Most Anything At A Glance

- By Abigail -

Actually folks, if the weather keeps up the pace it has been setting for us all this week, it will be too cold for that well known little varmint, Brer Groundhog to see or even care to make an effort to see his shadow at his annual awakening February 2, which is next Tuesday. Temperatures have been below the 20's several days this week and the strong winds that have been prevailing make it feel like about 10 degrees below zero. So strong were the winds Tuesday, estimated by some, at 79 miles an hour, that it blew over a big tractor-trailer on Rt. 15 just several hundred feet past the intersection at Rt. 97. Reports also indicate that a number of other vehicles were blown off the road or overturned by the gusty winds that day. Wednesday the winds were a bit more moderate, but still strong, and add to that the fact that the temperature was in the teens and you've had a right cold week here in Emmitsburg. However, there is some comfort in the fact that several local people who were vacationing in Florida, returned home to get warm.

The biggest give-away ever conceived in Washington is trying to get launched. Since the President announced that he would try to get 16 billion dollars to hand over to State Governments to spend as they might see fit, lobbyists from every state are working overtime to let their demands be known. There will be a mad scramble for the easy buck, if it ever materializes, and of course, you and I, the old faithful taxpayer, will foot the entire bill. One thing I will go along with is giving back to the States the rights they had formerly. Centralization to Washington has been so much on the increase the past 25 years that most states cannot cope with their own local situations anymore. But just doling out the money in lump sums is not the answer. Already police, firemen, garbage collectors, teachers, etc., are planning pay raises which would just about eat up any money which the states might receive. There will be opposition to the plan in Washington and one of the leaders is Senator Mills of the ways and means committee and who seems in charge of taxes. He says that absolutely more taxes will be needed to finance such a mammoth give-away program and tells the public it should keep their representatives fully informed of their wishes before it is too late.

Lions Hold Regular Meeting

Three members of the Terra Ruba Lions Club were guests at the regular meeting of the Emmitsburg Lions Club held Monday evening in Mt. Manor Restaurant, President J. Ralph McDonnell presiding. The reports of Treasurer Floyd L. Lewis and Secretary William H. Kelz were approved as presented. Members were invited to attend a Valentine Day Dance sponsored by the Francis Scott Key Lions Club, in the Francis Scott Key Hotel, Frederick, on February 6. Following adjournment a film on drug use was projected by Lion Harry Otterson. Lion Otterson also gave a short talk on drugs previous to showing the movie.

BIRTHDAY PARTY

Miss Wina Seiss, Bollinger Rd., Rocky Ridge, was given a party on Sunday to celebrate her 8th birthday. Miss Seiss is the daughter of Mr. and Mrs. Floyd Seiss. Those attending the party were schoolmates of Miss Seiss and included Laurie Baker, Kim Ridenour, Christine Zanella, Tina Mitchell, Margaret Thomas, Lori Joy, Hugh Scott Boyle, Patrick Thomas, Cheryl, Becky, Laurie, Scott and Craig Seiss. A variety of games was enjoyed by all after which refreshments were served to those attending.

New York City has 14,000 street-corner fire alarm boxes.

WILL DISCUSS MOTHER SETON'S LIFE ON RADIO

Three guests will appear on the Thurmont Radio Station, WTHU, January 30, at 9 a.m., to discuss the life and works of Blessed Elizabeth Ann Seton. Because of the numerous inquiries following the Sesquicentennial celebration at St. Joseph's Provincial House, January 3 and the formal proclamation of Governor Marvin Mandel, proclaiming January 4, Mother Seton Day throughout Maryland, WTHU makes this program available to its listeners.

Saturday's program will feature the Rev. Sylvester A. Taggart, a Vincentian priest who is Promoter of Mother Seton's Cause; Sister Felicitia Gable, pilgrimage coordinator and Sister Margaret Mary Considine, St. Joseph College librarian. George W. Wireman, writer and producer of "This and That" on WTHU, will conduct the interview.

Elizabeth Bayley Seton with a few Sisters and her five children came to Emmitsburg in 1809 to found a home for her spiritual family and a school for young girls, the nucleus of the parochial school system in the United States. Before her death in 1821, the Sisters had crossed the border into other states and today, six communities claiming her as founder, labor in almost every state of the union, carrying on all works of charity. In this vicinity the Sisters conduct St. Joseph College, St. Joseph's High School, Mother Seton School, and Seton Center.

Mother Seton's background will be an important feature of the program on January 30. Born in New York City into an aristocratic Episcopal family, Elizabeth Bayley married a wealthy Scot and had five children. Misfortune came in the form of loss of wealth and her husband's ill health. William Seton died in Italy where he had gone to recuperate. While in Italy, Mother Seton became interested in the Catholic faith. Upon her return to New York, she became a Catholic.

Mother Seton presents a model and inspiration for people in various walks of life. She lived fully the joys and sorrows of youth, wife, mother, widow, and religious. Her deep faith and love of God, expressed by her compassion for the poor and suffering, make her a woman for our times. Through her religious communities and her nobility of character, Mother Seton continues to exert a dynamic influence. For these reasons, Pope John XXIII in 1963 declared her blessed. Her cause for canonization is being studied in Rome at the present time.

Mount Players Sport Good Averages

Tony Kinn remains the leading scorer for the Mt. St. Mary's College basketball team. Mid-season statistics show that the southpaw sharpshooter from Harrisburg is averaging 20.1 points per game.

In 11 games (he missed last Thursday's clash with Roanoke, due to illness), he has canned 91 field goals and 39 out of 43 tries for a total of 221 points.

John Novey, the 6-3 forward from Shamokin, Pa., who just returned to action this month, has the second best scoring average, 16.2. Novey leads the rebounders with a 11.6 per game average. Pete Goodwin, 6'6", of Mountoursville, Pa., trails closely in this department with an 11.4 average while Joe Molinaro, the 6-5 freshman from Hopewell, Pa., is the third best scorer with an average of 10.0 per game.

Molinaro has the team's best field goal percentage, 49%, while Kinn's 91% from the foul line is tops in that department.

As a team, the Mountaineers are averaging 75.3 points per game. They are allowing their opponents an average of 80.3 points per game.

Jim Phelan's crew will tangle with Roanoke in Virginia on Saturday, Jan. 30 and will return to the Emmitsburg court for action when they meet Catholic U here on February 2.

VFW Auxiliary to Meet

The regular meeting of the Ladies' Auxiliary to the VFW will meet at 8 p.m. on Thursday, Feb. 4, in the VFW home.

LEGION TO MEET

The regular meeting of Francis X. Elder Post 121, American Legion, will be held Tuesday night in the Post Home, beginning at 8 p.m.

Goodloe Byron Takes Oath Of Office

IT'S OFFICIAL—Goodloe E. Byron is sworn into the U. S. House of Representatives by Speaker of the House Carl Albert (c) and Majority Leader Hale

Boggs (r). Congressman Byron will represent the sixth district of Maryland which extends from Garrett County, east through Car-

roll County, and south through portions of Baltimore and Howard counties. (Official photograph—U. S. House of Representatives)

Engaged

Announcement has been made of the engagement of Miss Linda Jean Stonesifer, daughter of Mrs. Lenora E. Stonesifer, and the late John E. Stonesifer, Tanyetown R2, to Mr. William Ragan Erb, III, son of Mr. and Mrs. William R. Erb, Jr., Union Bridge.

Linda is a senior at Catoctin High School. William is a 1969 graduate of Catoctin High School, and is employed by E. E. Stuller Construction Company.

A June wedding is planned.

College To Offer Investment Seminar

As a continuation of the series of evening courses offered through the Continuing Education Program at Frederick Community College, a four session Advanced Investment Seminar will begin on February 3, 1971. The instructor will be Mr. George Harrison Yount, an account executive with Legg Mason and Company, Inc., of Washington, D. C., an affiliate of the New York Stock Exchange.

This seminar will consist of an in-depth look at vertical-line charting, point-and-figure charting, investor behavior, the Dow Theory, the Elliott Wave Theory, the evaluation of strength and weakness in stocks and in the market, the prediction of market movements, and the use of options for profit and security.

This class will meet on Wednesday evening from 7:30 to 9:30 p.m. at the new Frederick Community College campus. Registration will be conducted during the first class meeting. There is no fee for this course and it is open to all interested members of the community. For further information call Frederick Community College at 662-0101.

VFW AMBULANCE

Mrs. Loretta Myers, Emmitsburg, was transported to the Warner Hospital, Gettysburg, this week via the VFW ambulance. Harold M. Landis, R2, was transferred from the Carroll County Hospital to St. Joseph's Hospital, Baltimore, in the vehicle. Drivers were Michael Boyle, James Kittinger and Paul E. Humerick.

About 50% of cotton produced is used for clothing.

Mount To Begin New Semester

Mount Saint Mary's College will begin the second semester of its 1970-71 academic year during the first week of February.

Registration for the second semester will be held on Monday, February 1. Classes will begin the next day, Tuesday, Feb. 2.

A concelebrated Mass of the Holy Spirit, marking the beginning of the second semester, will be held in the college chapel on Sunday, February 7, at 4:30 p.m. Rev. Msgr. Hugh J. Phillips, president of the college, will be the main celebrant. He will be joined by the priests of the college and of Mount Saint Mary's Seminary. Rev. John B. Holey, vice-rector of the seminary, will deliver the homily.

Local Driver Involved In Mishap

A Thurmont man was admitted to the Frederick Memorial Hospital for observation late Friday night as a result of an accident on Rt. 550 at the Monocacy River.

Maryland State Police reported that Daniel Lindsay of Thurmont, one of three passengers in a vehicle operated by Robert Eugene Flory of Emmitsburg, was admitted for observation after the car in which he was riding went out of control, ran off the road and down a 50-foot embankment before rolling over and coming to a stop.

William Charles Clark, Thurmont, a second passenger, was treated and released at the hospital for minor injuries while a passenger in the left front seat, Vernon Lee Painter, also of Thurmont, suffered no injuries.

Police charged Flory with failure to drive right of the center line.

Hospital Report

Admitted

Mrs. Eugene Myers, Emmitsburg.
Lester Wastler, Emmitsburg.
Mrs. Lawrence Kolb, Thurmont, R2.
John Mort, Fairfield R2.
Ronald D. Wivell, Emmitsburg, R2.

Mrs. Paul Orndorff, Rocky Ridge.
Elizabeth A. Azzarello, Emmitsburg, R2.
Discharged

David Wantz, Emmitsburg R1.
Mrs. Blanche Sanders, Emmitsburg.
Henry Gerken, Emmitsburg.
Mrs. Leroy H. Baker, Emmitsburg R2.

Births
Mr. and Mrs. David Wantz, Emmitsburg R1, son, Wednesday.

Mr. and Mrs. Donald Beard, Sr., Thurmont R2, son, Wednesday.

Mr. and Mrs. Robert Keilholtz, Emmitsburg R2, son, Jan. 21.

SCHOOLS CLOSED TODAY

All Frederick County schools will be closed all day Friday, January 29, in order for teachers to attend an In-Service Training Day scheduled to be held at Governor Thomas Johnson High School.

Band Changes Practice Date

The Emmitsburg Municipal Band has changed its night for practice from Wednesday nights to Monday nights. This is done in hopes that more members will be able to attend. Therefore, until further notice, practice will be on Monday instead of Wednesday.

Likewise, the majorettes will hold their practice also on Mondays in Mother Seton School. All members please note that meetings will be held every fourth Monday instead of on the third Monday as originally planned. This is done so as not to conflict with other commitments at St. Euphemia's, of which the band was not aware.

The band is still looking for new members; as any man, woman or child, who can play an instrument and would like to sit in on practice, please be sure that you are most welcome.

The band also needs a Drum Major, so any boy or girl who would like to try out for this, please contact any officer of the band.

Senior Citizens Plan By-Laws

The Publicity Chairman of the Senior Citizens Club of Emmitsburg, wishes to make a correction on the announcement of the over-all chairman for the Spring Festival on May 1. Mrs. Ethel Fuss and Mrs. Loretta Shuff will be co-chairmen for the event.

The committee to draw up a tentative constitution for the Emmitsburg Senior Citizens Club, met at the Center on Monday, Jan. 25 at 2 p.m. Considerable progress was made and the form will be presented to the Club members at an early date.

A new consignment of mill-end materials was delivered to the Center last week from the Claire Frock Co., Inc., of Thurmont. Anyone wishing, come in and look it over and purchase any of the material. You are welcome.

Two early dates to remember are: the turkey dinner plus covered dishes on Tuesday, February 16, at 6 p.m.; and the Spring Festival on Saturday, May 1, 1971.

Betrothed

Mr. and Mrs. J. Thomas Reed, Gettysburg R6, have announced the engagement of their daughter, Betty Jane, to Richard Lee Baker, son of Mrs. Marion Louise Baker, and the late Wilmer S. Baker, Emmitsburg R2.

Miss Reed is employed with the mapping department of Adams County at the courthouse in Gettysburg, Pa.

Her fiancé is a livestock buyer for I. Kaplan, Inc., Olyphant, Pa.

Soldier Awarded

Bronze Star

Army Specialist Four Richard T. Sanders, husband of Mrs. Shirley Sanders, Emmitsburg R1, and son of Mrs. Dora R. Sanders, Gettysburg, recently received the Bronze Star Medal in Vietnam.

He was presented the Bronze Star Medal for distinguishing himself through meritorious service in connection with military operations against hostile forces in Vietnam. The Medal, adopted in 1944, recognizes outstanding achievement.

Spec. 4 Sanders received the award while assigned as an ammunition inspector with Headquarters Company of the 3rd Ordnance Battalion. He entered the Army in July 1960, completed basic training at Ft. Bragg, N. C., and was last stationed at Redstone Arsenal, Ala.

There were 342 murders in Canada last year.

BABY PICTURES TO BE TAKEN TUESDAY

Tuesday, February 2, is the big day set to take Living Color pictures of your little ones. The Chronicle is having pictures taken of all children accompanied by their parents or other guardian to the VFW Hall, Emmitsburg, between 2 p.m. and 7 p.m., absolutely free of any charge or obligation. There is no age limit.

The Chronicle wants to publish a picture of your child in a photographic feature series of local children entitled "Citizens of Tomorrow."

A professional children's photographer will take the pictures in Direct Living Color. We emphasize, therefore, that you dress the children colorfully so as to take full advantage of the beauty of color photography.

No Charge To Parents

There is no charge or obligation for taking the pictures. Parents don't even have to be a subscriber to the Chronicle nor even a reader. You do not have to purchase pictures either. Proofs will be shown in color and you may obtain color portraits by arranging direct with the studio representative if you want them. That is entirely up to you! The pictures appearing in the newspaper will be in black and white.

Good Pictorial Feature

In keeping with the quality feature policy of this newspaper, we want to make this a memorable feature. This means we want all the pictures of local youngsters we can get to run in the paper. Kiddles and parents alike will reap no end of fun and pride as the pictures appear in the paper. Mothers and fathers of children in the area which this newspaper circulates, please help us and remember the date, Tuesday, Feb. 2, at the VFW Hall and bring your children to be photographed. If you have not already made an appointment for this community event, do it now. Call Mrs. Leo Boyle at 447-2345 and avoid the possibility of a long wait.

Photography will be handled by the Dansville, N. Y. office of Woltz Studios, Inc.

Urges Support Of Alumni Activities

Editor, Emmitsburg Chronicle:

Where have all the alumni gone? This is the question we would like answered whenever the alumni sponsor money-making affairs.

We, the officers of the alumni of St. Joseph's High here, have been disappointed at the turn-out of the members at these functions. The affairs are for the benefit of all, but just a few will work and all expect to share the profits. You could count the number of alumni on your fingers that turn out and show their support. We have written a letter once before about 2 months ago, but it just didn't do any good. We took these offices with the intention of raising money so that our two dances a year could be improved. Our "Winter Dance" this Saturday, January 30, has been lengthened to one o'clock a.m., at the VFW Annex. We are also going to have free refreshments and have hired a very good band "Don Wood and the Woodanaires". We are expecting a very big turn-out for this dance.

Our number one concern about making money is to do something no matter how small, for our school, St. Joseph's High. I'm sure all of us would like to give something to the school to show our gratitude for the education we received there. So, please come out and support our functions.

Also on Sunday, Jan. 31, the Alumni will meet the high school basketball team in a game at Mt. St. Mary's Gym. The girls' game starts at 2 p.m. and the boys' follow. See you all there Jan. 30 and 31!

For additional information contact any of the following officers: Shirley Dutrow Portner, V.P. Dennis Stahley, P. Geraldine Little Hewitt Dee Eckert Little

ANNOUNCE BIRTH

Mr. and Mrs. Timothy Jacobson, Colechester, Conn., announce the birth of a daughter, Tammy, on January 22. Mrs. Jacobson, the former Betty Krietz, is the daughter of Mr. and Mrs. Francis E. Krietz, R2, Emmitsburg. Mr. Jacobson is the son of Helen V. Jacobson, West Main St., Emmitsburg. The Jacobsons also have a son.

Frederick County Backgrounds

BY SAMUEL CARRICK
The Troxell Family

The Troxells played a rather important part in making 'history' in Frederick County—particularly in Emmitsburg and vicinity. Mr. James Helman points this out in his "History of Emmitsburg." The historian, Scharf, also did some research on this particular clan and wrote about them in his "History of Western Maryland" as follows:

"Prior to the Revolutionary War Peter Troxell, Senior, bought of Indian Tom (from whom the well-known creek here derived its name, the tract of land of which Richard Offut is now (1894) owner (in part). Near this tract Mathias Martin from Germantown, Pa., settled. Mathias Martin married a daughter of Peter Troxell, Sr., and their daughter, Maria Magdalena Martin, became, in due time, the wife of Lewis Motter. John Troxell was the eldest son of the pioneer, Peter Troxell. It was this John Troxell who built Troxell's Mill which stood near the junction of Tom's Creek and Flat Run. Before and during the Revolution political meetings were held in the mill. William Elder, son of the old pioneer, was a leading spirit at these gatherings. He (Elder) was an orator by nature, and many a stirring appeal on behalf of the colonies was made by him. In 1779 William Elder was a captain in the Army. Many Troxell descendants now live in Emmitsburg. He (John Troxell) and his wife, died there

and are interred in Elias Lutheran churchyard".

The graves of John (2) Troxell and his wife are well marked and can still be seen in Elias Lutheran churchyard. The inscriptions follow:

3. In memory of John Troxell, born Sept. 17, 1747. Died April 21, 1830.

4. In memory of Elizabeth Troxell, wife of John Troxell, died May 25, 1825, aged 74 years, 10 months and 13 days.

4. In memory of John Troxell, son of John Troxell, deceased. Died Dec. (?), 1853, aged 72.

Mr. Scharf makes one statement to which the majority of present-day historians take exception—Tom's Creek was not named for an Indian bearing that name, but for the Toms family who were early settlers in the vicinity. No trace can be found of an "Indian Tom" and his name is not to be found mentioned in any of the early deeds.

According to Williams' "History of Frederick County" Peter (1) Troxell was the American ancestor of the family.

"Immediately upon his (Peter 1, Troxell) arrival in this country he settled in the Hugenot Colony in White Hall Township, in what is now Lehigh County, Pa. It was in this locality that the old Egypta church was built and of this congregation Peter Troxell was a prominent member. He (Peter) was the father of a large family, the rule and not the exception in that day. One son,

John Troxell, served as a lieutenant during the War of the American Revolution. Another son, Peter Troxell, also was a soldier during this conflict.

"Peter (2) Troxell married Magdalena Schreiber (Shriver). About the time of the War of the American Revolution began this second Peter removed with his wife from Pennsylvania to Frederick County, Maryland.

"George Troxell, son of Peter (2) and Magdalena (Shriver) Troxell, was the father of Jemima (Troxell) Motter.

"Peter (3) Troxell was a member of the Reformed Church. He married Elizabeth Crabbs, a native of Pennsylvania".

The following members of the Troxell family are interred in old Tom's Creek Lutheran churchyard:

5. "In memory of Jacob Troxell, born 1765, died 1807.

6. In memory of Peter Troxell, born August 3, 1719, died March 25, 1799.

In memory of Maria Magdalena Troxell, wife of Peter Troxell, died Jan. 6, 1806. Aged 69 years, 3 months and 21 days.

8. Sacred to the memory of Maria Troxell, daughter of Peter Troxell and Maria Magdalena Troxell. Born February 13, 1771, died August 4, 1794.

Note: This Peter Troxell was the second to bear that given name—his wife was a Schreiber (Shriver). They came to Maryland from Pennsylvania. Peter (2) Troxell was a soldier in the American Revolution.

There are only four marked graves of the Troxell family at old Tom's Creek. Considering the years—and vandals, this is a fair average, there were probably others—but the markers have long since disappeared.

In Elias Lutheran churchyard are the following marked Troxell graves:

7. In memory of Charle Troxell, son of Joseph F. and Martha J. Troxell. Born Nov. 21, 1830. Died July 23, 1833.

8. In memory of Frederick Troxell. Died Jan. 21, 1853, aged 73 years, 10 months and 1 day.

9. In memory of Catharine Troxell, wife of Frederick Troxell. Died Feb. 15, 1815. Aged 30 years, 1 month and 17 days.

10. In memory of Susanna Troxell, wife of Frederick Troxell. Died June 15, 1839, aged 50 years, 3 months and 26 days.

11. In memory of George Troxell, died July 20, 1832, aged 79 years, 10 months and 23 days.

12. In memory of Elizabeth Troxell, wife of George Troxell, died July 2, 1850, aged 69 years, 10 months and 6 day.

13. George Washington Troxell, died January 30, 1815, aged 1 year, 4 months and 8 days.

14. Harriet Troxell, died August 21, 1855, aged about 40 years.

15. In memory of Jacob Troxell, died June 7, 1833, aged 46 years, 8 months and 7 days.

The historical and genealogical study of Elias Lutheran congregation and its two burial grounds, old Tom's Creek and the plot at the church, will be continued in this series next week.

Cotton poplin is from the French "papelaine," because it was first made in a papal city.

Former Citizen's Bravery Averts Possible Tragedy

That someone wasn't killed or injured, and that major property damage was not done, was attributed to two acts of bravery at Lakeland, Fla., recently, when a truck-crane went out of control.

Jerry Parker, the crane operator, and George Hoffman, the truck driver, both of Lakeland, were credited by witnesses with saving lives and property when they manhandled an out-of-control truck-crane rig, to a relatively safe stop after knocking down palm trees on Lake Morton Drive, on Kentucky Avenue.

Hoffman, formerly of Emmitsburg, who had parked the truck and set the brakes on the hill, saw the outfit slowly, at first, rolling down the hill.

The truck-crane crossed East Lime Street and Hoffman jumped into the cab of the truck.

Brakes did not hold and Hoffman maneuvered the giant rig onto an embankment off the west side of Kentucky Avenue, trying to bring the truck-crane under control.

But the rig kept plunging down the hill and sheared wires and a large tree limb as the outfit kept picking up speed.

In the meantime, Parker was trying to keep the shaking boom from hitting cars, homes and other objects.

The heavy rig neared the intersection of Kentucky Avenue and Lake Parker Drive, and Hoffman turned the truck slightly to the right, went across the usually heavily-traveled two lane drive, jumped a curb and struck two palm trees before finally coming to a stop.

Neither Hoffman nor Parker were injured, although they were badly shaken up by the traumatic experience.

Witnesses to the scene said the two men deserve much credit for their heroic deeds and coolness of action.

Cumberland Twp. Police Chief John G. Hemler, said the thieves secured the cash while ransacking the office of Robert Minter, manager of the lanes. Besides the cash, they took a gold blazer and an assortment of windbreaker jackets made of nylon and topline that were on display racks in the lobby. An undetermined amount of change was missing from a billiard table vending machine they pried open. Entry, Chief Hemler said, was made by jimmying a door at the side of the building. The theft occurred between midnight and 8:45 a.m. when it was discovered by Charles R. Krietz, a bowling machine repairman.

Truck Production Outlook Brighter

By Babson's Reports Incorporated, Wellesley Hills, Mass.—The nation's truck manufacturer-

ers wrote off calendar 1970 as a poor year for them. In 1969 the industry established its all-time high output record, with nearly 2 million trucks built. However,

in 1970 many adverse actors exacted a toll upon the industry: Sales lagged early in the year, the labor difficulties of the teamsters curtailed inflow of materials and shipments of assembled units, economic conditions were uninspiring, commercial borrowing costs remained high until late in the year, and finally there was the UAW strike against General Motors. Hence, truck production for 1970 ran close to 1.5 million units, the lowest calendar total since 1963.

Snapback Due

The Research Staff of Babson's Reports forecasts that companies involved in truck manufacturing and related fields (trailer and container manufacturing) will experience a return to more profitable operations this year. This reflects several favorable factors, including newer equipment to handle fishy-back, piggy-back, and container aspects of the intermodal transportation system; further additions to the massive interstate highway program; and liberalization by some states of weight and length maximums governing truckers. From a fundamental standpoint, another favorable factor for domestic heavy-duty truck manufacturers is that they are not plagued by stiff foreign competition.

Industry Profile

Among the leading truck equipment manufacturers are General Motors (GMC and Detroit Diesel), Ford, Chrysler, Signal Companies (Mack Trucks), White Motor, Cummins Engine, Fruehauf, and International Harvester. The Detroit Big Three (GM, Ford, Chrysler) have the lion's share of the smaller light-duty truck market. Pick-ups or light-duty trucks account for over half of total domestic truck output.

In the heavy-duty segment of

the market, however, the independents have historically made their mark, presently holding a shade more than half of the domestic market. Also it should be noted that approximately 80% of heavy-duty trucks are powered by diesel. Sales in the heavy-duty segment were off in 1970, but—aided by tax relief—recent marked increases in trucks for the recreational market (campers, etc.) lead us to believe that more of the smaller truck sales are going in this direction.

Basic Considerations

A parallel can be drawn between heavy-duty truck sales and Gross National Product. Increased demand for shipments of goods and services results in improved truck sales. Hence, we look for greater demand for these trucks in 1971. Also, the labor difficulties of the teamsters and the soft economy deferred many 1970 heavy-duty truck sales; hence we anticipate a generally better climate in 1971 for both light- and heavy-duty segments of the market. The long-term growth outlook is favorable for the heavies, owing to larger pay loads and more liberal length regulations.

Trucks, like autos, contribute to the pollution problem in proportion to their numbers. The same effort expended to reduce pollution by cars will be directed also to the truck manufacturers since they both fall under federal government and state supervision.

Looking Ahead

We feel that turbines will be used in large trucks and buses beginning in the present decade. Additionally, what is now an international concept of containerization should produce more growth in the companies which manufacture this type of equipment. Because of the larger pay loads of operating units, we also anticipate that better braking qualities will be "built in" by the manufacturers, possibly with the addition of computer-operated skid controls.

LEGAL

STATE OF MARYLAND NOTICE OF APPOINTMENT AND

NOTICE TO CREDITORS TO ALL PERSONS INTERESTED IN THE ESTATE OF LEO MCKINLEY DAVIS.

This is to give notice that the undersigned, Robert Davis, whose address is 209 Rupe St., Spring Lake, N. C. 28390, has been appointed personal representative of the estate of Leo McKinley Davis who died on January 11, 1971.

All persons having any objection to such appointment shall file the same with the Register of Wills of Frederick County on or before July 25, 1971.

All persons having claims against the decedent must present their claims to the undersigned, or file the same with the said Register of Wills on or before July 29, 1971.

Any claim not so filed on or before such date shall be unenforceable thereafter.

fully cover increases in all of the deductible and coinsurance payments required of Medicare beneficiaries under Part A (hospital insurance) of the Federal program. This was the fourth time benefits have been increased for Blue Cross and Blue Shield members since the program went into effect in 1966.

The current three-month enrollment period applies to non-members only—those senior citizens who are not now members of either Blue Cross or Blue Shield. Current Blue Cross and Blue Shield members automatically will be converted from their present coverage to the special program when they reach age 65. Anyone eligible for Medicare may enroll in the 65 Program by contacting the nearest Maryland Blue Cross and Blue Shield office.

The enrollment period for Blue Cross and Blue Shield 65 coincides with the annual Medicare open enrollment period. Marylanders over age 65 and not yet enrolled in Medicare are urged to check with their local Social Security office about eligibility for the Federal health care program.

Zoning Is Protection, Not Restriction

Zoning can best be described as a protection rather than a restriction, according to local planners.

In the January issue of the Planning Advisory Service Newsletter, published by the Frederick County Planning Commission, the planners explain that "a good sound zoning ordinance, properly enforced, is an asset to a community." Zoning can mean stabilized property values, economy in local government and peace of mind to citizens. "It is a matter of housekeeping in the community, assuring that everything is in its proper place and that there is a place for everything."

The planners explain the purpose and function of zoning as follows:

Zoning is a regulation of the use of land and buildings by the community as part of the police power. The police power is the same premise of law under which traffic regulations are enforced. In effect, the police power provides that you, as an individual, can do as you please so long as in doing so you do not infringe upon the rights of your neighbor.

Zoning simply applies this principle to the use and ownership of land property in the same manner it has always applied to other types of property such as automobiles and guns. Under the provisions of zoning, the rights of the individual are subordinated to the collective rights of the community. However, zoning enables the citizen acting as an individual or a group the right of support or opposition to the form of development planned for the com-

munity in a public forum prior to the necessity of expensive court action. In many instances the public or individuals succeed in bringing about a better result for their community.

It is strange that zoning is frequently referred to as a restriction since each time a restriction is enforced against an individual the entire community is protected.

Zoning is concerned primarily with three major types of regulations, namely: 1) the use which can be made of land and buildings; 2) the maximum height to which a structure may be erected; and 3) the amount of open space that must be provided around structures in the form of front, side and rear yards, as well as the minimum lot area upon which residential facilities can be erected—the density.

Zoning regulations have absolutely no concern with the cost of buildings, style of architecture, or structural elements.

Americans paid \$16.3 billion on sales taxes in fiscal 1970.

A Powerless Public Opinion

Every citizen in America is a part of the public opinion force which shapes the direction of our course as a nation. That's why we can say, without challenge, that the credit for the "good" actions and the blame for the "bad" actions taken by our public servants at all levels of government resides with the people generally. The only "rub" in the wonderful "democratic" mechanism through which our Republic operates is that too many citizens are not vocal or active in the force of public opinion; thus most of the time an active minority rules.

There are approximately 125 million people who ought to be voting in all elections in America on the personalities and issues of government, and actively fulfilling the civic duties of a free people. Not half of them vote. Not a tenth of them are active in governmental affairs. Not one in every one-hundred adult citizens writes to or visits with his representatives in Government. "Let George do it," most people say.

Sin Of Omission
Most of the time the "public opinion" that comes out of such an apathetic commonwealth of people is a minority opinion. It is only during an uprising of the whole citizenry, usually at a time of acute danger or looming disaster, that a true public opinion is stirred up and expressed with powerful enough force to decide national issues. So, during most of the time, the course of our nation is charted by activists, self-interest pressure groups, and a small smattering of the general public.

In Washington last week we

talked to a number of Senators and Congressmen, plus some of the top individuals on the staffs of Congressional committees (where the hardest work in legislating is done) and people in the White House who are engaged in preparing for President Nixon the research, analyses and formal advisories which guide his decisions on this nation's great problems. We sought out these important people because of our fear for the future of our country. We wanted some answers about decision-making.

"What Can We Do?"
We wanted to ask them (and did), "What can be done by the John Doe citizens of America about: (1) the continuing inflation, (2) the breakdown of law and order, (3) the widespread degradation of traditional moral principles, (4) the deterioration of internal security, and (5) the deterioration of our nation's military might in relationship to that of World Communism."

These five problems are worrying the "non-liberal" people in Washington — ("middle-of-the-roads," "fairly conservative," and "very conservative" people in high places). They gave us some answers which we will pass on to our readers in this and subsequent columns.

Powerful "liberal" shapers of America's destiny (those in Washington) seem to be worrying very little about inflation. Although there is considerable "liberal" hand-wringing about "unemployment," the "liberal" viewpoint on economics is that government deficit spending constantly rising wages (regardless of productivity levels), and a "little" inflation all are necessary thrusts to keep a modern society (our society) soaring forward through "any old headwind" that comes along trying to retard progress.

"Move Public Opinion"
The people we interviewed, who do not accept this "liberal" viewpoint and are terribly worried about the future of America, told me that an informed public opinion, frightened about its future, is the only force that can establish stability and security in our nation. If our na-

tion is to escape disaster, several "non-liberal" members of Congress told me, an informed and frightened public would have to rise up noisily and overwhelm the Senate, and the House, and the President with a "majority" demand for rational decisions on the major issues.

The "non-liberal" people in America can move public opinion in a big wave. Why don't they? Why don't they? The Gallup Poll shows that there are 91,000,000 "non-liberal" and 26,000,000 "liberal" adults in America today. This will have to be proved through citizen action, to move Congress and the Nixon administration. The significant poll shows that "liberals" are a relatively small minority in the Democratic, Republican and Independent electorate albeit a majority in the U.S. Senate. Next week we will give the details, and suggest some actions for "non-liberal" citizens.

Thurmont Co-Op

Holds Meeting

With approximately 140 persons in attendance, the 36th annual Stockholders Meeting of the Thurmont Cooperative, Inc., was held at the Thurmont Middle School on Friday, January 15, with President Robert B. Ogle presiding.

Immediately following the In-vocation, given by Randy Waesche, Mr. William G. Baker, Vo-Ag In-

structor at Catocin High School, presented Mary Lynn Ogle, Frederick County Farm Queen; Mary Margaret Stull, Frederick County 4-H Queen; and Myra Galbreath, Frederick County Junior Miss. Members of the Vo-Ag Judging Team, Vicky Wivell, Lee Bassler, and Paul Sharrer, were introduced. Also presented were Nancy Fink, Catocin FFA Chapter Sweetheart, and several members of the Catocin FFA.

The principal speaker of the evening was Kevin Hall, winner of the National Public Speaking Contest.

The Financial Report for the year 1970 was given by Manager Ralph D. Zimmerman. Election of Directors resulted in Robert B. Ogle, Raymond E. Keilholtz and Mehrle H. Ramsburg, Jr., being re-elected to the Board. Other directors are Harry G. Black, C. Rodman Myers, Ross S. Stull, Lester G. Bittner, Dallas S. McNair and Alvie L. Weller.

Following adjournment of the meeting, refreshments were served by the Thurmont Elementary Room Mothers.

Immediately after the social portion of the evening, the Board of Directors, during the reorganization session, voted to retain the officers of last year. Officers are as follows: President, Robert B. Ogle; vice president, C. Rodman Myers; secretary, Mehrle H. Ramsburg, Jr., and treasurer, Harry G. Black.

A new kind of cotton cushioning has resilience and crush resistance.

Charles Town Opens Next Week

The Charles Town Turf Club will launch the 1971 racing season in the Shenandoah Valley town of Charles Town, W. Va., February 5, opening a 67-night meeting that will close April 24.

The season at Charles Town will total 259-nights, shutting down next December 4 at Shenandoah Downs. Doubleheaders are scheduled on Memorial Day, July 4 and Labor Day.

A multi-million dollar improvement program that saw construction of a new Clubhouse at Charles Town last year is continuing, General Manager, Charles Funk, said. The main improvements this year will be in the Grandstand where

certain seating areas are being modernized and the lower level being redecorated.

Charles Town will offer the Big and Little Exacts in addition to the conventional Daily Double.

INCOME TAX TIPS

Q) How do you decide which
tax package to send people?

A) These decisions are based
on last year's returns. Each tax-
payer is sent a package contain-
ing schedules he used to prepare

his 1969 return.

Q) Why did my tax withold-
ing change?

A) There are a number of
reasons, some of them increased
withholding while others decreased
withholding.

Withholding rates for social se-

curity tax increased from 4.8 to 5.2
per cent effective January 1. This
would increase withholding for all
taxpayers covered by Social Se-
curity.

Income tax withholding rates
were lowered beginning in Janu-
ary for single persons and those
with low incomes. These changes
result from the Tax Reform Act
of 1969.

Q) I have all the information
I need to file my return except
for my W-2. Can I file without
it?

A) Every effort should be made
to secure your W-2 statements in
time to file a correct return be-
fore April 15. If you are unable
to secure all W-2 statements, fill
out your return based upon the
best information available. An
amended return can be filed when
corrected information is secured.

Q) Are conservation expenses
deductible for a farmer?

A) Yes, farmers may deduct
certain soil and water conserva-
tion expenses, that would other-
wise have to be capitalized. How-
ever, if the land is sold within
ten year special rules apply in
calculating any gain.

Q) Where do I send my re-
turn?

A) Send it to the IRS regional
service center for your area. The
addresses are listed in the tax
form instructions. An envelope
addressed to the center was in-
cluded in the tax form package.

Q) Where can I get a copy of
the form on moving expenses?

A) This form is available at
local IRS offices. Ask for Form
3903.

Q) I sold my house last year.
Do I have to report this on my
tax return?

A) You should report any prof-
it you made on the sale of the
house as a capital gain. However,
if within a year you purchased
another house costing at least as
much as the "adjusted sales price"
of the one you sold, then tax on
the gain is postponed.

Tax on gains from home sales
may be eliminated entirely for
those who are 65 years of age
and who meet certain conditions.
For details on this and other as-
pects of home sales, send a post
card to your local IRS office and
ask for Publication 523, Tax Infor-
mation on Selling Your Home.
This booklet is free.

Q) Can I deduct my Blue Cross
premiums?

A) Yes, if you itemize deduc-
tions.

Note that one-half of your med-
ical insurance premiums up to
\$150 are deductible even though
your total medical expenses do
not exceed 3 per cent of your in-
come. This is explained in the

1040 tax instructions as well as
Schedule A where this item is en-
tered.

Q) Are gambling losses deduct-
ible?

A) Gambling losses can only
be used to offset gambling win-
nings if deductions are itemized.
The law does not permit a tax-
payer to use these losses to re-
duce his other income.

Q) Are you going to send out
estimated tax forms this year?

A) Yes, estimated tax forms
will be mailed in February to all
those who filed an estimated re-
turn for 1970. Forms will also
be sent to those who should have
filed an estimate last year but
didn't.

Visiting Date Set For St. Joseph's

St. Joseph College will hold its
first "visiting day" of the 1971
semester for prospective students
on Saturday, February 6.

The Admissions Office encour-
ages interested high school juniors
and seniors to visit campus where
they will receive a guided tour of
the campus, visit the departments
they're interested in, meet with
faculty members, lunch with St.
Joseph's students, and finally, have
their interview with an admis-
sions officer.

Other visiting days during this

semester are scheduled for March
20, April 24, and May 8. For more
information or an appointment on
visiting day, write or call Director
of Admissions, St. Joseph College,
Emmitsburg, Md. 21727.

Labels Eliminate Many Errors

Your income tax refund can be
processed faster if you put the
blue pre-addressed name label that
came in your 1040 tax package
onto the return you file, Irving
Machiz, District Director of In-
ternal Revenue for Maryland and
the District of Columbia, said this
week. Just peel it off the front
of your tax package and place it
in the box at the top of the Form
1040.

Use of the label will eliminate
many errors in name and Social
Security numbers. If you find an
error in your blue name label,
make the correction on the label
and use it on the return.

When a return is prepared for
you by someone else, remember
to put the blue name label on the
form you actually file, Mr. Ma-
chiz said. You should either give
the tax preparer the package with
the name label attached or re-
move the name label yourself and
attach it to the completed form
when it is returned to you for
signing.

For many years, the waters
around New Zealand were reputed
to be the best in the world for
marlin fishing and in 1949, more
than 1,300 billfish of various types
were caught on rod and reel. In

1965, after Japanese commercial
fishermen had decimated the area
and moved on, R. B. Doogue of
Wellington reported that "it will

Your Maryland Tax

By LOUIS L. GOLDSTEIN
Comptroller of the Treasury
Who Must File A Tax Return?
An income tax return must be filed to the State of Maryland, Comptroller of the Treasury, by every individual resident of this State who, by the laws of the United States, is required to file a Federal income tax return with the Internal Revenue Service.

Generally, this includes all residents of Maryland having a gross income of:

1. \$1,700 or more and are single;
2. \$2,300 or more, and are single, 65 years of age or over;
3. \$2,300 or more of combined income of husband and wife, filing a joint return;
4. \$2,900 or more of combined income of husband and wife, one of whom is 65 years of age or over, filing a joint return;
5. \$3,500 or more of combined

income of husband and wife, both of whom are 65 years of age or over, filing a joint return;

6. \$600 or more of married individuals electing to file separate returns.

Every resident individual of Maryland who is not required to file a Federal return because of insufficient gross income for Federal purposes is, notwithstanding, required to file a Maryland income tax return provided the "addition modifications" to Federal adjusted gross income (as set forth for Schedule "C" on page 8 of the instructions in the tax packet) increases the Maryland income of such individual to an amount whereby a Federal return would have been required on a like amount of gross income.

In order to effect a refund of any overpayment of income taxes, a return must be filed regardless of the amount of gross income.

When filing a return, not otherwise required, for the purpose of obtaining a refund only, it is not necessary to go through the mechanics of computing the tax in accordance with the procedure set forth on the form.

If you filed a return for the year 1969, the Comptroller's Office has by this date mailed to you the 1970 tax form packet which contains all necessary forms and instructions. If this packet has not been received by you, or if you have not filed a Maryland return for 1969, the complete tax packet may be obtained by writing the Maryland Income Tax Division, Annapolis, Maryland 21401, or from any of the branch offices of the Comptroller, or from most of our Maryland banks.

Heart Fund Names Chairman

Appointment of Robert G. Hooper as the 1971 Heart Fund Campaign chairman for Frederick was announced this week by Raymond E. Creager, General Campaign Chairman.

The Frederick County Heart Fund Drive will be conducted during the month of February when Heart Sunday volunteers in both the city and the county will visit their neighbors to deliver educational information on the warning signs of heart attack and to receive Heart Fund contributions.

Hooper, a native of Frederick, is the manager of the Frederick office of Baker, Watts and Company.

"There can be no doubt that diseases of the Heart and circulation, accounting for about 53 per cent of all deaths, constitute our country's foremost health problem," said Hooper. "Apart from this, latest statistics show that more than 27 million Americans suffer from some form of cardiovascular illness."

Assisting Hooper in the city drive will be Heart Sunday Co-Chairmen, Mrs. Charles Rickman and Mrs. Seymour Stern. This is the second year Mrs. Rickman and Mrs. Stern have served in this capacity and again they will be recruiting a group of majors to coordinate the activities of the volunteers on Heart Sunday, February 21.

In addition to the Heart Sunday Co-Chairmen, Hooper announced the appointment of John W. Derr and Jay D. Kline as co-chairmen

Dial 447-6121 to report a fire.

of "Heart-Days-for-Business" in Frederick County. This will be a solicitation of businessmen by businessmen. It will cover stores, service stations, garages, professional offices and all other non-residential places of the community.

Derr is associated with Melvin H. Derr and Son Insurance Agency, and Kline is vice president of Economy Oil Company. The business co-chairmen stressed the importance of this campaign by indicating that in the pre-retirement years before 65, diseases of the heart and blood vessels take more lives than the next five leading causes of death combined. They pose a constant threat to business and industry, afflicting skilled workers and executives in their most productive years.

Hooper went on to say that proceeds from this drive support research, education and community service activities of the Frederick County Heart Association, the only voluntary health agency here devoted exclusively to combating diseases of the heart and circulatory system, which are responsible for more than half of all deaths in this country.

Cotton was used in Zuni and Hopi Indian ceremonies in 500 B. C.

Drivers To Need Classified License

Commissioner of Motor Vehicles Ejner J. Johnson today reminded Maryland motorists that although a new Classified Drivers License system became effective January 1, 1971, most drivers will not need a "classified" license until their present one expires.

The Commissioner stated that any Maryland drivers license issued prior to January, 1971, will remain valid until its normal expiration date. This license will permit the driver to operate all classes of vehicles for which it was issued, until expiration. It must then be converted to a "classified" drivers license.

Mr. Johnson added that only those drivers who, for reasons of employment, need a higher license classification will be required to apply for a new license.

At the time of license renewal (whether operator's or chauffeur's) the driver must renew for the specific classification desired. Experience certification forms are available for persons now holding an operator's license but who are fully qualified and experienced in the operation of larger vehicles. Present holders of chauffeur's licenses will not be required to be re-tested. Their employers can certify as to their capability.

Commissioner Johnson concluded that most present drivers will receive a Class "D" license at renewal, which permits the licensee to drive vehicles up to 20,000 pounds gross weight. Re-testing will not be required. However, new drivers making application after January 1, 1971 will have to be tested in the class or type of vehicle for which they wish to qualify.

Police Group Seeks New Court

The Frederick lodge of the Fraternal Order of Police has sent letters to each of the county commissioners strongly urging the implementation of a District Court in the county.

The lodge, which represents the majority of police officers in the county, sent the letters to commissioners Lawrence A. Dorsey, John A. Derr and Donald Lewis.

The letters urge that the county be among the first in the state to establish the district court system which the lodge feels would greatly improve justice in the county.

The text of the letters is as follows:

We of Francis Scott Key Lodge #91, Fraternal Order of Police, which represents the vast majority of the members of the Frederick City Department of Police, of

the Thurmont Police Department, and of Maryland State Police Barrack "B," have voted unanimously to solicit the assistance of the Board of County Commissioners in implementing the new state-wide District Court System in Frederick County as of July 1, 1971.

As law enforcement officers of the County, we are striving for the fair, the impartial, and the complete enforcement of all laws.

Alumni To Battle St. Joe's Cagers

Come, see if there is a generation gap in basketball when the Alumni of St. Joseph's High School compete against the Trojans' team on Sunday, Jan. 31, at Mt. St. Mary's Gym. The girls' game starts at 2 p.m., with the boys' game to follow. Admission is \$1 for adults and 50c for students. Refreshments will be on sale.

Anyone wishing to play on the Alumni teams, please call Dennis Stahley, 447-2150 for the boys' team, and Dee Little, 447-2804 for the girls'.

Nun To Install Honor Society

Sister Margaret Flinton, chairman of the department of modern languages and literatures at St. Joseph College, will install the Zeta Phi Chapter of the National French Honor Society at the University of Rhode Island in Kingston on February 4.

Vice president of the East for the National Honor Society, Pi Delta Phi, Sr. Margaret is also faculty advisor for the Omega Chapter on St. Joseph's campus. Pi Delta Phi is a member of the Association of College Honor Societies.

MRS. W. H. BABYLON

Mrs. Rhonda May Matthews Babylon, 89, Williamsport, Md., the widow of William Harvey Babylon, died Sunday after a long illness.

Born in Deerfield, she was the daughter of John W. and Laura G. Ambrose Matthews. She was a member of the Calvary Temple in Williamsport.

She is survived by one son, William Homer Babylon of Williamsport; one sister, Mrs. Charlotte Weber of Baltimore; and one brother, Francis S. K. Matthews of Emmitsburg.

Funeral services were held on Wednesday at 10:30 a.m. at the Grove Funeral Home, Williamsport, with the Rev. Vernon Miles officiating. Interment was at the convenience of the family.

WEATHER REPORT

Temperatures for the Emmitsburg District for the period ending January 22, as reported by the U. S. Weather Station, Mrs. Lucille K. Beale, local observer, were as follows:

	H	L
Saturday, Jan. 16	34	16
Sunday, Jan. 17	32	8
Monday, Jan. 18	28	3
Tuesday, Jan. 19	24	8
Wednesday, Jan. 20	28	13
Thursday, Jan. 21	30	10
Friday, Jan. 22	42	27

Only a trace of precipitation for the period was reported.

High Winds Overturn Truck

Winds of 70-mile-an-hour velocity ripped through Emmitsburg Tuesday, upsetting house trailers, tearing down antennas, etc. Shown above is large tractor-trailer rolled over near the intersection of Rts 15 and 97 in East Emmitsburg. Driver was not hurt.

Reach To Recovery

The simple act of hair brushing may not seem a vital part of every woman's life, but it is to a woman recovering from breast cancer. It is one of the exercises of the American Cancer Society's "Reach to Recovery" program, developed by Mrs. Terese Lasser to help women return to normal living after breast surgery. This is one of many service programs offered by the...

American Cancer Society.
