Air Force in England on the 23rd and to Dean Trout near Middleburg on the 25th. Mentioning Larry, his fiancee, Becky Dryden, and her friend, Diane Disque of Wilmington, Del., were visitors this past week-end with his parents, Mr. and Mrs. Carroll Dougherty in Detour.

Best wishes to you and yours for a safe and happy three-day Memorial Day holiday.

—Dharlys Fleharty

The committee for the chicken and ham dinner at St. Joseph's Church, Taneytown, on Sunday, June 13, is planning a large and appetizing menu of fried chicken and ham, white and sweet potatoes, corn and beans, cake and coffee.

The committee is headed by Richard Koontz, Francis Oberle, Ruth Fowler and Betty Shaum.

Games, prizes, toys and home-made cakes will be available; also pony rides and grab bags for the younger set.

A Time of Hope and Joy

When the gusty winds of winter die
And the voice of spring is heard,
A man can stand on a patch of land
And capture every word.

When the birds fly north through the azure sky
And the hills are veiled in green,
A man can hear with half an ear
The sounds of the new-born scene.

From the smell of earth that's freshly turned,
From the flashing rivers' gleam,
A man can sense the presence
Of the dreamer and his dream.

For spring is a time of hope and joy
And sounds of the growing land,
And the swelling strains of a faith regained
Sing in the soul of a man.

DONOHUE PITCHES PERFECT GAME OVER METS

NEW OXFORD AGAIN DUMPS TIGERS, 5-2

For the first time in Taneytown baseball history a perfect game has been recorded. Walt Donohue turned the trick last Wednesday against the Mummasburg Mets as he retired 21 men in a row with 16 strikeouts. Walt's no-hitter was the third in local history but the first perfect game in which no enemy batsmen reached base. The other two no-hitters were recorded in 1937 and 1946. Lefty Rommel first turned the trick in the old Frederick County League and Bob Smith for the locals in the Penn-Mar League.

The Tigers started things right off in the second frame with two runs on Walt Donohue's single and an error. In the fourth, for two more on a fielder's choice and an error; in the fifth, for three runs on Walt Donohue's triple and Terry Bell's single. To ice the decision in the sixth, Taneytown added five more on Don Favorite's triple, Ernie Comb's single, Jim Head's r.b.i. single, one more on a passed ball and Terry Bell's triple for the last tally.

The Tigers jumped right in front in the first frame on Arvin Bollinger's sacrifice fly to score "Scooter" Pfoutz. In the fifth, Taneytown added its last score on Walt Donohue's single to score Mick McNair.

Also in the fifth for the Owls, they scored four times to wrap up the game; the runs were unearned.

THE WAY I SEE IT . . .

Observations on the World of Sports
—by John Breth

THE WHITE SOX won the nickname "Go-Go Sox" when they broke the Yankee pennant string in 1959 because of their speed and daring on the base paths.

The Sox may break another Yankee pennant string this year but it won't be because of their speed and daring on the base paths.

The Sox have introduced a new element—for them—this season. It is punch at the plate. Manager Al Lopez of the Sox always has been a firm believer in pitching and defense as two major ingredients in winning a flag. When he lacked punch he had to depend on speed. Now that his team lacks speed he is going for punch.

The Sox have been getting solid hitting this year from Bill Skowron, Danny Cater, Pete Ward and Don Buford. Cater is a rookie, the others are experienced ball players. Lopez also figures that catcher John Romano will be a steady run-producer for him.

Lopez is still depending on his strong pitching to win most games but he now plays for a big inning—and gets it—more often than in the past.

Al says: "With the kind of hitting I have this year I can't steal and sacrifice and play for one run. I have to go for the big bundle. I'm just going to let my men hit away and hope for the best. It will mean that we will hit into more double plays but we'll also have more big innings."

Lopez compares the current White Sox club with the team he had at Cleveland in 1954. That was the year the Indians won 111 games and the pennant.

That Cleveland club had good pitching and good hitting but not much speed. It was good enough to win. Perhaps the same blend will succeed in Chicago this year.

A fighter sometimes learns a valuable lesson by being knocked out and so can a pitcher.

Knuckleballer EDDIE FISHER of the Chicago White Sox learned one on the wings of a three-run homer that Rocky Colavito hit against him in 1963. Fisher was pitching for the White Sox against the Tigers, Colavito was with Detroit at that time.

It was a tough spot, there were two men on base in a close game. Fisher, pitching to Colavito, fell behind when his opening two knuckleballs fluttered wide of the plate. Behind in the count, two balls and no strikes, Fisher elected to come in with a slider and Colavito hit it out of sight for a three-run homer.

Manager Al Lopez of the White Sox yanked Fisher, not because he had been hit for a three-run homer but because he hadn't come in with his bread and butter pitch, the knuckler.

That game taught Fisher a lesson and he has been moving onward and upward ever since. He won his spurs as a relief pitcher for the Sox with a great second half of the season in 1964 and this year he has moved into the number one fireman spot, ahead of his mentor, Hoyt Wilhelm.

Says Fisher "I learned how to use the knuckler by watching Wilhelm pitch. I go with the pitch 70 or 80 per cent of the time now."

Fisher thinks that a knuckleballer improves with age and a knuckleball improves with use.

Here is the way he puts it: "The knuckleball is a finely-timed pitch. The more you work with it, the better it gets."

Fisher is only 30 and since knuckleballers often hold their effectiveness into their 40's—Wilhelm is 41—Eddie should be wheeling and dealing to American League hitters for some time to come.

Remember When Dept. — Brooks Robinson has won the "Most Valuable Oriole" award three times in the last five years . . . no other player has ever won it more than once.

Today's Sport Laugh — A former member of the Mets—Dick Smith—is now with the Dodgers. He played ball during the winter in Nicaragua and he says conditions were bad. "It was so bad," he says, "that I think I would prefer to be back playing for the Mets than go through that experience again."

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

You are the Man

Lesson for May 30, 1965

Background Scripture: II Samuel 11 through 13.
Devotional Reading: Psalm 51:1-14.

IF YOU can't admit that your hero has any weak points and never made a mistake, you're no person to write his biography. Most good biographies are frank about the subject's weaknesses and mistakes. But what about the hero's sins? Biographers are almost never willing to mention sins, or they even take the view that their man, being an extraordinary person with unusual gifts is or was a privileged character whose sins, if any, should not be held against him.

Dr. Foreman

Not so the Old Testament. One feature that marks it an astonishingly honest book is the way it records the sins, even the blackest, of its characters — even the greatest. The story of David, their first great king, illustrates this.

Sins and sin

Nobody in Hebrew history has been more honored, then and since, than King David. But nobody in Hebrew or any other nation's history has blacker marks against him. His sin with Bathsheba is a classic example of what sin is and how it works. The details are all in II Samuel and there is no need to go over the sad details. By the way, it is a mistake to take the movie "David and Bathsheba" as the true story. The first thing to notice is how several sins were tied together. Adultery, lust, falsehood, drunkenness, and murder were all wrapped together in one foul package. And over it all is the colossal hypocrisy of the man. When he gets the news of his victim's death, all he says is, "Well that's the way it is". In war who knows? Sometimes one man gets killed, sometimes another . . . . and all the time it was he who arranged the details of Uriah's murder. But this raises another point about sin. Every single sin is an insult to God, as Nathan pointed out. But is there something deeper than sins? Yes, beneath them all is Sin; the root and reason of every particular sin is always the same. It is given different names: call it self-indulgence, selfishness, pride, arrogance, self-idolatry, or (Nathan's words) "utter scorn" of God; sin arises when a man decides to set his own desires, whatever they may be, above the known will of God. "God says don't, but I don't care, I say do." It's as simple — and as wicked — as that.

Destruction of the innocent

The consequences of David's sin did not stop with his own collapse of character. They spread throughout his kingdom and his family. His example of course led to imitators. The ugly story of the rape of innocent Tamar shows that David no longer had the moral courage to condemn, much less punish, others for the same kind of sins as he had himself committed. Then there was the murder of Amnon, and the two rebellions of Absalom and of Ahijah — failing to be sure, but showing that David no longer held the loyalty of all his people.

And yet we remember David as a great man, a hero, a religious man besides. How is this? The answer to that is in Psalm 51, which from early times has been taken as an expression of David's mind after this saddest chapter of his life. He was honest with himself, at last, honest before God. He did not try to cover up his sins. He could not call back what he had done; but he repented. And God accepted him . . . yet the consequences remained.

Republicans Name McKinney As County Commissioner

Robert M. McKinney, retired chemist and patent manager of the duPont Company, Wilmington, Del., has been chosen by the Republican State Central Commitee to fill the vacancy in the office of County Commissioner.

McKinney is the son of the late John C. McKinney, a native of Taneytown district. The Commissioner-designate was born and grew up in Berrett district, attended Carroll County public schools, graduating from Mt. Airy High School. In 1924 he earned a Bachelor of Arts degree from Blue Ridge College, New Windsor, Md., and in 1927 he received a Ph.D. degree (chemistry) from the Johns Hopkins University. Two years later he married Mary Englar, daughter of the late Herbert G. Englar of New Windsor.

Immediately after graduating from Hopkins, Mr. McKinney became a research chemist for Standard Oil Company of New York. In 1930 he transferred to Commercial Pigments Corporation, Curtis Bay, Md., as a research chemist in the titanium pigment industry. In 1935 that company was taken over by duPont, and Mr. McKinney was then transferred to Wilmington, Del., as an employee of E. I. duPont de Nemours Company. In 1962 he exercised his option to retire at age 60 and returned to Carroll County, building his home on Ridge Road just outside the corporate limits of Westminster.

Mr. McKinney is a member of the Board of Trustees of Bridgewater College, Bridgewater, Va., and is Chairman of its Finance Committee. He is a member of the American Chemical Society, Society of Chemical Industry (London, England), Society of Sigma Xi (honorary scientific society), and of the Masonic Order (Past Master of Freedom Lodge). He is registered for the practice of patent law with the United States Patent Office. He attends church at Messiah Lutheran Church, Berrett district, where he has been a member since 1918. Mr. McKinney is presently serving as Chairman of the Carroll County Sanitary Commission.

Young Man Honored

Mr. Stephen Gregory Feeser, Taneytown, Md., has been selected as one of 25 college students across the nation to participate in the European Graduate Study Tour in Comparative Mass Media. Recommended by his college dean because of outstanding personal record, academic average and service to his college, Mr. Feeser will tour major cities in England, France, Germany, Italy, Holland and Denmark during the months of June and July.

Mr. Feeser will observe, explore, and analyze the role of the mass media in the countries visited as they relate to their respective social, political and economic systems. The core of the study program will consist of lectures, discussions, and seminars with European representatives of the mass media, foreign correspondents and advertising personnel; and visits to leading production and publishing centers of the mass media. Because of the obvious significance of these nations in the development of Western Civilization and in contemporary world affairs, ample opportunity will be taken to see other important landmarks in these key European centers.

Mr. Feeser, a Junior in the school of Arts and Sciences at Ithaca College in New York, is a staff reporter for the college newspaper—**The Ithacan**, a licensed broadcaster for WICB, Ithaca, New York, the treasurer of the Presidential Host Committee, and the Student Council Public Relations Chairman, as well as being a brother of Epsilon Nu Gamma and Sigma Alpha Mu.

Mr. Feeser, a graduate of Taneytown H. S., President of the Class of 1963, is the son of Mr. and Mrs. Robert Feeser, Taneytown.

Letter To The Editor

Please renew my subscription to The Record, and may I take this opportunity to thank the people of the Taneytown area.

One year ago we came into this community as strangers with the words of well-meaning though mistaken friends still in our minds. We had heard such things as, "You'll find the East quite different; the people slow to accept newcomers," and so on and on.

Much to our delight we found instead a very warm and friendly people eager to offer the hand of friendship.

The beauty we have found here in your lovely Carroll County with its hills, valleys, and abundance of wildlife has been a joy to us all.

Here, away from the pace of city life I have found a peace and nearness to God never before experienced.

To all of you who have helped to make this our home too, go our heartfelt thanks.

Lauretta E. Wolf
