Taneytown's 5th Annual Punt, Pass & Kick Competition to be Held October 9, 1965

Taneytown area boys from eight through thirteen can pit their football skills against thousands of other boys throughout the nation in the 5th annual Punt, Pass & Kick competition which will culminate with a trip to Washington, D.C., and to an appearance at the National Football Play-Off Bowl game for the top 12 winners.

Sponsored nationally by the Ford Dealers of America and the National Football League, the Punt, Pass & Kick competition — or PP&K will be staged in Taneytown by CROUSE FORD SALES, Inc., with The Taneytown Jaycees as local co-sponsor.

Taneytown boys will be tested for their ability to punt, pass and kick on the same day as legions of other boys all over the country. For 8-, 9- and 10-year-olds, warm-up jackets, helmets and footballs will be given as first, second and third prizes for each age group. Boys 11, 12 and 13 will receive gold, silver, and bronze trophies. There will be 18 prizes in all. Scores throughout the country then will be compared to determine the 6 top winners in each of the 362 Ford zones — a total of 2,172 zone winners.

Zone winners will meet in 37 Ford District competitions at which 222 district champions will win trophies. The 222 runners-up also will receive trophies. All 222 district champions will compete for area championships to be held in the 14 NFL city areas.

The 42 eastern NFL-area champions will compete in Dallas, Texas, on Saturday, December 11, to decide the six eastern division champions (one for each age group). The 42 western NFL-area champions will compete in Los Angeles, California, on Saturday, December 18, to determine the six western division champions (one for each age group).

The six eastern NFL division champions, and the six western division champions, accompanied by their mothers and fathers, will go on a "Tour of Champions" to Washington, D.C. They then will travel to Miami, Florida, site of the annual NFL Play-Off Bowl game, for half-time competition to determine the 6 National PP&K champions.

George B. Crouse, of CROUSE FORD SALES, Inc., pointed out that PP&K involves no body contact, there is no charge for entering and no special equipment is needed. "Registration will be open from September 9 through October 8," he said, "with CROUSE FORD SALES, Inc., as registration headquarters."

"In 1964, PP&K's 4th year, 601, 459 boys entered the competition," he said, "a program which has received the commendation of the President's Council on Youth Fitness."

Mr. Crouse said entrants will be judged on distance and accuracy of their punting, passing and kicking. Points will be awarded for each foot of distance the ball travels on the fly, and points will be subtracted for each foot the ball lands to the right or left of a center line. The Taneytown competition will be held at Taneytown's Memorial Park on Saturday, October 9.

The scores will be played off on the day of competition. Ties for top spot in zone and district standings also will be played off during special contests. District winners will receive trophies. Area winners vie for the top 12 division championships. The six national winners receive handsome PP&K championship trophies. The other six receive national runner-up trophies. All 12 finalists go on the "Tour of Champions."

Local Feed Company Expands

The Taneytown Grain & Supply Co. over the past several months has been in the process of installing and building modern grain drying facilities. This equipment includes a two and a half story building so composed as to allow usage for building materials and a quick conversion to grain storage at the proper time.

The grain dryer, which is placed to the back of the buildings, will be used primarily to reduce the moisture content of the local grain to the place where it can be stored for future use by the local farmers. The grain dryer will handle the grain up to a 500 bushel capacity to the hour.

The Taneytown Grain & Supply Co. is always trying to keep up with the times in handling grain and grinding materials. They were the first to place a hoist and dump at their 24-in. Hammermill, sheller and grain pit.

Their new storage building is another first in the community. It is other step toward an increased inventory of building materials; giving a larger supply of all materials.

"SPICE 'N' EVERYTHING NICE" (Your Chatty Column)

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth:
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

How wonderful it all is as to those Astronauts! They should be permitted to sleep and rest in bed without questioning for 3 or 4 days. I will never forget and betcha, they never will conceal of the ordeal they had gone through with — no, not even to their wives!

The other day walking past the Charles Street Center, saw three colored boys grab one of those tame Pigeons and the one boy stuffing it in to his pants pocket. I ran after them but I could not catch them but it was so cruel!

What do you think, Ladies of those "Hip" skirts or dresses? The men will say, "What will come next?" Yet, it always is a man who is the Designer of such fashions. Eh?

The other night I saw that talented, handsome, sweet dispositioned, plus a grand personality of Liberace for the second time on "Hollywood Palace," on TV. No other performer can compare! The Commercials are terribly loud which causes the Public to state, "Well, I do not look at the late shows due to those Commercials which blast off and annoy my next door neighbor!" How true!

And thinking about TV shows — don't miss the 5:00 P. M. on Sundays, "Zoorama." You can learn much and that for the children as well as the adults. It is fascinating from start to finish!

Very few men have foot trouble, due to the fact, they usually wear woolen socks and if you ever have hurt feet just try a pair, Mrs. Housewife with a comfortable pair of shoes around the house—simply wonderful!

The other night thinking of those two men in the sky, I could not sleep and at 3:00 A. M. I got up and made "Buttermilk Pancakes." How about that?

Calling all drivers! Take a good look at your Operators card and see just what date it will expire! The other day, I stated that casually to a friend who had a card for 35 years—not once was she ever stopped by anyone on the roads. She is an excellent driver but had to take the test all over again and passed! A couple of months ago, she even drove down to Florida. So be sure and look right now as there is a big fine! In other words, you would be driving without a license if your card has expired.

Just think about those coins in your pocket which now costs our Gov-

SEPTEMBER

Now that August has faded away, September drifts quietly in. This is a delightful time of the year, when Summer and Autumn walk together hand-in-hand. September days, while still hot, are becoming noticeably shorter, and the cool evenings have a definite tang of Autumn about them.

September is a month of increased tempo, for all of nature seems aware that a new season is approaching. Flower gardens are blooming furiously, and the earth is spilling over with bounty. After all, Jack Frost will soon arrive, and his icy touch will put an end to growth and harvest. And so the fruit trees bend beneath their fragrant burden of peaches, apples and pears, and purple grapes hang down in heavy clusters. The prudent homemaker, thinking of the long Winter months which lie ahead, is hard at work freezing, canning and preserving. As the freezer bulges and the shelves fill up, she is filled with pride and a sense of real accomplishment.

Now the signs of Autumn are unmistakable, as goldenrod glows and the trees change color. School buses once again carry their precious cargoes, and county fairs are in full swing.

Every month is beautiful in its own right, but September is doubly so, since it so charmingly combines the best of Summer and Fall.

NATIONAL CHILD SAFETY WEEK

During the September 8-15 period,
there will be a nationwide observance
which deserves the whole-hearted co-
operation of everyone in this country.

It is National Child Safety Week,
and its purpose is to instill in the
minds of our school children sound
and proven safety practices.

The toll of injuries and deaths that
accidents take from our youngsters
is appalling. It is true, of course,
that children are naturally adven-
turous. They look to try new and
fascinating things—some of which are
filled with hazards. Being immature,
they are frequently thoughtless—as
grim news items which tell of chil-
dren running out from between parked
cars into traffic-heavy streets and
there being run down attest. The
rules of safety must be everlastingly
emphasized to them if tragedy is to
be averted.

Adults must do the teaching. And
adults must also advance the cause
of safety by example. We read of
children who drown because their par-
ents allowed them to swim alone or
in dangerous waters. We read also
of parents, with their children, ven-
turing out in overloaded boats and
swamping, often with loss of life.
And, in innumerable instances, motor-
ists callously fail to take the proper
precautions when passing schools and
playgrounds.

So the story goes. It is a story
which can be brought to an end if
we all will participate in National
Child Safety Week—and then apply
the lessons for all the weeks that are
to come.

"GRASSROOTS OPINIONS"

CHARLESTON, MO., ENTER-
PRISE-COURIER: "A graduating
senior asked this question in a recent
panel discussion: 'What's wrong with
relying on government for our eco-
nomic welfare?' This is a good ques-
tion and one that deserves a straight-
forward answer . . . there is both a
moral and a practical reason why we
should avoid looking to and relying
on government for our economic wel-
fare. Such avoidance may at times
call for a real display of courage and
wisdom, but it is man's only long-
term assurance that his government
will remain an impartial servant in-
stead of becoming a fearful master."

MIAMISBURG, OHIO, NEWS:
"The American press, from the local
level to the national scale, has in
just recent years, come under its
heaviest attack for its coverage of
crime news. More specifically, the
question is . . . Should more restric-
tive measures be placed upon the
press in its pretrial reporting? We
don't think so, because we believe the
public's right to know is most im-
portant in a free society."

SKOWHEGAN, ME., SOMERSET
REPORTER: "The world of tomor-
row should be quite a place to live
in. With the President's signing of
the Medicare bill another social ben-
efit has been gained. Now we have
unemployment benefits, social secur-
ity benefits, poverty benefits and
Medicare benefits. If we can get
benefits for child birth and death we
should have it made. The only ques-
tion that arises in my mind is who
is going to foot the bills when every-
one is enjoying a Roman holiday.
Anyway, the Utopia we dreamed
about yesterday is here today."

LEAKSVILLE, N.C., NEWS: "Peo-

tragedy of mishaps strikes home.
Then it is a case of crying: 'Why did
this happen to us?'"

CURRENT EVENTS FIFTY YEARS AGO

Diehl Brothers of this district are growing some monster apples this Summer. Two brought to town, this week, weighed 18 ounces each.

A very enjoyable surprise party was held at the home of Mr. and Mrs. Martin Conover, on Wednesday, August 25; there were about 100 present.

The first silverware prize at Meh-ring's Store was won by Harvey Ohler.

James H. Reindollar is tearing down his large building in the rear of the Lutheran Church, and will re-build the same on Baltimore Street, East of the railroad, for occupancy as a carriage factory and garage for Reindollar and Leister. The lot in the rear of the church is reported to have been sold, to be used by Edward Phillips as a blacksmith stand.

Mrs. Upton Birnie and son, Galt of Philadelphia, who spent the Summer here, returned to their home in the city on Thursday.

THOMAS-REINDOLLAR—A pretty wedding took place on Tuesday at noon, at the home of Mr. and Mrs. Edward E. Reindollar, on York St., Taneytown, when their daughter, Josephine, became the bride of Dr. Oscar B. Thomas of the drug firm of Thomas & Thompson, Baltimore, and a twin brother of Dr. Bernard O. Thomas, of Frederick, who was best man. The ceremony was performed by Rev. Dr. Charles S. Trump of Martinsburg. Mrs. Bernard O. Thomas of Frederick was matron of honor. Miss Edna Delp of German Valley, N. J., a college chum of the bride, played the march.

CORRESPONDENCE

We desire correspondence to reach our office on Wednesday, if at all possible. It will be necessary, therefore, for most letters to be mailed on Tuesday morning. Letters mailed on Wednesday may not reach us in time.

KEYSVILLE-DETOUR

Greetings to you:

As a follow-up from last week, Terry Coshun, son of Mr. and Mrs. Edward Coshun and member of Taneytown Boy's 4-H Club, won a "first" with his Brown Swiss heifer, Lottie, at the Timonium Fair. Congratulations!

Also a correction: Fred Wilhide of Indiana, Pa., is teaching now but it is math not manual training.

Meant to tell you last week not to forget that this is the week of no Bookmobile, but I'm sure you must all know it by now. Next week the change takes place again on the schedule from Monday to Saturday. All other stops remain the same.

Mrs. Carroll Wilhide brought her mother, Mrs. Emory Yoder, along home to Detour with her the previous Tuesday after visiting in Baltimore and White Hall. She will spend some time visiting in the area.

Richard and Danny Wilhide, Lee and John Rinehart and Timmy and Paul Seibert were among those who watched the Orioles win their baseball game on Sunday.

Timmy, Paul and Johnny Seibert were Sunday overnight guests with their sister and family, Mr. and Mrs. Richard Wilhide and Susan. Their other sister Mariann, who had spent the week with the Wilhides, went back home with them to Clear Spring on Monday. On Tuesday, Mrs. Richard and Mrs. Carroll Wilhide were visitors in Clear Spring with her parents, Mr. and Mrs. Daniel Seibert while Susan visited with the Fleharty family.

Harvest Home Sunday will be observed at Keysville Lutheran Church on September 26. Be sure to have your gifts to the church by then. Also if you save the cancelled stamps for the Lutheran Church Home in Washington (where these gifts are taken), be sure to turn them in also. They can be left with the canned goods or given directly to Mrs. Clyde Wilhide. They will be taken down to the Home along with the other things.

Mrs. Hugh Heaps and daughter Patricia and little Linda Santini of Silver Spring were Tuesday visitors with her parents, Mr. and Mrs. Charles Cluts of River Dale Farm near Keysville. On Thursday, Patricia started school at Shenandoah Conservatory of Music in Winchester, Va. Wednesday visitors in this same home were Mrs. Lulu Brandenburg and Mrs. Grace Fleming of Sykesville and Miss Elizabeth Billingsley and Mrs. Henry Gronemyer of Westminster. Other callers during the week were Mrs. Ralph Shoemaker and Mr. and Mrs. Roy Baumgardner of Keysville and Miss Geraldine Boller of Thurmont. On Sunday, Mr. and Mrs. Cluts went for a drive and were dinner guests with his cousins, Walter Garrett and Mr. and Mrs. Gordon Garrett near Manchester.

Keysville-Detour Homemakers meeting on the 15th at the home of Mrs. David Watkins near Keymar.

Labor Day visitors with Mrs. William Weishaar and Randy of Forest and Stream Club Road were Mr. and Mrs. Larry Weishaar and Loretta of Taneytown, Mr. and Mrs. Paul Wildsaw, Kevin and Kim of Westminster, Mr. and Mrs. James Weishaar, Bobby and Billy of Detour, Mrs. Monroe Rinehart, Kenny, Dennis and Fred of Taneytown, Mr. and Mrs. Kenneth Slenker and Danny of Mt. Wolf, Pa., and Elwood Hobbs of Keysville.

Edgar Sell's building in the back of Keywood Village is about completed — from outside appearances — and a driveway is being put in to enter from the Rook Road. Speaking of driveways, the one at the home of Mr. and Mrs. Larry Hively had to be widened to allow for the big tractor-trailer he drives.

From Thursday through Saturday last week, Mr. and Mrs. Clyde Wilhide, Mr. and Mrs. Claude DeBerry, Mrs. Mark Baumgardner and Mrs. Carroll Kiser enjoyed a Lincoln Bus Tour to the World's Fair. They said they had a real fine time.

Mr. and Mrs. William Fleharty called on Mr. and Mrs. Nathan Webb, Pay and Carol at the Forest and Stream Club on Sunday evening and gave the Webb's new Camper Trailer a "look-see." It surely is amazing how much is in one of those 16-foot jobs; quite compact!

Jane Wilhide returned to her home near Detour Sunday after a week's vacation in Ocean City with Mr. and Mrs. Melvin Schnappinger of Baltimore. She now has a beautiful tan.

The newly-organized Girls' 4-H Club will hold their second meeting on Friday evening, Sept. 10, at 7:15 P. M. at the home of Sherie Coshun on the Otterdale Mill Road. Don't forget, girls, to bring along your suggestions for a club name. At the demonstration on the 1st at the home of Kathy Plympton in Middleburg, she made brownies and Phyllis Orndorff made raisin drop cookies.

Belated anniversary wishes this week to Mr. and Mrs. Albert Wilhide on the 3rd and Mr. and Mrs. Paul Rook on the 8th as well as belated birthday wishes to John Blanchfield, Jr., on the 4th. Happy Birthday on the 12th to Mrs. Marie Bitler and Mrs. Kitty Royer and on the 13th to Bowell Royer.

Sunday visitors at the Carroll Wilhide home were Mr. and Mrs. Everett Yoder of Mattawana, Pa., Mr. and Mrs. Chris Smoker of Belleville, Pa., and Miss Ada Yoder of Baltimore. Aunt Ada visited the past three weeks with the Everett Yoders and was an overnight guest of the Wilhides. On Monday, Miss Dorie Tag and her brother Henry Tag of Baltimore were visitors and Aunt Ada returned home with them.

Mrs. John Hood and daughters Debra, Laura are at the home, tempor-

arily, of her parents, Mr. and Mrs. Earl Myerly near Detour, while her husband is overseas. They are looking for a house nearby. A party was held at the Myerlys on August 29 to celebrate Debra's 5th birthday. Guests were grandmother Mrs. Edith Hood of Boonsboro; aunts and uncles Mr. and Mrs. Donald Hood and family of Westminster and Mr. and Mrs. Thomas Myerly and family near Detour. Also present were Mrs. Howard Franklin and Mr. and Mrs. Theodore Long of Detour.

Rearrangement of patrols was made at the meeting of Union Bridge Boy Scout Troop 330 at their meeting on Sept. 7. The three patrols are headed by Bill Warner, leader, with "Skip" Rigler, assistant; Dicky Diehl, leader, with Mike Harris, assistant, and Jimmy Eyer, leader, with Donald Stitley, assistant. "Skip" Rigler gave a very good talk on first aid, covering bleeding, shocks, burns and bites. First aid is the theme for September. At the next meeting the boys will practice applying splints.

The Keysville Lutheran Church Women met on Monday evening with the topic "What Is Happening to Spanish Americans?" by leaders Mrs. Robert Stine and Mrs. Vernon Schaffer. There are six million Spanish Americans in the United States, making them the second largest minority. We have many words in common usage from the Spanish such as plaza, coral, siesta and fiesta and burro and patio to mention a few. Many of these people are migrant workers. Eighty to ninety percent of them are Catholic but only about ten percent of them are active in their churches. They are hard working people who are not indifferent to religion for they do believe in God and like to take part in church if asked. They have close-knit family lives with the father as the head of the family. It is up to us as church members to invite them to join us and take an active part.

The special of the evening was the singing of "Blowin' in the Wind" by The Misses of Westminster. This trio is made up of Shirley Myers, Shelly Armacost and Jane Flickinger. Beautifully done!

A profit of \$71.40 was reported during the business meeting from the food stand at the sale of Mrs. Byron Stull. This will be rounded to \$75 and donated to the church building fund. Mrs. Armita Dell Ernest of Clear Spring will be the guest speaker for the Mission Study on October 31. The theme is on Chile and Mrs. Ernest was an IFYE there. Discussion was held on a possible Thank Offering Sunday in November. Mrs. Markley and Mrs. Gregg Kiser will contact a speaker. An Executive Committee meeting will be held at the church on Monday, Sept. 20, at 8 P. M. Two dates to remember: Sept. 16 will be the workshop in Westminster to be conducted by Mrs. J. Frank Fife on the Mission Study theme for 1966. Committee members should make every effort to attend. Sept. 22 is the "get acquainted" meeting at St. James Church in Union Bridge for all the ladies of the three churches in the parish. It is NOT an LCW meeting; it is a fellowship meeting to help the women of the three churches get to know one another better. A panel discussion will be held on "The Lutheran Woman" and should prove most interesting. Plan now to attend. Don't forget to turn over your canceled stamps to Mrs. Clyde Wilhide before the 26th so they can be sent down to the Lutheran Home along with the Harvest Home gifts.

The October meeting will feature the slides from the Rocky Boy Indian Mission and the consignment of bead work is expected by then also.

—Dharlys Fleharty

PREPARED

How can you fully feel another person's woe, until you have been hurt and even brought down low? And how can you comfort another in distress until God's tender love soothes to heal and bless? And how can you understand the lonely hours of grief until His precious presence has given full relief? So thank God for hard things, for trials that cut and bleed, for there our God prepares us, the broken to Him lead.

—Bernice Goertz.

THE WAY I SEE IT . . .

Observations on the World of Sports —by John Breth

Earlier this year, the Minnesota Twins reportedly were trying to trade pitcher JIM PERRY, but they couldn't find any willing takers.

Now, the Twins, who thought they were stuck with the lean right-hander from Wilmington, North Carolina, wouldn't even consider a deal for Perry. He has become an important cog in the Twins' drive toward the American League pennant.

At the beginning of the season, Perry was a depressed man. He was not in the starting rotation, and he was considered the number three reliever on the Twins. He rarely got into a ball game. As a matter of fact, during the first six weeks of the season, he worked only three and two-thirds innings.

Then, when the Twins' bullpen became overworked, Perry was used more and more. By July fifth, he had won four games without a loss. On that date, the Twins were extremely short of starters because of injuries to Camilo Pascual, Jim Grant, Dave Boswell and Jim Kaat.

In desperation, manager Sam Mele called on Perry for his first start in nearly one year. And Big Jim—he's six-foot-four and 190 pounds—was brilliant. He blanked the Boston Red Sox, 2 to 0, on seven hits for his first complete game in nearly two years and his first shutout in more than two years. Since then, he has been a regular starter. He has a glittering earned run average of two point three-four.

Like most of the other pitchers on the Twins' staff, Perry gives pitching coach Johnny Sain much of the credit for his new-found success. From Sain, he learned to throw a sharp-breaking curve ball and to put extra spin on his fast ball.

Perry had been criticized for not always throwing hard. There had been reports that he let up occasionally on his fast ball. But he denies them. He says:

"I think I always throw as hard as I can."

American League batters would have to agree with him now.

The Houston Astros have come up with a little package of dynamite who could eventually explode into the best second baseman in the National League. He is five-foot-seven, 150-pound JOE MORGAN from Benham, Texas.

MORGAN, the most valuable player in the Texas League in 1964, seems to be the leading candidate for the National League's Rookie-of-the-year Award in the National League this season. He has shown exceptional power for a little man with 14 home runs, he has run the bases with exceptional skill and speed, he is the only player in the major leagues this season to get six hits in one game, he has hit consistently well and he has done a fine job in the field. He is the first Astro rookie to make it in his first full season in the big time.

Actually, Morgan first played with the Astros late last season, but he didn't get into enough games or wasn't on the roster long enough to lose his rookie status. But he did make one of the greatest catches in Houston history. In the ninth inning of a game against the Mets, Morgan raced back from his second base spot and made a diving, sliding grab of a potential bloop single, saving a one to 0 victory for Houston.

Morgan is a confident but not overly confident player. He does not seem to be affected greatly by what people say about him.

And, he doesn't say much either. He lets his actions on the field be his selling point.

Former second baseman Nellie Fox, who has been kept on the Houston coaching lines because of Morgan's great play, helped Joe in the field. He told Morgan to play closer to the base and get to the base quicker in order to make the double play better. Joe listened and learned well.

Morgan acknowledges the fact that Pittsburgh's Bill Mazeroski is the best second baseman in the league at executing the double play. Morgan adds: "I would like to get to where I can make it nearly as well as him."

Don't tell Joe, because it probably wouldn't affect him too much, but he is rapidly becoming an adept pivot man like Mazeroski.

Remember When Dept.—One year ago today (Thursday) New Oxford defeated Taneytown 7-5 in the battle for third place in the South Penn League.

Today's Sport Laugh—Don Zimmer of the Senators was complaining of a slump against the Orioles. "I think I'll inject some cortisone into my bat—it's been so sick lately." Well Zimmer broke out of his slump that night and he vowed that he would continue giving his bat injections.

Taneytown finished out its most successful campaign in recent years as they brought their season record to 19-7 with a free-swinging victory over the Bonneville "As" on Sunday at C.W.V. field by a score of 11-2.

The Tigers wrapped up second place in the South Penn League by lashing 14 hits including 4 extra base blows off "A's" pitching while Walt Donohue scattered six hits and struck out eleven.

Jesse Horton collected his first round-tripper in the third inning—a long blast that travelled a good 390 feet to deep center. Arvin Bollinger rapped a triple good for two runs; Don Favorite banged a two-bagger for two more tallies; Neal Hoffman clouted a triple that added three more runs.

Taneytown scored in the first frame after Bollinger singled and went to second on an error; Ernie Combs singled to score "Skinny" and the Tigers were off and running. The Tigers added three more in the third inning and were never headed.

Taneytown now ends their season with a record of 19 wins and only 7 losses and finish with second place in hand. An improvement of two places over last year in the standings is quite good considering the makeshift lineup that manager Bob Fogle had to employ often.

Congratulations, Tigers! Taneytown is proud of your accomplishments.

Choose Fried Chicken
For Picnic-Time Treat

Pack cracker-crusted fried chicken in your summer picnic basket for a deliciously different feast! What makes this chicken unusual is its gently spiced jacket of thin saltine crackers, ground ginger, garlic salt and paprika. You can cook it the day before the big outing, and keep it wrapped in foil in the refrigerator. Take along a cool beverage, potato salad, fresh fruit and cookies and have a happy day. Here's how to prepare the chicken:

Picnic Fried Chicken

1 1/4 cups finely crushed Sun-	1/4 teaspoon paprika
shine Krispy Crackers	2 eggs
(about 20 double crackers)	2 tablespoons milk
1 1/2 teaspoons ground ginger	1 broiler-fryer chicken,
1 1/4 teaspoons garlic salt	3 pounds, disjointed
1/2 teaspoon salt	1/4 cup melted shortening

With blender or with rolling pin, crush crackers into fine crumbs between sheets of waxed paper. Mix with ginger, garlic salt, salt and paprika; divide onto 2 squares of waxed paper. In a pie plate, beat eggs well with milk. Roll chicken pieces in crumb mixture, then in egg mixture and again in crumbs. Place in shallow pan, skin side up. Drizzle with melted shortening. Bake in moderate oven (350°F.) for 45 minutes, or until done. Cool and refrigerate until picnic-time. Yield: 4 servings.

Self Discipline

Lesson for September 12, 1965

Background Scripture: I Corinthians 9:24-27; 10:12-33; I Peter 4:1-15
Devotional Reading: II Peter 1:3-11.

SOME BOYS like it in the army; some don't. Nobody likes it at first. If you inquire around a little and ask why it is these grumblers don't like army life, you'll find out fast. It's the discipline. It's being told what they can do and what they can't do, it's taking orders, it's not being allowed to do as you please. In fact, that is the main reason why discipline is so unpopular. It blocks you off from doing as you please.

But that is just the reason for discipline, — if everybody did only what he pleased, when he pleased; and as he pleased, the place—any place—would be a mess. The last place you want to be in is an undisciplined home, an undisciplined school, or an undisciplined camp. A highway bridge without a guard-rail, a railway without a track, a rocket shot off without a planned course—they are all silly and dangerous, but no more silly and dangerous than human beings are without discipline.

The fight inside

Some of God's creatures cannot do wrong. Did you ever hear of a conceited hummingbird, or a wicked dandelion, or a lazy butterfly? A tiger is not to blame for being a tiger, nor a rose praised for being beautiful. Rose and tiger are as they are and all they need do is follow their impulses. It is only human beings who can be inhuman. A man can be unmanly, but no cat can be uncatlike. It is only in man that those struggles occur which make discipline so necessary and, (alas) so painful. Deep inside man's inmost self there is a continuing struggle in progress. Each man, besides perhaps outside enemies such as we thought about last week, has himself to fight. You are your own worst enemy, and it is better to learn that by reading about it (here, for example) than to wake up to the truth of it when it's too late. But what is it you and yourself are fighting over? It is the same battle that men have known ever since there were men on earth, the struggle between "I want" and "I ought." An animal — cat or fish or elephant or tiger — knows only "I want." But man cannot live solely by what he wants. Getting the want under control by ought is the whole problem of discipline. Sounds easy? Just try it!

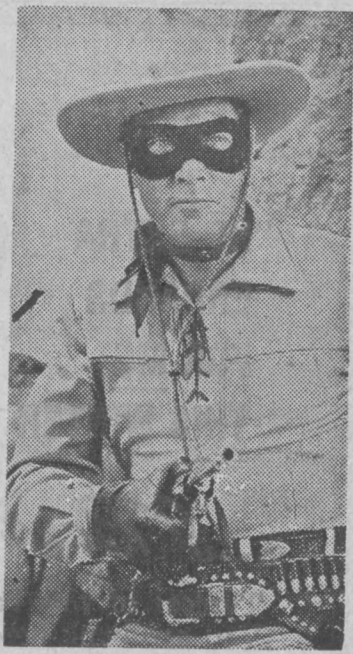

Who's in charge here?

In cities you may see cars on the streets with two sets of controls, — the same on the left side as on the right. One is for the learner, one is for the instructor. The object of the driving lessons is not to show off the teacher's skill. The object is to transfer, by degrees, the control — the discipline, if you please, — from the instructor to the learner. That is a little parable about people. A modern philosopher has enjoyed dividing people into two distinct types: self-directed and other-directed. The self-directed man is the self-disciplined man. He has won — or he normally and usually wins — the battle between the I want and I ought. When he knows what he ought to do, he does it. The other man doesn't bother with ought and indeed tries to seal his mind against such unpleasant words! What he thinks of and all he thinks of is, what's being done these days? What's in and what's out? He operates by a kind of radar, he tries to guess what others would want him to say, and he says it; what they want him to think, and he thinks it. A dog's life!

Where does God come in?

Aren't there any God-directed people? Of course there are. But let us be clear about what God will not do. He will not make your decisions for you; and he will not be on your side so long as you don't try to take sides. God hasn't much use for other-directed people. But if you are in earnest about that running battle between Ought and Want, God will help you.

RIDING ON AIR

You've probably never thought of it, but your car actually rides on air. The air, of course, is in the tires and the job of keeping it there seems never ending. Here are some tips from TYREX, Inc., association of rayon tire cord producers on making your tires last longer.

What did
Susan learn
in school today?

Did she learn the values of thrift and responsibility? How to make dimes and quarters add up to dollars?

These are some of the valuable lessons each child can learn through the U. S. Treasury's School Savings Program.

By putting their dimes and quarters into U. S. Savings Stamps, thousands of American children are saving toward the purchase of U. S. Savings Bonds—one of the best investments any of us can make.

A successful School Savings program is based on partnership—the teacher, the child, the parent, the volunteers who make it go. Our country is a partner too—because young citizens who buy Savings Stamps are helping to keep America strong.

Sunday's Roast; Monday's Encore

Leftovers never linger when the encore's as tempting as the first performance—a big Sunday roast that stars again as "Monday Beef Pie." The marvel of this Borden Kitchen recipe? An instant nonfat dry milk that's truly a low-cost convenience.

Monday Beef Pie (Makes 4 to 6 servings)

- | | |
|---|---|
| 2 cups (1 lb. can) sliced carrots | 2 tablespoons flour |
| 2 cups (1 lb. can) sweet peas | 1/2 teaspoon salt |
| 1 beef bouillon cube | 1/4 teaspoon pepper |
| 2 tablespoons instant minced onions | 1 tablespoon butter |
| 1/2 cup Starlac instant nonfat dry milk | 1-1/2 cups diced cooked beef |
| | 2 cups prepared Borden's Instant Whipped Potatoes |

Drain carrots and peas. Reserve and measure juice to make one cup of liquid. Pour into top of double boiler. Add bouillon cube and onions. Heat to dissolve bouillon cube. Combine nonfat dry milk, flour, salt and pepper. Sprinkle over surface of bouillon. Beat with a rotary beater until just blended. Place over hot water. Stir constantly and cook about 5 minutes or until mixture thickens; stir in butter. Combine with drained vegetables and beef and heat for about 10 minutes. Pour vegetable-meat mixture into a 2-1/2-quart casserole. Prepare instant whipped potatoes according to package directions. Spoon or flute potatoes over surface of meat-vegetable mixture. If desired, place under broiler (about 3 inches from heat) until potatoes are lightly browned. Serve.

Fresh Nectarines Make Summer A Breeze

Fruit salads on warm days have decided eye appeal and go a long way in helping to boost lagging spirits. "Nectarine Nugget Salad" is easy to make and its flavor rewards are abundant.

All you do is toss sliced fresh nectarines and avocado and crisp cut iceberg lettuce with a gaily seasoned sour cream-chopped egg dressing. Serve with sandwiches and you'll have a refreshing summer meal indeed.

California grows virtually the entire United States crop of nectarines. They brighten produce sections from June into September. The fuzzless red-and-gold-skinned fruit actually needs no peeling, so it's no trouble for homemakers-in-a-hurry to use fresh nectarines in an array of recipes. Whether nectarines are sliced or diced for molded salads or desserts, chilled breakfast fruit cups or spicy barbecue sauces or simply eaten out-of-hand, their juicy flavor, delightful aroma and handsome appearance make summer eating a breeze.

NECTARINE NUGGET SALAD

- | | |
|--------------------------------------|----------------------------------|
| 2 or 3 large fresh nectarines | 1 tablespoon sweet pickle relish |
| 1 large avocado | 1 teaspoon finely chopped onion |
| 1 quart coarsely cut iceberg lettuce | 1 teaspoon chopped parsley |
| 1 cup dairy sour cream | 1 teaspoon capers (optional) |
| 2 hard-cooked eggs, chopped | 1 teaspoon salt |
| | 1 tablespoon vinegar |

Slice nectarines. Cut avocado lengthwise into halves; remove seed and skin and slice fruit. Combine nectarines, avocado and lettuce in large bowl. Mix all remaining ingredients thoroughly; spoon over fruit mixture and toss gently. Makes 6 to 8 servings.

Cool Meal-In-A-Salad

Add sparkle to your summertime table with this colorful Mediterranean Salad, bright with cherry tomatoes, black ripe olives, and cubed green avocado.

Foundation for the salad is the new Jell-O Salad Gelatin—Italian Salad Flavor—with onion and garlic seasonings. This is one of four new salad gelatin flavors with built-in seasonings, planned to make it easy for you to put whole-meal salads on the table this summer. The other flavors are mixed vegetable, celery, and seasoned tomato.

Mediterranean Salad

- | | |
|--|----------------------------------|
| 1 package (3 oz.) Italian flavor salad gelatin | 1/2 tray (7 to 10) ice cubes |
| 1/2 teaspoon salt | 2 teaspoons minced onion |
| 1 cup boiling water | 1 cup diced avocado |
| 2 teaspoons vinegar | 1/2 cup sliced cherry tomatoes |
| | 2 tablespoons sliced ripe olives |

Dissolve gelatin and salt in boiling water. Add vinegar, ice cubes, and onion; stir constantly until thickened—about 3 minutes. Remove any unmeted ice. Fold in remaining ingredients. Pour into a 3-cup mold and chill until firm. Unmold. Makes about 3 cups or 4 to 6 servings.

Young man, if your sweetheart objects to your spending a lot of money on her, she means to marry you and wants the money saved until she has charge of spending it. — Cincinnati Enquirer.
