DR. JOHN BULL'S

FOR THE CURE OF

Or CHILLS and FEVER,

AND ALL MALARIAL DISEASES: The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and PER-MANENT cure of Ague and Fever, or Chills and Fever, whether of short or long stand-ing. He refers to the entire Western and Southern country to hear him testimony to Care should be exercised in select. all re Southern country to bear him testimeny to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle with three flowers, while others will produce as many as fifty, sixty, and seventy flowers on one stalk. When the object is to provide feed for cattle and fowls, the last variety mentioned will doubtless be found the the patient, however, require a cathartic medicine, after having taken three or four-doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY FILLS will be suf-

# The Wonderful Efficacy of MANDRAKE

Has been so frequently and satisfactorily proven that it seems almost superfluous to say anything more in their favor. The immense and constantly increasing demand for them, both in this and foreign countries, is the best evidence of their value. Their sale to-day in the United States is far greater than any other cathartic medicine. This demand is not spasmodic, it is regular and steady. It is not of to-day or yesterday, it is an increase that has been steadily growing for the last thirty-five years. What are the reasons for this great and growing demand are the reasons for this great and growing demand?

Dr. Schenck? Mandrake Pills contain no mercury, and yet they act with wonderful effect upon the liver. They cleanse the atomach and bowels of all irritating matter, which, if allowed to remain, poisons the blood, and brings on Malaria, Chills and Fever, and many other diseases. They give health and strength to the digestive organs. They creat appetite and give vigor to the whole system. They are in fact the medicine of all others which should be taken in times like the present, when malarial and other epidemics are raging, as they prepare the system to resist attacks of disease of every character. Dr. Schenck's Mandrake Pills are sold by all druggists at 25c, per box, or cent by mail, postpaid, on receipt of price. Dr. Schenck's Bock on Consumption, Liver Complaint and Dyspepsia, in English or German, is sent free to all. Address Dr. J. H. SCHENCK & SON, Philadelphia, Pa.
