A once-in-a-lifetime opportunity will be offered the citizens of this community and surrounding area to witness a great classic when the Baltimore Symphony Orchestra journeys to Emmitsburg on February 11 to participate in a combined concert with the Mt. St. Mary's College Glee Club. Quite a number of music lovers have never had the opportunity to witness in person, a great symphony orchestra, having limited their listening pleasure and education, to recordings. Here is a grand opportunity to see the inner functions of a classical orchestra and watch the members and leader perform. This will be the first time, in my recollection, that such a renowned and prominent musical aggregation has honored the town by its presence in person. To be influential enough to persuade such an outstanding musical group to play a small town is quite an achievement and a real credit to the college officials, and the director of the Glee Club, Father Shaum, its conductor. Incidentally, the college's choral group is presently observing its tenth anniversary and the presence of the Baltimore Symphony Orchestra in Emmitsburg unquestionably will be the highlight of the anniversary year.

A cordial invitation is extended to the citizens of this community to attend this outstanding concert and to witness a truly great performance by one of the nation's most qualified musical groups. You'll probably never again have the honor and pleasure of hearing or seeing such a musical presentation in this small town. See you there?

The prolonged cold spell has proved a bonanza to fuel dealers throughout the nation. Estimates show that homeowners spent about 30% more this winter for fuel than last year. Very few days of the past several weeks has the temperature been above the freezing mark of 32 degrees and there is no relief in sight as yet. We still have at least two more winter months ahead of us and a period in which we can expect almost any kind of weather. . . unless Mr. Groundhog gives us cheerful news next Monday when he snaps out of his hibernation. Oh well, just thinking about the groundhog legend makes us a bit more cheerful knowing that we have six or eight more weeks of this type of weather ahead of us.

For those of you who like to dance and especially to tunes of a decade or two ago, there will be a grand opportunity to have a pleasant evening of dancing to your favorite tunes Saturday night when the polio benefit dance will be held in the local VFW annex. Quite a number of the folks who attended the affair last year remarked how they enjoyed themselves and are planning to attend again Saturday evening. With the weather the way it is you can have a lot of fun right here in town without having to drive a number of miles in search of entertainment. Why not make up a party of your friends and attend this affair which will benefit the March of Dimes drive here?

Girls' 4-H Club Meeting Held

The regular meeting of the Emmitsburg Girls' 4-H Club was held Wednesday evening in the Emmitsburg High School. After the business meeting, the girls were shown two movies—one on the use of proper lighting and the other on the manufacture and use of glassware. A demonstration on hand stitching was given by Marlene Plunkett and one on preparing a salad by Carolyn Umbel. Betsy O'Melveny was in charge of refreshments.

Conduct Service

The MYF of Trinity Methodist Church had charge of the worship service on January 25. Those that took part in the service were Steve Wilhide, Pat Zimmerman, Janet Hardman, Billy Zimmerman, Charlotte Hardman, Barbara Hardman, Frances Hardman, Bob Zimmerman and Carlos Englar, Jr.

Vincent Topper, Harrisburg, visited over the weekend with his mother, Mrs. Guy Topper.

PTA Urged To Support Teacher Raise

Heisley Corum, legislative committee of the Frederick County Council of PTAs was the principal speaker at the monthly meeting of Emmitsburg Public School PTA held in the school cafeteria Wednesday, approximately sixty members in attendance.

The speaker cited the urgency of additional compensation for the state teachers and drew a comparison of existing inequities with neighboring states. He urged every member to write or wire members of the State Legislature, and the Governor, urging supplementary appropriations which would raise teachers' salaries. Following Mr. Corum's talk, a question and answer period was held.

Vice President Daniel Naill presided over the meeting in the absence of President Guy Krom. The reports of the secretary and treasurer were approved as presented. A communication was read announcing a workshop to be held in West Frederick Junior High School on February 12. The workshop will delve into problems facing parent-teacher groups and reservations will be required for those wishing to attend the workshop. Reservations must be established by February 7.

A committee report on freshman agriculture for the school was given. The report indicated the committee was still in investigation.

The group, after a lengthy discussion, decided to form a permanent committee to act more-or-less as a "watchdog" board over any action that would jeopardize the existence of the local senior high school. The committee will report all activities of this nature to the PTA and keep it fully informed of action taken by the Board of Education. According to the consensus of the group, it is believed that if any consolidation move develops, it would be more agreeable to erect a new building half way between Emmitsburg and Thurmont, rather than a direct consolidation with the Thurmont school. The committee will be announced at a later meeting.

The speaker was introduced by Mrs. Harry Scott whose room also was awarded the attendance banner for the ensuing month. Following adjournment, refreshments were served.

ENGAGED

Mr. and Mrs. Denzil J. Hash, of near Emmitsburg, announces the engagement of their daughter, Lola Ruth, to A/2C Lee H. Hewitt, son of Mr. and Mrs. Melvin J. Hewitt, Thurmont.

Miss Hash is a member of the junior class at Thurmont High School. A/2C Hewitt is a graduate of Thurmont High School, class of '57, and is stationed at Charleston Air Force Base, S. C. No date has been set for the wedding.

Alumni Dance

A Valentine Dance sponsored by the Emmitsburg High School Alumni Association will be held Friday, February 6, 1959, from 9 to 12 p. m. at the Emmitsburg VFW Annex on West Main St.

Entertainment will be provided by Phil Young and his orchestra from Chambersburg, Pa.

Tickets for the dance are on sale and may be obtained in advance from members of the Alumni Association. Tickets also will be on sale the night of the dance. Come and bring your friends for a fine evening of entertainment.

Plan Pilgrimage

The Catholic Daughters of Frederick, announce a planned pilgrimage to Our Lady of Lourdes Grotto, Mt. St. Mary's College, Emmitsburg, on Sunday, February 8. The shrine is the oldest replica of the original at Lourdes, France, in the United States.

Mission House Razed

Word has been received here that the Oblate Mission House, Tweksbury, Mass., was completely razed by fire this week. Brother Earl Wetzel, O.M.I., a native Emmitsburgian, is stationed at the house. It was reported that all occupants escaped the building unharmed by the devastating fire.

The members of the Sodality of the Blessed Virgin of St. Anthony's Church held a banquet at Fitzgerald's Inn on Thursday evening. Fifty-eight members attended.

Appearance Here of Baltimore Symphony Will Highlight Anniversary Observances

Plans have been completed to bring the Baltimore Symphony Orchestra to Mount Saint. Mary's College by the Glee Club as part of their 10th anniversary celebration. The program will be presented in Memorial Gym, Wednesday, February 11 at 8:30 p. m. A program that includes the classical and the popular will be heard and is directed to a young listening audience. Every effort has been made to induce elementary and high school students to hear a symphony here in their own locale. The Strauss waltz, 'The Beautiful Blue Danube'—the hit song from South Pacific, 'There

is Nothin' Like A Dame,' and tunes from the Romberg operettas are on the program. James Kleindienst, glee club president, will be the tenor soloist for Romberg's, 'The Desert Song' and 'Golden Days.' The gala evening will be climaxed with a stirring presentation of the patriotic work,

Thompson's, 'The Testament of Freedom.' The eighty-five piece orchestra will be under the direction of Remo Bolognini. Tickets may be obtained by calling Father Shaum at the college or at the door the evening of the concert.

Objects To Local Acts Of Vandalism

Editor, Emmitsburg Chronicle:

During the past year you have fought the needless destruction of property around the local ball field. The stands now are broken and the doors and windows of the dugouts are in need of repair. Now this destruction has moved south. The windows of the local Scout house were shot out with BB guns this past week. Screens have been pulled away from the building and it has been broken into several times in the past year. Yes, the scouts have broken out a few by accident in the past and each scout knows it's his duty to replace these. But now, some of the money collected by dues and activities for buying tents and summer camp equipment must be used to put in wooden shutters, window glass and other needed repairs.

I would like to appeal to the parents of youths who have BB guns to teach them its proper use and respect of property. Also, if the boys who held that shooting party read this letter, please send your money to replace the broken windows to: Troop 264, Boy Scouts of America, Emmitsburg, Md. With these last 11 broken windows, our fall and winter total is now about 20 windows which were broken out by unknown persons.

J. E. Houck, Scoutmaster

Mrs. Geo. Eyster Is Hostess To Homemakers

The Emmitsburg Homemakers Club met at the home of Mrs. George Eyster on Jan. 23 at 1:30 p. m. The president, Mrs. Robert Fite, opened the meeting with the American Creed and the Lord's Prayer. "Onward Christian Soldiers" was sung.

It was reported that 31 members are on the active list.

The club went on record not to pay any bills except by a majority vote of members. The Director's report was read by Mrs. Kerrigan.

These Homemakers helped with the Lions Club Christmas Party, Dec. 24. Mrs. Fiery made sandwiches at home. Mrs. Fuss, Mrs. Zentz, Mrs. F. Hardman, Mrs. Carrie Fuss Long and Mrs. Lindsey at the party.

Mr. Crickenberger, local CD Director, asked each member to prepare a shelter. Mrs. Beale, Health and Safety chairman, will find out about proper ventilation.

Hostesses for the next five meetings were appointed. Miss Fehr will be with us in April, Mrs. Paul Beale, hostess.

Some members will send periodicals to an electronic student in Kerala, India. Mrs. Kenneth Wagaman will conduct classes in tailoring open to the public. If you are experienced in sewing, and would like advanced training, phone Mrs. Wagaman at HI. 7-4795. The date and place will be announced later.

The February meeting will be at the home of Mrs. Kenneth Wagaman, February 26 at 1:30 p. m. Mrs. Robert Marshall, co-hostess.

BIRTHS

Mr. and Mrs. John B. Ott Jr., Thurmont R2, daughter, Monday.

Items Of Interest From Rocky Ridge

Mr. and Mrs. Russell Nussbaum, Union Bridge; Mrs. John Trout and daughter, Karla Jane, Rockville, were recent visitors of Mr. and Mrs. Charles Wantz.

Mr. and Mrs. David Stonifer, Taneytown; Mr. and Mrs. Jack McLaughlin, Harney, visited recently with Mr. and Mrs. Edgar Troxell.

A meeting of the Biggs Memorial Community Library Association was held on Thursday evening, January 22 in the Rocky Ridge Fire Hall. The minutes of the last meeting were read by the secretary, Mrs. Mae Kaas. A motion was made and seconded to retain Mr. Leslie W. Fox as vice-president, Mrs. Mae Kaas as secretary and Mrs. Guy Angell as librarian. Mr. Graydon F. Clem was elected as treasurer to fill the vacancy left by Mr. E. F. Keilholz, deceased.

Mr. and Mrs. Wade Harner and daughter, Beverly, Taneytown and Mr. and Mrs. Charles F. Stouter and children, Ronnie, Maureen and Gary, Emmitsburg, were recent visitors of Mr. and Mrs. Leslie W. Fox.

Mrs. Daisy Simpkins has returned home after spending several weeks with relatives and friends in Philadelphia.

A large number of persons attended the opening of Saylor's Supermarket, Jan. 15, 16 and 17.

Mr. Garman Dern has returned home from the Maryland General Hospital, Baltimore, where he underwent surgery. He is improving satisfactorily.

Mr. and Mrs. Leslie W. Fox and Mrs. Daisy Simpkins, visited on Friday with Mr. and Mrs. Clarence Dern, Taneytown.

Mr. and Mrs. Ray Wachter and children, Jean and Lou Ann; Mr. and Mrs. Donald Eyster; Mr. and Mrs. Bruce Bowman and son, Thomas, and Mr. and Mrs. Donald Mackley were recent visitors of Mr. and Mrs. Horace Smith.

Mr. and Mrs. Richard Strine,

Mt. Airy; Mrs. George Gassman and Mrs. Herman Pickett, Finksburg; Mrs. Emma Wilson, Sykesville; Mrs. Helen Mumma and Beekie Mumma, were recent visitors of Mr. and Mrs. Ralph Reck.

Mrs. John Hahn and Mr. Charles Eyer visited in Baltimore on Saturday.

Mrs. Sydney Six is confined to her home with a virus infection.

Mrs. Charles Eyer and son, Ronnie, James Welty and daughter, Lennis, were recent visitors of Mrs. Jeanette Delphoy, Key-mar.

Mr. and Mrs. George Fream and daughter, Diane, Taneytown, visited on Sunday in the home of Mr. and Mrs. James Six and family.

Mr. and Mrs. Charles Conaway and children, Carole and Charles, Mrs. Doris Dell and children, Billy, Grant and Beekie, Westminster; Mr. and Mrs. Lester Slick and children, Lester Jr. and Clifton, Damascus, visited on Sunday with Mr. and Mrs. William Gearhart.

Mr. and Mrs. William Gearhart Jr. and children, Cindy, Debbie and William III, Warwick, R. I., are spending some time with Mr. and Mrs. William Gearhart.

Among those who called on Mrs. George Motter on her birthday January 18 were: Mrs. Ross Swartz and son, Wayne, Biglerville, Pa.; Mr. and Mrs. Warren Motter and family, Menges Mills; Mr. and Mrs. Edwin Motter, Gardners, Pa.; Mrs. Erma Weinhold and Mrs. Theron Basore, Littlestown, Pa.; Phyllis Yingling, Washington, D. C.; Mrs. Harvey Myers and Lula Myers, Frizzelleburg; Miss Grace Furman, Baltimore and Miss Coty Cutsail, Taneytown.

The Rocky Ridge Volunteer Fire Co will hold a turkey and oyster supper in the Fire Hall on January 31.

Mr. Elvin Schildt is a patient in the Newton D. Baker Hospital, Martinsburg, W. Va.

Nine Games Remain On Mount Schedule

With nine games to go in regular season play, the current Mount St. Mary's squad has already lost as many games as any Phelan coached team since the former LaSalle star took over at Emmitsburg. Brightest spot in the dismal Mount St. Mary's season which has seen a highly touted squad drop off to a 6-9 collegiate season is freshman Ernie Cage.

The former DeMatha (Hyattsville, Md.) All American high school cager has dropped in 312 points for a 20.8 average through the season's play. Cage hit his high mark against tough St. Francis of Loretto on Jan. 21 when he tossed in 18 field goals on 30 attempts and picked up two fouls for a 38 point performance which tied the floor record for a visiting player and was only four points off the top performance of St. Francis' own Maurice Stokes.

With nine games to go in regular season play—plus the possibility of tourney play if the Mountaineers can shake the doldrums—Cage is 112 points shy of Jack Sullivan's freshman record of 431 points on 169 field goals and 93 fouls. As a freshman Sullivan carried a 17.2 average, shooting 44.6 from the

field and 64.5 from the foul line. Cage is currently hitting with 38 per cent of his field goals and 58.3 per cent of his fouls. Sully's high performance as a freshman was a 44-point effort against Baltimore U. which included 18 field goals and eight fouls.

Phelan expects Cage to carry his average through the rest of the season. The string bean 6'3" freshman has a beautiful soft touch and with any improvement in the rest of the Mountaineer crew should get better shots. Against St. Francis, Ernie wore out a whole flock of tall, talented defensive operatives as Skip Hughes tried desperately to stop the Mountaineer flash by changing defensive players.

Cage and Sullivan, both products of Washington, D. C. basketball, have entirely different styles. Sullivan was a rugged 6'4" performer with a varied array of shots that included a one hander from about 18 feet, a fine hook either from the key or the corners and a top flight drive.

Cage lacks Sullivan's variety and is content to pop a quick one hander with a smooth motion from outside although he will drive when the opportunity offers itself. Lacking Sullivan's

(Continued On Page Five)

Benefit Dance Scheduled For Saturday

The Emmitsburg Veterans of Foreign Wars Annex will be the scene of the benefit dance Saturday night which will augment the local March of Dimes and help the community meet its stipulated quota. The drive ends Saturday and apparently the dance will be the final social function held to raise funds locally.

Lumen F. Norris, post adjutant, announced this week the drive was progressing at a satisfactory pace and that cannisters placed in local business establishments would be collected immediately. Mr. Norris who is the local chairman of the drive reported also that the Mothers' March was highly successful and urged those who have not yet contributed to the cause to do so immediately so the drive can be concluded and the goal met.

For the past decade the benefit dance has been held and has been one of the main contributing factors to the success of the drive which is sponsored locally by the VFW.

Dancing will get under way Saturday night at 9 o'clock in the annex and admission will be \$1 per person with all proceeds going to the polio drive. Music for the occasion will be provided by the "Old Timers Orchestra" which donates its services to the cause. This novel way of raising money was instituted here last year and proved highly popular with the public. Members of the orchestra are Edward Stull, Paul Dern, Caroline Eyer, Paul Little and Arthur Elder.

The chairman extends a cordial invitation to all to be present at the affair and participate in a very enjoyable evening of dancing to tunes, both old and new.

Scout Week Observance Is Planned

With the coming of Scout Week, February 7 to 13, and spring activities being planned, the local Troop is now very busy. Preparation for a large window display is being handled by the five patrol leaders. Junior Assistant Scoutmaster, Jerry Rightnour and Senior Patrol Leader Ed Orndorff are co-chairmen of the display with each patrol leader doing a set part. Eagle Patrol Leader Harry Harner is in charge of getting a window for the display and has reported Mr. Crouse has offered his window for this purpose. Flaming Arrow Patrol Leader Jack Dillon is in charge of all pictures and books for the display. Panther Patrol Leader Dennis Boyle is in charge of the nature and wildlife display. Bat Patrol Leader Skip Englar is in charge of campcraft and equipment and Beaver Patrol Leader Jeff Zurgable is in charge of the Hobby display.

Quartermaster Edward Baker reported 11 windows are cracked or broken and in need of replacement. These are to remain this way until the wooden shutters are put on and vandals can break no more.

Last Sunday three patrols marched by compass to an unknown point on Carrick's Knob. All three patrols came out at just the right spot. One patrol was about 25 minutes late but the area covered was greater. Then from the top of the mountain, took one degree reading and followed it for two miles and came out at Hemler Road, just where the Leaders were waiting for them to come out. This was the best compass work our troop has ever done and proves they can and have correctly mastered reading, the maps and compass and can follow them correctly.

J. E. Houck
Scoutmaster

Conservation Club Meets

The regular monthly meeting of the Indian Lookout Conservation Club was held Tuesday evening in the Fire Hall, President Clay Z. Green presiding with 40 members in attendance. A report of the shooting match committee indicated these matches held last fall were a financial success. The president reported that the prize for killing the deer with the largest rack during the recent season was won by Alfred Long and the award for killing the first deer went to Jason Sanders.

It was announced during the meeting that Rainbow Lake would be open for fishing the first Sunday in June and will be closed on November 15.

The infant son of Mr. and Mrs. James Nickoles was baptized on Sunday afternoon in St. Joseph's Church. Godparents were Robert Rohrbaugh and Ann Knot, and the infant was named Paul Edgar. The infant son of Mr. and Mrs. Fern Ohler was also baptized and received the name Lance Michael.

Unemployment Payments Increase

Benefits paid Maryland residents under the Maryland Unemployment Insurance Law in December showed a sharp rise over those paid in November, the Department of Employment Security reported this week.

Noting that benefit payments under the extended benefits program also increased, although more moderately, Robert B. Kimble, Executive Director said the increases had been expected and were largely seasonal and temporary.

Mr. Kimble said that most of the new layoffs were the result of the reduced production which occurs in a broad range of industry each year shortly before or immediately after the Christmas holidays. Some plants, he said, shut down entirely for a period of two or three weeks, some for style or model changes, others for inventory.

Severe weather, to a greater extent than usual, was also a factor, affecting construction, the seafood industry and other outdoor activities.

There were indefinite layoffs in the printing trades, as a result of lack of work, and in one segment of the transportation equipment manufacturing industry, as a result of loss of contracts.

Some \$4,241,722 in regular benefits was paid to Maryland

residents in December, up 41.3 per cent over the \$3,002,951 of November, and up 24.3 per cent over the \$3,412,438 of December, 1957.

Another 3,383 Maryland residents exhausted in December the full 26 weeks of regular benefits to which they were entitled, bringing the 12-month total to 33,524.

The cumulative rate of exhaustion, which is the ratio of the number of exhaustion to the number of persons receiving at least one check in the previous 12 months, was 28.0 per cent on December 31, up 2.3 per cent from the 25.7 of November 30.

Under the extended benefits program which began in Maryland on June 19, 1958, persons who have exhausted their regular benefits since July 1, 1957, may receive an additional 13 weeks of benefits.

Some 3,156 claimants received their first extended benefits in December, bringing the cumulative total of beneficiaries under the special program since its start to 27,192.

Some 2,021 persons exhausted their extended benefits in December, bringing the cumulative exhaustions to 10,932.

The amount of benefits paid under the special program in December was \$1,153,220, up 21.0 per cent over the \$953,191 of November.

Cooperation Speeds Social Security Benefit Checks

Would you like to help your social security office shorten the time you may have to wait to get your first benefit check? Since no payments can be made unless a claim is filed, and no claim can be approved without evidence that the law's requirements are met, your timely action in getting your proofs ready ahead of time, and bringing them with you when you come to file, can greatly speed up that important first payment. The Hagerstown social security office has been handling over 2,420 claims a year and reports that the promptest payments went to those who know when to apply, and what proofs would be needed.

Every claimant for monthly benefits must usually prove age or date of birth. A birth certificate is best, but many other items will do. As any formal document or record at least ten years old can be considered, many have qualified thanks to a church, school, employment, or hospital record, an old insurance policy, or the entry by some older relative in a family Bible. Those claiming as a dependent or surviving spouse must prove marriage, for which a certificate from the public record, available from the Town Clerk where the license was taken out, is usually best because it also gives the age and parentage of the bride and groom. For children of a retired or deceased insured worker, a birth certificate is necessary to show relationship as well as age, although for an adopted child the court decree is used instead.

Evidence of recent earnings is needed to establish the correct

Urges Immediate Return of Polio Contributions

Former U. S. Senator George L. Radcliffe, State chairman of the March of Dimes campaign, urged all Marylanders who received, but have not yet returned their March of Dimes contribution envelopes to get them in the mail promptly.

"January 31 marks the last day of the 1959 drive," Senator Radcliffe said, "and this drive will be a successful one if it is wholeheartedly supported by all. Since the expanded program of the National Foundation, which is supported by March of Dimes funds, will benefit millions of Americans— and thousands of Marylanders— who suffer the ravages of three terrible crippling— arthritis, polio and birth defects—we are confident that the people of our State will be even more generous than they have been in past campaigns."

"Their generosity over the past 21 years made possible the development of the Salk vaccine; their generosity this year will enable the National Foundation to bring its experience in patient aid, medical scientific research and the training of new manpower for the health professions to new health fields where the needs are great."

Included in the National Foundation's new program is a nationwide scholarship plan to aid thousands of new recruits for the health professions over the next decade, Senator Radcliffe continued.

There is an acute shortage of skilled health workers, including doctors, nurses, physical therapists, occupational therapists and medical social workers. The new March of Dimes "Careers That Count" program aims to relieve this dangerous bottleneck in the nation's health professions.

"Each State," he explained, "will be entitled to from five to twenty-five scholarships, depending on population; each scholarship will pay \$500 a year for four years of college training in the health professions. Five scholarships will be awarded in Maryland each year for the next ten

benefit rate, and sometimes to prove that there were enough earnings credits to qualify. The latest withholding statement (Form W-2 for 1958) is best for employees. The self-employed should always bring full and exact copies of their income tax returns for the last two years, including the Schedule C or F which shows their self-employment income, and the cancelled check, money order stub, or bank receipt which shows they paid the tax.

For quickest payment, get in touch with your Hagerstown social security office about a month ahead of time, and bring your proofs of age, earnings and relationship.

years."

Senator Radcliffe said that persons who wish to contribute to the March of Dimes but have misplaced their contribution envelopes may send their donations

to their local March of Dimes headquarters.

"Each contribution," he concluded, "be it large or small, will help build a stronger, healthier America."

James Polk was the only speaker of the House of Representatives to become president. According to research experts with The World Book Encyclopedia, Polk ran against Henry Clay in 1844. It was the only campaign

in which both candidates were former speakers.

What Is The Largest "Farm Group" In Maryland?

29,600 Farm Families That Regularly Save
Trading Stamps Are The Biggest
"Farm Group" In Maryland.

America's farm families are traditionally thrifty. The same pattern of thrift is found in Maryland. It is only natural, therefore, that the response of Maryland farm families to one of the oldest forms of thrift—the trading stamp—is so noticeable.

Today over 29,600 farm families save them. You might almost say that these savers constitute the largest single farm group in the state.

During 1957 alone, thousands of dollars worth of trading stamp merchandise went into farm households in the state, and every 2 seconds a farm family is

redeeming trading stamps.

There is still another side—direct income for farmers. During 1957 the stamp industry purchased from Maryland farmers \$350,000 worth of primary materials that go into the manufacture of merchandise for stamp redemption.

No one can contemplate these facts and fail to realize that both personally and economically the trading stamp industry is a meaningful and welcome force in the life of our state.

This message is published as public information by THE SPERRY AND HUTCHINSON COMPANY, originator 63 years ago of S&H Green Stamps.

LIFE INSURANCE
FOR
→5 YEARS
AT LOW RATES!

Need immediate protection
for just a few years?

Nationwide, the company
that is built on the idea of
bringing better protection
to more people at less cost
—has developed a low cost
plan to cover a short "dang-
er gap" with life insurance
in minimum amounts of
\$10,000.

It's our new 5-YEAR CON-
VERTIBLE TERM—ideal
for new businessmen, car-
reer men, for young family
men — or for any short
term situation requiring a
lot of insurance while you
can't afford "regular" rates.

And any time before the 5
years are up you can con-
vert this vital protection to
a permanent plan.

MOTOR MAIDS

Don't Test Laws Of Other States

By Jeanne Smith,
Dodge Safety Consultant

MOTORISTS who have an urge
to treat lightly the traffic laws
of states in which they are tour-
ing should think seriously of what
could happen to them.

Most state
and local po-
lice won't ex-
cuse your vi-
olation of their
laws just be-
cause you are
a visitor. And
there still are
31 states in
which you
must pay a fee
to the local
justice of the
peace for traffic violations.

In most of the states using the
fee system the motorist must also
pay court costs if found guilty—
so it's wise to check the laws in
each state in which you plan to
drive—and obey them.

Speeding is the visitor's num-
ber one offense—and there are
only six states in which you can
plead "ignorance of the law."
All states now have posted max-
imum highway driving speeds
except six where speed must be
kept "reasonable and prudent."

Here are a few other pointers
to remember when traveling from
state to state. Coasting in neutral
is prohibited in almost all states.

It is unlawful to park on the
highway in all states except
Georgia, Rhode Island and Wash-
ington, D. C.

You must dim your headlights
upon meeting a car at night in
all states. In Louisiana and
Montana, the law requires that
you dim lights when following
a car as well. Spotlights are
prohibited in Louisiana and
Maine.

Motorists must come to a com-
plete stop at a railroad crossing
in Alabama, Georgia, Kentucky,
Louisiana, Oregon, Tennessee and
the District of Columbia.

MILK HEARING SCHEDULED FOR FEBRUARY

The Department of Agriculture has officially set 10 a. m. Monday, February 2 as the time for a hearing on the Federal Milk Marketing Order for the Baltimore milkshed requested by the Maryland Cooperative Milk Producers, Inc. The MCMP represents some 1800 dairy farmers holding permits to ship their milk to Baltimore.

The Cooperative's request for a Federal Order came only after a careful study of local milk market conditions, made by the organization's Board of Directors

last Fall. These, all dairy farmers, were anxious to correct inequities which had been brought about through the activities of several Baltimore dealers seeking milk for less than MCMP class price.

The MCMP's Directors and Management hoped to stabilize the market without seeking any regulation.

Only when it was realized that the companies and individuals responsible for the conditions would require governmental enforcement of minimum prices set under a Federal Milk Marketing Order did the MCMP Board of Directors act, at a special meeting on September 22.

The Board faced this situation: the Maryland Cooperative Milk Producers, Inc. (and its predecessor, the Maryland State Dairy-men's Association) has, since 1919 acted as a bargaining agent between Baltimore milk bottlers and its dairy farmer members.

It guarantees to sell their milk and it guarantees payment, even though a dealer defaults. At the same time it guarantees the dealers—and through them the consumer—an ample supply of fresh milk.

For its services, which include collecting payments from buyers, paying haulers, sending out the monthly checks to members, making various tests and per-

forming field services, etc., it charges members fourteen cents per hundredweight.

Several Baltimore dealers were soliciting members to leave the Cooperative and sell direct to them. Payments were based on a few cents above the MCMP 'blend' price, usually with the inducement that the farmer would be relieved of the service fee.

Quite naturally these dealers tried to buy only as much milk as they needed for bottling; this they sold to the public at the regular price. The farmers failed to realize that every hundred-weight of 'independent' milk sold at a price lower than the MCMP's Class I forced more and more Cooperative milk into Class III, the lowest-priced manufacturing milk. This depressed the Co-op's blend price and dropped the price for all. At this time, incidentally, the Co-op price for milk used in the bottle was below that of surrounding markets.

All farmers were losing money; the consumer wasn't gaining, since the dealer retained the difference between its "cheap" raw milk and the retail price. Only those dealers were profiting.

It was with the above facts in mind that the MCMP Board voted for regulation.

Under a Federal Order the Administrator, following a fixed formula will announce each month minimum prices for all classes of milk; every dealer will pay these prices.

Every dairy farmer will also share in the milk reserve which supply and demand and certain Health Department regulations make necessary.

No farmer will be regulated as to his production or where he sells his milk.

The Maryland Cooperative Milk Producers, Inc. will continue as the sales agent for its members, guaranteeing to sell all their saleable milk, collecting for it and guaranteeing that its members will be paid.

BABSON

Writes . . .

BY ROGER W. BABSON

Babson Discusses:

Are Stocks Too High?

BABSON PARK, Mass., Jan. 29.—The readers of this column really want to know whether stocks will go up further and, if so, how much further. The fact is that nobody knows and any answer is a mere guess. I, however, am absolutely unbiased in my answer. I have never accepted a commission for the sale of a share of stock or a bond, nor have I ever borrowed a penny!

My Personal Investments
My personal holdings are now about one third in cash, one third in short-term bonds, and one third in a well-diversified list of common stocks. Therefore, whatever the market does is okay with me. Forgive the personal reference; but I want to guarantee readers that this week's release is absolutely unbiased.

Moreover, I am not blaming brokers for usually being bullish. They have wages, rents, and private wire costs to pay; and they find that 80% of their customers will trade only on the "p side." Therefore, they must be bullish or get out of the business. Magazine writers and radio news commentators know they can get their material accepted most readily by being bullish. Surely the bureaucrats in Washington know they can keep their jobs only by holding their tongues or by being optimists. I do not blame any of these; they must eat! I merely want my readers to take with "several grains of salt" what they hear and read today about the stock market outlook.

The Law Of Chance
Now, what do I know? — Many years ago I took a course at the Massachusetts Institute of Technology which discussed "chance." This was later followed by studies in "Relativity" by Dr. Einstein. Briefly this law of chance means that nothing fixed, or sure, or certain. Everything we do must be based upon guesses. The secret of health, happiness, and prosperity is to make the right guesses and then have the self-control and persistence to follow through on these guesses.

Now let us apply this law of chance to the stock market. There is no basis for any banker, broker, or financial writer to tell you that the stock market is definitely going up or going down. Honest, intelligent, and experienced investment advisors will tell you that the chances are 60-50, or 50-50, or 40-60, or 30-70 that the market is going up. They will not hedge or straddle; they can honestly be bullish or bearish. But they will talk in terms of chance and not be imperial.

What About Special Stocks?
I recently asked the president of one of America's ten largest companies why it is so difficult to get him to give an opinion on his own stock. He replied: "Because I know that for every buyer of my stock, there must be a seller. These buyers and sellers know little about my company, yet they determine the price of its stock. But this is not all. The stock goes up when the buyers are more anxious to buy than the sellers are to sell, and vice versa."

The above means that the price of an individual stock depends upon the impatience of the public to buy or to sell. Impatience truly controls the price of every stock. The total average of this impatience determines the Dow-Jones Averages and all the other stock indexes. That is why no IBM or other machine can make a true forecast. Even accountants and statisticians are only morticians, exhuming and dissecting the past. They can only guess as to the moods of the people, which determine whether stocks are going up or down.

Tax Expert Says Early Filing Is Prudent

Do you end up owing the Government money every April 15, even though your salary and wages are subject to income tax withholding?

Irving Machiz, Director of Internal Revenue for the Baltimore District which comprises Maryland and District of Columbia, says there is a simple way to solve the problem for next year now during the month of January.

"All you need is a written agreement between you and your employer authorizing an income tax deduction each payday for an amount larger than the regular deduction for you," he said.

There would be fewer unhappy April 15th surprises for wage earners if more taxpayers would take advantage of this authorized procedure, he added.

Mr. Machiz said two groups of taxpayers are likely to have a tax liability greater than the amount withheld.

In the first group, he said, are taxpayers who have income not subject to withholding such as

dividends, interest, etc.

In the other group are taxpayers whose income is great enough to be taxed above the lowest tax bracket.

Mr. Machiz said the second group includes single taxpayers

with incomes over \$2,800, married couples without dependents with incomes over \$5,780, and married couples with two dependents and income in excess of \$7,110 who claim the full number of exemptions to which they are entitled.

Mounts Still Have Nine Games

(Continued From Page One)

strength—Sullivan went 190 to Cage's 160 — Ernie is not as effective off the boards nor is he able to get the follow up shot if he misses although he hits the offensive board well and follows the ball.

Strangely enough the seasonal pattern of the current Mountaineer squad follows that of the 1953-54 squad on which Sullivan was a freshman. Then the Mountaineers posted a 14-11 season, were fifth in regular season Mason-Dixon standings and after a last second win against Baltimore in the opening round of the tourney went on to take the conference crown. At the fifteen game mark the '53-54 Mountaineers had identical records with the present crew, 6-9.

League losses included games to American U, Baltimore and Hampden-Sydney. To gain their tourney spot the Mountaineers whipped American, Catholic U., Washington and Baltimore while losing to Loyola in the season's final stages. Now the Mounties must face Baltimore, Washington, Catholic, Western Maryland and Loyola twice.

If they take their cue from the '53-54 team, they have their work cut out for them. From here on in there is no margin for error. Every game is a "must" game.

Now in exams, the Mountaineers return to action tomorrow against Rider College in Trenton. Their eleventh game on the road.

Mr. Allen Sanders, Washington, D. C., visited over the weekend with his parents, Mr. and Mrs. Clarence Sanders.

Pauline Rosensteel, Baltimore, visited with her mother, Mrs. Laura Fritz, over the weekend.

Those who visited Mr. Roy Gelwicks at Fort Howard Veterans' Hospital, Sparrows Point, Md., on Sunday were Mr. and Mrs. George E. Rosensteel, Mrs. Cloyd Seiss, Mrs. George F. Rosensteel, Mrs. Carrie Rodgers and Mrs. James Kelly.

No. 19060 Equity
In the Circuit Court For
Frederick County, In Equity
ANTHONY J. GOLASZEWSKI
VS.
BETTY J. GOLASZEWSKI
The object of this Bill is to
procure a divorce A VINCULO
MATRIMONII by the Plaintiff,
Anthony J. Golaszewski, from the
Defendant, Betty J. Golaszewski.
The Bill states in substance
that the parties were married on
March 23, 1947, in Baltimore,
Maryland, by Reverend Davies, a
regularly ordained Minister of the

Gospel; that the Plaintiff is a
resident of Frederick County,
Maryland, having resided therein
for more than one year last past;
that the Defendant is a non-resi-
dent of the State of Maryland,
residing in the State of Texas
for a short time, her post office
address being 5612 Hudson Street,
Dallas, Texas; that two children,
namely, Beverly J. and Josephine,
were born as a result of said mar-
riage; that during the year 1952,

the parties separated voluntarily
and since that time have volun-
tarily lived separate and apart;
and that there is no reasonable
hope or expectation of a recon-
ciliation. The Bill prays that the
Defendant be divorced A VIN-
CULO MATRIMONII, and for
general relief.
It is thereupon this 20th day
of January, 1959, by the Circuit
Court for Frederick County, sit-
ting as a Court of Equity, OR-

DERED that the Plaintiff give
notice to the said non-resident
Defendant of the objects and sub-
stance of this Bill by causing a
copy of the same to be published
in some newspaper published in
Frederick County, once a week
for four successive weeks prior
to the 21st day of February, 1959,
commanding her to be and appear
in this Court in person or by So-
licitor, on or before the 24th day
of March, 1959, and show cause,
if any she has, why a Decree
should not be passed as prayed.

shoppers who take advantage of
the sales event to buy from the
ample stocks of fine merchandise
which the stores are offering at
specially reduced prices for the
event. Tickets will be given free
with each purchase at the co-op-
erating stores.

Shoppers will find bargains in
items ranging in size from jew-
elry to major appliances and fur-
niture, in clothing and shoes for
the entire family, in things for the
house and for the car; radios,
cameras and projectors, house-

wares, medicine chest needs, ne-
cessities and luxuries.
The participating merchants
have been conducting the Com-
munity Sale Days for a number
of years and find them a partic-
ularly popular event.

What was probably the first and
largest trout snagged this year
was hooked Sunday by Guy R.
McLaughlin, Emmitsburg barber.
Mac said the fish measured 16
inches and weighed a pound and a
half.
