## K. OF C COUNCIL INSTI- TUTED IN EMMITSBURG

Visiting Members and Their Families  
Come From Various Cities.—Forty-  
Two Receive Degrees.

Sunday was a solemn and yet a gala day for the Catholics of Emmitsburg. It was the occasion of the institution of a local council of the Knights of Columbus by District Deputy Harry F. Burkhardt, of Frederick. The members composing the new council, which was named after Bishop Brute' whose name is a synonym for Mt. St. Mary's were from Emmitsburg and vicinity and Taneytown and transferred members from Frederick, Baltimore and Hanover.

In the presence of a large number of Knights from Washington, Baltimore, Hagerstown, Frederick and other places, over five hundred in all—the solemn ceremony of institution was observed. Three degrees of Knighthood were conferred after the morning Mass which was offered by Rev. Father Gallagher, of Mount St. Mary's College, the first at 10 a. m., by Hagerstown Council, immediately followed by the second degree, conferred by St. John's Council, Frederick. These two degrees were conferred in St. Euphemia's Hall. Dinner was served from 11 a. m., to 2 p. m.

The third degree was conferred in the Gymnasium at Mount St. Mary's College at 3 P. M., by Joseph H. Smith and a degree staff from Washington and Baltimore. Following this the candidates were knighted by District Deputy Burkhardt, State Deputy Edgar N. Gansster and District Deputy Frederick R. Ulrich.

Those who received the three degrees were: Rev. J. O. Hayden, C. M., Rev. Charles B. Malony; Messrs. Basil Sanders, J. Warren Gelwicks, Francis Robert Long, Joseph Dwen Adelsberger, John E. Smith, J. Albert Saffer, Thornton W. Rogers, Louis H. Callahan, Robert M. Burdner, J. Alan Gelwicks, James McGreevy, J. Ward Kerrigan, Francis X. Elder, C. Edgar Dukehart, Cyril F. Rotering, Joseph Webb Felix, Maurice A. Topper, Guy J. Topper, P. J. Harting, J. Lester Topper, William F. Zurgable, C. C. Rotering, Harry S. Boyle, Samuel H. Sanders, Robert V. Kerrigan, George F. Eckenrode, I. H. Lingg, Edwin Chrismer, John H. Rospesteel, Edgar G. Humerick, of Emmitsburg; William A. Myers, Pius Leo Hemler, Edward L. Myers, Joseph Bernard Elliott, Theodore Augustus Classon, James C. Myers, Edmund F. Smith, Edwin P. Myers, Howard P. Miller, of Taneytown. The following transferred members are: Messrs. Robert F. Rider, Charles F. Wachter, J. Clarence Sanders, Joseph L. Myers, Dr. B. I. Jamison, from St. John's Council Frederick; F. Harry Gross and Prof. E. G. Theroux from Baltimore; D. H. Guise from Hanover.

Brute' Council owes its existence to the interest and the efforts of District Deputy Harry F. Burkhardt, who with a committee consisting of W. Clinton McSherry, Harry G. Dorsey, Joseph L. Houff, George S. Rodock, George F. Topper, Thomas J. Walsh and John McT. Wilson planned the new organization.

A special meeting of the new council will be held next Sunday, December 17, when officers will be elected and installed by Deputy Burkhardt, assisted by District Warden Joseph L. Houff. The full ritualist ceremony will be used.

## Lewis Has Phone Plan.

Representative David J. Lewis, of Maryland, advocate of public ownership of all wire communications, Tuesday introduced in the House a bill for the Government purchase of the telephone system of Washington and for its operation as a part of the postal system. Two reasons for this proposal are cited by Mr. Lewis as follows:

First. Washington is the ideal place in which to test out the claims of the Postoffice Department that it can greatly cheapen and extend the telephone service.

Second. Experiments could be made for the development of the parcel post as a food-products conveyer from the rural producer to the city consumer. A low night rate between Washington and the farmers in Maryland and Virginia could be established, which would permit the city consumer to directly negotiate with the farmer for the shipment of food products by parcel post.

## Dispute Over Road.

A dispute has arisen over the Frederick county road from Walkersville to the Emmitsburg state road by way of Biggs Ford bridge, in which it is charged that some of the abutting property owners will not pay their proportionate share of the cost. It is said that some persons own a mile of land along the improved road and have failed to pay their share of the expense.

## FROM THE COUNTY.

A revised estimate of the damage of the fire at the Brunswick transfer-shed last Thursday morning places the loss in the neighborhood of \$65,000. It is understood that much of the damage is covered by insurance. While the origin of the blaze is still a mystery it is believed by many to have been started by spontaneous combustion.

In the recent corn, potato, poultry, pig and meat contests held in Frederick county, the boys of Middletown made a clean sweep of all the prizes, according to a complete list of them just announced. The prizes in all aggregated \$150. Of this amount \$100 was offered by the Central Trust Company of Frederick city and \$50 was offered by the Valley Savings Bank of Middletown. In the Home State Tour contest, a Middletown boy also won out in the person of Earl Ahalt, who recently returned from his trip to the Eastern Shore.

J. B. Waters, of Frederick, was named one of the two assistant managers of the Washington and Lee Football team for 1917. The election of officers of the team was made Friday.

The first annual Frederick county poultry show will be held in Company A Armory, Thursday, Friday and Saturday, December 28, 29 and 30, of Christmas week, afternoon and night. It is the idea of those in charge of the exhibit to make this an annual affair. Many of the large cities hold mid-winter poultry shows.

The raising of a million dollar endowment fund, for the benefit of the colleges, schools and seminaries of the Reformed Church, will be the special commemoration shown by the church at the anniversary of the four hundredth anniversary of the Reformation. The matter was planned and discussed at a special meeting of the Maryland Class held Monday afternoon at 1 o'clock at the Grace Reformed church, Frederick.

The semi-annual meeting of the Maryland Holstein-Friesian Breeders' Club was held at the New City Hotel, Frederick, Wednesday night, followed by a banquet. Representatives of Holstein associations from Washington and all over the State, including President John B. Diamond, Jr., of Gaithersburg, Montgomery county, and many strangers from the District of Columbia, and other States were present.

The \$25,000 damage suit of William Bowers, son of former Clerk of the Frederick County Court Harry W. Bowers, against his mother-in-law, Mrs. Nannie E. Helfenstein, for alienation of his wife's affections has been docketed for trial on January 5. The plaintiff alleges that his mother-in-law was responsible for his separation from his wife. The bill recites that they eloped to Hagerstown and were married and were about to begin housekeeping in a flat in Frederick when the mother-in-law interfered and induced Mrs. Bowers to change her plans.

## For County Commissioner.

The first formal announcement of a candidate for nomination at the next Primary for the office of County Commissioner comes from R. L. Troxell, of Emmitsburg. Mr. Troxell has consented to become a candidate only upon the urgent solicitation of a large number of his friends. These know, as do the people of this section generally, that when it comes to making roads Robert L. Troxell is sure to do the proper thing, the practical thing, and for the least possible expenditure to the people. That is why so many have urged him to run. The demand, Mr. Troxell's friends say, is for a man who will devote his best energies to the office, one who will be "on the job" all the time and see, as they put it, that each dollar spent "makes a dollar." As these are the views of Mr. Troxell himself the demand can easily be supplied, and one would have to go a long way to find any person willing to give it as his own opinion that Mr. Troxell would not make an excellent County Commissioner.

## Politics Of The Justices.

At the present time the United States Supreme Court is divided as evenly as it can be between the parties, at five to four. The Republicans are Joseph McKenna, Oliver Wendell Holmes, William R. Day, Willis Van Devanter and Mahlon Pitney; the Democrats are Edward D. White, James C. McReynolds, Louis D. Brandeis and John H. Clarke.

In all human probability Mr. Wilson will be called upon at appoint a number of justices in the next four years. He has already appointed the three Democrats last named. Chief Justice White was born in 1845, Mr. McKenna in 1843 and Mr. Holmes in 1841. They are all eligible to retirement on pay, and Mr. Day, who is 63, is not a well man.

If Mr. Hughes remained on the bench he would have stood a fair chance of being the next Chief Justice, but that is another story. The likelihood is that President Wilson will give the august tribunal a Democratic majority before his term is out.—Providence Journal.

## FRIDAY NIGHT'S PARADE WAS A GREAT SUCCESS

Emmitsburg Was Thronged With Visitors The Entire Evening.—Floats, Autos, Etc., Were Gaily Trimmed For The Occasion.

Well, it came off and it was a good one—the parade last Friday night in honor of the reelection of President Wilson. It was not as pretentious as the one four years ago nor was it intended to be, but, to repeat, it was a good one and all enjoyed themselves, those who took part and those who looked on.

There was not very much said about it previous to its being "pulled off" and many did not come on that account—they were not positively certain about it. What could have been done with more people, though, it would be hard to imagine, for the town was literally packed; men, women and children were everywhere. They came early and stayed late and they all enjoyed themselves. Before the parade started both sides of Main Street were lined with motor cars and teams and the younger element, out for a good time, promenade from one end of the town to the other.

In the morning there were inquiries on all sides: "Are they going to have it?" "Will there be a parade?" The answer "Yes" came strong and the people got busy. First one flag, then another, a small house and then a large one was decorated and by evening bunting, Japanese lanterns and all kinds of festoons were visible. When dark came on the illumination began; auto search lights played up and down the streets, window shades were raised and there was a continuous stream of brilliancy coming from everywhere.

There were all kinds of floats and features; there were motor cars galore, numberless horsemen and pedestrians in unique and grotesque costume. Great originality was evident in the parade and the younger men responsible for the creations deserve much credit.

The line of march was from the Grain Elevator on Frederick street, up Frederick street to the Fountain, down East Main street to Lover's Lane, to Greene street, down Gettysburg street to the North side of the Fountain, West on Main street to the New Slagle Hotel, East on Main street to the Public Square.

## Features In Parade.

Promptly at 8 o'clock the procession started with Edward Oden, mounted on one of the finest looking animals seen in this district for a long time, as grand-marshal. Oden, by the way, sat his horse like a riding master and looked every inch a Marshall. Immediately behind him was the Emmitt Cornet Band an organization which does credit to Emmitsburg and of which the town is justly proud. Gaily decorated automobiles followed—a never ending line of them, it seemed, occupied by the fair sex (and the parade had some beauties in it too.) Space does not permit the enumeration of all the features and the following are mentioned as having called forth special commendation:

The eight-horse float of B. P. Ogle, profusely decorated and in which rode about fifty school children; The Eyer float, also profusely decorated; The original creation of William Rosensteel (Continued on page 4.)

## A MERCILESS JUDGE.

### One Who Shows No Favor.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Hagerstown resident has withstood the sternest of all tests.

Mrs. A. Harrison, 325 Liberty St., Hagerstown, Md., says: "I had a very bad back, which pained me persistently. I couldn't sleep, no matter how tired I was, on account of the misery and pain across my back. I could do little bending but what my back pained me and I couldn't do my housework. The passages of the kidney secretions were annoying. Doan's Kidney Pills cured me."

**OVER TWO YEARS LATER,** Mrs. Harrison said: "I am glad to confirm my former endorsement of Doan's Kidney Pills."

## A New Factory Here?

Several weeks ago H. C. Hazard, of Wise Bros. Inc., Baltimore, came to Emmitsburg to "look things over" with the idea of establishing a local branch of their Overall factory. Monday Mr. Hazard returned, accompanied by his head machinist and his electric boss, and went into further detail respecting rentals, power and operators.

Although nothing definite was determined upon on Monday, Mr. Hazard indicated that the situation looked very bright for a plant here. He has several buildings under consideration and it is understood that if sufficient girl operators can be had the factory will be a "go."

In order to facilitate the filing of applications all who desire positions may leave their names at The Chronicle Office.

OPENING GAME TO MOUNTAIN QUINT Defeat Polytechnic Five By Score Of 22 to 19. Mount St. Mary's College basketball team defeated the Baltimore Polytechnic five in a closely contested game at Emmitsburg Saturday, 22 to 19. The visitors played a strong defensive game and outplayed the home team in the last period. The game clearly showed lack of practice on the part of the Mountain team, as the quint had not been together previous to Saturday's contest. Their passing and shooting were off color and many times during the game they missed easy goals. The lineup: Mount St. Mary's—Boyle, rf.; Crilly, lf.; Cashman, c.; Royer, rg.; Sheridan, lg. Poly—Earle, rf.; McElfresh, lf.; Roberts, c.; Wood, rg.; Baker, lg. Substitutions: Mount St. Mary's—Carney for Crillin, Chapman for Royer. Poly—Watson for McElfresh. Goals—Boyle (6.) Roberts (5.) Sheridan (2.) Earle (2.) Baker. Fouls—Roberts (3.) Crilly (2.) Referee—Derr, of Frederick. Timer—Rice, Mount St. Mary's and Robinson, Poly. Time of periods—Twenty minutes.

Basketball Schedule. The remaining games on the basketball schedule of Mt. St. Mary's College are as follows: Pennsylvania Forestry, December 15; Maryland School, January 8; Gettysburg, January 13; Lebanon Valley, January 19; Albright (pending) January 31; St. John's, February 3; Susquehanna February 7; Loyola, February 10; Temple (pending) February 13; Gettysburg, February 17; Bucknell, February 20; Hopkins (pending,) February 24; Loyola, March 1. Other games pending with Western Maryland, Delaware, Davis and Elkins.

Danger Signal. If the fire bell should ring would you run and stop it or go and help to put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should no more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Beeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere. \*\*Advertisement. dec. 1 lmo.

Confer On Farm Agent. Prof. T. B. Symons, of the Maryland State College of Agriculture, came to Frederick Tuesday and conferred with the county commissioners about the appointment of a farm agent for Frederick county. No one was named for the place by the commissioners, this matter being left to Prof. Symons, who will make the selection. A delegation appeared before the commissioners at the same time Prof. Symons was present. Several of those there urged that Prof. P. A. Hauer, the present agricultural teacher at the Boys' High School, be given the place. It was pointed out that he has accomplished much since coming to this county and that he would make an admirable demonstration agent.

VALLEY ECHOES. The annual Christmas play, given by the freshman, assisted by the sophomores, has been postponed from December seventeenth until January sixth. This play is an important event of the Christmas season and is always enjoyed by the student body.

The first snow of the season fell in the Valley Monday night clothing the stately trees and rolling campus in a robe of purity appropriate for the octave of the Feast of December eighth. Sleighrides and snowballing were the chief source of enjoyment as many of the students had never witnessed a snow storm or indulged its aftermath.

The members of the college, academy and preparatory departments of Saint Joseph's are anticipating in rosy tinged reveries the delights of yuletide. The spirit of Christmas so long concealed in the lingering autumn is borne dauntlessly forth by the snow capped frost king who jingles joy bells in every heart. The approaching holidays will extend from December twentieth to January third inclusive.

The annual charity fair with its concomitant delights was held yesterday. The artistic decorations and unique method of arrangement were loud proclamations of the extraordinary talents of the youthful managers, the fourth academics. Dancing was enjoyed during the course of the evening, for light hearts aid light feet. The financial returns have not been officially registered but they are thought to be exceptionally good.

The solemn high Mass on the feast of the Immaculate Conception was celebrated by Rev. Eugene Maloney, C. M., chaplain of the college, assisted by deacon, sub-deacon and master of ceremonies from Mt. St. Mary's College. In the afternoon a formal reception of the Children of Mary and Aspirants was held. Rev. J. O. Hayden, C. M., officiated and delivered an inspiring sermon.

Recent additions to the academic department are Misses Maria Louise Barsto; Linden, Md., and Ozra and Doris Duffy, Baltimore. Now, as the first term of school nears its end, is an opportune time to matriculate for the second semester. The holidays will scarcely be over when the exams come in order, then begins the second lap of the course. Make your applications early! It is sincerely hoped that the alumnae will make efforts to secure pupils and thus enlarge the number of St. Joseph's college and academy.

Madame Eugenie Guerin, a French actress, gave a brilliant lecture on Marie Antoinette, last Tuesday night. Madame Guerin delivered the lecture in exquisite French, donning throughout the evening several attractive costumes to impersonate Marie Antoinette in the various scenes of this ill-fated queen's life. Madame Guerin's young daughter assisted in the presentation, appearing as a contemporary character. Madame Guerin's enunciation was perfect, her gestures graceful and the tonite ensemble worthy of a veritable artist. The students of the Valley entertain the hope of seeing her in the spring.

The advanced chemistry class extended their knowledge of science by an observational visit to the laboratory at Mt. St. Mary's, Saturday, a visit from which less fortunate students expect prodigious results. The members displayed an enthusiasm in all the investigations which bespoke familiarity and intellectual grasp of the subject unusual in the feminine sex. Qualitative analysis must be a fascinating syren or these young ladies would never devote so many valuable hours in its study. The investigation was thorough, both laboratories, the physical and the biological received a due share of attention.

The December eight concert given under the auspices of the Children of Mary took place last Sunday evening. The piano and vocal soli were apropos to the occasion. The charm of the evening was greatly enhanced by the white gowns and blue ribbons, the insignia of membership. The vocal number rendered by Miss Major Miller, Ave Maria, Kahn, with violin obligato by Miss Nan Miller, was much appreciated. Miss Alice Barry who made her debut in "Dawn Skies" by Drummond gives promise of a sweet voice. The climax of the evening was a violin solo "Andante Religioso," Thome, by Miss Nan Miller.

FREDERICK COUNTY.

Frederick is next to the largest of the counties of Maryland. In population and wealth it ranks next to Baltimore county.

EMMITSBURG.

In all Western Maryland—the beauty spot and the garden spot of the State—there is no town more attractive than Emmitsburg.

THE WAY OF THE FOOL.

Not a few look upon life as a three-ring circus to which there is no admission fee. What is life if it is not for pleasure?

SYMBOLISM.

In the rush and tear of modern life, men heed at times only the utilitarian. If there is something to be acquired they are ever on the alert, ever pursuing that elusive but all-potent gain.

RED CROSS SEALS.

The work being done by the scholars of the Public School in the sale of Red Cross Seals, and the encouragement of the people of Emmitsburg are giving these enthusiastic helpers in the campaign against tuberculosis, are to be commended.

BEING YOUNG.

There are lots of old young men in the world and, thank heaven, a good many young old men. Isn't it refreshing to come into contact with the latter?

FIGHTING Over Spuds.

No, this is not war news. Spuds is not a Roumanian city; it means potatoes—the kind grandmother used to cook.

SAYS "The People,"

published at Snow Hill, "This is a newspaper not only for white people, but for the intelligent people who are able to do their own thinking and voting."

CHRISTMAS comes but once a year

and it has the same number of shopping days preceding it every time. Some don't seem to realize this, though.

ECCENTRIC trains are more and more a feature of evening gowns.

—And also of certain railroads.

BETTER Laws Are Needed to Protect Ducks.

—Also a few more might be enacted to protect "chickens."

ATTENTION of Prohibitionists.

"No dry law will prevent you from putting punch into your every-day work."

MUCH of the discord in the world is made by the people who harp on one string.

—Not on a Eukelele, either.

cause me in my pursuit of pleasure."

But what is the inevitable fate of the believer in and the follower of that creed? Life gives an answer every day.

REMEMBER it is Christmas spirit, not spirits.
