WAITING. BY JOHN BURROUGHS.

> Serene I fold my hands and wait, Nor care for wind, or tide, or sea! I rave no more 'gainst time of fate, For lo! my own shall come to me.

I stay my haste, I make delays, For what avails this eager pace? I stand amid the eternal ways,

Asleep, awake, by night or day, The friends I seek are seeking me; No wind can drive my bark astray,

Nor change the tide of destiny. What matter if I stand alone? I wait with joy the coming years; My heart shall reap where it has sown, And garner up its fruit of tears.

The waters know their own and draw The brook that springs in yonder

height, Unto the soul of pure delight.

The tidal wave unto the sea; Nor time, nor space, nor deep, nor high Can keep my own away from me.

You Carry

A whole medicine chest in your pocket, with one box of Ayer's Pills. As they operate directly on the stomach and bowels, they indirectly affect every other organ of the body. When the stomach is out of order, the head is affected, digestion fails, the blood becomes impoverished, and you fall an easy victim to any prevalent disease. Miss M. E. Boyle, of Wilkesbarre, Pa., puts the whole truth in a nutshell, when she says: "I use no other medicine than Ayer's Pills. They are all that any one needs, and just splendid to save money in doctors' bills." Here is an instance of

who lost his medicine chest, but, having at hand a bottle of Ayer's Pills, found himself fully equipped .- J. Arrison, M. D., of San José, Cal., writes:

"Some three years ago, by the merest accident, I was forced, so to speak, to prescribe Ayer's Cathartic Pills for several sick men among a party of engineers in the Sierra Nevada mountains, my medicine chest having been lost in crossing a mountain torrent. I was surprised and delighted at the action of the Pills, so much so, indeed, that I was led to a further trial of them, as well as of your Cherry Pectoral and Sarsaparilla. I have nothing but praise to offer in their favor."

John W. Brown, M. D., of Oceana, W. Va., writes: "I prescribe Ayer's Pills in my practice, and find them excellent.

I urge their general use in families." T. E. Hastings, M. D., of Baltimore, Md., writes: "That Ayer's Pills do control and cure the complaints for which they are designed, is as conclusively proven to me as anything possibly can be: They are the best cathartic and aperient within the reach of the profession.

Home Evidence

No other preparation has won success at home equal to Hood's Sarsaparilla. In Lowell, Mass., where it is made, it is now, as it has been for years, the leading medicine for purifying the blood, and toning and strengthening the system. This "good name at home" is "a tower of strength abroad." It would require a volume People to print all Lowell people

have said in favor of Hood's of Sarsaparilla. Mr. Albert Lowell Estes, living at 28 East Pine Street, Lowell, for 15 years employed as boss carpenter by J. W. Bennett, president of the Erie Telephone Company, had a large running sore come on his leg, which troubled him a year, when he began to take Hood's Sarsaparilla. The sore soon grew less in size, and in a short time disappeared.

Jos. Dunphy, 214 Cen-Praise tral Street, Lowell, had swellings and lumps Hood's on his face and neck, which Hood's Sarsaparilla rilla completely cured.

Mrs. C. W. Marriott, wife of the First Assistant Fire Engineer of Lowell, says that for 16 years she was troubled with stomach disorder and sick headache, which nothing relieved. The attacks came on every fortnight, when she was obliged to take her bed, was unable to endure any noise. She took Hood's Sarsaparilla, and after a time the attacks ceased entirely. Many more might be given had we room.
