After witnessing that terrible accident Sunday in East End when two state residents were killed, I have come to the conclusion that the antiquated system of holding dead bodies for the arrival of a coroner is downright old fashioned and entirely unnecessary. The presence of a local doctor should suffice. This I am told was just what happened Sunday. A doctor was summoned to the scene, pronounced the two individuals dead, and left. However, the bodies had to remain there on the road, exactly where they were tossed, for nearly two hours until the coroner arrived from Frederick. During these two hours of waiting hundreds of motorists stopped or drove by but naturally could not escape witnessing the ghastly tragedy. There is hardly any excuse for sights of this type being needlessly left laying around. A simpler method would be for the County Coroner to appoint qualified deputies, (doctors), in each community who could handle this type of tragic death. Later the coroner, if necessary, could examine the body or bodies and file his report. In my opinion the law is antiquated and should be changed or abolished.

Residents here are becoming irked at the delays experienced between the time a State Trooper is called until his arrival in Emmitsburg. In several accident cases here recently there has been a lapse of time amounting to anywhere from 25 to 40 minutes before the Troopers arrive at the scene. Then they are driving at break-neck speed and are really a menace on the road themselves. Emmitsburg and Thurmont combined election districts show a population of around 10,000 citizens. This area is without proper protection for many hours at a time and the situation should be remedied. Not too long ago some thieves were discovered syphoning gasoline from a local car. A call was made and it was almost an hour before State Police arrived. Needless to say, the thieves had long since left. In recent accidents it has taken half an hour or better for a Trooper to arrive on the scene and if it hadn't been for the action of local police, who shouldn't have to investigate highway accidents, other cars might have become involved in these accidents. To expect a Trooper to rush here from Frederick at break-neck speed is asking too much from him and too much to expect from the people who live here. A better deployment of the barracks forces might prove beneficial. If there is a definite shortage of men on the force the public should be told.

Elsewhere in this issue of the Chronicle is printed a story on the progress of the new Postoffice for this town. There have been numerous inquiries concerning the delay in constructing this facility and there have been numerous false rumors circulated. This story gives a detailed account of the project from the very beginning right up to the present time . . . be sure to read it.

Lecturer Will Address PTA

The Parent-Teachers meeting of the Emmitsburg Public School will be held Wednesday, Oct. 20. Teachers will be in their classrooms at 7:30 o'clock and the business meeting will begin at 8:00 p. m.

The special feature of the meeting will be a talk by Mr. Kuohsin Chen, of Taiwan. Mr. Chen, a Fulbright lecturer and presently a teacher at St. Joseph College, will compare school life on Taiwan with that of the United States. While stationed at Saint Joseph's the Chen family is residing in Emmitsburg.

October is membership month for the PTA. Do plan to join and attend the meetings. The public is welcome.

Miss Sally Dorsey of Tracey's Landing, Md., and Miss Susanna Hoade, spent the weekend at Susanna's home here. Sally and Sue are both first year students at the Maryland Secretarial College in Hagerstown.

By-Pass Deaths Total 6

AN OPEN LETTER TO GOVERNOR TAWES

Your Excellency:

On December 10, 1964 the new by-pass of Emmitsburg via U. S. Route 15, was opened to public traveling. Within two hours following the opening a fatality was recorded. It was believed then by citizens here that the by-pass represented a distinct traffic hazard and that it was poorly engineered and conceived. Protests to the State Roads Commission met deaf ears.

A few weeks following the first fatality a second occurred. This time a local youngster implored you to step in and take some remedial action, which you did by ordering additional safety devices at the dangerous intersection. However, this did not stem the tide of motor vehicular accidents. To date there have been 24 wrecks and six fatalities at that exact same infamous intersection and it is felt by the citizens of this area that it is high time you took a real and personal look into the matter.

When you took your oath of office you pledged that you would protect the rights and welfare of the citizens of our fair state. Realizing that you are an extremely busy Chief Executive by governing a state of this magnitude, we feel that this matter might possibly have escaped your attention, however we feel that the time has come to draw you directly into the situation. The citizens of Emmitsburg are a warm, friendly and humane lot and they feel they have the right to reasonably assure motorists traveling through the town a sensible degree of safety. This however is not the case. The new by-pass is branded a veritable man-made death-trap and the record speaks for itself . . . six persons needlessly slaughtered and countless other numbers maimed, mutilated and injured for the balance of their lives.

We feel that a full-fledged investigation, by your office, into the activities of the State Roads Commission, and its incompetents, as to why the by-pass was not effected in the form of an overhead pass, is warranted by the record this dangerous intersection has compiled.

The wrath of the citizens of this community has been fired by the most recent of these fatalities which occurred last Sunday when a Glen Burnie family, Maryland citizens, was wiped out in a ghastly accident with a tractor-trailer at this same spot, and we feel that this newspaper has a moral duty and a mandate from the people to make a try at having this death-trap eliminated. We feel certain that when you have heard the facts and weighed the evidence you will realize the same sense of responsibility to the public that this newspaper has, and will act accordingly—in the best interests of the citizens of your fair state.

Future plans of the State Roads Commission call for the construction of a 60 million dollar second Bay Bridge and another 100 million dollars for a scenic route through the Eastern Shore. Surely, Governor, a few thousand more spent to eliminate this slaughtering of human beings in Emmitsburg will be money well spent!

To reiterate, the record speaks for itself, six lives snuffed out and 48 cars, trucks and motorcycles demolished . . . all in a short period of 10 months! You and I both know this situation cannot remain unresolved. Should you desire additional data I am certain that members of the Town Council, or myself, will be more than happy to discuss the matter with you.

Sunday Tragedy Scenes

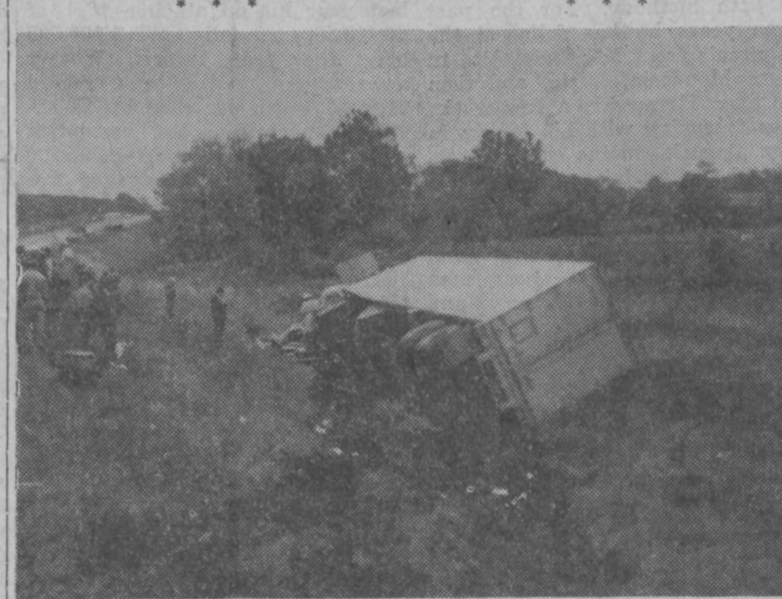

Emmitsburg Chronicle Photo

Scene shows some of the hundreds of spectators that flocked to the scene of the fatal accident which killed Mr. and Mrs. Ralph E. Tabler, Sunday afternoon. The wreck occurred at the intersection of U. S. 15 and Rt. 97. In all, six persons have been killed here since it opened last December. Twenty-four separate accidents have been recorded there in 10 months.

Emmitsburg Chronicle Photo

Photo above shows heavy tractor-trailer loaded with meat, resting on its side atop the Tabler car in which a man and wife were killed in an accident Sunday afternoon at the "death-trap" intersection in East End. The two vehicles left the roadway and rolled downhill about 20 feet into a drainage ditch. The car, resting under the left front wheel of the tractor, is hardly discernible.

Emmitsburg Chronicle Photo

Above photo shows Fire Chief Sterling White standing atop the demolished Tabler car under the left front wheel of the tractor. Two died in the mishap at the dangerous intersection and the six-year-old daughter of the dead couple is in critical condition at the Warner Hospital in Gettysburg.

Maryland Couple Killed Here In Crash

A Glen Burnie couple met almost instant death Sunday afternoon at approximately 3:45 o'clock when the car in which they were traveling crashed into a tractor-trailer at the intersection of U. S. Route 15 and State Route 97 in the east section of Emmitsburg.

Critically injured in the mishap was the six-year-old daughter of the couple who remains in critical condition at the Warner Hospital in Gettysburg where she was taken in the VFW ambulance after being extricated from the wreckage.

Killed in the ghastly accident were Ralph Eugene Tabler and his wife, Mary Scheel Tabler. Both were 29 years of age. Tabler was an engineering professor at the University of Maryland. The couple and their daughter, Mary Elizabeth, were en route to Emmitsburg where they planned to have supper with Mr. Tabler's parents, Mr. and Mrs. Ralph Tabler Sr., Route 1.

The accident occurred when their car entered the Route 15 by-pass from the Taneytown - Emmitsburg Rd. and collided with a southbound tractor-trailer loaded with meat. The two vehicles went off the west side of the new Route 15 by-pass, down a 20-foot embankment and turned partially on their sides in a drainage ditch, with the truck partially on top of the car.

Professor Tabler was thrown from the auto onto the highway about 100 feet south of the intersection. Mrs. Tabler was thrown from the car near the top of the embankment and the child was trapped in the vehicle. Emmitsburg firemen assisted in removing the child from the wreckage. Gettysburg firemen's rescue truck was also summoned.

The deaths of the Tablers were caused by fractured skulls, according to the Frederick County Medical Examiner.

Their daughter was reported suffering from compound fractures of the skull and leg and a badly injured eye.

Maryland State Police said the Tabler car entered the intersection in the path of a southbound truck operated by Robert L. Johnson, 23, New York City. The heavy

tractor-trailer operated for Meat Dispatch Inc., and owned by Preston Trucking Co., was headed south. Police said pending further interrogation of witnesses they could not be certain whether Tabler's car stopped for the stop sign on the Taneytown-Emmitsburg Rd. and then drove onto Rt. 15 into the path of the truck, or whether it entered the intersection without stopping.

The intersection, which has four red blinking lights facing the Taneytown-Emmitsburg Rd. and as many yellow blinkers facing the Rt. 15 by-pass has been branded a "death trap" since its opening last December.

The Tablers are the fifth and sixth fatalities at the intersection since it was opened. The first occurred the day it opened.

Emmitsburg police recovered broken glass and other debris from the road following the accident.

The Wilson Funeral Home, Emmitsburg, transported the bodies to the Waltz Funeral Home, Winfield, Md.

Professor Tabler is a son of Mr. and Mrs. Ralph L. Tabler, Emmitsburg Rd., and was a graduate of Mt. Airy High School and the University of Maryland where he received his master's degree. He had completed part of his studies toward his doctor of philosophy degree. He was a member of the Methodist Church at Prospect, Md.

Among his other survivors in addition to his parents and his daughter, his maternal grandparents, Mr. and Mrs. Robert Gosnell, Lisbon, Md.; a sister, Miss Linda Sue Tabler, who resides with her parents; another sister, Mrs. Mary Jane Zimmerman, near Frederick; and two brothers, Kenneth Theodore Tabler, Baltimore, and Douglas MacArthur Tabler, Gaithersburg. Also surviving are seven nephews and nieces.

Funeral services were held on Wednesday afternoon at 2 o'clock from the Prospect Methodist Church, near Mt. Airy. Rev. William Boyer, pastor of Prospect Methodist Church, and Rev. W. Ronald Fearer, Emmitsburg pastor, officiated. Interment was in the Prospect Methodist Church Cemetery.

Postoffice Story . . .

Rt. Rev. Msgr. Hugh J. Phillips Mount Saint Mary's College Emmitsburg, Maryland 21727

Dear Monsignor Phillips: As you requested, the following is a breakdown, by date, of the steps taken to provide a new post office for Emmitsburg, Maryland, since you first contacted Senator Brewster and myself about the critical need for a new building in October, 1964.

In November of 1964, Messrs. Richard Mehaffey, Director of Engineering and Facilities; Howard Cook, Assistant to the Executive Assistant to the Postmaster General; John F. Sullivan, Assistant to Senator Brewster; Theodore Venetoulis, Assistant to Congressman Sikes; and I met in Emmitsburg to investigate your complaints and discuss with appropriate officials what action could be taken to provide improved postal quarters.

On December 22, 1964, the City of Emmitsburg was advised that selection of the site was under consideration. On January 14, 1965, Senator Brewster was informed that a real estate officer would commence work on locating a site for a new post office during the first week of February.

In March of 1965, Senator Brewster was advised, in answer to his letter in behalf of Mrs. Jane Bollinger, that an assignable option from the Town of Emmitsburg had been received and that a review of the Town's offer would be made shortly.

You were informed on April 27 that the site had been selected and that our regional engineers were preparing plans and specifications. In-house processing of

the site acceptance took about one-third of the normal processing time. Advertisement for construction bids was posted on May 14 and closed on June 15, 1965.

On June 17 the real estate officer assigned to this case recommended the low bid submitted by Serop S. Nersesian Associates be accepted, and award was made to this firm on June 28.

On June 29, the firms' attorney, Mr. Nathan Silverberg, wrote the Town of Emmitsburg, requesting information for closing the sale of the selected site. Mr. Silverberg received no reply.

On August 20, 1965, Town Clerk Mariah Baker contacted the Department to ask when the option was to be exercised. Mr. Silverberg again wrote the Town, which replied that their attorney would contact him by October 4.

Nersesian Associates had submitted their final architectural drawings for the new facility and on September 22, 1965, the firm was advised that they had permission to start construction as soon as they had taken title to the land.

In response to your calls last week, Monsignor, I ascertained that the attorney for the City is a Mr. Edward D. Storm and that there was a possibility that Mr. Storm would meet with Mr. Silverberg some time this week. I am sure the dirt will be flying soon and that Emmitsburg will have a fine, new postal facility.

Your cooperation in this matter is greatly appreciated.

With very good wishes,
 Sincerely yours,
 Joseph P. Doherty
 Executive Assistant to the Assistant Postmaster Gen.

Community Show Spook Parade Friday - Saturday Scheduled

Several hundred Emmitsburgians will take time out to attend the annual Community Show sponsored by the Emmitsburg Grange. The Show will take place Friday and Saturday.

The Show affords every Emmitsburgian an opportunity to see many exhibits of home-grown fruits and vegetables, crafts, handiwork, etc. and is open free to the public.

Friday evening will be the opening night of the annual affair which is held in Emmitsburg High School. Both evenings there will be fine entertainment.

A cake and candy table will be available both evenings. Door prizes also will be given away.

The Emmitsburg Community Show, sponsored by the Emmitsburg Grange, is the highlight of the season's community activities. The public is invited to attend. Doors open at 7 p.m. on both Friday and Saturday.

Music for the dance, which is open to the public, will be supplied by The Coachmen. Tickets can be secured at the door.

Mother Seton School Bazaar Scheduled October 23

A record attendance is anticipated at the annual Mother Seton School bazaar to be held next Saturday, Oct. 23, general chairman George Danner said this week.

Since its origin several years back, the affair has registered continued growth in both entertainment and sociability and at this time enjoys tremendous popularity with the citizens of this and outlying areas.

The bazaar will get under way at 1:30 p.m. and continue until 6:00 p.m. In store for public entertainment will be a multitude of games, movies, etc. There will also be the game you like to play. Various tables selling useful merchandise and articles will be in operation to add to the festivity and excitement.

The highlight of the event will be the meal, serving from 1:30 p.m. until 6 p.m. With the new school having larger and better kitchen facilities, the meal will be served cafeteria style. It will consist of a Barbecue sandwich, baked beans and franks, applesauce, spice cake, coffee, milk, pickles, etc. The cost of the supper

will be \$1.00 for adults and children. Pre-school-aged children will be fed free.

The event is sponsored annually by the PTA of the Mother Seton School. Chairman Danner announces the following committees: publicity, Col. Fred Holden; grand drawing, Mr. and Mrs. Francis Adelsberger; 50-50, Lt. Col. Thomas Lind; game, Jessa Best; kitchen, Major de Rowew, Francis Adelsberger; games, Mr. Sheehan; grab bag, Mrs. J. Stoner; religious articles, Mrs. Sheehan; ice cream and soft drinks, Mr. C. Frock; hot dog stand, Mr. and Mrs. L. Orndorff; finances, Mrs. Fontaine.

A tour of the new school will be held, so bring all your friends and neighbors and spend the afternoon.

Mr. and Mrs. Albert Kelly and family, Baltimore, visited over the weekend with Mrs. Kelley's mother, Mrs. Esther Gillelan.

Mrs. Yvonne Henke, Baltimore, visited over the weekend with her parents, Prof. and Mrs. Robert Henke and son.

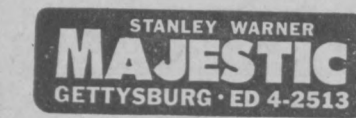

Mrs. Millie Hardman and daughter, Frances; Mrs. Margie Miller and daughter, Kathy, spent the weekend at the World's Fair.

Mr. and Mrs. Arthur McCleaf, Waynesboro, spent Sunday afternoon visiting with Mrs. Charles E. Shorb.

Local Student

Selected By Utility

A 17-year-old senior at Saint Joseph's High School has been selected by the Potomac Edison Co. to attend the National Youth Conference on the Atom scheduled Dec. 8-11 in Chicago. PE District Manager John Morgan said Jerry C. Orosz, son of Mr. and Mrs. Gerald C. Orosz, Emmitsburg, will attend the conference this year with five outstanding high school seniors and three teachers from throughout the Potomac Edison System as the guests of the utility company.

Morgan said one of the three teacher delegates is Rev. James F. Kelly of Mt. St. Mary's College.

For the first time this year, runners-up in the Youth Conference competition will visit the Peach Bottom Atomic Power Plant on the Susquehanna River near the Maryland-Pennsylvania line. About 700 science students, including Carol Willard, a senior at Walkersville High, will attend the Youth Conference.

Young Orosz was selected by school board officials in cooperation with Potomac Edison. The selection was based on over-all grades, aptitude and an interest in science and physics. Orosz plans to study either biochemistry or physical chemistry at Mt. St. Mary's after his graduation from high school.

The delegates will fly to Chicago Dec. 8 where they will attend a lecture and seminar sessions featuring some of the nation's top scientists. They also will tour the Atomic Energy Commission's Argonne National Laboratory, one of the principal centers for peaceful atomic research, and Chicago's Museum of Science and Industry.

Pass-Punt Contest

Set For Sunday

More than 100 boys eagerly are awaiting the opening gun at 1:00 p.m. Sunday, Oct. 17 when the 1965 Emmitsburg Punt, Pass & Kick Competition gets under way.

The public is invited to watch these young entrants punt, pass and place-kick at the competition site, Community Field.

The Emmitsburg area competitors will be testing their football skills at the same time as thousands of other boys their age, eight through 13, compete throughout the country.

In Emmitsburg, as in all other local competitions, 8-, 9- and 10-year-old boys can win first prizes of Baltimore Colt warm-up jackets, helmets, and footballs for second and third place. Boys 11, 12 and 13 can win gold, silver and bronze trophies. There will be 18 prizes in all—three for each age group.

"We're sure we're going to have a great event," said Rev. James Delaney and John Bailey, Competition Directors. "We know the boys are looking forward to competition with each other, and we bet we have some winners in district and area events!"

The directors said their committee has been busy getting the competition site ready. Competitors will punt, pass and place-kick. They will be scored a point for each foot of distance the ball travels on the fly, minus a point for each foot the ball lands to the left or right of the center line. Distances will be measured to the half-foot, and half-points awarded or subtracted.

Any ties will be played off at the end of the program, according to the directors. In case any of our winners are tied with other finalists in the zone or district competitions, we'll have a special play-off at a day to be announced. Emmitsburg sponsors of the program are Sperry Ford Sales, S. Seton Ave. Boys may register at Sperry's until Saturday and may be accompanied by a parent or guardian.

The introductory program will include six weeks of instructions and day and night classes will be scheduled. Students may use their own equipment or may rent gear at the ski shop on the slope. Nursery facilities will be provided for young children of mothers enrolled in the school.

More than five miles of ski slopes and trails will be lighted for night skiing and parking lots will accommodate 2,400 automobiles. The ski lodge under construction will provide food and rest room facilities. Ski facilities and accommodations are open to the public.

Students are advised to register for the courses by December 1.

Newspaper Week Being Observed

The newspaper business is one of the largest and most important in the nation's business economy today and its continuing growth is one of the great success stories of history, George B. Delaplaine, Jr., general manager of the Frederick News and Post and president of the Maryland-Delaware Press Association, stated in an announcement calling attention to National Newspaper Week being observed this year October 10 through 16.

The observance was inaugurated 26 years ago to explain the role of newspapers in American life and this year has broadened into a year-round program of education and information. It is sponsored by the Newspaper Public Information Committee, representing 10,000 newspapers in the United States with over 80 million circulation.

"The information program," explained Delaplaine, is designed to bring newspapers and their readers closer together and to point out to readers the partnership between them and their newspapers. Readers need newspapers and newspapers need readers. In a very true sense, they are partners in freedom."

Newspapers, he added, have successfully withstood two formidable competitors in the past 40 years — radio and television. Each would be the doom of newspapers, it was predicted. Instead, newspapers have emerged stronger and with greater vitality, more readers, more advertisers and greater service to the public than ever before.

Newspaper publishing today ranks high among the nation's manufacturing industries, accounting for 1.13% of the national industrial output. This compares with 1.82% for the auto industry, 1.12% for all metal products, and 1.48% for drugs and medicines.

Circulation of daily newspapers last year hit an all-time high of 60,412,266, a gain of 1,100,000 over the year before. Weekly newspapers jumped to a record 21,036,031—an increase of 1,000,000. Consumption of newsprint was the highest ever—8,000,000 tons. This is an average of five pounds of newsprint a week for every newspaper-reading family.

Newspaper employment since 1947 has grown three-and-a-half times faster than all manufacturing.

ing and there are 330,000 persons on daily newspaper payrolls alone. Journalism school enrollment nationally is up to 11,820—highest since 1948—indicating a solid faith in the future of newspapers on the part of young people.

Still another index of the virility of the business and the confidence of their owners in the future is the continued investment of publishers in new plants and equipment at the rate of \$100,000,000 a year.

Every newspaper is built on solvency. Newspapers must be self-supporting. They receive no grants. They receive no government subsidies. Their economic independence is essential to the preservation of a free press in an open and free society.

"As long as the press is free," concluded Delaplaine, "the people will know what's going on in their free society, and what's going on in their government. This makes newspapers become partners in freedom with their readers. Newspapers, like people, are not perfect, but their attention to the public's business is the public's best insurance against government inefficiency and wrongdoing."

Legion Auxiliary Holds Meeting

The regular monthly meeting of the Francis X. Elder American Legion Auxiliary Unit 121, was held last Tuesday evening with 11 members present. Mrs. Anna Shorb, president, presided.

Several thank-you notes were read, along with an invitation to a joint installation at the Hampstead Unit on Oct. 11. Members of the local Unit who attended this installation were: Anna Shorb, Margaret Shorb, Melva Hardman and Virginia Sanders. Members reported 50 hours baby-sitting for five children of Veterans. Members have been selling refreshments in the Post Home on Friday evenings, and the net proceeds for September amounted to \$23.70. The group voted donations be made to the Ambulance Fund and to the United Appeal Fund.

The president announced that the Unit had been awarded several District awards including: second place Potomac Cup for Community Service; Joseph C. Herbert Cup for Gold Star; and two Honorable Mention Citations for Rehabilitation and Child Welfare. Since Victor Cullen Hospital has been closed, it was announced that the Joy Shop Project of Rehabilitation would be turned over to the patients in Newton D. Baker Hospital in Martinsburg, W. Va. Anna Shorb, Anna Bushman, Melva Hardman and Virginia Sanders, attended a district meeting held at Funkstown.

The door prize was won by Mary Theresa Miller and Melva Hardman won the draw prize. Refreshment committee for November is Mary Theresa Miller and Beatrice Umbel.

Colleges List

Lectures, Concerts

Four concerts sponsored jointly by Mt. St. Mary's and St. Joseph Colleges, are listed for December under the 1965-66 Cultural Program.

The annual Christmas Concert will be presented December 5 in Flynn Hall, Mt. St. Mary's College at 4 o'clock in the afternoon by the College Glee Club under the direction of Rev. David W. Shaum. The Seminary Schola Cantorum will sing the Christmas concert in the college chapel Sunday afternoon, December 12, at 4 o'clock.

The St. Joseph College Chorus, under the direction of Sister Jane Marie, will present "Christmas

Fantasia" in DePaul Auditorium Wednesday evening, December 15, at 7 o'clock.

"An Evening With Earle Spencer" will be presented in the Mt. St. Mary's gymnasium Thursday evening, December 9, at 7:45 o'clock. The artist is one of the leading popular ballad singers. Admission is \$2.

The first lecture of the new year will be presented January 5 at 7:45 p.m. in St. Joseph College DePaul Auditorium by Dr. Albert Burke, television producer, star and author. He will discuss the dangers to the American way of life in "Ideas In Conflict."

The lecture and the Christmas concerts are free. All programs are open to students, faculty members and friends of the colleges.

Mrs. Tyson Welty and daughter, Barbara; Mrs. Philip Little and Mrs. Paul Orndorff, spent a recent weekend in New York at the World's Fair.

TODAY'S Meditation

from
The World's Most Widely Used
Devotional Guide

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Psalm 103:1-13.
It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O most High. (Psalm 92:1).
Some years ago, during family worship week, our pastor's wife invited several families to her

home for evening devotions. She encouraged the gathering to make thank offerings a part of our family worship.

At the close of the service, she called each member of her family to the family altar. Each one brought an offering in cash or kind, placed it in the plate, saying a few words of praise to God. One thanked God for passing the school examination, another for the recovery from illness, a third one for a birthday. The pastor thanked God for the manifold blessings he received during his ministry in the parish. His wife then handed over the offering to the parish treasurer who was present in the meeting.

We can all praise God for the salvation Christ offers and for Christian fellowship in the world. We can praise God for being called to serve Him in our daily life. For all these blessings each of

us needs to say, "Thank you, my God." Prayer

Our heavenly Father, help us to praise Thee in our home, in our church, and in our hearts. Guide us to witness for Thee in our daily life and to serve Thee with gratefulness. In Jesus' name we pray. Amen.

TV TODAY AND TOMORROW BY RALF HARDESTER Feature Editor TV GUIDE MAGAZINE

DEBBIE WATSON, THIS SEASON'S "KAREN," plays the title role in Tammy in that new series. It's based on the swamp-country girl once portrayed in

Debbie Watson in a new series

movies by Debbie Reynolds and later Sandra Dee... More pilot "dropouts" are being scheduled for the summer and fall. Vacation Playhouse on CBS has one called "Bravo, Duke," starring Gerald Mohr, Sebastian Cabot and Kathleen Crowley... NBC has baritone John Raitt signed for some across-the-board guest shots: Bell Telephone Hour, The Dean Martin Show and The Andy Williams Show... Lucille Ball will be looking up at Clint Walker in a segment of her television show this fall.

TIPPI HEDREN IS IN A SEGMENT of the new Ben Gazzara series Run For Your Life... Fred Astaire will be the host on four of The Hollywood Palace shows. His first guests will be ballet dancers Dame Margot Fonteyn and Rudolf Nureyev... National Educational Television has filmed a special tribute to the late composer Charles Ives for airing in the fall. Leopold Stokowski conducts Ives' Symphony No. 4... John Wayne, seldom seen on television except in commercials and his old movies, will appear on his friend Dean Martin's NBC show in September... Next season, The Flintstones will do a "bewitching" show featuring Elizabeth Montgomery's voice as one of the characters.

June Blair... returns

JUNE BLAIR, DAVID NELSON'S WIFE, is returning to The Adventures of Ozzie and Harriet. She has been on a year's leave of absence from the show... Don Knotts and Jim Nabors, once regulars on Andy Griffith's show, will be reunited with Andy in a variety special for CBS sometime next season... Trumpeter Al Hirt's CBS summer show, Fanfare, has an impressive guest roster. Signed are Eileen Farrell of the Metropolitan Opera, dancer Edward Villella, singers Bobby Rydell and Teresa Brewer... CBS's Look Up and Live will interview a number of prominent American authors on a series of shows. The subject: civil rights.

STATE HIGHWAY FATALITIES SHOW LARGE INCREASE

Of the twenty persons who were killed in Maryland highway accidents last week, speed was a contributing factor in thirteen of them, according to the weekly report of the State Police.

In six of the thirteen speed fatalities, alcohol also was a contributing factor.

Eleven operators were among those killed, together with eight passengers and one pedestrian, a nine year old child who upon alighting from a bus darted into the path of approaching vehicle.

In commenting on last week's toll the Superintendent of the Maryland State Police, Colonel Carey Jarman, pointed out that the total number of highway fatalities so far this year, up to midnight, Oct. 10, 1965, has reached 531, almost twenty-five per cent above last year's total for the same period.

"This is indeed a dismal picture," said Colonel Jarman, "and if it continues for the rest of the year we will reach the staggering total of 760 as compared with 616 in 1964.

"With monotonous regularity," continued the Superintendent, "investigation reports last week told the story of the speeding vehicle which failed to negotiate a curve, then ran off the road and hit a fixed object. To make matters worse, in six of these cases the reports indicated that the operator HBD (had been drinking)."

Valley Weekend Termed Success

Valley Home Weekend held last week at St. Joseph College brought more than 500 parents of seniors and freshmen to the Emmitsburg campus. On Sunday an overflow audience of more than 700 parents and students crowded into Brute Hall for the annual Valley Home Brunch to hear Rev. Robert I. Gannon, S.J., former president of Fordham University, and the seniors' tribute to their fathers by Gertrude Vavrina, '66, of Baltimore. Dr. Vernon Vavrina, associate superintendent of instruction in the Baltimore City School System, responded for the fathers.

Father Gannon spoke on his personal observation of the development of Vatican relations with the world from the turn of the century when the strong nationalistic sentiments of world powers rejected the Vatican's international outlook to the complete reversal of attitude manifested by the overwhelming ovation accorded Pope Paul a week ago in New York.

Vatican public relations, he stated, are wrapped up in the personality of each pope. History points up the responsibility of Catholic laymen to be sources of correct information concerning the papacy. Father Gannon would refer to such laymen as "members of the Papal Board of Public Relations."

Freshman parents arrived on campus Friday for the academic investiture of their daughters at an evening convocation. Sister Rosemary Pfaff, D.C., president, welcomed the parents and presided over the investiture ceremony.

Senior parents arrived Saturday morning, and registration of both groups preceded the parents' meeting. Planned as a future annual activity of Valley Home Weekend, the Parents' Committee was organized this year by Robert J. Higgins, executive vice president of Broadcast Music, Inc., New York. Mr. Higgins is a member of the President's Board

of Lay Advisors at St. Joseph's, and father of two alumnae. Other members of the Board also addressed the parents and projected the areas of college development for the next ten years.

Parents and faculty met informally at the traditional Valley Home Tea in the Student Center in the afternoon. An impromptu softball game was arranged following the tea when the daughters challenged their fathers to a game. Mothers acted as umpires. The final score is still debatable!

A musical comedy entitled "Your Fair Freshmen" was presented in DePaul Auditorium in the evening. Special lyrics, satirizing the problems of adjustment to campus life, were written by the freshman class.

A father-daughter dance followed in the Student Center. On Sunday morning, prior to the Valley Home Brunch, Mass was offered in DePaul Auditorium to accommodate the unprecedented number attending the service. Rev. Martin Sleasman, C.M. was the celebrant. Three parents and a faculty member assisted as lector and servers.

VFW Auxiliary Meeting Held

The regular meeting of the Ladies Auxiliary to Emmitsburg Memorial Post 6658, Veterans of Foreign Wars, was held at the Post Home last Thursday with President Rita Byard presiding. Ten members were present.

A letter was read informing the members of the District meeting to be held on October 13 at Union Bridge. The President and several members planned on attending this meeting. Final arrangements were discussed for the wedding to be catered by the Auxiliary on October 16.

It was decided by the members to hold a Rummage Sale. The date for the Rummage Sale to be November 5, at 6 p.m., in the Auxiliary meeting room. Since the treasurer was not present, a

report was not given.

The refreshment committee for the next meeting will be Catherine Hodge and Marion Timmerman. Anna Shorb's name was drawn for the door prize but was not present. Following the meeting refreshments were served by Gloria Martin and Phyllis Joy. The next meeting will be held on November 4.

Firemen Will Receive "Shots"

The current fund drive being conducted by the Vigilant Hose Co., now has reached a total of \$4,987.25 it was announced at the regular monthly meeting of that group held Tuesday evening in the Fire Hall, President John S. Hollinger presiding.

Chief Sterling H. White reported five fire calls handled since the last meeting. Dr. George Green reported no difficulty would be encountered in obtaining tetanus shots for the firemen, with the cooperation of the 3 local physicians. It is hoped to have the tetanus inoculations available for the November meeting.

The building committee reported the sewer line to the new annex had been connected with the town's main line and that Hahn Plumbing had been engaged to do some plumbing alterations to the furnace. Also that a few suggestions made by the Fire Marshal on a recent inspection trip here had been investigated and situations corrected. Among the recommendations of the Fire Marshal was the installation of a door between the firemen's meeting room and that of the Masonic Lodge thereby providing two exits in case of an emergency. Jeff

Fitzgerald was named to a committee to make the improvement. The firemen passed a rule that future dances held in the hall by teen-agers would have to be chaperoned by several adults and at least one fireman.

President Hollinger appointed the following nominating committee: Arthur Damuth, chairman, Eugene Myers and Ronald Stouter.

Westminster Man Killed In Crash

Joseph L. Click, 60, of near Westminster, was killed in a two-car accident Saturday on Md. Rt. 97 near Westminster. State Police said his car crossed the center line and struck an on-coming car head-on.

The other car was driven by Miss Pamula Sue Gentry, 29, of Glen Burnie. Miss Gentry is in Carroll County General Hospital suffering from a fractured skull. Passengers in Miss Gentry's car, Walter A. Sadler, 18, of Baltimore and Charles E. Stephen, 11, of near Westminster, were treated for minor injuries at the hospital and released.

Police said the Stephan boy was missing immediately following the accident and was not located until six hours later, when he was found walking in a dazed condition not far from the scene of the crash.

Click, a long-time employee of the Westminster Coca-Cola Bottling Company, was born in Frederick County, a son of the late Josiah and Anna (Humerick) Click.

He leaves his wife, Mrs. Annie Eckenrode Click; three sons: Raymond L. Daniel H., and Jack T. Click, all of Westminster; three daughters: Mrs. Donald L. Stephan and Mrs. Joseph Bauerline, both of Emmitsburg, and Mrs. Harry J. Farver of New Windsor; 39 grandchildren; a great-grandchild; two brothers: Earl N. Click, Westminster, and Ernest G. Click of Taneytown; and two sisters: Mrs. James J. Murdock, Westminster, and Mrs. Nellie V. Eyer of Walkersville.

Funeral services were held on Wednesday at 10 a.m. from the Myers Funeral Home, Westminster with the Rev. Elton M. Crossland officiating. Interment was made in Mountainview Cemetery, Emmitsburg.

Mount Homecoming This Weekend

The 1965 Annual Homecoming at Mount Saint Mary's College and Seminary will begin with Mass at 5:00 p.m. Friday. Rt. Rev. Robert R. Kline, Ph.D., college president, will be the celebrant.

Following the services the President will hold a reception and a seafood smorgasbord for the alumni, faculty and guests in the Cogan Union. Friday is designated as Clergy Day in honor of the many priest alumni who are busily engaged in parish duties on other days of the weekend.

Saturday's program opens with low Mass in the College Chapel,

8:00 a.m. The Mass is in memory of deceased Alumni. Saturday's schedule includes a meeting of national officers, chapter officers and committees, a luncheon, annual meeting of the Alumni Association, faculty wives' reception and fashion show, class reunions, President's reception, the alumni dinner and homecoming dance.

Mr. Joseph M. Fitzgerald, Miami attorney and an alumnus of the Mount, has been chosen to receive the first Simon Brute Medal, awarded by the National Alumni Association to an alumnus for distinguished achievement.

R. Sargent Shriver, Peace Corps Director and Director of the President's Anti-Poverty Program, has been chosen to be the recipient of the Du Bois Medal, presented by the Alumni Association to one for distinguished public service.

Farm Allotments Should Be Checked

Wheat allotment notices for 1966 have been mailed to all farmers. Sign-up for the 1966 wheat Diversion Program has been scheduled to coincide with the spring sign-up in feed grain. Farmers

desiring to keep wheat planting within the 1966 allotment and thus be eligible for price support and wheat diversion and feed grain sign-up next spring can secure premeasurement of proper wheat and feed grain acreage before seeding. The farmer must apply for this service and pay for measurement costs at the county ASCS Office in Winchester Hall, Frederick.

Spotchecks of additional farms in the diverted acreage programs, again point out the importance of harvesting no crops from diverted acreage and keeping farm animals from grazing diverted areas between May 1 and Nov. 1. Of prime importance is the establishment of a vegetative cover and mowing of diverted acres when required by the Frederick ASC Committee.

Farmers planning to use lime under the 1966 Agricultural Conservation Program (ACP) are urged to take soil samples now and have them processed in the laboratory before the busy spring rush. The 1966 ACP will continue a high cost share rate for lime used according to soil test.

Farmers selling land or buying land should report sales and purchases to the Frederick ASCS Office in order that proper ownership records may be established and maintained. Also, proper adjustments can be made in feed grain base, wheat allotments, conservation reserve, and other payments which may be due.

Glee Club Elects

He was a son of the late David and Alice (Angel) Sullivan. Surviving are a son and a daughter, Mrs. Georgia Romaine Hahn and Lawrence Bradford Sullivan, Taneytown; four grandchildren, and two great-grandchildren.

Funeral services were held on Wednesday morning at 10 o'clock from the C. O. Fuss and Son Funeral Home in Taneytown with the Rev. William A. Markley, officiating. Interment was made in the Keysville Cemetery.

MRS. RUSSELL MILLER

Mrs. Margaret Louise Miller, 42, wife of Russell Miller Sr., of Sharpsburg R1, died at the Washington County Hospital, Saturday afternoon after an illness of five years.

She was born in Smithsburg, a daughter of Clarence and Latty Weisinger Frazier and lived in that area all her life.

She was a member of the Christian Alliance Missionary Church.

Besides her husband, she leaves: daughters, Mrs. Shirley Hewitt, Emmitsburg; Mrs. Judith Ann Jackson and Miss Linda Lou Miller, both of Williamsport; Miss Patricia Miller, Miss Jean Marie Miller and Miss Betty Mae Miller, all at home; sons, Russell Clarence Miller, Emmitsburg, and Edward Eugene, at home; brothers, Earl Leroy Frazier, of Lititz; Chester Milton Frazier and Clarence Ellsworth Frazier, both of Hagerstown; Walter Wishard Frazier, Wolfsville; sisters, Mrs. Katherine Hull, of New Jersey; Mrs. Viola Bryum of Taneytown; Mrs. Anna Mae Stouffer, of Elizabethtown, and five grandchildren.

Funeral services were held on Tuesday at 2 p.m. at the Rouser Funeral Home with the Rev. William Beers officiating. Interment was made in Welty's Churchyard, Greensburg, Md.

Laurel Gears

For Saturday Meet

The carefully cultivated grass of the infield turf course at Laurel Race Course is in superb condition for the opening Saturday of the 25-day fall race meeting, which emphasizes grass racing climaxing with the world renowned \$150,000 Washington D. C. International.

Three stakes will be contested on the International grass course prior to the 14th running of the classic on Veteran's Day, November 12. The mile and one-half International looms as one of the most important renewals of the contest which decides a "Horse of the World" when American champions and the best of nations around the world gathered at Laurel.

Opening day feature is the \$25,000 Laurel Turf Cup.

Post time for the first race will be 1 p.m. On Thursdays, ladies are admitted on payment of tax only and will be treated to a "Lucky Lady Seminar" featuring racing personalities prior to the races.

Mount Soccerites Drop Contest

The Mt. St. Mary's College soccer team suffered its first loss after four victories Tuesday afternoon when it bowed 4-3 to Shippensburg State College on the latter's field.

Ken Swonley booted home two goals for the Mounties while Dana Kimmel scored the other.

The Mountaineers, leaders in the North Division of the Mason-Dixon Conference with a 3-0 mark, meet Lynchburg in a conference game here this afternoon.

Emmitsburg High School Activities

By GEORGE RICHARDSON
The Junior Class of Emmitsburg High is sponsoring a Bake and Food Sale on Saturday, Oct. 16, at 10 a.m. in front of the Fire Hall. Pies, cakes, brownies, potato salad and many other foods will be on sale.

In an exciting finale to Monday's game against the '64 Championship soccer team from Thurmont, the Liners got the only score of the game on a field goal by Roland Snyder. The 2-0 win over the Mountaineers has left Emmitsburg with a record of 3 wins and 2 losses.

The 8th and 9th grade girls will be hosts to the Fieldball Play Day on October 20. Each grade will have 4 teams consisting of 3 girls from each

participating school.

The 8th grade teams are: rockets, rainbows, moons and stars. The 9th grade teams are: pumpkins, brooms, cats and ghosts.

In intramural fieldball, the first game was played on Tuesday between the 8th grade and the 9th grade. Nita Lindsey scored in the 1st quarter for the 8th graders. No scores were made in the 2nd quarter but the 3rd quarter saw the 8th grade score again via the fine play of Darlene Glass.

The 4th quarter was a busy one with Carolyn Keilholtz scoring for the 8th and Collen Hewitt and Judy Smith both scoring for the 9th grade.

The 9th grade showed great sportsmanship in the acceptance of its defeat as did the 8th class in its attitude after the exciting game. This reflects upon the fine instruction of the Physical Education instructor, Mrs. Helen Reed.

Lions Protest

Intersection Deaths

The Emmitsburg Lions Club will hold its annual Charter and Ladies' Night jointly with the

Thurmont Lions Club it was decided at the regular meeting of the group held Monday evening in Mt. Manor Restaurant, President William H. Kelz presiding.

The affair will be held on Wednesday evening, Oct. 20 at 7 p.m. in the Peter Pan Restaurant, Urbana. A donation was authorized to the United Appeal.

After discussing the fatal accidents at the intersection of Rts. 15 and 97 the club voted to contact Cong. Charles Mathias relative to some changes desired at the intersection.

Seek New Street Lights In Woodsboro

Plans for an improved lighting system for Woodsboro were revealed this week at a meeting of the Woodsboro mayor and council.

Mayor C. Carroll Wickless said the town has asked the Potomac Edison Company to conduct a study of the town's illumination and to make recommendations for the installation of several additional lights.

The new lights, being planned to fulfill the requests of several Woodsboro residents, will be the 7,000 luminal type, Wickless said.

Planning New Fire Hall At Rocky Ridge

A building permit was granted the Rocky Ridge Fire Company this week to construct a \$30,000 fire house and community hall on Md. Rt. 76, 500 feet north of Md. Rt. 77.

The 60-by-82 foot fire company building with basement and built-up roof will be constructed of concrete block with a brick front. It will be located on a two acre lot. Charles Mumma of Rocky Ridge is in charge of the project.
