CANTATA TO BE HELD AT LUTHERAN CHURCH

J. H. Maunder's sacred cantata, "Olivet to Calvary," will be sung by the Senior-Youth Choirs of Trinity Lutheran Church, Taneytown, during the 10 o'clock worship hour this coming Sunday, March 27.

"Olivet to Calvary" depicts in words and music the scenes that marked the last few days of the Saviour's life on earth.

In a simple, reverent and touching manner the cantata portrays the rejoicing of the multitudes with hosannas and palms; the view of Jerusalem from the steep of Olivet; the lament over the beautiful city; the scene in the Temple; and the lonely walk back over the Mount at night.

Part two opens with the Supper at the Passover, at which Jesus washes His disciples' feet and give to His friends the new commandment of love for one another as the sign of true discipleship. From this the scene passes to the infinite pathos in the Garden of Gethsemane; the sudden appearance of the hostile crowd; Jesus forsaken by the disciples; His utter loneliness among ruthless foes; the tumult before Pilate in the Judgment Hall; the Passage of the Cross and the tragedy and triumph of Calvary.

Mrs. Julia Hitchcock, a member of the Church of the Brethren, Westminster, and an instructor of voice at Westminster College, will be the guest soloist. Other solos will be sung by Mr. Henry Reindollar, Mr. Herbert Bowers, Mr. John M. Skiles and Mr. George Naylor. The choir director is Mr. James R. Young. The organist is Miss Hazel Hess.

"Olivet to Calvary" is a most appropriate music offering for next Sunday, which in the church is "Passion Sunday."

All boys 13 thru 15 years of age are asked to report for practice April 11, 6 P. M., at Memorial Park. This is the Babe Ruth League sponsored by the Kiwanis Club of Taneytown.

SIGNS OF THE SEASON IN THE COUNTRY

A pair of bluebirds, exploring a fence post hole.

The cows nibbling at the patches of new grass.

A rooster pheasant, standing motionless by the fence.

The ancient cedar tree, bowing to the music of the March wind.

A robin, searching eagerly for a worm.

Jonquils and forsythia, adding a welcome touch of sunshine brightness.

The lilac bush, swelling with buds.

Gray Squirrel, dashing about in his usual energetic way.

Red-winged blackbirds and meadow larks, flashing over the meadows.

The South Carolina poplar, burgeoning with new life.

MEETING OF CHAMBER OF COMMERCE

The regular monthly meeting of the Taneytown Chamber of Commerce was held on Monday evening, March 21, at Taney Inn and was well-attended.

Mayor Perry reported that engineering studies are underway on the proposed expansion of Taneytown's water system. As was previously reported, this involves a new well and water tower of 250 to 300,000 gallons capacity. It is planned to locate the well and tower on the Chamber's Industrial Site. This is a logical location from the town's standpoint as well as making water immediately available to the Industrial Site, thus increasing its attractiveness to new industry.

Considerable discussion was held on ways and means of attracting new industry, of the right type, to Taneytown. Various other routine matters were disposed of.

Mr. Harvey Dickinson presented his views on the probable effect of the proposed shale mining operation on the farm immediately adjacent to this.

Members are reminded that the regular monthly meetings of the Chamber are dinner meetings, and are held on the third Monday of each month at Taney Inn commencing at 6:30 P. M.

"SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)

With all my heart, I wish you every morning
A smile that shall last until the next day's
dawning.
I wish you health—life's greatest wealth;
I wish you always near so that I may help
to cheer
Each future day and in some way—help to
bring you happiness!

It surely was all, all G R E E N for St. Patrick's Day Parade last Sunday and never have I seen as large a crowd!

Attending Mt. Vernon Church Services first and then a dinner at the "Stafford". I walked directly to get a good Bird's Eye View as other years on the very high steps of a private home where I could see all the Marchers coming down the Cathedral Hill. First, I walked to greet Governor Tawes and of course our Mayor McKeldin and had a nice chat with each one individually before they were seated in the grandstand built especially for them, right outside of the Enoch Pratt Library. The Governor does not appear one day older than when he first took office and there is not one wrinkle in his face and he will have a 72nd birthday the first of April! The parade was the same as other years as to all the Units marching and the discipline was excellent all the way! The nice part was the parade started promptly on schedule with the strains of the Bagpipe Kilkie Band from York, Penna. And there was the Honorable Mr. Pressman marching and he surely did get a hand for he truly is loved by the public for they realize he takes care of the Tax Payer! AND MUCH ELSE! There were 49 units but no floats. It lasted exactly one hour and all the viewers seemed to be pleased and the salesmen with the Irish trophies were doing a land office business even after the parade was over—with the buttons, pipes of clay, green hats and fancy ribbons of green, plus the huge balloons for the kiddies. And the nice part it did not rain as the weatherman predicted!

Calling the Mounted Police Traffic Division in Baltimore quite surprised me when Sgt. Thomas Whalen stated that Baltimore City still has fifteen Mounted Police when I told him that New York City had 300! Not having seen Mounted Police in Baltimore for such a long time, I was really curious and interested! It was then that the Sgt. was as fine as any Host and as we went around together he explaining every detail to me which was so interesting.

Each horse in his own stall and even one stall called, "Sick Bay Stall," "Fox" had something slightly wrong with his leg and he was being treated and was on the mend. There on the wall were the names of each horse and they surely did know their names! Bunny, Blaze, Dusty, Mike, Midnight, Doc, Mat, Tom, Fox, and Don — and oh—yes, Folks that precious little horse, "The Mascot," one year old, called "Rookie." He was as truly like a pet dog! Long hair and like a child in his manners. Sgt. Whalen said, "all of the horses are like children!" A lovely blanket was brought out and then little "Rookie" was brought forward to model it just for me! The horses are taken care of most beautifully and those Mounted Police, I have always compared with a Canadian Mounted Policeman. The two tallest policemen, Officer John Brown and Officer Wm. Cromer were just bringing their horses in for dinner and those horses are fed three times a day and their working hours are 7:00 A. M. to 6:00 P. M. with an hour and a half off for lunch! Cute? The names of the other horses which I almost forgot: Billy, Roddy, Brian and Reno (and that nice Sgt. would not want me to omit one), I can assure you.

Finally the Sgt. showed some very interesting pictures to me of the horses after retirement and the one he rode for 20 years and this touched me deeply—he loved that horse so much after he died, his shoes were removed and placed on a wall bracket! So you see, the type of a man the Sgt. is and still going strong! He seems such an understanding individual! The name of the lady who made that cute cover all blanket for "Rookie" was the wife of Officer Wm. Chubb; and it was made beautifully!

The stable is on the corner of Frederick and Water Streets—way down town. After the horses retire they are taken out to the Humane Society in Baltimore County. Am sorry I did not meet Inspector Thomas Keys who is in charge of all traffic. But, believe me, Folks you and you know by this time my love for horses and I'll go right back there again!

There was an elderly gentleman, Mr. Edward Brown, just 85 years young who SHOES the horses, which he has been doing for 68 years! He appears only 68 years of age!

Will be seeing you, Folks around the town D.V. Have a grand week-end and be good and be careful.

I am,
Faithfully,
YOUR OBSERVER.

And a P.S.—Almost forgot to write that the sweetest disposition of all those horses is "DOC" which has been right there for 12 years!

FACTS AND OPINIONS

Austin Smith, M.D., writing in
Emory University Quarterly, says:
"Drugs of the future will be better

repel insects is another possibility.
The future of drug research was nev-
er brighter. The results will add to
man's longevity, and will reduce the
discomfort, suffering, and disability
of disease."

A rifle bullet rocketing down a
barrel at 3,000 feet per second can
be tracked, inch by inch, with a new
nuclear radiation test system devel-
oped at the University of Michigan.
The developers say that the system
can test objects traveling as fast as
30,000 feet per second.

An American Medical Association
news release says: "Don't eat wild
mushrooms. Repeat—Don't eat wild
mushrooms." It adds that only a true
expert can determine whether the
wild mushroom is one of the tasty,
safe varieties, or is one of those that
are dangerous and possibly deadly.
There aren't many genuine experts.
And even the experts sometimes are
fooled, so much alike are some of the
varieties.

The Association of American Rail-
roads reports that the railroads spent
over \$300 million in 1965 on some
1,500 new and more powerful loco-
motives to meet the demands of a
growing nation increasingly depend-
ent on efficient transportation. This
installation will be almost half again
as large as 1964's—the first thousand-
unit year since 1957.

Raymond Moley writes in News-
week: "... I suggest a means of
recruiting good college teachers which
is not stressed in educational litera-
ture. The Berlin wall between high-
school teachers and college teaching
should be broken down. Younger and
qualified high school teachers who
either have their higher degrees or
are on the way to them should have
the opportunity to move into higher
education. ... And the need in the
years to come for college teachers
will be greater than the need for
high school teachers."

From the annual report of the Fed-
eral Bureau of Investigation for the
1965 fiscal year: "Organized crime is
in large measure supported by the
huge sums it derives from all forms
of vice, principally gambling. These
funds are used to finance other il-
legal activities and to infiltrate areas
of legitimate business. The disruption
of interstate gambling to block this
flow of illicit funds is a major aim
of the FBI, and three Federal laws
enacted in September 1961 have been
important aids in this campaign. Dur-
ing the fiscal year 1965, there were
90 convictions under these statutes,
which prohibit interstate transmission
of wagering information, interstate
transportation of wagering para-
phernalia and interstate transporta-
tion in aid of racketeering."

It is estimated that recreational
vehicles—which include travel trail-
ers, pick-up coaches, and canvas
camping trailers—accounted for the
consumption of more than 1.1 billions
of gallons of gasoline in 1965, an in-
crease of more than 250 million gal-
lons over the 1964 figure.

CURRENT EVENTS FIFTY YEARS AGO

Tuesday night and Wednesday, heavy thunder accompanied heavy showers, very much like summer time, an unusual occurrence for the month of March.

This Saturday night the Orchestra and Quartet of Gettysburg College will appear in the Opera House.

On Thursday evening, March 30, there will be a spelling match at the Clear View School. The ladies will spell against the gentlemen. A short entertainment by the school children will precede the spelling contest.

Harney... The public sales in this community have been largely attended and all had good sales. Next will be moving, which has already begun. John Fleagle moved to the Ohler property last week, and John Eyler moved to the Reck farm on Thursday.

Prof. H. L. Feeser informs us that he had 17 pupils who did not miss a day during the winter term.

Keyville... Samuel Weybright and son Victor spent a few days in Baltimore, while there they heard Billy Sunday preach several times.

R. A. Stonesifer and wife and John Six and wife attended the funeral of their cousin, Mrs. James Keilholtz, near Thurmont, Sunday... Thomas Fox has been re-appointed sexton of the church.

Taneytown-Keymar Pike — A delegation of men from Keymar and Taneytown interested in constructing a good pike from Keymar to Taneytown, called on the County Commissioners on Monday and secured from the Commissioners the promise to pay toward the cost of such a road \$2.00 for every \$1.00 subscribed by individuals. It is thought that the road can be graded and built for about \$3500 per mile, using local stone for the foundation and good limestone for the topcoat. The delegation from Keymar was: Wm. F. Cover, Oliver Birely, George W. Dern, John Forrest, Perry Lowman, William Mehring, Charles Garver, Edwin Sharretts, Augustus Bloom, Luther Sharretts, Scott Koons, Samuel Weant, Charles Wilhide, David Reifsnider, Reuben Alexander and George Winemiller. Taneytown was represented by Lewis Reifsnider, George Crabbs, Milton Ohler, John Clutz, Walter Bower and Milton Koons.

KEYSVILLE-DETOUR

Greetings to you:

Fall is such a lovely time of the year but isn't Spring just wonderful? To see everything "greening up" and coming back to life just lifts everyone's spirits, and makes you want to be outdoors.

Have you noticed the new church signs put up by the council of Keysville Lutheran Church? One is at the end of the Keysville Road and the other at the Bruceville or Terra Rubra Road (whichever you want to call it). They should certainly help visitors and guest speakers locate the church without any trouble. The altar flowers on Sunday were in memory of Mr. and Mrs. John R. Wilson by their daughter, Mrs. John Young, Sr., of Keysville. For the anthem, Mrs. Carroll Dougherty gave a reading, "The Praying Hands," which was most impressive. A number of Luther Leaguers and other members attended the Parish Lenten Retreat Sunday afternoon at Camp Mar-Lu-Ridge.

That was quite a sale on Saturday at the farm of Mrs. Roland Koons near Keymar. The Lutheran Church Women had the food stand and wish to thank all those who donated and purchased. The profits will go into the church building fund. (I understand Mrs. Koons will make her home with a nephew now.)

By the way, I just learned recently that the newly completed house in Keyville Road at the end of the Keysville Road is the new home of Mr. and Mrs. Frederick Scheller and their four children. Happy New House to all of them!

Mrs. Hugh Heaps of Silver Spring was a Sunday visitor and dinner guest with her parents, Mr. and Mrs. Charles Clutz of River Dale Farm near Keysville. Other visitors the same day were Mrs. Etta Wiley of Taneytown, Mr. and Mrs. Norman Wiley and Norma of Rocky Ridge, Mrs. Mary Clutz of Harney and Mrs. Thelma Yingling and Donna near Harney. Callers during the week were Mr. and Mrs. Paul Robertson of Ditchley, Va., Mr. Thomas Robertson and Kathy near Taneytown, John Baumgardner, Sr., and Mr. and Mrs. Roy Baumgardner near Keysville and Clyde Bolter of Mt. Airy.

Mrs. Emory Yoder of White Hall, who is visiting with the Carroll Willhide family near Detour spent Sunday with another daughter and family, Mr. and Mrs. Clyde Willhide and their children of the Keysville Road. Don't forget the supper on Saturday (26th) to be served at the Middleburg Methodist Church by the men of the congregation. Ham and oyster.

Saturday afternoon at 2:15 P. M. the members of the Eager Beaver Girls' 4-H Club are to meet at the home of leader Mrs. Charles Martin of Mt. Union to work on Easter ideas for the nursing home.

YOU ALL COME! Everyone is invited to attend the Demonstration Meeting at Southern States in Taneytown on March 30 from 10 A. M. to 2 P. M. sponsored by the Farm Home Advisory Committee. Prizes will be awarded and light refreshments served. Plan to drop by and see what Southern States has to offer YOU. Mrs. Glenn Kiser is chairman of the event.

Mrs. William Weishaar near Detour and her daughter and grandchildren, Mrs. Paul Wildisan, Kevin and Kim of Westminster visited on Thursday with her aunt, Mrs. Mary Plaine of Mt. Wolf, Pa.

Visitors this week with Mr. and Mrs. Loren Austin of Detour are their daughter and son-in-law, Mr. and Mrs. Danny Maltagliati of Detroit, Mich. Mrs. Austin's father, Robert Miller, who had been at Horton's Boarding Home, was moved last week to the Monocacy Hall Nursing Home in Frederick.

A number of the members of the Monocacy CYP group enjoyed dinner together Saturday evening at the Peter Pan Restaurant at Urbana.

Miss Becky Gartrell, who is now working at NIH in Bethesda, was a week-end visitor with her parents, Mr. and Mrs. G. Edwin Gartrell of the Keysville Road. She was joined there on Sunday by her fiancé, Ed Callaghan, who is stationed at Andrews Air Force Base in D. C.

Sunday dinner guests with Mr. and Mrs. Richard Willhide, Susan and Christine of the Forest and Stream Club Road were her cousins, Mr. and Mrs. James Bramer of Gettysburg, where he is a student at the Lutheran Seminary. Mr. Bramer was the guest speaker at St. James in Union Bridge for the 9:30 A. M. service. Evening visitors in this same home were Mr. and Mrs. Michael Miller of Rocky Ridge and Lee Rinehart and son John of Mt. Union. John, a student at Randolph Macon in Front Royal, Va., is home for a week's vacation.

Glad to report that I found Mrs. Gertrude Warner of Detour quite "perky" during a short visit on Sunday. She does enjoy callers.

Homemakers State Council meetings will be held at the Adult Education Building at Maryland University next week, March 29-31. All members are invited to the meeting on the 30th, and county project chairmen will have workshops on the 31st.

Next Lutheran Parish Lenten Service will be March 30 at Keysville.

Keysville-Detour Homemakers

The United Nations was the lesson for the meeting of the Keysville-Detour Homemakers Club on March 17 at the home of Mrs. Byron Stull near Keysville.

With the use of a flip-chart and various pamphlets, Mrs. William Fleharty gave information about the United Nations: some of its aims and purposes. She stressed that most people feel the UN is only involved with keeping the peace but actually one of their chief aims is to alleviate poverty, illiteracy and disease. The Homemakers Clubs of the nation are represented at the UN by the Associated Country Women of the World, which is attached to the UN in an advisory capacity.

"Teen Age Nutrition," the lesson for the February meeting, which had to be cancelled due to snow, was covered by Mrs. Maynard Ausherman. Several true or false questions about this topic were discussed and statistics noted.

Mrs. Edward Coshun and Mrs. Loren Austin gave book reports and president Mrs. John Blanchfield, Jr., announced tickets available for the luncheon at the Open House on May 5 to be held at the Agricultural Center. Name tags will be prepared by Art Chairman Mrs. Robert Stine. The April meeting date will be the 20th.

Cub Pack 459

There were three new Bobcats taken into the Cub Pack 459 of Union Bridge at their meeting on March 18 at the Church of the Brethren. They were Randy Weishaar, Jay Nussbaum and Tony Schildt.

Other awards presented by Cubmaster Weeks were Danny Johnson and Danny Zile, Bear badges; George Ricketts, Lion badge; Dale Yingling, gold and silver arrows under Wolf; Timmy Munshour, gold and silver arrow under Bear, and David Buffington, two-year service star.

As a skit, six Cubs answered Den Chief Sam Fleming's question "What is Cubbing?": it is learning, fun, doing, good will, for boys from 8 to 11 years old and it teaches how to help each other and oneself. They also had a battle with paper lances dressed in their cardboard knight's armor which they had been making for the past month in the den meetings.

Blanchard Bowman of Feensburg is now working with the Pack as Assistant Cubmaster. Committee Chairman Kenny Yingling made four announcements: four more committee members needed from the interested parents, the Pack will take part in some of the parades this summer as a marching unit with no float. (Parents will be responsible for getting the Cubs to the church on time and permission slips will be needed to attend the parades.) Chances may be sold for the benefit of the Pack during Firemen's Carnival, Cubmaster Weeks has resigned as of December 1966.

Mrs. Bowman's den had the opening service and Mrs. Yingling's the closing one. All joined in the singing of America and refreshments were served by Cubmaster Weeks.

Someone Needs You

If you're feeling sad and lonely, There seems nothing you can do, Just take courage and remember, There is someone needing you. You were created for a purpose, For a part in God's great plan, Bear ye one another's burdens, So fulfill Christ's law to man. There are so many sad and lonely, And discouraged, not a few, Who a little cheer are needing, And there's someone needing you. Someone needs your faith and courage.

Someone needs your love and prayers, Someone needs your inspiration, Thus to help their cross to bear. Do not think your work is ended, There is much that you can do, And as long as you're on earth, There is someone needing you.

THE WAY I SEE IT . . .

Observations on the World of Sports

—John Breth

The newest team in the National Football League, THE ATLANTA FALCONS, will play a swing schedule this fall, meeting each of the other 14 clubs. But their record will count in the Eastern Division. That means, by the way, that if they should win the division title—the odds will be long against that—they would be the home team in the championship game.

The Falcons drafted two quarterbacks who are rated highly, Steve Sloan of Alabama and Randy Johnson of Texas A&I. Both are outstanding golfers which will not help at all when they are trying to escape the clutches of some big enemy linemen.

The rookie place-kicker of the Washington Redskins, Charley Gogolak, is rated very fast at getting a kick away, faster than the average pro. But he will not be able to use the kicking tee in the pro game that he did for Princeton. However, Charlie figures he will have one edge . . . the goal posts will be ten yards closer.

The National Football League put a sixth official on the field last year but there were fewer penalties called than in 1964. Last fall there were 946 penalties totaling 9,320 yards. In 1964 there were 995 for 9,747 yards.

The defensive platoon of the Philadelphia Eagles has lost a man and gained one since the 1965 season ended. Defensive halfback Bobbie Shann has started two years of military service. Defensive end Jerry Mazzanti is back with the Eagles after two years in the Signal Corps.

Owner Art Modell of the Cleveland Browns says his team probably will make some trades before the 1966 season begins. Modell put it this way: "Some may appear inconsequential and some dramatic but there will be changes."

NFL stars Sam Huff of Washington, Willie Davis of Green Bay and Johnny Unitas of Baltimore and ex-halfback Frank Gifford of New York are back from Viet Nam after a two-week good will tour. Huff says the players got a terrific reception from the Servicemen there and adds that the GI's have a tremendous interest in pro football.

It's one of the oddities of baseball that the SAN FRANCISCO GIANTS, who badly need a left-hander, have been unable to find one.

Southpaws do very well in windswept Candlestick Park, the home of the Giants. Billy Pierce, who was far past his peak as a pitcher, had a good year in that park a few seasons back. He was virtually unbeatable.

But the Giants have had nobody else like Pierce. When they moved to San Francisco in 1958 they had what seemed to be a star lefty in Johnny Antonelli. But Johnny spent most of his time complaining about the wind blowing in from left field instead of taking advantage of it the way Pierce did.

No other team seems especially willing to trade a left-hander to the Giants who are top-heavy in right-handed pitching. For a while last year it seemed that the Giants might develop their own crack southpaw in Masonari Murikami, the talented young Japanese pitcher. But he has decided to stay in Japan.

The Giants currently are trying to develop their own southpaw talent in their minor league chain.

They had four likely looking southpaws in the Arizona Instructional League — all too young to help yet. The four young southpaws are Jesse Huggins, who is 20 years old; Ron Bryant, who is 18; Ken Fila, who is 18, and Mike Davison, who is 21.

Davison has a longshot chance of making it to San Francisco this year despite his won and lost record with Springfield of the Eastern League last year. Mike won nine and lost 18. But he had a respectable earned-run average, 2.84. He is tall and loose in his delivery and has the classic whip-arm delivery of the good southpaw.

Today's Sport Laugh — When the Taneytown Tigers recently held their first season's meeting, all were asked if Uncle Sam was breathing down their neck in regards to the military draft. All eyes were turned to one man who raised his hand. It was Fred Shank. As he received the laughter of the group, he was reminded by yours truly that he was at the age where no one cared or not if he burned his draft card.

TIGERS TO BEGIN SPRING TRAINING

BOB FOGLE RETURNS TO HELM AS MANAGER

The Taneytown Tigers will begin the annual spring training sessions on Saturday, March 26, at Memorial Park starting at one P.M. Most of the players who gave Taneytown it's best finish in many a year will be present at that time.

Bob Fogle, runner-up last year in voting for South Penn Manager of

Bob Fogle

the year, will return to the helm to guide this year's team. Skipper Fogle has declined to give any predictions about the coming season but there's not secret that he's excited about some of the new players the team has lined up.

"The season hasn't even begun yet," Fogle pointed out, "and there will be a new team in the league. . . . No, it's much too early for any type of guess as to this year." Usually a manager is just full of rosy predictions at the start of spring training but Bob is keeping quiet and rightly so. The South Penn League is quite unpredictable to say the least. No team in recent years has won the championship two years in a row.

By the way, the new team Skipper Fogle was referring to was either Fairfield or Arentsville. Bonneauville has finally called it "quits" after many successful years of operation. As one of the charter members in the South Penn League, financial difficulties, lack of players and other troubles have forced them to fold. The league will now contact Fairfield and Arentsville to fill out the missing spot in the schedule. Both communities have expressed an interest in again joining the league. Of course, only one will be accepted.

Taneytown will open on April 24 away and finish on August 28 away. That in a nutshell is the season. In between are 18 games and then the Championship playoffs which start on September 4. It's going to be a shorter season than last year, but just as enjoyable.

Season tickets will be available this time and will soon be placed on sale.

Next week — We'll look at the schedule and new players.

The average man has three colds a year, and these cost industry approximately 90 million working days annually.

THE FAMILY LAWYER

CAT LAW

Bitten by her neighbor's Angora cat, a woman filed suit for damages. She based her claim on two points: 1) that the neighbor owned the cat, and 2) that the cat had been trespassing in her back yard.

But the court held that neither ground was enough to support the woman's claim. The court said ownership alone does not mean liability for a cat's mischief, since it so seldom commits any. As for the trespassing, the court said cats are given freedom to roam—and to cross boundary lines—by common consent of mankind.

As a rule, a cat's victim can collect damages only by showing some previous vicious conduct by the cat. Such conduct puts the owner on notice that his pet is dangerous.

For example:

A shopper, accompanied by her dog, entered a market. The proprietor's cat, which had recently had kittens, promptly tore into the dog. When the woman tried to protect her dog, she herself was mauled by the cat.

In this case the woman did collect. The court pointed out that a cat with kittens is likely to attack a dog, that customers often brought dogs to the market, and that another customer had been attacked earlier in the same manner. Under these circumstances, the court decided the cat was indeed dangerous and should have been restrained.

However, a minor show of temper will not put the owner on notice that he has a feline menace on his hands. Thus another woman, bitten by a cat, was denied damages because the only prior misconduct she could prove was that the cat had once shown his teeth and snagged a girl's stocking.

In short, in view of the generally good record of the species, the law is tolerant of a cat's natural tendencies. And, in that same spirit, the law looks with favor on efforts to be kind to cats.

One woman left money in her will to establish a "cattery" for homeless cats. Although the bequest was challenged as useless to the community, a court upheld it as a valid charitable trust. In the words of one judge:

"A gift for the benefit of animals tends to encourage kindness toward them, promote feelings of humanity and morality generally, repress brutality, and thus elevate the human race."

HEART AND BLOOD VESSEL DISEASES are not only responsible for more than 54 per cent of all deaths in the United States each year but also afflict more Americans than any other cause. (In prevalence, arthritis-rheumatism is second, and mental-nervous disorders third.) Chart is based on recent National Health Survey. The study did not cover persons suffering from the after-effects of stroke, one of the major forms of heart and blood vessel diseases. **Now—
U. S. Savings Bonds
Pay More Interest**

4.15% when held to maturity

*Higher interest on the
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front line of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

What is the Church?

Lesson for March 27, 1966

Background Scriptures: Matthew 16:13-19; 1 Corinthians 12; Colossians 1:15-20; 1 Peter 2:4-10.
Devotional Reading: Ephesians 2:13-22

Hundreds of thousands of words have been printed during the past ten years alone about the church — what it is and what it ought to be. But since books about the church are mostly written by church people for church people they are not read by everybody, and there is still an enormous amount of ignorance even among church members as to what the church

Dr. Foreman proposes to be and is. One of these misunderstandings is that the church is a building. Well, it is certainly not wrong to call the place of worship a "church"; but if that's all it is, it isn't nearly as valuable as a skyscraper or a Hilton Hotel. When you "go to church", you are approaching something far higher than any building of man. Further, the church is not a club. A club exists for the welfare and comfort of its members, while the church (wherever it is true to its divine intent) exists for the welfare of all mankind. A club can shut out people it happens not to like; a church has no right to do this. A club's highest authority is elected by its members. The highest Authority in the church is Christ; it is he who elects (calls, appoints) the church.

Given names of church

We might add here that membership in a church does not make you a Christian. On the contrary, being a Christian makes you a member of the church. But let's get on with what the church is, not what it isn't. We can do no better than to glance at some of the Bible names for the church — names by which groups of Christians, or all Christians everywhere, were called before the word "church" became common. They were all simple names, picture-names. Evidently it was not God's intention that the church should be a strange "what-is-it" which only a theologian could understand! One name was just "Brothers". The Church was small, and it lived and acted like a family. (It is much harder to do this as the church grows in size.) The church may be said to have invented the slogan which has been stolen since by others than Christians: From each according to his ability, to each according to his needs. Would the newspapers ever think of the present-day church as a family?

More names

Christians were also called "Believers." Not that they all repeated the same creed precisely. But even outsiders could see that there were certain truths and certain facts (such as the Resurrection) for the truth of which the Christians were ready to die. The church was called the "Bride of Christ", devoted and committed to him as a bride to her husband, her protector.

The body of Christ

No one name for the church brings out all the truth about it. Perhaps the most comprehensive of them all is the "Body of Christ". Paul (in 1 Corinthians 12) brings out the unexpected thought that Christians are members — not only of the church or even of Christ—but members of one another. To stir the edges of your thinking, a question may be in line. What is there in the picture of the "body" which is missing in the others? Mr. Smith and Mr. Jones are in the same church, what does it mean to say they are members of each other?

Easter Surprises

When the Easter Bunny makes his deliveries, let's hope he leaves these tasty little Orange Easter Baskets at your house. They are yummy as can be and easily made with the aid of a pie crust mix.

ORANGE EASTER BASKETS

Makes 8
Filling: 1 cup boiling water, 3 tablespoons sugar, One 3-oz. pkg. orange flavor gelatin, Pastry Baskets: One 10-oz. pkg. Flako Pie Crust Mix, 2 oranges, 4 tablespoons cold water, 1 tablespoon lemon juice, 2 egg whites

Add boiling water to gelatin, stirring until dissolved. Cut oranges in half; squeeze to make 1 cup juice. Add juice to gelatin mixture along with lemon juice. Chill until very thick; whip until fluffy. Beat egg whites until frothy; gradually add sugar, beating until stiff peaks form. Fold into whipped gelatin mixture. Chill until mixture mounds slightly; spoon into cooled baskets (see below). For handles, cut strips from squeezed orange halves 1/4-inch wide. Insert ends in filling.

For baskets, empty contents of package into bowl; sprinkle water over mix. Stir lightly with fork until just dampened. (If necessary, add another one-half tablespoon water to make dough hold together.) Form into ball. Roll dough out on lightly floured board to 1/8-inch thickness. Cut out eight 5-inch circles. Place a circle on bottom of inverted 5-oz. custard cup; make 4 pleats to shape basket. Prick bottom and sides. Repeat with other circles. Bake on cookie sheet in preheated hot oven (425°F.) 10 to 12 minutes. When cool, gently remove baskets.

New Zing For Vegetables

Because vegetables have such a delicate flavor, they take on new life when prepared with a little flair. A new product, Chiffon Soft-type Margarine, is perfect for cooking vegetables. Its soft consistency, so soft it spreads right from refrigerator or freezer, is due to the high content of liquid safflower oil. Here's how Chiffon can help lend vegetables new zing:

Brussels Sprouts With Lemon Sauce: Cook 2 packages frozen Brussels sprouts; drain. Melt 2 tablespoons Chiffon in pan in which vegetables were cooked; stir in 1 tablespoon lemon juice. Pour over Brussels sprouts.

Tarragon Green Beans: Cook 2 packages frozen green beans; drain. Toss vegetables with 3 tablespoons Chiffon Soft-type Margarine and 1/2 teaspoon tarragon; turn into serving dish.

Herb Grilled Tomatoes: Blend together 1/4 cup Chiffon Soft-type Margarine and 1/2 teaspoon each salt, sugar, basil and thyme, and 1/4 cup fine dry bread crumbs. Halve tomatoes crosswise, spread with mixture, broil 10 minutes.

Cauliflower Parmesan: Cook 1 large cauliflower 25 minutes. Meanwhile, melt 1/4 cup Chiffon and brown 3/4 cup soft bread cubes. Remove from heat and stir in 1 tablespoon grated Parmesan cheese. Drain cauliflower, place on serving dish, and top with bread cube mixture.

A Voice from the House

This week in Annapolis, a considerable amount of concern developed over a Bill introduced in the House which would require all lines of the Electric Companies to be placed underground. Many people have strong objections to overhead power lines, particularly high tension lines. As a result, a Montgomery County Delegate introduced legislation which would require all new construction of high power lines to be underground.

The representatives of the utilities and of the Public Service Commission indicated that progress had been made that would allow more economical construction of underground facilities than heretofore, but that the cost would still be prohibitive. They indicated that the construction of all lines underground would result in substantial rate increases for everyone.

A Frederick County builder testified that the cost of running distribution lines underground has now become very nominal. As a matter of fact, this builder testified that underground installation of electrical distribution lines now costs only one-tenth as much as it did a few years ago. More and more housing developments are now requiring all lines to be underground for this reason.

The utilities testified that although distribution lines and low power lines could be constructed underground economically, there was still substantial difficulty with high power lines. As a result, no action was taken on the Bill.

One of the most bitterly fought pieces of legislation thus far in this Session is the Educational TV Programming. The House Ways and Means Committee re-wrote the Bill to provide that the Maryland Television Commission would operate the six or seven educational TV channels in the State of Maryland rather than the Department of Education of the State. The Department of Education would retain the right, however, to use the television programs for primary, secondary and adult educational programs and would have the exclusive handling of such educational programs.

The Committee felt that a separate commission would be the warranted choice for handling these stations inasmuch as much of the programming would be done in hours that were not school hours.

A vote on the Bay Bridge is expected to be taken this week in the House of Delegates. Also the budget is expected to move this week and a new deluge of legislation will follow the budget. Much legislation cannot be acted on prior to the adoption of the budget because of constitutional provisions.

The Carroll County Jail Bill appears to be in good order for passage after the budget. The State will make an outright grant to the County of \$130,000.00 for the construction of a new Carroll County Jail under the

Bill as now proposed and approved by the State Agencies.

William B. Dulany
Member,
House of Delegates.

MEETING OF WEST CARROLL REPUBLICAN CLUB

The West Carroll Republican Club met on March 1 at the Union Bridge Community Center. Members and guests were led in several moments prayer and remembrance by Rev. Gilbert Turner for Mr. James Scott. Jim will be missed as a friend, supporter and booster of the Union Bridge area and the Republican Party. Election of officers was held. Mr. Edwin Englar, chairman of the nominating committee, read their report: president, C. Russell Clark; vice president, Union Bridge district, Charles Angell; vice president, Middleburg district, Lloyd Wilhide; vice president, New Windsor district, Walter Weller, Jr.; secretary, Mrs. James Ensor; treasurer, Lewis N. Baker. This slate was accepted by the members present and there being no nominations from the floor, the slate was elected.

Mr. Ed Williar, retiring president, thanked the members and committees for their support. He then turned the meeting over to Mr. Clarke.

As he accepted the office of president, Mr. Clarke challenged the membership and officers to make this the best year yet for the West Carroll Republican Club. This is an election year in the County and we must all pull together for the success of the Republican candidates, he said.

Mr. Alvie Spencer reported on the success of the Carroll County Republican Club's fund raising dinner held at Frocks.

Mr. Reese Starner, announced candidate for the office of Register of Wills, spoke of the possibility of a permanent Republican headquarters in Westminster.

Speaker for the evening was Mr. Ford Waggoner. His topic was "Republicanism" and he reviewed its history. How's America going? Mr. Waggoner pointed out that we teach our children to be members of a profession but we do not teach them to be proud Americans. This is not inherited, but is taught, he said. Mr. Clarke thanked Mr. Waggoner for being with the club and for his message.

Refreshments were served by the Middleburg district during the social hour which followed. Membership dues were collected at this time.

Don't try to mix alcohol and gasoline—it's a highly combustible combination than can cause injury or death.

SPRING PLANTING

With Winter behind us and looking forward to Spring and planting our gardens, perhaps we should think also of planting a "Church Garden"

First plant five rows of peas: perseverance, preparation, presence, promptness and purity.

Next plant three rows of squash: squash criticism, squash gossip, squash indifference.

Then plant five rows of lettuce: Let us be loyal and unselfish, Let us be faithful to our duty, Let us obey rules and regulations, Let us be true to our obligations, Let us love one another.
