for Infants and Children.

HIRTY years' observation of Castoria with the patronage of millions of persons, permit us to speak of it without guessing.

It is unquestionably the best remedy for Infants and Children the world has ever known. It is harmless. Children like it. It gives them health. It will save their lives. In it Mothers have something which is absolutely safe and practically perfect as a child's medicine.

Castoria destroys Worms.

- Castoria alleys Feverishness.
- Castoria prevents vomiting Sour Curd.
- Castoria cures Diarrhes and Wind Colic.
- Castoria relieves Teething Troubles.
- Castoria cures Constipation and Flatulency.

Castoria neutralizes the effects of carbonic acid gas or poisonous air. Castoria does not contain morphine, opium, or other narcotic property. Castoria assimilates the food, regulates the stomach and bowels,

giving healthy and natural sleep.

Castoria is put up in one-size bottles only. It is not sold in bulk. Don't allow any one to sell you anything else on the plea or promise

that it is "just as good " and " will answer overy purpose." See that you get C-A-S-T-O-R-I-A.

A Little Dry, But-

The Rev. Mr. Psalmjones was not feeling as well as usual, the church was cold, and some of the big boys near the door undertook to enliven matters by coughing in chorus and throwing in now and then a stariling imitation of a sneeze. The preacher stood it patiently a few minutes, and then paused in his discourse long enough to say: "If 1 hear any more of that noise back there, young men, I'll walk you out of this building, one by one, or all in a bunch. I ain't very particular which. I've had dealings with fellows of your stripe dozens of times, and I know how to manage 'em. Now, you quiet down mighty quick or there'll be trouble." A deathlike stillness pervaded the church. He waited a moment to let it take effect. \* I know I'm a little dry this morning, brethren," he said, "but I'm not so dry that anybody can rattle me. The text says in the third place"--etc.-Chicago Tribune.
