To Farmers and Land Owners :- The advantages of and profits derived from draining low and marshy land are too well known to need any comment. As the use of drain tiles has been proved to be the most effective as well as the cheapest method of draining, I respectfully solict the patronage of all persons contemplating such improvements. My tiles are also excellent for cellar drains. Price lists on application. JOHN M. STOUTER, aug 7-v Emmitsburg, Md.

 ELY BROTHERS, 56 Warren St. New York WE TELL YOU Le Highfield, 11 25 7 17 nothing new when we state that it pays to engage in a permanent, most healthy and pleasant busi-ness, that returns a profit for every day's work. Such is the business we offer the working class. We teach them how to make money rapidly, and guarantee every one who follows our instructions faithfully the making of \$300.00 a month. The state of the state of the state of the state and the state of the state of the state of the state and the state of the state of the state of the state are doing it, and yon, reader, can do the same. This is the best paying business that you have ever had the chance to secure. You will make a grave mistake if you fail to give it a trial at once. If you grasp the situation, and act quickly, you will directly find yourself in a most prosperous business, at which you can surely make and save large sams of money. The results of only a few hoars' work will often equal a week's wages. Whether you are old or young, man or woman, it makes an difference, — do as we tell you, and sue cess will meet you at the very start. Neither experience or capital necessary.
