NEVER MIND.

What's the use of always fretting At the trials we shall find Ever strewn along our pathway? Travel on and never mind.

Travel onward, working, hoping, Cast no lingering look behind At the trials once encountered-Look ahead and never mind.

What is past is past forever, Let all fretting be resigned; It will never help the matter-Do your best and never mind.

And if those who might befriend you, Whom the ties of nature bind, Should refuse to do their duty, Look to Heaven and never mind.

Friendly words are often spoken, When the feelings are unkind; Take them for their real value, Pass them by and never mind.

Fates may threaten, clouds may lower, Enemies may be combined; If your trust in God is steadfast, He will help you, never mind.

Martyrs to Headache

Seek relief in vain, until they begin to use Ayer's Sarsaparilla. Then they regret the years of suffering they might have escaped had they tried this remedy earlier. The trouble was constitutional not local; and, until Ayer's Sarsaparilla did its effective work as an Alterative and Blood Purifier, they were compelled to suffer.

The wife of Samuel Page, 21 Austin st., Lowell, Mass., was, for a long time, subject to severe headaches, the result of stomach and liver disorders. A perfect cure has been effected by Ayer's

"I suffered from headache, indigestion, and debility, and was hardly able to drag myself about the house," writes Mrs. M. M. Lewis, of A st., Lowell, Mass. "Ayer's Sarsaparilla has worked a marvelous change in my case. I now feel strong and well as ever."

Jonas Garman, Esq., of Lykins, Pa, writes: "For years I have suffered dreadfully, every Spring, from headache, caused by impurity of the blood and bilousness. It seemed for days and weeks that my head would split open. Nothing relieved me till I took Ayer's Sarsaparilla. This medicine has cured me completely."

when Mrs. Genevra Belanger, of 24 Bridge st., Springfield, Mass., began to use Ayer's Sarsaparilla, she had suffered for some years from a serious affection of the kidneys. Every Spring, also, she was afflicted with headache, loss of appetite, and indigestion. A friend persuaded her to use Ayer's Sarsaparilla, which benefited her wonderfully. Her health is now perfect. Dogs That Learn Trades,

The dog corps, long since established in the French army, has been recently much increased, so efficient have these little soldiers become. At an early stage of the trials they gave satisfaction as advanced posts, scenting or hearing a stranger approaching even in the darkness, and quickly learning the difference between a friendly and a foreign uniform. The latest trick the military dog has learned is that of carrying dispatches between distant sections of an army or reliefs or reinforcements presumably advancing through hostile country. Scribner's Magazine

The publishers of Scribner's Magazine aim to make it the most popular and enterprising of periodicals, while at all times preserving its high literary character. 25,000 new readers have been drawn to it during the past six months by the increased excellence of its contents (notably the Railway articles), and it closes its second year with a new im

petus and an assured success. The illustrations will show some new effects, and nothing to make Scribner's Magazine attractive and interesting will be neglected. THE RAILROAD ARTICLES will be Oh!
