cures the most obstinate cases of kidney and bladder diseases.

It supplies the kidneys with the substances they need to build up the worn out tissues.

It will cure Bright's Disease and Diabetes if taken in time, and a slight disorder yields readily to the wonderful curative power of this great medicine.

It sooths and heals the urinary organs and invigorates the whole system. If your kidneys are deranged, commence by taking

at once. It will make you well.

A Physician Healed, Now Prescribes It Dally Dr. Geo. Ewing, a practicing physician at Smith's Grove, Ky., for over thirty years, writes his personal experience with FOLEY'S KIDNEY CURE: "For years I have been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use FOLEY'S KIDNEY CURE. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles, for I can honestly state I have prescribed it in hundreds of cases with perfect success."

Had to Get Up Several Times Every Night Mr. F. Arnold, Arnold, Ia., writes: "I was troubled with kidney disease about three years. I was nervous and all run down, and had to get up several times during the night, but three bottles of FOLEY'S KIDNEY CURE effected a complete cure. I feel better than I ever did and recommend it to my friends."

## Eugene Field's

Views on Ambition and Dyspepsia.

"Dyspepsia," wrote Eugene Field, "often incapacitates a man for endeavor and sometimes extinguishes the fire of ambition." Though great despite his complaint Field suffered from indigestion all his life. A weak, tired stomach can't digest your food. It needs rest. You can only rest it by the use of a preparation like Kodol, which reliaves it of work by digesting your food. lieves it of work by digesting your food.

Rest soon result.
