Holy smokes! You've been reading how the Government has been cracking down on cigarette smoking and forcing manufacturers to label the packs of being of a possible injurious nature. Well you also have been reading of the State of Maryland nabbing cigarette smugglers too. Louis Goldstein, state comptroller, announced this week that the state now has thousands of packs of smokes confiscated and is selling them at six cents a pack to the patients at State Hospitals. Seems that one form of government differs with the other as to the danger of cigarettes to one's personal health.

Tighten up your belt and conserve that water is the advice of the Secretary of the Interior Stewart Udall, because 1966 could very easily be the fifth consecutive year of drought. This is the time of the year when water shortages are not evident he said. However, the conditions which contribute to future shortages still are present. This is a very somber warning and one from someone who is experienced in this sort of thing, so if you plan to dig wells this year, or increase the depth of those now existing, be certain to make them deep enough. Unless we get heavy rain next month, April, it is almost certain that we'll be in for another dry year and it'll be roughest July through October.

Interest in the local election next month is finally being manifested. With one candidate in the field there more than likely will be others for the two positions open. Over 500 citizens are registered and will make their decision on April 26. If you haven't as yet registered better do so today. All that is necessary is that you go to the Town Office and tell the Clerk what you want. It is as simple as that. There are certain to be many more major projects to face this community in the next three years and we want the best of our leaders to take up the guiding reins and lead us to success in these ventures. A lot has been accomplished over the past decade or so and much more remains to be finished. It takes courage and prudence to hold an office of this type and the apathy of the public is hard to understand. The pay is little or nothing and one is subject to harsh criticism, be he right or wrong. I often marvel at the courage of our leaders here but they must have a sense of deep loyalty to their community, regardless of what you might personally think of them. All that is asked of you, as citizens, is to take the time out to vote and encourage these men to run for office. The coming election is expected to prove an interesting one and as the next two weeks roll around we'll have the names of all the candidates to submit to you, who will make the final decision. In the meantime, if you know of any unregistered individual who is qualified to vote, make an effort to have him or her register.

"Music Man" Play Set For Three Days

"The Music Man", Meredith Wilson's smash Broadway musical, will be presented at St. Joseph College on Friday, Saturday, and Sunday, March 25, 26 and 27, under the joint sponsorship of students at St. Joseph's and Mt. St. Mary's Colleges. The proceeds from the performances, as well as funds raised during the year, are applied to the Mount's Paradise Guild Scholarship Fund. The fund provides a full Scholarship to the Mount for a student at the Paradise Protectorate in Abbotstown, Pa.

Directed by Kay Kelly, speech and drama instructor at St. Joseph's, the cast consists of students from both colleges and children of staff and faculty members.

The performances will be held in DePaul Auditorium on St. Joseph's campus. Curtain time is 8 p.m. on Friday and Saturday, and 3 p.m. on Sunday. Tickets may be purchased at the box office at \$1.50 for adults and \$1 for children. The public is cordially invited to attend.

Local talent has been called on for supporting roles in "The Music Man." Miss Jean Rodgers, 8-year-old daughter of Mr. and Mrs. Eugene Rodgers, Fairfield R2, is cast as "Amaryllis." The role of "Winthrop Paroo" is being enacted at alternate performances by two Ft. Ritchie lads, George Brown, son of Major and Mrs. Lawrence Brown, and Dennis Keegan, son of Colonel and Mrs. Christopher Keegan. The three youngsters attend the Mother Seton School in Emmitsburg.

Former members of the Emmitsburg Municipal Band, Wilmer and Wallace Shank and Thomas Knox will tune up once again as members of the famous "66 Trombones."

Church Group To Honor Organist

The Emmitsburg Presbyterian Church will present a program in honor of Mrs. Mary Rosensteel in token of appreciation for the many years of unselfish and dedicated service to the church and community.

A fifty voice choir will present "The Crucifixion," by Stainer. Thirty voices from the choirs of the United Presbyterian, Elias Lutheran, United Church of Christ and Methodist Churches of Emmitsburg will unite with twenty voices from various chorals groups in Baltimore to present "The Crucifixion" on Thursday evening, April 7 at 8:30 in the Presbyterian Church.

Directing will be Mr. Diehl Ackerman, a senior music major at Towson State College. Mr. Ackerman is currently associated with Charmita where he is planning to build a new house. His lovely wife, Betty, is no less talented and, together, they seem dedicated to the principle that it shall be done well. "The many tints and shades seen by those who have the touch of mastery" shall be in evidence.

Soloists for the occasion will be Mr. Wallace Williams and Mr. Forrest Williams, a father and son team, singing baritone and tenor, respectively. Both men are well-known in the business world in Baltimore since they are the principals in a large insurance firm. Politically, Mr. Williams is on the County Council in Baltimore County, representing the Dundalk area. Musically, both men have conducted choirs and both have done solo work in Baltimore and vicinity including the Lyric Theater.

To this generous array of musical talent, the Presbyterian Church extends a cordial invitation to everyone to come and hear the presentation of Stainer's "The Crucifixion." Early arrivals will hear several selections by the Presbyterian Handbell Choir.

Robbers Visit Pants Factory Twice In Month

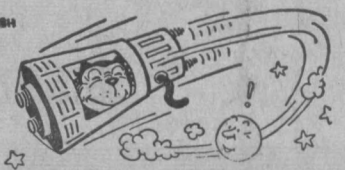

Seven hundred pairs of men's trousers, reportedly valued at \$8,400, were stolen from the Loudoun Mfg. Co. plant, W. Main St., Friday.

This was the third theft of this type this month in the area. March 1, thieves took about \$18,180 worth of clothing from two Carroll County establishments.

Officer Wilmer E. Law said the robbery was discovered about 7 a.m. Friday.

The thieves had broken out a screen to a window in the rear of the West Main Street factory, and then broke the lock on the window to gain entrance.

Once inside the thieves opened the front door of the clothing plant and hauled 700 pairs of men's trousers, already boxed for shipment, into a waiting vehicle.

School Production Cast Interviewed

The leading members of the cast of "The Sound of Music," to be presented by the Senior Class of Emmitsburg High School, were interviewed this week by Mr. Howard Goodrich, English Supervisor for Frederick County. Mr. Goodrich questioned these leads concerning the presentation of the character portrayal, the type and construction of the sets, musical training and rehearsal, and the problems concerning a production of this calibre.

The interview was taped and will be broadcast over radio station WFMD on Sunday, April 10.

Rehearsals are in full swing and it looks as though a brilliant performance will be given by Marjory Richards portraying Maria Rainer, Ralph Ohler as Captain von Trapp is also outstanding as the militaristic father of seven, who has romantic overtones. As the leading soprano, Susan Crouse has very successfully developed the character of Mother Abbess at Nonnberg Abbey. Supporting the leads are Joseph Baldacchino as playboy Max Detweiler, and Betty Tokar as the femme fatale, Elsa Schraeder. Rounding out the cast are other students from the elementary and high school.

A group of student musicians from various schools in Frederick, under the direction of Mr. Gary Smith, will provide the orchestral accompaniment.

In early April, a patron drive will be held for the Senior-sponsored production. For the price of just five dollars, a patron will have his name printed in the program, and receive two tickets for reserved seats in the choice sections of the auditorium.

The Senior Class of Emmitsburg High School truly hopes to see you on either April 22 or 23 at 7:30 p.m. for its presentation of "The Sound of Music."

Dr. J. W. Houser Files For Commissioner

Activity in the coming Town Election was generated this week when the first candidate for office filed with Town Clerk Yonnie Baker. Rumors have several who are planning to file at a later date but to date there is only one official filing.

First to register at the Town Office was Dr. J. W. Houser, incumbent Commissioner, who has filed to retain his seat in the Council. Dr. Houser is presently chairman of the Board of Commissioners and Town Treasurer. He has served six years as a public servant on the Board and is seeking another three-year hitch.

In addition to the opening for one Commissioner, the Mayor's election is due this year and the election will be held on Tuesday, April 26. Mayor Ralph F.
