NEW VISITING HOURS AT HOSPITAL

The Carroll County General Hospital, Westminster, has announced a change in visiting hours, to become effective September 9, 1966.

The new visiting hours, which were requested by the medical staff, are the result of the crowded conditions prevailing at the hospital. Concern for patients who become overtired during long visiting hours is another factor in making the change.

The new hours will be: 2:00 P. M. to 4:00 P. M. and 6:00 P. M. to 8:00 P. M. for medical, surgical and maternity patients.

The visiting hours for the pediatric section will remain as they are: 11:00 A. M. to noon and 6 P. M. to 8 P. M.

THREE-ALARM FIRE NEAR TANEYTOWN

Shower Lumber & Millwork Co. Building and Machinery Consumed by Blaze

Fire swept through the Shower Lumber Co. building, one mile South of Taneytown, causing an estimated damage of \$185,000.00, Saturday night.

The blaze destroyed a 185 ft. by 60 ft. steel building, large quantities of lumber, machinery and a hydraulic lift truck. An adjoining lumber storage building filled with kiln dry lumber and a new hydraulic lift truck was saved by the firemen. All the files of the firm were removed from the office before the fire swept through the walls and ceiling of the office.

Taneytown Fire Co. answered the first alarm at 7:47 P. M. and was quickly assisted with a 2nd and 3rd alarm consisting of six other companies. There was a total of 165 men fighting the blaze at one time. Taneytown had three pumpers; Harney, one pumper, one service truck; Union Bridge, one pumper, one service truck; Pleasant Valley, one pumper, Westminster, one pumper; Emmitsburg, 2 pumpers, one service truck; and Littlestown one pumper. Littlestown also had a pumper stand by at Taneytown engine house, while New Windsor stood by at Union Bridge. Kingsdale stood by at their station with a full crew.

They battled the blaze for over 4 hours before bringing it under control. By 1:00 A. M. all the companies had returned to their respective stations except Taneytown and a service truck from Emmitsburg. Emmitsburg truck returned at 5:00 A. M. and Taneytown stayed on the scene until 10:30 A. M. Sunday morning. Taneytown returned a number of times during the day to wet down the debris.

The fire started at the rear of the building and quickly swept up through to the front. The storage building was only three feet away. An investigation is being conducted to determine the cause of the blaze.

The firemen had to relay water from a hydrant in Taneytown and Harney and Pleasant Valley hauled water to other companies until it was brought under control. Due to a pump being repaired in Taneytown the line was discontinued and water was hauled from the Taneytown Rod and Gun Club by two of Zent milk trucks and another tank truck from Taneytown to control the fire. At 4:30 A. M. Mr. Ralph Stonesifer used a dozer to push the debris to a safe distance from the other building.

The Mt. Union Homemakers Club members and their families enjoyed a nice picnic supper together recently. Besides plenty of good food, fun and fellowship was the order of the evening.

We would be glad to accept new members into our club. I feel like I am never too old to learn something new or of finding a better way of doing something I already do every day. This is what the Homemakers Club has done for me. Come and join us.

MAYOR AND CITY COUNCIL MEET

TANEYTOWN POOL TO CLOSE LABOR DAY

Due to Labor Day, the Mayor and City Council held their regular monthly meeting on Monday evening, with all members present.

At this time it was decided to close the Taneytown Swimming Pool on the evening of Sept. 5 at 9:00 P. M. The pool will not be open on week-ends due to many of the staff being college students and most of the staff returning to school at this time.

The Clerk-Treasurer reported \$45,490.31 in the General Account, \$3,438.05 in the Parking Meter Account and \$3,800.00 in the Swimming Pool Account. Payments were made to Maitland Bros. and Bowers Bros. for the tennis courts and to Perry Building Supply on the addition to the Park Storage Building.

Officer Graybill reported 67 parking violations and discussed minor incidents during the month. Officer Boone reported 6 parking violations, 8 state summons, 10 warnings, 3 warrants and 5 accidents. Excessive speeding has become quite evident throughout the town and action will be taken to stop this.

"No Parking At Any Time" signs will be placed along both sides of York Street from Blue Ridge Avenue to the Corporation limits. Parking along this street has made the area very hazardous. Yellow lines will be extended on the east side of York Street from Blue Ridge Avenue a distance of two car lengths towards Fairview Avenue.

New street construction and repairs to streets was let out to Thomas, Bennett and Hunter, the low bidder for this year's street program. New construction consists of: (1) Crouse Garage to Murray Baumgardner Alley, a distance of 1000 ft. by 12 ft., (2) rebuilding a portion of Roberts Mill Road corner of Franklin and Carroll Heights Street along Nussbaum Canning Factory for 200 feet. A catch basin will be placed near the Mrs. Smith property, carrying all surface water across the street into the storm drain. The balance of this street to the entrance of the High School will be widened to 19 feet. (3) Alley along side of Frenkel Warehouse to rear of Wilford Smith property. (4) Wide apron placed at entrance of Baumgardner Avenue in front of the Richard Koontz property, and (5) the Edwin Baumgardner alley, a distance of 212 feet by 12 feet.

Patching and resurfacing consists of: (1) Street and Pipe Alley from Roberts Mill Road to Cambridge Rubber Co., (2) Town Parking Lot (behind Presbyterian Church), and (3) from the Glenn Reeve property to Creamery.

The purchase of gasoline for all city owned equipment and fuel oil for heating purposes was awarded to Palmer Petroleum Products; they being the low bidder.

Due to vandalism, the water tower will have to be repainted. Steps have been taken to make the individuals responsible pay for this work.

Three abandoned cars have been removed from the town and will be sold for towing charges.

Extra dusk-to-dawn lights have been erected in the park.

Mr. Elwood Harner and Mr. Dwight Perry, employees of the City of Taneytown, were commended for the manner in which they are serving the City.

Recently, vandals destroyed quite a few lengths of large tile in Memorial Park. Parents are reminded that they will be held responsible for acts such as these and if proper restitution is not made to the City of Taneytown, legal action will be taken in all cases.

A promotional brochure for the City of Taneytown was discussed. Preliminary work such as compilation of material, designing, objectives, etc., has already been undertaken with cost estimates to be secured for the printing of such a brochure. Progress reports on this project will be released as it develops.

The meeting adjourned at a late hour.

LETTER TO THE EDITOR

Uppermost in the minds of the residents of East Baltimore Street is the annual water shortage we are forced to undergo. For a week or two of every year we have to live with this absurd inconvenience. Every year the reason handed out by the Administration is different, but far from convincing.

I have it on good authority that the water supply is quite adequate. The lack of pressure is due to broken down pumps and equipment, one must assume that condition comes from poor management.

Does the Administration consider the fire hazard? Have they ever tried to cope with a family of three or four children during extremely hot weather with little or no water?

As citizens, we have to pay for the convenience of running water. Is it too much for us to expect the city officials to see that it is provided? If there was an actual water shortage, we would cooperate with understanding. As it is we are thoroughly tired of the present situation.

If the present Administration cannot provide us with better service, they would do well to step down in favor of more competent management.

—A Citizen and Taxpayer.

Taneytown Temple No. 23, Pythian Sisters Past Chief Club will meet at the home of Mrs. Catherine Heiges in Hanover, Penna., Tuesday September 6th at 8:00 P. M.

Elementary School To Enroll 515

The Taneytown Elementary School will open its doors to approximately 515 children on September 7, largest entering enrollment in the school's history. To accommodate the increased enrollment, a portable classroom has been erected on the South parking lot of the school. One of the sixth grade sections will be housed in the new classroom. Children assigned to the portable are to enter it by first walking through the auditorium and old kitchen.

Classroom Assignments

While classroom sections will remain largely as they were at the close of school, some changes have been made. Class lists will be posted on classroom doors and children are asked to check these making sure of their assignment. With exceptions mentioned, classes will move as follows: Mrs. Gass's room to Mrs. Friend, Mrs. Perry's to Mrs. Cook, Miss Weant's to Mrs. Phillips, Mrs. Cook's to Miss Munch, Mrs. Phillips' to Mrs. Riffle, Mrs. Friend's to Mrs. Robertson, Miss Munch's to Mrs. Perry, Mrs. Robertson's to Mrs. Rasche, Mrs. Riffle's to Mrs. Alexander, Mrs. Alexander's to Miss Shreeve, Mrs. Rasche's to Mrs. Lanier, Mrs. Sackett's to Mrs. Smith, Mrs. Lanier's to Mr. Cornish, Miss Shreeve's to Mr. McKinney.

First Grade

First grade children will be dismissed at 2:00 P. M. from September 7 through September 23. Parents may call for them at that time. Children whose parents do not call will be kept at the school until regular dismissal time.

It is requested that parents of first grade children tag the child giving his name and bus number. If the child walks, write "walks" in place of the bus number.

It is asked that removable clothing of all children be labeled so that it may be easily identified if lost.

Faculty

Several additions have been made to the faculty. Mrs. Jestina Held will teach a first grade section replacing Mrs. Perry who will be teaching a fourth grade class. Mr. Larry McKinney will teach the sixth grade section assigned to the portable. Mrs. Carolyn Smith will teach a sixth grade section replacing Mrs. Jennings who will be moving to Philadelphia. Mr. Bernard Decker will be a full time physical education director and Miss Eliza Hoffman will be full time librarian. Miss Ann Fillion will teach the song fluters and beginning instrumentalists.

Cafeteria

Lunches will be served as usual beginning on the first day of school. Cost will be 25 cents as in the past. Menu for the first day of school will consist of bar-b-q sandwich, peanut butter crackers, buttered peas, peaches and half pint of milk.

Insurance

Insurance will again be available to children of the school. Information concerning cost and coverage will be sent home as soon as possible.

Parents having questions concerning the progress or welfare of pupils are encouraged to bring these concerns to the attention of the teacher or the principal. At times, perhaps, problems remain unsolved due to a lack of communication or understanding. When these are achieved the problem frequently disappears. In any event, the school staff is anxious to do all it can in furthering the well-being of each child.

"SPICE 'N' EVERYTHING NICE" (Your Chatty Column)

With all my heart, I wish you every morning a smile that shall last until the next day's dawning. I wish you health—life's greatest wealth; I wish you always near so that I may help to cheer. Each future day and in some way—help to bring you happiness!

How wonderful it was to read and see the pictures in the papers of all the activities of those dear Hearts and Gentle people (who really know their Bible) while they spent five days in Baltimore—The Jehovah Witnesses! At that beautiful St. Paul and Chase Street apartment, the good manager there opened up all the vacant apartments for The Jehovah Witnesses and that for free! When I phoned Mr. Thumel to tell him how grand that was of him, he quickly replied, "Anything for THE LORD!" See what I mean, folks—the real goodness of individuals!

Did you notice, too, although it was very warm and some of the days real hot, there was no rain for the mass of people who came from all different parts of the world and they do that on their own as to their fare etc.!

Calling all young men . . . If you have what it takes to be a Policeman—go right to it, for there are no more brave men for whom I hold such esteem and respect! Did you ever notice what a fine bunch of men they are? I have always compared them with the Canadian Mounted Police. And there is coming a time very shortly that they will be given the real authority of days in the past and that is as it should be!

If you have any kind of trouble or even the appearance of your teeth by all means see a dentist immediately. Not mentioning any names right here but the other day bumped into a friend unexpectedly who is a very prominent and popular lady and I did not recognize her immediately, due to the fact she had all her teeth extracted (which was needed badly, as they were black and appeared like black stumps) and the change was to such an extent that all I could say, "Oh! You are simply beautiful and appear 20 years younger!" Why she did not do this before, I cannot tell or imagine for it surely was a must!

Be sure, folks that you keep America beautiful and never attempt to throw the slightest thing out of your car. Do you know that when a police sees you do just that he can stop you and also that you can be fined? You know that saying that "Every Litter Bit Hurts!" Always carry some kind of a small bag in your car.

Have you been watching weekly, "The John Gary Show?" He is tops and for such a little slim fellow has a deep and beautiful voice and improving by the hour!

Be sure Mrs. Housekeeper you ask for "Scott's Cut-Rite Plastic Sandwich bags with the new Seal-tite flap." There are 50 bags in the box and they are the best I have ever used!

And never, never go to the store hungry for you will buy more than you would have if you had eaten your dinner first! While peaches are still with us and you cut them up in a bowl for the dessert and sprinkle the amount of sugar on that you desire, squeeze a half or whole of lemon juice over them and that will prevent them from turning dark.

I am glad that two-dollar bill is gone—not that I would not like to have a million of them) but so many mistakes are made when carrying them in your purse along with one dollar bills.

Remember those wooden Indians that used to stand in front of cigar and stationary stores years ago. All must be passe for the last one I saw was in the front of the store on North Charles Street at Hopper McGaws!

If you are the parents of a Tom-Boy Girl—don't worry about it for they make the best wives!

And do not worry about growing old for one can always grow old gracefully as Ethel Barrymore did! Remember? She was truly a "CHARMER!"

Have you ever noticed while driving behind one of those big trucks, they pull over to the side of the road to allow that car in back to go forward? Nice? So always give them a salute of your horn to thank them. Nothing like courtesy on the road—helps a lot! Eh?

Have a grand week-end, folks. Always love one another for there is nothing so free! And never, never hold wrath when the sun goes down!

Until next week, D. V.

I am,

Faithfully yours,

Irene deLeon Love.

LABOR DAY — A TIME TO THINK

Labor Day, to be observed on Sep-
tember 5 this year, marks the termina-
tion of summer, in the minds of
most people. It is the last long holi-
day of the season and is a time for
the final outing of swimming, pic-
nicking, boating, or just loafing. The
meaning of Labor Day is lost for
many in the frantic pursuit of fun.
Never before have so many people
been able to enjoy the leisure, the
luxuries and comforts we see around

us in these United States. The rights
of labor have never been so certain,
nor its obligation to act in a respon-
sible manner more necessary. We
must not become insensible to the
time-honored virtues of thrift, com-
petence and pride in a job well done.

These are the things that have
made possible the turning of Labor
Day into a holiday of fun and leisure.
These are the things that Labor Day
commemorates, and if the nation is
to survive in its greatness, they will
be needed as never before in the
years to come. They are needed now
desperately to back up the men in
Viet Nam, let alone all future ad-
vancements in space, science, indus-
try and technology. Think of these
things as you go to the beach or to
the mountains this Labor Day.

SCHOOL DAYS ARE BACK

All good things come to an end—
at least temporarily. And so it is,
as the long school summer holiday
draws to a close. Very shortly, mil-
lions of youngsters will be shouldering
their school books once again.
Other millions will see the inside of
a schoolroom for the first time when
school opens this fall.

While it is true that an educated
man does not get all his education in
the classroom, the fact remains that
formal education is the foundation
and best hope of civilization. Educa-
tion is the seed bed of tolerance and
understanding. It is the source of
progress in every field of human
endeavor.

Tomorrow's astronauts, engineers,
scientists, technicians, men of medi-
cine and the arts and business will
be trudging back to the halls of learn-
ing, as the crisp days of autumn ap-
proach. Their return is an omen of
a steady advance toward a better life.

KEYSVILLE-DETOUR

Greetings to you:

Congratulations to newlyweds Mr. and Mrs. Robert Trout, who were married at Haugh's Church on Saturday. Mr. Trout is the former Miss Patsy Stonesifer of Keymar.

Sincere sympathy is extended to the family of William Martin, who died last week and was buried on Sunday afternoon. Mr. Martin made his home with his daughter and son-in-law, Mr. and Mrs. Carroll Kiser of Keysville.

Sympathy is also extended to the family of Upton Austin of Taneytown who died Sunday afternoon.

Sure everyone has checked their room assignments by now for the start of school next week. This summer has surely "flown" by.

Heard that Kevin Young, son of Mr. and Mrs. Charles Young near Keysville, was a hospital patient over the week-end. Do hope he is doing just fine now. Kevin will be a first-grader this year.

Mrs. William Weishaar and Randy and grandson Bobby near Detour were among those who enjoyed the picnic at Pipe Creek Park near Taneytown on Sunday afternoon with the Adult Fellowship Class of the Middleburg Methodist Church.

Joan and Nancy Thomas spent several days last week with their aunt and family, Mr. and Mrs. Elwood Kauffman and children, in Westminster while their parents, Mr. and Mrs. Harold Thomas of Hollow Rock Farm near Detour, enjoyed some rest and relaxation at Atlantic City, N.J.

On Friday evening Mr. and Mrs. William Fleharty near Detour enjoyed the Herb Alpert and the Tijuana Brass show at Carter Barron Amphitheater in Washington as guests of her sister, Carol Wolfgen. (They really are terrific and as Harry MacArthur in the "Washington Star" said, part of the show's enjoyment is the fact that the group seem to be having such a good time putting on the show.)

Mrs. Emory Yoder of White Hall, who spent about ten days visiting with her daughter Ruth and family, Mr. and Mrs. Clyde Wilhide, Neal and Danny of the Keysville Road, is now spending some time with her daughter Edith and family, Mr. and Mrs. Carroll Wilhide, Jane and Beth near Detour.

Among those who attended the Grossnickle and Blessing reunion on August 14 at the Grossnickle Church of the Brethren near Myersville were Mr. and Mrs. Raymond Albaugh near Detour, Mr. and Mrs. John Boone, Janet and Donna and Mr. and Mrs. Raymond Martz of Westminster, Mr. and Mrs. Karl Smith, Karl, Jr., Ronnie, Larry, Jerry, Jimmie, Ricky, Rocky Ridge and Joann Denise of Rocky Ridge and Mr. and Mrs. Wilbur Grossnickle and daughter, Mrs. James Koonitz of Keymar. (Mrs. Albaugh and Mrs. Martz are sisters of Wilbur Grossnickle.)

Mr. and Mrs. Richard Wilhide near Detour and Mr. and Mrs. Thomas Dolly of Fairfield, Pa., enjoyed a visit to Ocean City from Saturday through Monday. Christine and Susan Wilhide visited with their maternal grandparents, Mr. and Mrs. Daniel Seibert of Clear Spring.

Callers last week at the home of Mr. and Mrs. Charles Cluts of River Dale Farm near Keysville were Miss Geraldine Boller of Thurmont, Mrs. Laverne Keilholtz, David and Barbara, Mrs. Gilbert Stine, Mr. and Mrs. Roy Baumgardner and Mrs. Russell Stonesifer and son Fred, all of or near Keysville, Misses Anna and Hertha Richter of Halifax, Pa.; Mrs. Irvin Creager of Woodsboro, Mr. and Mrs. Guy Boller of Rocky Ridge, Mr. and Mrs. Leonard Reifsnider of Keymar and Mr. and Mrs. Gregg Kiser of the Keysville Road. Mrs. Hugh Heaps and granddaughter Patsy of near Silver Spring spent the day with them on Wednesday. On Sunday Mr. and Mrs. Cluts spent the day with Mr. and Mrs. Gordon Garrett and Walter Garrett near Manchester.

Sunday evening visitors with Mrs. William Weishaar and Randy near Detour were Mr. and Mrs. Monroe Rinehart, Francis, Dennis and Fred with Sharon Smith of Taneytown.

In a letter just received from our district president of Lutheran Church Women, the information on the Fall District Assembly is that it will be a combined meeting with the Frederick District and be held Wednesday, October 19, in the Evangelical Lutheran Church in Frederick. Registration will begin at 4:45 P. M. More details will be given in local meetings. Plan now to attend for a fine program is planned.

Speaking of fine programs being planned, the Lutheran Church Men of the Union Bridge Parish are planning a Family Night on Sept. 7 at Keysville Church beginning at 8 P. M. Martha Ritter, daughter of Mr. and Mrs. Luther Ritter of Littlestown, Pa., has been an exchange student to Switzerland and will tell of her experiences and also show slides.

Another night to mark on your calendar (which really starts getting filled up again with the fall activities) is Sept. 21 for members of the Keysville-Detour Homemakers Club. This is the meeting to which husbands are to be invited for the program on "Planning and Zoning."

Next meeting of the Eager Beaver Girls' 4-H Club will be Sept. 9 at the home of Diane Stambaugh near New Midway and Keymar.

daughter Mrs. William Stoll and her daughter Jean all of Long Green and Miss Merle Yoder of Towson.

Flower Committee for September at Keysville Lutheran Church will be Mrs. Daniel Ridinger, chairman; Mrs. Richard Ohler, Mrs. Virgie Ohler, Mrs. Ralph Shomaker and Mrs. John Blanchfield (in absentia).

A lovely thank you note has been received from the Blanchfields for the farewell party and gifts given to them before their move to Schoharie, N.Y., and is posted on the bulletin board in the Sunday School hallway for all to read.

The Keysville Lutheran Church Women will meet on Monday, Sept. 5. Leaders Mrs. Gregg Kiser and Mrs. Vernon Schaeffer request all who attend to bring along a pencil and their Bible. Mrs. Dennis Myers and Mrs. John Harner have charge of Specials and hostesses will be Mrs. Ralph Shomaker, Mrs. Richard Wilhide and Mrs. Kenneth Dougherty.

On Monday, Jane and Beth Wilhide near Detour returned their cousin Lois Fry, who had been visiting with them, to her home in Baltimore and are spending a few days there. Lois is the daughter of Mr. and Mrs. Francis Fry.

Karl Smith, Jr., graduated on Aug. 27 with a class of 150 from the Hagerstown Business College. Family members who attended this event were Mrs. Karl Smith, Sr., Ronnie, Jerry, Jimmie, Ricky, Randy, Jeffery and Joann Denise of Rocky Ridge and Mrs. Raymond Albaugh near Detour. Karl will soon be leaving to report to the Service.

Pastor Harold Redcay, who is now retired but formerly served the Reisterstown Parish, was guest speaker a second Sunday at Keysville Lutheran Church. His message was on "Christian Maturity." He referred several times to the book "The Mature Mind" by Overstreet and also to Paul's teachings. He summed it up by saying that the mature mind has emotional stability, independent judgment and understanding. The anthem for the morning was a lovely rendition of "Hear Thou My Prayer" by Miss Effie Fulmer of Frederick, sister of member Mrs. Thomas Flohr.

Sunday visitors with Mr. and Mrs. Raymond Albaugh near Detour were Mr. and Mrs. Raymond Martz and Mr. and Mrs. John Boone, Janet and Donna and four of their girl friends all of Westminster; Mrs. Karl Smith, Sr., Larry, Jerry, Jimmie, Ricky, Randy, Jeffery and Joann Denise (who was two years old on Monday, the 29th) of Rocky Ridge; Mr. and Mrs. Wilbur Grossnickle of Keymar and Mr. and Mrs. Milo Bohn of Florida, who are visiting with their cousins, the Grossnickles.

FAIRVIEW

What a tragic thing that has happened over the week-end, when fire struck the Shower Lumber Mill, near Taneytown. Completely gutting the working portion of the building with complete loss of all working machinery with the exception of a high power lift. The cause of the fire at this time is unknown. The lumber shed which was built to the end of the mill was saved through the earnest efforts of the firemen. This is a great shock and loss to Mr. and Mrs. Shower who were the operators of the mill; as well as to his employees. Plans are being made to rebuild. Our best wishes, hopes and prayers are that Mr. Shower will have no difficulty in securing new machinery and equipment and plenty of help to rebuild. Mr. Shower had entertained his employees to a picnic on Saturday afternoon at the Taneytown Memorial Park. All had a wonderful time together and enjoyed the afternoon very much—but what a sad ending for almost a perfect day for employer as well as employees.

Debbie Frock returned home on Tuesday evening after spending a couple days with her aunt and uncle, Mr. and Mrs. Wm. Fogle and family of Wolf's Mill.

Mr. and Mrs. Levi Frock, Mr. and Mrs. Donald Carl and children, David, Danny and Debbie called on Mr. and Mrs. Richard Adkins and family, near Keymar on Sunday evening.

Glad to know Mrs. Paul Stauffer has returned to her home near Otterdale after being a patient in the Carroll County Hospital, Westminster, a few days. We hope she will soon be fully recovered and can enjoy good health.

Silo filling seems to be the order of the day. Monday, every where you looked you could see tractors pulling wagon loads of corn for the silo or you could hear the cutters going through the fields near-by. Also, what a beautiful wash day—clothes all dry, ironed and put away with plenty of chores to do come Tuesday.

Miss Florence Selby of Beland, Florida, spent from Monday till Friday in the home of Mrs. Hannah Smith of Uniontown, Md.

Received a card from Mr. Ivan Myers, post marked from Fayetteville, Ark., saying, "he is having a wonderful time and will soon be back home." He has been gone about a month.

Miss Hazel Frizzell and sister, Shirley Eyer, spent Sunday with their uncle and aunt, Mr. and Mrs. Grant Baker, at the home of Mr. and Mrs. William Duble and son of Keysville.

Levi Frock called on his daughter, Mrs. Donald Carl and family of Mayberry on Monday afternoon.

It won't be long now when the children will be plodding along back to school. Some will be happy and some will be sad—life is filled with likes and dislikes, we have to take it as it comes.

Mr. and Mrs. Richard Adkins and children Mary, Joyce, Kevin and Tammy called on Mr. and Mrs. Homer DeGroff, near Kingsdale, on Monday.

Came across a price list of one of our leading stores, at that time, Medford Groceries, October 12, 1934. 10 lbs. sugar 48¢; 100 lbs. \$4.65; front quarter of beef .07¢ lb.; hind quarter, 10 cents lb.; roasting beef 10¢ lb.; all steaks 14 cents lb.; pork sausage 18¢ lb., also 13¢ lb. Quite a few people dealt at the Medford store which handled groceries, dry goods, feed and gas and oil and numerous other items. It has been missed since it closed a number of years ago.

Just looking out my door as I sit here writing. I observed a big truck load of sweet corn—possibly from a nearby farm. We have to wonder how it grew due to the dry weather. I was given some corn last evening after helping one of my daughters to put theirs in the freezers and yum, yum, was it ever good, so sweet and tender and filled out to the end. For my eating I like the Stoles Evergreen the best; but this yellow corn could hardly be beat. It seems it has been improved since years gone by.

Mrs. Hilda Foreman of Frederick, Md., spent the past two weeks with her sister-in-law, Mrs. Florence Foreman, near Taneytown, at which time they both took in the Kingsdale carnival and expressed themselves as having a wonderful time.

Tigers Forfeit to A's, 9-0

ARENDSVILLE COLLECTS EASY VICTORY IN FINALE

The Taneytown Tigers ended its 1966 season on a sour note as insufficient players showed up to play Sunday at Arendtsville Athletic Field. The local nine could only muster eight ball players Sunday and so the A's, who were fighting for a tie for leadership in the South Penn League, ran off the field with their easiest victory of the year. Manager Bob Fogle perhaps made the quote of the day when he said, "The way the team has gone this year, it's just as well we didn't play."

The game also marked the finale for shortstop Dan "Scooter" Pfoutz, who officially made his last appearance in a Tiger uniform. Dan leaves this week for Cleveland, Ohio, and a position with the Ford Motor Company. "Scooter" has provided many thrills for the home town fans and we all wish him the best of success in the future.

With the future of baseball in Taneytown very much in doubt for next year, the players are all wondering where they will be playing next season.

Next week we'll have the final averages for the team.

THE WAY I SEE IT . . .

Observations on the World of Sports

—John Breth

It hardly seems possible that a six-foot-three, 240-pound slugger can be overlooked. But it has happened this season to first baseman JOHN (BOOG) POWELL of the Baltimore Orioles. The hefty Powell, one of the American League leaders in home runs and runs batted in, has been overshadowed by the Robinson boys — Brooks and Frank — in the Orioles drive toward their first pennant.

At the beginning of the season, there was little reason for Powell to get recognition. After the first month, his batting average was below .200, he was driving in very few runs and he was not producing many homers.

But since then, Powell has been one of the most fearsome hitters in the league. His home runs and runs batted in totals have skyrocketed and his batting average has soared to around the .300 mark.

Despite the surge which has helped the Orioles build a commanding lead in the pennant race, Powell still has had to yield most of the headlines to the Robinsons. He also was ignored on the American League All-Star team. Picked ahead of Powell for first base were rookie George Scott of Boston and Norm Cash of Detroit. Neither Scott nor Cash can match Powell's home run, RBI or batting figures.

Powell's best performance of the season — and probably his career — came on July sixth when he tied an American League record by driving in eleven runs in a doubleheader against Kansas City. Powell's awesome hitting makes him a strong candidate for comeback-of-the-year honors in the American League.

In 1964, he batted .290, with 39 homers and 99 runs batted in. Last year, Powell slumped to .248, with 17 home runs and 72 RBIs.

Powell has no explanation for regaining his batting eye. He says: "I'd be a millionaire if I could say why I hit the ball sometimes and sometimes I don't."

Powell may never be a millionaire, but he could earn a lot of money in baseball if he continues his torrid slugging.

People in baseball today believe that BROOKS ROBINSON, third baseman of the Baltimore Orioles, will rate with the all-time greats at his position by the time he calls it a career.

He is well along to a rating of all-time great even now. Brooks was the standout performer in the recent All-Star game, although playing for the losing side. He also is rated the man to beat in the race for the runs-batted-in championship in the American League.

After the All-Star game, a National League player who used to play in the American League said: "I've been telling the guys in the National that Robinson is the best third baseman I ever saw. Maybe, they'll believe me now."

The most impressive thing about Brooks is the way other players talk about him.

Detroit southpaw Hank Aguirre says: "Brooks Robinson is the best player in baseball. I don't care who you name, Robinson is number one . . . a fantastic guy."

Detroit first baseman, Norm Cash, offered this comment: "There is no way to get him out . . . no way. He oughta be making 135. That's thousands I'm talking about. Put three

zeroes in back of that 135 and a dollar sign in front of it."

Brooks has earned the title of "The Vacuum Cleaner" because of his fielding. At the plate he is a deadly hitter in the clutch.

This is an even numbered year and that means a big season for Brooks, who for some reason has done better in even numbered years than odd-numbered. And he is not a player who dives into many slumps.

Anyway, in 1960 he hit just under .300. He fell off a bit in 1961 but in 1962 he batted .303. In 1963 he dropped 50 points from that average. In 1964 he hit .317 and drove in 118 runs to win the Most Valuable Player award in the American League. Last season that fine average dropped to .297 with 80 runs batted in. He is closing in now on 80 RBIs and with any break of luck will top his personal record of 118 by the time this season goes into the record book.

Today's Sport Laugh — Everyone seems to have a favorite story about the veteran manager of the New York Mets, Casey Stengel. National League umpire Al Forman recalls a game last season when the St. Louis Cardinals were clobbering the Mets. The Met pitcher was a rookie, just up from the minor leagues. Stengel went to the mound to replace the youngster, but the pitcher protested. He said: "Let me pitch to the next batter. I struck him out last time." Stengel replied: "Yes, but that was in this inning."

CARD OF THANKS

We wish to take this opportunity to express our sincere thanks to the Taneytown Fire Company and all other fire companies for their prompt response in fighting our barn fire. We also thank all our friends and neighbors who helped in any way during the fire and later while we were cleaning up the debris. All offers of help were deeply appreciated.

Henry T. Fields
Candidate House of Delegates
INDEPENDENT REPUBLICAN

Born September 2, 1908, Dothan, Alabama, Baptist, attended Public and Parochial Schools, Montgomery, Alabama, High School, Parkersburg, W. Va.; night schools of Baltimore, Md. Married to Edna Madder Porter of Jacksonville, Florida. Have three sons and daughter, Barbara Ann, 20 years experience in field of merchandising for large chain and Baltimore stores and own business.

Builder and developer of Landale Acres, Finksburg Area. Real Estate and other interests; member of Md. HR. National Home Builders Association; Westminster Chamber of Commerce; a conservative Member of Labor.

Unsuccessful candidate for House of Delegates in REPUBLICAN PRIMARY in 1958, made an excellent showing and had the organization candidates running scared until the last vote was counted. Is fully confident that Republican voters will ignore personal differences in primary and vote independently of State Central Committee.

On Reapportionment

Crime centers of Maryland which include the six Legislative Districts of Baltimore are making strong thrust to seize and control the next Maryland Legislature. Allied with Counties adjoining Washington, D. C., Montgomery, Howard and Prince Georges which have become the dumping ground of so liberals and Crime syndicates servicing Washington. The remaining Political subdivisions of the State (20) against started to lose their Political freedom and voice in Md. Legislature.

Mandatory Home Rule

Only MANDATORY HOME RULE will bring about a balance of political power by deleting approximately 75% of Legislative action pertaining to the business of the counties. Will block gerrymandering and horse trading of legislation and give to the counties a sense of pride a wider spread of civic responsibility.

Taxes

The powerful liquor lobby which contains and accounts its power over the Md. Legislature must be forced to share its burden of taxation without passing the cost on to the wholesaler, the dispenser and consumer of alcoholic beverages.

Labor

The rank and file of labor in Md. have become the victims of organized minorities. Union funds are being raided to support those candidates who will bow only to the King makers within labor. The candidate will support a bill similar to the Taft-Hartley Act at the State level calling for audits by State of audits of Union Funds.

The Candidate pledges a humane approach to all problems relating to business, education, health and other items of legislation.

Without Wax

Lesson For September 4, 1966

Background Scripture: Exodus 20:16; Leviticus 19:15; Proverbs 26:18-28; Matthew 12:33-37; Ephesians 4:15, 25, 29-31; James 1:26.
Devotional Reading: Proverbs 26:18-24, 28.

"Sticks and stones may break my bones, but names will never hurt me."

Don't count on it! There are times when names and words may be just as harmful or more than sticks and stones.

A few words on your high school or college record can shape your vocational life. The words, "I do," spoken before a minister or justice of the peace can spell a life-time commitment. The rumor, however untrue, can wreck one's reputation. A few words spoken hastily and in anger may erect a barrier between ourselves and another. Words can be very powerful.

Every Careless Word

It is not surprising then that Jesus drives to the heart of the ninth commandment, "You shall not bear false witness..." when he says: "I tell you, on the day of judgement men will render account for every word they utter." (Matthew 12:36 RSV). Have you ever given serious thought to that warning? My mind is staggered just with the thought of having to sit and listen to the playback of every careless word I've ever spoken. Doesn't it shake you a little to hear Jesus say: "For by your words... you will be condemned?"

In ancient Rome, we are told, when sculptors accidentally chipped their statues, they would often fill in the chipped places with wax that was of the same color as the marble. Honest sculptors who desired to distinguish their works from those filled-in with wax would stamp

their statues with the words sine cera, meaning "without wax." It is from this practice that we have derived our term, sincere. Literally, it means "without wax," or better still: without deception.

Sophisticated Lies

This is exactly the kind of speech which Jesus wanted: without deception. But why be so hard-nosed about little deceptions? He knew full well that when one tries to distinguish between "big" and "little" deceptions, he usually loses his power to determine what is "big" and what is "little." Allow deception to enter a small part of our lives and we soon find that we have learned the dubious art of deceiving ourselves. Falsehood becomes a way of life that is made no less dangerous by the fact that we cover it with a veneer of sophistication. Just as the subtle thief is still a thief, the sophisticated liar is still a liar.

This is particularly true if your business is advertising, public relations, promotion, or propaganda. In these a fair amount of dishonesty is tolerated, even expected. No one takes too seriously the amazing advertising claims. The promises of the politician are not expected to be taken literally. It is assumed that the promotor will exaggerate and the propagandist is taken with a grain of salt. The sophisticated lie is taken for granted.

Truth In Love

So, "You shall not bear false witness," says the commandment. And Jesus adds: "... men will render account for every careless word they utter." The Christian ethic, however, is not only concerned with what one should not speak, but also with what one should speak. The writer of Ephesians terms it "speaking the truth in love" (Ephesians 4:15).

Truth, like human life, sex, and private property, is a gift from God. Its purpose is to help man, not to hurt him. Truth must never be used to destroy others.

This, then, is God's intention for human speech: with love and without wax.

My view on:

ROADS

The system of paved roads in Carroll County must be expanded and improved as much as possible with the revenue available. The Commissioners should closely supervise the operations of the Roads Department to see that waste is avoided. The County should continue to use Federal Aid wherever feasible. Long experience has proven the wisdom of competitive bidding on all major County expenditures.
