Most Anything At A Glance

- By Abigail -

Perhaps you don't realize it but the time is drawing near for the Big Community Show at Catoctin High on Friday and Saturday, Sept. 18 and 19. Several years ago Emmitsburg and Thurmont Granges held separate shows at different times. The last couple of years, the two towns combined their shows and it is rapidly becoming one of the best in the State, and an asset to the communities which sponsor it. So, if you are one of those who is interested in exhibiting your products better start planning now to enter some of your handicrafts or farm products in the event. If you are just one of those, like myself, who likes to see interesting and nice things, why not make plans to take in the show? It will afford you a real evening of entertainment and the admission is free! And finally, if you like good band music, the Emmitsburg Municipal Band will be on hand to provide you with an interesting and pleasant evening of excellent band music.

While the traffic fatalities did not establish a new record over the Labor Day weekend, the total was great enough to set one thinking. Some 568 citizens put their life on the line and lost over the weekend. The National Safety Council had estimated that between 570 and 670 would die. This estimate was rather close but far from the record set in 1968 when 688 met their Maker. Actually, with the number of cars increasing yearly and consequently more drivers on the road, I guess we are fortunate in a way to be able to stop setting new fatality records. Anyway, that 568 figure leaves me with a note of sadness and I hope it can be lightened somehow.

Have you noticed the abundance of mosquitoes that have plagued Emmitsburg this summer? The critters appear to be setting quantity records of some sort. Really, it has been almost impossible to sit out in your yard, or on an unscreened porch the whole summer. The abundant rain we received in early summer apparently created many holes and pockets of stagnant water in Flat Run and which subsequently became breeding areas for the pesky insects. An attempt has been made to alleviate some of these areas by dredging Flat Run but I am afraid if the same situation prevails next year, the areas will have to be sprayed with insecticide. With the advent of cooler weather the mosquitoes will soon disappear so there's no use wasting more money on their eradication at this time. However, we should be ready for these pests next year so we can enjoy our homes, porches, yards, etc., and also be able to get some sleep without having to be an involuntary blood donor.

Don't look now folks, but do you realize there is an election staring you in the face? Why really, it is next Tuesday. It has been a job studying the list of candidates because they are so numerous. People report seeing more politicians in town this year than ever before. I guess the reason is that there are so dang many. Anyway, these offices are vitally important to our State and County, so study your ballot and vote intelligently.

Senior Citizens Plan Corn Game

Monday, September 14, is the regular Board meeting in the Senior Citizens Center at 10:00 a.m.

Tuesday evening, Sept. 15, at 7:30 o'clock, is the time set for the regular monthly meeting of the Senior Citizens Club. This will be a corn game in which the prizes, brought by the members, will consist of garden produce—any thing from potatoes to peach jam and back. Everyone come and have fun!

Without a free press there can be no free society.—Justice Felix Frankfurter.

Distribution of the new telephone directory for Frederick and nearby communities is scheduled to begin September 16, according to C. V. Weakley, manager for the C&P Telephone Company. The 1970 phone book will provide callers with 37,000 numbers—some 10,000 more than last year's Weakley said.

19,000 Students Are Enrolled In County Schools

A first-day enrollment of 18,902 for Frederick County public schools was reported this week by the office of the superintendent. The total enrollment is expected to increase to the projected figure for the year of 19,162.

The first day enrollment is 257 above last year's count taken at the same time of 18,645.

The first day also showed a total of 167 kindergarten pupils enrolled, the first in the school system. Of these, 40 were at South Frederick, 32 at Elm Street, 32 at Sabillasville, 63 at Valley Elementary.

The schools take the official enrollment on Sept. 30 and by that time the county is expected to come close to its predicted total of 19,162.

Based on previous years, the increase from first day to Sept. 30 has been tallied as follows: 1967-up 247, 1968-up 214 and 1969-up 95.

The increase comes as students and their families return from vacations, students complete their appearances in the State Fair, and the like.

The individual enrollment by school follows:

Elementary — Carroll Manor 396, Parkway 380, South Frederick 716, East Frederick 391, Elm Street 628, North Frederick 599, West Frederick 85, Harmony Grove 77, Middletown 468, Emmitsburg 221, Wolfsville 172, Urbana 489, Liberty 611, New Market 603, Sabillasville 153, Woodsboro 116, New Midway 193, Valley 375, Thurmont 474, Thurmont Middle 344, Myersville 196, Lewistown 380, Yellow Springs 326, Waverly 619, Brunswick 524, Walkersville 423. Total: 9916.

Secondary — Frederick High 858, West Frederick Jr. 1152, Thomas Johnson 2385, Middletown 877, Emmitsburg Middle 69, Linganore 916, Catoctin 802, Thurmont Middle 339, Brunswick 856, Walkersville 687. Total: 8941.

R. ERSA SIX

Private funeral services were held Tuesday, Sept. 8 at 7:30 p.m., hardt Funeral Chapel, Owings Mills, for R. Ersa Six, 62, who died Wednesday, Aug. 26 at Mt. Wilson State Hospital after a lingering illness. He was born in Emmitsburg and was a retired factory worker. He was the son of the late Ersas Six and is survived by his mother, Mrs. Daisy Troxell Simpson, Emmitsburg. Six was a veteran of the Second World War.

Skin cancer, the most common form of cancer in America and at the same time the most curable, can often be easily treated in a doctor's office, says the American Cancer Society.

Phone numbers for residents of several communities in this area have now been included in the Frederick directory, he explained.

Band Plans Trip To Hershey

The Emmitsburg Municipal Band will present a concert at the annual Community Show to be held at Catoctin High School on Saturday evening, Sept. 19, at 8 p.m. All members are asked to meet at the Band Room at 7:00 P.M.

The band will spend an outing at Hershey Amusement Park on Sunday, Sept. 13. All members are invited to attend. The bus will leave at St. Euphemia's School at 12 noon, and return home at 10:30 p.m. The band will pay for the bus, but each member must bring his own spending money. It is suggested that each member bring a lunch and a light jacket or sweater.

The winner of the 50-50 drawing held last Saturday was Gary J. Sanders, Emmitsburg. The winner's share was \$164.00. Many thanks to all those who bought tickets and helped make this raffle a success.

Due to the extreme length of the Pennsylvania State Firemen's Convention Parade in Gettysburg on September 26, the band will not participate this year. Remember, practice every Wednesday at 7:30!

Bed Fire Causes Slight Damage

A man found his bed afire in the Elder building in one of the apartments above the Chronicle Press on S. Seton Ave., early Sunday morning.

Fire Chief Guy R. McLaughlin of the Vigilant Hose Co., said Wilbur Ridge was awakened about 6:05 Sunday morning to find the mattress of his bed afire. He leaped from the bed, threw several basins of water on the blazing mattress and then ran toward the firehouse.

Chief McLaughlin said Ridge's action of throwing water on the mattress prevented a more serious fire. He added that the blaze apparently began in a wastebasket near the bed in Ridge's apartment, then spread to the mattress. When firemen arrived they threw the mattress out a window, then used a smoke ejector to rid the building of the smoke.

Emmitsburg firemen were also called Sunday afternoon at 4:22 when a field fire occurred on the Robert Baer farm about three miles south of Emmitsburg on the Old Frederick Road. About an acre was burned over.

Announce Birth

A3/C and Mrs. Donald B. Byard, Jr., Biloxi, Miss., announce the birth of a daughter, Jennifer Lee, on Sept. 8, 1970. Paternal grandparents are Mr. and Mrs. Donald B. Byrd, Sr., Emmitsburg, and maternal grandparents are Mr. and Mrs. Frank Bowserox, formerly of Gettysburg.

Dial 447-6121 to report a fire.

Ice Show Star Will Appear In Baltimore

Anna Galmarini . . . the fiery Italian skating champion and world's professional titleholder, is one of the stars of the 26th edition of Holiday On Ice. Miss Galmarini is back with the United States production of the world famous skating spectacular after scoring a sensational success with Holiday On Ice in Europe last season. She will be seen when Holiday comes to Baltimore in the Civic Center from September 15 through September 20.

Minimum monthly social security retirement benefits—for people 65 and over—have been increased six-fold—from \$10 to \$64—since the program began in 1935.

Now Registering For Pass, Punt, Kick Contest

Friday, Sept. 11, registration will begin for the 1970 Punt, Pass & Kick Competition in the showroom of Sperry Ford Sales. In making the announcement, Mrs. Ada Sperry, Proprietor of the dealership, said: "We're looking forward to a big local PP&K competition in Emmitsburg this year. We hope all the boys 8-13 years of age in this area will come in to register and take part."

Mrs. Sperry pointed out that PP&K—throughout its six levels of competition—is free of any charge, and that a boy need only have a parent or his guardian accompany him to the showroom to register.

"Our competition here will have 1st, 2nd and 3rd place trophies for boys in each of the six age groups, or 18 trophies in all," said Mrs. Sperry. "Increasing each boy's chances of winning is the fact that he competes only against other boys in his own age group," said the Ford Dealer.

"Of course there is no body contact in PP&K. It's punting, passing and place kicking for distance and points, just as the name says. First place winners in each age group in our competition will go on to the zone competition. And from there, top winners go on up the ladder through district, area, division and national finals," she said.

"This year, the national finals will be held in Los Angeles at the pro All-Star game, January 24. Finalists get an all-expense-paid trip to Los Angeles for themselves and their parents, plus a special tour of Disneyland, a Banquet of Champions celebration, and the chance to meet some of the top players and coaches in professional football. Naturally, we hope some of our Emmitsburg PP&K winners will make it all the way to the finals," Mrs. Sperry said.

The Ford Dealer further explained that each boy upon registering receives a free PP&K Tips Book. In the 1970 edition, there are competition tips by NFL stars Dave Lee, Bill Nelson and Fred Cox plus all-round suggestions from Coaches of the Year Hank Stram and Bud Grant. The Tips Book also includes complete PP&K rules and helpful conditioning exercises for contestants.

PP&K registration will close at Sperry Ford Sales on Sept. 26. This is the 10th anniversary year for PP&K. From its inception the youth activity has been sponsored by the Ford Dealers of America and the National Football League. In that time more than 6,000,000 boys have taken part in PP&K, making it the largest and fastest growing activity of its kind in America.

When the press is free and every man able to read, all is safe.—Thomas Jefferson.

New Community Show Scheduled Next Week

The 14th annual Community Show will be held Sept. 18 and 19 at Catoctin High School in Thurmont. The show is sponsored by the Thurmont and Emmitsburg Granges and the Catoctin FFA.

Exhibits may be entered in the show on Thursday evening, Sept. 17 from 7 to 9 p.m. and Friday morning, Sept. 18 from 8 to 11:30 a.m. The departments are: fresh fruits, fresh vegetables, canned fruits, canned vegetables, pickles, baked products, jellies and preserves, meats (canned and home-cured), sewing (crocheting, needlework, embroidery, and knitting), corn, small grains and seeds, hay, nuts, poultry, eggs arts and crafts home products display and miscellaneous. The judges for the show will be Mr. and Mrs. Paul Stull and Mr. and Mrs. Kenneth Wisnerd, Walkersville; Mr. and Mrs. Harlan Biggs of Hagerstown, and Mr. and Mrs. Arthur Gernand of Thurmont.

The show committee expects over \$800 to be awarded in premiums. The Maryland Turkey show will also be held in conjunction with the show.

On Friday night, Sept. 18, at 8 p.m., the FFA Chapter Sweetheart contest will be held in the auditorium. Miss Mary Lynn Ogle, 1969-70 Chapter Sweetheart, will crown the new Chapter Sweetheart. The Catoctin football team will be introduced along with coach Bill Hodge and his assistants, Paul Nolan and Dominic Massett. Other distinguished guests of the local, county and state agricultural interests will be introduced as well.

The Sweetheart Dance will be held in the cafeteria featuring "And Hope," local dance band from Thurmont.

On Saturday, Sept. 19, at 11:00 a.m., a pet show, bike rodeo, pie eating and greased pig contests will be held. At 8 p.m. the Emmitsburg Municipal Band will present a concert in the auditorium. Also a roast beef platter will be served in the cafeteria by the Catoctin School Community Association from 4 to 8 p.m.

Local Residents Plan Engine Show

The 2nd annual Sheeley and Ohler Farm Engine Show will be held Sunday, Sept. 27, starting at 1 p.m. at the Earl Sheeley residence, 1 mile north of Emmitsburg on old Rt. 15. Everyone is cordially invited to attend this interesting event.

The fully mature antelope is a 100-pound trimmed down racing frame of nervous energy, capable of sprints that have been clocked at 60 and a sustained gallop at 40 miles an hour.—Sports Afield.

House Built; Town Disputes Land Ownership

Chairman of the Board J. Norman Flax presided over the regular meeting of the Burgess and Commissioners of Emmitsburg at their regular meeting held Tuesday night in the Town Office. The meeting was held Tuesday night instead of the usual Monday because this past Monday was a holiday.

Charles E. Smith appeared before the Board and asked the Town to construct a water line to his property on Mountainview Road, and also for a tap-in to a barn located there. Council took the matter under advisement. John G. Humerick questioned the Council concerning its policy of installing sewage lines outside the corporation limits. Humerick explained that potential real estate buyers living in other areas were interested whether or not sewerage could be obtained here if building continued. Council explained that in only one other instance, about 15 years ago, was sewerage extended beyond the limits and that the rate was one and a half times what was charged inside the corporation.

Police Chief W. Henry Filler presented his monthly report and asked for an amendment to the local ordinance governing riding of bicycles. The present law restricts the bicycles in sizes over 20 inches in wheel dimension. The amendment would restrict all bicycles, regardless of size, from being ridden on the sidewalks. Chief Filler also presented specifications from four garages on a new cruiser. Bids will be asked at a later date.

The Police Dept. appealed to Council for additional help on the force. Council will study the matter at a special meeting in the near future. The minutes of the August meeting were approved with additional information added to the discussion of the new Koontz house on Crystal Fountain Road.

Mayor Samuel C. Hays read a letter from the Town's Attorney, Fred Bower, concerning land on which Charles Koontz has built a house. The lawyer explained that he has gone as far as possible checking land records and now the land must be surveyed to determine ownership. Council has ordered a survey to be conducted. There has been some contention for some time as to the ownership of this land. Mr. Koontz maintains he is the rightful owner and has built a house on it while the Town of Emmitsburg says the ground is part of the Emmitsburg watershed and belongs to the Town.

The Town has offered to purchase the Hattie Wantz ground on N. Seton Ave., provided the State allow a suitable entrance. The cleaning and dredging of certain sections of Flat Run were discussed. Mayor Hays and Francis Hobbs are using their equipment on the project and it was decided to clean out another 50-60 feet. The Council ordered a storm drain on the Thomas Bollinger property repaired. The drain, located in a field, would cause the surface water to drain into a stream, if repaired.

Recently installed blow-offs and taps to the Charles Smith property which were covered before Town inspection, were ordered excavated for inspection by the Town, after a lengthy discussion. The action was by unanimous consent of the Council.

**Local Youths
Get Fair Honors**

Last week at Timonium, Viki Wivell won second place in the State Horticulture Judging Contest. This is the third year in a row that a member of the Rocky

Ridge Progressive 4-H Club has made the state team. James Wivell, Jr., of the same club, placed sixth in the contest and made the second team. Those participating in the Junior Horticulture Contest from the Rocky Ridge 4-H Club were Jeffrey Wivell and Angela Wivell.

For 1971, Maverick offers two new models — the four-door family-sized sedan (top) and the sporty Maverick Grabber (bottom). The four-door version is seven inches longer than the original two-door Maverick model and offers substantially increased rear seat roominess. The Grabber Sport Sedan features a Charblack grille, twin nonfunctional air scoops, reflective tape stripes, racing mirrors and a blackout treatment of the spoiler and rear end. The model that started it all, the two-door sedan, also will be available in 1971.

**VFW Auxiliary
Meeting Held**

The regular monthly meeting of the Ladies Auxiliary to the Veterans of Foreign Wars, Post 6658, was held at the Post Home on Thursday, Sept. 3 with President Gloria Martin presiding. It was announced that a District Meeting will be held Sunday, Sept. 27 at 7 p.m. at the John R. Webb Post Home in Frederick. Delegates to this meeting are Evelyn Ott, Catherine Hodge and Dolores Henke. Alternates are Lois Hartdagen, Phyllis Joy and Rita Byard.

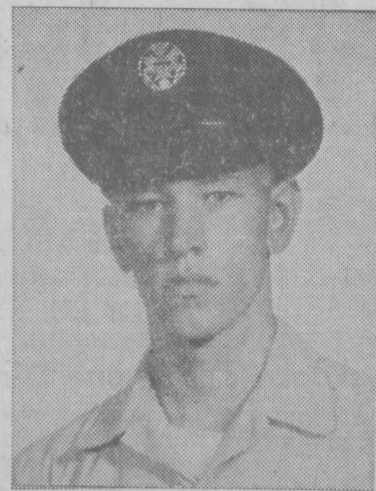

Thank-you notes were read from several members. A donation was voted to the Red Cross to assist its "Christmas Vietnam Shop Early Program."

It was announced that the Auxiliary will present a new flag to the newly formed Auxiliary at Mt. Airy. This will be presented by one of the members. Petitions have been received from National Headquarters and the District concerning the release and treatment of Prisoners of War and were circulated to be signed and returned.

Reports were given on the game night and wedding held in August. It was also announced that the Auxiliary will cater two more weddings in September.

The date of the planned food sale has been set as October 3 in the Fire Hall. Mrs. Susan Sanders will have charge of a "Home and Interior Decoration Party"

Completes Basic

on Sept. 17 at 8 p.m. in the Post Home, to which the public is cordially invited.

**Local Carnival
Benefits Research**

A carnival for Muscular Dystrophy was held at the home of Dr. and Mrs. William Carr, from 12:30 to 2:30 p.m. on Saturday. Miss Kathy Miller secured the MS Kit through WTTG-TV, Channel 5, Washington. Miss Miller was assisted by the Misses Jennifer, Shelly and Leslie Carr.

Amid flying streamers and checkerboard tabletops, approximately 45 local children attended the fair, which included a variety of games and refreshments. Nancy Carr acted as the Bunny Clown and had Jo Morningstar and Jennifer Carr assist as clowns. Manning a Canadian woodsman's table was Kathy Miller. Laurel Hewitt foretold the future to many excited youngsters in her role as the fortune teller. The penny pitch stand was overseen by Cindy Hahn while Helen Golibart was in charge of the apple bobbing stand. Leslie Carr attended the basketball game. A highlight of the fair was the minibike ride which was supervised by Mr. David Bushman.

Much work went into preparations for the carnival and a total of \$20.77 was realized for the MD Fund.

Airman Ricky L. Miller, son of Reed L. Miller of 25 E. Moser Road, Thurmont, has completed basic training at Lackland AFB, Texas. He has been assigned to Sheppard AFB, Texas, for training in the transportation field. Airman Miller is a 1968 graduate of Thurmont High School.

**College Names
New Assistants**

Sister Marie Therese, Director of Admissions at St. Joseph College, announces the appointment of two new admissions counselors to the Admissions Office staff. Miss Cathy Bonneville, Linwood, N. J., and Miss Elizabeth Platt, Jamesburg, N. J., both are recent 1970 graduates of St. Joseph College.

The girls will represent the college throughout the East by visiting high schools and junior colleges and attend college nights and counselors' conferences. Miss Platt will cover the northern New Jersey, upper New York, and New England area; while Miss Bonneville will be in charge of Long Island, Pennsylvania, Maryland, Delaware, Virginia, West Virginia, and southern New Jersey.

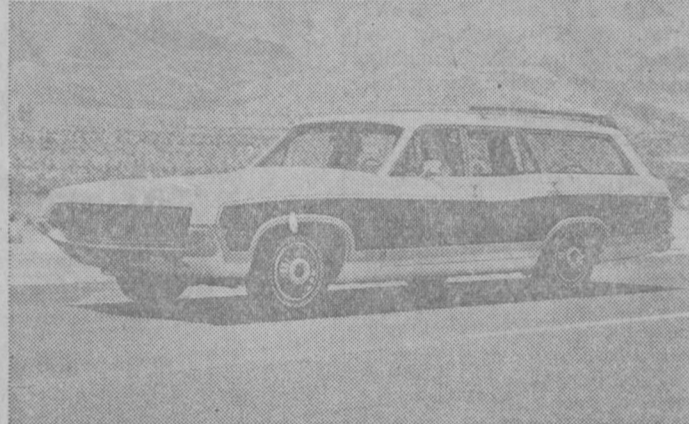

Miss Bonneville was a Spanish major at St. Joseph College. While at college she was a CYO adult advisor and a member of the Para-

dise Guild and Home Economics Club. In addition, she served as co-chairman on the Father-Daughter Committee for Valley Home Weekend during her junior year. Miss Platt majored in Home Economics. She was a member of the Home Economics Honor Society, Kappa Omicron Phi, and secretary during her junior year. Miss Platt also belonged to the Home Economics Club and the Marian Association.

Visitors at the homes of Mrs. John D. Elder and Mr. and Mrs. C. Arthur Elder over the week-

end were: Mr. and Mrs. Matt Paidakovich and daughters, Lynn and Lisa, of Silver Spring. Their son, Matt Elder Paidakovich also accompanied them. Matt, who is a Geologist with the U. S. Geological Survey in Denver, Colorado, recently completed three months of aerial reconnaissance geologic mapping in Alaska.

In some areas live shrimp is considered the top benefit bait, but in other areas other baits prevail such as conch, crabs. — Sports Afield.

The 1971 Torino sports subtle styling refinements to enhance its popular 1970 design. A new recessed, two-section grille dominates the front appearance of the Torino 500, Torino GT (top) and Torino Brougham models. The Torino Squire (bottom) is available in six- and eight-passenger variations and will add to Ford's "Wagonmaster" reputation.

**President Promotes Peace
in Middle East Conflict**

From the wisdom of the Middle East we have inherited the words of the beatitudes. And certainly of the beatitudes none is more appropriate today than the one which advises that peacemakers are blessed.

The world owes the Nixon Administration, particularly President Nixon and Secretary of State William P. Rogers, a debt of gratitude for their efforts to bring the fighting in the Middle East to a halt and give the world another chance for peace. The 90-day ceasefire, arranged by the Secretary of State, may not be a large chance, it may be one of those fleeting moments in history in which an opportunity is gained or lost, but the people of the Middle East can fully appreciate the words of Jesus in the Gospel according to St. Matthew when he said: "Blessed are the peacemakers."

Let's examine for a moment exactly what the chance for peace seems to be today. In putting this whole picture into perspective, it's well to remember the prophetic words of the Defense Minister of Israel, General Moshe Dayan, who said at the conclusion of the six-day war in 1967: "The war is over. Now the trouble begins."

General Dayan was exactly right. Since the Israeli victory of 1967 there have been countless raids, attacks, counter-attacks, shellings, bombings, air-raids and other violence in the streets of the Middle East. Hundreds have been killed, thousands more have been wounded. The Mid-

dle East has been in a constant state of tension. But the efforts of the United States have produced a glimmer of hope in this otherwise desperate situation. Secretary of State Rogers prevailed upon the governments of Egypt, Jordan, and Israel to agree to a 90-day ceasefire while peace negotiations are conducted.

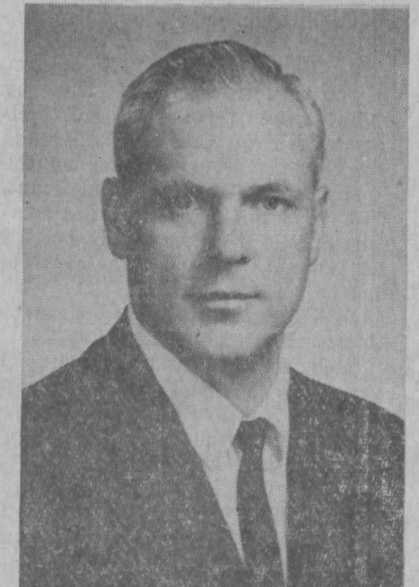

The ceasefire itself is tenuous. There have been charges and counter-charges of breaches of the agreement. It is difficult to see how the ceasefire could lead to successful and meaningful negotiations until it has, in fact, produced an end to hostilities. Yet, it is a step towards peace and it is an essential first step. The ceasefire depends on many factors including the activities of the Palestinian Guerrillas, who have vowed to continue fighting, the sincerity of President Nasser and the activity of certain factions within Israel.

None of these factors can be controlled by the President or Secretary of State. But whether the ceasefire is successful or not, the fact is the Nixon Administration, through its foreign policy effort, has provided an opportunity for the contending forces to come together in an effort to attain a peace which would be lasting and answer the prayers of the entire world.

I join with the American people in congratulating and thanking President Nixon and Secretary of State Rogers for their efforts and in praying that they will be successful.

Frederick County Backgrounds

By SAMUEL CARRICK
The Galt-Birnie Connection

In that long ago era when transportation was difficult it would appear that Sunday was the "big" day of the week. The church services served to bring the people together from the toil and isolation of their scattered farms and homesteads. The "kirk" gave social as well as spiritual solace.

The roads, such as they were, and few in number, did not encourage unnecessary travel and the majority of the creeks and streams were unbridged. In the main the general meeting place for the young as well as the old was the church. Often young men and women married within their own congregation for the guidelines between the different denominations were strictly drawn. This was particularly true of the early Presbyterians and the good people of Piney Creek were no exception. Many of those buried in the churchyard are related, in one way or another, due to intermarriage. The Galts of Pequea and Piney Creek furnish an excellent example of this for they married, at one time or another, into the Simpson, Annan, Shaw,

Crockett, Krise, McKellip, Johnston, Valentine, Reindollar, Horner and Birnie families—just to mention a few.

As stated in last week's column Upton Birnie married Susan (3) Galt the daughter of Matthew (2) Galt—of the Maryland branch of the family. The Birnies were members of Piney Creek church and they, too, did their share of intermarrying. However, at this time, it is their relationship to the Galts that is under discussion—although the Birnie family can boast of more than one burial plot in the old churchyard.

Upton (4) Birnie, the son of Rogers (3) Birnie and his wife, Amelia (Harry) Birnie, was born in 1848 and died in 1906. His wife, Susan (3) Galt—Birnie, was born in 1849 and died in 1937. Both are interred at Piney Creek. They (Upton and Susan) were the parents of two children—both sons—as follows:

1. Samuel Galt (5) Birnie—born in 1875 and died in 1938—unmarried—interred with his parents at Piney Creek.
2. Upton (5) Birnie—born in 1877—date of death not known—married Sue Schench, born 1878—died 1956.

This just about concludes the notes on the "Galts of Piney Creek" with but a few exceptions.

In the possession of an Adams County, Pennsylvania, descendant of the "Maryland Galts," is the family Bible of Samuel M. (4) Galt, who married Isabella Barr. Family records therein are as follows:

"Samuel M. Galt's Book, November 29th, 1856.

"Handed down to his son, Robert W. Galt after the death of his father, in 1892.

"Family Record—Marriages. "Samuel M. Galt and Isabella Barr" was married January 8th, 1850.

"Robert W. Galt and Alice T. Dorsey was married January 13th, 1887.

"Births— "Albert Franklin Galt was born December 14th, 1850.

"James Barr Galt was born September 30th, 1852.

"Hannah Mary Galt was born April the 19th, 1854.

"John Ross Galt was born June 2nd, 1856.

"Robert Walter Galt was born

April 10th, 1858.

"Maggie Bell Galt was born April the 1st, 1860.

"Jane Elizabeth Galt was born June 2nd, 1862.

"Deaths— "Samuel M. Galt died February 10th, 1892.

"Isabella Barr Galt died July 2nd, 1892.

"Albert F. Galt died September 15th 1890.

"James Barr Galt died April 9th, 1919.

"Hannah Mary (Galt) Weaver died February 16th, 1928.

"Robert Walter Galt died March 30th, 1937."

Sterling (5) Galt, brother-in-law of Mrs. Woodrow Wilson, by her first marriage, was a resident of Emmitsburg, Maryland, for many years, and died at his home there, now the residence of Mrs. Helen (Baumgardner) McNair. Mr. Galt was twice married—first to Harriet Wingard and after her death to Lucy Higbee, the sister of the Reformed (now United Church of Christ) minister in Emmitsburg.

Now to return to Washington (4) Galt, son of Peter (3) Galt, and the grandson of Matthew (2) Galt. Said Washington (4) Galt is interred just inside the lower gate into Piney Creek graveyard and his grave is quite separate

from other members of his family. It was mentioned in a previous column that the wife and daughter of Washington (4) Galt were removed from Piney Creek to the plot of Louisa (Krise) Galt's father, Abraham (Krise) in the Evergreen Cemetery, Gettysburg, Pennsylvania. Just why this was done is not known—but there must have been some good reason.

According to the records, Henry (1) Krise, the pioneer ancestor of the family, came to America before 1750. He first located in New Jersey. Later he came to the Monocacy Settlement, in Maryland, where both he and his wife died. Abraham (2) Krise, the son of Samuel (2), was born in New Jersey September 25, 1771. He came with his family to Monocacy and lived there until after his marriage which took place on December 1, 1799. About 1800, Abraham (2) Krise moved to a farm containing some 750 acres in Liberty Township, Adams County, Pennsylvania. This particular tract of land, it is interesting to note, was purchased by James Agnew from the Penns (John and Thomas), and sold by him (Agnew) to Abraham (2)

Krise. The family first lived in a log house which stood on the same site as the stone one, erected by Mr. Krise in 1816.

Abraham (2) Krise married Ann Christina Kitzmiller and they were the parents of nine children—one of whom was a son, also named Abraham (3), who married Jane (or Annie) Zimmerman.

Louisa (Krise) Galt was the daughter of Abraham (3) and Jane (Zimmerman) Krise. She had a sister, Elizabeth (4) Krise Carr, and at least two brothers, Calvin P. (4) Krise, and Samuel (4) Krise.

Henry (1) Krise and his wife were probably buried in the old churchyard at the Monocacy Settlement. All trace of this burial ground has long since disappeared. Abraham (2) Krise and his wife, Ann Christina (Kitzmiller) Krise, are now interred in Emmitsburg's Mountainview Cemetery, along with two of their sons. According to a fairly reliable tradition their remains were moved from the Zimmerman or Tract graveyard to their present resting place some years ago.

The notes pertaining to the Galt-Krise families will be continued in this series next week.

"No Conflict Of Interest," Says Mahoney

George P. Mahoney said this week that there would be no possibility of conflicts of interest when he is elected to the United States Senate.

"I will not participate in or represent any business interests wherein I could personally benefit, directly or indirectly, and cause a conflict of interest," Mahoney said.

According to Mahoney, he will immediately submit a fully complete and accurate statement of his finances and holdings to the people of Maryland through the news media, and make reports periodically or when requested by the news media.

"As United States Senator I shall never put the people of Maryland in a position where they might be embarrassed by my conduct. I also pledge to give my full time to my senatorial duties and to devote total dedicated service to the citizens of Maryland," he concluded.

(Political Advertisement)

YOU ARE THE JUDGES

The slogan, "support your sitting judge", places an emphasis upon mere office-holding which under any circumstances, would be irrelevant and unusual.

Did you ever hear, for instance, of a "sitting mayor" or "sitting congressman" slogan?

The emphasis appears even stranger and more irrelevant when you consider the kind of office-holding which is involved here. "Sitting", as used in this election, means having been appointed to serve on an interim, stopgap basis, only until the voting public should have a chance to make its own thoughtful selection.

Yet your own thoughtful selection is the very thing which the "sitting" slogan suggests that you surrender, in favor of merely rubber-stamping the interim appointment.

One of the functions of any judge is to weed out irrelevant matters. In this election, you are the judges.

CANDIDATE FOR

Associate Judge

of the

Sixth Judicial Circuit

Elton R. Wampler Republican Candidate for Congress - 6 Dist.

A SUMMARY

As you all know, the Primary is drawing near. And, therefore, I want to talk to you directly.

I have tried throughout the campaign to speak out on the issues that I believe affect all of us.

I have done this because I feel that you should know where I stand. You should know that I have spoken out on supporting President Nixon on Social Security on Gun Control on Women's Rights on Law and Order on Conflict of Interest on Representative Government

I have said these things because I want you to know where I stand. These are the issues that will affect you and me. For I believe

that we must now put people above politics.

If you agree with me then I ask you to support me on September the 15th.

—Authority Richard U. Comstock, Treas., Woodsboro, Md.

**Promotions Made
At St. Joseph College**

Three promotions have been announced for the year at St. Joseph College by Sister Margaret Hughes, Academic Dean. John M. Blanche, S.T.B., S.T.L., S.T.D., has been advanced to the rank of associate professor in the department of theology. Dr. Blanche joined the faculty in 1968. This summer he taught at Marquette College, Fond Du Lac, Wis. Dr. Blanche received his A.B. degree from St. Mary's College and his doctorate in sacred theology from the Gregorian University in Rome. Prior to his appointment at St. Joseph College, he taught

at Bishop England High School in Charlestown, S. C., and lectured at Georgetown University from 1963 to 1967. Sister Josephine O'Connell, member of the St. Joseph faculty for the last three years, has been advanced to assistant professor of social welfare. Before coming to St. Joseph's she was a sociology instructor at Mater Christi Institute in Boston. Sister Josephine earned her B.Ph. from St. Joseph College, the M.S.W. degree from the University of Michigan, and has done further doctoral study at the University of Toronto and Boston College. She has also studied certain phases of social work in London and Paris, attended a workshop for new social welfare fac-

ulty at Fairleigh Dickinson College, and studied psychodrama at the University of Maine. In addition to being a member of the National Association of Social Workers, the National Social Welfare Conference, the International Congress of Schools of Social Work, the International Association of Social Welfare and the American Sociological Association, Sister Josephine is an official delegate for St. Joseph College to the Council of Social Work Education. Donald F. Shriner, Ph.D., has been promoted to associate professor of mathematics. Dr. Shriner has been on a leave of absence for two years while working on completing his doctorate in math-education. This summer he received the Ph.D. degree from the University of Maryland. Dr. Shriner will return to full time teaching at St. Joseph's this year. Dr. Shriner graduated from Shippensburg State College with a B.S. degree in 1958 and earned his master's degree from the University of Notre Dame. He has done further graduate study at Rensselaer Polytechnic Institute, Michigan State University, and Penn State University. Dr. Shriner is a member of the Mathematical Association of America, National Council of Teachers of Math, American As-

sociation of University Professors, and the Fibonacci Association. Before coming to St. Joseph's, Dr. Shriner taught at Fairfield Junior and Senior High School, Fairfield, Pa. **Raymond Cregger To Head Heart Fund** Raymond E. Cregger, owner of the Cregger Funeral Home in Thurmont, has accepted General Campaign Chairmanship for the Frederick County Heart Association's 1971 Fund Drive. The announcement was made by Seymour B. Stern, President, at the first Board meeting of the new fiscal year. Mr. Cregger, a native of Thurmont, has served the Frederick County Heart Association for a number of years as Area Chairman for that district. He is married to the former Edith G. Miles and they have twin daughters, Clara Jean Schuman and Mary Ellen Myers, who are both associated with him in the funeral home and furniture store, which was founded by Mr. Cregger's grandfather in 1840. He is a life long member of the United Church of Christ. A member of the National Funeral Directors Association and the

Maryland State Funeral Directors Association. Mr. Cregger is also active in the community through the Edwin C. Cregger, Jr. American Legion Post; Acadia Lodge AF&AM; Boumi Temple, Baltimore; Thurmont Lions Club; the Guardian Hose Company; member of the Board of Directors of the Thurmont Bank and the Homewood Church Home. Mr. Cregger said in accepting the appointment, "Having regular medical checkups is one of the important points in the Heart Association's year round emphasis on the prevention of heart attack. The others are, no smoking, reg-

ular moderate exercise, watching what you eat, keeping your weight normal, controlling high blood pressure and fighting heart disease through support of your heart fund." Skin cancer will cause some 5,000 deaths in America in 1970. The American Cancer Society says that most skin cancer can be prevented by avoidance of excessive sun or easily cured if treated promptly. Social security retirement benefits are payable in full at 65. Or, you may apply for reduced benefits as early as 62.

Good-Bye Dollar!

One of the oldest and most respected private Washington news services is warning its nation-wide clientele that inflation is here to stay and that today's dollar will be worth only 50-cents in 10 years. It is a "hardnosed" prediction based on the realities of American poli-

tics. It should be frightening to every citizen because inflation is not a sound or safe way of life for government or individual. It is dangerous. When the factors creating inflation are controllable by government, and government leadership is swayed by political expediency, inflation can lead to national financial panic—even national disaster.

The Federal government continues to spend more than it receives, and the Nixon Administration, as have the others before it, has failed to persuade labor unions to stop forcing wage increases for which there has been no corresponding rise in productivity. These two factors are crimping the living standard of every American through the resulting inflation. It is the old story of politicians

bowing to pressure of minority groups. Democratic and Republican administrations have been doing it more and more, and with constant acceleration since 1930.

Are You To Blame?

The reason is that the majority of American citizens do not participate in their government. Most Americans, during the last 50 years, have not written a single letter to a Congressman or to the President, nor made a single "demand" for services. And when Congressmen are confronted with a "demand" from a pressure group they hear scarcely any opposition to it from their other constituents, so they rationalize that it is a "public demand," and grant it—the cost of government goes up, usually on deficit spending.

So—inflation could be ended quickly if a majority of Americans told their Senators, Congressmen and the President to (1) balance the budget and (2) persuade industry and organized labor (both of which are minority groups) to cease establishing wage rates each year higher than the improvement in man-hour productivity justifies. The Washington private news service is of the opinion the unorganized majority of the American public is too preoccupied, too apathetic, to make such logical demands.

Urgent Challenge

More non-pressure-group Americans are writing their Congressmen and the President today than ever before. Millions have been awakened to some of the dangers existing in present national trends, and are beginning to participate in government. But not enough citizens are involved—not by a long shot. Twenty million active citizens writing one letter a week could halt the nation's careening toward disaster in many forms—inflation, breakdown of law and order, moral decay, disintegrating internal security, weakening national defense posture, etc. This is the most urgent challenge to a free people since our nation was founded.

The Federal Budget for the 1970-71 fiscal year is \$205 billion. At present tax rates receipts won't cover that amount. So the government will borrow from \$5 billion to \$10 billion to make up the difference, and that much thrust of inflationary spending will keep inflation "hot." The National Debt rises, of course, as it has been doing year after year. In the last 15 years of unprecedented prosperity, the National Debt has been increased more than \$100 billion.

20 Million Needed

If Federal government finances could be placed in the hands of an utterly unpolitical director and staff, and if the operation of the various governmental services could be placed under the management of capable people not subject at all to political pressures or political expediency, Federal spending could be gradually cut at least 25%, and finally much more—with the entire nation and all its people benefitting! This pipe-dream could become a reality—if enough citizens (say 20 million) made it their No. 1 objective for 1970 and went to work to achieve it.

The Teamsters Union has

just pushed through a \$1.65 an hour wage increase for truck drivers. That means \$13.20 a day increase. Unless each driver hauls more freight or does something to earn \$13.20 a day more than he formerly earned, then the raise is nationally inflationary. The AFL-CIO and other union organizations have said they wouldn't be bound by inflationary "scare." So the price of all commodities rise as production costs rise.

Everybody should want everybody else to make more money and live better. But inflationary wage increases, together with rising government spending on borrowed money, makes everybody's earnings less valuable and their living standard lower. Will you be one of the 20 million protestors to the Congress and the President to cut government spending and to halt inflation?

New Courses Being Offered At College

St. Joseph College is offering new courses in art, music, English, and philosophy beginning this semester.

The new art courses include "Fundamentals of Design," a basic laboratory art course which will introduce the student to painting, ceramics, printmaking, and sculpture. The course is an exploratory one, designed to help the student develop any special ability that she may possess in one or more of the selected areas.

"Foundations of Creative and Artistic Growth" is another new course. Students will investigate various media and techniques while considering the child as the core of the art experience. This course is a study of the basic art elements and principles employed in creative expression with special emphasis on the relationship

between the youth's psychological background and his materials, techniques, topics, and motivations.

Also new is "Drawing and Composition," an experimental study of the function of line, form, space, volume, and motion in creative composition. Students will draw from life, nature, and still life using such materials as pen and ink, pencil, conte crayon, charcoal, and pastels. All three art courses are being taught by Sister **Anna Mae Schaben**.

"French Literature in Translation" will be offered for English credit. Major works of French literature will be taught in translation by members of the modern language department. Works are selected from various genres and historical periods, but revolve around a common theme.

A senior seminar in philosophy will attempt to integrate material from seven departments. A unifying topic of interest will synthesize work done in each section. The seminar is part of a concentrated effort to relate major areas of liberal arts and philosophy. The topic for this year will be humanism.

"The Contemporary Scene" is a new course being offered by the

English department. The course will analyze writing on contemporary issues from formal and logical perspectives.

St. Joseph College and Mt. St. Mary's will offer a co-operative program in applied music this year. Private lessons in voice, piano, and major orchestral instrument, and class lessons in guitar will be given in the Fine Arts Center at St. Joseph College.

Dial 447-0121 to report a fire.

School Cleaning Mammoth Job

When the children return to spick-and-span classrooms in Frederick County on Sept. 8, little thought will be given to the massive cleaning job just completed. One hundred twenty-five custodians however will breathe a collective sigh of relief, knowing that they once again have met the deadline.

Each summer 34 schools rang-

ing in age from 62 years to brand new must be house cleaned completely. Faced with 2,000,000 sq. ft. of floor space, the equivalent of 35 football fields, Doug Williams, Assistant in Operations, and his crew of 115 full time and 10 part time custodians tackle the task.

Floors are stripped clean and refinished or rewaxed, all furniture is cleaned, everything is dusted, walls and windows are washed and carpet cleaned and vacuumed. All this in addition to normal tasks of mopping halls, cutting

grass and picking up litter accumulated on the grounds. In schools where summer programs such as teen-centers, summer school Headstart and Opportunity are operating the custodian must schedule his cleanup around these areas and catch them the last weeks of August.

Mr. Williams is proud of the job done by his crew and is quick to point out such things as: careful annual care of gymnasium floors can extend the time between major refinishing to an average of 10 years. "Gyms are a good example of the increasing loads placed on custodial help in recent years," he said. "They are used now for athletic events, dances, and a variety of both school and extra school activities such as summer teen-clubs. It is good to see the increasing community use of the schools, but it does place added burdens on the custodians."

Frederick County now has more than \$43,000,000 invested in schools and with increasing student populations Williams indicated he is concerned that his force of custodians will be spread too thin. Government and industry standards recommend an average of no more than 12,000 sq. ft. of floor per 8 hour day per custodian. According to Williams, however, the average custodian in Frederick County schools is taking care of 16,000 sq. ft. of floor space per 8 hour day. "Newer and more complex equipment has helped keep the loads manageable,

but we could certainly have used those new positions we asked for at budget time and didn't get," he added.

School custodians are sometimes called upon to perform duties not always in the job description as Bernard Ambush and Theodore Peake at Parkway Elementary found out. When it became necessary to shift some students from South Frederick to Parkway to make room for kindergarten classes, some of the people asked to transfer were understandably concerned. Since they live in the area, Ambush and Peake have been an invaluable help to Principal John Carter in his liaison with the community, explaining the shift, and introducing parents

and children to their new school. Carter was quick to note that the school custodians were an important part of his team. "Not only can they help with community relations but sometimes they can influence children the professional staff has difficulty reaching," he added.

Asked if everything would be ready on time, Williams said, "We are on schedule and these men and women have done an especially commendable job this summer. When the children arrive the schools will be clean and ready for them."

More than 97 out of 100 farmers are earning—or are eligible to earn—social security protection.

Straight pins used with permanent press fabrics are nickel stainless steel to resist corrosion by the permanent press process.

New York City's Transit Authority has ordered 250 new cars of nickel stainless steel for the metropolis' subway system. The majority of the cars are scheduled to be delivered in 1971.

In the Thompson, Manitoba, area, International Nickel operates the world's largest fully integrated nickel mining and refining complex. It is some 400 air miles north of Winnipeg.

Since 1881, 63 countries have used pure nickel for 159 denominations of coins in 237 types.

**Elect An Experienced Leader
Lawrence A. Dorsey
For County Commissioner**

MY PROGRAM OF PROGRESS INCLUDES:

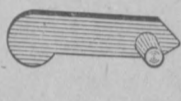

- 1) the establishment of priorities for county government;
- 2) progressive development of Frederick County through sound fiscal planning;
- 3) the best school curriculum possible for your children;
- 4) adequate water and sewage for the needs of Frederick City and County;
- 5) realistic tax relief for property owners;
- 6) reliable communication to keep Frederick County Citizens informed about the activities of their county government and their government informed of the needs and wants of the citizens;
- 7) and full utilization and involvement of concerned citizens in county government.

"I believe that only by working together with open minds, by communicating with each other, and by respecting each other, can we have a better Frederick County. This will be my approach towards serving all the people of Frederick County if I am elected.

PIERCE H. GAVER, JR., Grandnephew, 2601 Steeplechase Drive, Reston, Virginia 22070

STANLEY V. GAVER, A Grandnephew, Lombardi Drive, Middletown, Maryland 21769

JACK L. GAVER, A Grandnephew 5081 Twining Drive, Tinker Air Force Base, Oklahoma 73145

and THE KNOWN AND UNKNOWN HEIRS, DEVISEES, PERSONAL REPRESENTATIVES, DECEDENTS OR SUCCESSORS IN INTEREST OF ROSELLA SAYLOR BOND, DECEASED AND LATE OF FREDERICK COUNTY, MARYLAND

ORDER OF PUBLICATION

The object of this proceeding is to procure a decree for the sale of a certain dwelling and premises situate, lying and being in the Village of Johnsville, in Frederick County, Maryland, containing one fourth (1/4) acres of land, more or less, titled in the name of Rosella Saylor Bond, who died intestate and late of Frederick County, Maryland.

The Petition states in substance that the said Rosella Saylor Bond departed this life on or about December 13, 1968, seized and possessed of the above described dwelling and premises by virtue of a deed of conveyance from Samuel J. Fogle and N. Elizabeth Fogle, his wife, to Sarah E. Saylor, also known as Sarah E. Saylor, dated April 1, 1919 and recorded in Liber 328, Folio 71, one of the Land Records of Frederick County, Maryland; that the said Rosella Saylor Bond inherited said property from her mother, Sarah Elizabeth Saylor, by a Will dated October 7, 1930, and recorded among the Will Records in the Office of the Register of Wills of Frederick County, in Liber M.F.S. 1, Folio 40, and left surviving her Gertie Irene Eyler, a sister, Truman Saylor, a child of a deceased brother, Roland Oscar Saylor, Glenn Roy Bond, a husband, since deceased, Austin Bond, a nephew, Pierce H. Gaver, Jr., a grandnephew, Stanley V. Gaver, a grandnephew, Jack L. Gaver, a grandnephew, as her only heirs at law and next of kin.

That the said real estate has been appraised under the authority of the Orphans' Court for Frederick County, Maryland, in the amount of Four Thousand Five Hundred Dollars (\$4,500.00).

That the said real estate cannot be divided without loss or in-

jury to the parties interested therein.

That the personal property of the deceased is inadequate to pay the debts of the deceased and that it will be necessary to sell said real estate to pay the debts of the decedent.

The Petition then prays for the passage of the decree for the sale of said real estate by a Trustee to be appointed thereunder and the proceeds distributed under the jurisdiction of the Orphans' Court for Frederick County, Maryland; and further prays for an Order of Publication to Truman Saylor, whose last known address is 3042 17th Street, Port Arthur, Texas 52841, Pierce H. Gaver, Jr., whose last known address is 2601 Steeplechase Drive, Reston, Virginia 22070, Jack L. Gaver, whose last known address is 5081 Twining Drive, Tinker Air Force Base, Oklahoma 73145, and to all of the known and unknown heirs, devisees, personal representatives, decedents or successors in interest of Rosella Saylor Bond, who died intestate, late of Frederick County, Maryland, who are non-residents of this state, or being residents of this state, their addresses are unknown, of the object and substance of this Bill; it further prays for the writ of subpoena to be issued to the Defendants resident of the State of Maryland, namely, Gertie Irene Eyler, Middleburg, Maryland 21768, Raymond E. Beck, Administrator of the Estate of Glenn Roy Bond, deceased, 189 East Main Street, Westminster, Maryland 21157, Austin Bond, 100 East Patrick Street, Frederick, Maryland 21701, and Stanley V. Gaver, Lombardi Drive, Middletown, Maryland 21769.

It is thereupon this 12th day of August, 1970, by the Orphans' Court for Frederick County, Maryland, ORDERED, that Amos A. Holter, Administrator of the Estate of Rosella Saylor Bond, deceased, intestate, by causing a copy of this ORDER to be inserted in some newspaper published in Frederick County, Maryland, once a week for four (4) successive weeks prior to the 14th day of September, 1970, giving notice to Truman Saylor, Pierce H. Gaver, Jr., Jack L. Gaver and all of the known and unknown heirs, devisees, personal representatives, decedents or successors in interest of Rosella Saylor Bond, deceased, intestate, late of Frederick County, Maryland, of the object and substance of this Petition, warning them to be and appear in this Court in person or by solicitor, on or before the 14th day of October, 1970, to show cause, if any they have, why a decree should not be passed as prayed.

MSM Publicist Backs Journalism Forum For Nation

A Vernon Davis, director of development and public relations at Mount Saint Mary's College, has launched a research project which he hopes will result in organization of a National Journalism Forum.

Davis began the project, which initially involves sounding out the views of journalists from coast to coast, because of his concern about recent national criticism of journalism, and because of declining participation in the National Headliners Club, an organization that annually honors journalists who work in all media forms and in all sized circulation/coverage categories.

While working on the news staff of the Hagerstown, Maryland Morning Herald for 20 years, Davis was twice honored by the National Headliners. He was presented awards for journalistic achievement in 1948 and 1960. In 1966 and 1967 he served as judge for the national competition.

"I would like to see the National Headliners establish itself as a National Journalism Forum that would, annually, present reports for national attention on specific aspects of the performance of all news media in reporting and interpreting the complex events and trends of contemporary history," Davis said. "The results would attract a great deal of notice and provide the basis for national discussion, thus adding to the reputation of the National Headliners as a serious and responsible organization capable of giving meaningful awards."

This week letters are going out

to hundreds of journalists who have been honored by the National Headliners Club, asking them to share their views with the Maryland man who would like to improve the "image" and performance of the journalism profession and is convinced the Headliners can help generate real progress on both points.

Long active in journalism on a local state and national free-lance basis, Davis is a member of Sigma Delta Chi journalism society and the Maryland Press Association. In 1959 he was named outstanding Young Man of the Year by the Hagerstown, Md., Junior Chamber of Commerce. The following year the Hagerstown Civilian Club gave him their annual citizenship award. In 1960 he was awarded first prize for community service in a competition among all daily newspapers in Maryland, and was given a national citation for leadership in community planning by the American Society of Planning Officials.

K Of C Plans Grotto Mass

Grand Knight George L. Daner presided over the regular meeting of Brute Council 1860, Knights of Columbus held Tuesday evening in the Council Home.

William Austin was named chairman of the Pass, Punt and Kick Contest to be held later this month. The Council co-sponsors this program with Sperry Ford Sales. It was announced the annual Charity Ball will be held in Baltimore on Oct. 11. Carl A. Wetzel, activities chairman, reported on the recent Crab Feast saying it was successful both financially and socially. Stanley McIntire reported that ID tags had been ordered and will be worn at the meetings, and other functions.

William Austin, picnic chairman, reported the recent affair a success and that 156 had attended. One new member, Thomas L. Topper, was voted into the Council. Balloting for Knight of the Year honors was held and the winner will be announced at the annual banquet. District Deputy Eugene R. Rosensteel announced a dinner-dance would be held by the Pangborn Council, Hagerstown, on Sept. 19. He also stated that the State Reunion would be held in Baltimore on Sept. 13. Deputy Rosensteel also announced that a District Mass would be held at the Grotto of Mt. St. Mary's College, Oct. 3, in the evening.

Financial Secretary Paul A. Keepers, who was elected international delegate, gave a comprehensive report of the recent Supreme Convention held at Houston, Tex. He also announced that an Open House for potential members would be held on Sept. 24. Father Carl J. Fives, chaplain announced that Mass would be celebrated at the second meeting of the month in the Council Home resuming Sept. 21. The Mass was discontinued during the summer meetings.

Lutheran Women Plan Supper

The monthly meeting of Elias Lutheran Church Women, was held Tuesday, Sept. 8, at 7:30 p.m., with Mrs. James Small presiding. It was decided to have a covered dish social instead of a regular meeting on Oct. 13 at 6:30 p.m. Anyone who would like to go to the Center in New Windsor on Tuesday, Sept. 15, please call Mrs. Small.

Officers for the coming year were elected as follows: President, Mrs. Anna Bushman; vice president, Mrs. Dian Small; secretary, Mrs. Pat Crum, and treasurer, Mrs. Evelyn Linn.

Plans were made for the coming year. Mrs. Weldon Shank and Mrs. Robert Hampson were hostesses for the evening.

Youth Leader Would Pressurize Hanoi Inspection

Maryland Young Americans for Freedom — an organization of young people, primarily students, with over 17,000 members across the Free State—is gravely concerned about the fate of America's prisoners of war being held captive by the communists in North Vietnam, says Joseph Baldacchino, formerly of Emmitsburg, leader of the Maryland Young Americans for Freedom. The evidence of the suffering, degradation, and isolation that our men endure in the North Vietnamese prison camps is totally inexcusable by any human standards.

As Marcel Naville, president of the International Red Cross, has pointed out, North Vietnam is the only country in the world which has refused to furnish prisoner information or to open its camps to international inspection. In contrast, South Vietnam has given the Red Cross free access to its camps, and no prisoner abuse has been found. This has led Naville to fear that Hanoi is attempting to conceal the number of American deaths that have taken place.

Our government has made numerous attempts to secure decent treatment for these young men

and their families. All have been futile. Most recently, our government sent Frank Borman, commander of the first manned space flight to the moon, on a global tour to talk with world leaders in behalf of these men. As usual, the results were discouraging. As columnist Jack Anderson put it, "Borman . . . came away from his private meetings with the feeling that Hanoi in many ways was more remote than the moon."

In light of these bleak facts, we in YAF have become convinced that nothing less than an outcry from the people, can possibly reduce the suffering of these young Americans. We therefore urge all Maryland youths, regardless of their individual views on the war, to perform at least one small act for those men. We urge this in the name of humanity. Write a letter to the chief North Vietnamese negotiator, Xuan Thuy, Paris Peace Talks, Paris, France, and express your desire that North Vietnamese prison camps be opened to international inspection. If you personally oppose the U. S. involvement, tell him so; but whatever you do, be sure to point out that continued intransigence on the part of Hanoi will only strengthen the resolve of the American public, not weaken it.

Ford Economy Cars On Display

The Ford Motor Company announces the Special Preview Showing of the new Pinto and Maverick at Sperry Ford Sales, Emmitsburg, on Friday, Sept. 11.

The public is cordially invited to inspect the new models at the showrooms of the local garage. The regular model Fords will be exhibited on Sept. 18.

VFW AMBULANCE
Mrs. Thomas Eyer, Emmitsburg, and Betty Wivell, Rocky Ridge, were transported this week to the Warner Hospital, Gettysburg, via the VFW ambulance. Betty Wivell was later transferred to the Washington County Hospital, Hagerstown, in the vehicle. Drivers were Michael Boyle, Paul Humerick and James Kittinger.

WEATHER REPORT
Temperatures for the Emmitsburg District for the period ended Sept. 4, as reported by Mr. Lucille K. Beale, local weather observer, were as follows:

	H	L
Saturday, Aug. 29	89	61
Sunday, Aug. 30	90	65
Monday, Aug. 31	83	66
Tuesday, Sept. 1	78	48
Wednesday, Sept. 2	79	42
Thursday, Sept. 3	81	49
Friday, Sept. 4	89	41

Precipitation for the period amounted to .72 of an inch.

NIGHT OF GAMES
A 50-50 night of games will be sponsored by the St. Joseph's High School Alumni Assn. on September 15. It will be held in the VFW Annex.

SHOOTING MATCH — Sponsored by Vigilant Hose Co., Sunday, Oct. 4 and Sunday, Nov. 8, at 1 p.m. at Stouter's Meadow. 12 gauge shotguns only and the shells will be furnished. Please reserve these dates.

Dr. and Mrs. George W. Green have returned from a vacation tour of North Carolina and Virginia.

Mr. and Mrs. Leo M. Boyle celebrated their 10th wedding anniversary on Saturday, Sept. 5.

Central air conditioning not only provides comfort but adds to the resale value of a home. In many instances, air conditioning systems can be added to existing warm air LP-gas central heating equipment.

Couple Observe 50th Anniversary

Mr. and Mrs. Maurice Moser, Emmitsburg R2, observed their 50th wedding anniversary Aug. 19 and celebrated it on Aug. 23 with an open house at the Tom's Creek Church.

The couple was married at the Methodist Parsonage in Thurmont on Aug. 19, 1920, by the Rev. Clarkson Banes, who now resides with his wife in Washington, D.C., and is retired. Mr. Moser is a retired farmer in the Emmitsburg area. They are the parents of two daughters, Shirley, married to George Krom, of Baltimore, and Margaret Blair of Frederick, widow of Clifton Blair. They have eight grandchildren.

Linda and Cora Krom, granddaughters, served at the guest book; Mrs. Martha Sites and Mrs. Virginia Wantz, friends, opened the gifts; Mrs. Dorothy Valentine cut the cake; Mrs. Anna Grimes served the punch; and Mrs. Susan Sanders, Mrs. Elizabeth Fuss, Mrs. Janice Valentine, and Mrs. Lucille Valentine, served at the refreshment table.

There were over 200 present from: Emmitsburg, Taneytown, Thurmont, Frederick, Woodsboro, Baltimore, Mt. Airy, Littlestown, Hanover, York, Washington, D. C., California and Biglerville.

To Dedicate State Rest Area

The first major rest area in Maryland will be dedicated on Wednesday, Oct. 14 by the State Roads Commission and the Federated Garden Clubs of Maryland in honor of S. W. Baumiller, the first landscape engineer with the State Highway agency.

The 17-acre rest area is on Interstate 70, on the eastbound lane, on South Mountain, between Frederick and Hagerstown. The site for the rest area was chosen several years ago, and the SRC developed the plans for it.

Future plans for the rest area include the installation of picnic tables, construction of a shelter, installation of walks, parking facilities for 50 cars and 12 trucks, and the erection of a building scheduled to begin early next spring, which will contain an information area to include panels with maps and brochures. This building will also contain modern sanitary facilities.

Preceding the dedication at 2:30 p.m. at the rest area will be a luncheon to be held at noon at the Sheraton Inn near Hagerstown. The Federated Garden Clubs will honor Baumiller with a gift as a memento of the occasion. Chairman of the luncheon arrangements for the Federated Garden Clubs is Mrs. Henry F. Graff, of Hagerstown.

The Federated Garden Clubs are participating in this project because of their long and close association with Baumiller and their interest in the beautification of Maryland.

Baumiller, in his many years of dedication (1927-1968) in the landscape field, created a better understanding and interest in roadside development and was instrumental in improving the environment of Maryland's roadsides.

He was in charge of the installation and planting of the Blue Star Highway and markers along Maryland's 115 miles of the Blue

Star Memorial Highway from the Potomac River Bridge in Charles County to the Delaware Line. This work was performed in cooperation with the Federated Garden Clubs of Maryland.

Through his efforts, the Commission Policy of Cooperation in Roadside Planting with Garden Clubs, Civic Organizations, Counties and other organizations was established. The State Roads Commission designs and plants plant materials furnished by the interested organizations. There are over a hundred of these cooperative projects located throughout the state.

Under the direction of Baumiller, the Commission in 1951 began developing wayside picnic areas along the state highway system for the benefit of the traveling public. A record number of 70 of these areas were constructed in 1952. The wayside picnic areas were the beginning of Maryland's present rest area and scenic overlook program.

Everyone should be careful about prolonged exposure to the sun, warns the American Cancer Society. Skin cancer is an extra hazard to persons with fair complexions.

Church To Observe 200th Anniversary

The Apple's United Church of Christ near Thurmont, will celebrate its 200th anniversary September 13. There will be the regular service and communion at 9:30 a.m. followed by Sunday School at 10:30 a.m.

A special service will be conducted at 2 p.m. with special music being performed. A social hour will follow and homecoming activities. All former pastors of the church have been invited to attend.

The pastor, the Rev. George A. Halteman, has issued an invitation to the general public.

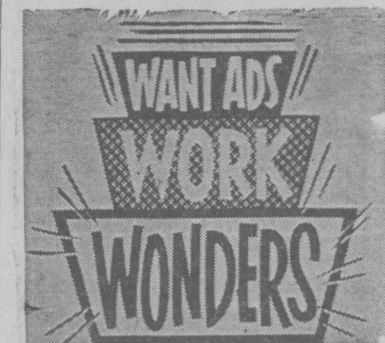

Named To Poultry Team

Mark Wivell, of the Rocky Ridge Progressive 4-H Club, has been named to 3rd place on the team which will represent Maryland at the National Poultry Contest in Chicago, Ill., in November. Mark is in his 7th year of 4-H work and is a senior at St. Joseph's High School.

4-H Exchangees

James Wivell, Jr., and Phyllis Wivell, of the Rocky Ridge Progressive 4-H Club, as well as eight other 4-H'ers from Frederick County, have recently returned from an exchange trip to Lipscomb County, Texas. While there, each of the Frederick Countians lived with a Texas 4-H family. They were made honorary members of Lipscomb County 4-H Clubs and were interviewed over Amarillo TV. Chaperones for the group were Mr. and Mrs.

Ralph Keilholtz of Emmitsburg.

RE-ELECT WILLIAM B. CRUM to the Republican State Central Committee ELECTION SEPT. 15 Your Support and Influence Will Be Greatly Appreciated Authority Barbara E. Crum, Treas.

GO AND GROW WITH WALLY HUTTON Democratic Candidate For The Maryland House Of Delegates AN OPEN LETTER TO THE PEOPLE OF FREDERICK COUNTY I have tried, as time would permit, to visit as many of you as possible at the places you live—or work—or shop—or relax in your spare time. For those I've missed, perhaps my wife, Portia, or sons Brock and Shane have talked with you. We have tried to conserve funds by eliminating small daily or weekly advertisements that tell you nothing so that we could buy this space to share with you my views on issues of today; these I believe are the issues: I. CANDIDATE QUALIFICATIONS WALLY HUTTON represents experience in local Frederick County government. Having served as a County Commissioner for four years, he has an intimate knowledge and awareness of the complexities and problems facing our County. He recognizes that, in today's society, very few functions can be allocated to one level of government, and that the issues do not stop at local boundaries and cannot be governed solely by local ordinances. Through experience, he knows that continuity can best be achieved in local government through representation at the state level by a delegate who understands the vital importance of state legislation to the people of Frederick County. WALLY HUTTON is a lawyer in Frederick. He was graduated from George Washington University with a Juris Doctor Degree with Distinction, and is a former assistant to a U. S. Senator and to Carl Albert, Majority Leader of the U. S. House of Representatives and its probable next speaker. Wally is a Korean combat veteran and holds the rank of lieutenant colonel in the Army Reserve. He is currently serving as a member of the Board of Directors of Kids, Inc.; Frederick County Chapter of the American Red Cross; Frederick Counseling Services, Inc.; Frederick County Chapter of Epilepsy. He is also a member of Civil Air Patrol and serves as Legal Officer for the Frederick CAP squadron. Wally is 41 years of age and resides at 522 Elm Street in Frederick II. GOVERNMENTAL REFORM Today, more than ever before, state and local governments are in need of modernization. It has become increasingly apparent that these governments can no longer cope effectively with the complex problems created by our rapidly expanding population and rising standard of living. WALLY HUTTON is at the forefront of the drive for governmental reform. In a nonpartisan, nonpolitical effort, he succeeded in having a petition filed to place the Charter issue on the November ballot. He sees a requirement that we must, section by section, improve our state constitution. Wally believes that positive action must be taken to modernize our county and state governments to provide more local self-rule and to update our government structure to meet the demands of a growing county. III. HUMAN NEEDS The first order of concern for government is the human needs of our people. These needs must be met. Our government—local, state, and national—must be responsive to the right of the people to enjoy a quality of life commensurate with the promise of this great country. EQUALITY in housing, employment, and education; FREEDOM from poverty, want, corruption of the environment, oppression, and injustice; and THE RIGHT to a bigger voice in government—these and other individual and collective needs of the people deserve the time and attention of our elected officials. By authority of Sterling E. Bollinger, treasurer for Wallace E. Hutton

A FEW WORDS OF EXPLANATION — No votes are registered until you open the curtains. You can therefore make as many changes in your ballot as you wish while the curtains are closed. There is no danger of anyone knowing how you vote, as the movement of the red handle to the left returns the voted levers to their unvoted position before the curtains begin to open. So leave voting levers down before opening the curtains.

W. JEROME OFFUTT—Attorney
